

# Governmental Sonship

- The Freedom Apostolic Ministries mandate is to Gather, Connect, Impart and Release the Joshua Generation to be mentors for the next generation
- The Engaging God programme and media production are the primary strategies we have to fulfil our mandate

# Governmental Sonship

- We last few modules have covered the geography of the heavenly realms and how we can be prepared to function as sons there
- Now we are going to look at **what** we do as sons governmentally and **how** we actually do it
- There are the heavenly and the earthly perspectives

# Governmental Sonship

- There is no lasting value if what we do in the heavenly realms does not have positive affect in our lives and the lives of those around us.
- Our heavenly experiences and government must be earthed out
- On earth as it is in heaven we are gateways of heaven into the earth

# Governmental Sonship

- We need to see places where heaven is being manifested on earth
- Ekklesia that are demonstrating heaven on earth
- Embassies representing heaven on earth
- Beachheads of heaven on earth
- Government of sons needs to be in heaven and on earth

# Governmental Sonship

- Our desire is to help facilitate the children of God as the Joshua generation to function in their governmental positions as sons of God
- This governmental function is according to our cherubic nature within the Order of Melchizedek

# Governmental Sonship

- To function in a governmental sonship position we need our identity as sons to come from the Father
- We need a cardiognosis face to face, heart to heart knowing the desires of the Father's heart
- Governmental sonship is ruling reflecting the Father's heart

# Governmental Sonship

- We need to take our place within the governmental order of Melchizedek as sons within YHVH carrying His power of attorney
- We govern within the power of His name from heaven into the earth as gateways

# Governmental Sonship

- Heb 6:19 This hope we have as an anchor of the soul, a hope both sure and steadfast and one which enters within the veil, 20 where Jesus has entered as a forerunner for us, having become a high priest forever according to the order of Melchizedek.

# Governmental Sonship

- Order of Melchizedek is a heavenly royal priesthood that is out-worked through oracles and legislators on the earth
- As oracles and legislators we are the connection and convergence of heaven and earth

# Governmental Sonship

- This order is associated with the arc of God's presence, the mercy seat and the name of God YHVH represented by the 4 faces of God Lion, OX, Eagle, Man
- King, Oracle, Legislator, Priest
- This is our cherubic nature

# Governmental Sonship

- On new years eve 2012 I was taken out into the solar system to see the beginning of 2013 the start of a new age of sonship
- I saw the earth stop spinning and then saw many arcs of blue lights covering the globe
- These arcs were people connecting governmentally

The cry from the Father's heart is to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

# Governmental Sonship

- The sons of God coming into their positions of governmental identity and authority is key to the restoration of all things
- These arcs are the sons of God forming relational connections that would become Benches of Three all over the earth

# Governmental Sonship

- Our relationship with God as Father is outworked in many dimensions the physical, internal of soul and spirit, heavenly and the eternal
- Our governmental position of sonship is also fulfilled by engaging those same dimensions

# Governmental Sonship

- Investiture, Succession, Enthronement, Coronation
- Royalty terms
- This is a process of maturing into who we already are from God's perspective
- Agreeing with who He says we are and with what He says about us

# Governmental Sonship

- We have all already been invested for sonship by the Father but we need to enter into the experience of that truth
- It is our destiny to rule in God's kingdom by being enthroned
- But to be enthroned in heaven there must be a succession in our lives.
- We govern as living sacrifices representing the Father's heart of love

# Governmental Sonship

- The death or abdication of the old king or queen had to occur before there was an enthronement
- Our identity will only be revealed when we abdicate - succession
- Our enthronement will only take place when we truly abdicate - succession

# Governmental Sonship

- That succession was the focus of the Module 7 Living Sacrifices which included separating and reintegrating our soul and spirit so we become free to live simultaneously in the dual realms of heaven and earth
- Free from the tethering of our soul to this physical realm we won't need to continually step in and out of heaven.

# Governmental Sonship

- Therefore the goal of this module is for each of us to discover our governmental position in the heavenly realms and be enthroned to rule and legislate as a son of God.
- If you have reached this module in the EG programme please make sure the previous modules are a lifestyle and not just intellectual agreement

# Governmental Sonship

- This module will be a further opportunity for a deeper revelation of identity, position and authority.
- Heaven must be earthed out so there is an individual and corporate role of sonship to focus on

# Governmental Sonship

- The Father has shared some things with me to share with you
- Son I have been calling to My children to come and take their places in heaven and find their heavenly roles to bring heaven to earth through their lives.

# Governmental Sonship

- All My children have a destiny that involves their inheritance and birthright so that they can all be mature sons of God revealed out of heaven into the earth.

# Governmental Sonship

- I have been releasing a sound that is designed to connect to the deep desire that is within all My children for relationship and responsibility.
- I will intensify that sound frequency during this time so encourage all to be open and sensitive spiritually to resonate with that sound.

