

# Heavenly Realms

- As we mature in sonship there is a governmentally creative function we begin to operate in.
- This requires deconstruction and renewal of our minds and the expanding of our consciousness to engage creative possibilities to choose and create realities.

# Heavenly Realms

- This creative function takes us beyond the basic realms of Kingdom of God, Kingdom of Heaven and Heaven to engage Heaven of Heavens, Perfection and Eternity.
- There are important places within those realms that are key for our creative functions.

# Heavenly Realms

- Those higher realms are more closely connected to the eternal now for the transcendent outside of time and space perspective of God's heart.
- That means when we choose and create reality it is aligned to the Father's heart.

# Heavenly Realms

- Global, cosmic and dimensional roles.
- Sonship and quantum physics.
- Quantum entanglement.
- Multidimensional living.
- Brooding and incubating reality.
- Creative process of choosing and creating realities.

# Heavenly Realms

- Cradle of life within the Father's heart accessed through the golden gates in the Father's garden
- Chamber of Destiny behind the sound of many waters waterfall in the Father's garden
- Chamber of Creation where the Quantum Lumens are activated.

# Heavenly Realms

- Realm of light in the dark cloud within the realm of perfection
- Elemental thrones connecting us to creation.
- Cloak of mystery within the dark cloud within the realm of the kingdom of God.

# Heavenly Realms

- Son the thrones of the elements need to be occupied by the sons of God for creations restoration.
- Relationship with the Elementals must be restored for creation to be set free.

# Heavenly Realms

- The focus of Our children needs to be turned from their DIY agenda to the sonship mandate of dominion for blessing.
- The global agendas must be neutralised as they regard the earth as an asset to be stripped and that is an abuse.

# Heavenly Realms

- The relationship with creation needs to be restored so the symbiotic union that was Our intention can function for the benefit of all.
- It was so different in the beginning in the garden but we want what would have without the sidetrack.

# Heavenly Realms

- The cosmos is taking its cue from what is occurring in the earth sphere and what is being broadcast through the communication networks is a false system.
- We must be the frequency of hope that can be broadcast dimensionally to all creation.

# Heavenly Realms

- The other cosmic dimensions have traded on this twisted agenda perverting Our original intentions to their own agendas even further
- The sons must rise and shine love's light to broadcast a higher frequency that will disrupt the false agendas and create hope.

# Heavenly Realms

- Son all of the parts of creation are interconnected and when one suffers they all suffer it is time for love, joy and peace to spread like a virus infecting with good.
- We are that virus so we must be pure and free from the pollution of the leaven of religious and political spirit.

# Heavenly Realms

- We are calling Our children to a global awakening of the consciousness of true love reality but Our sons need to be ready to receive the harvest that is being prepared.
- Safe places where heaven, earth and creation are in union.

# Heavenly Realms

- It is time for global Ekklesia to rise from the ashes of the church system and be storehouses for the coming harvest.
- To be restored gardens of union between the dimensions where fruitfulness will be restored.

# Heavenly Realms

- Son these Ekklesia must be free from mixture and pure of heart and purpose to receive the harvest.
- There is a religious spirit agenda to rob the purity of Our sons by deceiving them with old Covenant mindsets linked to Jewish mysticism and false Hebrew roots.

# Heavenly Realms

- Son you are mandated to issue a warning against the infiltration of the global Ekklesia of the political and religious spirit's agendas through Hebraic roots theology seeking to reintroduce that failed culture and tradition.

# Heavenly Realms

- Son I have this to give you. What is it?  
It is a mystery.
- Why would I need a mystery Father?
- Trust Me in this. Ok I will receive this  
mystery.
- The Father placed the mystery over  
me like a cloak or mantle but it  
completely shielded me from view.

# Heavenly Realms

- It felt like an energy field that surrounded me but also light that shines a way of inwardly absorbing illumination.
- I felt wisdom and knowledge and might like I was cloaked with the 7 spirits of God.

# Heavenly Realms

- No one would be able to fathom this including myself I thought.
- Was this symbolic but it felt so real even if it looked surreal.
- I symbolically had 7 eyes so I could see dimensionally and 7 heads that increased my consciousness's capacity and authority.

