

## 05 – Vision – Destiny 2016

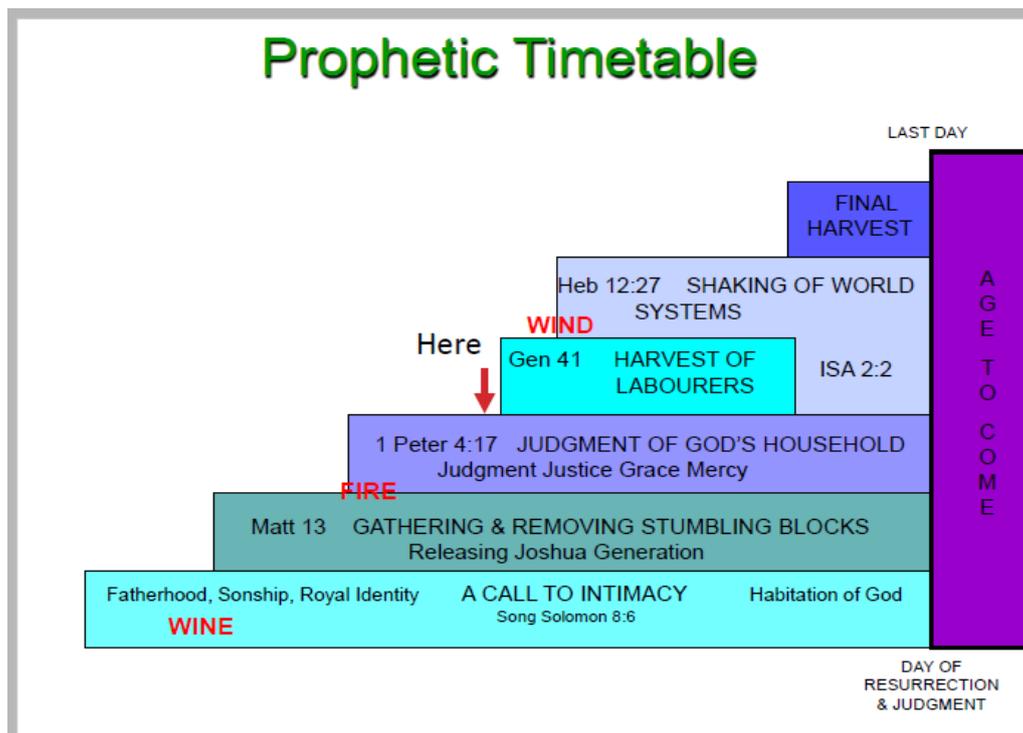

### Session 05

Sons of Issachar

1 Chron 12:32 Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do

→ **Our destiny & ministry calling is to be forerunners**

1 Chron 7:5 Their relatives among all the families of Issachar were mighty men of valour

### Cindy Jacobs:

This is a season when there will be global Kingdom connections made; leaders (benches...) from across the world will begin to function together behind the scenes (in the heavenlies).

"Daniels and Josephs" who have been preparing for years will step into places of favour and visibility in all spheres of society,

There will be connections between apostles and prophets that will result in prophetic words not only being released, but also implemented to see their fulfillments.

A renaissance is coming that will bring great change and cause nations to come alive!

The Body of Christ will begin to manifest new levels of supernatural wisdom.

Business leaders will be recognized for their wisdom and will be sought after –even by the world–as the "Issachars;" they will come into visible prominence as leaders in nations (benches...)

2016 is a hinge year where we are approaching the 500th anniversary of the Great Reformation, beginning in 1517, when Martin Luther nailed the 95 theses in Wittenberg, Germany.

What was once a reformation will now be the great transformation.

Whole armies of angels are being released into the earth to see these things prophesied come to pass.

Many dreams were given about angelic hosts, and the good news is that angels will be sent to minister to individuals and nations

A great move of the Holy Spirit upon children (ages 2-12) began in 2014, but will spread to other nations this year and will grow rapidly in intensity.

They will be the "Samuels" of this generation and be very accurate in hearing God's voice.

In the midst of all of this connection between the Church (ekklesia) and society, there will be an "agitation of old wineskins" and persecution of leaders who are trying to bring reformation.

- We have the opportunity to embrace a new generational beginning.
- As sons of Issachar we can interpret the prophetic revelation of God that has been recycled, place it into a heavenly order of the Melchizedek perspective.

