

Governmental Sonship

- Our desire is to help facilitate the children of God as the Joshua generation to function in their governmental positions as sons of God
- This governmental function is according to our cherubic nature within the Order of Melchizedek

Governmental Sonship

- To function in a governmental sonship position we need our identity as sons to come from the Father
- We need a cardiognosis face to face, heart to heart knowing the desires of the Father's heart
- Governmental sonship is reflecting the Father's heart

Governmental Sonship

- We need to take our place within the order of Melchizedek as sons within YHVH as YHSVH
- We govern within the power of His name reflecting from heaven into the earth as gateways
- All sons have a destiny to rule and frame their lives

Governmental Sonship

- Living in dual realms involves legislating as sons for our spheres of authority (mountains)
- Legislating involves receiving or making legislation or laws
- Legislating involves using legislation or laws to rule over our spheres and circumstances
- Framing our lives out of heaven

Governmental Sonship

- Framing our lives out of heaven is not limited to decreeing or declaring to just change and align things
- Framing our lives in time and space by choosing to use the power of our consciousness with intent to create the reality around us by choosing a reality that aligns with God's heart and our sonship

Governmental Sonship

- Isa 42:9 “Behold, the former things have come to pass, Now I declare new things; Before they spring forth I proclaim them to you.”
- We a need a new mind, a new reality and a new consciousness if we are to truly be sons of God

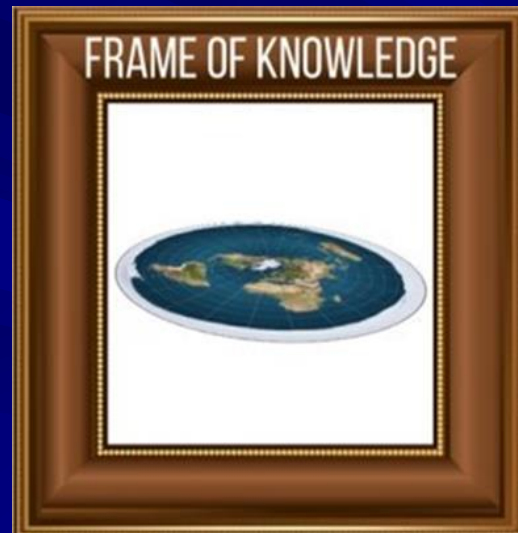

Governmental Sonship

- People live by the old saying "seeing is believing" but we don't have to see something to believe it.
- It's the other way around - believing will make you see. Most people only rely on their five senses.
- They frame their world that way

Governmental Sonship

Most people are only looking inside the so-called "established truth".

It's like a

based on
proven

by the majority

"frame of
knowledge"
what's been
and accepted

Governmental Sonship

- In other words, if something is established as a general truth most people stick to it whether it is actually true at all
- Very few people dare to challenge "the established frame of knowledge"

Governmental Sonship

- Our "frame of knowledge" is constantly changing since science is showing us "new" truths - new paradigms.
- God is also changing our frame of knowledge directly through encounters
- Our consciousness is expanding

Governmental Sonship

- Science will continue to reveal even more new truths that are just in fact ancient creation realities.
- The truths about frequency and vibration that most people would label crazy right now are just real as the law of gravity.
- Are we mature enough to handle the truth?

Governmental Sonship

- With an open mind and the ability to engage the heavenly and eternal realms we can start to believe that something can be a reality even though science can't yet prove it or even though we can't verify it with our five natural senses.

Governmental Sonship

- A new "truth frame" is emerging an expanded consciousness revealing that we are vibrational beings living in a universe of frequency and vibration
- As sons we can use the knowledge of frequency to be fruitful, subdue and rule

Governmental Sonship

- Your desires, emotions and feelings must also be aligned with God's heart and with the reality you desire.
- It is not enough to merely want something if you do not truly have emotions and feelings that are in harmony with that reality.

Governmental Sonship

- You need to "fall in love" with what you want in order to be in the correct vibrational state.
- Your subconscious mind has a different belief system than what you are desiring for. Hence your inner feelings and emotions are not aligned with your desire. These beliefs are thousands of times stronger than desires and wishes.

Governmental Sonship

- We all have built a blueprint in our mind (subconscious) of what we regard as true and what we believe in.
- This blueprint has been sculpted for years through your childhood by your father and mother, by what you read in the newspapers, by what you see on TV, by what you learn in school church and so on.

