

## 06 - Vision – Destiny 2016

### Session 06

Sons of Issachar

1 Chron 12:32 Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do

- **Our destiny & ministry calling is to be forerunners**

1 Chron 7:5 Their relatives among all the families of Issachar were mighty men of valour

## Prophetic Timetable

### As a ministry we have received 2 fiery scrolls

- A scroll for the billion fold harvest from Bob Jones as one of the cloud of witnesses
- A scroll for the Joshua Generation from Jesus

We have accepted responsibility for fulfilling our part in God's plan

Last time the focus was on what God has said about the Fiery Scroll for the Joshua Generation

God's heart is for those lost in the wilderness to cross into their promised supernatural inheritance

To engage heaven beyond the veil to take their places of responsibility as sons

### Focus on what God has said about the Fiery Scroll for the harvest

How we can prepare to be a storehouse for the harvest

How we will prepare to be ready equip that harvest for their inheritance and destiny

Bob Jones gave a prophetic word in 1983 sharing three signs that would take place before the arrival of a Billion-Soul Harvest.

1. That in America a "morning-after pill" would be invented,
2. That America would legalize same-sex marriage (which was unthinkable at the time),

3. That a watch would be invented that the labourers working in the rice paddies in China could wear and listen to worship music.

John 3:16 God so loved the world that He gave us His Son

He came as the light of the world

He calls us to freely give away to the world what we have freely received from Him and be the light to the world.

- **What would it be like to be moved by that dimension of love?**

Gen 1:28 God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule...

Eph 2:10 For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand so that we would walk in them.

We have a mandate from God authorising us and a blueprint guiding us how we should fulfil these truths

We have been given responsibility to be fruitful to multiply, filling the creation with glory to subdue and establish His rule.

He has seated us with Him in the heavenly realms and made all the spiritual blessings available to us in the heavenly realms.

That is why He has called us to enter within the veil and take our positions of heavenly authority.

That is why He is calling us to be the Joshua Generation to possess our eternal destiny and inheritance.

- **God's desire is that we are moved and motivated by His love**

We will then be an expression and a demonstration of the Father's heart of love to a lost, hurting and separated world.

God has entrusted His creation to us and He is entrusting creation's restoration to us, His children

God called Joshua out of the wilderness He called Joseph out of a prison.

God is calling you to embrace your position as a son of God and to prepare for the harvest.

Joseph prepared storehouses to be ready for the harvest God is calling us to do the same thing.

- **Will we answer God's call?**
- **Will we be moved by His love for the world?**
- **Will we be willing to pay the cost to prepare for that harvest?**

I desire a bride for My son and I am sending out the Hunter angels to begin to gather in the harvest.

→ **Son, preparing the storehouses is the primary and most vital function of this season.**

- Prepare the storehouses to receive the harvest.
- Call forth the mandates to build and establish the blueprints of the new order embassies of heaven on earth.

- Call forth the blueprints for the new order Ekklesia and storehouse for area and regional embassies
- My people must build the storehouses for the coming harvest.

The blueprints are ready but where are those who will say here am I send me?  
 God is beginning to move in our hearts in new ways as we respond to His heart

Last year God moved to engage me in some very practical things, changed the desires of my heart:

Desire for a watch

The desire to grow, cultivate and build

Desire to restore and build - bathroom

Desire to make and create – railway layout

God has called us to prepare for the coming harvest we have a mandate

We have been seeking Him to receive the blueprint to do that

We will need to bring change and transformation into how the Ekklesia (people gathered around a heavenly blueprint) will gather here

We need to become a place of Exchange

### Vision of the train heading for destruction

- First class carriage where everyone was being served
- Second class carriage with a self-service buffet car
- Third class carriage tatty dirty no food
- Freight no seats with people hiding out
- Jesus was on a platform with a white flag waving down the train
- Jesus walked up and down the platform offering the flag to the occupants
- Most seemed too busy to notice
- Some got off took the flag and were given a new ticket

2013 Vision of railway system and track being restored throughout our area

Stations were renewed and new stations built

Inspired the blueprint of the equipping track how we can equip for destiny

How to prepare the Joshua generation to equip the harvest

In January God asked me legislate every evening before I go to bed

### **What is legislation?**

- The process of making or enacting laws

### **What is it to legislate?**

- To use the authority of the laws to provide, create, prepare or rule

I started to receive and make legislation

- Legislate about removing restrictions
- Legislate about removing religious bondage
- Legislation for our hearts to be prepared to feel God's heart

The stations and track must be established. If you build it they will come.

