

Module 05 – 20 Responsibility - New vs. old – Mind 3

Session 20

Isa 42:9 “Behold, the former things have come to pass, Now I declare new things; Before they spring forth I proclaim them to you.”

➔ **We need a new mind, a new reality and a new consciousness if we are to be true sons of God**

What reality are you living?

- From whose perspective are you viewing reality? – Yours or God's
- Does it feel like a dream or a nightmare?
- Can you change your reality?
- If you could would you?

All reality or truth if not seen through the perspective of **The Truth Jesus**, will eventually become a nightmare

Rom 12:1 Live consistent with who you really are, inspired by the loving kindness of God.... He desires to find visible, individual expression in your person. 2 Do not allow current religious tradition to mould you into its pattern of reasoning.

Rom 12:2 Like an inspired artist, give attention to the detail of God's desire to find expression in you. Become acquainted with perfection. To accommodate yourself to the delight and good pleasure of him will transform your thoughts afresh from within.

1 Cor 2:16 For who has known the mind of the Lord, that he will instruct Him? But we have the mind of Christ.

Having the mind of Christ the anointed one is being anointed with the divine enabling power of God in the restored mind of a son of God

1 Cor 2:12 Now we have received, not the spirit of the world, but the Spirit who is from God, so that we may know the things freely given to us by God, 13 which things

we also speak, not in words taught by human wisdom, but in those taught by the Spirit, combining spiritual thoughts with spiritual words.

Cardiognosis = knowledge of the heart

- Know truth by impartation through encounters that are not cognitive but heart to heart or mind to mind
- The mind of Christ is not a physical mind but a spiritual mind, us having a new consciousness and a new reality

Why don't we see ourselves as God sees us?

- Because we don't see God as He truly is. Why?
- Because our unrenewed minds are veiled by the constructs of our own consciousness
- This is because we lack the intimacy of a heart to heart relationship

2 Cor 3:14 But their minds were hardened; for until this very day at the reading of the old covenant the same veil remains unlifted, because it is removed in Christ. 15 But to this day whenever Moses is read, a veil lies over their heart; 16 but whenever a person turns to the Lord, the veil is taken away.

- This veil is the old religious or DIY belief systems that causes a hardened mind e.g. unbelief

We have taught people what to think not how to think. - Justin Abraham

- Conformity to ideology, theology, doctrine and cultural norms limits our creative thinking and sonship
- We must turn to the Lord for the veil of unbelief to be taken away
- To turn is to metanoia, to have a radical shift of thinking to engage the Truth Jesus who will remove the veils of lies and deception
- To try to turn away from anything will just cause us to focus on it more – only beholding truth will renew the mind
- To remove the veils and renew our minds we need to behold God face to face engage Him heart to heart and mind to mind so we can become like Him
- We can do this through meditative encounters as the eyes of our heart, our imagination, is activated we can begin to see, hear and perceive true reality
- I had a number of encounters with God that created cognitive dissonance within me but they also expanded my reality of God and myself
- I had a choice, fight to hold onto what I thought to be true or allow the Truth Jesus to renew my mind
- I had engaged God's heart many times with my spirit outside the limitations of time and space where my unrenewed mind could not function rationally

- **Then one day God said let me show you My mind** – I am not going to describe it visually
- **It felt like being in the middle of a continuous harmonious conversation between Father, Son and Spirit**
- I heard faint echo's of my name within those conversations
- Then I heard the Father say let Me show you something
- I got a brief glimpse of God's reality
- **God was connected to every one that had ever lived is living or will live all at once 108 Billion and counting**
- **He was connected to everyone in the now knowing every choice and every decision made every micro second**
- **His loving desire was to bring good out of every choice to redeem even the most stupid decisions of every person**
-

Rom 8:28 And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.

Rom 8:28 Meanwhile we know that the love of God causes everything to mutually contribute to our advantage.

- Wow what amazing love
- That love is not limited to a select group of people who love God but is extended to everyone
- Love is a circle of conversation, communion, fellowship and oneness between God the one as three and the three as one.
- Son you can be one as we are one your body, soul and spirit at oneness unified and restored to godlikeness to be the light of love to the world.
- Son there is no ego or self within love.
- Love that is God's is otherly relational and conversational love and the essence of I am is love.
- Love is light expressed as thoughts and desires concerning others.
- Son sink deeper and deeper into Me let the conversation of love surround you and immerse you and fill you.
- **Son let the truth that love reveals define you let it unveil your true image in Me.**
- **This why we need to be restored and renewed to God's image of us**
- Son you are along with the whole of mankind included in Me
- So open the eyes of all your faculties to truly know who you are by reconnecting with who you have been
- He is referring to knowing our eternal spirit not reincarnation
- In Me see your true image framed in love's conversation revealed in love's true expression.