Governmental Sonship

- When our minds are expanded to begin to see from a nonlinear perspective we are no longer limited to living in dual realms
- We can begin function in multidimensional realms simultaneously
- Multidimensional nonlinear living

Governmental Sonship

- I discovered that I did not have to function linearly in heaven
- My spirit is continually within the omnipresence of God and is simultaneously in many dimensions
- A continual living sacrifice on the altar
- Standing within the heart and mind of God in the eternal now

Governmental Sonship

- Standing within YHVH as YHSVH in the authority of God's name
- Standing within the 4 faces of God see through the eyes of the Lion, Ox, Eagle and Man
- Being continually seated on my heavenly throne and ruling

Governmental Sonship

- Active in the Chancellor's court
- Engaging wisdom and 7 spirits of God
- Positioned governmentally and relationally within the Tree of Life and Metatron's cube dimensionally engaging creation as beings of light
- Being free for assignments – Hear am I send me

Governmental Sonship

- There is a flow of eternal perspective heavenly kingly, prophetic, legislative and priestly perspectives continually active with my spirit and soul quantumly entangled
- Many streams of insight, perspective, wisdom, revelation etc. that are flowing like a heavenly river

Governmental Sonship

- There is an increased capacity to function in sonship
- My soul is resonating with heavenly reality and able to shift to engage wherever I am in the heavenly realms
- My soul is learning to live nonlinearly by being at rest

Governmental Sonship

- I am learning how to shift focus to connect with other realms consciously whilst still cognisant here
- E.g. I can describe where I am in the heavenly realms while still engaging you here in this realm
- Tongues is a communication both ways in this process

Governmental Sonship

- Living and functioning with the mind of Christ accessing unlimited possibilities and choosing to create reality from the eternal and heavenly perspectives.
- Framing time and space because you always have all that you need to do all that you are mandated to do.

Governmental Sonship

- Time serves us as sons and we are able to contract and expand time more effectively and efficiently
- We are never too busy and never anxious or worried but always ruling at rest.
- God kept asking me to more so I had to rule time to enable me to do so

Governmental Sonship

- Time travel and heavenly missions being translated in time and space in the spirit or with spirit and soul as cognitive experiences
- I became more active in making myself available for adventures to answer people's prayer etc.

Governmental Sonship

- With expanded levels of consciousness we can continually be at rest in a delta wave state of consciousness accessing theta wave and alpha wave states of creativity.
- Choosing a reality that aligns with our destiny

Governmental Sonship

- The fabric of the creation is yours as sons. This is where you have had your being but you will no longer be limited by the constructs of your passage to maturity.
- As My sons you have the creative capacity of your Father. You have all within you within Me. Look within not without.

Governmental Sonship

- I am the fulfilment of the law and prophets I am the express image and full representation of the Father.
- I am the first born of many brothers. sons who are joint heirs and therefore jointly responsible that the kingdoms of this world become in reality the kingdoms of the Lord.

Governmental Sonship

- I am that I am is about to reveal who you are: Free to know and free to see you will be free to be who you see
- I call you gods because that is who you are My sons.
- Can you handle that truth?

Governmental Sonship

- You are a child of God
- You are the light of the world
- You are an overcomer
- You are blessed to be a blessing
- You are the answer to creation's bondage
- You are accepted, loved and affirmed
- You are destined to rest in love, joy and peace

Governmental Sonship

- This truth has been perverted and corrupted by man aided by the enemy to create pathways that are framed apart from God
- It becomes fixed in a impersonal God that is but a cosmic force or fixed on ourselves as God
- Pantheistic self absorbed perspective

Governmental Sonship

- The knowledge, wisdom and understanding that relationship with God gives us means our present reality can be realigned from an eternal Godly perspective
- Our reality or truth is effectively controlled by what we already think we know and is limited by self

Governmental Sonship

- Matt 19:26 And looking at them Jesus said to them, “With people this is impossible, but with God all things are possible.”
- Luke 1:37 For nothing will be impossible with God.”
- Jesus was seeing through the limitless love of the Father’s heart

Governmental Sonship

- Matt 17:20... if you have faith the size of a mustard seed, you will say to this mountain, 'Move from here to there,' and it will move; and nothing will be impossible to you.
- Mark 9:23 And Jesus said to him, "If You can?' All things are possible to him who believes."

Governmental Sonship

- Are we can do or can't do people?
- Are we half empty or half full people?
- Are we believers or not?
- What is the source of what we speak?
- Do we speak from fear or faith?

Governmental Sonship

- Mark 11:22 And Jesus answered saying to them, “Have the faith of God. 23 Truly I say to you, whoever says to this mountain, ‘Be taken up and cast into the sea,’ and does not doubt in his heart, but believes that what he says is going to happen, it will be granted him. 24 Therefore I say to you, all things for which you pray and ask, believe that you have received them, and they will be granted you.

Governmental Sonship

- Truth is a person Jesus known only by personal experience
- Free to know – who God is and who you are
- Free to see reality from the perspective of our eternal destiny scrolls
- Free to be who we were created to be
- Free to do all we were created to do
- Free to go where we were created to go

Governmental Sonship

- The focus of the thoughts and intentions of our heart are key in framing our desires into realisation
- Quantum understanding of the conscious expression of the intentions of our heart that frame our reality

Governmental Sonship

- What is Reality?
- The state of things as they actually exist, as opposed to an idealistic or notional idea of them.
- Reality the state or quality of having existence or substance.
- What has framed our reality?

