

## Vision-Destiny 2017 - 06

### Session 06

I will share my journals my conversations with the Father and my journey to know the reality of who God really is.

➔ **God who is Father, Son and Holy Spirit will reveal Himself out of the doctrinal and theological wilderness of the old order**

What has God said? - Words

What has God shown? - Visions

What does God mean?

What is the application for you and me?

What is the application for the church here?

What is the application for the wider church?

Following God in relationship has been like looking at a tapestry of GOD  
Father led me to a thread that I have followed. As I have engaging Him I did something like pulling the thread which has begun to unravel the tapestry.  
The tapestry was an image of GOD created by religion not God Himself  
An image of God is an idol

I have been leaning on my own understanding of the image that I have been viewing.  
My encounters with God personally have challenged that image and what I believed about God

Cognitive dissonance became a phrase that defined many of my encounters

### **We are in for a wild ride of discovery**

- ➔ The very core beliefs that we might have held are going to be challenged by the extravagantly revealed love of God who is Father, Son and Holy Spirit
- ➔ As God reveals Himself to us it will be like first love all over again discovering who He truly is

In the previous session I shared something about the unveiling of God's love that might challenge our current theology or doctrine

I am not trying to create a new theology or convince you to change your theology but

**to be open to engage God's love for yourself and see where that takes you**

- **True sons are to be revealed to be the song and dance of light to show off love to a deprived creation.**
- **You will be able to see clearly when the constructs of the knowledge of good and evil are removed from your mind.**
- Son reveal Me the true Me; let the Joshua generation know the true Me unfettered by the old orders of the theology of intellectual information.

- **I am that I am is a lover available to know through the intimacy of a love affair that has been hidden through the ages and scandalised by religion.**
- I have been wooing you My people from before the foundation of the world now come experience true love.
- The age of reason and enlightenment has covered My people in darkness so they could not see the real Me but only a veiled shadow of who I truly am.

Son come and walk with Me. This is the temple where the glory is released through My people into the earth. **The fire both purifies, refines and imparts and reveals the glory of sonship.**

➔ **The focus of this throne is filling the earth with the glory of the kingdom expressed through the glory of the children of God.**

- The altar is the place of glory where sonship is revealed and the creative light of the spirit is prepared to become one with soul and body.
- The preparation for manifestation is for fire radiating as glory, the glory of the children of God
- Son 2017 is to continue to be a year for justice where legislation for justice and the freedom of My people from religious tyranny must continue.
- The lion must roar and the Eagle must soar and My people must rise up and take their places on the governmental seats of heaven.
- I am going to challenge the foundations of the religious system with revelations of truth that will shake the believe systems that do not reveal the true nature of who I am.
- The religious doctrines that are the constructs of the path of the knowledge of good and evil must be deconstructed.
- The truth must begin to be revealed to establish the true foundation of pure unadulterated love that will cast out all fear.
- Son do not be afraid to reveal the truth I have been showing you.

Speak the truth in love so that I can renew the minds of My people so that they can experience the true Me.

**I am calling My people out of the restrictions that have limited their abilities as sons and confined them to the slavery to fear.**

Son be courageous and bold to roar like the lion and to soar like the Eagle. Now that you stand in what was and in what is you are free to call for and administrate what will be.

➔ **My people must have their minds unlocked to be multidimensional to fulfil their destinies as sons**

Son reveal the Truth unveil for people your testimony of who I am.  
The lover of humanity is to be known face to face not at a fearful distance.  
Yes it is true that I am has revealed Himself in the mystic union and now you can know that I am in the Father and He is in Me and we are in you as you are in us.

Son as you have turned your face towards us now help others come face to face with true pure unadulterated love

➔ **Son the greatest scandal of the age is about to be exposed and many will not believe it but the truth of who I am and therefore who you are as My sons will be revealed and the lies of religion will be exposed to the pure light of truth.**

The great I am is about to reveal Himself as the lover of your souls in what will amount to a whole new reality.

As I stand in the eternal mystic circle of love immersed in the Father Son and Spirit I hear Him say:

- Son I am going to scandalise religion by the lavish extravagant abundant expression of My love.
- I am going to reveal Myself as the eternal lover of your souls.
- I am going to expose the idol of doctrine that has distorted My image.
- As you present the truth of My love expressed through eternal judgement the idol will begin to crumble and idolatry will begin to be exposed as the religious traditions of men.
- True relationship with the living loving YHVH I am that I am can once again be realised.
- I long to walk in the cool of the day in My garden with My children once again.
  
- Son don't hold back through fear and don't be intimidated by the false doctrine that misrepresents Me.
- Be bold and courageous as the Joshua Generation and take your stand even if all the other forerunners give a bad report.
- **The 10 spies went back to live in the wilderness of conformity faced with the giants of idolatry.**
  
- Son help My people to be bold and courageous and reveal the true nature of love expressed in the lover of mankind.
- Son I had it covered before the fall of the world it has always been the kind intention of My will to restore My people and My people's creation to its original condition in Me.
  
