

## 04 – Vision - Destiny 2016

Sons of Issachar

1 Chron 12:32 Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do

### Our destiny & ministry calling is to be forerunners

1 Chron 7:5 Their relatives among all the families of Issachar were mighty men of valour

- Joshua Generation operates in the order of Melchizedek as forerunners of this heavenly, royal priesthood to prepare the next united generation to embrace their inheritance
- Heavenly positions of government to rule and legislate out of intimacy and relationship

God has been speaking to me a lot. He has called me to increase legislation.

→ **My desire is that you release the revelation that will begin the intended generational cycle but now with the governmental order increased in heavenly authority.**

Those who were engaging heaven 40 years ago failed to disciple others but kept the knowledge hidden as the precious guarded secrets of the few rather than the norm for all

True experiential knowledge is designed to be increased and expanded by giving it away.

The true value of revelation is only appreciated through its use.

A new generational cycle begins with a new beginning at a higher level and fresh starting point.

- I am sending out My prophetic voice once again **to inspire My people to embrace their destinies to be prepared and ready for the harvest this time around.**
- I call to My people rise up and be the champions those warriors of the new generation.
- Those truths that were once presented as mysteries must now be made plain and accessible to all those of My people who will choose to accept their calling to the kingdom for a time such as this.

Esther 4:14 And who knows whether you have not attained royalty (be called to the kingdom) for such a time as this?”

- The mysteries must be unveiled and brought into the light and the gnostic tendencies of previous generations must not be allowed to be repeated.
- Everything that is now known was once hidden.
- **I call you to make that which is now hidden and mysterious accessible and open to all who will take the time to enquire and seek for more.**
- Let the cry from deep within the hearts of My people come forth
- There must be more than this

### **31 December 2015**

Ezekiel 48:29-35 The Lord is there is the name of the city

We will be able to take on a new identity this year both corporately and individually

Rev 2:16-17 I will give you a new name I will give you some of the hidden manna

- This year we get the opportunity to reset the clocks
- This year we will have the opportunity for a fresh start with the slate wiped clean
- This is the beginning of a new generation who will not be restricted by the limitations of the past or by previous experience

### **Son look what do you see?**

- Lord I see your 4 faces in alignment
- I see a new order of Lion and Eagle governmentally and legislatively in alignment and agreement.
- I see a great shift in the heavens
- I see great movements taking place.
- I see the ordinances of heavenly resources being moved into position ready to support strongly those whose hearts are fully Yours.
- I see man made boundaries based on fear and greed being shaken and sifted
- I see Your judgements being made.
- I see amazing shifts and changes as true justice is delivered.
- I see that the affairs of nations will be exposed to the light of true justice. The thoughts and intentions of men will be unveiled and brought into an increasing intensity of light.
- I see that mountains will be realigned as new alliances and new allegiances are formed not based on earthly boundaries but on the maps of heaven being unveiled.

- I see that 2016 will be a year of increasing light as the creative light of the heavens brings My order and My government to the nations of those who will take their positions of responsibility in the courts of heaven.
- I see the earthly movements of people as being just a minor reflection of the great heavenly shifts taking place.
- I see that the jingoistic patriotism of nationalism will be replaced by new heavenly governmental alliances.

**This will cause major shifts in frequencies and an increase in vibrational energy will be released.**

**There will be new arcs of agreement that will be the creative energy for light to increase in intensity.**

**Arise shine your light has come and the glory of the Lord will intensify.**

Let there be a cry from My people for justice that will release grace and mercy. My glory will be experienced at new levels and intensities.

The courts of heaven have been authorised to issue new legislation for the new cycles that have been decreed.

Justice as coals from the altar will be delivered by the seraphim.

As My people legislate true justice coals will be heaped on the heads of those who refuse to heed My calls.

This will allow Me to release greater grace to intensify the strength of My calling into the wilderness.

Many will begin to gather in the valley of decision

I will send a light to guide them from the shadows of the old mountains into the light of an open heaven.

