

Vision-Destiny 2018 – 04

Session 04

- Share revelation from 2017
- What has God said and what has God revealed? – Conversations and Visions relevant for 2018
- What is the application for me the church here and for the wider church?

We are in for a wild ride of discovery

The very core beliefs that we might have held are going to be challenged by the extravagantly revealed love of God who is Father, Son and Holy Spirit

As God reveals Himself to us it will be like first love all over again discovering who He truly is

Last time I shared some of the encounters that took me beyond my understanding I had a number of significant encounters that revealed the heart of God for the restoration of all things

This has become a priority in my desires

- To live loved is to rediscover my true identity as a son in relationship with a loving heavenly Father.
Agape love leads me to rest and remember his image and likeness redeemed in us.
- To love living is to express the joy of life from the place of rest to engage creation in sonship
- To live loving is to express the peace found in relationship as a son in and through and to everything to bring restoration.

At the court of the councils of the Fathers I bow and kneel and I hear them say in unison one new man one new man.

Let there be no division and no separation let all be for one and one be for all in the great I am.

I take my place in the court of kings.

I called for the scroll, it was brought to the table by two angels 'restoration and reconciliation. '

I call for all to listen at the decree of fire for the establishing of the Law of Restoration.

The law to restore all things both in heaven on earth and under the earth and through all the creation order and dimensions

- I hereby authorise the Joshua Generation and all subsequent generations to answer the groan of all creation to bring about its restoration.
- I authorise you to align the circles of the deep, the wheels within wheels within wheels to bring together what was and what is to restore what will be to its original destined purpose.
- I authorise you to issue the call to order
- I authorise you to release the sound and frequencies of the music of the spheres
- I authorise you to call for harmony between heaven and earth
- I authorise you to administrate the affairs of the heart that the love of God will unveil the joy of union.
- I authorise you to release the arrows of God's quiver to penetrate the hardest hearts and melt them
- I authorise you to call for the restorers of the breach to arise and come forth
- I authorise you to proclaim and herald the dawn of the new day of restoration.
- I authorise you to call for the fire of My love to increase in its intensity to melt hardened hearts like wax.
- I authorise you to open the eyes that have been blinded by demonic infernal doctrines to see and feel My unveiled desire for the restoration of family heritage.
- I authorise you to unveil the fullest extent of My desire for all things to be restored.
- I authorise you to administrate the release of love's power to set My people and all that was created for them as coheirs in sonship free from its bondage to corruption.
- I authorise you to expose the greatest scandal of the ages the perversion of My love relationship into a religious image of abuse.
- I authorise you to unleash the power of My love to its fullest extent to turn My enemies into My footstools.
- I authorise you to administrate and facilitate the restoration of relationships wherever there is division and dichotomy.

Restoration between God and man, man and creation, soul and spirit, heaven and earth, mind and heart, religious and secular, nations, families, spiritual and physical, life and death, linear and nonlinear, the macro and the micro. Angelic and man, the Ekklesia of the firstborn in heaven and on earth, son of man and son of God

- I call you to call, shout and scream out the message of My heart for restoration
- I call you to herald the sound of harmonious unison within I am to expose the inferiority and ineptitude of all DIY conditional attempts at relationship.
- I call you to extol the true message of restoration using the John 17 cry of My son for the restoration of sonship

John 17:20 “I do not ask on behalf of these alone, but for those also who believe in Me through their word; 21 that they may all be one; even as You, Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent Me.

John 17:22 The glory which You have given Me I have given to them, that they may be one, just as We are one; 23 I in them and You in Me, that they may be perfected in unity, so that the world may know that You sent Me, and loved them, even as You have loved Me. 24 Father, I desire that they also, whom You have given Me, be with Me where I am, so that they may see My glory which You have given Me, for You loved Me before the foundation of the world.

