

## Module 4 – 09 Courts 3

### Session 09

Pathway of relationship that leads to deeper intimacy with God

- Flowing from inside out - heaven to our gateways of spirit, soul, body to the world around us
- We can access the legal or judicial system of the kingdom of God to keep our gates open

The enemy is a legalist and has to be given permission or have a legal right to be able to operate

- Adam & Eve gave him that initial right
- The only true authority that exists is God's and what He has given to us as His sons
- We can give that authority to the enemy
- To remove the enemy from our gates we need to remove any legal rights

Zech 3:1 Then he showed me Joshua the high priest standing before the angel of the LORD, and Satan standing at his right hand to accuse him. 2 The LORD said to Satan, "The LORD rebuke you, Satan!.. 3 Now Joshua was clothed with filthy garments and standing before the angel. 4 He spoke and said to those who were standing before him, saying, "Remove the filthy garments from him."

- If we are to use the legal system of the court we need to understand the protocols of the court
- We need to understand our legal standing before the court
- We need to know how to stand covered by the blood of Jesus, word of God and the love of God in the new covenant

**We have many testimonies of individuals using court cases – most are too personal to share specifics**

- Examples relating to many different life circumstances
- Blockages to employment being removed
- Blockages to payments in business removed
- Blockages to business opportunities removed
- Conflict in school removed
- Resistance to delivery in business removed
- Resistance to delivery of parcels removed

There are many other examples and testimonies of where a court case has brought changes in our behaviour

We have done many court cases corporately in various groups over the past few years

•We have testimonies of the results of using the verdicts to remove opposition or obstacles

**Process within our Benches of 3, 7 or 12 and our mountains**

- We all step into the court together and we stand under God's covering
- One person usually presents the case and we all hear the accusations
- We step back into this realm share what we individually received and write down the accusations
- We all agree and accept our guilt
- We step back into the court and deal with the accusations
- Initially a more experienced person would represent the group
- Now because everyone is more experienced each person deals with the accusations they heard
- One person usually ties things up and the judgment made and verdict is released

**Examples of corporate engagement**

•Financial blockages within our projects

•We found we were out of alignment with God in certain areas, that we had not been totally righteous in some areas etc.

- We repented received the judgment and the blockages were removed and finances released

### **Court case for sickness**

- A person in the church was in ICU with a life threatening disease
- Bench 12 met to stand on behalf of that person
- We heard the accusations repented and renounced on the persons behalf
- Received and released the judgment
- Claimed healing as justice and made declarations
- We then released that authority to our Health mountain who went into the hospital to pray personally
- I went in the spirit to the ICU and released the verdict and rebuked the spirit of death
- Within 10 days that person was home
- It is important that the person takes responsibility for the accusations themselves to maintain the freedom

### **We can also stand as an individual to identify with a person or an area that we have responsibility for**

- It must either be in one of your spheres of influence or
- You must have a direct mandate or authorisation from God to stand on behalf of someone or something

### **You have to be willing to identify with what or who you are representing**

- Your family member
- Your church
- Your town, city, region, your nation, the government etc.
- Your planet, solar system, your galaxy

Rom 8:16 The Spirit Himself testifies with our spirit that we are children of God, 17 and if children, heirs also, heirs of God and fellow heirs with Christ,

- We are co-heirs of God's kingdom and have His legislative authority

### **What is legislation?**

- Definition - The process of making or enacting laws
- A law or set of laws suggested by a government and made official by a parliament
- The laws are made in different courts but can be used as the basis of preparing court cases for the mobile court

As a Bench of 12 we have been exercising that authority in producing legislation

- We have 4 laws that have been put on the statutes
- Law of Fatherhood and sonship
- Law of Inheritance, Restitution, Recognition

The Bench of 7 can administer those laws to benefit the Ekklesia of people gathered here

- Each of our 7 mountain Benches can administer those laws and use them to make decrees and declarations
- Each person can use those laws as judicial authority to make cases in the courts for justice

When Ian Clayton was here in August 2011 we had rioting and looting in the streets of some of our cities

- He led us in an example of standing in identification for our nation and accepting responsibility for its sin and behaviour
- We received and released the judgment and the rioting stopped within a day

### **Corporate example adapted from the court case in 2011**

Father today by faith in the name of Jesus I take responsibility for the sin of my nation; I stand on behalf of my entire nation; the cities, the towns, the homes, the government.

Today I take responsibility; I stand on behalf of my nation. I confess as sin what I have done and ask you to search me O God, try me and see if there be any wicked way in me where I have sinned against you, trespassed your laws through sin, iniquity and blatant arrogance

Father by faith I confess that I have sinned so judge me, judge my inner parts, and forgive me, and now as a priest I stand under the covering of your word, the tabernacle of the testimony of Your word and allow you to judge me

I stand as a representative of my nation, and in the name of Jesus I allow you to judge me under the blood of Jesus Christ whose life was given for me according to the testimony of the cross , and now as you have judged me

By faith I take the blood of that government and I stand it over those towns and cities that need the judgment of God, into the demonic world that is motivating sin in my nation

Today I extend this rod (word of God) of the judgement of God over this town and my nation, over the demonic spirits that have access into the hearts of men and women, and as I have judged myself according to your word,

I release the judgements of God to the demonic world that operates in this area in the name of Jesus Christ I open the everlasting doors that the King of Glory might come in; that the kingdom of God will flow into my community and nation

I call forth the destinies long stolen and hijacked by the demonic realm and I bind people to the will and desire of heaven; to their heavenly calling and destiny and loose them from the ties of the demonic realm, from sin, from deception, from pride, from fear, from arrogance, from complacency, from religious spirits, from disobedience

from apathy, from hopelessness, from witchcraft, from freemasonry, from addiction, from sickness, from poverty, I stand in the gap for my nation and my community as a bouboundary stone wielding my authority as a Royal Priest and son of God.