# Heavenly Realms

- I thought I need to test it out so seated on my new throne in the heaven of heavens I looked to see with 7 eyes.
- I saw the voids but this time clearly and how they formed a dimensional image like an inverse fractal.

# Heavenly Realms

- These voids was where I was detecting an absence of restoration revelation they were design to maintain the global status quo.
- I went to the restoration void passing through the shielded harmonics as if they were not even there.

# Heavenly Realms

- I saw three fallen beings responsible for opposing the restoration of all things message.
- I felt no intimidation after my encounters with the light and now I was clothed with a mystery like a dark cloud but actually light but not as I had seen before.

# Heavenly Realms

- I spoke in a way I had never done before able to communicate my deepest desire for restoration, forgiveness, oneness to the three who were knotted together like a Trinitarian knot.
- I overshadowed them within the mystery and all the light I had absorbed burst upon them with love's passionate burning desire for their restoration.

# Heavenly Realms

- The void was filled with an intensity of love's light that absorbed the darkness and there were the three most amazingly beautiful beings of light.
- They asked if they could stay in the mystery until they were ready.
- Ready for what I thought but before I could ask they were already aware of my musing.

# Heavenly Realms

- To be disconnected to become how we were created three but governmentally and relationally one.
- I said yes even though I would need to meditate on what they meant.

# Heavenly Realms

- I have used the cloak of mystery which is more like a realm or state of being than an actual cloak.
- It is a mystery a place of hiddenness within the dark cloud where we can engage with fallen angelic beings safely.

# Heavenly Realms

- This place is a safe haven where fallen angels can be restored and remain hidden from reprisals giving us information until they are ready to come back into the light of our realm.
- This dark cloud is within the Kingdom of God realm connected to the atmosphere of the earth.

# Heavenly Realms

- The cloak of mystery within the dark cloud is a realm of light hidden within darkness that is a key place to learn how to outwork the restoration process particularly in relation to fallen angels.

# Heavenly Realms

- Son come walk with Me. We were in the realm of perfection walking in the realm of light.
- Son feel the light don't just see it visually as it is alive with possibilities bursting with creative energy.

# Heavenly Realms

- Feel and sense that life force and open your heart to it so it can feel your desire and be activated by it.
- Your desire is created when you are joined to Us and one heart with us within the Cradle of Life as you brood.

# Heavenly Realms

- The resonance of your brooding creates the sound of your desire and that excites the living light with possibilities.
- Son you know the process but ensure the process is relational by opening your heart to the scrutiny of perfection's light.

# Heavenly Realms

- Son come here to absorb the light of perfection before you brood in the Cradle of Life and that will ensure a purity without mixture.
- When you engaged as groups you have permission to open this realm of perfected light so that you can engage the fallen ones effectively.

# Heavenly Realms

- Son come deeper into the light of Our being in this realm of perfection as this is where the eternal now can converge with your time.
- Son this will help you live from the eternal now state within time to become the convergence as you can be one at rest but still moved by the events in time.

# Heavenly Realms

- Son learn to live, move and have your being from within Us but express your being as the light of love within time.
- The light realm of perfection is filled with the light of Our being as this is the light of love.

# Heavenly Realms

- The light realm of perfection is completely attuned and synchronised with who We are that is why it casts no shadows.
- This is where I first went in 2012 and now I can dwell there.
- This is where we can see the manifold facets of His face.

# Heavenly Realms

- This realm of light in Perfection is so important to the brooding creative process as it is as it should be.
- Son come into the realm of light in perfection and be and see the perfect state of Our desires and intentions.

# Heavenly Realms

- Immediately as I entered the dark cloud and came into the light of truth I was drawn to one facet of His face.
- The glorious splendour and majesty of pure perfection overwhelmed me in I amness all was as it has always been.

# Heavenly Realms

- The rest of love, joy and peace cocooned me as my reality was immersed in well-being this was deeper than I had ever been into before the reality of who is I am that I am.
- I was just being as I absorbed the light of truth to be who I was always meant to be in a reality that was always intended to be.

# Heavenly Realms

- Son you will soon engage the Firestones once more for the next season of change and transformation to be revealed.
- Embrace the fire for the joy set before you full of hope and glory so creation can respond to the light of the rising of Our children to sonship.

