

I am going to review some of the things that were key in 2018

I will share my journals that will include:

What God said in 2018

What God did in 2018

What does that mean for 2019?

What heavenly season are we in now?

What has God said for 2019?

What does God want us to do in 2019?

Where does God want us to go in 2019?

Please don't believe anything I say just because I say it

If you resonate within anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

I can only share information about my revelation that has come through my personal encounters and experience

Only by engaging God yourselves can you have revelation not information

We all need to know the truth

Love is the highest governing principle of all creation

Therefore when debating truth and biblical hermeneutics love should still be the highest governing principle in Bible interpretation

Love keeps no record of wrongs; neither should we

God is love. This vital truth must be the rule for all Bible interpretation

Bible interpretation should deepen our appreciation and experience of God's love

Any Bible interpretations that lessen or diminish God as love must be inherently and fundamentally flawed

The use of love as our hermeneutical tool will lead to a deeper understanding of the very nature, essence and character of I am by revealing love as God's intrinsic glory

Making love conditional reveals a critical judgmental quality that makes love based on obedience

Using this truth it is easier to decide which doctrinal truths and theological positions are aligned with God is love and those that are man made deceptions of the religious mind-set

In biblical hermeneutics how the Father's love is interpreted will determine the value of that interpretation

If it is not unconditional love it is not Me

If it is love it is Me and love must be unconditional and otherly, otherwise it is not love at all

Old Covenant vs New Covenant thinking...

Old Covenant - Love the Lord your God with all your heart, with all your soul and with all your mind (Matt 22:37)

This a statement of obligation not loving desire

Loving God is not the greatest thing you can do - that was the greatest commandment UNDER the law.

You will only end up frustrated and condemned trying to love God with all your heart, soul and mind because it's a legalistic approach.

The law was a ministry of death and condemnation. We are under grace NOT the law.

New Covenant - we love because He first loved us (1 Jn 4:19) when we focus on His love for us and grow in our understanding of that, then love for Him will naturally, effortlessly, swell up in us.

The starting point is the love of God for you... out of that love you will be able to love Him, yourself, and others. - Robin Smit

The delusion of still being under the law has kept God's children in bondage

God IS Love... it's His nature, it's who He is. He can't be anything else.

He's NOT part love and part something else.

He is ALL Love for ALL. And EVERYTHING He does flows out of Love.

God is NOT insisting or requiring that you love Him... His love is unconditional.

He loves you regardless of whether you ever love Him back.

That is the basis of grace and mercy: it is unconditionally given

We can only hear what we are willing and ready to hear.

Some are neither because of the real cost of the implications of that message. – Chuck Crisco

What God is revealing about Himself and love is challenging to the old religious mind-sets

As our relationship and intimacy with God as our heavenly Father deepens in face to face innocence and is redefined so will our biblical interpretation, using an unconditional love hermeneutical tool that will be sharpened by this ongoing process of experiential revelation

There is power in testimony to inspire others to pursue God for themselves

My journey to explore, discover and function as a son in the spiritual realms has taken me to places beyond my wildest imagination to do things beyond my wildest dreams

Hence the title for my testimony, [My Journey Beyond Beyond](#)

Releasing my first book which describes my journey will hopefully be a source of inspiration for others to engage God for themselves

Engaging the spiritual realms is both an exploration and an adventure an amazing journey of discovery

Engaging these realms brings both relationship and responsibility

Face to face intimacy with God leads us to discover our positions of heavenly governmental authority

In 2018 my two major focuses were the [Sons Arise! conferences and intensives](#) and “The Restoration of All Things” teaching series ([Engaging God](#) module)

It is a passion of God’s heart for His sons to arise and take their places of identity and authority in the heavenly realms so heaven can manifest on earth

God is also passionately committed to “The restoration of ALL things” and His desire is to reveal us as His manifested sons to answer creation’s groan

Rom 8:21 that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.

As sons of God we have relationship that leads to responsibility

We need to take our heavenly positions, seated and enthroned to legislate the kingdom in heaven to manifest heaven on earth

What is the primary purpose of all the legislation that we do?

What are we looking to accomplish?

The context of legislation should be the restoration of all things back to God’s original desire and intent

We need to embark on a journey to discover the full meaning of the restoration of all things

We need to look at the scope of restoration and the part we all have to play in restoration as sons of God

I believe we are going to see Love overcome the greatest darkness and a new era of Light birthed across the Earth.

The end result there will be no war, no sickness and a restored world. How can we know this? The future is already agreed and when it comes it will change quickly. "I, the Lord, will hasten it in its time." Isaiah 60.22 - Justin Abraham

Acts 3:19 Therefore repent and return, so that the sins may be wiped away, in order that times of refreshing may come from the presence of the Lord; 20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the period of restoration of all things about which God spoke by the mouth of His holy prophets from ancient time.

The real context for restoration is discovered in our sonship

If we are not restored then creation will not be restored

The restoration of all things begins with Jesus working in us now not in a future event of His coming one day in the future

Sons Arise! - There were 3 intensives and 3 conferences which were all really intensive:

[Into the Dark Cloud](#)

[Sons Invested and Enthroned](#)

[Living in Dual Realms](#)

[On Earth as in Heaven](#)

The sons arise mandate is to equip God's children to arise and take their places as sons in heaven and on earth both relationally and responsibly.

Our mandate is to equip the sons of God to manifest heaven on the earth

Each conference and intensive built upon one other so that in the end each person would be able to know more of their eternal identity, position and governmental authority and be able to discover and fulfil their destiny.

The three conferences followed a pattern
Beginning with identity then position and finally purpose
The three intensives turbocharged the conferences for those who wanted to be proactive to
accelerate the process.

