

## Communion

Session 04

### **Transformation, transfiguration or metamorphosis can take place at many levels**

- Spiritual and dimensional
- Soul - emotions, mind, memory
- Physical body and our DNA both genetically and epigenetically

We have declarations for applying the body and blood of Jesus

- These statements were birthed out of my personal experience
- Use them as a template to form your own faith filled words
- Don't just repeat my words parrot fashion – know the heart and meaning

I choose to bear the record, my eternal image conformed to the likeness of my Father and Brother in heaven, and to be transfigured to radiate their glory

Let the breath of God be breathed into my life transforming me into a living being joined to the Lord and one spirit with Him

I speak creative words to my DNA to release the supernatural abilities of God

I trigger the ability to see and move in the spiritual realm of the kingdom

I trigger the ability to transform matter and control light and sound

Act 3:20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the period of restoration of all things about which God spoke by the mouth of His holy prophets from ancient time.

- Restoration of all the ancient paths and abilities

#### **→ There are triggers for God-like latent abilities or other supernatural abilities, already contained within our DNA.**

• As we surrender ourselves wholly to Him, God can 'turn on' certain abilities that have been lost.

• The enemy counterfeits now the real abilities that Jesus demonstrated

- Restoration of encoded supernatural abilities that should be natural
- Heroes, superheroes restored genetic encoded abilities lost at fall, flood and Babel
- Abilities to control sound and light and see different electromagnetic spectrums and wavelengths.

Although they may be presented as science fiction, these things have a basis in fact.

→ Most Christians lag far behind the followers of the occult and the New Age in demonstrating supernatural abilities, because we have been warned off and told 'you can't touch that'.

We should not allow that to put us off demonstrating the authentic.

• The world has picked up on these things, so you see plenty of books, films and TV series about characters who actively use ESP and telepathy, can fly, become invisible, teleport, heal, or manipulate matter.

Heroes, Alphas, Tomorrow people

- Push, Jumpers, Frozen, The Incredibles
- Marvel and DC are big business
- Those powers are from different sources - Science has tried to emulate the supernatural
- Iron man Ant man Batman use technology

Enhanced powers Daredevil, Hulk Captain America, Spiderman, Flash, Fantastic Four

- Other dimensional powers Superman Super Girl, Thor,

- Indigo and China children are being born today with “supernatural” abilities unlocked

I believe Adam could see more than we can see with our natural eyes.

- He had trans-dimensional vision: he could see into the realms of heaven, but he lost that bandwidth perception at the fall

Yet more abilities to see and use different bandwidths were lost at the flood, after which our ability was limited to the spectrum of the seven colours of the rainbow

- Gen 9:13 I set My bow in the cloud, and it shall be for a sign of a covenant between Me and the earth.

At the tower of Babel, God removed away the ability use sound to move things etc.

- Gen 11:4 They said, “Come, let us build for ourselves a city, and a tower whose top will reach into heaven, and let us make for ourselves a name,

Gen 11:6 The Lord said, “Behold, they are one people, and they all have the same language. And this is what they began to do, and now nothing which they purpose to do will be impossible for them. 7 Come, let Us go down and there confuse their language, so that they will not understand one another’s speech.”

Now we can only see a very small proportion of all the wavelengths that exist.

- If we took the seven keys on a piano to stand for the seven colours in the spectrum of visible light, then a keyboard with all the wavelengths of invisible light would stretch to the moon.

The ear and eyes have the abilities to hear and see range of wavelengths from Hz sound to nm light

- The spirit is capable of discerning wavelengths that are not detectable by our natural ears and eyes.
- Our spirit is able to interpret and describe what it perceives to our mind
- There are abilities to do these things that not just learned spiritual activities

The spiritual realm operates in a bandwidth we cannot see. **Adam could see it and God intends us to see it.**

- God wants us to be restored to original condition.
- DNA transformation occurs in us when God's divine nature is assimilated.
- He wants us to be like Him, and to be revealed as His sons.

