

I will share my 2018 journals that will include:

What God did and say in 2018

What does that mean for 2019?

What does God want to reveal and unveil to us 2019?

What does God want us to do and where does He want to take us in 2019?

Please don't believe anything I say just because I say it

If you resonate with anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

I can only share information about my revelation that has come through my personal encounters and experience

Only by engaging God yourselves can you have revelation not information

We all need to know the truth

Love is my plumb line for truth and interpreting what God says and the Bible

God said to me "if it is not unconditional love it is not Me

"If it is love, it is Me and love must be unconditional and otherly, otherwise it is not love at all"

In session 3, I shared that God talked about love and love's light multiple times during 2018

God repeats Himself many times until I begin to appreciate the significance and importance of what He is saying

Love and light are intertwined

Isaiah 60:1-3 "Arise, shine; for your light has come, and the glory of the Lord has risen upon you. "For behold, darkness will cover the earth and deep darkness the peoples; But the Lord will rise upon you and His glory will appear upon you. Nations will come to your light, and kings to the brightness of your rising."

When we as sons of God live loved, we will be shining and radiating the light of love

The world will see the manifestation of sonship on the earth and be drawn to God's true nature - love - that we reveal as we demonstrate true love

Gen 1:28 God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule over..."

Blessing was love's empowerment in action to prosper and succeed in fruitfulness and authority to live loved, love living and live loving

Num 6:22 Then the Lord said 23 "Speak to Aaron and to his sons, saying, 'Thus you shall bless the sons of Israel. You shall say to them: 24 The Lord bless you, and keep you; 25 The Lord make His face shine on you, and be gracious to you; 26 The Lord lift up His countenance on you, and give you peace.

God desires through our sonship as royal priests that creation is blessed and is fully represented

Being blessed by God is knowing Him as true love which brings joy and peace to our lives and begins to answer creation's groaning

I have encountered Esther a number of times in 2018

Esther 2:17 The king loved Esther more than all the women, and she found favour and kindness with him more than all the virgins, so that he set the royal crown on her head and made her queen instead of Vashti.

Esther 4:14 talks about being called to the kingdom for a time such as this, called to royalty and favour with the king.

The new of a love relationship must replace and succeed the old DIY self in our lives.

There is preparation of the heart for succession where we surrender the old life under the soul to live from the spirit.

Love is kind; being kind is wanting the best for others

God wants the best for His children so they can become mature sons

Proverbs 3:12 For whom the Lord loves He reproveth, Even as a father corrects the son in whom he delights.

Love trains and corrects to bring the best to and the best from His children

John 13:34 A new commandment I give to you, that you love one another, even as I have loved you, that you also love one another. 35 By this all men will know that you are My disciples, if you have love for one another.

1 John 4:19 We love, because He first loved us.

Love is not conditional; it is not a law that we have to strive to keep

Love is unconditional, a relationship that we experience and demonstrate to others

Rom 5:8 But God demonstrates His own love toward us, in that while we were yet sinners, Christ died for us.

Rom 5:5 and hope does not disappoint, because the love of God has been poured out within our hearts through the Holy Spirit who was given to us.

Matthew 5:43 "You have heard that it was said, 'You shall love your neighbour and hate your enemy.' 44 But I say to you, love your enemies and pray for those who persecute you, 45 so that you may be sons of your Father who is in heaven; for He causes His sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous.

Rom 8:28 And we know that God causes all things to work together for good to those who love God, to those who are called according to His purpose.

Rom 13:10 Love does no wrong to a neighbour; therefore love is the fulfilment of the law.

Gal 5:14 For the whole Law is fulfilled in one word, in the statement, "You shall love your neighbour as yourself."

How? We live loved by God

We are not under the law that makes love conditional on obedience and says "love with all your heart, mind strength... or else!"

Eph 1:4 just as He chose us in Him before the foundation of the world, that we would be holy and blameless before Him. In love 5 He predestined us to adoption as sons through Jesus Christ to Himself, according to the kind intention of His will,

Gal 5:22 But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, 23 gentleness, self-control; against such things there is no law.

