What has God said? - Words  
What has God show? - Visions  
What does God mean?  
What is the application for me?  
What is the application for the church here?  
What is the application for the wider church?

- ➔ **I will share my journals my conversations with the Father and my journey to know the reality of who God really is.**
- ➔ **God who is Father, Son and Holy Spirit will reveal Himself out of the doctrinal and theological wilderness of the old order**

Son your journey is not one of discovering who I am although you will, it is how you will discover who you were truly created to be, who you are in sonship.

- I can only truly know who I am by viewing that image within the relationship of God Himself, Father Son and Spirit
- We are in for a wild ride of discovery
- **The very core beliefs that we might have held are going to be challenged by the extravagantly revealed love of God who is Father, Son and Holy Spirit**
- As God reveals Himself to us it will be like first love all over again discovering who He truly is

Son see, see again and see more. I have unveiled and now I am about to unveil new and fresh revelation to you if you will look more intently from my eternal perspective.

### **Look long and hard stare intently what do you see?**

- I see a shift where the boundaries are not only moving but are being stretched and in some cases removed all together.
- I see a new vista.
- I see the world view being radically changed.
- I see a revolution taking place.
- I see great change taking place personally, corporately, nationally internationally.
- Son come and look harder and you will see more and it will become clearer.

Son feel My heart feel the joy that springs from pure life in its abundant fullness.

I am joyous because the beginning and the end are now.  
Son live from the eternal now and be in constant love, joy and peace.

It is finished had always been the end and is guaranteed to be a new beginning and so it will ever be.

- **Son what your role will be is determined by your willingness to embrace your eternal destiny and stand with Me in this place and in My court.**

Eph 1:3 Let us celebrate God! He lavished every blessing heaven has upon us  
Ephesians 1:4 He associated us in Christ before the fall of the world! Jesus is God's mind made up about us! He always knew in his love that he would present us again face-to-face before him in blameless innocence.

God found us in Christ before we were lost in Adam!  
We are presented in blameless innocence before him!  
We are brought into the closest possible proximity, face-to-face!  
This is such amazing good news to share

Eph 1:5 He is the architect of our design; His heart dream realised our coming of age in Christ (adoption)

Eph 1:6 His grace-plan is to be celebrated; He greatly endeared us and highly favoured us in Christ. His love for His Son is His love for us

Eph 1:7 Since we are fully represented in Him, His blood is the ransom that secured our redemption. His forgiving our sins measures the wealth of His grace

Eph 1:9 The secret is out! His cherished love dream now unfolds in front of our eyes

Ephesians 1:11 This is how we fit into God's picture: Christ is the measure of our portion, we are in him, invented and defined in him. God's blueprint intention is on exhibition in us. Everything he accomplishes is inspired by the energy and intent of his affection

- Son for the joy set before Me I was willing to embrace the pain of sacrifice.
- I have a gentle and humble heart and that comes from the confidence of just being I am that I am.
- Son be confident in who you are so you too can come to Me and find total rest and peace in your eternal identity.
  
- All government must be a reflection of peace relationally to bring an increase in peace to restore wholeness to creation.
- This is truly a time for the convergence of time and eternity where what always was can frame what now is to bring the transformation of what will be to align with My eternal heart as a reflection of I am.

- The pathway of responsibility will unfold dimensionally and the circle of the deep and its connections to the ancient paths will become more clear.
- See the eternal pattern seed, roots, shoots and fruits this is the circle and the cycle that all things must follow.

- We walk around the circle of the deep to see it aligned and in order.
- We walk past Melchizedek who bows slightly at our presence.
- We walk into a small side chamber.
- Son this is your room where your wealth had been accumulating.

- There were carefully arranged containers almost like crystals shaped like the flower of life.
- There was wisdom, knowledge, understanding, experience, testimony, finances, dreams and visions, relationship identity was in the centre of the arrangement.
- They were all fragrant and coloured and full to overflowing.
- They were all fragrant and coloured and full to overflowing.

- ➔ **Rest only can truly come when you are laid on the altar as a living sacrifice.**
- ➔ **Rest comes from surrender when you cease striving with the soul and embrace the fire of the cherubim and the sword which leads to the ancient paths.**
- The tree of life and Metatron's cube where the dimensions of time and space converge and connect can once again be in full harmony and alignment.
- Where what has always been is once again expressed in what is now to release what will be and bring everything to completion and hence a new beginning.
- After the end of the seventh day there is the 8th day of new beginnings.
- Son everything with Me is expanding in an ever increasing outward flow of a love expressing government.
- To be fruitful requires that you carry a seed after your kind so that you can multiply fill so that you can occupy and subdue and establish My government.
- Son walk with Me again. We skip joyfully in excitement and expectation.
- Through the door we go into the fire tunnel still joyful.
- We stand before the inverted rainbow adorning Satan's trophy room.
- The door opens and the darkness responds to the light of our presence and flees, joy fills that place expectation of hope radiates touching everything.
- This place usually so oppressive and heavy feels so different as the Father brings a new reality to that place.

- The opposite spirit overcomes all opposition they are nowhere to be seen.
  - I look and I see and I feel the joyful expectation of the potential that is ignited.
  - Everything that was so heavy with despair now is filled with the joy as I see life and light and the next generation respond.
- 
- I see the destinies within the diamonds facets beginning to sparkle.
  - I see the heritage of generational lines begin to receive life.
  - I see the people groups start to align themselves.
  - I feel the atmosphere change lighten sense the Father's presence glory touches everything and the isolation flees.
  - Son the freedom of the glory of My children must take possession of this place.
  - Teach people who know themselves to come.
- 
- As we walk everything starts to vibrate resonance begins life's energy begins to energise the fabric of this.
  - I see what this place once was and will be again.
  - Eternal perspective explodes with the potential possibilities once again.
  - This was once a place where heaven and earth connected with eternity in the commissioning of destiny.
- 
- This is where restoration can take place and this is where some people are rescuing people from.
  - Son this is where you must be willing to come if exchange is to take place.
  - This not the place of the departed but of those who are yet to be reborn. This place must be plundered and freedom must reign here.
- 
- We walk into another area and the extinguished mantles of those departed and those trapped in the prison of guilt shame and condemnation lie discarded and discredited on floor like a carpet under the enemies feet.
- 
- They begin to respond to the presence of the loving Father whose compassion for the prodigals seems to energise them.
  - Jesus walks and the power of the fragrance of sacrifice starts to release the power of propitiation all that was lost can be found.
- 
- Son what are My children willing to sacrifice to reclaim that which had been robbed?
  - It is only that fragrance mixed with the oil of compassion that can redeem what is here.
- 
- Mercy must be what is released here and the victory and triumph of the cross must overcome judgment so all decrees against them cancelled.
  - The great new covenant exchange must be employed. Trade son trade

Steps like Jacob's ladder leading up to heaven  
There is a door standing open in heaven  
Hear the invitation to come up here  
Walk up those steps to the door  
Now step through the veil into the kingdom realm

Let Him take you into a new place of peace and rest  
Walk with Him on the ancient paths

Jesus is standing in the doorway  
Present yourself to Jesus your High Priest as a living sacrifice  
Engage the way of the cross and exchange old for the new  
Surrender our free will  
Not my will but yours  
Let Him take you by the hand

You stand before the arc of His presence  
You seek His will and purpose  
Open your heart and let Him write and reveal your destiny your mandate  
Let the Father take you into Him  
Let Him take you into His name and identity