The light of heavenly revelation will be so bright as to blind many temporarily.

- **Son you must encourage those who have already crossed to shine into the darkness with greater light.**

I will give great grace and favour to those who respond to the old order with My compassion and great love.

Call cry out into the wilderness into the valley of decision and compel them with all your strength and desire

- **I must have more of My children who will embrace their inheritance**
- **Feel the deep desire of My heart and respond with passion and zeal for your brothers and sisters whose eyes have been veiled by the religious institutions of the old orders.**

Make the interpretation clear and plain with no ambiguity and challenge the old order old mind-sets and old interpretations.

I challenge those who can hear to answer the call, respond to your destinies and be bold and very courageous.

**Prophetic review of the new cycle of previously misunderstood revelation**

Many words from the 70 and 80's are being released again with fresh life

Don't repeat the mistakes and failures of the Moses generation

They failed to interpret correctly and failed to take God's promises seriously

## **Clay Sikes**

**Arthur Burt's 1930 word** – “Greatest Move of God the Earth Has Seen!” a great move of God that would be without ebb.

Arthur was told that he would be left in the earth long enough to see it begin. He died in August 2014 aged 102

1930 was the year of Bob Jones birth

“There shall come a breath and the breath shall bring the wind and the wind shall bring the rain and the rain shall bring the floods and floods and floods and the floods shall bring the torrents and torrents and torrents. So shall they be saved like falling leaves from the mighty oaks swept by a hurricane in a great forest. Arms and legs shall come down from heaven and there shall be no ebb.”

## **Smith Wigglesworth Prophecy 1947**

When the Word and the Spirit come together, there will be the biggest movement of the Holy Spirit that the nation, and indeed the world, has ever seen. It will mark the beginning of a revival that will eclipse anything that has been witnessed within these shores, even the Wesleyan and the Welsh revivals of former years. The outpouring of God's Spirit will flow over from the UK to the mainland of Europe, and from there will begin a missionary move to the ends of the earth.

“I see the last day revival that's going to usher in the precious fruit of the earth. It will be the greatest revival this world has ever seen! It's going to be a wave of the gifts of the Spirit. The ministry gifts will be flowing on this planet earth. I see hospitals being emptied out, and they will bring the sick to the churches where they allow the Holy Ghost to move.”

**Bob Jones, in interpreting Arthur Burt's word**, felt he too would see the beginning of this great move. He did! It is indeed happening, as forerunners this world over are now proclaiming. God is birthing a new order, new season, new spiritual era for those open to receive it.

Bob Jones, said the floods are movements of the Lord, the torrents have to do with the revival of a billion people which the Lord told Bob about in 1975

→ **The incredible move of God so evident in the earth today, a move without ebb, is no longer a mystery.**

God is drawing His Bride back to Himself, creating (for us) a time of oneness – a time of return – Him to us, us to Him. He has sent the angel of His Presence to awaken us

Revelation 22:16 “I, Jesus, have sent My angel to testify to you these things for the churches. I am the root and the descendant of David, the bright morning star.” 17 The Spirit and the bride say, “Come.” And let the one who hears say, “Come.” And let the one who is thirsty come; let the one who wishes take the water of life without cost.

He is reconciling us 'back' unto Himself. He calls to us “COME” up higher, and as we yield, He comes down and dwells with us – communion (oneness) with God, the creator of heaven and earth wants to live in and through YOU!

This isn't a visit, as many have experienced; this is a habitation! **God is coming to occupy His temple of living bricks.** The City of Lights is coming down, the New Jerusalem, The Kingdom, Tabernacles.

God is bringing us 'back' into the Garden, a place of peaceful coexistence as the flaming sword grants entry to any who hold no idols, whose heart is clean and pure before the Father.

"Blessed are those who wash their robes that they may have the right to the tree of life and may go through the gates into the City

→ **We are stepping into an accelerated time; a time of oneness with our Father – a union beyond human comprehension.**

As we yield to God's Spirit and cry to Him for oneness, we will experience His Presence as never before. Rejoice, for the day of fullness is at hand!