- This is who you are this is your identity embrace it

# Governmental Sonship

- The EG mandate is to equip God's children to arise and take their places as sons in heaven and on earth both relationally and in governmental responsibility.
- Our mandate is to equip the sons of God to manifest heaven on the earth as gateways and legislators

# Governmental Sonship

- We live under a continually open heaven and can be constantly aware of the Father's heart and desires for us
- We can all live by our Father's affirmations as Jesus did "You are my son in you I am well pleased"

# Governmental Sonship

- We can all hear Him continually say words that affirms our identity in sonship
- You who bring me great joy
- You in whom my soul delights
- I take great delight in you
- In you is My delight

# Governmental Sonship

- God speaks from where He is to where we are to reveal the truth from His perspective
- John 14:26 But the Helper, the Holy Spirit, whom the Father will send in My name, He will teach you all things, and **bring to your remembrance all that I said to you.**

# Governmental Sonship

- John 16:13 But when He, the Spirit of truth, comes, He will guide you into all the truth; 14 He will glorify Me, for He will take of Mine and will disclose it to you. 15 **All things** that the Father has are Mine; therefore I said that He takes of Mine and **will disclose it to you.**

# Governmental Sonship

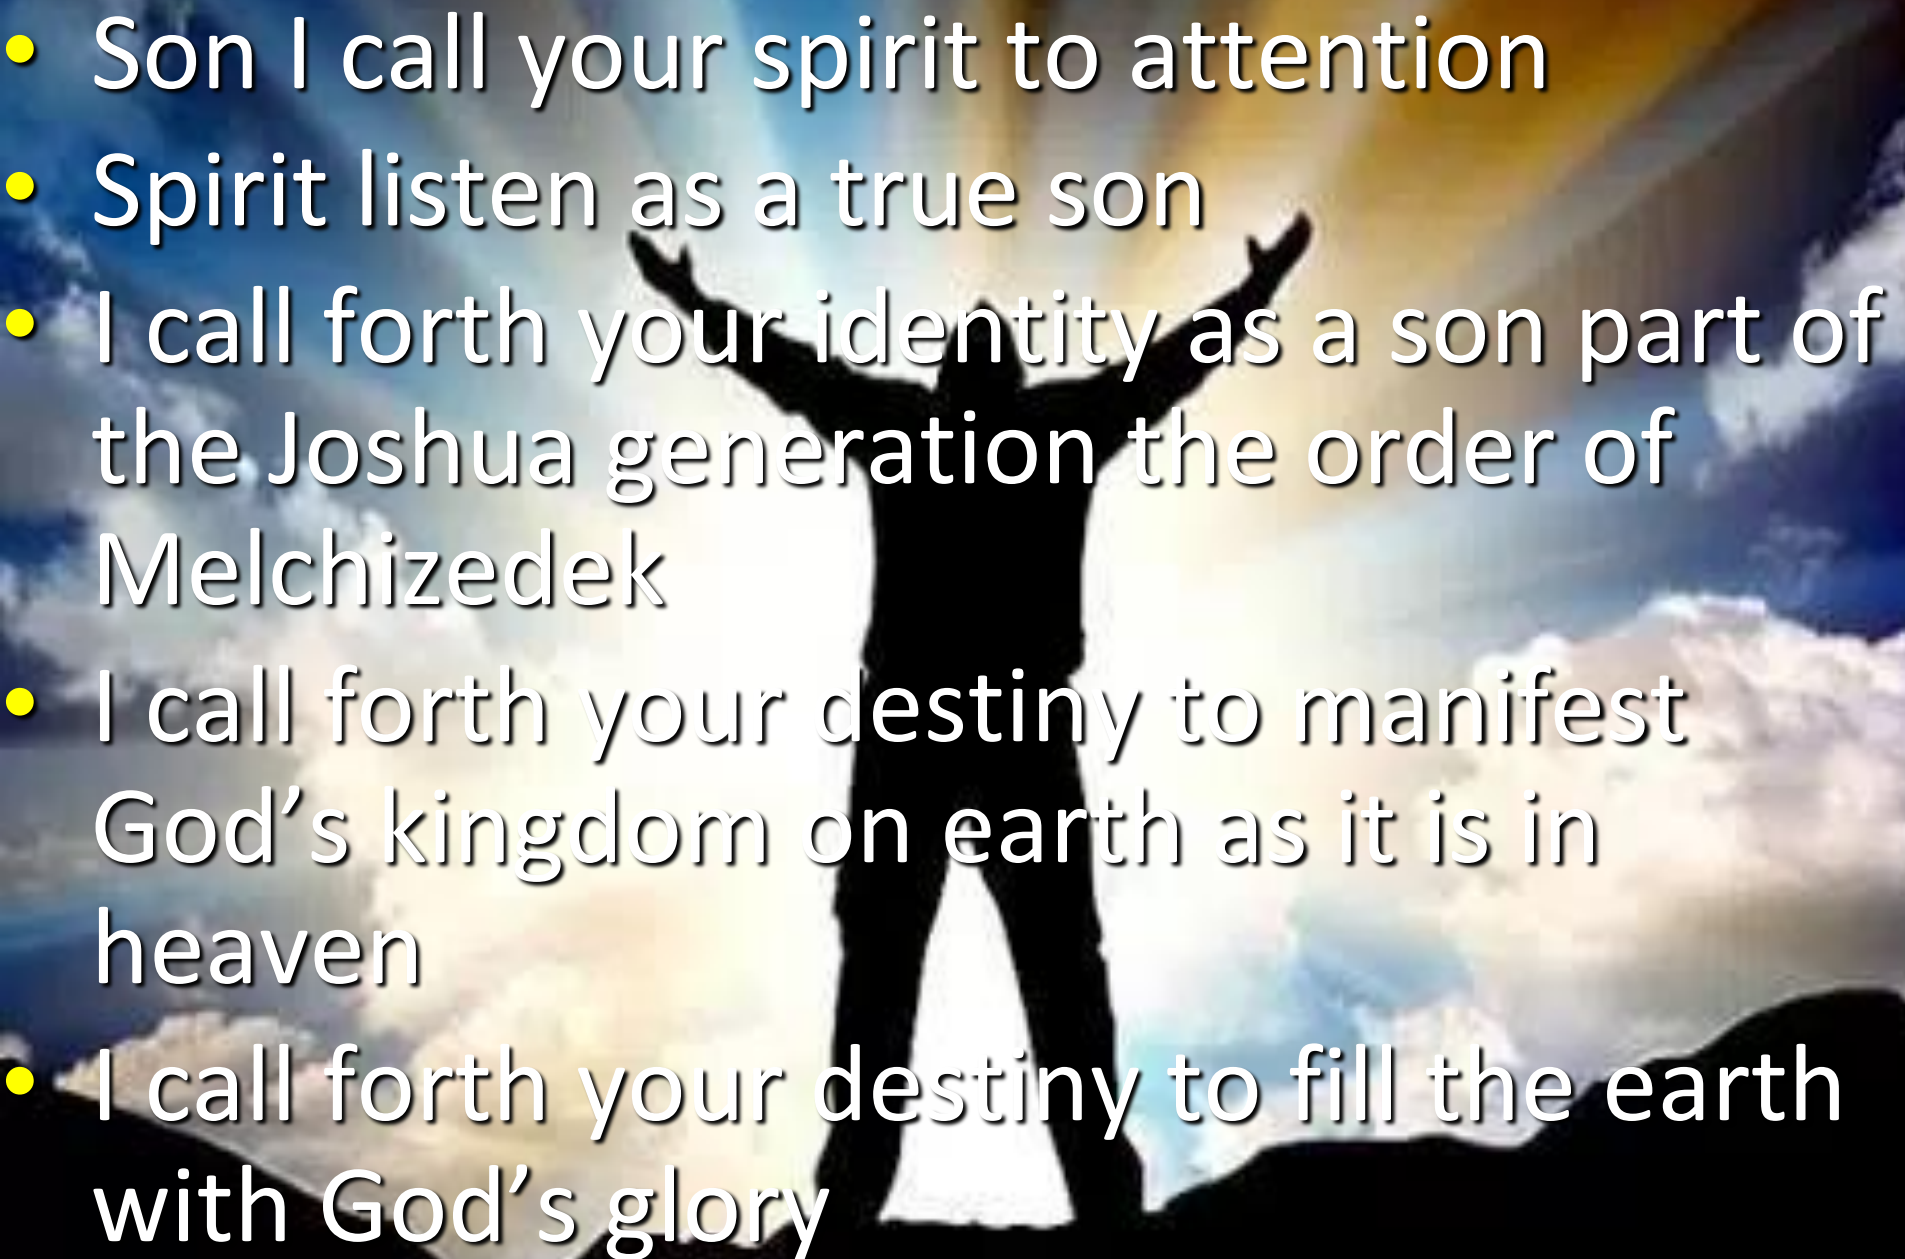

- Act 2:17 'And it shall be in the last days,' God says, 'That I will pour forth of My Spirit **on all mankind**; and your sons and your daughters shall prophesy, and your young men shall see visions, and your old men shall dream dreams;
- We can live in the constant reality of the truth of sonship