I have been interested in the pyramids

- I have visited a number of times and been inside them
- How were they built and by who?
- I went on the time line and watched
- I saw some of the abilities that were used to make the pyramids

### Light and sound abilities were used

- We have used technology to imitate what they did organically
- Sound to shape and form patterns in materials
- Levitate and move materials
- Laser light that cuts through material
- Seen in superman's or cyclops eyes

Three-Dimensional Mid-Air Acoustic Manipulation [Acoustic Levitation]

I also saw chambers secretly built within the pyramid that were trading floors of information

Thermal imaging of the Great Pyramid of Khufu at Giza has revealed anomalies (variations in temperature) on the lower east side as well as the upper part of the pyramid

There are children being born today with restored supernatural abilities

- A new generation waiting to engage their destinies
- Waiting for the Joshua generation to arise and take them into their inheritance

#### **Jesus had those abilities:**

John 2:7 Jesus said to them, “Fill the water pots with water.” So they filled them up to the brim. 8 And He said to them, “Draw some out now and take it to the headwaiter.” So they took it to him. 9 When the headwaiter tasted the water which had become wine

→ **Turn water into wine - transformed matter - alchemy**

Matt 14:5 And in the fourth watch of the night He came to them, walking on the sea. 26 When the disciples saw Him walking on the sea, they were terrified, and said, “It is a ghost!” And they cried out in fear. 27 But immediately Jesus spoke to them, saying, “Take courage, it is I; do not be afraid.”

→ **Ability to control the frequency of energy and matter to make water solid and walk on it**

Luke 4:29 and they got up and drove Him out of the city, and led Him to the brow of the hill on which their city had been built, in order to throw Him down the cliff. 30 But passing through their midst, He went His way.

John 8:59 Then they took up stones to cast at him: but Jesus hid himself, and went out of the temple, going through the midst of them, and so passed by.

→ **He had the ability to align His frequency to pass through objects disappear, bend light, shift dimensions**

→ **Quantum tunnelling**

John 18:6 So when He said to them, “I am He,” they drew back and fell to the ground.

•He had the ability to use His voice as sound energy

→ **Speak words that were spiritually life giving but also powerful enough to knock soldiers of their feet.**

Heb 1:3 And He is the radiance of His glory and the exact representation of His nature, and upholds all things by the word of His power.

•His voice are the strings of energy that produce all particles at quantum level

•Eph 4:6 one God and Father of all who is over all and through all and in all.

Matt 14:19 Ordering the people to sit down on the grass, He took the five loaves and the two fish, and looking up toward heaven, He blessed the food, and breaking the loaves He gave them to the disciples, and the disciples gave them to the crowds, 21 There were about five thousand men who ate, besides women and children.

→ **He had the ability to replicate matter**

Mark 4:39 And He got up and rebuked the wind and said to the sea, "Hush, be still." And the wind died down and it became perfectly calm.

→ **He had the ability to control the natural elements - Storm**

John 1:47 Jesus saw Nathanael coming to Him, and said of him, "Behold, an Israelite indeed, in whom there is no deceit!" 48 Nathanael said to Him, "How do You know me?" Jesus answered and said to him, "Before Philip called you, when you were under the fig tree, I saw you."

→ **He had the ability to see from a different dimension - engage the past**

Mark 2:8 Immediately Jesus, aware in His spirit that they were reasoning that way within themselves, said to them, "Why are you reasoning about these things in your hearts?"

→ **He had the ability to tune into peoples thoughts and feelings**

Matt 17:2 And He was transfigured before them; and His face shone like the sun, and His garments became as white as light.

→ **He had the ability to radiate the light or glory of His spirit around Him**

John 11:43... He cried out with a loud voice, "Lazarus, come forth.

