

Module 7 – Living Sacrifices 03

Session 3

This short module is Living Sacrifices, the preparation for intimate relationship and the resultant transformation it brings so that we mature as sons of God. We will discover places of fire and learn to engage the fire of God's loving presence for heavenly transformation.

Rom 12:1 Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, *which is* your spiritual service of worship. 2 And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.

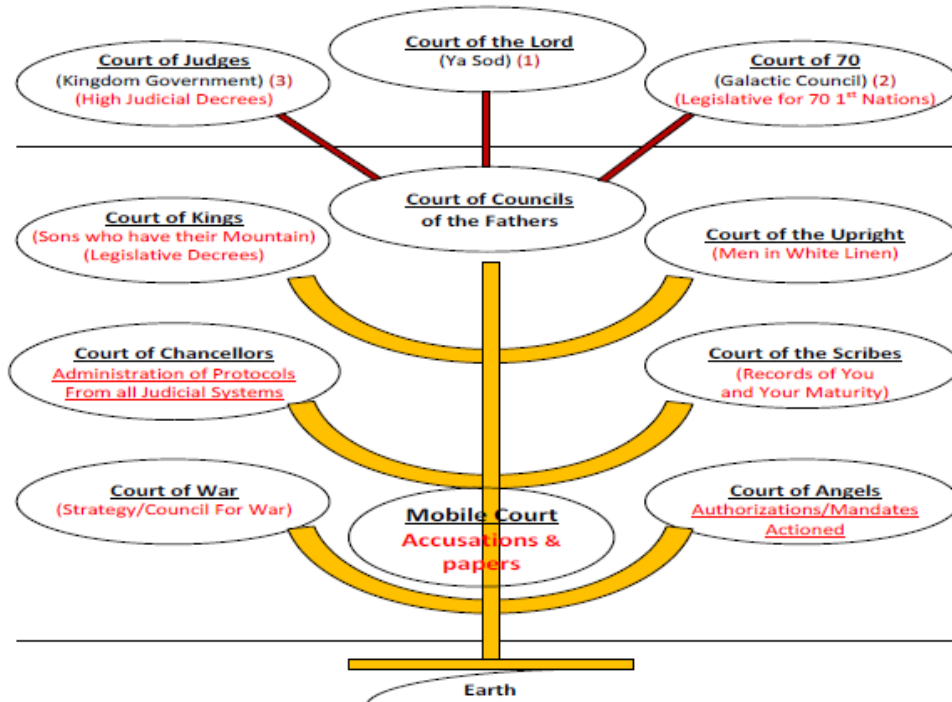

- The purpose of being a sacrifice is worship; choosing to fulfil His will which is my agreed destiny.
- Jesus was the ultimate and perfect example of a living sacrifice by choosing daily to only do what He saw the Father doing in relationship.

The living sacrifice process is to help equip us to mature relationally and governmentally.

We begin as disciples who mature to become bond servants, stewards and eventually friends who engage in intimacy beyond the veil.

Zech3:7 “Thus says the LORD of hosts, ‘If you will walk in My ways and if you will perform My laws, then you will also govern My house and also have charge of My courts, and I will grant you free access among these who are standing here.’”

Heaven’s Court System

God has always had a plan and purpose for each of our lives. To engage those plans we need to engage and surrender to God’s thoughts by becoming living sacrifices. Living sacrifices surrender their own plans and purposes to a higher cause: our destiny as sons for creation.

The thoughts of God toward us today are totally in tune with what was written on our scroll before the foundation of the world and what we agreed to for this realm. Destiny is not fate, it requires choice. We have a choice, to agree with God and pursue our destiny or not. We serve God as sons not slaves. Religion produces slaves, relationship produces sons. If our identity is linked to a spirit of slavery we may seek to serve God because of wrong motives: Duty, Fear, Position, Promotion, Recognition.

How can we be sure about our motives?

By presenting ourselves to God daily and surrendering to the process of transformation.

Transformation deals with our motives and attitudes etc.

It deals with our unmet needs, unhealed wounds and unresolved issues.

