- Only those who swim here and have pure hearts, pure minds and pure hands can take the keys.
- The keys look multidimensional multifaceted multi-coloured in nature.

Son come deeper what do you now see?

- I see the 12 doors to the portals that have been sealed.
- You will need the 12 keys and the 12 artefacts in the hands of the 12 ambassadors of the ages to open these doors.
- My ambassadors will need the 12 stages of purification to be able to open the doors for dimensional restoration.

- Feel My heart and release My heart to call and gather My people to the Jordan and I will pull back the veil so they can see and enter in.

Son it is time for you to take a more prominent role as ambassador to the Joshua Generation.

I will release to you greater authority that will be needed to legislate for justice.

I have given you the crystal of the tree of life that is a key that will open access to dimensional government.

It contains manifold wisdom and grace aligned to the precepts statutes and laws that will converge time and eternity.

- Son the forerunners must take their eyes off themselves to look out and see and use this next season to release the call.
- Call to the Joshua Generation to come forth, increase the intensity of your calling as you feel My heart.

- Don't let fear of being rejected stop you they rejected Me also but some will hear the call and come and they will continue the call.
- **Multitudes multitudes are coming to the valley of decision I am drawing them there out from the coverings of men that stopped them hearing with their own ears and seeing with their own eyes.**

- Reach out to them call out to them have My compassion for them and they will start to come.
- First a trickle from Jerusalem but a stream and river and a torrent will follow of you continue to expand your call to Judea Samaria and the world beyond.

- Son do not be afraid.
- **My people need to be renewed in their minds to embrace the responsibility of sonship.**
- **Challenge people to remove the constructs and limitations that are over their minds.**

- I will release greater responsibility once the wedding has taken place.
- They need to be prepared for greater authority and greater responsibility and greater accountability.

- I call for the alignment of the circle of the deep for.....
- I call for the release of the scrolls discoveries and new commissioning that will change the culture and affairs and release the resources to be a place of exchange.
- I call forth new strategy from heaven to be a city on a hill, to be salt and light, to arise shine with the creative light and energy of heaven.

- I call for the sons of Issachar to discern the times and seasons and release their wisdom for change and transition.
- I call for the alignment of what was with what is to release what will be to fulfil what was from the eternal heart of God.

- I call for the release of the ordinances of heaven to remove and replace the old with the new.
- Son the days of presumption and assumption are over it is no longer acceptable to plead ignorance.
- Heaven is open and access to the Holy of holies has been granted there can be no excuses for not seeing what the Father is doing.
- A mandate established in heaven is required for My authority, anointing and provision to be released.
- Don't presume that you know come and I will show you do that you can administrate and bring governmental order in heaven so that it can be outworked on the earth.
- The days of childhood immaturity are over it is time for My sons to arise and take their places and begin to release their light into the earth once again.
- Son you have a mandate to engage those places that are open to establish new foundations under the law of new beginnings and to establish the Crown of governmental authority over a nation.
- Son don't be influenced by enthusiasm but by those who have a mandate to invite you for the purpose of new beginnings and new government.

Son I showed you the eternal nature of My love and My capacity for good. I have been challenging your mind and exposing your religious assumptions and presumptions.

- You are now ready to let go of that which you have presumed because you know Me more intimately.
- I am about to shake the foundations of your understanding of the elemental teaching of Heb 6
- Son can you see the eternal nature of judgement?
- I have shown you the true nature of judgement and now I want you to see the eternal nature of judgement.
- I do not cease to give opportunities for people to accept Me and acknowledge Me and choose life.
- The lamb was slain before the fall of the world in what was so that life could always be chosen because of eternal judgement.
- So it has always been and so it will always be.
- The nature of eternal judgement is eternal opportunity for life.
- Every knee will bow and every tongue will confess Me as Lord willingly.

Son be wise how you unveil this truth as it will polarise many but it is a truth that will be needed if the restoration of all things is to be accomplished and My sons are called to plunder satan's trophy room until it is empty.

Son come with Me to the golden mountain within My garden.

Son here is Metatron; see the keys for the new seasons that he will give to unlock those seasons for nations.

See the key to nations is the wheel within wheels within wheels.

Areas coming into agreement to form regions each carrying a fragrance and characteristics that create the whole.

Each region being a blend of fragrances and characteristics that come together to reveal the nature of God in the nation.

