What does God mean?

What is the application for you?

What is the application for the church here?

What is the application for the wider church?

Scales - justice

Lion - Kingly order - Legislation

New sounds and frequencies

Judgment – verdict and separation

End of a 40 year generation in August 2015

Beginning of a new order

Joshua Generation and the order of Melchizedek

The overlapping place

A vision that Nancy Coen had in 1995 where God caught her up in the spirit and He showed her the earth realm and spirit realm. They were very far apart and there was a separation between them. There wasn't even an access place from one to the other. And suddenly the Hand of the Lord took these two realms and He began to push these two worlds together until they became overlapping.

He said "I'm going to raise up a troop of overcomers who are going to stand in an overlapping place and they are going to stand between the earthly realm and the spiritual realm. They are going to go up into the spiritual realm and they are going to grab what they see and manifest it in the earth".

The Incubation in January and the Birthing in September

The Lord spoke to me and said that this will be a year that the seers are coming into their multi-dimensional sight. A new realm of the prophetic will be birthed this year. In January, many prophetic people will enter into a season of incubation for greater manifestation.

The Lord showed me that from January to September will be a time of preparation for what is going to be birthed toward the end of September

This nine-month period will be a time for the conception and forming of a supernatural movement to be birthed into the earth. He said, "This will be the beginning of the overshadowing! Much like what Mary encountered".

There will be a birthing of a greater glory at the end of September. A place of unusual power will begin to flow toward the end of 2015 like we have never seen before. Many will begin to taste of the age to come. There will be a prophetic people that will begin to emerge toward the end of next year

that will speak a wisdom that is not of this world. They will manifest a message from an age to come. They will transcend the system of the world and operate from a higher order of the supernatural.

A Daniel company is coming! This will be a company of prophets who can discern our times with pinpoint accuracy. Some will be given high places to speak into earthly governments around the world. They will have a mandate from the Lord to administer justice and solve complex situations that human intellect cannot understand.

We are called to equip the Joshua Generation as mentors for that new order

We are called to receive our kingdom inheritance

Engage the ancient paths

Prov 8:12 "I, wisdom, dwell with prudence, And I find knowledge and discretion... 14 "Counsel is mine and sound wisdom; I am understanding, power is mine. 15 By me kings reign, And rulers decree justice. 16 By me princes rule, and nobles, All who judge rightly".

Proverbs 9:1-3 Wisdom has built her house, She has hewn out her seven pillars; She has prepared her food, she has mixed her wine; She has also set her table; She has sent out her maidens, she calls From the tops of the heights of the city:

Engage Prudence and her gifts to open the revelation of the 12 houses.

The 7 gifts will enable you to navigate the dimensions that are to be opened.

Sextant, Compass, Log books, Map of territories, Instruments for measuring wind (sound) and waves (light) and the trumpet to herald the call.

Son I am calling you to new level of governmental authority. It is time to come near to Me and the heights of wisdom will be opened

I have given you the strategic instruments to plot the course ahead

My scroll has a large ship on it that was at anchor but is now moving

Prudence will partner with you to discover the protocols that will open the doors and release My people into their positions of true heavenly authority.

A new quest is your reward for faithfulness. Engage the waterfall and your quest will be revealed.

I give you this quest to unveil the depths of the fire stones and the sapphire cube.

The affairs of the nations must be brought to order and called into the alignment of eternity.

The house of scrolls will be opened once My precepts, statutes and laws are in sequence and the ordinances of heaven have been set into motion.

I will set before you the opportunity to invest in many benches but you must now be proactive not reactive.

Call the benches to arise call the blueprints to be released and the shadows to form.

You must focus on the governmental functions of lordship and kingship

I have given you the swords of truth and judgment. You must wield them with precision.

Order – Order – Order! The court is in session and the gavel is raised

Use this pause until September wisely to establish the order of the King as the Lion takes focus.

The very stars are awaiting for their repositioning orders, as Sons accept their call to action from their mandated positions of true governmental authority.

Everything is being prepared for the new order who will legislate statutes and ordinances because they know My ways and My testimonies and fully understand the counsel of my precepts.

The ancient laws will be unveiled, the mysteries hidden in the dark cloud of My true person are being brought into the fullness of My light.

The books are being opened; the ancient scrolls are once again being read. The creative force of my eternal desire for oneness is building, the pressure is increasing. The sound will be heard by true Sons.

It is the time that I am about hold back the waters and the veil will be drawn.

Who will leave the old ways of the old order and cross over to the new dimensions of the royal priesthood of the Melchizedek order?

Creation is waiting and will take a deep breath in anticipation of the revealing of true sons in their heavenly positions.

Who will cross over, who will embrace their destinies?

The heavenly sound is intensifying and the winds of change are about to blow with great force.