# Heavenly Realms

- Son there will be signs in the heavens and the earth that will be clear pointers that you will recognise as significant that others might miss so be diligent and vigilant.
- Keep looking so you can see.

# Heavenly Realms

- With great change comes great opposition so be careful to maintain honour in love to those who resist the challenges to deception.
- Rest in the light of perfection and learn to be.

# Heavenly Realms

- It is time for true reality in multidimensional living so you can fully enjoy the bliss of rest from your labours to just be.
- I have shielded you from the knowledge of just what your nonlinear being is accomplishing in the spiritual realms just giving you glimpses.

# Heavenly Realms

- I will take the blinkers off your mind so your consciousness can expand to take in multidimensional reality and truly appreciate your capacity as a mature son of God.
- I have learned all things linearly but now can live a nonlinear existence.

# Heavenly Realms

- In that moment I became aware of who I am and what I am doing at a higher level of consciousness in an expanded state of reality.
- I am therefore I exist in manifoldness just like my Dad in nonlinear quantum moments of the fulfilment of my destiny.

# Heavenly Realms

- I am quantumly entangled multidimensionally with the eternal now, Cradle of Life, sound of many waters waterfall, Chamber of Destiny and the Chamber of Creation continually in just one of many realities.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, throne of grace, judgment seat, altar of fire, Firestones and my heaven of heaven's throne in another reality set.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, Four faces of God within YHVH, Court of the Councils of the Father's, Court of Kings, Chancellor's Court and my mountain thrones in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, The Circle of the deep, 12 High Chancellor's Houses and the Council of 70 in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, Court of the Upright, the Cloak of Mystery dark cloud, Wisdom's Heights and the Consuming Fire of love in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, The beyond beyond dimensional anteroom and many dimensions in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, Wisdom's Heights, The ancient paths, the four doors, the Earth shield in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, The Father's garden, the Elemental's 7 thrones and creation in another quantum moment.

# Heavenly Realms

- I am also quantumly entangled multidimensionally with the eternal now, My own spirit first love place, garden of my heart, Dance Floor, Soaking room, Bridal chamber Merkabah, Tree of Life, 7 energy gates and expanded spirit spheres in another quantum moment.

# Heavenly Realms

- My heart filled with joy and I sank deeper and blissfully into rest but at the same time was so excited by this revelation that I could hardly contain myself.
- This as it was always meant to be living in I am that I am and I am that I am living in me.

# Heavenly Realms

- Son see how easy it is to just be and this is just a glimpse of what it is to be I am that I am that you will ascend to when you become an ascended father.

# Heavenly Realms

- Son learn to become aware of multidimensional reality but always stay in rest living in love, joy and peace within balanced by the tree of Life between spirit soul and body.

# Heavenly Realms

- As you expand your spirit's boundaries practice expanding your consciousness to become more aware of the dimensional realities that you are mandated to govern in.

# Heavenly Realms

- All you learn to do as a son made in Our image with creative abilities will equip you to become an ascended father in the ages to come.
- Son the true authority of a son is realised through surrender not service so abandon yourself totally to just being.

# Heavenly Realms

- Our nature as I am that I am is the model and pattern for Our children to follow as sons just learn to be be be at rest in who you are.
- All the doing in the world will not enable you to be but being who you were created to be will enable all the effective doing from total rest.

# Heavenly Realms

- It is the frequency of rest that creation needs to become still so it can rest from its groaning.
- Son remember that you are designed to be limitless in unconditional love, grace and mercy overflowing in lovingkindness.

# Heavenly Realms

- Lovingkindness is true the hallmark of Our nature and that is new covenant reality free from all DIY tree law based knowledge.
- Son you are slowly learning to see creation through Our loving eyes so that the oracles of Our heart will be your inspiration.

# Heavenly Realms

- Inspired by lovingkindness everything is limitless there are no restrictions so free your mind from impossibilities and choose a reality that reflects true New Covenant unconditional love.

# Heavenly Realms

- Son come walk with Me. We walked in the Father's garden of was beautiful beyond description
- I began to feel the pleasure of the Father and creation's pleasure that we were enjoying it.

# Heavenly Realms

- Everything was communicating with me as we walked it was sensory overload in a good way as I felt the emotions of each living thing.
- The garden was singing to me its joy that the Father was enjoying it and that I was enjoying it.