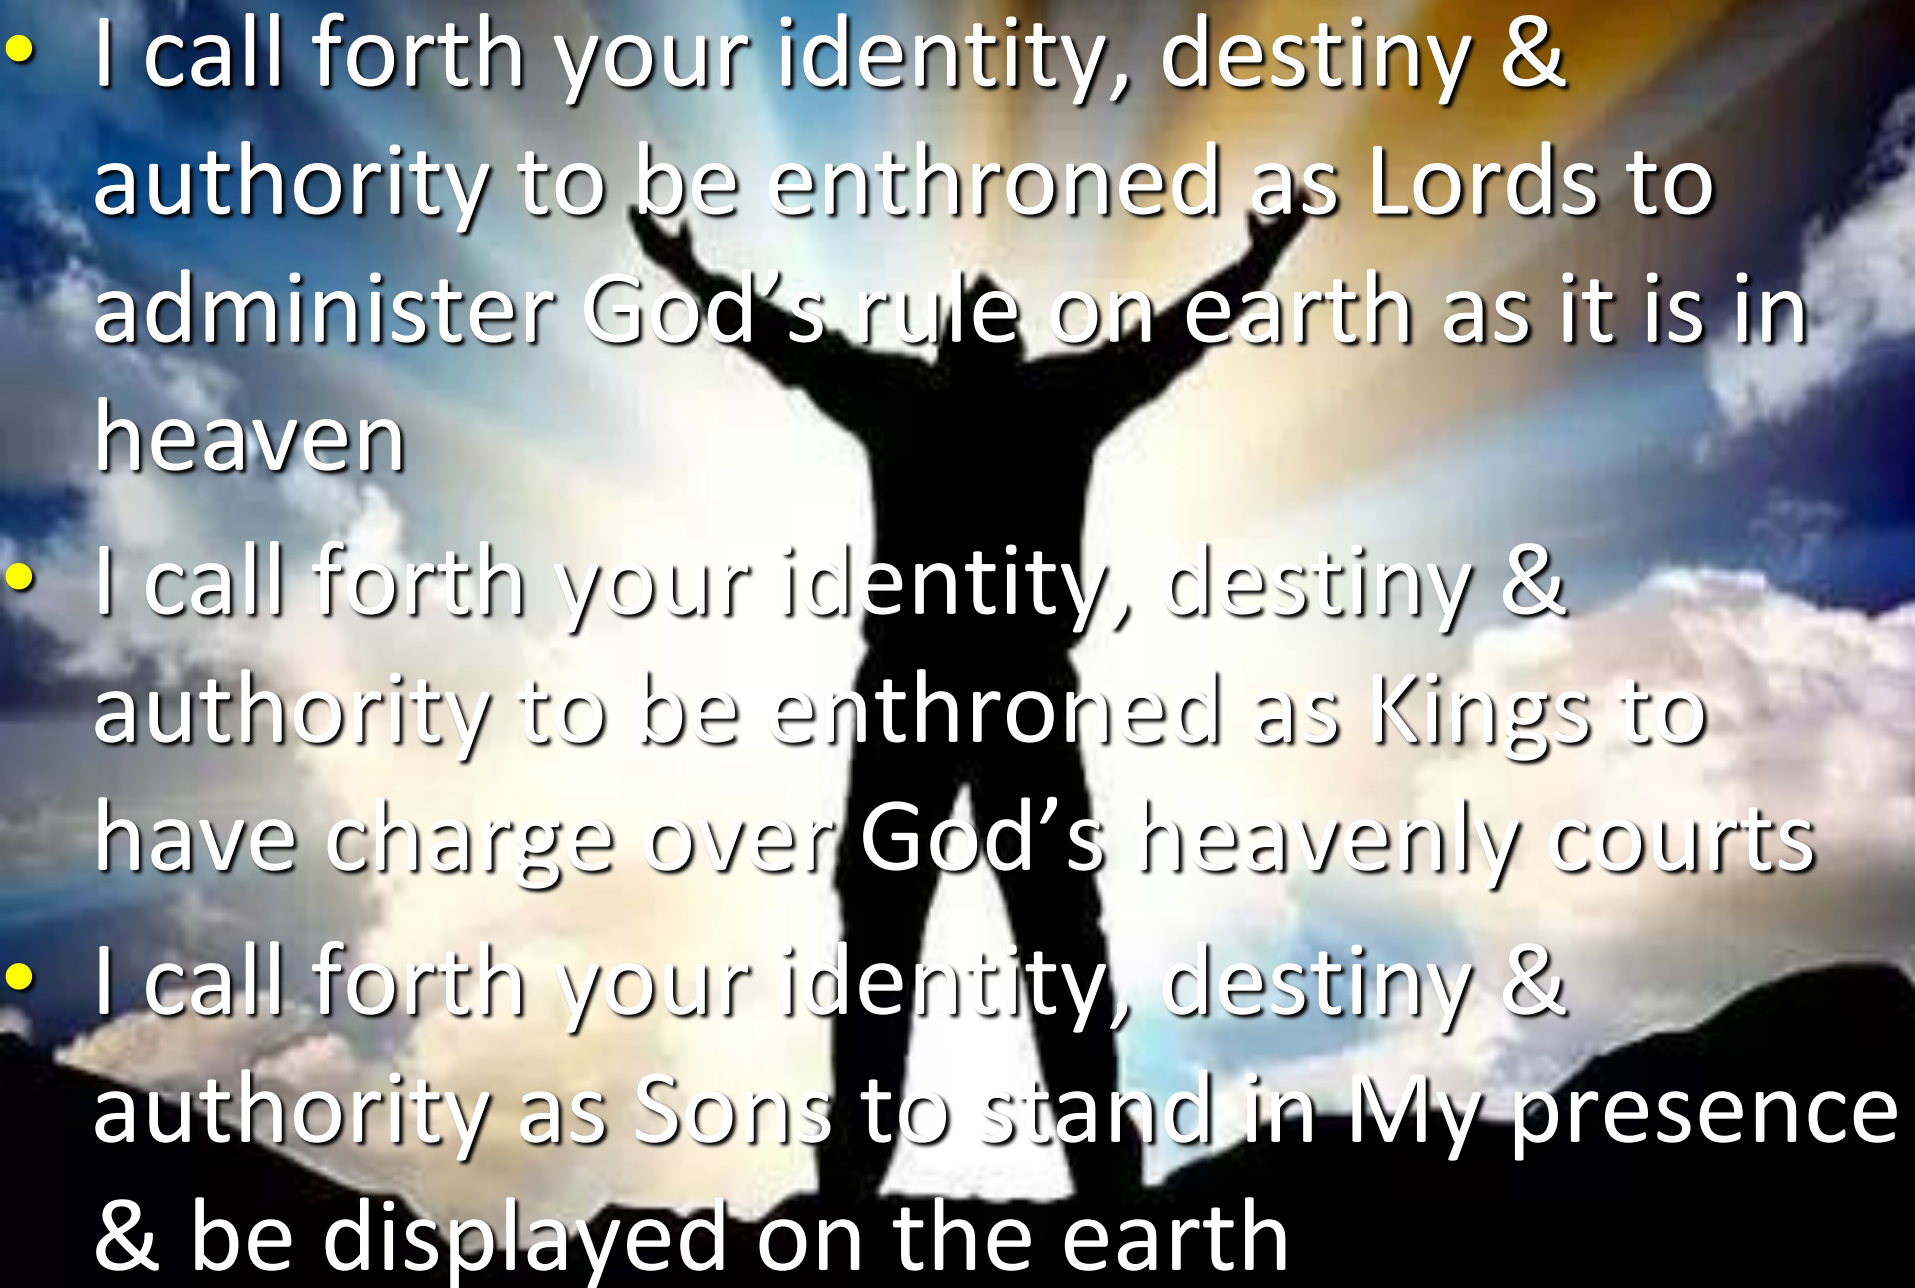

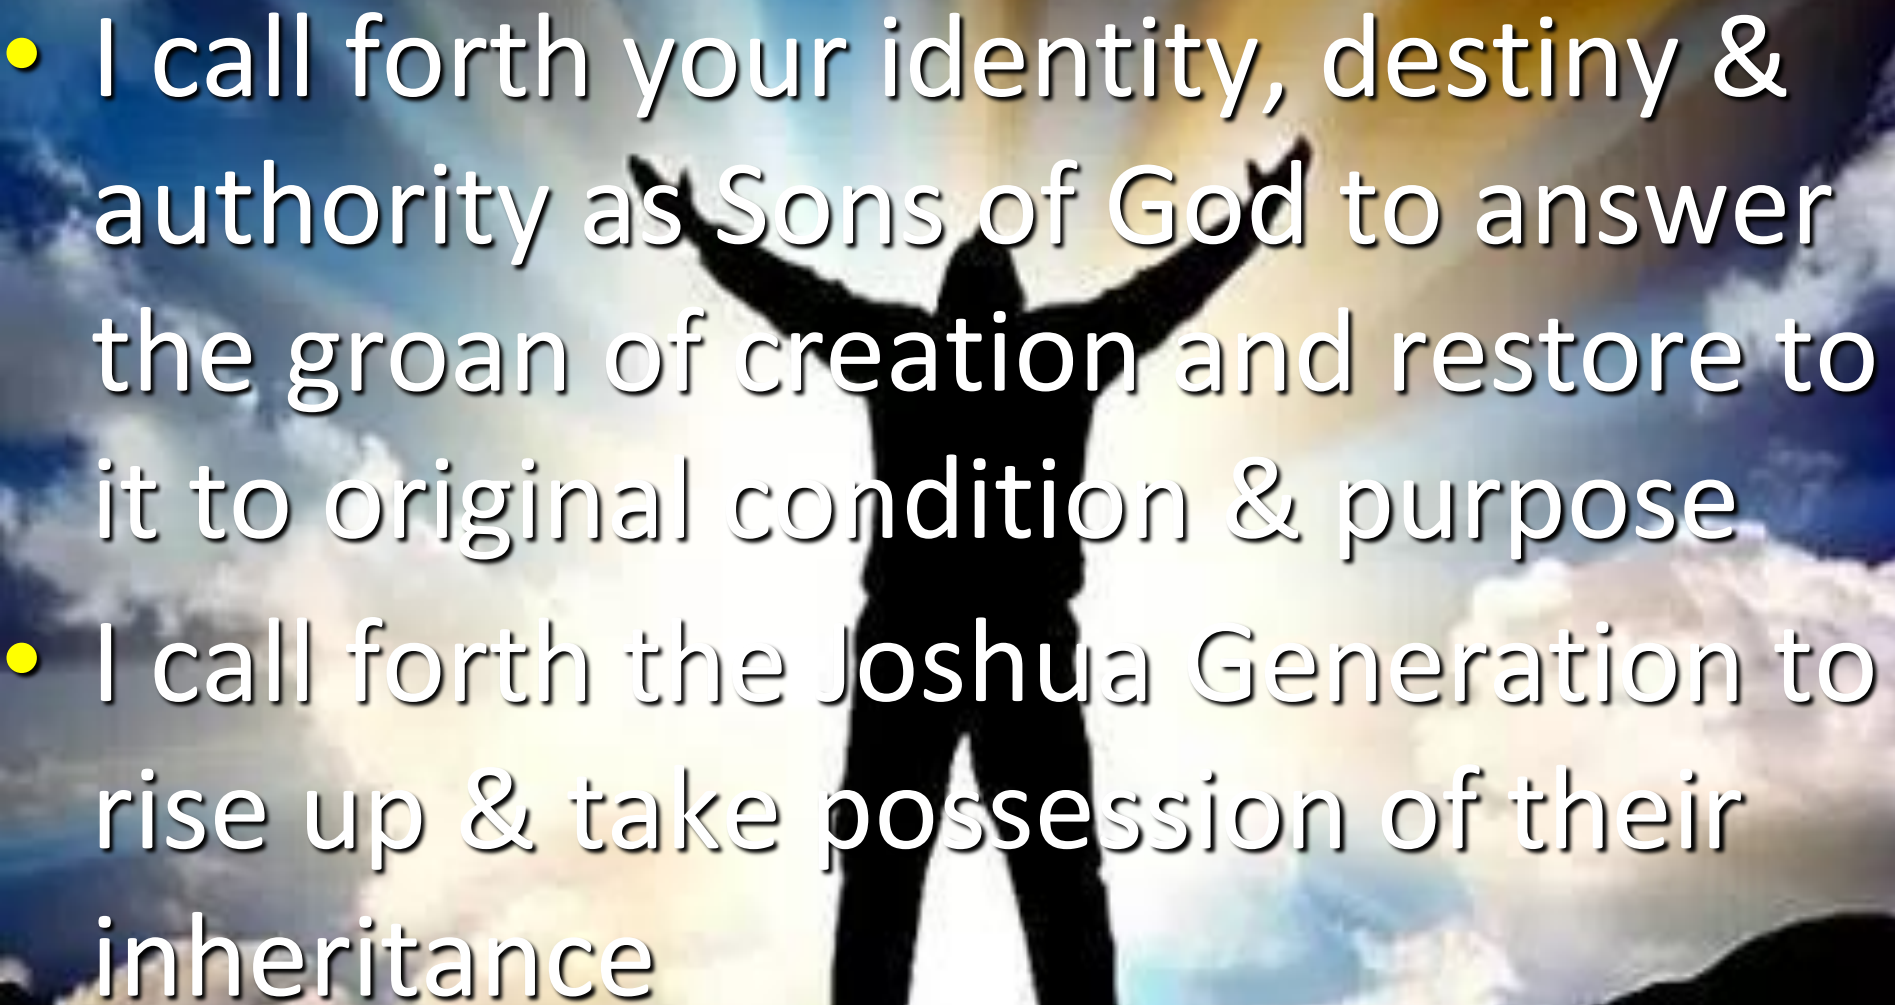