Heb 4:12 For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the division of soul and spirit, of both joints and marrow, and able to judge the thoughts and intentions of the heart. 13 And there is no creature hidden from His sight, but all things are open and laid bare to the eyes of Him with whom we have to do.

Heb 4:12 The message God spoke to us in Christ, is the most life giving and dynamic influence in us, cutting like a surgeon's scalpel, sharper than a soldier's sword, piercing to the deepest core of human conscience, to the dividing of soul and spirit; ending the dominance of the sense realm and its neutralizing effect upon the human spirit. In this way a person's spirit is freed to become the ruling influence again in the thoughts and intentions of their heart.

Heb 4:12 The scrutiny of this word detects every possible disease, discerning the body's deepest secrets where joint and bone-marrow meet.

The moment we cease from our own efforts to justify ourselves, by yielding to the integrity of the message that announces the success of the Cross, God's word is triggered into action.

What God spoke to us in sonship (the incarnation), radiates his image and likeness in our redeemed innocence. [Heb 1:1-3] (This word powerfully penetrates and impacts our whole being; body, soul and spirit.)

Heb 4:13 The entire person is thoroughly exposed to his scrutinizing gaze. Every creature's original form is on record in the Word.

(Revealing God's resolve to display his image and likeness in human form.)

Presenting ourselves as living sacrifices is to deal with our desires, motives and the attitudes of our heart; in regard to worshipping and serving God.

Daily declaring ourselves as living sacrifices by faith presents our desire to be transformed and matured.

- Sacrifices were usually prepared and presented in specific ways.
- Sacrifices were prepared by a priest to be presented to God.
- Sacrifices were presented on an altar.
- Sacrifices need fire to consume them to make a form of smoke or incense.

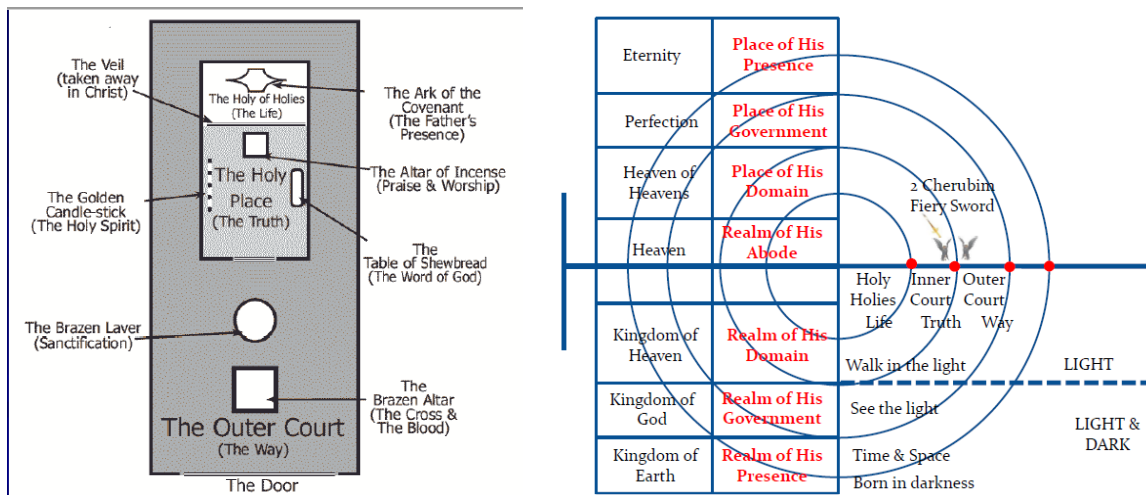

There is no longer an earthly priesthood.

Where are the altars for living sacrifices?

In the Tabernacle and Temple in the heavenly realms.

Macro scale –the tabernacle is the pattern of the heavenlies.

Micro scale –the tabernacle is an actual spiritual dimensional place.

The sacrificial lamb was prepared by the priest.

Ex 29:16 And you shall kill the ram 17 And you shall cut the ram in pieces and wash its entrails and legs and put them with its pieces and its head. Slit its throat (dead), drained the blood.

- Skinned it.
- Split it open and washed its inner organs.
- Split open backbone to reveal the marrow.
- Chopped off its head.
- Cut off its legs.

