Quantum Vision 1

- Amos 3:7 Surely the Lord GOD does nothing Unless He reveals His secret counsel To His servants the prophets
- Resonance, frequency, harmony
- As He spoke creation into being, His voice started to resonate
- Prophesying – releases God's will and the opportunity for our spirits to resonate to the sound of His voice

Quantum Vision 1

- Harmony or agreement occurs spirit to Spirit
- 1 Cor 6:17 But the one who joins himself to the Lord is one spirit with Him
- A prophetic sound coming out of heaven
- Up close and personal
- Heaven invades earth and the kingdom is established when we come into agreement
- God created the universe – thought – word – light (light and sound are wave frequencies)

Quantum Vision 1

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible.
- Hebrews 11:1 Now faith is the substance...
- Faith is the invisible substance from which our physical world was (and is being) created by Jesus

Quantum Vision 1

- "God used faith substance and word energy to create the universe. He spoke and the vibration (sound) of His words released (caused) the substance that became the stars and planets."
- We are made of this substance but God breathed his very eternal essence (Spirit) into us that makes us distinct but connected to creation

Quantum Vision 1

- Jesus, perfect example of man, did creation miracles
- John 14:12 Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father.
- Jesus only did what He saw the Father doing
- He only said what He heard the Father saying
- See in the realm of the spirit

Quantum Vision 1

- All subatomic particles are made up of superstrings
- String theory is the theory of everything
- Tiny doughnut-shaped packets of energy (grace)
- Spin at a frequency, or sing as in a pitch
- We have a song – our body vibrates at a frequency which produces a sound
- Eph 4:6 one God and Father of all who is over all and through all and in all.

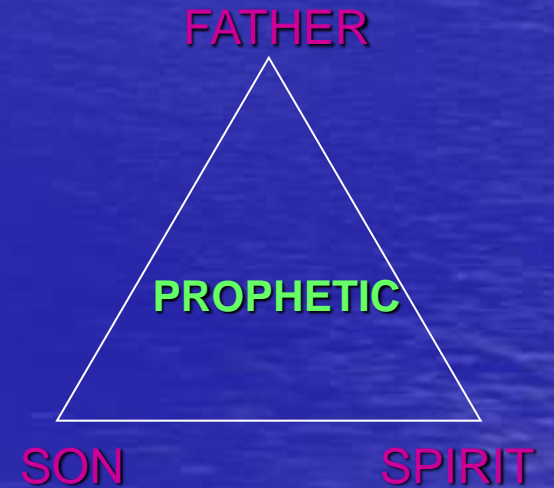

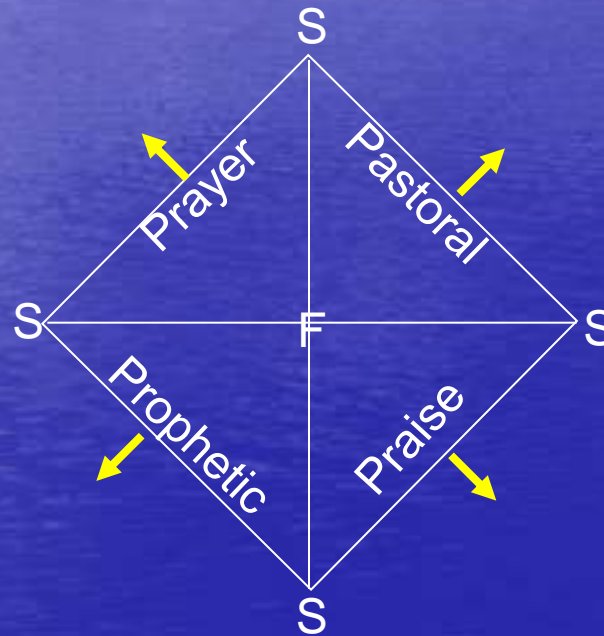

Quantum Vision 1

- Col 1:16 For by Him all things were created, both in the heavens and on earth, visible and invisible, whether thrones or dominions or rulers or authorities – all things have been created through Him and for Him. ¹⁷ He is before all things, and in Him all things hold together.
- Heb 1:3 He upholds all things by the word of His power
- Grace is God's divine ability and is the energy that holds everything together (and that we can connect with)

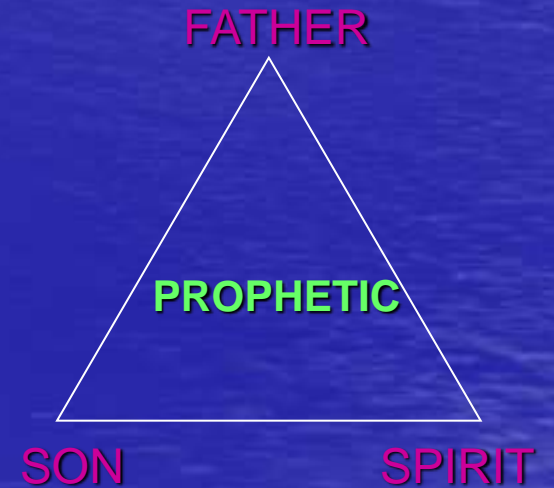

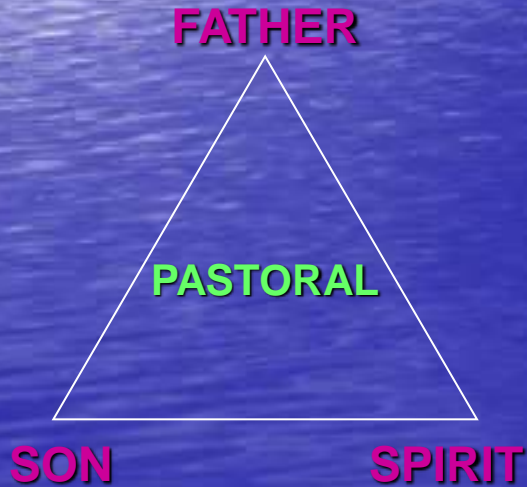

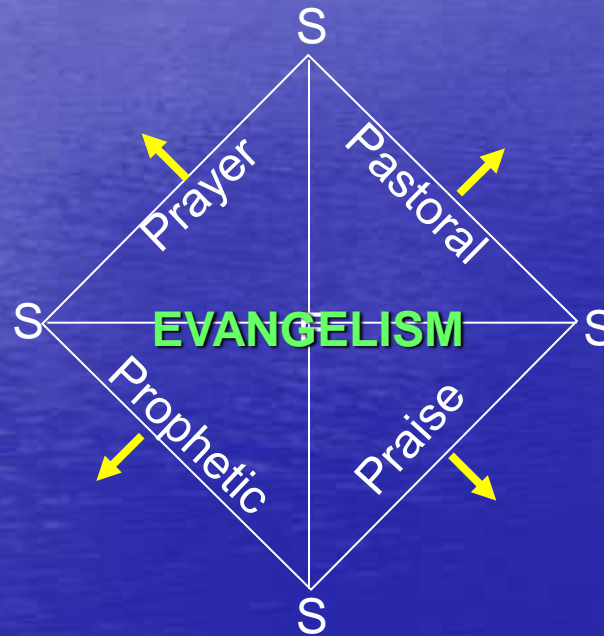

Quantum Vision 1

- When we come close to God or when God speaks prophetically there is a sound, a frequency produced
- When we resonate with that frequency we come into harmony (or agreement or faith) and that becomes a substance
- When we say 'yes' to God
- When the grace in us and the faith substance of God's word resonate at the same frequency a charge, power, or anointing is released.

- A time for removal of limitations and ceilings.
- We must know and recognize our landmark moments.
