

I will share my 2018 journals sequentially that will include:

What God said and did in 2018

What does that mean for 2019?

What does God want to reveal and unveil to us 2019?

What does God want us to do and where does He want to take us in 2019?

Please don't believe anything I say just because I say it

If you resonate with anything I say in your spirit or if you object strongly to anything I share take it back to God and openly ask Him to give you direct revelation

I can only share information about my revelation that has come through my personal encounters and experience

Only by engaging God yourselves can you have revelation not information

We all need to know the truth

Love is my plumb line for truth

God said to me "If it is not unconditional love, it is not Me.

"If it is love, it is Me; and love must be unconditional and otherly, otherwise it is not love at all"

Don't tell people how lost they are

Show them how loved they are!

I met Esther, one of the cloud of witnesses, a number of times during 2018

When one of the cloud of witnesses engages with us it is usually with a purpose or on an assignment from God.

Esther 2:17 The king loved Esther more than all the women, and she found favour and kindness with him more than all the virgins, so that he set the royal crown on her head

Esther 4:14 And who knows whether you have not attained royalty or come to the kingdom for such a time as this?"

We are all called as royalty to the kingdom for a time such as this, with the favour of king on us but there needs to be a surrender, a succession of the old DIY life

The sons of God are called for this time to mature and engage in kingship

Esther came and visited us earlier this year to remind us that we are all called for a time such as this

We are all significant in God's heart relationally and He desires our involvement in the restoration of all things

I sought Esther out and talked with her in heaven. This is what she said:

"I was unprepared, despite all the attention of the court. It was not until I was placed in the position to step out into my destiny in God that I truly discovered who I was within God's kingdom and what I was capable of.

“No one will ever be ready until they are in the position that will test their hearts and motives and the levels of trust they will need.

“Allowing people to try, fail and try again is what God has done with you, so release the same grace to others.

“I did not see the process as something to be desired or wanted; neither did I think of it as being a good thing.

“The outcome was not what I was expecting. Many people don't recognise their own destiny until they are in the midst of it.”

Following this conversation with Esther, the Father said:

Son, use the environment of Sons Arise and the Engaging God program teachings to accelerate the processes of My children being prepared for their sonship positions.

Let Me call people beyond their present expectations and take them out of the comfort of their boats into the uncharted waters where they will learn to swim without aids.

I will stretch My children beyond if you will provide the environment where they are safe to explore.

Esther went through a process of purification to prepare her to engage the king

Jesus has already made us righteous therefore worthy to access the King

Our process enables us to experience know and believe that we are worthy

Do we believe it or do we still believe the lies that make us less than?

Song of Solomon 8:6-7 “Put me like a seal over your heart, Like a seal on your arm. For love is as strong as death, Jealousy is as severe as Sheol; Its flashes are flashes of fire, The very flame of the Lord. Many waters cannot quench love, Nor will rivers overflow it; If a man were to give all the riches of his house for love, It would be utterly despised.”

Isaiah 60:1-3 “Arise, shine; for your light has come, And the glory of the Lord has risen upon you. For behold, darkness will cover the earth And deep darkness the peoples; But the Lord will rise upon you And His glory will appear upon you. Nations will come to your light, And kings to the brightness of your rising.”

Matthew 5:43 “You have heard that it was said, ‘You shall love your neighbour and hate your enemy.’ 44 But I say to you, love your enemies and pray for those who persecute you, 45 so that you may be sons of your Father who is in heaven; for He causes His sun to rise on the evil and the good, and sends rain on the righteous and the unrighteous.”

John 13:34 “A new commandment I give to you, that you love one another, even as I have loved you, that you also love one another. 35 By this all men will know that you are My disciples, if you have love for one another.”

John 15:12 “This is My commandment, that you love one another, just as I have loved you.”

1 John 4:11 Beloved, if God so loved us, we also ought to love one another. 12 No one has seen God at any time;
if we love one another, God abides in us, and His love is perfected in us.

1 John 4:16 We have come to know and have believed the love which God has for us. God is love, and the one who abides in love abides in God, and God abides in him. 18 There is no fear in love; but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love. 19 We love, because He first loved us.

Son, seek for the strategy that will take possession of the spheres in the three areas: kingdom of God, the earth and then the atmosphere.

Engage the true assigned principalities, powers and rulers and build a working relationship with them for cooperation.

Form the arc between heaven and earth; expand your tent pegs, then clear the atmosphere by pushing it out.

Begin to sequentially clear the everlasting doors of any kings and giants and then open them sequentially when you have taken the ground and a *Castra Pona* is formed.

Son, there will be grace to begin this process next year but you must prepare the strategy in readiness.

Focus on equipping both in materials and in practice.

Begin engaging the heavenlies with the angelic realm, then focus on exploring the atmosphere to build up a profile.

What are principalities, powers and rulers?

How do they function?