Governmental Sonship

- When we come to know the Truth we experience true reality
- True reality is not what we have come to know through our earthly experiences
- We have been living in an illusion veiled as reality

Governmental Sonship

- John 16:13 I want to show you your future. You can know My will and My plan for your life, although right now, you don't have the ability to see or observe it. But when the Spirit of Truth comes, He will **give you the ability to see things to come!**

Governmental Sonship

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible.
- Quantum reality strings of vibrating energy within the fabric of everything ready to respond to the voice of sonship

Governmental Sonship

- "God used faith substance and word energy to create the universe. He spoke and the vibration (sound) of His words released (caused) the substance that became the stars and planets."
- Those strings of energy are the voice of Jesus' power and His grace (divine enabling power)

Governmental Sonship

- Those strings of energy are waiting to form the reality we speak into existence if we are speaking with the living word of God
- Rom 4:17 .. even God, who gives life to the dead and calls into being that which does not exist.
- Rom 4:17 and is calling the things that be not as being. YLT

Governmental Sonship

Governmental Sonship

- From whose perspective are you viewing yourself?
- What reality are you creating from your observation?
- Are you perpetuating a reality based on what you already know or have already experienced?

Governmental Sonship

- Information flowing from your future possibilities is waiting for you to see - to observe - and call those things that are not as though they are.
- The quantum leap of knowing your purpose and assignment is waiting as a God qwiff for you to pop! – David Van Koevering

Governmental Sonship

- When we are reconciled and restored in relationship with God Himself our mind can be renewed
- This opens up the potential possibilities that we are able to access the eternal mind of God then our future reality can be realigned from an eternal godly perspective

Governmental Sonship

- Continuing to use the DIY methods of drugs, alcohol, pornography, food, relationships, religious works or any other substitute because your addiction to DIY keeps you bondage
- Choose another future, see another reality, see your freedom and your God given destiny

Governmental Sonship

- Quantum observation
- Quantum entanglement
- Quantum tunnelling
- Quantum faith
- Let's be creative sons of God not limited by our DIY pasts to create a better future

Governmental Sonship

- Don't Look Back in Anger, by Oasis.
(1996)
- Slip inside the eye of your mind
don't you know you might find a
better place to play
- We can begin to learn to frame
time and space using our minds

Governmental Sonship

- What reality are you living?
- From whose perspective are you viewing reality? – yours or God's
- Does it feel like a dream or a nightmare?
- You can change your reality
- All reality or truth if not seen through the perspective of The Truth Jesus himself, will eventually become a nightmare

Governmental Sonship

- All of our minds are constructed from pillars of beliefs and value systems that have been built through the experiences of our lives
- Those pillars form our worldviews and frame how we interpret the world around us – they are our conscious reality

Governmental Sonship

- We see the world through a lens that filters life's experiences and gives us a confirmational biased view that perpetuates the status quo
- Those pillars in our minds may be lies or false representations of reality if viewed in comparison with The Truth Jesus who is the only true reality

Governmental Sonship

- Many of my constructs were religious theology or doctrine
- Evangelicalism, Sola Scriptura, Greek thought, Hebrew thought, Augustinianism, Protestantism
- Some were from the education system and some from the DIY tree path of self
- Scientific rationalism, Cultural relativism, Humanism