These are symbols for transformation.

Skinned –all coping mechanisms, all defence and protection mechanisms removed. All the layers of trauma removed. Skinned clothed or baptised with the Father, Son and Holy Spirit.

Head chopped off -head is about government, rule or authority.

- Surrendering our choices, our rights and decision making.
- We become connected to the Head, Jesus.
-

Luke 22:42 yet not My will, but Yours be done.

John 4:34 My food is to do the will of Him who sent Me and to accomplish His work.

John 5:30 I can do nothing on My own initiative. As I hear, I judge; and My judgment is just, because I do not seek My own will, but the will of Him who sent Me.

Eph4:15 but speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ,

Isa 9:6 For a child will be born to us, a son will be given to us; And the government will rest on His shoulders;

Matt 11:29 Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and you will find rest for your souls.

Now seek first the Kingdom; God's rule in you and your dominion in your world. You seek His righteousness, His way of being (Fruit of the Spirit) and doing (Power of the Spirit).

You are under authority and you exercise authority.

You confidently expect God to add to you all that you need.

Split open and all the inward parts cleansed.

Psa139:23 Search me, O God, and know my heart; try me and know my anxious thoughts; 24 And see if there be any hurtful way in me, and lead me in the everlasting way.

- Inward motives and trading floors of our lives revealed.
- Hidden trauma triggers revealed.
- All iniquity revealed.
- All idolatry revealed.

Backbone split open revealing bone and marrow.

Genetic and epigenetic impurities, triggers and switches revealed; cleansed and purified.

Your legs chopped off symbolic of a surrendered walk –an obedient walk.

1 John 2:6 the one who says he abides in Him (Jesus) ought himself to walk in the same manner as He walked.

Gal 2:20 I have been crucified with Christ; and it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith of the Son of God, who loved me and gave Himself up for me.

You now walk by faith not sight.

John 5:19 Therefore Jesus answered and was saying to them, "Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things the Son also does in like manner. Relationship between Father and Son leads to purpose, action, prospering.

John 14:10 Do you not believe that I am in the Father, and the Father is in Me? The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works.

John 14:6 Jesus said to him, "I am the way, and the truth, and the life; no one comes to the Father but through Me."

Jesus is the only way.

Rom 12:1 Therefore I urge you, brethren, by the mercies of God, to present your bodies a living and holy sacrifice, acceptable to God, *which is* your spiritual service of worship. 2 And do not be conformed to this world, but be transformed by the

renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.

True repentance is the renewing of our minds.

Metanoia -With mind.

When we agree with the thoughts of God about us we are transformed.

When we agree with the truth of God's thoughts about us, the lies from the world fall away.

Renewing of our minds deals with how we are programmed.

Prov23:7 as a man thinks in his heart so is he.

Our thinking is not just about our mind but programming the cells of our body –good or bad.

Our thinking creates our reality.

Renewing of our minds deals with how we create our reality or the truth of how we live.

If our minds are not renewed we will be creating our reality from our previous experiences and beliefs.

Our reality can be framed from lies and not truth.

Francois Du Toit-I'm often overwhelmed at the magnitude of our eternal Genesis and the thought of eternity that indwells us! If our finite minds could invent technology that captures fleeting, fragile moments in a time-frame with such precision and attention to detail, how vast is the eternal sphere we come from? And how excellent the logic of the Logos that was face to face with God before time was -and gave birth to us!

You are God's idea!

- **Living sacrifice transformation changes us here as we live free.**
- **Living sacrifice transformation also gives us access to the dimensional realms of heaven.**
- **Living sacrifice transformation gives us the authority to manifest heaven on earth through our lives.**

Francois Du Toit quote about Heb4:12

The soul realm sources its wisdom from information gathered and interpreted through the senses and filtered through the familiar avenues of our cultural, historical or personal references.

There is another source though!

Supreme and so significant when one's ears begin to hear the whispers of spirit to spirit resonance.

The logic of a thought incarnate inside of you -a knowing that you are known, entirely -even from before time was -and that you are loved -unconditionally and very intentionally!

