Vision Destiny 2017 Review of 2016 (part 2) text-style.pdf

In session one I reviewed legislation produced in 2016

I am now going to review some of the things that occurred in 2016

- What did God say last year 2016?
- What did God do last year 2016?
- What has God said for next year 2017?
- What season are we in now?
- What does God want us to do in 2017?
- Where does God want us to go in 2017?

Share revelation from 2016

- What has God said? - Words
- What has God shown? - Visions
- What does God mean?
- What is the application for me?
- What is the application for the church here?
- What is the application for the wider church?

My mind or my own understanding has been messed up by my experiences of God
I realised just how much I have assumed and presumed in my understanding of God
I was challenged to decree the removal of restrictions from my mind

2017 will be a continued out working of the justice authorised by the judgment that
has been passed in favour of the Joshua Generation

**➔ God who is Father, Son and Holy Spirit will reveal Himself out of the
doctrinal and theological wilderness of the old order**

We are in for a wild ride of discovery

- The very core beliefs that we might have held are going to be challenged by the extravagantly revealed love of God who is Father, Son and Holy Spirit
- As God reveals Himself to us it will be like first love all over again discovering who He truly is
- The "GOD" that we thought we knew is going to be exposed as the biggest lie of all time perpetrated by religion
- What we thought we knew through the assumptions and presumptions of religion will be starkly contrasted by the truth revealed and unveiled by true reality of our personal experiential encounters
- The Matrix of religion, which has been pulled over our eyes to blind us to the reality who God is, will be removed
- Are we willing to 'swallow the red pill' to see just how deep this goes?
- Deep is calling to deep. Are we willing to respond to the call and go deeper than ever before?

"You take the blue pill, the story ends. You wake up in your bed and believe whatever you want to believe. You take the red pill, you stay in Wonderland, and I show you how deep the rabbit hole goes". Quote from the film *The Matrix*.

Wonderland is an apt description of our mind renewed so we can live the true freedom of relationship

- ➔ **I promise you it is a journey of discovery that is well worth the cost**
- ➔ **I promise you that if you are willing to suspend your disbelief you will be rewarded with treasure beyond measure**
- ➔ **I promise you a wild ride that will rock you to the core and you leave you standing on the true rock**

2017 is going to be a year of intense shaking

Heb 12:26 "Yet once more I will shake not only the earth, but also the heaven." 27 This expression, "Yet once more," denotes the removing of those things which can be shaken, as of created things, so that those things which cannot be shaken may remain. 28 Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire.

2016 was a year that the Lion and Eagle functioned together in an arc of agreement; Governmental order and legislative order functioning together
2017 is still a period of justice where lion and eagle will function

Sonship will be one of the pivotal factors where the relational love that God, Father Son and Holy Spirit has within *I am* unveils true identity
True identity is sonship, being including within the family and the circle of love that is the essence of who God is

Encounters that shaped my understanding of legislation and sonship

- Bob Jones as a man in white linen offered a fiery scroll for the billion fold harvest
- A week later Jesus stood here with another fiery scroll for the Joshua Generation
- I saw the earth from space. Its rotation was slowing down. It stopped and I saw lights coming together in threes all over the globe and then it started spinning in the opposite direction
- Wisdom gave me a chancellor's seal that intensified my desire to help raise up and equip a Joshua Generation
- I was in the temple facing the burning altar and the seraphim
- I saw many inter-dimensional maps; I was given a golden bow and fired arrows into various maps of different nations
- The first was the USA; the arrows had red cord attached and they formed a pattern of government
- I was told that this pattern will be replicated around the earth

2016 has seen the fulfilment and development of this function.