Governmental Sonship

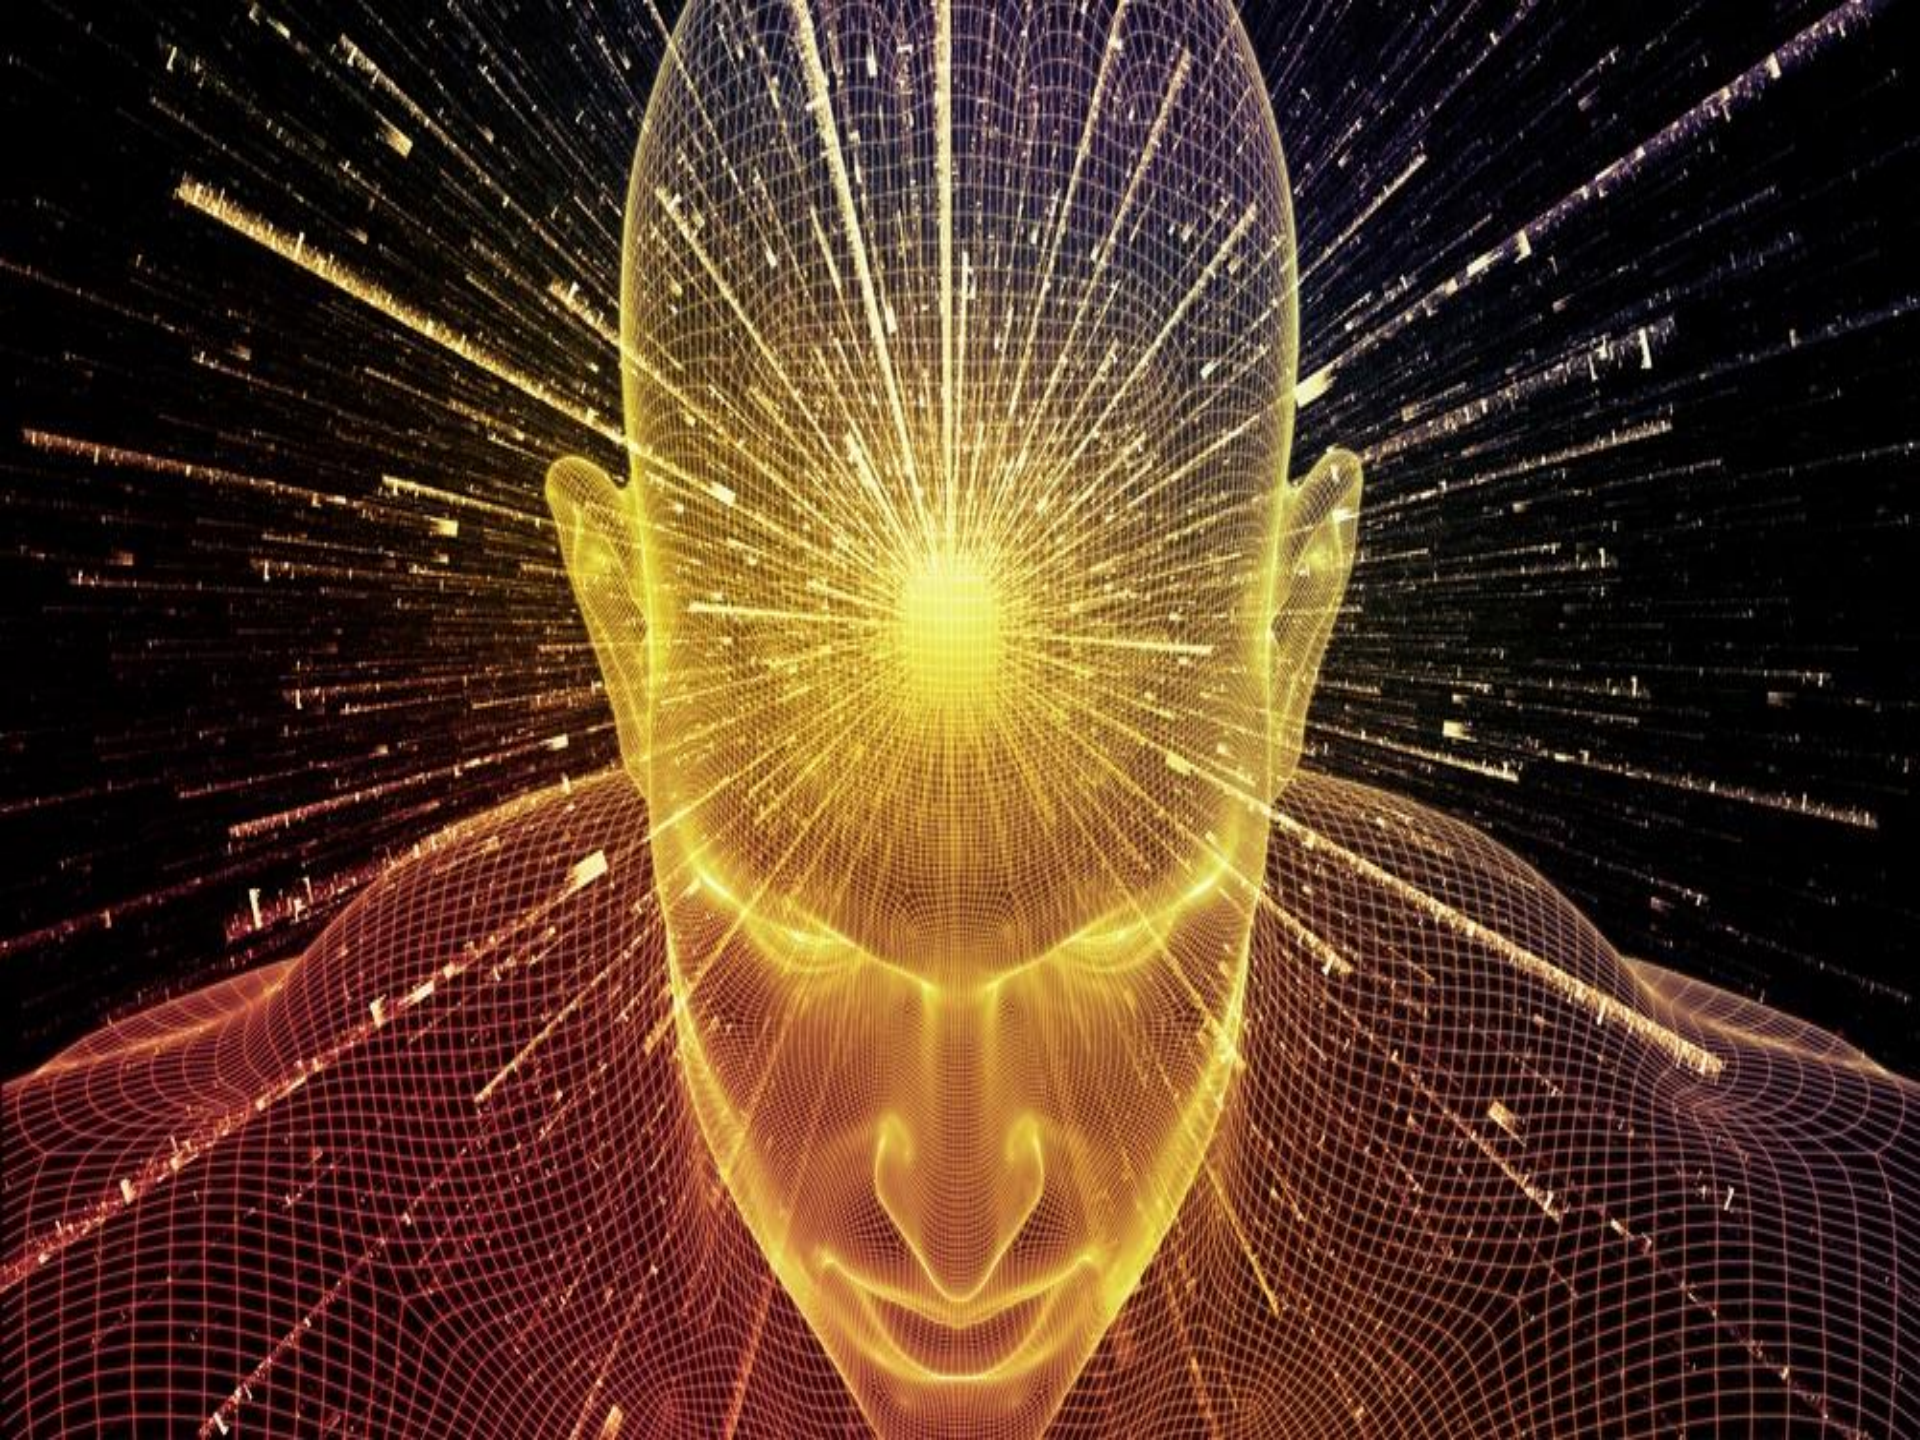

- When your mind is stretched by a big idea it will never return to its original shape. Thomas Carlyle
- Once the first pillar was removed which was evangelicalism the theological belief systems began to crumble

Governmental Sonship

- Doctrines and theological positions not reflecting God's love began to be exposed as lies they began to be exposed by the light of truth
- I began to see things I never saw before, connected with people who were invisible to me before

Governmental Sonship

- Long held beliefs were challenged by the experiences of God's love that encounter engaging with Him
- My whole relationship with God began to change as my filters were removed and I started to see everything through the lens of love

Governmental Sonship

- Why is this deconstruction and renewal so important?
- Act 3:20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the **period of restoration of all things** about which God spoke by the mouth of His holy prophets from ancient time.
- We are tasked with the restoration of all things that's impossible with limitations

Governmental Sonship

- We are not going to fix the problem with the same DIY methods that created it
- We are not going to build embassies of heaven like they did at Babel to make a name for themselves
- We will have the ability to construct organically using quantum reality

Governmental Sonship

- Rom 8:16 The Spirit Himself testifies with our spirit that we are children of God, 17 and if children, heirs also, **heirs of God** and **fellow heirs with Christ**, 19 For the anxious longing of the creation waits eagerly for the **revealing of the sons of God**. 21 that the creation itself also will be set free from its slavery to corruption into the **freedom of the glory of the children of God**.

Governmental Sonship