Foundation of God's nature is love, joy and peace that reveal His patience, kindness, goodness etc.

Eph 3:17 so that Christ may dwell in your hearts through faith; and that you, being rooted and grounded in love, 18 may be able to comprehend with all the saints what is the breadth and length and height and depth, 19 and to know the love of Christ which surpasses knowledge, that you may be filled up to all the fullness of God.

Eph 2:4 But God, being rich in mercy, because of His great love with which He loved us,

Eph 5:2 and walk in love, just as Christ also loved you and gave Himself up for us, an offering and a sacrifice to God as a fragrant aroma.

Walking in love is radiating light

Eph 4:16 from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love.

Col 3:14 Beyond all these things put on love, which is the perfect bond of unity.

2 Thes 3:5 May the Lord direct your hearts into the love of God and into the steadfastness of Christ.

Titus 3:4 But when the kindness of God our Saviour and His love for mankind appeared, 5 He saved us, not on the basis of deeds which we have done in righteousness, but according to His mercy,

Unconditional love not based on our performance

1 John 4:7 Beloved, let us love one another, for love is from God; and everyone who loves is born of God and knows God.

1 John 4:8 The one who does not love does not know God, for God is love.

Love is the key to abundant life

1 John 4:16 We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him. 17 By this, love is perfected with us...

1 John 4:18 There is no fear in love; but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love. 19 We love, because He first loved us.

Rev 2:4 But I have this against you, that you have left your first love.

Rev 3:19 Those whom I love, I reprove and discipline; therefore be zealous and repent.

Repent - change of mind to agree with God about Him, us and creation

Our loving heavenly Father is wooing us into a deeper, more intimate love relationship with Him

When we live loved it challenges the false religious beliefs about God's nature that have come from conditional, non-relational, law- based love promoted by religion

I call for the revealing of the truth of love through angelic visitations, dreams of Jesus, Holy Spirit convictions, hope as a new sound frequency of love resonating and released through the sons of God as gateways of heaven's hope into the world and beyond.

I call for the opening of the everlasting doors over our blueprint area and for preparation drips and drops of the river of life to touch people's lives with the deep love encounters of face to face intimacy

I call for Jesus to be lifted up so that the way, truth and life can be seen as the light of the good news of love that will penetrate the darkness of the hardest hearts.

I assign angels to engage with the future ambassadors of people groups with powerful demonstrations of love.

I call for the release of smart bombs of love that will dissolve away all the opposition, lies, deception, false doctrine, false theology, veiling and stopping people from seeing the true Jesus and experiencing true unconditional love

I call for manifestations of true love, joy, peace to engage the seekers after truth and for those who are presently atheists to meet with the truth in life-changing encounters of love's light

Sonship is the state of being actively and intimately engaged with the Father's heart in love  
Living in a love relationship and loving what the Father loves by taking our positions of authority and responsibility towards the creation.  
Live loved, love living and live loving.

Motivated by the heart of the Father's love in the eternal now to legislate in what is (the 4 faces of God ) to create what will be by aligning the end with the beginning. Love's light shining, drawing the creation to Himself through our sonship

Son, I trust you with who I am to be My representative for the possibilities of restored sonship where living loved, loving living and living loving is the true reality of knowing My Fatherhood.

Son, call for My sons to arise and be relationally responsible once again, to rediscover who they truly are.  
Son, connect to creation's groan, feel the loss and the separation between mankind and its position of sonship within the created order.

All subsequent fragmentation is but a symptom of the original decision to create another pathway.  
The message of reconciliation is the power of true love: hope being restored by My reconciliation of the cosmos to Myself through the cross.

When I, in Christ, along with Spirit answered My children's cry of separation by substituting ourselves in their death we also opened the possibility that all can come into the circle of love which is our relationship through the resurrection.

Son, there is the longing deep within even the darkest soul to seek the answers that are found only within love's eternal memory.