You must encourage and release others for their tasks in the establishment of these foundations.

Make ready the way for families to become clans and clans to become tribes.

### **Son you are authorised and mandated**

- to legislate into the restrictions on the church
- I challenge you to remove the restrictions and limitations
- It is time to clear away the obstacles to remove the shadows and step into the light.
- The mists around the closed and clouded minds must be dissipated.
- The hindrances and entanglements must be removed so the limitations of minds that are stuck in what has been can become free to embrace what can be so it can become what will be.
- The veils must be removed and restrictions lifted to embrace the limitless potential of My reality.
- The way, truth and life are to be experienced not conceptualised and contained.
- The limits of what is possible must be removed for My purpose to be achieved.
- You must begin to entertain limitless grace and mercy to be able to grasp what is true reality beyond all expectations.
- Call for the legislation of justice where Lion and Eagle will roar and soar.
- New dimensions of everything can be yours if you are willing to let go of the old and embrace the challenge of the new.

### **My legislative response**

- I call for the removal of the limits to unveil the beyond, the limitless potential possibilities of eternal reality.
- I call for freedom from the religious restrictions that are creating limitations.
- I call for justice against all the fear based entanglements that are hindering us being a place of exchange.
- I call the heavenly hosts to be witnesses for justice that all mind-sets of limitation will be exposed and removed from benches of 3, 7, 12, and all mountain benches.
- I call for the courage and boldness to possess the unknown to be instilled into all of our hearts and minds
- I call for all selfishness to be exposed and surrendered.
- I call for hearts, minds and wills to be filled with compassion, zeal and passion.
- I call for all confusion to be removed from our hearts and minds.

- I call the exchange to be commissioned and the departure lounge to be opened.
- I call for all obstacles to be removed from those who will be drawn to the light.
- I call for the mountains to be made low and the valleys lifted up, the rough places smooth and the crooked paths made straight.
- I call for the opening and administration of the everlasting doors and the spiritual atmosphere over us to be cleansed.
- I call for the angelic armies of heaven to be released with fire into the atmosphere over our spheres of influence
- I call for the principality of our city of refuge to be installed.

**Son legislate for the preparation for harvest for your areas of influence.**

### **Heavenly Court Case for the preparation for harvest**

God was both Judge and accuser

I stood for my own life

Later those engaging with the exchange accepted these accusations

Are you willing to stand and accept them?

- You are unprepared
- You have not prioritised
- You do not have enough passion for the lost
- You are fearful to share the gospel
- You are procrastinating over the preparation
- You are taking months over what should be weeks and years over what should be months.
- You have no urgency over the lost
- You have traded on Apollyon's floor and have allowed yourselves to be distracted from the priority of God's heart.
- You have substituted good works for God works.
- You have become self-satisfied with all your good works and missed the point.
- You have not taken the eternal consequences of separation from God seriously.
- You have not taken the reality of hell seriously.
- You value worship more than salvation.
- You have not believed that the gospel is the power of God for salvation for all who are lost.
- Your mountains have not taken their responsibility for owning the exchange and preparing for good news to be an exchange, for freedom to be an exchange, for health to be an exchange, for harmony, blessing, media and enterprise to be places of exchange.

### **The accusations were accepted**

The verdict was given and judgment released

Justice enabled new legislation to be prepared

I engaged the court of kings as a king and a chancellor I took my place.

**I called for a new scroll - Legislation for growth**

- You are authorised to call in the harvest of specific people groups
- The authorisation is released to call into the enemy's camp to target the strongest most resistant opposition.
- You are authorised and empowered to release the intense light that will turn the Sauls into the Pauls of the next generation.
- You have been given the authority for each mountain to become motivated and empowered for the growth cycles to begin
- You are authorised to call for a united desire for growth to develop
- The desire will overcome all the obstacles and hindrances that have been delaying the harvest.
- You are authorised to open the windows of heaven attached to each of your mountains and release the river of life.
- You are authorised to employ the ordinances of heaven and assign angelic legions to clear the atmosphere.
- I authorise each mountain to legislate love in its full force and power to transfer people out of the darkness into the kingdom of light.
- You are authorised to use the seasons and cycles with wisdom, knowledge and understanding as your council.
- You are authorised to administrate Judgement, Justice, Grace and Mercy the 4 pillars of judicial government.
- You are authorised to plunder Satan's trophy room for those you have been given responsibility for.

