

Unsubscribing from the *Engaging God* programme

We will be very sorry to lose you, but we do understand that the programme may not be for suitable for everyone right now.

Please note that as a subscriber to the Engaging God programme you are eligible to take part in the forums, mentoring and legislative groups, and other opportunities which may arise in future. Once you leave the programme, these are no longer open to you.

If you wish to unsubscribe, please let us know. Also, you should log into your PayPal account and cancel your recurring payment agreement, so that you will not be billed again.

When you do so, we will remove you from the Engaging God group.

1. We do need to ask that you please **delete all files** you have downloaded in connection with the Engaging God programme and all copies, including audio and pdf files and any versions of the Engaging God manual, and that you no longer access the manual online. This is in accordance with the terms and conditions to which you agreed when you subscribed. Thank you.

2. Please also be aware that you will soon no longer have access to your @freedomarc email address and the related Google apps and Google+ account. If you have any files or emails stored there, please transfer them elsewhere without delay.

We hope that you will continue to make use of the other resources (many of them free of charge) available through our website, blog and social media pages.

With every blessing for the future,

Jeremy Westcott