→ **He had the ability to call a spirit back from different dimensions.**

Matt 12:10 And a man was there whose hand was withered. 13 Then He said to the man, "Stretch out your hand!" He stretched it out, and it was restored to normal

→ **Restore the pattern of a body part from its heavenly image**

John 3:13 No one has gone up into heaven, but there is One who came down from heaven, the Son of Man [Himself—whose home is in heaven].

→ **He had the ability to live in dual realms**

→ **Our consciousness is not limited by time and space**

Today Jesus would have been accused by religious people of being a mind reader, physic or having paranormal abilities.

→ **We must not be afraid of the counterfeits but be desire the full restoration or all the abilities God intends us to have**

John 14:12 Truly, truly, I say to you, he who believes in Me, the works that I do, he will do also; and greater works than these he will do; because I go to the Father. 13 Whatever you ask in My name, that will I do, so that the Father may be glorified in the Son. 14 If you ask Me anything in My name, I will do it.

Acts 8:39 When they came up out of the water, the Spirit of the Lord snatched Philip away; and the eunuch no longer saw him, but went on his way rejoicing. 40 But Philip found himself at Azotus,

→ **Teleportation trans-relocation**

Examples in church history – healings raising the dead, miracles, supernatural encounters, angels, bilocation, levitation, multiplication of food, engaging heaven

- Francis of Assisi, St Patrick
- St Cuthbert, Brigit
- St Joseph, St Gerald

John 3:12 If I told you earthly things [that is, things that happen right here on earth] and you do not believe, how will you believe and trust Me if I tell you heavenly things?

**We have new parables and new revelation and experiences:**

- Quantum entanglement, Quantum tunnelling
- Quantum observation, Quantum vision

→ **We are in the transition from the end of things as we know it to the dawn of a new day of the conscious reality of true sonship**

• The very truth of who we are is ascending and expanding from the depths of our being so our bodies will not be able to contain its light

**We need to speak creative words to our DNA to restore sonship abilities**

- To control the frequency or rate of vibrational energy at a quantum or sub-atomic level in our body and the material world around us
- To use light and sound as God intended

**Embedded codes in our DNA are being awakened and unlocked**

- Sound frequency of heaven is being released as deep is calling to deep
- Light energy, photon particles and unseen frequencies are engaging us at a subatomic level, with revelation to remove our limitations

Isa 60:1 “Arise, shine; for your light has come, and the glory of the Lord has risen upon you. 2 “For behold, darkness will cover the earth and deep darkness the peoples; but the Lord will rise upon you and His glory will appear upon you. 3 “Nations will come to your light, and kings to the brightness of your rising.

**Opening and cleansing our gateways is necessary so the kingdom can manifest through us**

- As a gateway of love we can radiate the essence of love
- Works of Jesus are love in action the essence of the Father through us and around us as an electromagnetic field of love

We can have the atmosphere of the kingdom that rules and governs by love around us

- Creating an atmosphere, a vibrational frequency or field of love
- Creation, the Spirit realm, angels and demons can detect our atmosphere

**As you take and apply the bread and juice today engage it by faith**

- Allow the frequency of God's DNA unlock your true potential
- Release the reality of your true identity a transfigured metamorphosed son of God
- Don't be restricted by your past
- Don't be restricted by your self-image that has been programmed by your past
- Don't let your past effect your present and rob you of your future and destiny

Rom 12:2 Don't be conformed to the world but be transformed by the renewing of your mind

- We need our consciousness expanded to see our true potential
- We need to believe who we really are – sons of God

### Engage God's eternal image of you

- **Don't settle for normalcy and mediocrity**
- **Become all you are destined to be: A manifested glorified son of God answering creations groan by bringing it into freedom**

Rom 8:19 For the anxious longing of the creation waits eagerly for the revealing of the sons of God. 20 For the creation was subjected to futility, not willingly, but because of Him who subjected it, in hope 21 that the creation itself also will be set free from its slavery to corruption into the freedom of the glory of the children of God.