Get ready. Be ready, for the shift in dimensions is being prepared. Great shifts are going to be released in all spheres of authority, as the mountain of the house of the Lord emerges from the wilderness to embrace its inheritance.

The ground is about to break open and the landscape will be radically transformed. A voice is crying out from the wilderness, "Prepare the way for My people to cross".

"Let My forerunners cry out 'Cross over, cross over' as they shift dimensions and open the portals into the realms of kingdom glory.

Arise and shine with your glory as the glory of true sons is revealed.

Son, prepare, prepare, prepare for the new depths of revelation that My people need in this hour.

I will accelerate your ability and increase your capacity and give you the key to unlock those abilities and capacities in those who will follow you into the new order. A new order for a new spiritual landscape is about to arise.

The 12 houses are about to release their mysteries and protocols to those who will follow the ancient paths to engage wisdom.

She calls to the sons of men to come and walk as Enoch on the ancient paths in the ancient knowledge and ways.

Wisdom's pillars are once again to be shadowed on earth as it is on her heights.

The 12 pillars, 12 stones, 12 foundations, 12 gates and 12 houses and their revelations are to come out of the darkness into the light.

The mysteries hidden for so long in the shrouded mists are being readied to come forth from the myths and mythologies into revelation light. The ancient ways on the ancient paths brought out of darkness into the light of creativity.

The power to create with conscious thought and the frequencies of sound and light will be restored to the true sons of God once again.

Come back to creation's womb – My heart –

to see what was, and release what is

to become what will be.

My heart is open to you, come and see. Come and see what you have always been. I call out to you come and see. Come to my heart and you will see once more what has always been.

Progressive revelation

"The progressive character of divine revelation is recognized in relation to all the great doctrines of the Bible... What at first is only obscurely intimated is gradually unfolded in subsequent parts of the sacred volume, until the truth is revealed in its fullness."

We recognize that God is continually restoring truths and light to His Church. We therefore place no limit on further revelation. However, each must be substantiated according to the Scriptures.

Mysteries, hidden truth, mystical truth, revealed by the light of experience

Dan 12:3 Those who have insight will shine brightly like the brightness of the expanse of heaven, and those who lead the many to righteousness, like the stars forever and ever. 4 But as for you, Daniel, conceal these words and seal up the book until the end of time; many will go back and forth, and knowledge will increase."

Rom 16:25 Now to Him who is able to establish you according to my gospel and the preaching of Jesus Christ, according to the revelation of the mystery which has been kept secret for long ages past
Eph 3:4 By referring to this, when you read you can understand my insight into the mystery of Christ

Col 2:2 that their hearts may be encouraged, having been knit together in love, and attaining to all the wealth that comes from the full assurance of understanding, resulting in a true knowledge of God's mystery, that is, Christ Himself

Col 1:27 to whom God willed to make known what is the riches of the glory of this mystery among the Gentiles, which is Christ in you, the hope of glory.

Experiential knowledge by encounter not intellectual information

A way must be made for My new generation to find their destinies. The whole of the created orders are waiting longing for My sons to arise and restore them.

Ancient paths are opening once again, where my people can walk with Me in the restored knowledge that was lost.

Prov 8:2 paths meet, the way

Psa 23:3 paths of righteousness

Psa 139:24 the everlasting way

Isa 35:8 highway of holiness

Jer 6:16 ancient paths

Jer 6:16 Thus says the Lord, "Stand by the ways and see and ask for the ancient paths, Where the good way is, and walk in it; And you will find rest for your souls. But they said, 'We will not walk in it.'"

People are still saying no

Jer 18:15 'For My people have forgotten Me, They burn incense to worthless gods And they have stumbled from their ways, From the ancient paths, To walk in bypaths, Not on a highway,

I am the God of the whirlwind and the fiery pillars and I am coming soon in judgment to My people to call them to decide who they will serve.

I am calling as multitudes stand in the valley of decision.

I call for judgment to new abundant overflowing life, but the old orders must be left behind in the wilderness of indecision.

Adam, Enoch, Noah and the ancient ones walked the ancient paths through the eternal dimensions.

They walked on the circle of the deep. They walked amongst the stars; they walked through the earth.

I am calling you to engage in the restoration of the ancient paths, ways, and knowledge.

Sons, hear My cry, resonate with My call, align yourselves to My cause. I have shaken the old orders many times and once more the old order is about to be shaken and My true kingdom will begin to be manifested on earth as it is in heaven.

My government will have its expressions on earth as Joshuas and Calebs rise up and declare 'we will cross the line and we will take possession of our inheritance'.

This new order, this new breed, has been promised for 40 years but only now will the force of My judgment be exerted. There will be no straddling the line. There will be no foot allowed in both camps. I am issuing the call from My mountain.

Choose you this day who you will serve

There is fire in My eyes and a sword in My mouth, and I am worthy to loose the seals. It is time to face the consuming fire of judgment.

