

## Module 4 – 22 Ketubah 4

### Session 22

Pathway of relationship that leads to deeper intimacy with God

•Flowing from inside out - heaven to our gateways of spirit, soul, body to the world around us

→ **There are depths of relationship on this pathway yet to discover**

God does not choose us on the basis of our good works, our past performance or history but actually in spite of it

Rom 5:10 For if while we were enemies we were reconciled to God through the death of His Son, much more, having been reconciled, we shall be saved by His life.

1 Cor 1:27 but God has chosen the foolish things of the world to shame the wise, and God has chosen the weak things of the world to shame the things which are strong, 28 and the base things of the world and the despised God has chosen, the things that are not, so that He may nullify the things that are, 29 so that no man may boast before God.

### God's desire is a marriage relationship with us

- A Ketubah is a marriage contract made under a huppah or covering cloud
- Jesus went to the cross to prepare a place for us, a marriage chamber in us
- He was resurrected and came back for us so we could have a wedding.

### To make a Ketubah we need to understand God's promises and purpose

- The new covenant becomes the basis of our Ketubah
- Ketubah needs to be made in light of our destiny scroll that was formed in God's heart and agreed with our spirit in eternity

Psa 139:16 Your eyes have seen my unformed substance; And in Your book were all written The days that were ordained for me, When as yet there was not one of them.

•Psa 139:17 How precious also are Your thoughts to me, O God! How vast is the sum of them!

- The more we engage God in intimacy the more of the vast sum of His thoughts about us get revealed
- We find our true identity and progressive revelation of our blueprint scroll for our lives

### **We can also produce our Ketubah from that context**

Ketubah is about our expectations of our relationship with God and our destiny and purpose within that relationship.

- In relationship we seek first His kingdom in righteousness, which means out of our first love for Him, and then all God's promises become available to us.
- We are in Him and in His name

Gen 1:28 God blessed them; and God said to them, **“Be fruitful and multiply, and fill the earth, and subdue it; and rule**

- This mandate forms the basis of our expectations
  - We are blessed by God so we can expect Him to empower us to succeed and prosper to the highest level
- The Ketubah becomes the basis of our covenant exchange or trading.
- We trust Him by surrendering to our destiny and He provides, protects, empowers and us blesses us to prosper and succeed to the highest level.

### **What do we put in our Ketubah?**

- Everything that will bring the fulfilment of our eternal destiny
- The expectation of the availability of all the resources necessary to enable us to fulfil God's purpose
- It then becomes the foundational truth and reality from which we live
- We can frame our lives in accordance with it

My expectation is that if I seek first His kingdom in righteousness (love being the motive of my heart) He will provide, protect, empower and direct my life  
 My Ketubah enables me to frame my life from my blueprint and every daily mandate I receive

Heb 11:6 And without faith it is impossible to please Him, for he who comes to God must believe that He is and that He is a rewarder of those who seek Him.

Heb 11:1 Now faith is the assurance or substance of things hoped for, the conviction of things not seen.

### **Gen 1:28 mandate is my basic foundation**

- I frame my life according to God's mandate and purpose to bless and empower me to prosper and succeed to be fruitful, multiply and increase to be an overcomer to subdue and rule.
- To rule with provision, protection, power, direction and health to fulfil my full destiny.

We need to use our Ketubah to frame our lives

- To form the boundaries of our reality

- What we believe gives us our frame of reference
- We can create our daily reality by framing it with our thoughts and words

- I frame each day to succeed with the favour and blessing of God around me.
- I am in full faith for all I need to fulfil my mandated purpose
- Time is framed to contract and expand around me to enable me to complete the work God has assigned me.
- I am never too busy to do all that He desires to do through me.
- I have all the resources necessary available to me to enable me to subdue, solve and overcome every obstacle and hindrance the enemy seeks to put in my way.
- I frame my day and my night so that I have all the rest my soul and body needs whilst my spirit is active in the heavenly realms.
- I am continually connected to heavens creative light source that operates at a speed faster than created light.
- Everything is therefore always available first or before in heaven
- Therefore I am able to have everything that I am going to need ready and waiting whenever I need it.
- So as a gateway of heaven on the earth it can flow through me
- 7 spirits of God are actively releasing wisdom, knowledge, understanding, council, strength and authority from a high and superior realm into my life.

- I am not subject to circumstances
- I am the head and not the tail circumstances change to enable me to live in rest and peace and fulfil my daily mandates from God.
- As I seek first His kingdom in righteousness I have a full expectation that He will add all that I need.
- I AM THAT I AM lives in me enabling me to succeed from the perspective of God's heart in eternity.
- As I engage what was and align myself in what is, I will create what will be and be a history maker to make the beginning and end align to complete the circle of the ancient pathway.
- I am all I need to be and possess all I need to have to be blessed and prosperous
- So that at all times in all circumstances I will have all grace, God's divine enabling power
- To meet all my needs and enable me to do all the God works prepared for me to bring glory and honour to God.
- I have a full expectation of succeeding each day as my day is subject to my rule and it is not left to chance.
- I align my life with my scroll of destiny and not my generational history by being a living sacrifice.
- I will be fulfilled, satisfied, content and filled with love, joy and peace.
- I live according to my eternal identity and fully embrace my destiny in God's kingdom.
- I am the answer to creations groan as a manifested son of God.
- I expect Jesus as my high priest after the order of Melchizedek to prepare me to serve Him as I as yield and surrender to His perfect will for my life each day.
- I accept the responsibility of sonship and my roles within His heavenly and earthly kingdom.
- He is my head and I accept the responsibility of His government upon my shoulders
- I daily decree and declare here I am send me.
- I open my heart to God daily that He would write on the tablets of my heart and unveil and reveal His will for me.
- So that the desires of my heart would be aligned with His desires and so direct guide and draw me towards my destiny each day.
- I stand daily in Gods heart in eternity that my spirit will be programmed by His thoughts about me.
- I stand in eternity where there is no sin to filter the light of truth that becomes my true reality
- I have the revelation of His will and purpose encoded in creative light
- I am in the light matrix of His creative thoughts and words that is the true fabric and essence of who I am