Ultimately our mandate and goal is to see the sons of God answering creation's cry, its groaning for
freedom, by taking their multidimensional places in the heavenly realms to establish heaven on
earth through new order Ekklesia and Embassies of heaven.

Through the intimacy of a deeper relationship with the Father we will embrace our destinies as sons
to answer the groan of all creation by revealing the true nature of God and the true essence of love
expressed in our glorious freedom.

Legislation decrees for Sons Arise

I thank you for being lavish, abundantly overflowing with new covenant love, joy, peace, patience, goodness, kindness, gentleness, faithfulness.

We can't be sons without a Father

Sonship is the state of being included in the circle of relationship that is Father, Son and Spirit

Sonship is the state of being reconnected to the true reality of God's original intention for our identity and destiny

Deeper into intimacy with God

Deeper into Father God Himself

Deeper into the Truth - Jesus

Deeper into revelation of Spirit

Higher into the creative light realms

Into creative light, into the heart and mind of God outside of time and space

God is calling His children, His sons, to come out of the wilderness

God is calling His sons to cross over into their supernatural inheritance beyond the veil

God is calling His sons into deeper levels of intimacy

God is calling us to know Him

We can engage the Father in 4 different dimensions

1. Engaging in the earthly physical realm but in the spiritual atmosphere of an open heaven
2. Engaging in our spirit and hearts which are spiritual dimensions
3. Engaging in the heavenly realms - in the Father's garden, throne of grace etc.
4. Engaging in God's heart and mind in eternity, outside of our concepts of time and space, in the nonlinearity of the eternal now

These 4 levels of engagement create a window where eternity, what was before there was can manifest here and now to create what will be so the end and beginning will be in agreement and so history will be aligned with the heart of the Father

Gen 1:1 In the beginning God...

Perfect relationship: Father, Son and Holy Spirit

Love, joy and peace perfectly expressed

Engaging this transformed my experience, understanding and outworking of true love

John 1:1 In the beginning was the Word, and the Word was with God, and the Word was God. 2 He was in the beginning with God.

John 1:1 To go back to the very beginning is to find the Word already present there; face to face with God. The Word is I am; God's eloquence echoes and concludes in him. The Word equals God.

Acts 3:19 Therefore repent and return, so that the sins may be wiped away, in order that times of refreshing may come from the presence of the Lord; 20 and that He may send Jesus, the Christ appointed for you,

All renewal and restoration comes from the presence of the Lord which inevitably brings refreshing

What is the root of refreshing?

Refreshing *anápsysis* – properly, breathe easily (again); hence, refreshing; 'cooling,' or 'reviving with fresh air' " A recovery of breath, a refreshing

Gen 2:7 Then the Lord God formed man of dust from the ground, and breathed into his nostrils the breath of life; and man became a living being

John 20:22 He breathed on them and said to them, "Receive the Holy Spirit.

Restored relationship, identity and conditions for face to face refreshing from the presence of the lord

Restored walking relationship with the Father's presence that is refreshing

Restoration of what was in the beginning on earth but there is more that we are to be restored to

Jesus is not a *window* showing us who we can *become*; He is a *mirror* showing us who we *already are*. - Seth Dahl

Son, it is important that My children know the difference between knowing about Me and being fathered by Me.

Restoring relationship is only the beginning as being fathered is a deeper, more intimate relationship My desire is to share My heart, My thoughts, and to show My children My ways not just My works.

I will include My children in the councils and assemblies of My abode not just reveal My domain when they reach the higher levels of maturity

We need to mature in the Father's love and in our identity as sons which will unveil our positions

My deepest desire is for My children to return to the place of their conception within the recesses of My heart

I desire that they truly know Me and have a deeper revelation of who they are as My sons, heirs and inheritors of all that I have created for them and all that I have created them for.

My sons were conceived to be co-creators not just coheirs as they are all made in our image, endued with the abilities of sonship.

I desire to restore everything including their identity, position, authority, abilities, knowledge, wisdom, relationship and connection to the created order.

Son, I desire to remove the limitations of the finite, the mortal, the nature of your minds and restore the limitlessness of your transcendent and infinite origins.

The restoration of all things is but the beginning not the end and includes your consciousness so that you can continue to expand and not be contained to restoration of what was but be free to be all that you are capable of being.

Son, My mind is limitless and infinite and We designed Our children in Our image to be like Us, relational brings of limitless potential.

We need to fully embrace and experience the reality of this truth

Son, the limited, restricted, finite mortal existence experienced by all My children was never Our intention but was the choice of mankind once it left the tree of life for the DIY tree existence of self limitations.

Son, the possibilities are limitless for restored mind, when body, soul and spirit are in harmony with each other and with the circle of Our loving dance.

Restoration is not just for the external that can be seen but also for all that cannot be seen and all that is within.

The full scope of restoration cannot be grasped by an unrenewed mind but nevertheless the reality still exists beyond beyond beyond the wildest dreams of the most creative minds.

Eyes capable of seeing all wavelengths of light, ears capable of hearing all wavelengths of sound, bodies capable of multidimensional travel and existence, minds capable of creative expression, bodies capable of instantaneous reparation.

Beyond the works of Jesus to the greater works

Jesus walked on water, walked through things, became invisible, created and manipulated matter, knew the thoughts and intentions of people's hearts

Telepathic communication and telekinetic transmutational power, creative thought, translation, bilocation, pre- and post-cognition, time travel: the Father desires to restore all these things and more. Are we willing to go through the process of transformation necessary?

Ultimately our mandate and goal is to see the sons of God answering creation's cry, its groaning for freedom, by taking their multidimensional places in the heavenly realms to establish heaven on earth through new order Ekklesia and Embassies of heaven.
