

Terms and Conditions for *Engaging God*

By subscribing to the Engaging God programme you agree to the following terms and conditions:

The *Engaging God* resources are for equipping the Joshua generation to become a habitation of God and a gateway of heaven by living in the dual realms of heaven and earth.

The context of using this material is designed to be that of being disciplined, mentored or prepared to disciple others, thus raising up a Joshua Generation.

There is a subscription charge for the use of the *Engaging God* resources and members-only website. This entitles the subscriber to use the material for their own personal growth and development. We will seek to keep any future increase to a minimum, and will notify you of any change by email. If the subscription charge is not affordable in your situation, please contact us.

You may only continue to use the *Engaging God* resources and website while you remain subscribed. **You agree to delete any downloaded files and destroy any printed copies** when the period covered by your subscription ends.

The *Engaging God* resources are not to be adapted or edited in any way.

The *Engaging God* resources remain the intellectual property of Freedom Apostolic Ministries Ltd., which holds all rights at all times. Individual modules or elements may not be used within other programmes without express written permission from Freedom Apostolic Ministries Ltd.

All individuals being mentored using the *Engaging God* resources must themselves be subscribers. You may not mentor anyone else using the *Engaging God* resources unless that person has also subscribed themselves.

You may not share the *Engaging God* resources or members-only website address with anyone else unless they are also subscribers.

You may of course share your own journey and testimony with others in any way you see fit, provided you do not make copies of any *Engaging God* resources for non-members nor direct them to the members-only *Engaging God* website or the resources hosted there.

If you wish to use the *Engaging God* resources to mentor or teach larger groups (e.g. churches, ministry schools), please contact us for group registrations and possible discounts.

You may withdraw from the programme at any time by cancelling your subscription payment with PayPal (or other financial institution where appropriate) and letting us know by email. No refund will be made in respect of any cancellation.

The included resources in their entirety, including but not limited to text content, graphics, layouts, and all source code belong to Freedom Apostolic Ministries Ltd. and/or third parties and are protected by intellectual property rights and copyright law. Copying, redistribution, use, or publication, whether free or for monetary gain, are strictly prohibited outside of the conditions issued within.

This agreement shall be governed by and construed in accordance with English law.