- Rom 8:19 Our lives now represent the one event every creature anticipates with held breath, standing on tip-toe as it were to witness the unveiling of the sons of God. Can you hear the drum-roll?
21 All creation knows that the glorious liberty of the sons of God sets the stage for their own release from decay.

Governmental Sonship

- God loves the whole cosmos but it is waiting for us to mature as sons
- Sons who know the truth and full reality about their Father and themselves
- We need to see God as He truly is and see ourselves as created in His image
- The illusions and delusions must be exposed so that we can be unplugged from this false reality

Governmental Sonship

- Jesus the Truth the last Adam desires to remove the limits placed on us by first Adam to restore us and conform us to our original eternal blueprint.
- Restored abilities to engage bandwidths of energy abilities lost at fall, flood and Babel

Governmental Sonship

- Only the Truth that I am conscious of and know by experience will set me free from being tethered to the earth the physical realm and being under it's rule and bondage
- The Truth desires to release us into the glorious freedom of our sonship as co-heirs of His kingdom

Governmental Sonship

- Freedom from addiction can you see that reality?
- Freedom from sickness, disease and pain can you see that reality?
- Freedom from rejection, fear, insecurity, poverty and every bondage and limitation can you see those realities?
- If we can't see them as truth they can't manifest in our lives

Governmental Sonship

- John 8:32 you will **know the truth** and the truth will **set you free!**” 36 Who the son (The Truth) sets free will be free indeed
- Free from the chains of time and space and the dimensional restrictions of the matrix of our belief systems and mind-sets
- Free to fly untethered and unrestricted

