### Session 01

Before looking at 2017 and what God has said I will review 2016 as this provided the background

**2016 was a year of legislation and great change for me personally**

**The legislation was what provided the authority and power for change**

- What did God say last year 2016?
- What did God do last year 2016?
- What has God said for next year 2017?
- Where are we prophetically now?
- What does God want us to do in 2017?
- Where does God want us to go in 2017?

### Share revelation from 2016

- What has God said? - Words
- What has God shown? - Visions
- What does God mean?
- What is the application for me?
- What is the application for the church here?
- What is the application for the wider church?

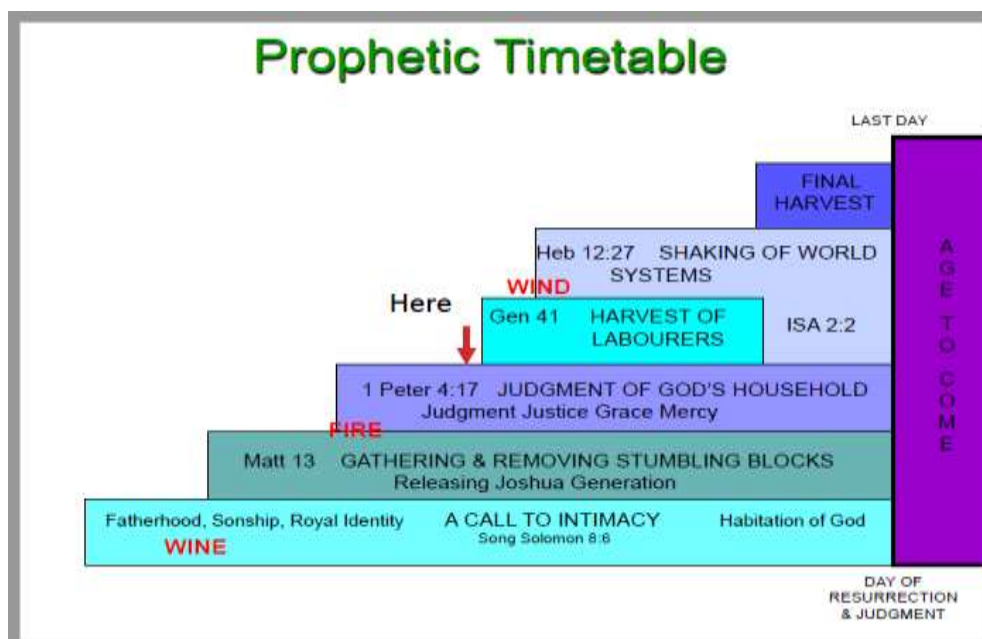

### Sons of Issachar

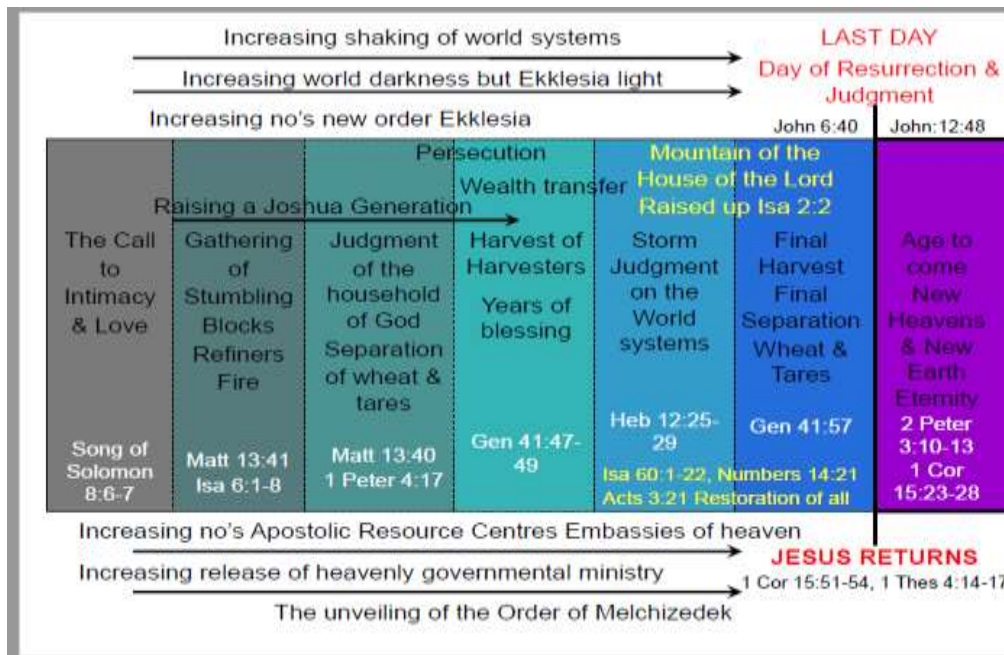

1 Chron 12:32 Of the sons of Issachar, men who understood the times, with knowledge of what Israel should do

Our destiny and ministry calling is to be forerunners – Joshua Generation

1 Chron 7:5 Their relatives among all the families of Issachar were mighty men of valour

We will need to be bold and very courageous to slay the giants of the land

2016 was a the year in which the lion and eagle functioned together in an arc of agreement

Governmental order and legislative order functioning together

2017 is still a period of justice where lion and eagle will function

In engaging with God the Father He asked me to spend more time developing and using legislation

This is a function of lion and eagle and there is much more needed

- What is legislation?

- The mantle of spiritual authority has been removed from the Moses generation
- The mantle of true spiritual has been released to the Joshua Generation
- The sound of heaven has been released deep has been calling to deep
- It is a call to the intimacy of relationship and the governmental responsibility of sonship

- Love is the key motivating factor that must be the at the heart of all true spiritual government and legislation

Zech 3:7 “Thus says the Lord of hosts, ‘If you will walk in My ways and if you will perform My service, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.

- There is a process of maturity into our position of heavenly governmental  
 Lordship - legislating mandates and laws  
 Kingship - creating mandates and laws  
 Sonship – Engaging the assemblies and councils of God  
 Bringing the freedom of the glory of sons to the whole created order

Prov 8:15 “By me kings reign, And rulers decree justice. 16 “By me princes rule, and nobles, All who judge rightly. 17 “I love those who love me; And those who diligently seek me will find me.

- We have help and support in our sonship from Wisdom and the 7 spirits of God
- Sonship will be one of the pivotal factors where the relational love that God, Father Son and Holy Spirit has within the *I Am* unveils true identity
- True identity is sonship. It is being including within the family and the circle of love that is the essence of who God is

Presenting court cases to the Court of 70

Administrating the verdicts that would bring justice, judgment, grace and mercy

2016 was about legislation