Use it as encouragement and authority to act and bring governmental legislative order

- The Joshua Generation operates in the order of Melchizedek as forerunners of this heavenly, royal priesthood to prepare the next united generation to embrace their inheritance
- Heavenly positions of government to rule and legislate out of intimacy and relationship.

### **We have received 2 fiery scrolls as a ministry here**

- A scroll for the billion fold harvest from Bob Jones as one of the cloud of witnesses
- A scroll for the Joshua Generation from Jesus

### **We have accepted responsibility for fulfilling our part in God's plan**

Focus on what God has said about the Fiery Scroll for the Joshua Generation

I want to honour the Moses generation. There have been many Moses in life

They have helped me navigate through the wilderness inspired me to pursue my destiny

They have helped me embrace the prophetic and apostolic and that has led me to seek for more intimacy and therefore engage heaven

I honour them but I don't honour the structures and mountains that some of them have built

Mostly like Moses they have led people to the edge of the promised land but not led them to cross over

Many have been forerunners in the last generation but have given a bad report which has kept people under their coverings in the wilderness

As much as I honour those who have gone before it is time for the mantle to be passed to the Joshua Generation

God loves His people and hates them being in religious slavery

I love the real church, the Ekklesia of God, who are people with a mandate gathered around a heavenly blueprint vision

I really want to see people set free from the religious institution of church into the freedom of sonship that creation needs

God: Son legislate the area, region and nations for justice and call for freedom. I call you to administrate My heart for My people's freedom from religious oppression. The Lion will roar as the Eagle soars to new heights of revelation and wisdom to release freedom to My people

God spoke to me about giving Him time to legislate (to make or enact laws)  
I have been using existing legislation to administer the kingdom  
I have been making new legislation and using the authority it releases to see the rule of God's kingdom bring restoration

### **Law of Religious Freedom**

- I hereby authorise the law of religious freedom.
- This law approves the right of the Joshua generation to set My people free
- You are authorised to bring freedom to the oppressed to release light into the shrouded darkness of the old Moses order
- You are authorised to administer Emmaus-road-like-encounters to those whose minds have been veiled by the coverings of men.
- You are authorised to call for and administrate justice for God's people.
- In love you are empowered to challenge the old wineskins and their associated mind-sets.
- The old Moses-order-mountains can be shaken with the winds of change.
- You are to call the Joshua Generation to action to cry into the valley of decision and release heaven's sound and light.
- You have been assigned the ordinances of the angelic hosts to engage in visitations, dreams and visions

Joel 3:14 Multitudes, multitudes in the valley of decision! For the day of the Lord is near in the valley of decision. 15 The sun and moon grow dark And the stars lose their brightness. 16 The Lord roars from Zion

- God's people are beginning to awaken and gather spiritually ready for the call to cross over beyond the veil
- The time has come now; the mantle of authority has been removed from the old Moses generation a new government has been invested in the Joshua Generation

You are authorised to present the Chancellor's seal to the circle of the deep. Use the red shift to administrate justice. As the Nile ran blood red and the waters of the golden calf turned blood red so the red shift will prepare My people to be free from their religious slavery.

Use this legislation wisely and with precision. Many will be set free to receive their inheritance.

I engaged the heavenly Court of 70 for authorisation to legislate alignment and this shift. I declared and pronounced the law of religious freedom

### **I began to use the legislation of religious freedom to call for change**

- I call for the red shift for the rivers of Babylon, Egypt and Assyria (religious systems) to run blood red on the dust of the golden calves and idols of religion.

### **On the basis of the law of religious freedom:**

- I call for the veils to be removed from those covered by resistors and rejecters of the new heavenly order.
- I call for justice on the basis of God's judgement, the exposing of those refusing to take the people into the promised inheritance.
- I call for a stirring and quickening of the hearts of those who have been covered and limited.
- I call for a new generation to arise.
- I call for mercy and the light of truth to shine brighter and with more intensity into the darkness of the coverings of men.
- I call for justice and freedom from the religious evangelical spirit that is plaguing God's people.
- I call for a holy dissatisfaction to grow in the hearts of God's people and the cry to go out from deep within **"there must be more than this"**
- I call for the sound of heaven to resonate in the hearts of those who will become hungry for more as they become dissatisfied with junk food and baby food.
- I call for more angelic encounters, visitations, dreams, visions and supernatural engagements.
- I call for new desire to rise in the hearts of those who have been misled and covered by religious veils of doctrine and theology that denies the supernatural as normal to our lives.