- I am that I am is the eternal lover not the eternal tormentor of your souls.
- Expose the truth draw the sword and draw the line that will once again give My people the opportunity to leave the poverty religion of the old behind to embrace the extravagant love of the new.

- Son the unveiling of the reality of who I truly am is the priority of your life.
- **The heresy of religion must be exposed and the truth of relationship must be revealed. I am calling deep is calling to come deeper into the unfathomable depths of who I am.**
- **The eternal circle is calling opened and ready to welcome My children lost in the religious wilderness back home.**
- I am going to challenge the foundations of the religious system with revelations of truth that will shake the believe systems that do not reveal the true nature of who I am.
- The religious doctrines that are the constructs of the path of the knowledge of good and evil must be deconstructed.

Son come walk with Me. Here are the keys to the kingdom for a time such as this. Here are the keys to release new seasons aligned with heaven's government. Metatron is available to you for the keys you need to fulfil what I am calling you to do. There are keys for each season and each purpose.

Son here is the key to unlock the fire of heaven to make ready My people for the shifts that are being prepared. There are keys to judgement justice grace and mercy to release these seasons onto the face of the earth as the circle of the deep is aligned.

- ➔ **Transformation is still the vital ingredient the preparation that is needed to govern and rule with authority as sons.**
- ➔ **Son you cannot spoon feed people anymore it is time that they matured and fed themselves from table that is set before them.**
- ➔ **It is everyone's responsibility to feed themselves and take personal responsibility for their own lives.**

- I have been calling people deeper but they have not been willing to pay the cost necessary to grow to maturity.
- All everyone needs to do is seek first My kingdom and I will add everything to them.
- I am calling you all to be ready for the wedding day by embracing the soaking room of fire and oil.
- I take the fiery key and I unlock the season of fire for the wedding preparation.
- I call for the Seraphim to come to bring the fire of heaven and the burning coals from the altar.
- I call for a new season of burning to begin
- I call for the flaming torch and the oven to come to make ready for this new covenant celebration.
- **Son the fire is needed to prepare for the level of intimacy that will be needed for the new season.**

**If My people who are called by My name will embrace the fire of transformation then I will give them a new name and a new identity and a new authority and a new position as sons within my kingdom.**

- I call for the revealing of the mandates for the next season to bring clarity and order.
- I call for the creative light of heaven to bring forth the legislation needed for the next season.
- I call for the alignment of the circle of the deep to open the houses to bring new scrolls, mantles, weapons and discoveries out of darkness into the light.
- I call for the kingdom of God to take centre stage as we seek first the kingdom within Joshua Generation.
- The scroll of the new season is to be the return to the heart of God's original intention.
- The revealing of God as the answer to all problems as unveiling of kingdom values attitudes.
- The demonstration of the love of God in the power of the good news.
- A new order for a new day unveiled in the heavenly realms releasing the creative light of every spiritual blessing.
- I call for the opening of the house of commissioning to call forth the new order needed for the new day.
- I call for the opening of the house of culture to bring the changes needed to bring us into the new day.
- I call for the establishing of new government for the first season of the new day.

**Son the scandal of the lies that have been perpetrated by religion, the doctrines and bondages have misrepresented Me and therefore you mirrored in Me.**

I will not be veiled and hidden beneath the covering of these lies dressed up as truth any longer.

I am going to reveal Myself in the message of the extravagant love that is unlimited in its extent and unstoppable in its force.

**My kingdom will come and My will will be done on earth as it is within Me. As it is within so it will be without. Son raise up ambassadors who will represent true love to a world bereft and lost in hopeless despair**

The true conflict rages as it has done from the beginning through the father of lies who leads by deception on the wrong path of self-centred works and conceals the path of the life of grace and faith revealed in love.

Love has won, love never fails, love has overcome, love never ever gives up.

**The power of love is beyond and that is what I have been revealing to you through your encounters within Me.**

- Son continue to allow Me to stretch your tent pegs so that your boundaries can go beyond beyond.
- **I will unveil beyond what you can imagine or think to reveal who you are and what sonship is truly intended to be.**
- The creative capacities of sonship are the divine essence unleashed from the religious restrictions of the matrix of dogma that you have seen for yourself.
- Son if you substitute love for all expressions that have limited Me you will have a glimpse of true reality.
- Exchange what you think you have known about Me for love and a whole new reality will unfold. Love is what was and will become what is to be expressed in what will be.
- Son let nothing diminish, obscure or devalue the truth that I am love. Son it is only love that can conquer and win all else will be soulish battles to prove yourself right and that is the self-righteousness of the wrong pathway. Love is not vain or selfish

I Corinthians 13:1-8 Speaking in tongues is not the point; love is. It is neither angelic eloquence, nor the mastery of human language that persuades. It doesn't matter how poetic, prophetic, or profound I may sound; my conversation is reduced to the hollow noise of clanging brass cymbals if love's echo is absent. (I could predict the future in detail and have a word of knowledge for everyone. I could possess amazing faith, and prove it by moving mountains! It doesn't make me any more important than anyone else. Love is who you are! You are not defined by your gift or deeds. (Love gives context to faith. Moving mountains is not the point, love is.)