Father as I extend my spirit around my spheres of government

- I call for the alignment of the 12 houses around the circle of the deep.
- I call for the precepts statutes and laws to come into alignment and for the ordinances of heaven to open.
- I call for the boundaries and barriers to expand and be removed under an open heaven.
- I call for the atmosphere to be aligned between heaven and earth for love to be demonstrated and the true God to be revealed.
- I call the laws of religious freedom and jubilee to prepare for harvest conditions.
- I call for a new season to begin where the heart will be restored to all environments.
- I call for the priorities to change to the restoration of people rather than problem centric ministry.
- I call for the angelic ordnance of heaven to be released into our environments.
- I call for the provision for all that is necessary to be released and all finances and people to come forth.
- I call for the angelic messengers to go forth to carry the call for the Joshua Generation to arise and connect
- I call into the wilderness to release the sound of heaven to touch the spirits and hearts of those being made ready to cross over.
- I send out the angels to touch the hearts and lives and provide all that is needed for those in the valley of decision.
- I call for every mountain to be made low and every valley be lifted up for all to see the new horizon of their inheritance beyond the veil.
- I call for the blue light to resonate with another wave of hungry and forerunning people.
- I call for the scroll room to be made ready and the scrolls to be unveiled for the new order to come forth and possess the land.

- I call for the winds of change to blow powerfully to begin the new season where the true God is revealed exploding the myths of men with the love bombs of heaven.
- I call for the eyes of the blind to be opened by the brightness of your rising.
- I call for the revealing of veils of men to deconstruct the false images of the nature and character of God.
- I call for the high places to come down and all the speculations and lofty things be demolished along with the DIY religious idols.
- I call for the idolatry of the bible to be exposed and the relationship with the living letters to begin.

Let the true government of each place come forth and let the pioneers emerge from the explorers to take up their governmental positions in the heavenlies and on the earth.

As ambassador for the Joshua Generation I call for the judgment justice grace and mercy to be agreed and the wheels within wheels within wheels to turn to bring order to the new seasons of the 8th day.

I make a case based on the precepts statutes and laws of God for the winds of change to blow powerfully like a cyclonic force of heaven shaking the very foundations of the idolatrous and demonic doctrinal systems that pervert twist and obscure the true reality of who God is.

Son I honour and support your case and I call the 70 to ratify My judgment.

Son I will go before you and I will prepare the way of the Lord for people to follow as they come out of the wilderness into their inheritance.

- **Son rest in Me and know that I am in you and you are in Me let the peace of My presence take you to beyond and beyond again.**
- Son the focus of My people on performance is an indication that they don't know their own identity and position as sons in the family.
- So many are trying to obtain what they already have by DIY efforts to please Me when I love them and am already pleased in who they are not what they try to do.
- Son it is imperative that My people become free to be who they already are in My sight.
- They must look at Me face to face heart to heart, mind to mind then they will know that they have always been and My desire is that they will always be.

- **Son expose the lies and demonstrate the lavishness and the overflowing abundance of My love for mankind.**
- **Son expose the distortion of My written word that seeks to put everything in the future of uncertainty rather than the past of completion.**

The old has gone and the new has come already now live in the light of the new and abandon the obsolete old systems that religion continually seeks to reinforce with guilt shame and condemnation wrapped up in fear.

Son so many are looking into a distorted image trying to see Me when they can come face to face with Me and look into My eyes to see the acceptance and love they are desperate to earn.

- **Son I long to welcome My children home back into My arms of love where I can affirm them as My own.**
- **I long to restore My children to their true image and unveil the reality of their sonship in union and co-heirship.**
- **Son I desire that the intimacy of the deep will woo My children into a love relationship that will affirm true identity that can only be seen in Me.**

I cursed the DIY tree and its path so that My true path of the tree of life planted by the river of life will become the only source that My children will need to drink from.

I welcome all to come drink from the living wells of salvation that will never run dry unlike the broken cisterns they are trying to fill and can never hold enough water to satisfy any thirst.

I call for the alignment of the circle of the deep and the house of commissioning to be opened.

I call for the governmental positions of heaven to be unveiled to those who have made the discoveries of who you are and who they are in you.