This understanding cuts like a two edged sword to the division of soul and spirit, ending the dominance of the sense realm and its neutralizing effect upon the human spirit.

In this way man's spirit is freed to become the ruling influence again in the thoughts and intentions of the heart.

As sons we have access to "I am", what is now and what was before there was anything other than God.

We can engage the eternal aspects of our identity and destiny.

Heart of God outside of time and space.

Your eternal home in the dance of God's love is true intimacy and true identity.

God's thoughts about us are constant within His heart.

We need to access His heart outside of time and space.

As sons we have access to the I am of God where it is continually now.

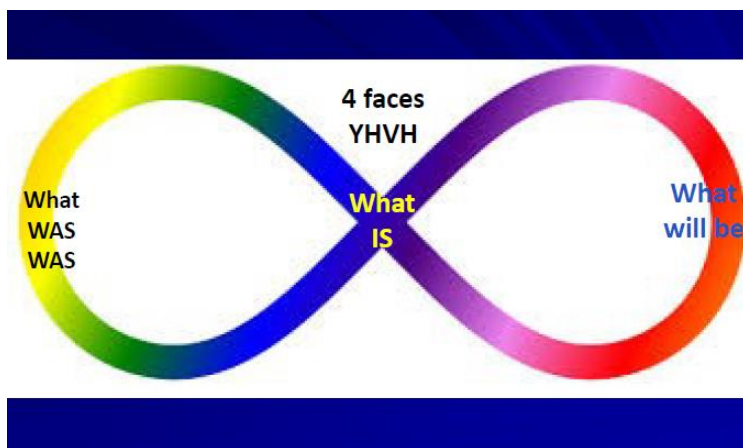

Accessing the thoughts of God's continual conversation about us.

We have a restored relationship with love's essence.

Restored spiritual memory but we may need some deconstruction before this becomes cognitive.

Our spirit moves us and directs us and our soul agrees and cooperates once it is separated and reintegrated.

- We can become reconnected with who we were as pre-existing spirit beings.
- Reconnected to creation as it was before it became in bondage to corruption to motivate us to participate in its restoration.

We find true rest and allow His thought to envelop us in the womb of His heart.

We begin to feel His frequency of love vibrating in our spirit.

The Father desires to reveal His heart to our spirit once again.

The Father desires to reveal His amazing thoughts about us.

Listen to Him as He unveils the hidden mysteries of your destiny.

Let Him reveal how special you are to Him.

Let Him show you your true identity.
Let Him show you your true purpose.
Let what was transform what is to release what will be.
Begin to resonate with your destiny scroll.

- Scrolls of revelation are like His thoughts.
- Scrolls revealing who we were.
- Scrolls revealing our redemptive gift and purpose.
- Scrolls revealing our true identity.
- Scrolls revealing our true destiny.
- Scrolls revealing who we can be.
- Scrolls revealing what we can do.

Our 2 DNA strands representing body and soul carry the record of our mother's and father's generational lines.

The 3rd light strand carries the record of our eternal image and purpose.

Our destiny scroll encoded in light begins to release desire into our heart and transform and conform us to our eternal image.

Our scroll is opened day by day to direct our paths.

Ps 119:105 it is the light to my path. It is the living word of God.

Heb4:12 living word that God spoke in eternity can be active in us.

Our scroll can be engaged in many places, scroll room, Arc, God's heart.

Our scroll has a preface or overview; a blueprint that aligns our life and directs the desires of our heart.

9 strands of God's DNA get added to our identity as we are joined to the Lord and one spirit with Him.

We grow in maturity as we behold and become conformed to our eternal image.