#### **Son legislate for the release of My heart for the lost.**

- I call for the love of God that so loved the world to be poured out into our hearts
- I call for the exchange to receive the love of God for the lost to be the motivating force behind all that is done.
- I call for a passion and zeal to be imparted to us
- I call for the hindrances and shackles to be removed from our hearts.
- Lord give us an attitude of "give us souls least we die"
- I call for the scroll for the harvest to produce desire in our hearts.
- I call for the river of life to be released through the everlasting doors over us.
- I call for the king of glory to come through with salvation, healing and miracles.
- I call you to change our hearts to feel what You feel for the lost, broken, hurting and separated.
- I call for love to move us to action
- I call for a baptism of love to change our hearts.

**Without love** we can do nothing

**Without love** all there is religious duty and obligation

If we are to fulfil our destiny with the scroll for the Joshua Generation and the harvest we must be motivated by love

1 Cor 13:1 If I speak with the tongues of men and of angels, but do **not have love**, I have become a noisy gong or a clanging cymbal. 2 If I have the gift of prophecy, and know all mysteries and all knowledge; and if I have all faith, so as to remove mountains, but do **not have love**, I am nothing. 3 And if I give all my possessions to feed the poor, and if I surrender my body to be burned, but do **not have love**, it profits me nothing.

### **Son you are authorised to prepare the exchange.**

- I call for the platforms of the disembarkation stations to be established.
- I call for the passion and zeal that flows from God's heart of love to move us to action.
- I call for the grace of God to equip and empower us for action
- I call for the whole Church environment to be transformed by the love of God
- I call for vision and strategies to be released as scrolls with heaven's blueprints.
- I call for mandates for action and participation to be released from heaven.
- I call for the weapons house to be open in preparation for an explosion of love bombs.
- I call for the platform plans to be unveiled and for all those You have assigned to them to come forth.
- I call for all the obstacles to faith and all the veils of blindness over the lost to be removed.
- I call for the light to shine and for its intensity to pierce the darkness.
- I release the hunter gatherer angels out into the highways and byways to compel the lost to come in.

Luke 14:16 But He said to him, "A man was giving a big dinner, and he invited many; 17 and at the dinner hour he sent his servant to say to those who had been invited, 'Come; for everything is ready now.' 18 But they all alike began to make excuses. The first one said to him, 'I have bought a piece of land and I need to go out and look at it; please consider me excused.'

Luke 14:19 Another one said, 'I have bought five yoke of oxen, and I am going to try them out; please consider me excused.' 20 Another one said, 'I have married a wife, and for that reason I cannot come 21 And the servant came back and reported this to his master. Then the head of the household became angry and said to his servant,

Luke 14:21 'Go out at once into the streets and lanes of the city and bring in here the poor and crippled and blind and lame.' 22 And the servant said, 'Master, what you commanded has been done, and still there is room.' 23 And the master said to the servant, 'Go out into the highways and along the hedges, and compel them to come in, so that my house may be filled.

Son let the trickle become a stream, let the stream become a tributary, let the tributary become a river and let the river become a raging torrent of loves life giving energy and power.

**Let your gateways be opened and your lives be the channel of My glorious love into the world**

## Freedom Equipping Track

**Exchange** is the name God has revealed for the disembarkation stations  
 As we have engaged heaven together God has revealed that **we have 7 stations**  
**FCA, Health, Family, Ekklesia, Education, Economics, Justice**  
 Places where can we engage with people who are heading for destruction  
 The Exchange can be a place where people experience new life for old  
 The Exchange consists of disembarkation stations where people can get off the old train, transferring from the domain of darkness into the kingdom light

- Exchanging sin for righteousness
- Exchanging guilt, shame and condemnation for forgiveness
- Exchanging sickness for health
- Exchanging bondage and addiction for freedom in Christ
- Exchanging death for abundant life
- Exchanging futility for destiny

Exchange has 7 stations - each with 7 platforms  
 The central station is the Ekklesia - that means all of us  
 If we do not have a heart for the lost then we will not want to be involved in helping people exchange their old life for a new relationship with God

The Ekklesia or church (that is each individual person) is in the centre and key for all the other stations

- If we as individuals are not moved and motivated by God’s love everything else will be pointless
- If our hearts are not filled with God’s love for the world then this will be a futile exercise
- **If we encounter God’s love and feel God’s heart of love for those who are separated from Him then we will each be and have a platform to touch a lost and hurting world**

When people exchange an old life for a new life or people exchange an old church system for a new order Ekklesia they will need reorientation

When we engaged God together for revelation about the Exchange He gave us a strategy for belonging - becoming part of our family

**Departure Lounge:**

- **Discovering Belonging** - what it means to be part of God’s family  
A place to discover who are we, what we do and how we do it  
To understand our mandate, blueprint, our vision and purpose
- **Engage Fresh Start** - the basic foundations for a new intimate relationship with God with experiential encounters to help begin the journey on the heavenly pathways of relationship and responsibility
- **Introduction to ministry** through a Lie Bust or court session etc.