I call for the release of the mysteries of true identity to be unveiled and the eternal memories to be reconnected.

Let the angelic heralds make the sounds of silence be heard and the call to orders go forth.

Let the sounds of silence become the sounds of destiny to draw My children to their eternal homes.

I call for the dark clouds to form around those who hear the sound whose spirits begin to resonate.

- **I call for the separation of soul and spirit and the reintegration of oneness in the original design.**
- **I call for the revealing of ego and DIY self-value worth and esteem and the dragons wells of core redemptive identity to be yielded and surrendered.**
- **I call for the sons of God to arise and come forth from the dark clouds of transformation and take their places as officials within the Joshua Generation.**

I call forth the scribes, oracles, legislators, chancellors, ambassadors, judges, magistrates, councillors, royal priesthood of Melchizedek, the architects, designers, explorers and the pioneers.

I call for the master builders and craftsmen of dimensions to be unveiled and answer the call of destiny.

Let the sound that has for so long been silence to human ears now be heard by the living beings as the heralding call of destiny.

I call for the enactments of the laws of religious freedom jubilee depth of the Father's heart and for new foundations and restoration.

I call for the exoduses to begin as the sound of heaven increases in intensity.

- **I blow the silver trumpet to release a new sound and urgent call to the Joshua Generation to arise and come forth from under the mountains of men.**
- **I call for a parting of the Jordan so that the way can be opened on earth as it is in heaven**

I call for the valleys to be lifted up that the way to the parted river can be seen.

I call for the winds of change to blow and the preparations to begin for the veil to become visible.

I call for the forerunners to arise out of their stupor to come out to boldly go to become the pioneers who will occupy their inheritance as sons of God.

Let the veils of religion be removed to reveal the truth of the scandal that has distorted the very character and nature of God who is love as expressed within Father Son and Spirit into GOD the angry archer the disciplinarian to be feared and hidden from.

- I call for the forerunners to cast off their veils and their restraints and come out from beneath the coverings of men into the glorious freedom of their sonship.

- I call for the forerunners to receive their mandates and blueprints to lay the foundations of the new order.
- Let the sons of God arise into the fullness of their destinies and take their places within heaven's government.

Son be bold in proclaiming the excellencies of My love do not look back but forward to the 8th new day that is dawning.

The light of My forerunners is rising from the below the horizon where they have been in preparation for a new day.

Arise and shine in the love that you have been basking in and release it's radiance.

Son let the brilliance of love's light explode as love bombs of My true nature and character penetrate the veils of lies perpetrated in the name of religion.

Son let the amazing love that you have now experienced be expressed in the light of your glorious sonship.

Son live loved, love living and live loving

Son it is time to hold nothing back leave nothing in reserve expend yourself in love give your all.

Son remember how it felt in 2010 when I capture and captivated your heart.

Remember how you were willing to give it all and nothing else mattered and everything paled into insignificance.

I am about to bring you to that place again where you can choose to go to another level if you will let go of the temporal and the meaningless earthy trappings that occupy your time.

There is an epiphany waiting for you to choose love and life will never be the same. Sonship will be unveiled in the glorious light of your rising in gentleness and humility as the miracle worker.

Son you now know how but are you willing to pay the cost to be who you are?

Son your destiny awaits you it is your choice to reconnect your mind and consciousness but the neural pathways to that which you are filling your mind must be broken.

Colossians 1:12 We are grateful to the Father who qualified us to participate in the complete portion of the inheritance of the saints in the light.

(The light of the Gospel reveals what God accomplished to transform the sinner into a saint)

Son it is time for the order of heaven to impact the earth so a new standard a new foundation of truth and experience can bring the transformation needed for the coming new season.

Son call forth the changes necessary to bring about the new order aligned with heaven.

Call forth the alignment with the blueprint that the old has gone and the new has come.

A new level of trust will be required to enable heaven to manifest on the earth. A new reality will be required to create the new order.

Son what do you see?