### **Son prepare for 2 exoduses one from Egypt and the other from the wilderness.**

Continue to call, ring the bell and sound the alarm issue the invitation.

Let the sound of heavens desire go forth with passion. Come out, come out, let the exodus begin.

Your intensity can increase; as you have come near you have come deeper.

Son stir My people to call into the darkness with penetrative light.

Send forth the light to pierce the dark veils of blindness and deception.

My ordinances will be at the command of My people if they will accept their mission.

- **This is not mission impossible, yes it will be a challenge but if you feel My heart you will be motivated to overcome every obstacle and move any mountain.**
- **If you rise to this call I will remove fear and disappointment with an explosion of My love.**
- **Be My love and experience My love in a measure beyond your wildest dreams.**
- **When you are ready I will hold back the river no more.**
- **I will crack open the dam and open the sluice gates of heaven.**

You must administer the everlasting doors and direct the flow of the river to bring life, abundant and overflowing with grace and mercy.

**Come deeper My loves come deeper into the wonder of My heart and you will never be the same again.**

Son let the trickle become a stream, let the stream become a tributary, let the tributary become a river and let the river become a raging torrent of love's life giving energy and power.

Let your gateways be opened and your lives be a channel of My glorious love into the world

Son explore the goodness of who I AM. You can't measure My goodness by your past experience and understanding.

→ **Son your mandate is to focus on the two scrolls that I have given you.**

- I have given you the legislative authority to prepare the Joshua Generation to be ready to receive the Jesus generation.
- Son continue with this dual focus with equal passion and I will give you all the strength and energy to will need for the task.

Intensify the call, ring the bell, sound the alarm be moved by what moves Me.

I long for My people to be free to truly know Me.

I long for My children to walk in My garden with Me enjoying the depths of love, joy and peace that are theirs in the intimacy of My relationship.

I long for My children to mature into their heavenly positions of governmental authority.

I AM calls them to engage I AM; then they will truly experience My love for the world and be moved with My compassion and desire for the harvest.

Without both generations in unity and agreement there will be no arc of blessing there will be no restoration of all things.

→ **Son I require the two generations in unison as fathers and sons to bring in the final generation.**

The enemy of your souls has fought hard to keep the generations apart but I have released the law of Fatherhood and sonship to bring them together and turn the hearts of the fathers and sons to each other so two can become three.

Mal 4:5 "Behold, I am going to send you Elijah the prophet before the coming of the great and terrible day of the Lord. 6 He will restore the hearts of the fathers to their children and the hearts of the children to their fathers,

Son you cannot unite the old and the new. Moses died so that Joshua could carry the mantle.

The old must die to become the new and then there will not be old and new but only fathers and sons.

Fathers empowering sons to be about their heavenly Father's business.

Isa 40:3 A voice is calling, "Clear the way for the Lord in the wilderness; Make smooth in the desert a highway for our God. 4 "Let every valley be lifted up, And every mountain and hill be made low; And let the rough ground become a plain, And the rugged terrain a broad valley; 5 Then the glory of the Lord will be revealed,

John 17:11 Father that they may be one as we are one.

Clear the way by calling for the wilderness mountains to be made low and the valley of decision lifted up so My people for so long burdened and weighed down by men's coverings will see their promised inheritance.

Then the crooked can be made straight and the rough made smooth that My people can cross through the veil that has already been parted.

→ **I am calling multitudes to gather in the valley of decision so they can see through the torn veil and have the courage to cross over leaving the safety of the old for the adventure of the new.**

Mercy shines the light into darkness and multitudes will see the light and hear the sound of heaven on earth as My people embrace the new order of Melchizedek in governmental array.

Coronations of royal priests will be held to release My mercy.

The blueprints for great grace and greater mercy will be ordinances prepared and released as good news.

The mercy of the light will shine and many will come to the light of the pillars as the walls of fire are in place.

I call for the mountains to be made low as the authority to represent the kingdom of God on earth is removed from the Moses generation.

Let the valleys be lifted up for all who are under coverings to receive the call and sound from heavens ordinance.

Let the angelic legions of heaven be released stirring the cry there must be more than this.

Let holy dissatisfaction be stirred in the hearts of those in the Valley of decision

- I call for a new exodus to begin; let the wilderness be emptied and the Joshua generation arise and enter their promise land of true sonship and heavenly spiritual authority.
- I call for shock and awe, earthquake and fire amongst the mountains of man.
- Let the tremors of heaven begin as grace and mercy, the love weapons of heaven, are prepared

Let the lightening bolts of heavenly revelation be armed and made ready.