Who will bring Me their scrolls?

Who is prepared to come before Me?

Who is willing to stand before Him who knows all in all?

Who will stand before Me and be undone, unravelled?

Who will embrace the fire from the altar?

Who will fly with the Seraphim?

Who will be My burning ones?

Who will be the firestarters?

Who, Who, Who?

Judgment calls, judgment beckons

Who will accept their destiny?

Who will come to the Lion?

Who is worthy to open the scrolls?

Who will stand before the eyes of fire?

Who will stand in the river of fire?

Who will ascend to the fire stones on My Holy Mountain?

Who will take their positions on the ancient path, enthroned on My right hand?

Those who will establish the pillars of fire on earth from heaven.

Those who will walk through the walls of fire and will burn as living flames.

Those who establish My storehouses, My embassies, My habitations, My beachheads, My cities of refuge

Heaven is looking to see its reflection on the earth. Then the everlasting doors will be opened, then fire will purge the atmosphere, as the canopy of fire spreads, joining My pillars and becoming My covering once again.

Son, it is time. Listen carefully to everything I have to impart to you. You must rise up and take your place in government. I have assigned you the chancellors' position and I have given you the seal. It is time to begin to use it to engage the 12 houses to release understanding of the 12 heavenly laws of government.

Go to each house in sequence and you will be able to receive the revelation you will need to authorise and release heavenly authority.

Release your frequency; issue the call for the government to arise.
I am positioning those who will hear the call but you must be ready to invest them and seal their mandates.

The release of angelic harbingers is near and those who refuse to embrace the new order will be given a choice until I will remove My approval and presence from their stewardship.

Those who refuse sonship because they have ignored true friendship with Me will depart from Me because I don't know them.

Their destinies will pass to others who had been faithful to put relationship before ministry.

There will be many successions that will take place as the old orders are removed and the new succeed them in heaven.

There will be many reassignments this coming year. Be ready to recognise and to authorise them.

True government patterned after heaven will be established.

I am looking for the Sons who will take their heavenly positions and be who they always were.

The pendulum is about to swing and momentum will increase as more and more enter the veils and experience My person. The dark cloud beckons and the eternal flame must be embraced.

The deeper experiences of My manifold, multi-faceted mysteries are to be encountered and then great shifts will take place.

Don't be distracted by the esoteric illusions that are being released that tickle the ears of the immature.

The mysteries hidden for so long are to be made plain for those willing to embrace their positions of responsibility.

Deep to deep beckons, but the cost must be weighed. The mysteries hidden will be made plain for those who will pursue Me.

The dimensions must be entered for the revelation of the mysteries to be opened up and governmental authority revealed.

The mysteries once hidden are awaiting those who will answer the call to take their places in heavenly government.

I will issue the call to come once again. Be ready to make it simple.

The sapphire cube and the dimensions within dimensions have been mysteries but now will be experienced by those who are willing to come within.

The 3, 4, 7, 12 dimensions of governmental orders will be revealed; through personal encounter with these heavenly dimensional spheres, not through the esoteric ramblings of the so-called 'mystics', who are placing veils of mystery over the eyes of those who look and listen but have not entered in and have not taken their positions as Lords.

Metatron is my chosen vessel for this year. The keys to understanding the times will be given freely and the doors to the dimensional spheres of true governmental authority will be opened. Metatron will give the keys and open the doors to those willing to let go of the old and fully embrace the new order.

Lengthening and shortening time for the resourcing of good deeds

The order of Melchizedek will arise and be revealed when the last generation finally refuse to cross and the 40 years is complete.

The Joshua generation will be given the mantle of government; and investiture and succession will be over and enthronements will quickly take place.

The forerunners have gone before; they are already in governmental heavenly positions, but must be ready.

When the 40 years has passed, expect the light intensity to increase to such a level that the old orders will be exposed for what they are – man's best efforts.

I will leave in ways that appear suddenly to take place, but for many they have ignored the call to cross over for years.

'Suddenly' will only be the appearance to those who have followed and have been submitted under the old mountains.

Long have I been calling to the sons of men to come, but they would not.

The call will continue for 8 months in 2015 and then I will finally begin to leave the old order.

Then the new sound of the new call, to cross over and enter beyond the veil, will go forth to those who have never imagined or thought.

Make ready the Joshua Generation for they must be ready to guide those who will be early responders and will become lost without the forerunners.

The new landscape will be overwhelming without those who have spied out the land.

The affairs of the nations will be a high priority, so government must be established for cities, regions, parallels.

The map of the world will be rewritten and great shifts in the affairs of those new order governments will be the agenda of heaven.

As the sword of judgment falls on the religious systems of man, I will reveal the pure golden bride from amongst the ore.

The seraphim are being prepared and the fiery swords already in place.