What is the call from heaven that the watchman now hear?

This is the call; hear it! "The Spirit and the bride say Come! And let him who hears say Come! Whoever is thirsty, let him come; and whoever wishes, let him take the free water of life

God is manifesting IN HIS BODY. We are His representatives on earth, not simply in deed, but in existence – He in us! We in Him! Christ (IN US), the hope of glory. Decrease (death to self) releases increase (His desire to release Himself into His creation).

As we die, He lives. The extent of our death IS the extent of our life (IN HIM).

Answer this incredible call and COME: Allow God to be God in you (Jesus with skin). Do you hear the sound? There is a knock at your door. Awaken, and answer the call to "COME!"

### **Rick Joyner**

was a prophetic voice to the previous generation through a series of heavenly visions and encounters

The Harvest 1 & 2, Visions of the Harvest, The Final Quest, Epic Battles of the last days

The revelation of heaven is available to interpret those revelations through fresh revelatory eyes

### **Rick Joyner**

To stay in an authentic move of God you will have to resolve to be embarrassed at times.

I think He allows this to weed out those who care more about what people think than what He thinks.

We must be more concerned that the Lord is free to touch people than about our reputation with the spiritual Pharisees

### **Rick Joyner**

A new reformation of the church will begin to take definition.

Councils of leaders will begin to form (benches...) with true apostolic authority.

A kingdom economy will begin to form.

A new generation of prophets and teachers will begin to emerge with unprecedented authority and influence

So many Christians will rise up in Europe and North America with zeal and focus that it will be recognized as another Great Awakening, while the moves of God in the rest of the world will gain new traction.

The Army of the Dawn the greatest force for the gospel since the Lord Himself walked the earth.

### **Rick Joyner**

- 2016 is no doubt going to be a remarkable year. If I could describe what I see in one word it would be "demarcation." **We are entering the "Valley of Decision." Nations and individuals will be making choices on ultimate issues that determine their ultimate fate.**

We will have great crises to help illuminate the choices, and their consequences. These crises will have a near equal opportunity for good or evil.

To navigate this time we must have a strong moral and biblical compass, to know what is good and what is evil.

We must know what we believe, resolve to live it, and stand for it without compromise.

The more clearly we see this compass the better it will be for us.

Knowledge, intelligence and wisdom can be helpful, but this moral and spiritual compass by which we know where we are going, and how to stay on course, will be far more important.

This great time of decision is coming at a time when there is a great vacuum of wise, competent leadership.

This should compel us to faithfully pray for our leaders as we are commanded.

It should also compel us to take leadership whenever and wherever it is thrust upon us, always keeping in mind that the ultimate wisdom is to know that The Way is not just a formula, but a Person we are called to follow.

That Person is also The Truth and the Life and He will always lead us to truth and life.

**Psalm 16 is key.** Pressing into the realm of heaven over the realm of earth will keep you free from the warfare and shaking of earth while establishing you in your allotted inheritance.

Psa 16:1 Preserve me, O God, for I take refuge in You. 2 I said to the Lord, "You are my Lord; I have no good besides You."

Psa 16:8 I have set the Lord continually before me; Because He is at my right hand, I will not be shaken.

Psa 16:11 You will make known to me the path of life; In Your presence is fullness of joy; In Your right hand there are pleasures forever.

### **We have received 2 fiery scrolls as a church**

- A scroll for the billion fold harvest from Bob Jones as one of the cloud of witnesses

- A scroll for the Joshua Generation from Jesus

## **We have accepted responsibility**

40 years have past from the issuing of the call to prepare for the harvest

We are now in a new day a new season

The prophetic is coming full circle we are being given a fresh opportunity

Similar words are being released now as were in the 1980's

### **Jeff Jansen**

The Lord told Bob Jones some years back that "there was an army coming forth that would be unstoppable.

The first would be leaders, and the second would be the greatest army that nothing could ever stop; and when they reach the age of maturity, I am going to begin to release them in power.