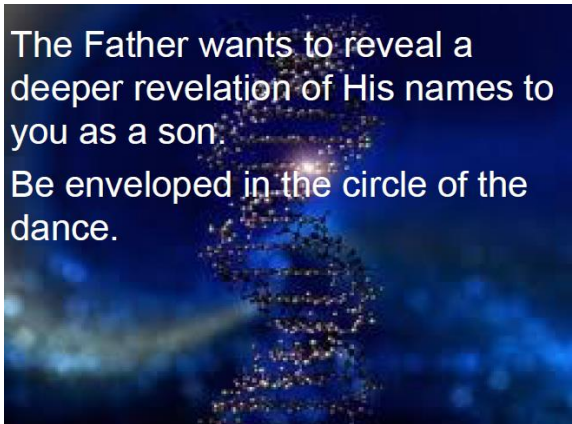

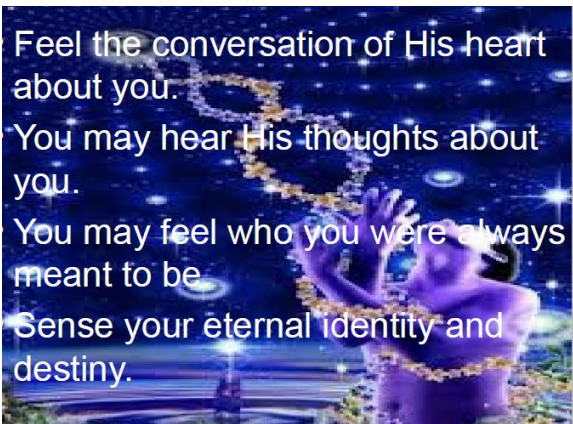

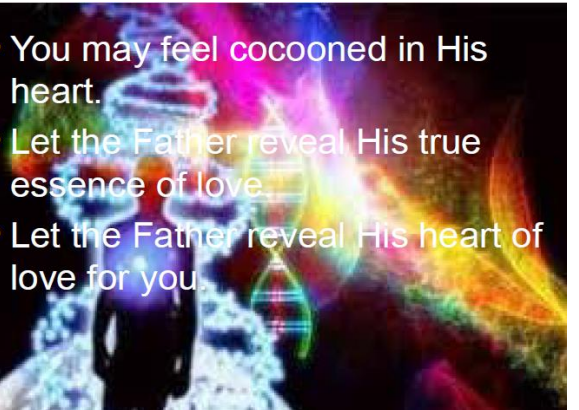

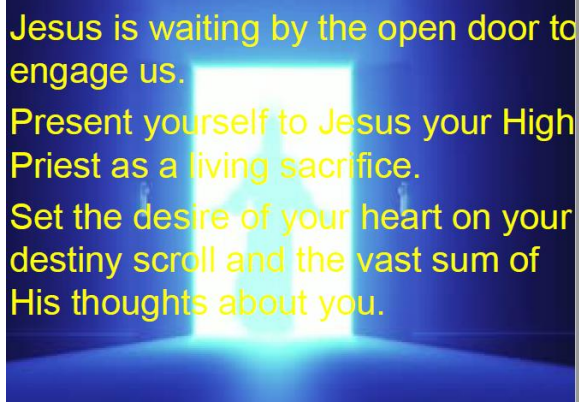

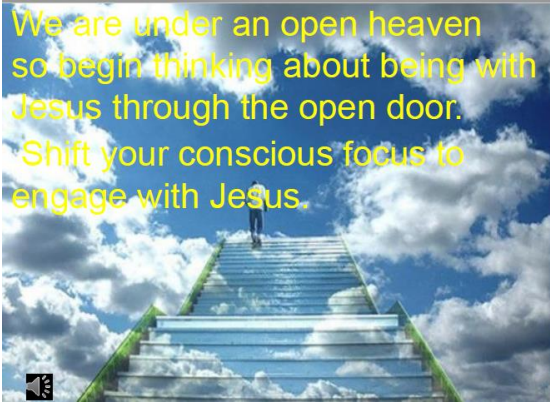

This occurs as we step into Him and are baptised in Him.

- As we stand on the firestones.
- As we stand on the dance floor.
- As we are skinned with His nature and character and armour.
- As we engage His heart in eternity.

Our scroll has our governmental position encoded within it, with the 9 attributes of government revealed in God's precepts.

Precepts, statutes, laws, ordinances, mantles, weapons, scrolls, discoveries and commissioning into our sonship roles and responsibilities.

Our scroll enables us to recognise and resonate with all things that are part of our destiny including relationships, tasks, quests, trials mandates, ministry positions and callings.