April: I went to South West USA and then I asked God if there was anything else

Engage the heart and the spine of the nation

September: Texas, Kansas and Nebraska culminating in the National Summit meeting at the heart of the nation

- ➔ I stepped into the four faces of God and was given a fiery scroll in each hand
- ➔ Scroll for the Joshua Generation
- ➔ Scroll for the harvest of a billion harvesters
- ➔ I was translated simultaneously to stand before all the governmental buildings and palaces around the earth
- ➔ I declared that the establishing of Joshua Generation and cities of refuge

Son, I have opened a new season of legislative authority. I present to you a new mantle carrying the authority to administrate legislation. To open hearts and minds to bring people into their heavenly positions.

- This is a new era where the government of heaven and its judicial authority is released to My sons.
- Call to the sons of man to come to their eternal positions to establish heavenly government on the earth.
- The call is to the Joshua Generation to prepare for the harvest.

24 / 9 /2016 or 9/24/2016
 $2 + 4 + 9 + 2 + 1 + 6 = 24$
 24 points on the crown
 $24 = 3 \times 8$

888 = the government of new beginnings

This day was the beginning the start of a new day and a new season

- Fragrance of the multi coloured families of the earth coming together to become the representation of the character and nature of God
- To be the demonstration of how all people, colours, ethnic origins can together in unity can produce the fragrance of heaven on the earth

- Son, call for reconciliation and restoration that will renew the minds of My people to know My heart and to be revealed onto the earth to remove all barriers divides boundaries and divisions of men.
- Let a new constitution be unveiled, signed and agreed between heaven and earth and new founding fathers be invested to establish new spiritual government.
- Let all identity that has been established by men making a name for themselves be removed, all nationalist and territorial mindsets be broken.
- Let a new identity be established; let new principalities be put in place.
- Forevermore let these people be called God's people and this land be known as God's land.
- Let the characteristics of true sonship be revealed. Love, joy, peace, patience, tolerance, goodness, kindness, faithfulness, humility and self-control

Phil 2:1 Therefore if there is any encouragement in Christ, if there is any consolation of love, if there is any fellowship of the Spirit, if any affection and compassion, 2 make my joy complete by being of the same mind, maintaining the same love, united in spirit, intent on one purpose. 3 Do nothing from selfishness or empty conceit, but with humility of mind regard one another as more important than yourselves;

Phil 2:4 do not merely look out for your own personal interests, but also for the interests of others. 5 Have this attitude in yourselves which was also in Christ Jesus, 6 who, although He existed in the form of God, did not regard equality with God a thing to be grasped,

Phil 2:1 In Christ our association is most intimate; we articulate his love story; entwined in spirit communion and tender affections. 2 Your Christ mindedness completes my delight! You co-echo the same agape; we are soul mates, resonating

the same thoughts. 3 No hidden agenda with a compromised mixture of leaven or empty philosophical flattery can match a mind that genuinely values others above oneself

Phil 2:4 To discover your own completeness in Christ frees you to turn your attention away from yourself to others! 5 The way Jesus saw himself is the only valid way to see yourself! 6 His being God's equal in form and likeness was official; his sonship did not steal the limelight from his Father! Neither did his humanity distract from the deity of God!

Issue a new call let the sound go out and reverberate throughout the land. The call to sonship to restore the crown of the kingdom to the people of God.

I call for the 24 governmental positions of the crown's mountain benches to be occupied and the investiture and enthronements to be completed.

- Son, the national summit is to be a time of removing the barriers dividing lines and obstacles to My government being established.
- I will release My heart and perspective for the people and a new understanding about how I see from oneness.
- I wish to remove the mind-sets of division and the man made boundaries that cause people to be in opposition.
- My territories are reflections of My character and nature and will caused unity to unify My people.
- As the relationships form that will establish kingdom government and the perimeters are established that will enable both expansion and fulfilment of identity.
- I wish to reveal My heart and remove all ideologies and mind-sets that create division between My people.
- North, South, East and West will be one; there are to be no barriers and divisions based on colour, money, power race origins.

- The first nations must give up their rights as this land was never theirs; the pioneers who laid claim must give up their rights.
- This land is mine and will once again be restored when reconciliation takes place between people the land will release is bounty.

