

Vision Destiny 2022 – Session Three

I am going to review some of the things that were key in 2021

I will share my journals that will include:

What God said in 2021

What God did in 2021

What does that mean for 2022?

Key themes 2021

- Realm of light
- Unconditional love, limitless grace and triumphant mercy.
- Exposing the great deception of the DIY tree path.
- Time.

18th January 2021

I engaged the earth shield, connected by the light of truth.

I call for the light of truth to shine brightly to penetrate the darkness of deception in following the religious and political spirit agendas.

I call for the light of truth to reveal the true reality behind the deception of QAnon and the political conspiracy theories keeping them in denial.

I call for the light of truth to free the minds of God's children who are deceived into following the lies of DIY religion through lost identity.

I call for the light of truth to expose the Luciferian agenda of division, competition, conflict and tribalism that is behind the religious and political spirit.

I call for the light of truth to free those trapped in futurist escapist eschatology and millennial Zionism.

I call for a global awakening to love and revealing of the lovingkindness of the new covenant.

I call for an awakening of lost identity to new creational reality and inclusion.

I call for peace to rest over the earth as a suppressive blanket to fear and anger.

I call for the light of truth to reveal the truth of the passion of God's heart for the restoration of all things.

Son, the truth is being revealed for those seeking and willing to look but those who lean to their own understanding will remain in darkness.

A time is coming when the light of truth will penetrate all darkness; this time will be the rising and shining of the sons of God who know Us face to face.

Only face to face knowledge of the Truth will be powerful enough to free Our children from the deception of self-delusion they are living in.

Son, encourage Our children to seek first the kingdom in the righteousness of their true identity as sons and engage Us face to face.

Encourage all pursuing the government of sonship to rest in the realm of light to learn to be.

Vision Destiny 2022 – Session Three

The revelation of being is the key to living loved in the yoke of rest, to learn to be gentle and humble in heart to discover true identity.

Living and dwelling in the realm of light in perfection is the only thing that can reveal the truth, to expose the lies of the great deception that keeps creation in bondage to corruption.

Son, there will be a series of revelations that will shake and rock the foundations that most of Our children stand upon and the future will become very uncertain for those who do not know the Truth by experience.

The second-hand information of religion will not satisfy when those foundations are shaken and many will begin to seek for the truth as their deluded realities are shaken.

Only an awakening to love will enable this transition to be peaceful in the times of great uncertainties that are ahead.

Only when all hope in the DIY tree path is rejected will Our children seek and find the truth, so the system will continue to be shaken until all are following the path of the tree of life.

Son, be an oracle of truth in the times of great uncertainty ahead by being in the state of rest found only in face to face abiding within Us.

19th January 2021

Son, come walk with Me.

We were in a larger complex crystalline structure where light was reflecting and bouncing around internally as if it was a living thing.

I was amazed and overawed with its beauty and complexity as the colours of the light were constantly changing in intensity as well as speed and rhythm.

I saw that it was connected externally to threads of light of unfathomable numbers but each was pulsating with energy.

I thought to myself “what is this place?”, then Father answered.

This is the fabric of what the Bible describes as the mind of Christ.

It is not Jesus' mind as some think but Our living creative thoughts that connect with all of creation that produces the frequency of oneness and harmony.

Son, this is the connection where all who are joined to Us can be one spirit with oneness, a union of heart, mind and purpose.

This is the nexus point for all things and this is where the restoration of all things is coordinated with Our desire and intention.

I thought, again to myself, but that was no barrier to the Father, who answered my question the moment I formed it.

I was thinking “how is this connected to the creative process I had been shown previously, i.e. the Cradle of Life, Chamber of Destiny, Chamber of Creation?”

Vision Destiny 2022 – Session Three

Son, this coordinates the whole process, as the realms of heaven all exist within the light of Our thoughts.

All existence is but a moment and what you see is, in your parlance, a complex holographic projection whose form is contributed by all.

That does not make it any less real of course and as more are reconnected and restored, Our true intention will begin to be shaped by all whose consciousness is expanded.

As I pondered the implications of what I was seeing and hearing, I became aware that my thoughts were light and colour.

My creative thoughts were connected and active here?

Wow! Even the concept was amazing.

“Yes, son, even some of your thoughts are connected creatively here”, the Father said, rather sarcastically but with the warmth of love that I was accustomed to.

Although I could not see His face I knew He was smiling.

I began to focus my desire and my creative thoughts on restoration and it was as if there was an amazing light show in this one small area but other connected areas also became active.

Son, this is not a place you can dwell in but We wanted you to know that you are not alone but connected to others through the Merkabah within.

We wanted you to understand the importance of your thoughts and of those of all Our children so you will be able to focus and connect as you brood to connect desire, thought, sound and light creatively.

20th January 2021

Son, love, peace and joy are the hallmarks of Kingdom living and will continue to be expanded through and beyond Our sons to fill the earth and creation.

