Living Sacrifices

- This short module Living Sacrifices is about the preparation for intimate relationship and the resultant transformation it brings so we can mature as sons of God.
- We will discover places of fire and learn to engage the fire of God's loving presence for heavenly as well as earthly transformation.

Living Sacrifices

- Rom 12:1 Therefore I urge you, brethren, by the mercies of God, to present your bodies a **living and holy sacrifice**, acceptable to God, *which is your* **spiritual service of worship**. ² And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may **prove** what the **will of God** is, that which is **good** and **acceptable** and **perfect**.

Living Sacrifices

- Rom 12:1 Live consistent with **who you really are**, inspired by the loving kindness of God. My brothers, the most practical expression of worship is to make your bodies available to him as a living sacrifice; this pleases him more than any religious routine. He desires to find visible, individual expression in your person.

Living Sacrifices

- Rom 12:2 Do not allow current religious tradition to mould you into its pattern of reasoning. Like an inspired artist, give attention to the detail of God's desire to find expression in you. Become acquainted with perfection. To accommodate yourself to the delight and good pleasure of him will transform your thoughts afresh from within.

Living Sacrifices

- Being a living sacrifice brings us to maturity in government.
- This process requires us to cooperate and embrace the refiner's fire of transformation.
- This process is relational and flows from the place of rest.
- This process entails us being humble and faithful in little to receive much.