We will be looking to trial the Departure Lounge soon with those have been visiting us and those who have not already engaged in a belonging evening  
This will be a key aspect in helping people understand exchanging old for new to belong and find where they fit in our family

**This blueprint must be practically established to both**

- equip the Joshua Generation
- and be prepared to bring in the harvest

We have to be shaped according to the purpose of God

We have been called by God to be ready, but how?

**Practically this will mean being ready and able to disciple people in relationship**

This has to be able to be replicable

We asked God How?

He said look at how I form everything – fractal patterns likes ferns and fronds

He said I have shown you already

- God brought order to a potential rabble of slaves who came out of Egypt
- He formed them into Families, Clans and Tribes
- God gave them order and restored their identity and purpose
- There was a pattern to how the tribes of God’s people were set out it is also the same for the new Jerusalem

Assign each person to a “life carriage” = a SEE group to engage the equipping track relationally and to become fruitful, equipped to multiple, subdue and rule

**The purpose of the SEE groups is**

- **supernatural equipping,**
- **to discover destiny**
- **and experience God’s vision and values**

- Live in and out the manifest presence of God in dual realms of heaven and earth
- Find and fulfil our destiny
- To be free – To See, Know, Be, Do, Go
- To be the Joshua Generation and disciple the harvest that is coming
- To freely give away by equipping and discipling others
- To be the basic family units of each tribe
- To replicate ourselves into clans
- To replicate benches 3, 7 and 12
- Equipping us to be God’s sons in relationship and able to take responsibility for creation

We are inviting you all to participate in these SEE groups or Life Carriages  
To be part of the Joshua Generation here and be ready for the harvest

- **In the future anyone wishing to belong to Freedom will be part of a group and be on the equipping track**

Each group will need facilitating

→ We are looking for 3 people to facilitate each SEE group, but there will be **equipping** and **support**.

We are looking to have 4 groups of up to 12 people to begin with.

Eventually there will be 12 family groups that will multiply to become clans and tribes.

→ If you are willing help facilitate these groups please let the Bench of 7 know

→ If you wish to be part of a SEE group please let the Bench of 7 know

Our desire and hope is that everyone would want to be a living stone in the blueprint that God has given us

It is not mandatory for those who are existing members but we hope you will want to be involved in developing a deeper relationship with God and each other

We hope that you will want to freely give away what you have freely received

This is our blueprint for our Ekklesia but there are heavenly scrolls with a blueprint for every expression of Ekklesia worldwide

Those scrolls are ready to be released to anyone who is willing to accept the call to become part of the Joshua Joseph generation for their town, city or area.

**If we are to legislate God's kingdom on earth as it is in heaven in righteousness we must encounter His love**

- **God is love His love is eternal**
- **Everything in the kingdom is about love**
- **Let's really engage with love today**
- **Let God's love transform us**

<p>I call for judgment, justice, grace and mercy to be released I release the winds of change to shake the wilderness mountains I call for a holy dissatisfaction to arise in the valley of decision I call for the release of the cry there must be more than this I call for light to pierce the darkness of the coverings of men</p>	<p>I call for a new exodus from the wilderness I call for a new wave to cross beyond the veil into their supernatural inheritance I call for the rising of the Joshua generation I call for the order of Melchizedek to function</p>
<p>I call for the legislation of sonship, inheritance, restitution and recognition I call for the love of God to be poured out. I call for love bombs from eternity to be released from the weapons house exploding into our hearts. I call for the eternal love between Father Son and Spirit to be poured out into our hearts - transformational love flowing out of heaven</p>	<p>I call for a new dimension of love beyond measure and understanding to be released into our lives. I call for greater grace, manifold grace and grace upon grace to be released. I call for the mercy that triumphs over judgement to flow out of heaven into our spirits like a stream flowing into our hearts.</p>
<p>I call for the love which God loves the world to be imparted to us I call for a love for the lost, hurting, broken and lonely to be imparted to us I call for a love that breaks our hearts with what breaks God's to be imparted to us I call for a passion for the harvest</p>	<p>I call for love stronger than death the song of all songs to be released I call for love that we can never be separated from that will never fail never run out to be released I call for God to manifest His full presence as Love like a rushing wind like a tsunami, wave after wave of unquenchable love.</p>