Governmental Sonship

- There can be many realities, but there is only One Truth.
- The Truth, once perceived may not always be to our taste.
- It may not always be convenient or pleasant as it means change
- It may require sacrifice and discipline but it will always bring us freedom

Governmental Sonship

- If we can't perceive the eternal realm of which we are citizens we will remain confined and tethered to this earthly DIY version of reality
- Earthbound restricted and living in a carefully constructed illusion that limits us to being mere mortals unable to change anything or fulfil our destiny

Governmental Sonship

- 2 Cor 2:4 in whose case the god of this world has **blinded the minds** of the **unbelieving** so that they might not see the light of the gospel of the glory of Christ, who is the image of God.
- Are you blinded by the world's DIY system?
- Whose reality are you living in?

Governmental Sonship

- Much supernatural truth has been veiled and perverted by the New Age movement and is put off limits to us by the religious spirits operating within the old order religious systems
- We must recover that hijacked truth
- All truth is from God because Jesus is the truth but some things have been veiled in deception

Governmental Sonship

- The veil that has limited our potential and kept us earthbound can be removed
- Knowing yourself is impossible apart from knowing Jesus
- We must know the Truth if we are to be free indeed.

Governmental Sonship

- The veil is the construct of deception that has robbed us of true reality.
- When we come to know the Truth we can experience that true reality
- True reality is not what we have come to know through our earthly experiences therefore we have been living in an illusion veiled as reality

Governmental Sonship

- What is your reality?
- Is your reality shaped by what you have experienced and what you have seen?
- Can you trust what you see?
- Some scientists believe that this reality behaves like a holographic projection
- Where are you looking for your reality?
- Is your truth relative or absolute?

Governmental Sonship

- Our consciousness is a series of electrical impulses in our synapses passing along neural pathways that our brain interprets as thoughts
- We have learnt to interpret those signals
- We can also use those signals
- The world of matter and energy responds to us when learn to focus those signals

Governmental Sonship

- Everything depends on which perspective you are looking at it from
- Your consciousness has the ability to affect energy and matter from a quantum perspective
- Light is an energy wave that carries the potential to become a matter particle depending on the thought of the viewer

Governmental Sonship

- This Truth may be beyond what I can presently imagine or think.
- Renewing our minds is the expanding of our consciousness to know our true potential.
- He chose the foolish things to confound the wise so we would know it is only through Jesus the truth

Governmental Sonship

- Our minds must be enlightened or illuminated by the light of Truth.
- The vast sum of Gods thoughts about me that reveal that I am a son of God created in His image with a destiny to rule the universe with Him
- That truth will unlock the true potential of our sonship the creative image we are made in.

Governmental Sonship

- Eph 5:14 For this reason it says, “Awake, sleeper, And arise from the dead, And Christ will shine on you.”
- Waking up to knowing the Truth as a person will set us free to be who God intended
- It will challenge your present perception of yourself and your life

Governmental Sonship

- We can know the truth from God's perspective and align ourselves with His thoughts about us
- We can see ourselves – free from addiction
- We can see ourselves healed,
- We can see ourselves loved, accepted, affirmed significant

Governmental Sonship

- Our conscious thought has quantum power
- The universe responds to the focus of our consciousness.
- We have the mind of Christ therefore the capacity for the greater works.
- It is time to embrace the potential possibilities of who we are because of who He is.

Governmental Sonship

- Our consciousness has the ability to frame our reality
- We must not frame our reality out of being subject to times and season or we will be subject to time
- God set the sun moon and stars to frame time and seasons so they would subject to us not that we would be subject to them

Governmental Sonship

- One of the core principles of Quantum Physics is the idea that reality (the photons that produce the light-illusion we all occupy) exists in infinite possible states (ie: the many-worlds scenario) until we observe it and thus collapse all potential versions of reality into the one single option we've chosen to live inside.

Governmental Sonship

- Consider you're sitting on your sofa and you're suddenly struck with the desire to do something different.
- You are suddenly faced with the decision between infinite permutations of reality, you could do infinite things
- As you weigh things up what you start to focus on becomes more likely to occur

Governmental Sonship

- You could go out of the room
- You could turn on the light; you could walk outside; you could go to the kitchen, you could turn on the TV or turn your computer or phone on
- Past rewards and memories can drive you towards your choice and reality

Governmental Sonship

- You can immerse your consciousness into any reality you want. But you must decide which action you will take, you must make a choice on which reality you want to 'observe' at the cost of becoming 'blind' to all other options.
- Compulsive behaviour driven by your past choices can overwhelm you

Governmental Sonship

- As soon as you select a reality and move towards that observed choice, suddenly the photons around you blur and shift as you pull yourself deeper into that reality;

Governmental Sonship

- The options you didn't select, however, now fade out of conscious thought, out of observation, and thus begin to experience a decay of quantum likelihood as you continually move away from them in pursuit of your selected reality.