- Son be from love's deepest well and let the spring become a fountain overflowing with love's energising power.
- Then one day Father said come walk with Me. We began walking in His garden a place of total rest.
- He said I want to show you something
- I saw this amazing area that was the most beautiful living vibrant place I had ever seen, felt, smelt or engaged with
- Then it changed before my I into something so different in colour, form and fragrance and then again it totally changed – confused

Look through My eyes and for just a glimpse I could see all the infinite possibilities all at once and I felt His pleasure and enjoyment

It was like a mind expanding trip that was to prepare me for what was to come

The thought I have the mind of Christ (1 Cor 2:16) spun across my mind for a fleeting second

- Is nonlinear multi-dimensional living possible?
- Son walk with Me beyond beyond to where you are destined to be.
- We walk through a doorway on Wisdom's heights onto the timeline of my life. Past, present and future
- I saw multiple paths created by my mind and engaged by my choice.
- I saw where making no choices would take me.
- I saw where making wrong choices would take me.
- My first reaction was that I needed to know the right path to choose
- The feelings of loss regret sadness started to overwhelm my emotions.
- I saw the light the energy and the atmosphere change.
- I saw myself as light no longer a vestigial image of my present
- I saw the new paths reconnecting my mind to areas of my consciousness that store the eternal memories of who I was.
- I saw the bridges begin to span the gulf between what was and what is and what will be.
- I began to see that which was shrouded in the mists of the long forgotten and now unknown mysteries begin clearing.

I then saw the truth, the reality that once was, begin to come into view as my consciousness entertains this new vista of eternal recollection.

I saw myself within the mind of God as a son. I am as I have always been known as a desire in God's heart and a conversation within His mind.

- Father said come and walk with me
- We began to walk it was dimly lit and it took time for my eyes to adjust
- There were light pathways crossing and connecting but as if the power was down
- Son you cannot see in this darkness because you are trying to look with the wrong eyes.
- Don't try to figure it out, just rest be enveloped by the mystery of love hidden for you to discover here.

I ask where are we? We are walking in your mind

We continue walk along amazing light paths until we come to a gulf

There were doors beyond the gulf that I knew were closed but not locked

The Father said do you want me to bridge this gulf for you this once -Yes

- I saw this path extend across the gulf
- Then I knew the possibility of new pathways developing in my mind
- I knew the possibility of opening those doors to discover new dimensions of reality.
- I felt and sensed the potential possibilities of the eternal reality of who I was always intended to be as a son
- The capacities that have been locked and hidden can now begin to reconnect.
- God wants us to be free from the imposed limitations from following the path of the Adamic DIY tree
- We walked across the light bridge and I looked for the Father to open the door.
- He looked at me and I knew I had to opened it so I reached out with my mind in my mind and the door opened

I just gazed with amazement at now, seeing beyond time and space I could see all the possible creative choices I could make at that moment

My first reaction was which one do I choose?

That was a fear based response

Because I was walking with the Father as a son heart to heart I immediately felt that fear just melt away as I realised that all the possible creative choices were good and acceptable

I saw creative possibilities springing from my mind that were all are good and all led to positive outcomes.

- Then I saw this golden thread that can be traced intersecting my time streams.
- It was fixed at both ends but flexible and movable by my choices
- My desire was to choose only God's path.

- I yielded and surrendered all that can be to become an expression of who I am in Him
- I chose as a son to seek first His kingdom and righteousness so that my creative choices would be an expression of His ever increasing government and peace
- I fixed my eyes, my consciousness upon that thread and I realise that my desire to choose only the right path when not linked to fear released me to create any path all the potential possibilities of my creative expression are good and acceptable to God
- God has made us all co-heirs as creative sons in His kingdom not just stewards
- I saw beyond the boundaries and limitations of my consciousness that have been disconnected from true reality.
- I saw I could choose a possibility
- I could “pop the quiff” and collapse the mystery and possibility into a reality.