Through whom do they function?

What is their strategy?

Are there also earthly spiritual high places?

What are the prevailing cultural influences that create our beliefs?

Some are religious, governmental, judicial, social, medical, personal trauma and coping mechanisms

Develop a new strategy to change the culture and affect the affairs of your spheres of authority

Equip My sons to be gateways of heaven into their spheres in grace and then see the river of life poured out.

There will be greater grace and grace upon grace to prepare for mercy to be released into the earth in unprecedented measure with unprecedented harvest results.

My judgment has brought about the end of the old Moses order governmentally

The justice that is currently being administered is the removal of the Moses Mantle to end the mediatorial governmental systems of men

Justice is the beginning of the new order, the Joshua Mantle, which operates by empowering, releasing and encouraging intimacy, discipleship and sonship in My children
All spiritual government on earth must be a reflection of heaven and be foundational for Us to recognise it

Grace releases Joseph Mantles to create storehouses to receive the billion fold harvest of harvesters
Mercy releases the Jesus Mantle for the final harvest
The mountain of the house of the Lord rising up through Embassies of Heaven expanding and colonising as the kingdom and glory fill the earth

I call for the angelic protection around our spheres of government that none can penetrate but that all who are being drawn to heaven's sound and frequency will see as the light of love shining brightly.

I call for the angels of FAR to prepare for the book to reach people and places to open doors that will unveil their open heaven inheritance and call people out of the wilderness into the promise land of their destiny.

I call for the light of love to shine as a beacon in the darkness of our area to open blinded eyes to the light of truth.
I call for the light to shine with the wavelengths of colour that will be a beacon of hope to the lost, hopeless, broken and fragmented.

I call for love's light to burn brightly with the heat of transformation; to release those in the prisons and bondages of addiction, self-harm, mental torment and lost identity.

I call for the light of love to shine into the religious systems of man and draw out those who know there must be more than this.

I call for the light of love's true expression to unveil the reality of the true essence of the precepts of God to restore the truth of love's power to never fail, never give up and never separate.

I call for the grace to bring true justice from the verdict that has ended the rule of the Moses generation mediators, where multitudes will gather in valleys of decision, where the truth will be unveiled.

I call for grace within justice to reveal the truth to a generation lost in the wilderness of religious constructs that have covered them with the restrictions and limitations of doctrines and theological lies, half-truths and deception.

I call for the sons of God to arise out of the slumber of religious sleep to take their places in identity, position and authority within heaven and on earth.

I call for love's light to explode with revelation truth as love bombs and lightning bolts from heaven to penetrate the veils of deception and the darkness of religious coverings to bring freedom.

I release the cry of the Father's heart for His children to be free and to arise as sons of the living God to answer creation's groaning for full restoration into the freedom and glory of sonship.

Son, you have heard and you have seen the desire of My heart and you have responded to the deep calling to deep.

Now come to a new place of intimacy and allow My love to transfigure you into a forerunner of the age to come.

I am calling those ambassadors of the age to come to take their places within the wheels within wheels of the fabric of the unseen realms that hold all things together in harmony and balance.

Son, rule well and equip others to rule.

Seek for those who would be willing to lay a foundation of government.

Call forth the groups of 10 good people who would be the foundation of the rising of a new order that would be ready for harvest to come.

The mandates and blueprints for storehouses are being prepared to be released out of heaven into the earth

Storehouses with a relational foundation based on love, honour, transparency and openness, able to live in the dual realms of heaven and earth as gateways are being called.

Help establish the blueprints for the new order on this foundation with agreement between heaven and earth through the aligning of the order of Melchizedek kings and priests in heavenly agreement with oracles and legislators agreeing on the earth.

Son, use the sword of the spirit as a son, as you know the plans I have for you and that is your authority to deal with destiny robber.

For each of those who don't know the plans I have for them your corporate authority is diminished.

Continue to encourage people to seek Me to discover their destiny and the plans I have for them. When you are one heart, one mind and one purpose your corporate authority will increase exponentially.

Acts 1:14 These all with one mind were continually devoting themselves to prayer, along with the women, and Mary the mother of Jesus, and with His brothers.

Acts 2:42 They were continually devoting themselves to the apostles' teaching and to fellowship, to the breaking of bread and to prayer.

Acts 2:46 Day by day continuing with one mind in the temple, and breaking bread from house to house, they were taking their meals together with gladness and sincerity of heart...

Acts 4:32 And the congregation of those who believed were of one heart and soul; and not one of them claimed that anything belonging to him was his own, but all things were common property to them.

Where did the lifestyle of the early believers who were called "The Way" come from?
The model of being loved by Jesus during their discipleship with Him.
Jesus demonstrated His relationship of being one with the Father and only doing Father's will

Son, the theme of the power of unity and commanded blessing runs throughout history.
Where two or three agreed there was authority and opportunities and this is still the truth and the key to corporate power and authority.