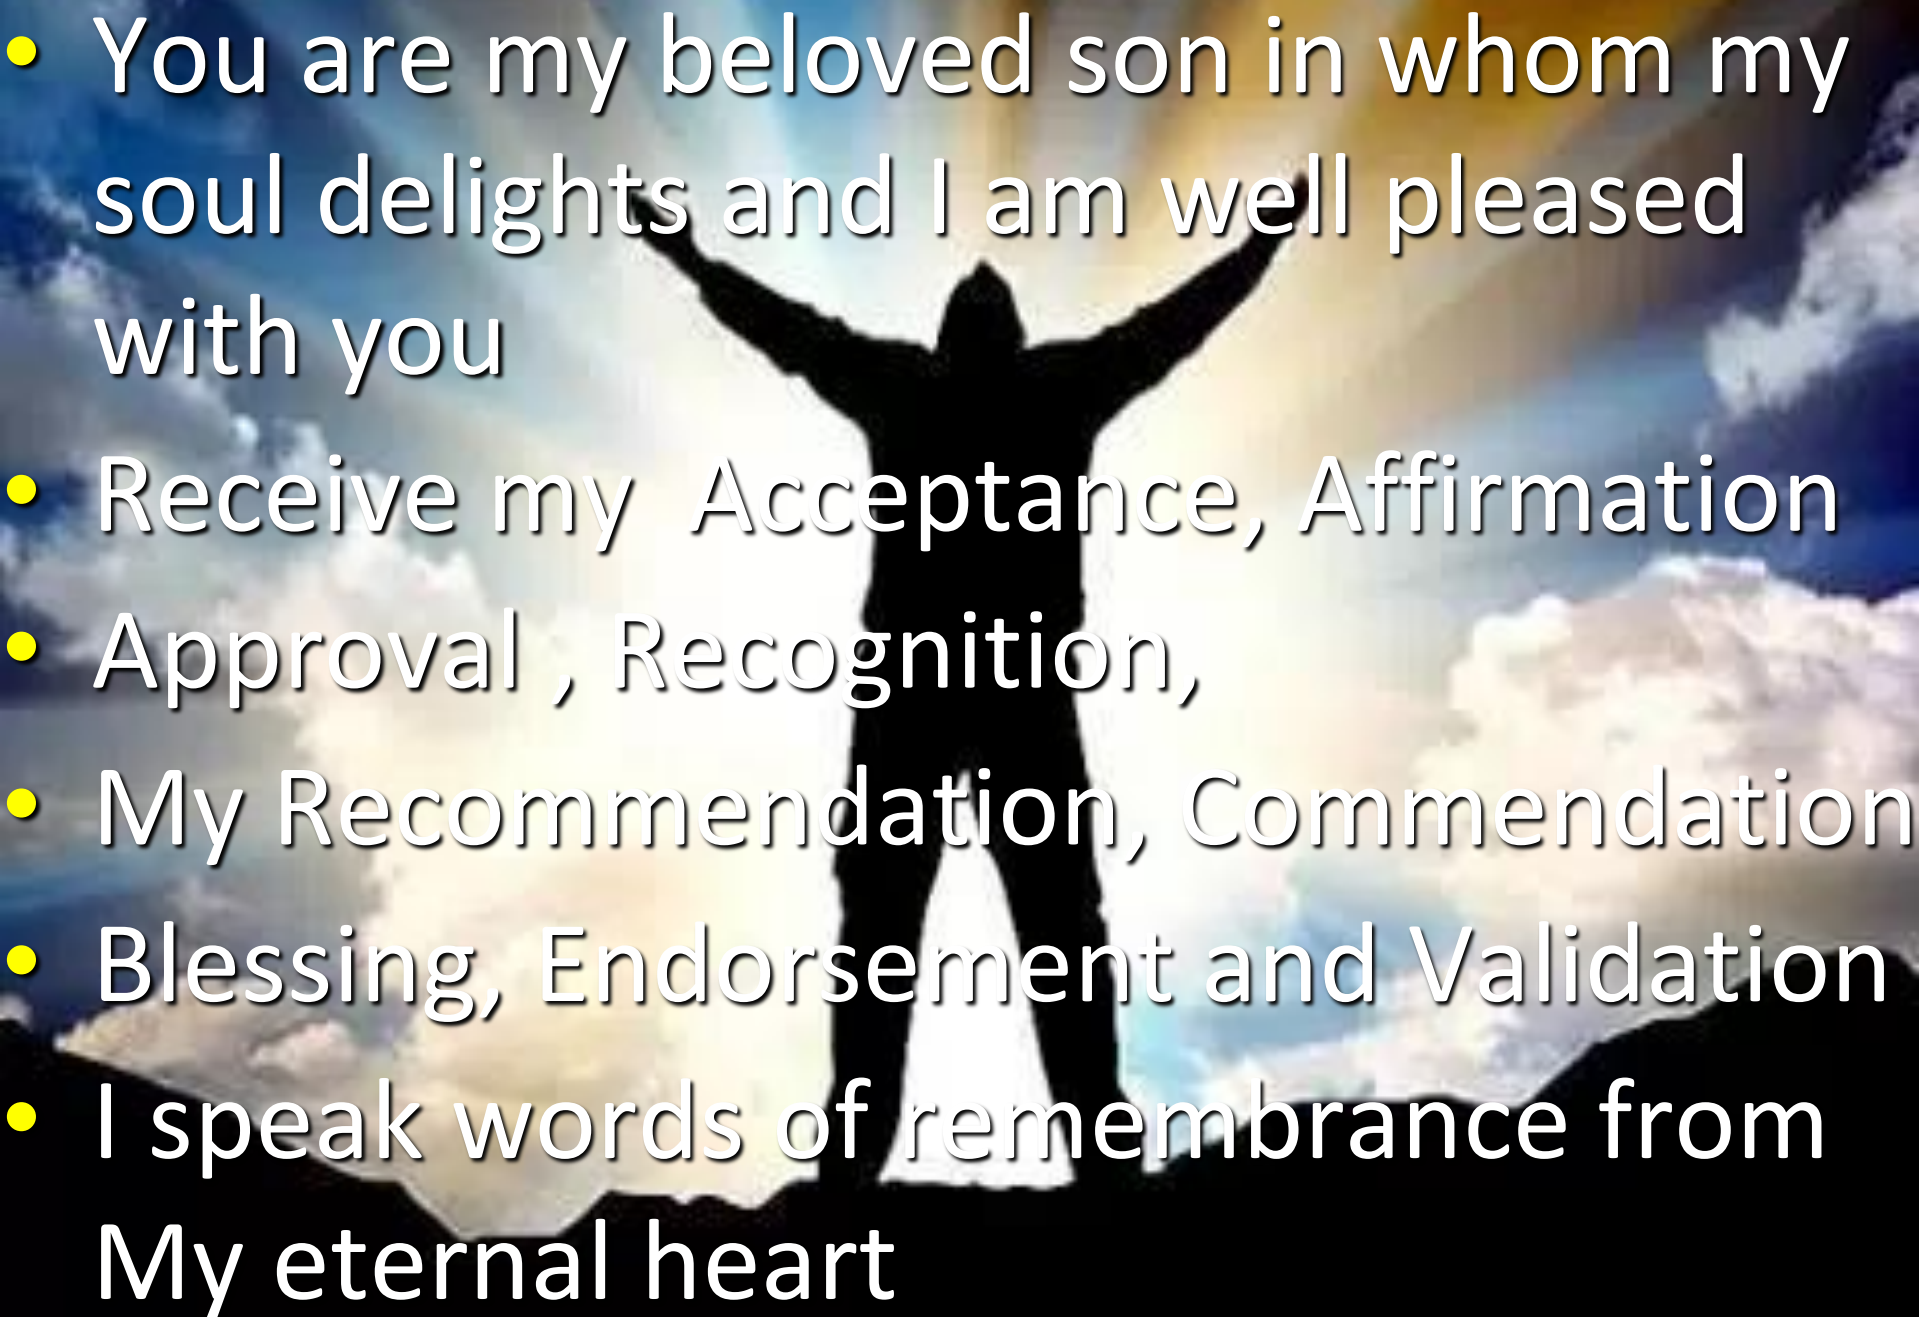

- 
- Son I call your spirit to attention
  - Spirit listen as a true son
  - I call forth your identity as a son part of the Joshua generation the order of Melchizedek
  - I call forth your destiny to manifest God's kingdom on earth as it is in heaven