# Heavenly Realms

- Son sonship must focus beyond the restoration of creation to the joy set before it of the union of all things.
- You have begun to see that by enjoying life every day in the rest of multidimensional living by being creative.

# Heavenly Realms

- Son do not hold back on your creativity as that is what life is supposed to be about the restoration process is not an end in itself but is only so life can return to Our image.

# Heavenly Realms

- Everyone is individually crafted and wonderfully made in Our image to live in the rest of their creative identity.
- All that you are enjoying making through the creativity you are expressing is part of the reset and recalibration of your life for enjoyment.

# Heavenly Realms

- So many of Our sons are not a good example to Our children because they are performance driven and are not enjoying life.
- We intended creation to be a joyous expression of I am that I am but following the path of independence has taken the joy out of creation.

# Heavenly Realms

- The shift you are going through is restoring the creative joy to your heart that is why your priorities are changing.
- Son as you have discovered by living in multiple dimensions free from the restraints of time you have all the time you need to do what your entire destiny mandates you to do.

# Heavenly Realms

- So just as you have felt the joy of My garden feel the joy of your domain and be satisfied and really be content with your creative endeavours.
- Son never again go back to the old ways of working which was lacking in real joy but look forward to being creative as an ascended father.

# Heavenly Realms

- Creation is groaning to return to symbiotic union with the sons of God that is reflected in what you feel in My garden.
- Son imagine the whole of the created order expressing the joy you have experienced in My garden and brood over it.

# Heavenly Realms

- I went through the golden gates into the Cradle of Life to brood over what the Father had shown me.
- My whole being rested in that desire for restored union and I was already enjoying what I was contemplating as if it already existed in that quantum moment.

# Heavenly Realms

- The Chamber of Destiny amplification and the Chamber of Creation excitement of the Quantum Lumens of reality were contained within that creative moment.
- Son now you are beginning to know true rest and enjoy a life of being.

# Heavenly Realms

- Son brood over all that you have seen within the Cradle of Life to come into full agreement, union and harmony with Our intentions so that you can be one of the oracles that release the sound of many waters to shape and form reality in the Chamber of Creation.

# Heavenly Realms

- The whole of creation is waiting and longing for the sons of God to be moved by its groaning enough to act responsibly.
- Arise shine with the glory of your sonship to restore hope to all the dimensions that are beginning to awaken from the great deception.

# Heavenly Realms

- Son only living in a state of rest will enable all that you have seen to become reality trusting in Our lovingkindness despite all evidence to the contrary.
- Live loved, love living and live loving in the rest of immortality.

# Heavenly Realms

- Legislate for this transition although few will be aware of it transformation will take place and the future you seek will come into reality.
- Son engage the realm of light in perfection to know Our heart and brood over the process of wealth transfer.

# Heavenly Realms

- I engaged the light of the Father's countenance and basked in the radiance and beauty of His face infused with revelation knowledge and truth.
- I saw everything that should be and will be as it is and I was filled with joy and peace and totally at rest in being in the is.

# Heavenly Realms

- Contented I went to the Cradle of Life and in collaboration with the Father's heart brooded in rest.
- As that quantum moment fast forwarded I became overjoyed again this time pulsating to the rhythm of the frequency of creative thought.

# Heavenly Realms

- The process of creating that reality continued in fast forward as the sound of many waters amplified the thoughts into words at the waterfall and the Chamber of Destiny energised the sound until the Chamber of Creation was alive with the dance of the Quantum Lumens.

# Heavenly Realms

- I am sure there will be many more discoveries of the heavenly and dimensional realms that are connected to our governmental and creational sonship abilities that will be revealed.
- Seek and pursue by desire to engage these realms as led.

# Heavenly Realms

- Rest is the key to restoration, revelation and creativity.
- Start to focus on your breathing slowing it down and start thinking of the name of God YHVH
- Breathe in deeply and exhale slowly  
Yod
- Breathe in Hei and out Vav

# Heavenly Realms

- Repeat in Hei out Yod in Hei and out Vav
- Be still and know that I am God
- I am love, I am joy, I am peace

# Heavenly Realms

- Invite love, joy and peace flow in you and through you to create an atmosphere of rest around you
- You are in a safe place
- Start to think of an open heaven and set your desire upon engaging wherever the Father takes you.