Last week we looked at building a case for healing using the basis of the nature of God as our healer

- The word of God regarding Jesus taking our sickness to the cross and overcoming it
- Health being our inheritance as children of God

We also need to look at other factors when dealing with sickness in the courts.

- Sin, generational sin and iniquity, curses, blood covenants made in freemasonry,
- Hereditary factors triggers and switches in our DNA

Abusing our own bodies through our lifestyles

- Using external material things that try to meet are unmet needs, unhealed hurts
- Use food, alcohol, drugs or even adrenalin as coping mechanisms or rewards or pain blockers

### **Example courtroom procedure and prayer for healing of physical conditions or sickness**

- Make a list of all the issues in your body.
- By faith, step through the veil and present yourself in the court before the presence of the Lord.
- Call the Court into session:

Father, thank You that, as heirs of your kingdom, You have given us the right to present ourselves before You  
You have made us kings and priests and have given us the ability to operate the judicial process of heaven

Today, by faith, in the name of Jesus, I enter into Your realm. Father, I ask for the mobile court of heaven to come into session right now so that it would begin to engage the atmosphere here today.

Father, today, by faith I enter Your court. I ask that my mind and body be given the right of accusation against me (as a spirit and soul being)  
In any way that I've subjected it to abuse that has created infirmities within this body that carries me spirit and soul. Today Father, by faith, I bring myself under the covering of Jesus and His blood.

As I confess both my sin and the accusations of my body against me, I ask Father that You judge me through the new covenant to break the yoke of infirmities that I have allowed to come around my physical body.

So Father, today by faith, I state my list: ...

- Read out loud the list of infirmities in your body or in your family line
- I give my mind and body the right to accuse me today, to have a voice in court.
- I call for any spirits of infirmity to accuse me today
- I will not justify my behaviour, but I will confess it as my sin.

Listen to hear the accusations

Father, today I say to the accusations that have come into court, "Yes, I have sinned."

I confess my sin to You Father. I acknowledge the accusations of my mind and body and other spirits against me.

I accept that they have given Satan legal access to engage me and to bring infirmity, sickness and diseases into my body Your temple.

I ask my body's forgiveness for subjecting it to abuse or excess

Lord, I ask You, by faith, to release my mind and body now.  
I forgive myself for what I have chosen to do in abusing my body.  
I forgive anyone in my family line that opened the door to generation sickness or negative epigenetic factors in my DNA

I repent on behalf of my generations and acknowledge the sin and renounce it  
Lord, by faith, in the name of Jesus, I ask that all of these accusations be judged through the cross and the blood of Jesus, as I hide myself under your coverings

As You judge me Father, I ask that You judge these infirmities, where I have given the enemy right of access and power within my body.  
Jesus, thank You, that You engage my physical form to bring it into health and wholeness so that I can be able to bear the full record of Your DNA.

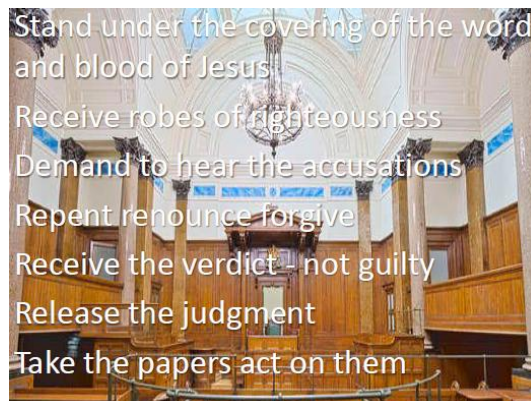

Thank you Father that You begin to engage my mind and body; that You, Holy Spirit, begin to brood over my mind and body and bring it into divine order.  
I ask that angels be sent into the Body Parts Room and bring to me here on earth all I need for my body; that my mind and body would come into line with You and I will walk in divine health.

Jesus, today, I lift my mind and body to You as I honor and value it  
Lord, I thank You for adjudicating papers of deliverance of healing and restoration to my physical form that there is immediate action taken to restore everything to godly order

Father, I ask that You sign off on this now, that it be recorded in Heaven and Your word would speak healing to my body, because it is written: "By His stripes we are healed," in the name of Jesus.

Father, I thank You for giving me the right to come before Your throne of grace to receive mercy in my time of need. I honour the governmental seat of Your person today and, by faith I choose to accept and receive your heavenly authority

I step back into the physical realm bringing with me the complete legislation for restoration for my body on the earth.  
I administrate into the very core of my DNA the supply of all that is needed to restore my mind & body