I Corinthians 13:1-8 Love is not about defending a point of view; even if I am prepared to give away everything I have and die a martyr's death; love does not have to prove itself by acts of supreme devotion or self sacrifice! Love is large in being passionate about life and relentlessly patient in bearing the offenses and injuries of others with kindness. Love is completely content and strives for nothing. Love has no desire to make others feel inferior and has no need to sing its own praises. Love is predictable and does not behave out of character. Love is not ambitious. Love is not spiteful and gets no mileage out of another's mistakes.

I Corinthians 13:1-8 Love sees no joy in injustice. Love's delight is in everything that truth celebrates. Love is a fortress where everyone feels protected rather than exposed! Love's persuasion is persistent! Love believes. Love never loses hope and always remains constant in contradiction. Love never loses its altitude! (The word means to lose height, to stop soaring.) Prophecies will cease. (Just like when a placenta is discarded after a baby is born.) Tongues will pause. (In order for that which was spoken in shadow-language to be fully interpreted.) The quest for knowledge will be inappropriate when perfection is grasped.

The Greek word for the love of God is agape from the word, ago, meaning to lead like a shepherd guides his sheep, and pao, meaning to rest, i.e. "he leads me beside still waters." By the waters of reflection my soul remembers who I am. [Ps 23].

God's rest is established upon his image and likeness redeemed in us. Thus, to encounter agape is to remember who I am. Jesus the Saviour of humankind rescued God's image and likeness in human form. The grace of God shines as bright as day making the salvation of humankind undeniably visible [Titus 2:11].)

Son the point is not to be right but to be love.

Son live loved live love and love living by loving love.

Son I am love therefore righteousness, godliness, godlikeness and all fruit are expressions of love.

I am a lover I live to love and love to live love.

Love is in essence I am which is the circle of love expressed in Father Son and Spirit perfect oneness of love not as an emotion but a relationship where all the thoughts expressed words spoken, actions taken are love.

Love is the circle of conversation communion fellowship of oneness; the one as three and the three as one.

Son you can be one as we are one body, soul and spirit, a oneness unified and restored to godlikeness to be the light of love to the world.

If I am lifted up as love so that the world can see Me they will be drawn to the light of your rising.

**Son you are to be love's light by being in the circle of love and being the circle of love expressed as relationship.**

**True Ekklesia is to be the perfect pattern of love not out of the pathway of self but walking the pathway of life so all can follow the way of the fiery sword through the cross.**

The pattern, the mould, the expression of Ekklesia is three as one in foundational love.

Ephesians 1:23 the church is his body. The completeness of his being that fills all in all resides in us! God cannot make himself more visible or exhibit himself more accurately.

(The word, Ekklesia , comes from , ek a preposition always denoting origin, and klesia from kaleo , to identify by name, to surname; thus the "church" is his redeemed image and likeness in human form.)

- I embrace the true expression of loves fire in self-sacrifice upon the altar of the temple whose purpose is to see the earth filled with the glory of the Lord expressed in the glory of sonship.
- I embrace the coals of the crucible of self-dying a living sacrifice yielded and surrendered to love.
- I embrace the fire of purification and refinement. Here am I send me.

- I call for the light of love to rise to expose the lies hidden in the darkness of antichrist demonic doctrines that have twisted distorted and marred the image of God.
- I call for the leviathan spirit to be exposed the twister revealed in the idols of false doctrines now accepted as truth.
- Let the angelic legions go forth with the light of love into the minds of those wavering in the wilderness valley of decision and to those at Gilgal let the reproach of the self-righteousness path be exposed by the light of love.
- Son there is no ego or self within love. Love that is God is otherly, relational love, conversational love and the essence of I am is love.
- Love is the light the words, the thoughts and the desires concerning others.
- Son love is not about needs because in love there is no focus on self just on others. There is no self, anything as self as a thought and a concept never existed until the covering cherub placed I into the equation.
- Son we do not require worship or adoration because we have a need but because it is directed away from self and is an expression of what love is being the first steps to living outside of self.
- The pathway of self always focuses on I but the true pathway of life always focuses on love which is always directed towards relationship and therefore others
- True love never demands of others but gives others the opportunity to give to the others in relationship.
- Love always seeks to defer to bless empower promote others never itself.
- Son it was inevitable because we are love in essence that we would create those to be in our image who would live loved and love living because living is giving and We love to give to bless to prosper.
- **Selfishness ego is what blocks the reception of the blessing. So many focus on the needs of self and are never in the place to receive.**
- Being blessed is always an opportunity to have enough for all needs so the good deeds can be accomplished because the needs are not considered.
- Seeking first the kingdom and righteousness is love expressed because self is not the focus.
- All worry and anxiety are rooted in fear and fear is focused on self.
- The Kingdom of God is where love is expressed it is founded upon love its essence is love.