Son, if you can live loved and encourage the Joshua Generation as sons to live loved then those who are lost in fragmentation will be drawn to the true Me who you are revealing

The world needs to see true love and those who truly live loved are the only real ambassadors.

Son, to live loved is to live trusting My faithfulness within the security of the relationship circle which is Me - I am

Christ in you is the hope of glory but you in Christ is the essence of the restored identity of inclusion.

Son, the fragmented soul is trying to find love through all the DIY tree trades when I am is but an encounter away.

Son, help remove the veils of darkness and deception so all My children can see and know the light of love

The river of fire flowing from the blazing fire of the throne of the Ancient of Days is a representation of love in kingdom authority to bring purification and refining

The firestones represent the 9 steps of ascension to be seated by the right hand of Jesus next to the Father.

The way is the way of fire and the fiery sword shows the way to the tree of life.

I am is a consuming fire of love

I am is love and the fire is true love demonstrated.

We all face fire, willingly or not. The judgment seat is fire to purify our scrolls and realign our destiny.

Our scroll is constantly being updated in the now of God's heart relationally to enable us to fulfil our role in the restoration and fulfilment of all things that have been spoken.

There is fire in His eyes and a sword in His mouth: what He sees will be judged by fire

The river of fire and the river of life both flow from the throne of God.

There are multiple thrones representing different kingdom functions.

Fire and living water are both expressions of God's heart, grace mercy, love, character and nature. They don't indicate the old and new or the two-faced God.

Baptism in water occurs this side of the veil and baptism in fire occurs the other side of the veil

God's love is the same as God's jealousy and God's anger and God's wrath are the passion and love that burns against everything that is keeping His children in the lostness of the DIY tree pathway

You are authorised by the ministry and calling of reconciliation to restore relationship with God who is Father, Son and Spirit in perfect union.

You are authorised to administer reconciliation by releasing the sound of deep calling to deep to reach and touch the most fragmented and fractured parts of creation

You are authorised to speak the word of reconciliation with a force able to penetrate every prison or hiding place

You are authorised to release a frequency of love to engage the deepest traumas with the hope of the very essence of peace

You are authorised to cross all barriers and boundaries that divide and separate to reconcile, reintegrate and restore all divisions, dichotomies and fragmented parts into peace and wholeness

You are authorised to issue the challenge of love's essence that will call to attention the spirits of all who are lost and perishing in the captivity of traumas' prisons

You are authorised to shine the light of love into the deepest, darkest recesses of fractured souls to reveal love's essential message of wholeness

You are authorised to call for the gathering angels to carry this message of reconciliation, integration and wholeness across all barriers, partitions, boundaries and trans-dimensional matrixes.

You are authorised to use every method including sound, light, fragrance, frequency, words, music, touch, emotion and tears that carry the original intent of God's eternal desire for I am oneness

You are authorised to be repairers of the breaches, rebuilders of the ruins, restorers of broken dwellings, re-layers of damaged foundations

I release the sound of heaven to draw seekers to the true light of the truth.

I call for the smart bombs of light and love to be laser guided by the hunter-gatherer angels to the Sauls of the cults, new age gurus, occult witches and warlocks, Imams, religious leaders and clerics.

I call for a campaign of love to be waged to reveal the true light: dreams, visions encounters with the truth.

Son, whole races and people groups are held in deception's captivity.

I have been calling you to seek My heart of love for all that crosses all barriers and boundaries of space time.

Son, there is truly no place that My love cannot reach if you are willing to be a willing expression of love's light to those in the darkness of captivity and deception.

Son, you will need to be a forerunner and raise others up to be ambassadors of love to other races and dimensions.

Son, are you willing to risk it all to go beyond beyond with My heart's message and desire for reconciliation and restoration? Yes

Son, this is love's agenda where all things of the created order will be returned to relational connectedness within My unity.

Son, no one who becomes intimately acquainted with the thoughts and intentions of love revealed through knowing Me could fail to see their destiny within the desires of My heart.

