Vision - Prophetic Resonance

- Amos 3:7 Surely the Lord GOD does nothing Unless He reveals His secret counsel To His servants the prophets.
- Prophesying – releases God's will and the opportunity for our spirits to resonate to the sound of His voice
- Dreams, visions, revelations, prophecy
- Resonance – harmony or agreement occurs spirit to Spirit – faith
- God created the universe – thought (light) and word (light and sound are wave frequencies)

Vision - Prophetic Resonance

- As modern technology advances and humans appear to become more intelligent and smarter we seem to be coming full circle. In the words of Solomon, a wise man:
- Eccl1:9-10 What has been will be again, what has been done will be done again; there is nothing new under the sun. Is there anything of which one can say, "Look! This is something new?" It was here already, long ago; it was here before our time.
- John 3:11 Truly, truly, I say to you, we speak of what we know and testify of what we have seen, and you do not accept our testimony. ¹² If I told you earthly things and you do not believe, how will you believe if I tell you heavenly things?
- John 16:12 I have many more things to say to you, but you cannot bear them now.
- John 16:13 But when He, the Spirit of truth, comes, He will guide you into **all the truth**; for He will not speak on His own initiative, but whatever He hears, He will speak; and He will disclose to you **what is to come**.

Vision - Prophetic Resonance

- Why is this quantum stuff important?
- God is revealing it to His prophets
- So we can see what He is doing and be able to do what He is doing
- So we can live and operate in dual realms
- Heaven and earth, natural and supernatural, spirit and body, physical and spiritual
- To be able to fulfil our destinies and do the works (and greater works) of Jesus

Vision - Prophetic Resonance

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that what is visible was made out of things which are invisible.
- "God used faith substance and word energy to create the universe. He spoke and the vibration (sound) of His words released (caused) the substance that became the stars and planets."
- All subatomic particles are made up of superstrings and are tiny doughnut-shaped packets of energy (**grace**) that spin at a frequency – or sing as in a pitch
- Strings require unseen dimensions to exist
- Words are powerful
- Col 1:17 He is before all things, and in Him all things hold together.
- Heb 1:3 He upholds all things by the word of His power

Power of words, thoughts & Emotions

- Prov 18:21 Death and life are in the power of the tongue
- Prov 4:20 My son, give attention to my words, Incline your ear to my sayings... ²² For they are life to those who find them And health to all their body.
- Prov 14:30 A tranquil heart is life to the body, But anger is rottenness to the bones
- Prov 16:24 Pleasant words are a honeycomb, Sweet to the soul and healing to the bones.
- Prov 17:22 A joyful heart is good medicine, But a broken spirit dries up the bones
- Neh 8:10 Do not be grieved, for the joy of the LORD is your strength.
- Prov 23:7 For as he thinks within himself, so he is.

Vision - Prophetic Resonance

- When God spoke and all the frequencies of His glory became manifest, the cosmos became! From the tiniest vibrating superstring that is causing or singing to the atoms that make up the table of 103 elements, all the way through everything the Hubble telescope sees, are the vibrating frequencies of Jesus' voice.
- All matter has memory - your words and actions are being recorded
- Joshua 24:27 Joshua said unto all the people, 'Behold, this stone shall be a witness unto us; for it has heard all the words of the LORD which He spoke to us: it shall be therefore a witness unto you'.

Matter has memory

- Jesus said in Luke 19:40 that the stones would cry out.
- Habakkuk 2:11 For the stone shall cry out of the wall, and the beam out of the timber shall answer it.
- CD, DVD, memory sticks
- All light and sound is recorded as vibrations at subatomic level. Therefore curses and evil memories can reside in things and places, and in us.
- Strongholds are recorded in our subconscious mind, neural pathways and in our DNA.

Strongholds – memories stored

- Strongholds – words, actions, behaviour formed into beliefs, mindsets, thinking patterns, points of view
- Form by constant repetition or trauma
- Form in the subconscious (heart) memory like stones
- Matter has memory, and you can change everything that has been recorded by what you observe, by the words you declare, or by the curses you remove and release in the name of Jesus