Blessed - empowered to prosper and succeed - are the peacemakers, for they administrate the fundamentals of the Kingdom.

Blessed are those who are gentle and humble in heart, for they know who We are and they know who they are, and they live in the rest of being.

They see what We are doing from Our state of being I AM that I AM, so all their doing can flow from their state of being.

Son, being free to know, see, be, do and go is the hallmark of a mature son who can live in and choose true reality.

Son, see from the realm of light today what is occurring in, above and on the earth and what We are doing, so you can be in full cooperation and collaboration with the light of truth that is radiating from Our face, which is a true manifestation of who We are.

Immediately I was aware of where I was standing and that I was being illuminated by the light of His countenance, being filled with the knowledge of God.

Vision Destiny 2022 – Session Three

I was also aware that I was brooding in the Cradle of Life within the heart and mind of the Father, His thoughts becoming my thoughts.

I saw the reality and truth of peace and resonated with the sound of many waters until I was the sound of His voice amplified within the Chamber of Destiny, broadcast and connected in union within the mind of Christ.

I saw the living light of grace, the Quantum Lumens activated within the Chamber of Creation, and the light of peace began to stream out into creation.

These events are part of a continual process of forming reality aligned to God's heart.

I heard and felt a deep sigh go forth into creation: "Peace, Be still."

It was heavy, thick, glorious: a blanket of peace descended over creation.

There will be no end to the increase of His government and peace through the sons of God who are His peacemakers.

I have no doubt that peace will eventually triumph in time through the Prince of Peace, who fully expresses the heart of God as love and light.

Time and eternity are converging in the sons of God as we mature and take our responsibility.

Son, union will triumph over division, covenant will triumph over competition, peacemaking will triumph over warmongering and family will triumph over tribalism.

Have no doubt, love wins, because love is unconditional and never fails, never gives up, is faithful, consistent and eternal.

I call to the sons of God to arise and shine love's light and truth into the darkness of deception.

I knew this to be the cry of the Father's heart and it is His deep desire for all His children to come out of the darkness of the deception of the religious and political spirit.

I felt so moved by believers who were caught in the deception still clutching at prophetic straws. Now that the fat lady had truly sung I implored all my friends and followers in Facebook land to come out of denial and stop descending into madness.

Now the 20th January is here and the inauguration has taken place please do not move onto the next date, March 4th, which is filled with expectation but is just another false hope.

Please do not listen to the voice of the so-called prophets deluded by the political spirit and follow them into deeper deception.

There is no emergency broadcast coming.

No insurrection act being signed.

There will be no communication blackout, no military-enforced world peace, no space force coming to your rescue, no global reset or NESARA GESARA of economic reset freeing you from your debt.

The global cabals are not coming down yet, but they will when legislated as sons.

The swamp is not going to be drained and the deep state exposed.

All the rhetoric plays on the passions many have for justice.

Vision Destiny 2022 – Session Three

Please do not continue to follow the latest Q conspiracy into deeper deception, as you will continue to be deluded and disappointed.

I implore you to follow the light of truth out of the darkness of deception and seek first the kingdom of God and His righteousness.

I believe all the things you have been looking for in the delusion of the political and religious spirit will come about as the Kingdom of God fills the earth with God's glory and lovingkindness.

I believe the global cabals will be exposed and fall.

I believe the swamp will indeed be drained.

I believe in a brave new world as we transition into the next age of Aquarius.

I do not believe any of those things will be achieved through any system that has come from the tree of the knowledge of good and evil: it is all an elaborate deception and delusion.

No political, religious, economic, corporate or any other control system will ever establish the Kingdom of God on earth as it is in heaven.

It just seeks to deceive people into believing in the counterfeits.

Everything that can be shaken will be shaken and the only thing that will remain is God's kingdom; so please do not build your hopes and dreams on the shifting sands but on the solid rock of the Prince of Peace.

There is no need to shame or humiliate anyone who has been deceived, as we have all been there and no doubt we will all be there again.

So let's extend the hand of friendship for reconciliation to one another, whatever our political or religious opinion, and let's demonstrate love, grace and mercy to one another as the world looking on is desperately looking for answers in this time of great shaking and uncertainty.

Let's seek first the kingdom together in the union of the new covenant as sons of God, seated in the heavenly places as priests and kings so we can be the oracles and legislators of the order of Melchizedek, so that the kingdom of God can fill the earth.

25th January 2021

Son, it is time to enter into rest as you continue to expose the deceptions that Our children are living in.

Only the light of truth and love can illuminate the minds of those who have been deceived by the political and religious spirit.

Focus your attention on releasing the light by abiding in the light; then, as you absorb the light into your being, you can shine as a revealed son.

The darkness of deception is very strong in those who think they have a cause that is Ours as they think they are operating from Our heart and what they are defending is noble and godly.