I will arm them out of My armoury in Heaven. There is no gift that I will deny them.

They will literally pull down the warehouse of God, and they will have no fear of the enemy.

**They will glorify Me beyond anything that has ever been. They will represent Me in My holiness and compassion."**

The Lord told Bob Jones that this army was "The Army of God." There is a new people group rising in the earth that is hungry for the glory-presence of God.

They are not bound, like much of the prior generations, with the rules and regulations that have crippled, stunted, or killed the post-modern Church. This army of God is hungry for the Kingdom of power and glory.

There is a fully mature Army of God coming of age in this season in preparation for what I believe will be one of the greatest revivals to ever sweep the world.

Like Jesus, they are reaching an "age of maturity," being baptized with both Word and the Spirit.

We've had many incredible moves of God in our day that have impacted cities, states, regions, and even nations, but there is coming a mature family of sons on the earth, a glory-generation.

That will be so filled with the Word and Spirit of God it will usher in the greatest revival and harvest the world will ever see, which will ultimately usher in the second coming of Jesus Christ

### **A New Breed of Spiritual "Superhero"**

There is a new breed of superhero coming to the forefront. They look like no other generation. They are the dread champions of God.

These men and women will in many ways be like King David's mighty men who move with supernatural dimensions that the world has never seen.

The Church won't know what to do with them. Many of these will be unknown champions in the glory and know the very presence of God. Jeremiah 20:11 reveals more about them:

"But the LORD is with me like a dread champion; therefore, my persecutors will stumble and not prevail. They will be utterly ashamed, because they have failed..."

Do you hear the battle alarm? It's ringing loud and clear! We are entering a very serious season, a season of confrontation. Our lukewarm, "business-as-usual" attitude must die.

The Spirit of God is awakening and arousing the Church, prompting her to arise and take a strong stand for divine truth. The war is raging, and we must prepare for battle.

Proverbs 28:1 The Keepers of the Flame are bold as a Lion "The wicked flee when no man pursues (them), but the righteous are as bold as a lion."

It is time to arise and shine! We must not let the light of our hearts grow dim, but we are to be a shining beacon of hope and love, radiating God brightly in a sin-darkened world (see Matthew 5:14-16).

If our light is to remain bright, however, we must rally now. Now! **We must embrace the call to become "Keepers of the Flame"** and defend the fire of the Holy Spirit. This is who you are now, Beloved: You are a people of burning passion, standing strong and filled with true conviction; never cowering, no matter the persecution or attack.

Although we are observing an all-out attack to undermine the foundation of the Church and our nation, you are called to burn brightly with passionate love and radical obedience, true to the King.

This is the call of the Dread Champions of God.

The sons of Issachar were men who had a revelation of the times and seasons, who knew what God was saying, and were able to communicate this to the house of Israel.

- **I believe we are moving into a "Super Shift" in the Body of Christ that will unlock mysteries to the Kingdom of God in ways the Church has never seen before.**

The heavens are declaring this "Super Shift" now, and we are going to witness a coming forth of an anointed people group that move in the upper realms of revelation and power, being prepared to bring in a Billion Soul Harvest!

It is clear there is a great harvest of souls coming in. This harvest will be brought in by a supernatural generation that has been thoroughly prepared for harvest.

- **This many-membered, corporately-anointed Body of Christ will do the same miracles Jesus did 2,000 years ago. We are His Body, and He will reap the reward to His suffering. The Lord will roar out of Zion, and the harvest will come in.**
- **Get ready. This is the season; now is the time, and we are the generation through which the Lord Jesus Christ will release the furious sound of His glory.**

### **Daryl Crawford-Marshall**

In the vision, I found myself with the Lord in what I thought to be one of the library rooms in Heaven.

I could see a large oak table sitting to my right and hundreds of shelves split into different columns and sections running down the full length of one side of the room. These shelves were each lined with hundreds, or even thousands, of books and documents filling each row in perfect symmetry and a beautiful divine order

The Lord then looked over into my direction, smiled, and began to lead me through this incredible room down toward a particular section close to the middle. As we walked, I was able to observe the indexing on each of the sections, which, to my surprise, were not in a systematic order, but instead only displayed a seemingly, out-of-sync selection of dates and years from the Gregorian calendar.