Father I see contention a mixture of the old ways and the new ways.

- Yes son there is mixture and impurity that needs to be refined and purified.
- Son the fire of purification that only the altar of heaven can facilitate must be embraced.

- Everything must be laid down so that old can be consumed and the new can be revealed.
- Everything means everything the old must go for the new to come it all must be laid on the altar of sacrificial offering.
- Son let the fire reveal the new from the old. Let the flames of purification do their work to consume and refine.

I call for the revealing and removal of the old and the establishing of the new.

New everything from values and ideals to management and methodologies.

I call for the light to shine and expose the old so the new can be seen.

Son employ the ordinances of heaven and bring order to the angelic assignments to both send out and bring in.

Son assign the angelic messengers to take out the good news and bring in the good news.

Son align the circle of the deep for commissioning and culture to usher in the new season where the new mantles and new scrolls will be unveiled.

From human perspective this is an unfathomable maze that traps you in its DIY mental prison of false design and limitations.

Now let me show you true reality.

Son come and walk with Me. We walk in a place so bright that I could not see.

Son this is the place of true reality this is the brightness of your rising.

Son you can't see because you still have vestigial memory of who you were from the earthly perspective of the distorted image that religion has made me to be.

The brightness increases in intensity and the maze fades into nothingness and a blank canvas appears and I can see the freedom of true sonship as cosmic

painters of a new reality free from constraints and limitations possessing the creative ability of love's essence.

The amazing beauty of free expression to be I am's perfectly restored image as sons artists of creative expression.

I see the limitlessness of love's possibilities explode in creativity and nonlinearity the beauty of love's expression beyond beyond beyond ever expanding.

I am breathless and wordless but filled with wonder and awe at my restored image of original intent and desire.

I choose life's expression of love for our blueprint that expresses fullness and no limitations in design.

Choose your reality carefully son as this will either limit or free your future expressions.

Son it is time to unveil My true Fatherhood so you can see the full implications of your marriage and full inclusion into the family.

Be bold and walk by faith and not by sight but be righteous in all your dealings with the world.

Now it's the time to trust Me for I will do all I have said and your blueprint will be unveiled in the light of heavens glory and authority.

Trust me and you will see beyond what you can imagine or think.

Son put your full trust in Me do not rely on what you know or have accomplished rely only on the relationship of love between us.

Son choose life and live loved rest in Me and let Me lead you beside the river of life where you can find rest and restoration for your soul.

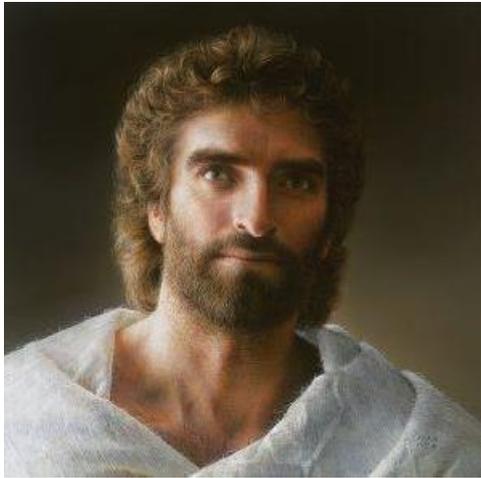

Son drink from the source of life itself and breathe in the sacred breath draw deeply from the wells of your salvation.

Son feel the wonder of love expressed in true life within the union of being included within I am.

- **Son be seated rest in your positions of identity and authority you don't need to strive.**
- **Last year was a wonderful discovery now learn to live loved let love be the central feature of everything.**

Let My love for you and your living in that place of peace restore your soul from the last vestiges of the old mind-sets.

Let My love purge the last distorted thoughts and images from the fabric of your being.
Son the influences of religion run deep within My people and a great revealing must take place that will allow love to conquer all.

Close your eyes and begin to think of Jesus
Ask Jesus to reveal any of the old by revealing truth encounters
Ask Jesus to take you beyond beyond to stretch an challenge you