Governmental Sonship

- But that option which you did select—well, its photons are now becoming more vivid, turning from abstract imaginary choice into tangible forms you can interact with (whether its the light switch, the TV, phone, computer, a drink, drug or an image etc.

Governmental Sonship

- This concept is the fact that your internal consciousness, those synapses and chemicals manipulated by your thoughts, can alter the physical photons that surround you.
- Whose reality do you want to create and from which source do you draw on to choose?
- God or DIY

Governmental Sonship

- If you are choosing from your past you may be:
- Hiding your passion and creativity because you're afraid you may not be good enough
- Such as not doing art because someone said you were bad at it.

Governmental Sonship

- Not pursuing a passion because someone told you it was a silly pastime that would never make you money.
- Agreeing to plans you don't really want to be a part of to fit in
- Staying in a job or relationship that doesn't fulfil you because you need the money

Governmental Sonship

- Not taking the time to look for other jobs for fear of switching to something new.
- Not going after jobs that would make you happier but may not be as financially stable.
- Pursuing relationships that you know aren't healthy because you don't want to be alone.

Governmental Sonship

- Our present reality is controlled by the programming of our past experiences and knowledge
- Our future reality will continue to be a self perpetuating fulfilment unless we see from a new heavenly reality perspective

Governmental Sonship

- If you do decide to escape your own source you have the power to envision a future reality that doesn't currently exist.
- So rather than simply choosing from an already existing menu you wish to engage with, you can instead create new photon-forms that never existed before and inject them into reality.

Governmental Sonship

- We have this incredible ability called imagination: the ability to mentally envision a thing or a concept and then summon it into reality.
- We all have that ability but do we use it?

Governmental Sonship

- All the things you see today: buildings, cars, planes, tables, chairs, computers, even the clothes on your body, these are all physical items we can now choose to interact with even though they originally only existed as thought forms inside someone's mind.

Governmental Sonship

- They were all once inert pieces of quantum possibility floating in the abstract realm of human imagination until someone came along and had the means to choose to pursue their creation.
- What reality are we creating for our lives?

Governmental Sonship

- Heb 11:3 By faith we understand that the worlds were prepared by the word of God, so that what is seen was not made out of things which are visible.
- Rom 4:17 .. even God, who gives life to the dead and calls into being that which does not exist.
- 17 and is calling the things that be not as being. YLT

Governmental Sonship

Governmental Sonship

- From whose perspective are you viewing yourself?
- What reality are you creating from your observation?
- Are you perpetuating a reality based on what you already know or have already experienced?

**Information flowing
from your future possibilities
is waiting for you to see
and observe it
and call it into being.**

Kingdom
advance

Governmental Sonship

- God has dignified man by giving him free will to choose and create his own reality aligned to those choices
- Those choices made independently of God have created the chaotic DIY state the world now exists in
- They are created without the reference point of love

Governmental Sonship

- When we are reconciled and restored in relationship with God Himself our mind can be renewed
- This opens up the potential possibilities that we are able to access the eternal mind of God then our future reality can be realigned from an eternal godly perspective

Governmental Sonship

- Continuing to use the DIY methods of using drugs, alcohol, pornography, food, relationships, religious works or any other substitute your addiction to DIY keeps you bondage
- Choose another future, see another reality, see your freedom and your God destiny

Governmental Sonship

- Quantum observation
- Quantum entanglement
- Quantum tunnelling
- Quantum faith
- Let's be creative sons of God not limited by our DIY pasts to create a better future