Ecclesiastes 3:1 There is an appointed time for everything. And there is a time for every event under Heaven.

He smiled again and continued to walk me down through this section where I could see that all the documents and books were set in a perfect chronological order.

As we walked, we passed down through the year starting at January 2014, and then moved down toward the year 2016.

The Lord then stopped me at one particular shelf between the end of 2015 and the beginning months of 2016, pulled out a document, and handed it to me.

This was obviously some sort of manual, but before I could look at it more closely, it changed form, becoming a beautiful ancient scroll. The Lord then signalled for me to eat it, and as I did I could instantly see in detail each of the pages within it.

### **The Harvesting Machine**

I saw intricate designs imbedded into the pages like highly technical engineering plans; these were **so beautifully constructed that I became overwhelmed by their beauty.**

I could see that this was a **blueprint** plan for some sort of machine, and could feel that great care and time had gone into its preparation.

As I looked, however, I tried hard to see what the plan was for, but found myself seemingly so deep within the plans and the machine's beautiful mechanics that I could not decipher what the plans would actually build.

Then, after a few moments, I felt the Lord say, "Take a step back, Daryl." I did, and suddenly all became perfectly clear: **This was an incredible harvesting machine!**

### **A Time to Build**

**The Lord then spoke again and said, "I am releasing blueprints to build with Me in 2016, 2017, and beyond, Daryl.**

**These are designed to help to re-engineer the Church to enable it to partner with Me in the new mandate I'm releasing at this time."**

RE-ENGINEER: to redesign, to restructure (Oxford Dictionaries).

Suddenly, I was back standing next to the Lord beside the shelves where He then immediately handed me a second manual/scroll from the same row in the section.

This time, however, the process of digesting the scroll happened much faster.

I was able to see very clearly that what I was eating now were blueprint plans of a very similar DNA or design to those of the harvesting machine.

These plans, on the other hand, were for the **construction of a building,**

**The blueprint design for the re-development of local churches.**

I could feel the delight of The Lord as I gazed upon the plans and felt that He had been waiting for the release of this mandate with great excitement.

### **The Nursery**

As I continued to observe this new blueprint in its beautiful design, I could not help but to get a little confused by the shape of the new construct I was beholding.

I was able to see the end result clearly, but as I looked at the plans from above, I could not understand why there was another largely-out-of-proportioned building attached to one side of the beautiful design.

The Lord smiled and said, **"That's the nursery, Daryl."**

It all suddenly became crystal clear. **I saw a vision within the vision of a multitude of new Believers sitting and learning the basic principles of the faith, being instructed and taught in the way they should go (see Proverbs 22:6).**

I now understood that this specific blueprint was being released in conjunction with the first to enable churches to **easily re-work their internal and, where needed, external structures to accommodate for an incredible harvest.**

I knew too that within these blueprints were strategies for finance, strategies for the raising and equipping of teachers, and even for the building of new buildings.

- **I believe that we are entering into a time of incredible acceleration, where blueprints in various forms are being released from Heaven to enable us to partner with God for the coming harvest.**

I believe too that thousands of churches, businesses, ministries, and individuals are about to receive incredibly detailed descriptions of their role in this new mandate and that with this partnership a slipstream of incredible favour, increase, and the miraculous will be experienced by all!

**A billion soul harvest is coming!**

### **Joshua Mills**

It's A New Season..! It's A New Beginning..! It's Time to Occupy Your Atmosphere..!  
I hear the Spirit of God saying "This is your time to occupy the land that I've given to you. This is your time to possess the promises that I've spoken about. Do not give any room to doubt or unbelief in this season... it's a new season..."

It's a new beginning... and I want to do something new in and through you! It's time to occupy your atmosphere and allow the force of my Glory to shift things and re-arrange things in order to bring forth divine change.