  - I call forth your identity, destiny & authority as Sons to stand in My presence & be displayed on the earth

- 
- A silhouette of a person standing on a dark, rocky outcrop with their arms raised in a gesture of praise or triumph. The background is a bright, cloudy sky with a strong light source, possibly the sun, creating a lens flare effect. The overall mood is one of hope and spiritual fulfillment.
- I call forth your identity, destiny & authority as Sons of God to answer the groan of creation and restore to it to original condition & purpose
  - I call forth the Joshua Generation to rise up & take possession of their inheritance

- 
- You are my beloved son in whom my soul delights and I am well pleased with you
  - Receive my Acceptance, Affirmation
  - Approval , Recognition,
  - My Recommendation, Commendation
  - Blessing, Endorsement and Validation
  - I speak words of remembrance from  
My eternal heart

# Governmental Sonship

- Son I am calling My children to a new level of sonship where the assemblies and councils of heaven are accessed and the roles of government are to be filled.
- The mantles are prepared and the scrolls are ready for those who have accepted responsibility as sons and are willing to become mature.

# Governmental Sonship

- All of My children have been invested with identity, destiny, position with a birthright and inheritance but there must be a succession before there can truly be an enthronement.
- All are seated in Me but so few are actively functioning from that position.

# Governmental Sonship

- The sound has gone forth and some have responded to the call to sonship but many don't want to go through the maturing process of friendship, lordship and kingship so they can receive the mantles and scrolls needed for positions within My kingdom government.

# Governmental Sonship

- If the sons of God are not positioned in the heavens they cannot be manifested on the earth and the true Ekklesia cannot rise to become Embassies of heaven on the earth.

# Governmental Sonship

- What is established in heaven must be on earth but there is a lack of willingness to receive the heavenly and the earthly roles.
- There are many who want to continue in the old order earthly roles without being enthroned in heaven.

# Governmental Sonship

- There are now more who are embracing heaven but still few of those who are willing to take the earthly responsibility to establish heaven on the earth.
- Will you accept the call and actively take your places?

# Governmental Sonship

- The call is not to just to keep ascending but to dwell in dual realms and function in heaven and on earth as responsible mature sons.
- True reality can only be shaped from a heavenly perspective but it is only an illusion without an earthly expression.

# Governmental Sonship

- The individual call is to be a gateway of heaven into the earth but that is but the beginning unless there are earthly expressions the true mountain of the house of the Lord will remain in the shadow of the religious systems of men.

# Governmental Sonship

- Your new covenant inheritance has an open heaven through the torn veil do not let the veils of the old restrictions limit the full scope of your sonship.
- It is vital we live in a new covenant mind-set if we are govern as sons

# Governmental Sonship

- Those who tried to function by the old covenant law based system of works ended up outside in darkness with no new covenant light to walk in.
- We need to walk in the light of new covenant truth and shine

# Governmental Sonship

- The futility of works through the law was intended to point My children towards new covenant grace and mercy not to make them try to work the DIY system harder through legalistic religion expressions

# Governmental Sonship

- New covenant grace must replace old covenant works so My children can be free to trust Me.
- The mediatorial priesthood of the old must be replaced by the priesthood of all in the new

# Governmental Sonship

- Aaronic priesthood must be replaced by the order of Melchizedek priesthood
- Limited access to the most holy places must be replaced by open access through the torn veil with Jesus as the only door

# Governmental Sonship

- Access to the heavenly realms through death must be replaced by a present open access through the way, truth and life
- Mediatorial hierarchical governmental leadership structures must be replaced by heavenly foundational servant leadership.

# Governmental Sonship

- Moses generation mediators who function on behalf of the people must be replaced by Joshua Generation forerunners as prototypes functioning with the people.
- Old covenant restrictions and limitations must be replaced by new covenant freedom and empowerment

# Governmental Sonship

- Limited responsibility of stewardship must be replaced by the full responsibility of sonship
- Earthly positions of authority must have simultaneous heavenly positions of identity
- Identity through works must be replaced by identity through relationship

# Governmental Sonship

- Obligation and duty through fear must be replaced by opportunity and desire through love
- Obligation of law must be replaced by the response of love experienced.
- We need the intimacy of relationship to be able to govern responsibly as sons of God

# Governmental Sonship

- My sons need to arise and take their places in heaven so I can reveal and release them into the earth to answer the groaning of a creation in bondage to corruption and decay.
- My sons are called to administrate and oversee increase not decay.

# Governmental Sonship

- Decay and death are the result of independence but with the face to face restored innocence of relationship there is fruitfulness and increase that will bring the abundant life of My desire.

# Governmental Sonship

- The power of the resurrected sons of God will be demonstrated on earth as it is on the mountains of heaven.
- Who is willing to embrace the process of maturing in sonship?

# Governmental Sonship

- Who will have the courage to respond to the call to go beyond investiture to succession to embrace heavenly enthronement so that earthly coronations can take place?

# Governmental Sonship

- Ultimately our mandate and goal is to see the sons of God answering creations cry, its groaning for freedom by taking their multidimensional places in the heavenly realms to establish heaven on earth through new order Ekklesia and Embassies of heaven.
