Vision Destiny 2016

- Church as you don’t know it!!!
- Video
- This a very different environment from what we are used to
- In persecution there is passion
- In comfort there is often complacency
- We cannot afford to be comfortable or complacent we need to be prepared
Vision Destiny 2016

• Cindy Jacobs

• A great move of the Holy Spirit upon children (ages 2-12) began in 2014, but will spread to other nations this year and will grow rapidly in intensity.

• They will be the "Samuels" of this generation and be very accurate in hearing God's voice.
Vision Destiny 2016

• Mike Bryant’s heavenly vision of children

• Then God took me to this place where I saw children worshipping and they were worshipping Him. Children who were in heaven worshipping with our worship. I saw whole group of children who were kneeling down on green grass worshipping with us in this room.
Vision Destiny 2016

• We engaged with heaven about being the Exchange a place where people can exchange an old life new
• God revealed to a number of people how important children are going to be in what is coming
• We need to be ready for this
Vision Destiny 2016

• The children of heaven, miscarriages, abortions etc are being prepared to be released untangled by the world and free to return as a new cloud of witnesses

• I have been to a place where these children are being tutored and trained by the angels and met my grandchildren
Recently God took me there again.

Son meet Rosharel, I am free grandfather and I am being prepared to assist in the great move that is coming when the white ones will be fully unveiled and released.

I felt such a pure heart and loving nature.
Vision Destiny 2016

- There are children in heaven being prepared to be involved with us
- They are watching and observing
- A release of a new cloud of witnesses prepared for our generation is coming
- Children on earth are going to be engaging God supernaturally becoming warriors of heaven
Freedom Apostolic Resources

• We have wider ministry than just the local area

• I am calling you to raise up the legislators and the oracles for this new cycle of justice.

• I sent you to the nations to issue the edict for the Joshua Generation now you must be prepared to answer their calls.
Don't ignore those nations any longer.
The forerunners will reach out to you answer their calls and help equip them to rule in their nations with righteousness and justice.
Vision Destiny 2016

• Son listen intently for the sound of hunger that will be released from the nations.
• Son watch for the signs I will give and respond as a true son of Issachar.
Freedom Apostolic Resources

• I will raise up those who will take up the slack here so you can go where the sound is loudest and the signs are clearest.

• Just as you have found a way to be creative with the desire to build, I will enable you to make a new way.
Vision Destiny 2016

- Next year the construction cycle will begin when eagle and ox will partner and greater grace will be released and manifold grace will lead to grace upon grace in preparation for the cycle of unprecedented mercy that will follow
Vision Destiny 2016

• Church as you don’t know it!!!
• What is our identity as a church?
• Who are we?
• Why are we here?
• What are we called to do?
• How are we called to do it?
Heb 12:26 And His voice shook the earth then, but now He has promised, saying, “Yet once more I will shake not only the earth, but also the heaven.”

27 This expression, “Yet once more,” denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain..
Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire.
Vision Destiny 2016

- Things will not continue as they are
- There are great shakings coming
- We can’t assume everything is going to be the same
- This is not a doom and gloom come and rescue us scenario
- This will reveal the true church
Vision Destiny 2016

- This will be an opportunity for the true church to arise and shine Isa 60
- This how the Mountain of the House of Lord is going to be raised up Isa 2:2
- We must start preparing how we are going to do what we are called to do in light of the future not just the present
Vision Destiny 2016

• One of our biggest hindrances is normalcy - the trap of the familiar

• It creates complacency

• It is time!!

• We have been called to know the times and seasons

Vision Destiny 2016

• If we are to legislate God’s kingdom on earth as it is in heaven in righteousness we must encounter His love

• God is relational His love His love is eternal

• Everything in the kingdom is about love

• Let’s really engage with love today

• Let God’s love transform us
I call for judgment, justice, grace and mercy to be released

I release the winds of change to shake the wilderness mountains

I call for a holy dissatisfaction to arise in the valley of decision

I call for the release of the cry there must be more than this

I call for light to pierce the darkness of the coverings of men
• I call for a new exodus from the wilderness
• I call for a new wave to cross beyond the veil into their supernatural inheritance
• I call for the rising of the Joshua generation
• I call for the order of Melchizedek to function
• I call for the legislation of sonship, inheritance, restitution and recognition.

• I call for the love of God to be poured out.

• I call for love bombs from eternity to be released from the weapons house of heaven to explode into our hearts.

• I call for the eternal love between Father Son and Spirit poured into our hearts transformational love flowing out of heaven.
I call for a new dimension of love beyond measure and understanding to be released into our lives.

I call for greater grace manifold grace and grace upon grace to be released.

I call for mercy that triumphs over judgement flowing out of heaven into our spirits like a stream flowing into our hearts.
• I call for love stronger than death the song of all songs to be released
• I call for love that we can never be separated from that will never fail never run out to be released
• I call for God to manifest His full presence as Love like a rushing wind like a tsunami wave after wave of unquenchable love.