Where there is one heart, one mind and one purpose I give the authority to bring fulfilment where mandates and blueprints are operating.
Son, when you can find the common ground of agreement together with My heart, will and purpose then nothing will be impossible for you.

Son, embracing fire has always been the key to maturing in sonship.
The fire stones and the river of fire have been an expression of the process of coming deeper into an experience of love that facilitates maturity.

Fire and love are synonymous within the heavenly realms where there is nothing to be feared.
The desire for My children to ascend into mature sons did not begin after the fall but was part of the plan from the beginning.

The fire of My consuming love brings transformation; this was always intended to be a metamorphic process just like the caterpillar and the butterfly or the tadpole and the frog as seen in creation

Mankind was never intended to be just a one dimensional being but to become ascended fathers who would transcend the spiritual and physical with convergence.

The fire is love's expression and was never intended to become something to fear but was always to be the crucible for maturity in glory.

Creation itself thrives in the atmosphere of fiery glory and is groaning for the return of the light of love's glorious sonship.

Son, freedom emanates from fire and glory and that will result in bringing the liberty of sonship to creation itself.

When My sons connect to the fabric of creation in glorious light, love will triumph over darkness and all separation and division will be no more.

Son, it is the fire that produces the heat necessary for transfiguration to take place by breaking the bonds of the old to release the new.

Fire is the birthplace of the new as it consumes the old.

The new covenant heavenly Jerusalem fully came forth from the old earthly Jerusalem in the fires of AD70 when I came in loving judgment.

All the sheep of the old fold are safely within the new fold and are one within the gates of Zion.

The transitioning took place through fire for those who could have embraced the transformation available through the water baptism that was offered and rejected; but love won in the end, as love always overcomes.

Nothing is more powerful to transform than love's consuming fire.

The revelation and experience discovered by working relationally together with others will eventually become the foundations for the new order Ekklesia that will come forth out of the wilderness of the old church functions.

Son, make way and make a way for others to follow.

As you make way others will be able to grow and mature.

Son, open doors for others and more doors will be open for you.

Doors of opportunity are being knocked by many who We are waking up to the possibilities of sonship.

I AM is calling many out of the shadows of others to be the light that will arise and shine in a world and universe where light is absent.

The light of life is the light of love as My children begin to truly live loved the light will arise and be seen.

Love's true light is the only thing that can dispel the darkness of the human heart to reveal all that has been hidden from view.

Love's true light is the only energy bright and powerful enough to radiate a frequency that can raise back to life the star systems and planets left void and empty because of the failure of My sons to ascend in light

The maturity of sons living loved will enlighten the created order as love's true light brings the hope and reality of the restoration of all things.

Love's true light risen and on display is the mountain of the house of the Lord raised up and positioned for all to come to the light of its rising.

True sonship is the only answer for creation's groaning for freedom and love's true light is what true mature sons will radiate in transfigured glory.

Love's true light can only shine from sons whose minds have been renewed to know the truth of their identity, position and authority in heaven and on earth.

Love is the light that needs to shine so that all My children can mature to live loved, love living and live loving.

Living sacrifices, embracing the cross symbolised by the brazen altar within the tabernacle through the veil of the way.

This is the place of entrance, crucifixion, exchange; to trade our lives for His life, old for new.

Whenever we consciously enter with our soul we come through the first level of the fiery sword, the cross, the altar where Jesus took our place and died our death and gave us life.

Exchange or trade takes place as we receive righteousness for sin, health for sickness; exchanging my old life for new resurrection life, sadness for joy, brokenness for peace, rejection for acceptance, futility for purpose, failure for success, barrenness for fruitfulness.

Engaging the mirror of the bronze laver reveals truth for the next level of the fiery sword within the tabernacle as the washing of the living word.

The laver reflects back the state of the soul to reveal skins and external coverings of self, distortions of our image and identity through the lens of the DIY tree.

Who do you think that you are compared to the truth of who He as the living word says you are? What coverings of self righteousness have we prepared for ourselves that are like filthy rags compared to the righteousness of God we are made in Christ?

It is the washing of the living word Jesus that makes us clean, cleansing our consciences from dead works.

Hebrews 9:14 how much more will the blood of Christ, who through the eternal Spirit offered Himself without blemish to God, cleanse your conscience from dead works to serve the living God?

Hebrews 10:19-22 Therefore, brethren, since we have confidence to enter the holy place by the blood of Jesus, by a new and living way which He inaugurated for us through the veil, that is, His flesh, and since we have a great priest over the house of God, let us draw near with a sincere heart in full assurance of faith, having our hearts sprinkled clean from an evil conscience and our bodies washed with pure water.

If we are to fully embrace our sonship and see the kingdom of God manifesting on earth as it is in heaven we need to know our identity and take our positions seated in the heavenly places and use our authority to legislate heaven on the earth.