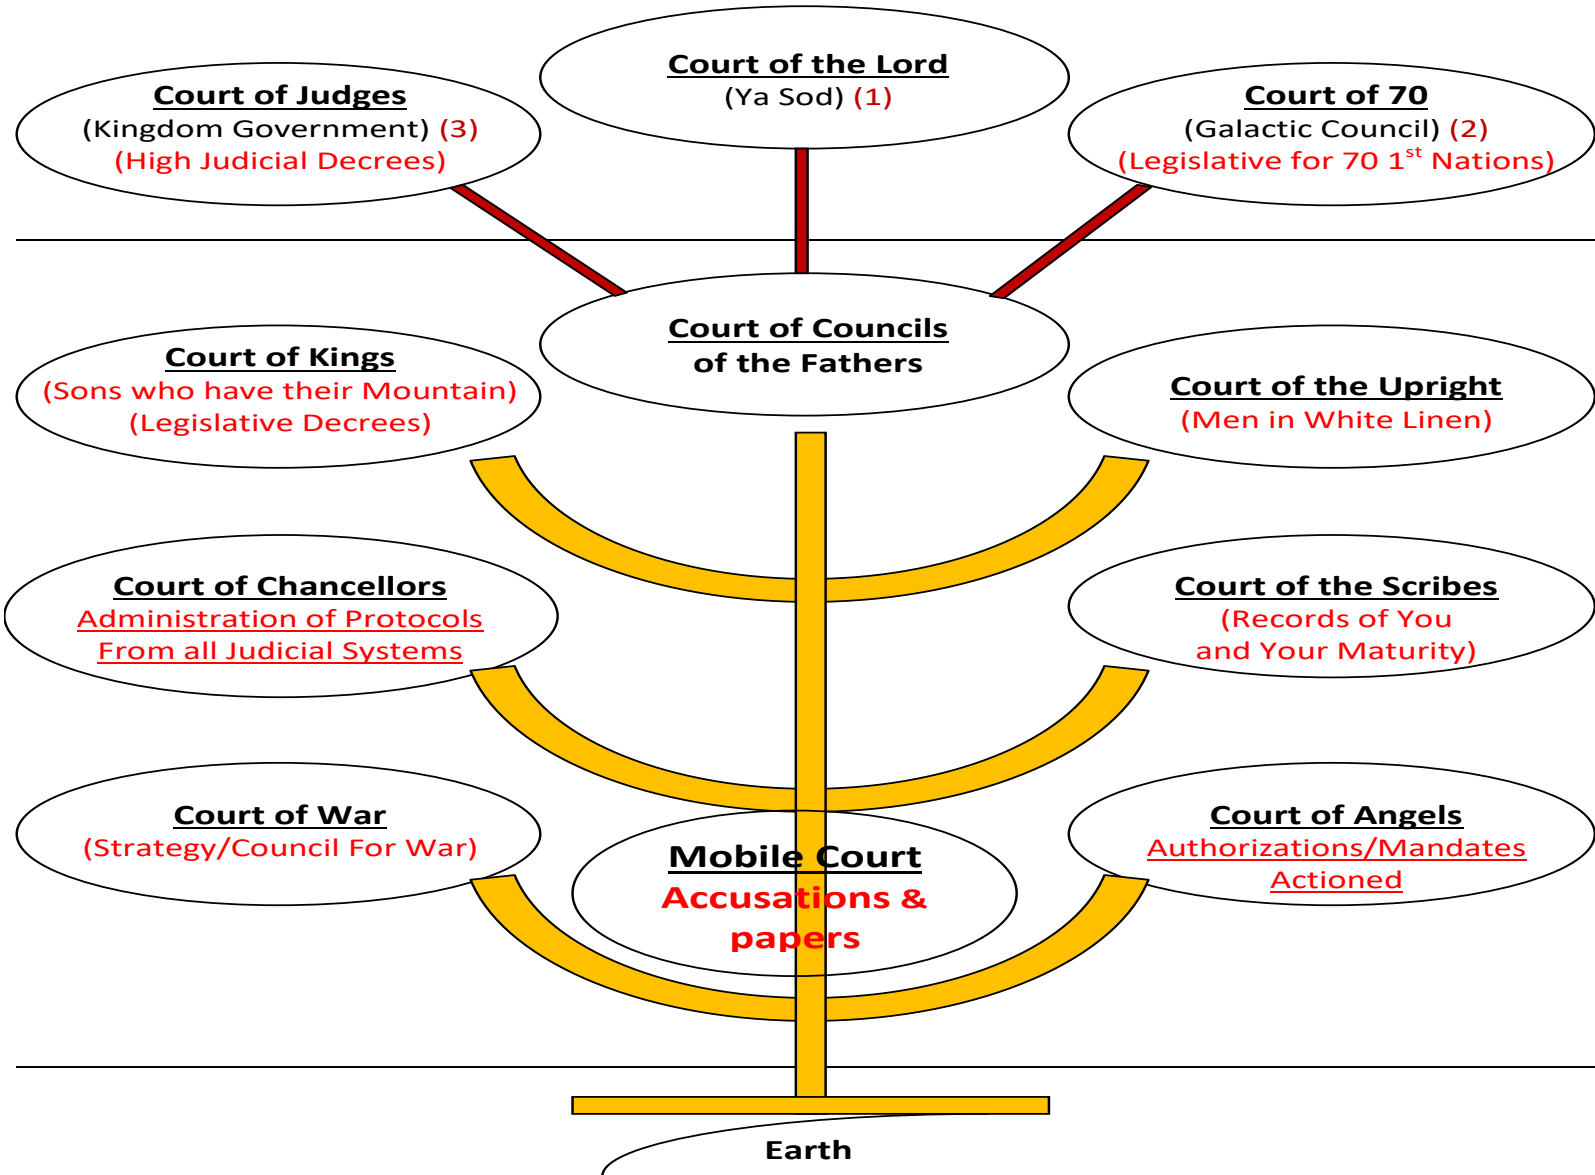

Living Sacrifices

- Are you prepared to be a forerunner?
- Are you prepared to cross over and give a good report?
- Are you willing to operate as sons of God in the heavenly realms?
- Are you willing to be servant hearted leaders who will promote the next generation?

Living Sacrifices

- Zech 3:7 “Thus says the LORD of hosts, ‘If you will **walk in My ways** and if you will **perform My laws**, then you will also **govern My house** and also have **charge of My courts**, and I will **grant you free access** among these who are standing here.

Heaven's Court System

Living Sacrifices

- We need to know our identity as sons of God.
- Identity will release our position as friend, lord, king, priest, oracle, legislator, scribe, magistrate, judge, chancellor etc.
- Our position releases our authority to establish the kingdom in heaven and be a gateway into the earth.

Living Sacrifices

- My children are sons of man - not the first man, Adam but the last man Jesus - but also sons of God, coheirs and co-creators.
- Full representations of My image and My government, seated in the heavens and walking on the earth.

Living Sacrifices

- Son, do you feel it? Do you sense it? Do you hear it? Can you see it?
- The dawning of a new day, the beginning of a new season, a new vista with a new horizon.
- Can you not hear? Can you not see? Then feel the wind shift, feel its intensity increase.

Living Sacrifices

- I call My sons to arise take their places so you can see, hear, perceive and know that the ordinances of heaven have been decreed and the legions of heaven are being prepared to engage the atmosphere of the earth.

Living Sacrifices

- This will only be in cooperation with those who have established a beachhead of heaven on the earth with heaven's blueprints and heaven's government.

Living Sacrifices

- Son, a change is coming. You can be part of it, miss it or even resist it but you can't stop it. The hunter gatherer angels are going to be released to bring in the first fruits of the harvest to those who are prepared, where the atmosphere is cleansed and the government is in place.