Often the cause has an element of truth to it, and that makes it even more deceptive, but it is often the method and means that have been perverted.

Vision Destiny 2022 – Session Three

Son, from a place of rest you can be passionate; but never be against anything, always be for something. That will keep you in the opposite spirit and in love.

Let's be positive in renewal and construction, not destruction and warfare.

Always be positive. Then, for example, you will be able to reveal the truth, not focus on exposing deception - but that will be the end result because you have been a peacemaker.

Love's light is the light of truth, and passion for the truth is good, but never let it develop into anger directed against anyone.

Remember those who are deceived do not know that are, so do not blame them: have mercy and show compassion with limitless grace and unconditional love.

Those who influence others have a responsibility but they are not to blame, however crazy they get. So be careful not to get frustrated and always keep your heart righteous towards them.

Son, feel how We feel towards those caught up in the darkness of deception, because it was just how We felt about you.

So have empathy for those who are embroiled in the craziness of the conspiracies and seem to have lost all reason.

You have believed the lies embedded within your written history itself all your life and there is still more to be revealed to you, so be patient and loving as you administrate the light of truth.

As I focused my attention on the light shining from the Father's face I sank into a deeper state of rest where the eternal now was perfected in the light of truth I was absorbing.

All my frustrations with those mystics who I thought should know better just melted away in the bliss and glory of absolute rest in peace.

Son, now you have ascended to a new level of enlightenment, abide in that state so your whole consciousness and being can be transformed and conformed.

I began to see the earth shield illuminated by the light of truth so that even those sons who make up the shield will be enlightened to another level.

I engaged the shield and began to release the light that I had absorbed from the place of rest I was in.

I call for the light of love and truth to penetrate the hearts of those within the shield with a deeper level of truth.

I call the restored angels, Truth Restorer, Truth Revealer and Truth Establisher, to engage the hearts and minds of the earth shield.

I call the restored angels, Truth Restorer, Truth Revealer and Truth Establisher, to engage the hearts and minds of the mystic movement.

I call for the light of truth sourced within the Tree of Life to be released in the fruit and leaves to help and restore the minds of the sons of God.

I call for a state of rest and reconciliation to descend onto and into the earth as a blanket of peace.

Vision Destiny 2022 – Session Three

26th January 2021

Son, receive all that We are releasing to you and embrace the transformation this will bring, as change will be accelerated as the next age approaches.

I stood in the light, where I remembered my last engagement with the fire stones. As I contemplated, twelve facets of the Father's face began to glow, until each released a burst of coloured light energy filled with truth.

I absorbed that truth into my being until I was pulsating with the frequency of each colour unified in my being.

I became alive with limitless energy, glowing like a twelve coloured rainbow, filled with knowledge of truth that previously I had no connection to. But, although it was not yet cognitive in my mind, yet it is hidden, waiting to be discovered.

Son, now when you experience information you will be able to discern truth from lies, as the hidden knowledge is activated within you.

Son, now the truth has been imparted to you it will enable you to be a cosmic fact checker, as when you encounter information you will discern the truth from lies by the frequency of its vibration.

There is so much disinformation being released to confuse and deflect so that the real truth is hidden behind the smoke and mirrors.

You will be able to detect where grains of truth are obscured by mountains of lies where most people will dismiss it and miss the truth.

The conspiracies are created to keep people from the real truth by packaging truth within lies so that Our children will believe lies as the truth or reject the truth because it is hidden within lies.

Son, now you are armed with this ability to discern you will be able to reveal the truth. But do not try to expose the lies, just allow the light of truth to do that itself.

As you proclaim the truth, the light will shine brightly enough that its frequency will cause the alarm bells to ring within the minds of those who are open.

More of Our children are awakening out of the slumber of deception that has dulled their ability to discern, into the dawning of a new day of revealed truth.

The next age of enlightenment is coming with greater light as the end of this age passes in the transition that most will not be aware of, but the forerunners are awakening.

Son, the dawning of the age of enlightenment is the more positive way to describe the exposing of the great deception of the Luciferian agenda.

You will never need to fear the darkness when you know you are light; and that is what creation itself is looking for within the revealing of the sons of God.

Vision Destiny 2022 – Session Three

You can now accurately discern no truth, some truth, and the truth within any type of written statement, or audio or video teaching, testimony or account.

Rest is the key to restoration, revelation and creativity.

Start to focus on your breathing, slowing it down, and start thinking of the name of God, YHVH.

Breathe in deeply the unconditional love of the Father.

Be still and feel loved.

Be still and know that I am God.

I am love, I am joy, I am peace, I am truth, I am limitless grace, I am triumphant mercy.

Invite love, joy and peace to flow in you and through you to create an atmosphere of rest around you.

You are in a safe place.

Start to think of an open heaven and set your desire upon engaging the Father's heart.

Engage the realm of light to experience the light of love and truth at deeper levels of being.
