

## 07 Vision – Destiny 2016

Session 07 – FAR Mountain

Church as you don't know it!!!

**Video:** <https://www.youtube.com/watch?v=v0v1feK6H5U>

This a very different environment from what we are used to  
In persecution there is passion  
In comfort there is often complacency  
We cannot afford to be comfortable or complacent we need to be prepared

### **Cindy Jacobs:**

A great move of the Holy Spirit upon children (ages 2-12) began in 2014, but will spread to other nations this year and will grow rapidly in intensity. They will be the "Samuels" of this generation and be very accurate in hearing God's voice.

### **Mike Bryant's** heavenly vision of children:

Then God took me to this place where I saw children worshipping and they were worshipping Him. Children who were in heaven worshipping together with our worship. I saw whole groups of children who were kneeling down on green grass worshipping with us in this room.

We engaged with heaven about being the Exchange a place where people can exchange an old life for new

- **God revealed to a number of people how important children are going to be in what is coming**
- **We need to be ready for this**

The children of heaven, miscarriages, abortions etc are being prepared to be released untangled by the world and free to return as a new cloud of witnesses I (Mike) have a been to a place where these children are being tutored and trained by the angels and met my grandchildren

Recently God took me there again

Son, meet Rosharel: "I am free grandfather and I am being prepared to assist in the great move that is coming when the white ones will be fully unveiled and released." I felt such a pure heart and loving nature.

- There are children in heaven being prepared to be involved with us
- They are watching and observing
- A release of a new cloud of witnesses prepared for our generation is coming
- Children on earth are going to be engaging God supernaturally becoming warriors of heaven

We have wider ministry than just the local area.

God: I am calling you to raise up the legislators and the oracles for this new cycle of justice.

→ **I sent you to the nations to issue the edict for the Joshua Generation, now you must be prepared to answer their calls.**

- Don't ignore those nations any longer.
- The forerunners will reach out to you. Answer their calls and help equip them to rule in their nations with righteousness and justice.
- Son, listen intently for the sound of hunger that will be released from the nations.
- Son watch for the signs I will give and respond as a true of son of Issachar.
  
- I will raise up those who will take up the slack here so you can go where the sound is loudest and the signs are clearest.
- Just as you have found a way to be creative with the desire to build, I will enable you to make a new way.

Next year the construction cycle will begin when eagle and ox will partner and greater grace will be released and manifold grace will lead to grace upon grace in preparation for the cycle of unprecedented mercy that will follow

#### **Church as you don't know it!!!**

- What is our identity as a church?
- Who are we?
- Why are we here?
- What are we called to do?
- How are we called to do it?

Heb 12:26 And His voice shook the earth then, but now He has promised, saying, "Yet once more I will shake not only the earth, but also the heaven." 27 This expression, "Yet once more," denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain..

Heb 12:28 Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire.

### Things will not continue as they are

- There are great shakings coming
- We can't assume everything is going to be the same
- This is not a doom and gloom come-and-rescue-us-scenario
- This will reveal the true church
- This will be an opportunity for the true church to arise and shine. Isa 60
- This is how the Mountain of the House of Lord is going to be raised up. Isa 2:2
- We must start preparing how we are going to do what we are called to do in light of the future, not just the present

### One of our biggest hindrances is normalcy - the trap of the familiar

- It creates complacency
- It is time!!
- We have been called to know the times and seasons

Sons of Issachar

1 Chron 12:32 Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do

### Our destiny & our ministry calling is to be forerunners

Freedom Apostolic Resources is a ministry area that is called to equip people for what is coming

**Freedom Apostolic Resources is our ministry mountain area that is mandated to equip for what is coming**

- God is speaking. His voice is the sound coming out of heaven
- He is calling His people to resonate with His voice
- What is God saying?

**Freedom Mountains – represent our spheres of kingdom authority and influence**

**7 Mountains:** Good news, Freedom, Health, Harmony, Blessing, Media, Enterprise

**Shalom Ministry mountains:** Exchange, FCA, FSE, FAR

**Our Bench of 12** is made up of representatives of each of our 7 mountains, the angel of the house representing our bench of 7, Freedom Apostolic Resources, Today I want to present the blueprint and mandate of the Freedom Apostolic Resources mountain

**As a church and the wider apostolic ministry we are called to be part of the Joshua Generation**

**We are called to receive our kingdom inheritance beyond the veil**

**We are called to reach and equip the next harvesting generation in the supernatural ways of their kingdom inheritance**

God said to us three years ago:

- Freedom is to be a Sandhurst, a WestPoint to raise up officers for the next generation, those capable of leading into battle.
- Officers who understand and outwork strategy and battle plans. You must be able to fast track people.
- I have given you all the tools of ministry and revelation you need to quickly get people on the right track.
- The government must be in place and the council must be functioning effectively, ruling the house and taking charge of the courts.
- I have told you to prepare the house for glory; all you have done up to now is to lay new foundations.
- Now you must build and have the blueprint revealed and on display on earth as it is in heaven.
- I will release the scrolls and the mandates necessary to rule effectively and establish the ministries that are destined to be released from the mountains.
- They must be willing to step up to their thrones and take the responsibility for the authority I am willing to release to them.
- Call people to be drawn to the vision and they will be strategically released to you.
- You must have the mountains occupied and then the power, people and fresh resources will be released.
- I am calling for lords to come forth to step out and take their positions of responsibility

I will release the scrolls for the mountains of the church, FAR, area and region as you take your position in the realm of the kingdom of heaven.

**Freedom Apostolic Resources Mountain**

Our mandate is what we are authorised to do

Our blueprint is how we are called to do it

- FAR is authorised to gather and connect relationally to resource, equip and release.

- A catalyst is to help give energy to a reaction but is not used or expended itself.  
A fire starter to help ignite passion with heavenly revelation unveiling a new reality of truth

- To administrate the times and seasons by aligning the circle of the deep
- To produce and provide resources that will enable the sons of God to answer creations groan and be manifested on the earth

Zech 3:7 "Thus says the Lord of hosts, 'If you will walk in My ways and if you will perform My service, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.

→ **The focus in this season is on reaching, releasing and equipping the Joshua Generation**

#### **The 7 mountains spheres of authority:**

- Resources
- Consultation
- Discipleship and mentoring
- Ekklesia
- Government and legislation
- Regions, Nations, Continents
- Cities of Refuge

#### **Activities:** (The things we do to accomplish our mandate)

- Gather
- Connect

- Impart
- Release

**There are many layers of what it means to gather:**

- Physical gathering
- Virtual gathering
- Heavenly and Angelic gathering
- Ekklesia are people gathering around a heavenly blueprint
- Relationally engaging with people

**What does it mean to connect:**

- Connect people to help facilitate the relationships that are established out of gathering
- Physical relational connections between people, areas, regions and nations etc.

**This is not a structural organisational network it - must be relational**

- Connecting heaven and earth
- Connecting with the angelic realm and the 7 spirits of God
- Connecting with the cloud of witnesses
- Connecting with the 4 orders of Angels assigned in the transition from old to new– Transformation, Winds of Change, Sound, Refiners Fire
- Gathering and connecting people together within nations, areas, regions, states, time-zones and continents.

-8 to +12 time-zones from 30+ different countries on 5 continents

These facilitate relational connections to provide support and encouragement

**We are walking alongside** people on their journeys we are not over them or under them

**We are providing** support and encouragement to various groups who are becoming or transitioning into the Joshua Generation Ekklesia.

Relationally and through resources

**We are helping** people to establish the government of God in various nations

Engaging relationally and helping them make connections

Establish patterns of Government

Our mandate is to help support equip and release government relationally.

- We desire to **walk along side people** on their journey for as long as they need us.
- We are **helping people** to legislate heavens government and God's kingdom authority in their own lives, areas, towns, cities regions and nations.
- We are mandated to **disciple or mentor people** to hear God for themselves and engage heaven themselves.

Currently I (Mike) am personally involved in 35 mentoring groups in 16 different nations.

I am at capacity as it stands but the need is increasing so we need others to help us fulfil our mandate as part of God's blueprint.

We are called to visit other places and help gather, connect, establish, equip and release.

We are also mandated to gather people here to connect and equip. We have had visits from people from various nations USA, Germany, New Zealand, South Africa, China and UK.

This will increase and others will come to stay with us for a season like Waltaut from Germany. Some others are preparing to come and join us here.

We will eventually have an intern programme and ministry school to gather, connect, equip and release

Again this is relational not structural we are not trying to form a new stream; there is no hierarchy involved just relationship

This is an outworking of our church blueprint and the vision and values God has given us.

Starting here with us and expanding out

- Living in and living out the manifest presence of God – dual realms
- Helping each person find and fulfil their destiny
- Helping people to become free
  - Free to know God by experience
  - Free to see their eternal destiny by experience
  - Free to be who God created each person to be by experience
  - Free to do what God created each individual to do
  - Free to go beyond the limitations of time and space to where God is calling