The whole kingdom is focused on others, loving others. Righteousness, peace, joy and justice is where others can be blessed and is foundational.

Justice was never meant to be the removal of freedom from people but the giving of freedom to people.

That is why the cross is central to justice because all obstacles to love were removed, all the requirements of man's law were met and laying down life because of love for others is now finished.

All who were separated are now included in Me waiting to discover the truth of who we really are.

Love is joy and peace experienced because nothing is ever missing or broken when the focus is otherly.

- **Son let love as found in us surround you, shield you and supply you.**
- **Dance in the midst of love, live to the full in the midst of love.**
- **This is the true meaning of you being in us and we being in you.**

Ephesians 1:4-6 He associated us in Christ before the fall of the world! Jesus is God's mind made up about us! He always knew in his love that he would present us again face-to-face before him in blameless innocence. God found us in Christ before he lost us in Adam! He is the architect of our design; his heart dream realized our coming of age in Christ. His grace-plan is to be celebrated: he greatly endeared us and highly favoured us in Christ. His love for his Son is his love for us.

Son let your relationship with Us be expressed in everything, don't partition or fragment anything or you will not be oneness.

Son you must be one as we are one and your heart must be open to touch all with love's essence. My desire is that love will be all in all.

John 14:6 Jesus said, "My I am-ness [mirrored in you] is your way; this is your truth and also your life! Every single person can now come face to face with the Father entirely because of my doing."

John 14:10 Are you not convinced that I am in the Father and that the Father is in me? We are in seamless union. The words that I speak to you are not my independent opinion or ideas; the Father in me addresses you; this conversation then translates into the Father's action unveiled in my doing.

- Son feel My heart. Feel the joy that springs from pure life in its abundant fullness.
- I am joyous because the beginning and the end are now.
- Son live from the eternal now and be in constant love, joy and peace.

Son walk with Me and be in oneness, see and feel the oneness.

Son I am so we can be at rest in peace and joy as love's expression.

Let's walk through the gateways of your spirit soul and body.

Let Me expand your conscious awareness of who you are.

Son rest and focus on the new beginnings that I am calling you to facilitate. While multidimensional legislation is taking place I want you to engage consciously in calling for new beginnings into the nations and relationships that you are connected to.

Develop and cultivate a desire within your heart for those nations and groups.

Let love rise up and move you with compassion to see the new beginnings start to be unveiled.

Son as you focus on engaging the Affairs of the nation's house you will feel My heart and connect with the cloud of witnesses and angelic orders that have been assigned.

- **Son sink deeper and deeper into Me let the conversation of love surround you and immerse you and fill you.**
- **Son let the truth that love reveals define you let it unveil your true image in Me.**
- **You are along with the whole of mankind included in Me so open the eyes of all your faculties to truly know who you are by reconnecting with who you have been**
- In Me see your true image framed in love's conversation revealed in love's true expression.
- Son be from love's deepest well and let the spring become a fountain overflowing with love's energising power.
- Son let love define you and let love empower you and demonstrate that love to the world so desperate for authenticity.
- Son however deep you come you can never plumb the depths of love, you can never escape love's grasp.
- Love is too powerful and all-encompassing to fail because it's the fullest expression of the intent of My desire for the relationship of I am Father Son and Spirit to include you.
- I am can never fail, love can never fail because it faced is greatest challenge at the cross in identifying with the deepest furthest separation and overcoming death with life expressed in the resurrections power.
- Son death has been overcome with life. The greatest enemy conquered and subdued. Now love rules and reigns in you and through you on earth as it is in heaven.
- Love has won. Let love express its victory in you so that the world can see true love and know they are included in the love story of the ages.
- Son love does not need to win love has won. Victory is secured so rest in love has won.

- If you fail to rest love has to win so surrender to rest in love's overcoming victorious triumph over death and all its fear.

Son now is the time to release jubilee, blow the silver trumpets both to break camp for those in the valley of decision and for those at Gilgal to begin to move to march around the giant structures that defend the divisiveness that exists woven within the fabrics of culture and society.

- ➔ **I blow the trumpet I herald the call let the sound of heaven be released to call for the rising and moving of the Joshua generation.**
- ➔ **I call for the establishing of the spiritual government of a new family.**