I created all things to relate together: unique and individual, yet only fully complete when in the harmonious union of the whole.

The removal of all fragmentation, fracturedness and brokenness to restore wholeness is the ultimate goal of restoration.

I am continually working all things together for good to facilitate restored wholeness.  
It was My desire it is My desire and will continue to be My desire to restore wholeness, that there will never be an end to increasing peace throughout My expanding kingdom.

The process of restoration is not fixed or fatalistic but is fluid and flexible because the participation of My children who need to mature to sonship is required.

As I stood within the heart of God I began to sense a different essence and fragrance of love.  
A joyous expectancy of parents awaiting their children's big day performed on the world's stage.

I just began to catch that truth within the conversation of I am and my countenance began to change from knowing love to feeling joy within total peace.

I treat all My children equally in regards to My love as they are all special to Me, the apples of My eye, the treasure of My heart, but I have made each one unique and one of a kind.

I long for My children to return to the place of their conception within the recesses of My heart so that they can truly know Me and have a deeper revelation of who they are as My sons, heirs and inheritors of all that I have created for them and all that I have created them for.

My sons were conceived to be co-creators not just coheirs as they are all made in our image endowed with the abilities of sonship.

I desire to restore everything including their identity, position, authority, abilities, knowledge, wisdom, relationship and connection to the created order.

Son, listen carefully to the rhythm of My heart: do you hear it? Do you feel it?

I felt love, joy and peace and I felt secure, safe, comforted and behind all that I felt the desire of Your heart the passion and zeal for the destinies of all Your children.

I felt the beat layered under the beat that builds this feeling of rest within purpose.

I felt the confidence of God's rule and reign of love within the relationship of union of Father, Son and Spirit

Son, align the rhythm of your life to be in time with our rest and let your confidence and surety begin to manifest through all that you do.

Son, never be driven by the circumstances and situations that you find yourself in.

Respond or ignore from the rest of relationship within the 'I am' of the tree of life, not from the fear of the 'I am not' tree system.

Son, do you hear it now? 'I am that I am that I am' is the sound within the rhythm of My heart.

Son, harmonise with the sound of My heart: 'I am that I am that I am – I am that I am that I am' – 'to be, to be, to be – to be, to be, to be'

'I am empowers me to be – I am empowers me to be – 'I am empowers me to be'

The Father is a loving parent who will never force His children to do anything but He is patient, tolerant, kind and is waiting with joyful anticipation for their return to sonship

The Father has a love for all His children that will never end, will never fail and will never give up and He will never be separated from His children

The Father is passionate about all His children and is patiently working and waiting for all of them to return to an intimate loving relationship with Him

The Father so loves all His children that He is constantly enabling all our choices and decisions, even the worst and most stupid of them, to produce something good and be woven into the fulfilment of His hearts desire.

The Father is my Dad and is always available, is never too busy for Me, never leaves me, always wants the best for me, is always interested in me, always welcomes me into His open arms of love.

My loving Dad is the most wonderful faithful, trustworthy, patient, kind, good, joyful, peaceful, fun loving, awesome Father who is always sharing His heart and thoughts with me – and He is your Dad too.

Son, see from this place of rest empowered by My presence sitting on My right hand.  
Here is where you use your legislation effectively with the sceptre of your government.  
See the intent and desire of My heart in manifest vision.

I began to see the clouds of the atmosphere clear and then the light of heaven began radiating from the embassy of heaven that is established on earth.

I saw the light of people's destiny shining with activity abundance and overflow.

I saw love as an atmosphere of fragrant radiance with wellness, wellbeing, peace, wholeness, unity, oneness.

I saw restoration of all things in action, fuelling the city with light energy.

I saw the vibrational energy of heaven's life resonating with the glorious convergence of heaven and earth.

I saw a dome of energy extending around the spiritual atmospheres where the principalities, powers and rulers are enthroned and administrating heaven's government into the earth.

He is calling the sons of God to arise. Are you going to respond? ([Facebook post](#))