Living Sacrifices

- Of all the places of fire I have experienced, the firestones have been the most powerful and influential.
- My first real experience of being taken into the heavenly realms was to engage the firestones, river of fire and the throne of the Ancient of Days.

Living Sacrifices

- My subsequent encounters have taken me deeper and deeper, both relationally into love and governmentally into sonship.
- We are going to look at the firestones as part of the living sacrifice process of being transformed and matured in sonship.

Living Sacrifices

- Ezek 28:13 “You were in Eden, the garden of God; Every precious stone was your covering: The ruby, the topaz and the diamond; The beryl, the onyx and the jasper; The lapis lazuli, the turquoise and the emerald; 14 You were the anointed cherub who covers, And I placed you there. You were on the holy mountain of God; You walked in the midst of the stones of fire.”

Living Sacrifices

- Engaging the firestones of destiny have been significant encounters for me on my journey.
- My first encounter came back in 2008 and completely involuntary.
- I was taken through a portal that appeared into the realm of heaven to the river of fire, firestones and throne.

Living Sacrifices

- The glory, weight, essence, nature, character and government of God revealed through the standing on the firestones.
- Our sonship, its destiny, glory, essence and nature and government revealed by standing on and ascending the firestones.

Living Sacrifices

- What role did the covering cherubim have in observing and releasing the revelation of the light contained within the 9 stones?
- What role did the covering cherubim have in relation to our maturity as sons of God?

Living Sacrifices

- Whatever it was, Jesus as the Son, the light, is now the focus that reveals the Father for the revelation of sonship.
- Heb 12 we now need to fix our eyes on Jesus as the author and perfecter.
- The firestones contain the record of what is encoded in light: our identity and destiny in sonship.

Living Sacrifices

- Jesus is the Light of the World.
- John 1:4 In Him was life, and the life was the Light of men. 5 The Light shines in the darkness, and the darkness did not comprehend it.
- John 1:9 There was the true Light which, coming into the world, enlightens every man.

Living Sacrifices

- John 8:12 Then Jesus again spoke to them, saying, “I am the Light of the world; he who follows Me will not walk in the darkness, but will have the **Light of life.**”

Living Sacrifices

- Phil 2:15 so that you will prove yourselves to be blameless and innocent, children of God above reproach in the midst of a crooked and perverse generation, among whom you appear as **lights in the world.**

Living Sacrifices

- Man was created sinless but not yet perfected.
- Process of perfecting was to have been relational, walking with the Father and Spirit in the light of revelation released into creation.
- The light bearer was responsible for releasing light into creation.

Living Sacrifices

- Heb 12:2 fixing our eyes on Jesus, the author and perfecter of faith.
- Jesus is the light bearer and we are all called to engage the light and arise and shine.
- The light bearer was removed as covering cherub and expelled from the garden with no access to the firestones but the path is open to us.

Living Sacrifices

- The firestones are represented as 9 steps of ascension that we can engage in our maturing as sons.
- 9 steps to maturity or ascension.
- 9 is 3×3 , the fullness of the attributes of I AM, Father, Son and Spirit

Living Sacrifices

- Psa 119:19 I am a stranger in the earth; Do not hide Your commandments from me.
- Dream with this verse as the centre of vital revelation.
- I meditated and engaged Psa 119 1-40 and discovered key truth that helped when I engaged the firestones.

Living Sacrifices

- The firestones led me to engage the place where there are many thrones alongside the throne of God.
- Eph 2:6 and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus.

Living Sacrifices

- We are seated in various heavenly places. This is the highest realm I have discovered where I have a throne.
- Engage your throne and be seated in sonship on the right hand of Jesus, who is on the right hand of the Father, the Ancient of Days.

Living Sacrifices

- The Joshua Generation operates in the order of Melchizedek as forerunners of this heavenly, royal priesthood to prepare the next united generation to embrace their inheritance.
- Heavenly positions of government to rule and legislate out of intimacy and relationship.

Living Sacrifices

- Ezekiel 10:1 Then I looked, and behold, in the expanse that was over the heads of the cherubim something like a sapphire stone, **in appearance resembling a throne**, appeared above them.
- We all have a mandate to engage the fire that is transformational.

Living Sacrifices

- Fire walk with me into transformation.
- Living sacrifices are dead men walking.
- Fire for entrance and access purification, refining, transformation.
- Fire is something we will all need to encounter.
- The Father talked to me about Him being a consuming fire.

Living Sacrifices

- Son, I am all consuming. There are no half measures about us: Our love is all consuming, Our passion is all consuming. I am an all consuming fire and that means the way to intimacy is always the way of fire.