From the fire of true judgment the true Ekklesia will rise. I will reveal by fire; and those who are willing to leave the old Moses systems behind will be the Joshua foundations of the new order.

The fire of My judgment will both remove the stumbling blocks and bring lawlessness into the light.

I will reveal that which does not reflect heaven's government
and new mountain foundations will rise from the desolation of My departing.

Many cries of 'Ichabod', the glory has departed, will go forth as I leave the old desolate just as I left
the temple of old.

I am once again ready to overturn the money-changers' tables of those who have turn My house
into self-serving businesses.

I have been preparing for 40 years as this generation has mostly ignored the call to prepare for the
harvest.

Now the final calls are being released in preparation for My verdict. Those who leave the old with
Me will go deeper into the revelation of the supernatural heavenly engagements that are hallmark
of the new order.

Those who do not embrace their heavenly positions of government, beyond the veil of Jordan in
their true inheritance, will remain in the desolation of the wilderness.

In August I will begin to leave the institutions of the old earthly religious systems.

My presence in the new order, patterned after the blueprints of heavenly government, will
transition to glory.

I am calling the Joshua generation to follow Me out of the wilderness of the old order into true
destiny as sons, invested with heavenly authority and ready prepared for enthronement.

For the new to be enthroned there must be a succession. The old must die for the new to be
multiplied.

Don't let loyalty to the old hinder you.

Don't look back. You cannot change the old from within it - unless those who are leaders in the old
are Joshua forerunners of the new.

Only remain in what still appears to be old if there are visionary apostolic leaders who have tasted
beyond the veil and who have My heavenly blueprints to transition into the new order.

If there is no heavenly blueprint where you are, then follow Me and I will lead you to the new orders
that are being established, those who are laying the foundations of the cities of refuge.

Only those who are prepared to engage heaven, and invert the mountains in humility, and become
reflections, can truly transition from old to new.

Son, you must focus on your role as heavenly chancellor to release the blueprints and support those
in transition and open the revelation of the 12 laws and 12 chancellors' houses of Zion.

The mysteries so long hidden, the secrets, are now being revealed. The myths (so-called) will
become true ancient pathways for My people to walk on again.

The patterns of heaven will be unveiled so that My true government can bring dominion to the
whole created order.

You have your sword, you will be one of My instruments of judgment. The sword of truth will divide, separate, and call for decisions and choices to be made.

Swing the sword with love, honour and respect, for many who are still in the valley of decision in the wilderness (and siding with the Moses generation) are yet to decide. Issue a call. Send out a proclamation.

Blow the silver trumpet and decree the new season. Consecrate yourselves for I am about to do great wonders in the heavenly realms and great shakings will take place in the atmosphere and on the earth.

Many will call it this and many that, but it is the birth pangs of the new order and the death rattle of the old.

Creation itself will begin to shift in response to the revealing of heavenly government on the earth once again.

There will be schisms and divides on the maps of men but on the maps of heaven there will be great movement towards oneness and harmony for the affairs of the nations.

Son, your capacity will supernaturally increase as you fully embrace your role both in heaven and on earth.

I went to the temple. The seraphim were really attentive and I saw their eyes. I took a bow and fired arrows at a map. North West and South East of North America (USA)

Each arrow had a red cord attached to it that formed a matrix of connections.

I saw it overlaid with a pyramid pattern NW to NE, NW to SE to SW, NE to SW

The Lion roared, calling me to release a new sound, a new call. The old order will end and the new order must be ready to take responsibility.

There are so many mountain ranges occupied by dragons and giants because of the failure of the Moses generation to cross into their heavenly authority. I saw ranges of mountains covering the globe.

I saw so many Mountains with 3 thrones on them waiting for Benches of 3 to rise up and take their places.

So many who failed to answer the call of their destiny

So many too busy with ministry to become friends, who have been working for Me in long over mandates [mandates which expired long ago].

I am releasing the call for Joshuas and Calebs to arise and be the sound for the next generation to resonate with.

I am calling fathers and mothers to align their hearts with mine so I can turn the hearts of the children back to their heavenly destinies

Son, become the sound of the Lion roaring the new frequency that will cause a resonance to take place like never before.

You have accepted responsibility for 2 scrolls but there are more coming. You must be ready. The hills must be laid low and the valleys raised, the way must be made straight so there can be the highway of holiness that will lead to the ancient paths once again. The cherubim and the fiery swords must be embraced to access the way.

Look to the constellations for the signs of impending upheaval as the affairs of the nations are administered by the sons of God once more. The stars will release their light and glory to the sons of God once more. The resonance of their light and sound once again restored to divine order.

Announce it, herald it, blow the silver trumpet, Ekklesia arising, Ekklesia arising!
Answering creation's groan with the resonant frequencies of heaven on earth as sons arise to vibrate to the rhythm of the Father's heart.