- The connections are to release oneness; this land as defined by men will be truly one nation under God.
- What will give you true identity is not numbers, size, strength, power or economics but Me.
- When My people are free from prejudice and discrimination and the fear that separates and divides true diversity can be relished and enjoyed.

- This will truly be Independence Day where you will become free from those things that restrict and divide you.
- All definition of identity based on the externals of the flesh must be and can be removed if you will engage eternity and be defined by eternal values

- Let history show that eternity was released and the values of the kingdom restored.
- This is to be a *kairos* moment when the shift took place that shaped *chronos* time. This is to be the day when what was converged with what is to release what will be.
- Open a portal for the spine of the nation and establish the boundary across the South from Florida to California.
- Open the window into the heart of the nation.
- Let the heart beat with increased vigour and strength as the aquifers of the deep open and the fountain of life flows from the wells of salvation.
- I am creating the perimeter to allow the heart to beat with the rhythmic beat that is increasing in tempo to call the Joshua Generation to march with me into their inheritance.
- Connect the spine of the nation with the heart of the nation and I will release a new blueprint with new mantles of governmental authority.
- The everlasting doors cannot be opened from below so I want to raise up the Joshuas and Calebs to take their heavenly governmental places.
- Strategic connections must be made for My purposes to unfold.

I call for the angels for the perimeters to come together.

- I call for the angels of the spine and the heart of the nation to go forth and connect.
- I call for the sound of heaven to be released to call into the wilderness and prepare the next exodus to begin.
- I call for the blue light of government to go forth.
- I call for the alignment of the circle of the deep for the perimeter spine and heart of the nation.
- I call for resonance between heaven and earth.
- I call for a governmental summit to take place in the heavens and on the earth.
- I call for the mountains to rise up and come together.
- I call for the thrones to unite and a new order of government to arise.
- I call for the north west to join the north east, south east and south west in the heart of the nation.

I release the sound to those who will hear and respond.

Let the barriers be removed and the boundaries removed so that kingdom can come and heaven and earth can begin to overlap.

National summit USA

- Court case to deal with the roots of freemasonry
- Nation started with rebellion against UK now UK was releasing US into destiny
- Agreed laws established in UK were released to bring freedom to US so a new constitution can be formed

I am a facilitator and FAR is a resource to support what others are called to do

2017 God spoke to me about going to the East and gave me a mandate
I have since had invitations to go to **New Zealand, China, Borneo and South Africa**

I will be returning to **Canada** Winnipeg also

Our local Bench of 3 and started to engage the 7 mountains
The Regional bench has called for 3 gatherings, 'Beyond the Veil' - relational days of discussion, envisioning and heavenly engagement to equip those who feel called to their region, to engage the heavenly realms for governmental purposes.

It is time for the transfiguration of sonship to embrace the creative light of sonship and walk in the light beyond the veil and radiate that light on the earth.

Son, as the rhythm of My heartbeat increases so will the intensity of the light that shines and radiates through sons who walk in the creative light beyond the torn veil of an open heaven.

- God is going to unveil Himself to us more and more
- This will probably challenge us
- The reason most people struggle with trusting God is because the 'god' they were taught to trust is not really God at all
- We are going to move from trying to please God to learning to trust God
- Without trust there is only control, survival instincts and coping mechanisms
- God is calling us into a new level of intimacy so we know Him and trust Him
- As sons in relationship we can rule and legislate

Our marriage ceremony was the call to deeper and deeper intimacy
 The Bride becomes the wife/spouse and the wedding makes way for married life.
 That is what we are being called to next.

What are the implications of such a relationship?

What happens when we get married?

- Our status changes.
- Our rights change.
- Our name changes.
- Our responsibilities change
- Our expectations of each other change
- I am no longer independent but we are interdependent; we are one not two.
- It is a whole new level of intimacy, relationship and government that will have consequences.
- Our words may have greater effect.
- Our law making will have greater weight.
- Our mistakes may have greater consequences.
- **The crucial point is that the level of relationship determines the level of government.**