- ➔ Son the restoration of all things will come when the whole is the sum of all the parts **as all the families of the earth are one as We are one.**
- Each key unlocks a regional relational connection that will become the point of the crown for each nation to fulfil is people's redemptive purpose within the whole.
- The areas are aligning so that the regions can align so that the nations can align so that the earth can align with heaven.
- The alignment of the wheels within wheels within wheels will be like the alignment of what was and is to release what will be.
- I engaged satan's trophy room through the door on wisdom's heights through the fire.
- I engaged the area where my families heritage was robbed and on display.
- I access through a door I had not previously seen to engage the souls of my father's fathers line.
- I preach the good news of the kingdom the love of God to those souls I herald the trumpet.
- I lead those who respond to the sound out back through the fire out through the door and along the ancient path to the door to Zion the city of God.
- I leave them as they become part of the cloud of witnesses receiving a mantle of sonship.
- They bowed the knee and confessed that Jesus is Lord to the glory of the Father.
- They renounced their allegiance to darkness and where translated out of darkness into the light through the fiery sword that guards the door to the ancient path to the tree of life.
- There were others from my father's mothers line and from my mother's father's and mother's line to engage with the good news to lead captivity into freedom.
- I have previous seen heritage breeding restored from previous generations into our generation.

Son now allow the religious constructs of men to fall from your mind so you can truly know Me and the depths of My love.

The fire consumes the coverings of the path of the knowledge of good and evil.

- The fire purifies the hearts and souls of men but they must hear the good news who will go for us?

➔ **Here am I send me.**

- ➔ **Son the doctrines of demons disguised as men must be purged by the fires of transformation from the minds of My people.**
- ➔ **Now is the season where the presumptions and the assumptions must be challenged and the truth revealed by fire.**

- Son continue to embrace the flames of the altar and your mind will be purified so that you can experience the true knowledge of who I am.
- Son it is time for the physical outworking of the river of life.
- Next year in the Ekklesia I will manifest the light and the flow of heaven and there will be glory on display.
- Son prepare to administrate the flow as it will be through My people and from the everlasting doors.
- It is time to clear the atmosphere over the whole footprint open the ancient doors for glory.
- Embrace the fire and administrate the fire to be ready for the new level of intimacy that will become evident.
- The trickle will become a flow as the river of My presence increases in depth.

Father, I repent from the demonic doctrines infesting the church and keeping us from the truth.

I embrace the fiery sword and ask for judgement of my mind and thoughts and my values and beliefs.

Judge my mind by fire Father and purge the religious doctrines that the enemy had sown into the fabric of my consciousness.

- I have been a man of wrong thinking amongst a people of wrong thinking
 - I repent and renounce the constructs and limitations that have been covering my mind.
 - I see now that I cannot just stand before the flames with a sword but I can enter the flames with the fiery sword of truth.
 - I can loose the bonds of wickedness and let the oppressed go free.
 - The revealing of the sons of God will answer the groans of those in bondage to corruption and release them into the freedom of the glory of sonship.
- Rom 8
- The restoration of all things must take place; captivity must be led captive into glorious freedom.
 - Son I am the precedent for you; look at what I did and where I went and you will be able to bring My people out of darkness into My glorious light.
 - Son you have been called to judge the angelic realm what would you do to bring justice? Could you forgive and release even your greatest enemies and persecutors?
 - Son will you allow Me to renew your mind so you can think from the perspective of pure love from what was so you can be fully directed by pure love in what is so that pure love will triumph in what will be?
 - Son yes My justice is restorative and not retributive.

- My judgements are based on My desire for relationship and My justice is the continual opportunity for the restoration of that relationship.
- The wages of sin is death but the gift that is available through the victory of the cross over death is abundant and unlimited life.
- Restoration will continue until all things have been restored and physical death which has already been defeated cannot stop that process.
- Son you have been in My heart and mind you have experienced pure love at its very essence and how that motivates the workings of My mind to produce good out of the worst of choices.
- **Son I created you for love, to be loved and to live for love's expression.**
- As I am so you are to be in the world an expression of what was always between I am Father Son and Spirit.
- Son your journey to Me has been long but now you can go much further and much faster.

**I will strip away the constructs and limitations of your mind so that My mind can be revealed then you will be able to create reality as a son.
The limitations and restrictions and reductions are being lifted from your consciousness so that powers of the age to come can be unveiled.**

Steps like Jacob's ladder leading up to heaven
There is a door standing open in heaven
Hear the invitation to come up here
Walk up those steps to the door
Now step through the veil into the kingdom realm

Jesus is standing in the doorway
Present yourself to Jesus your High Priest as a living sacrifice
Engage the way of the cross and exchange old for the new
Surrender our free will
Not my will but yours
Let Him take you by the hand

You stand before the arc of His presence
You seek His will and purpose
Open your heart and let Him write and reveal your destiny your mandate
Let the Father take you into Him
Let Him take you into His name and identity

Let Him take you into a new place of peace and rest
Walk with Him on the ancient paths
Allow Him to take you into the recess of your mind to reveal the constructs, restrictions and limitations