Governmental Sonship

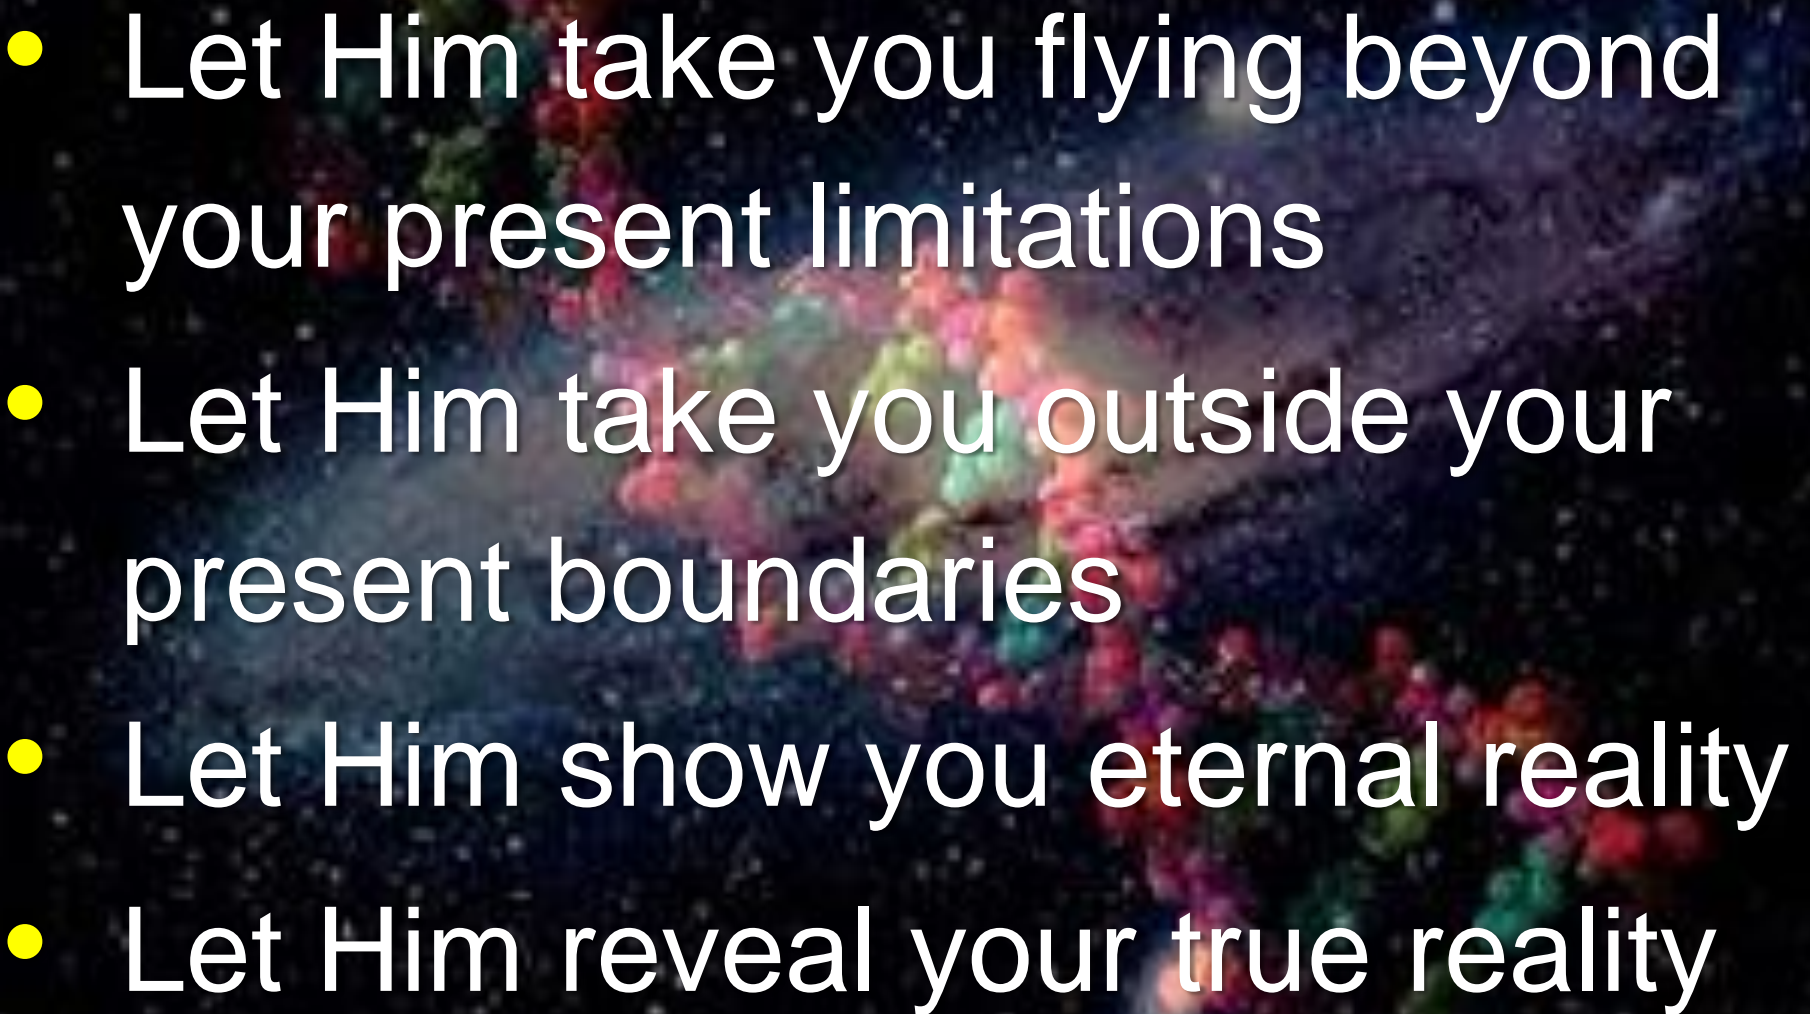

- All of creation has it's eyes fixed looking for true sons to be revealed.
- Will you be one of those sons?
- Will you accept the call?
- Will you embrace your destiny?
- Will you accept His yoke and learn from Him the Truth?
- He is calling for the sons of God to arise.

- Jesus is here waiting to engage you will you choose that possibility?
- Let Him unplug you from the limited constructs of your mind
- Let Him expand your reality
- Let Him expand your conscious awareness of who you are
- Let the Truth free you To know true reality 

- Let Him begin to renew your mind by revealing the truth of His love for you