Do not for a second think that I have forgotten about you or the things that I have spoken to you about, even those secret things that I've deposited into your heart...

NOW is your time to move forward in my plan... now is your time to take steps of faith into the waters of promise.

Not only am I giving you the authority to occupy the territory that I've established for you in your personal life, but I am expanding the realm of influence around you...

begin seeing the ways that I desire to move and boldly go forth in the confidence of my Spirit."

### **Here's a Prophetic Scripture for You!**

**Isaiah 54:2-3 "Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes. For you will spread out to the right and to the left; your descendants will dispossess nations and settle in their desolate cities." –**

Are you ready to change your atmosphere? Are you ready to experience new successes on a daily basis?

### **Vana Lawser**

I felt the Lord saying again that HE IS COMING AS THE DREAD CHAMPION!  
Jeremiah 20:11 "But the LORD is with me like a dread champion"

That He is releasing such abundant BLESSING, FAVOUR, INCREASE, AND HARVEST over the people of God as they continue to stand firm

EVEN IN the terror that has plagued them by night and the arrows that have flown by day, the enemy is going to be TERRIFIED by the BREAKTHROUGH and the BLESSING that he has tried to stop being released over the lives of God's people.

**The Lord is raising up warriors who know they are POWERFUL not in their own strength or ability but because of WHO is with them.**

**As the dam breaks, so will you feel a new birthing of yourself take place.**

So will you feel yourself cross over through a threshold of grace to arise awakened in new ways to your authority and under showers of breakthrough.

"Showers of breakthrough, showers of breakthrough as moving you from 'just making it through, to "a place with a view."

It's going to rain! It's going to rain! It's a new day! The dam is going to break and the enemy is going to shake. Warrior, you are moving forward and you will TERRORIZE the enemy through what He is going to do IN and THROUGH YOU. What He is going to release TO YOU and THROUGH YOU.

"It's the time to RISE AND BUILD BUT GO DEEPER STILL!!!!"

New depths of His heart await you, friend!

In the DEPTHS you will FIND REST... Out of rest will come GREATER impact.."

"The rest many of you have been crying out for is going to be found in a new depth of His heart, a deeper place of INTIMACY, and from that place, bigger, more juicy plump fruit is going to be seen, as you partner with the Great Gardener in all He is planting and harvesting upon the earth.

### **Larry Randolph**

"2014-2015 have been the greatest God-encounter years of my life. In one visitation, the Lord stood at the foot of my bed and spoke to me about an extraordinary outpouring of the presence of God's heart coming to this generation. To help carry this message, I was reminded that **'I must return to my first-love. My heart must become bigger than my gift and ministry'**.

Above all, I must prepare for a weighty manifestation God's holy presence and the enlargement of the **'Fruit of the Spirit'**.

The Lord showed me this soon coming renewal of 'His love and character' will far surpass the impact of the 'power and gifting' demonstrated in previous moves of God."

→ **If we are to legislate God's kingdom on earth as it is in heaven in righteousness we must encounter His love**

- God is love His love is eternal
- Everything in the kingdom is about love
- Let's really engage with love today
- Let God's love transform us

I call for judgment, justice, grace and mercy to be released  
I call for a new beginning where the slates are wiped clean  
I call for the legislation of sonship, inheritance, restitution and recognition  
I call for the love of God to be poured out.  
I call for love bombs from eternity to be released from the weapons house exploding into our hearts.

I call for the eternal love between Father, Son and Spirit to be poured out into our hearts a transformational love flowing out of heaven.  
I call for a new dimension of love beyond measure and understanding to be released into our lives.  
I call for greater grace manifold grace and grace upon grace to be released.  
I call for mercy that triumphs over judgement flowing out of heaven into our spirits like a stream flowing into our hearts.

I call for love stronger than death, the song of all songs to be released  
I call for love that we can never be separated from that will never fail never run out to be released  
I call for God to manifest His full presence as Love like a rushing wind like a tsunami wave after wave of unquenchable love.