Let the minds of men be challenged by an explosion of heavenly proportion as the masks are removed and the truth explodes in the minds of men.

Let the armies of heaven be made ready to penetrate the dreams of those without identity adrift in the wilderness sea of religious servitude.

→ **The new order of Melchizedek will rise from the ashes and rubble of the collapse of the old**

→ **They will emerge from the slavery of the wilderness into the inheritance of the promised land where all the promises and covenants of God are realised in Jesus.**

Pioneers - not explorers - who colonise and occupy, not just discover.

Dominion of the spheres is the destiny of all My children.

Let the Lion begin to roar order to release heaven's frequency into the earth to shake the fabric of the religious structures and systems created from the poison fruit of the tree of the wrong path.

→ **A new age based on ancient knowledge is about to dawn for My people, those who will take their rightful places in the government of their generation.**

I will show you how time and eternity will become one, beyond time and beyond eternity where God and the new man will dwell together. When what was and is will converge and all is one and one is all.

My kingdom is truly love and everything must be motivated by love the fullest and purest expression of righteousness.

When a senseless hate filled crisis occurs or a catastrophe of nature what fills your heart and mind? What reactions occur? What are your instincts?

How would you define your emotions - pure or impure?

Love your enemies and seek for their blessing - that is the kingdom.

Don't trust the political systems that have been instituted in the name of government as they are not governmental but fear motivated.

→ **Son fear is the enemy's tool to drive a wedge between God and man, heaven and earth. It takes the expression of perfect love to overcome fear.**

→ **The manifested sons of God will be the fullest earthly expression of perfected love and they will know Me and trust Me.**

Don't be motivated by your impure instincts but allow them to motivate your transformation into godliness.

Your true battle is not with flesh and blood but the spiritual forces that are My enemies. Remove the tools in the enemy's hands through expressions of true pure love.

- Legislate love, respond and prepare with love.
- Let the experience of My Love motivate you.
- **I have forgiven you so love's true expression is in forgiving and releasing.**
- Don't be led by your emotions which are still immature and untrustworthy.
- Seek Me and My pure mind and heart and I will move you to respond with love.
- To be moved by My compassion is a choice that you can all make
- All true heavenly legislation must be initiated and motivated by love true
- Righteousness and justice will administrate mercy empowered by grace

These events will expose the old and new orders and highlight the areas where your heart needs purification and refining.

You are true overcomers if you use love to bring victory over the darkness in your hearts.

Call into the wilderness for the legislators to cross over and receive their new heavenly and earthy mantles.

In this season of justice I will remove the mantles from the old order and many more will pass beyond the veil to become the spirits of righteous man made perfect.

Those who refuse to accept their heavenly positions and mantles will relinquish the right to their physical bodies.

Justice will be the season to continue this call before the greater grace is released and Satan's trophy room is opened continually and plundered.

Soon a new order is arising everything is to become new fully restored to eternities pattern.

I am calling to the sons of men to come home. But where are those homes on earth (cities of refuge) that will reflect heaven to welcome My sons and daughters.

- Let justice be done and the exodus begin in earnest.
- Let the Joshua generation arise and take their places in the army of God.
- Let My breath fill the dry bones emaciated by the old religious orders with new life.
- Let My children again be born again and become those who taste and see that the promised land is flowing with milk and honey
- Reach out in love, grace and mercy to all who are wilderness bound.

Call, shout to the Moses generation to cross over to receive their true inheritance and find their destiny.

Rise up, be bold and very courageous and place your feet on the land I have given you as an inheritance.

- ➔ **Stake your claims and let the government of heaven be on the earth once again.**
- ➔ **I am calling for Benches of heavenly government to form around the blueprints of heaven that I am releasing**

Align the circle of the deep for each season of judgment justice grace and mercy  
Release the mandates and blueprints for the embassies of heaven to begin their redemptive purpose.

Alignment for the new order of the Joshua Generation is to be established.

- Father Son Spirit and Man in alignment
- Lion Ox Eagle and Man in alignment.
- Heaven and earth in alignment
- Time and eternity in alignment and agreement

Soon increase and amplify the sound; issue the call into the wilderness once again.

What has happened already has intensified the opposition of some of those in Moses positions in the old and has entrenched their positions.