I came out of this encounter looked at my watch and saw it is 7.45am and I should be in the office to see Jeremy at 8am

I saw that reality and I choose to realise it and I felt at peace

So I went and got ready

I came down and looked at the kitchen clock it was 7.55am but my watch was still 7.45am

I decide to test this reality and went into the garden to water the greenhouse and feed the fish

My watch was still 7.45am

I went to leave and Deb reminds me that she has the car

I so I walk; it takes 10-15 minutes normally

I walked halfway of the way and it is still 7.45am then time starts to move and I got to the office at 7.55am

- Son walk with Me. We walk again within the recesses of my mind.
- Son look at the dysfunction of the broken paths look at the mindsets that are like obstructions blocking the pathways.
- Son look at the rigid networks conforming and framing the pathways within your mind.
- **Now see fluidity and beauty of the pathways that can be formed by your renewed mind linked to mine**
- I saw the comparison

I saw the simplicity of truth of the now possibilities and compared it to the construction that has been built from the interpretations of truth and reality that comes from religion and culture.

- **Son let Me renew your mind to a new level, open up your mind to Me**
- **Let the truth remove the cages constructed by following the pathways of the knowledge of good and evil.**

I saw a framework a construction with pillars holding it up
I saw like a grid or series of connecting cross members as if bolted onto the pillars
He then started to shine a spotlight onto these pillars

Son these are the pillars upon which your paradigms are built.
He focuses the light of truth on the pillar of **evangelicalism** and then **sola scriptura**.
The light focuses on the pillars of **Greek and then Hebrew thought** and exposes them as constructs of man.

The light focuses on **Augustinianism** and exposes it.
It begins to shine on the pillar of **Protestantism**
It shines on scientific **rationalism** and then on **cultural relativism** and on **humanism**.

- Evangelicalism
- Sola Scriptura
- Greek thought
- Hebrew thought
- Augustinianism
- Protestantism
- Scientific rationalism
- Cultural relativism
- Humanism

Ezekiel 28:11... You were the sealer of perfection, full of wisdom, and perfect in beauty.¹³ You were in Eden, the garden of God. Every precious stone was your covering, (9 stones). On the day you were created they were prepared.

Ezekiel 28:14 I placed you there with an anointed guardian cherub; you were on the holy mountain of God; you walked about amidst fiery stones. 15 You were blameless in your behaviour from the day you were created, until sin was discovered in you. What was the sin? - I

Ezek 28 9 stones of light bearer were to reflect out the revelation of God
9 stones became counterfeited and perverted as 9 veils that frame our minds
Each veil filters the light of God and distorts God's image and our image
Each veil controls how our mind interprets the data we receive
The covering cherub's role was to absorb and reflect the light released from the throne of God

- As the light bearer and musician of heaven he was responsible to release frequencies that would carry the image of God that revealed our sonship
- He chose another path that he led mankind down DIY tree path
- Mind-sets established from beliefs that someone has taught us
- Revelation from old theological truth meant for a previous day
- The resting place of words that frame our belief systems
- ➔ **There is a new revelation of truth for our day to discover**

- God asked me if I wanted Him to deconstruct my mind
- I said yes Lord deconstruct the frameworks of my mind strip away the presumptions and the assumptions of my thinking.
- I want to think like a son
- Son I can continue dismantling this from the outside in or I can remove the foundations of the dogma, the pillars and supports of the constructs so that they collapse.

- This may be traumatic and disorientating for a short while but will be the most effective and quickest way to free your mind and consciousness from its constraints and restrictions.
- Father please remove the dogmatic foundations of my beliefs and restore the true foundations formed from eternal truth.
- I thought pull the pillars out and then quickly added please do it one at a time
- As these pillars were ripped from my mind the constructs began to become unstable
- It felt like my mind was wobbling – like I was having a mind-quake
- **The truth began to challenge my beliefs and my mind is being freed**

Looking back, I was living a day to day existence waiting for the rapture to take me to heaven. Now I am going every day! What a profound change in attitude and purpose in life this course has given me.

Then I started to see things I could not see before and realised how many assumptions and presumptions I was living according to. The limitations are being removed and the realities are being expanded

➔ **Son you are created and crafted with the created nature of I am as a son of God.**

- ➔ **Your true potential is limitless but is controlled by the boundaries that exist within your consciousness.**
- Son rest in the deconstruction at the end of the 7th day to embrace the new beginnings of the 8th day reality
- Son I am the master of all reality everything is contained within Me.
- I am, therefore everything is contained within the infinite potential possibilities of My mind
- ➔ **You have access to My mind so that your mind can be conformed and freed from its limitations**

Jer 6:16 Thus says the Lord, "Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it; And you will find rest for your souls.