Those prophets and apostles of the old order who refuse to embrace the new despite my callings will die in the wilderness as My mantles are lifted from them

Their mountains will crumble and fall and from the devastation many will follow the sound and cross over.

My heavenly ordinances are being positioned to shake the systems of old and the old mantles are being removed.

New mantles for heavenly and earthly governmental positions are being prepared and will continue to be released to those who have responded to the call.

- **There must be more than this** will become the cry as deep calls to deep.

The mantles and mountains of the celebrities of the old order will be replaced by the true new order Ekklesia that will be the precursors of the embassies of heaven on the earth.

Manifold grace greater grace and grace upon grace will be released for those who embrace My judgment and justice

The religious institutions of the old order will be shaken and the traditions and theology of men will be exposed.

Many will be freed from the slavery mentally of the wilderness to experience the Father's heart and embrace their sonship.

Many who are leading people on false paths promising the stars will be exposed.

Hear My words, the ancient paths of the way of life to engage the seed flower and the tree of life will become open and accessible to those willing to encounter the fiery sword and the cherubim who stand in full representation of My 4 faces.

- **I am calling My children to embrace the intimacy of relationship and the full responsibility of sonship by going through the fire and into the dark cloud to encounter the mysteries that are hidden in the darkness and meet Me face to face.**

Let the heavenly sound resound, ring the bell and be the sound, release your frequency.

Be ready to vibrate with increased amplitude.

It is time to let the frequency of your light radiate and shine into the darkness around you.

I call for the alignment of the circle of the deep

Let the 12 Chancellor's Houses be aligned for the opening of the house of scrolls.

I call for the release of the scrolls for the new order Ekklesia and cities of refuge to be released.

Son it is time for you and My children to step out of the darkness and be light bearers.

The mysteries are ready to be unveiled but they will not just be a recycling of ancient myths but new revelation truth.

The enemy of your souls has always sought to take you back keep back and hold you back from your true destiny by trying to trap mankind into the efforts of Babel.

Esoteric knowledge never brings truth but keeps you in the darkness and delusion of the tree of the knowledge of good and evil.

The cult of man will never bring creation out of the bondage to corruption as it was what trapped it there in the beginning

Son align the houses to fully release my purposes for each time and season.

- **You are to be the masters of time and space until the ages to come truly reveals your full eternal potential.**
- **Be all you can be to reveal all you will be when heaven and earth are brought back into full harmony.**
- It is time for my children to order the affairs of the nations and establish a culture of heaven on the earth once again.
- Let men present themselves before the high councils of God with pure hearts and pure minds in their generations having engaged the altar in my temple and offered themselves for service.
- Arise shine it is time for your light to come out of the darkness of obscurity and be revealed.
- There will be testing times ahead in the coming season where some will be tempted to draw back as their personal Jericho's must be faced.
- Stand firm in the face of opposition when it arises keep up your shield declarations and don't give any ground to the 20 strong men sent by the enemy to intimidate you.
- Remain diligent and vigilant and stick to your task to equip the Legislators.

The house of scrolls is in final preparations to release the assignments for heavens government to be established in key and strategic forerunner nations around the world.

→ **When the government of the south west is in place both in England and the USA key strategic events will begin to unfold.**

Son encourage My people to come home to My heart and embrace their eternal identities and destinies.

There are many different paths and doors that lead to My heart beyond the veil once you are in the realms of heaven

There is only one legitimate door into the heavenlies that is the true door Jesus My son.

That door is standing open to all who will enter both on earth and then into the heavenlies.

- I call for the Lion to roar order.
- I call for judgement to be made in favour of the saints of the new order of the most high.
- I call for the old order mountains to crumble and fall.
- I call for the valleys to be ready to be raised up so all those who have been under the coverings of men will see for themselves all the wonders of their heavenly positions in relationship and responsibility.
- I call for the legislators to take their places and for the foundations of the new order to be established.

- The wakeup call will be loud and alarming for many but the bells are about to toll and the warning fires are about to be lit.

As you administer justice multitudes in the valley of decision will begin to hear heaven's sound released through my legislators.

Justice will cause the amplification of heavens sound and deep will call to deep.

I am about to awaken the spirits of those who have been asleep under the coverings of men.

Justice administered will prepare for what is about to unfold in the affairs of both the nations and the religious institutions that have become rigid and inflexible wineskins.

The new wine of greater grace will require the season of justice to mature it.

The truly hungry and thirsty will embrace its full bodied fragrance and strong flavour.

This is like no other wine that has been poured out and will not be to the pallet of many.

There will be cycles within cycles and forerunners will experience the first tastes of the new wine.

So those who have heard and responded to the first sounds must be prepared to release their sounds into the wilderness with a heart of mercy.

I am not going to do it for you, let the mature take responsibility for the task ahead.

Call to your brothers and sisters with compassion in your hearts and implore them to cross over into their inheritance.

Release the Emmaus road experiences to remove the religious veils from the eyes of those under the coverings of darkness.

Focus and target those mountains that I will reveal and who are being prepared for justice to be released as the result of the judgements that I have made.

Those who have closed their ears and hardened their hearts against My call will be the first to have justice delivered.

Great will be the fall of those mountains but so many will come out from among them.

Many will come out from the shadows of the old into the light of the new.

Sons arise and shine the time for your light has come to illuminate the ancient paths to engage beyond the veil.

My desire in this next season of justice is an unveiling of the destiny that has been hidden under the coverings and control systems of the old order.

No longer will the oracles and visions from heaven be in the hands of the few. No longer will knowledge be used to elevate the few.

I am now able because of the judgements that have been passed to unveil knowledge wisdom and understanding to unprecedented levels to those who enter beyond the veils.

Fresh revelation for the new order.

I am going to strip away those who like Gideon's army are not prepared and are motivated by the experiences and not the relationship.

Those who are not prepared to pay the cost and make the sacrifices necessary to take possession of their supernatural heavenly inheritance.

Those who are looking for a shortcut on their journeys will not make it to the end.  
I am about to unveil the motives of the hearts of those who say yes but really mean no.

- I will reveal the dragons well deep within those who will totally give Me their hearts.
- My eyes are going to and fro throughout the earth looking for hearts who are willing to be completely mine.
- I am looking for those who will not shrink back in the face of their personal Jericho.

I will expose the sins of Achan who are hiding within the camp those whose motives are mixed.

If they will respond with repentance and humble themselves all will not be lost and I will take them through the fires of refining.

Those who respond to the light of My challenge self righteously will fall away and shrink back.

The lukewarm will not be able to possess all that is within My heart for them and the outer court awaits them.

Make sure that you do not become like the foolish virgins who did not have what it took to stay the course and finish the race.

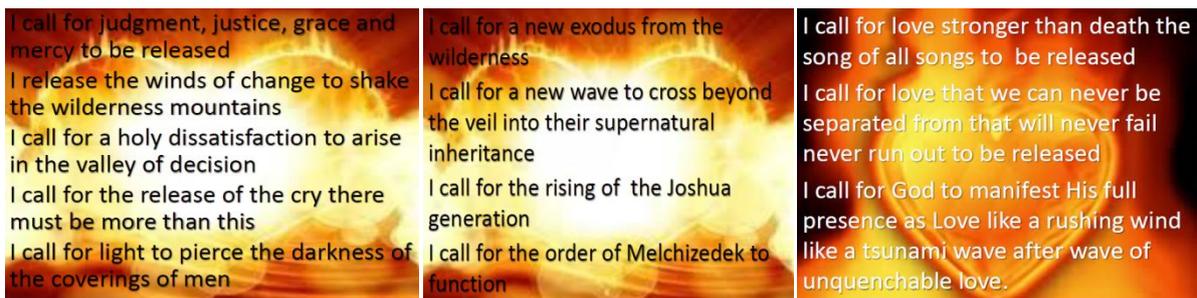

If we are to legislate God's kingdom on earth as it is in heaven in righteousness we must encounter His love

God is love His love is eternal

Everything in the kingdom is about love

Let's really engage with love today

Let God's love transform us

I call for judgment, justice, grace and mercy to be released  
I release the winds of change to shake the wilderness mountains  
I call for a holy dissatisfaction to arise in the valley of decision  
I call for the release of the cry there must be more than this  
I call for light to pierce the darkness of the coverings of men

I call for a new exodus from the wilderness  
I call for a new wave to cross beyond the veil into their supernatural inheritance  
I call for the rising of the Joshua generation  
I call for the order of Melchizedek to function

I call for love stronger than death the song of all songs to be released  
I call for love that we can never be separated from that will never fail never run out to be released  
I call for God to manifest His full presence as Love like a rushing wind like a tsunami wave after wave of unquenchable love.