Living Sacrifices

- The fiery sword, the fire on the mountain tops, the fiery altar, the river of fire, the fire stones, the judgment seat and the place of fire are all expressions of My passion for you.

Living Sacrifices

- Son, My fire is never to be feared but embraced as a powerful reminder and expression of the commitment of My love and the revealing of just how far I am willing to go to secure relationship.

Living Sacrifices

- I AM's fire offering was in place before the foundation of the earth and before the fall from the identity of sonship, to ensure redeemed and restored face to face innocence.

Living Sacrifices

- Son the so-called lake of fire was another expression of My love to end death and restore those who have fallen from their first estate.
- Son, follow the river of fire. Where does it go?
- It makes the lake of fire and is continually flowing into it.

Living Sacrifices

- Son, My throne is an expression of My authority as a king and the river of fire flows from My presence as an expression of love's government which also expresses My love, to make the place where all can be restored, redeemed and reconciled who have not yet come through the fire of the cross.

Living Sacrifices

- Only those of My children who refuse the invitation to come through Jesus the door choose to go there and they can still be saved by fire.
- All get that choice before they die physically. No one will be able to have an excuse because I speak to the hearts of all My children in many ways to offer them the choice.

Living Sacrifices

- Son, you know that I AM is love and We love our children with a consuming, passionate, fiery love that cannot be escaped and will never give up or fail.
- The first firestone of love is both a reminder of My very essence and My total commitment to My children's identity and destiny within I AM.

Living Sacrifices

- There are presently 9 stones to engage with, like steps ascending to the throne of the Ancient of Days and Jesus at His right hand.
- Our thrones of sonship are there.
- I believe there are 9 levels of engagement with each stone.
- The Father spoke about the stones:

Living Sacrifices

- Son, the first level of sonship reveals the emotional truth of the fruit of knowing Us intimately and each level takes that foundation and builds upon it until My nature is revealed which enables the fullness of My desire for Our sons to be like I AM.
- Each level of experience and revelation builds upon love's essence to the full measure and stature of the son of God.

Living Sacrifices

- Eph 4:13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.

Living Sacrifices

- Eph 4:15 but speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ, from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love.

Living Sacrifices

- Eph 4:12 Each expression of his gift is to fully equip and enable the saints for the work of the ministry so that they may mutually contribute in their specific function to give definition to the visible body of Christ.

Living Sacrifices

- Eph 4:13 The purpose of these ministry gifts is to present everyone on par and in oneness of faith; believing exactly what the Son of God believes and knowing accurately what he knows concerning us. Standing face-to-face in equal stature to the measure of the completeness of Christ.

Living Sacrifices

- Eph 4:15 Love gives truth its voice. The conversation that truth inspires creates the atmosphere wherein growth is both spontaneous and inevitable. The whole person is addressed in Christ who is the head of the body; he is the conclusion of God's communication with mankind.

Living Sacrifices

- Eph 4:16 From him flows the original composition and detail of our design. Like words entwined in poetry, they connect layer upon layer to complete the harmony, following the rhythm of his thoughts like footprints. Meanwhile the body thrives and pulsates with the energy of love. Each individual expression finds its complete measure there.

Living Sacrifices

- Engaging the consuming fire of God's presence and love.
- Heb 12:28 Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire.

Living Sacrifices

- Throne of fire and the River of fire.
- Dan 7:9 “I kept looking Until thrones were set up, And the Ancient of Days took His seat; His vesture was like white snow And the hair of His head like pure wool. His throne was ablaze with flames, Its wheels were a burning fire. A river of fire was flowing And coming out from before Him.

Living Sacrifices

- Son the firestones are the stones of destiny where the fire of our DNA is encoded within the stones.
- The stones were created to release the light of our character and nature as the precepts that were to be reflected out into all creation, to enable all to be connected to the source.

Living Sacrifices

- The waves of light that revealed the essence of pure love could be absorbed by all spirit and form the particles of love's manifestation within creation as the building blocks of all things.

Living Sacrifices

- The light bearer refused to reflect the light, choosing to create darkness by reflecting an absence of our presence. All those who followed him became darkness and introduced darkness into creation.

Living Sacrifices

- My sons are called to be sons of light: to arise and shine, to restore light to creation by absorbing into themselves our image across all spectrums and all frequencies and releasing and radiating love's light.

Living Sacrifices

- As My sons embrace the light of each stone at each level, deep will truly reveal the depths and manifoldness of who we really are and so will be able to be a true reflection of fire transcendence converging as the immanence.
- The destiny of all My sons is encoded within us and can be experienced by engaging the stones of the fire of our precepts.

Living Sacrifices

- The willingness to embrace the consuming fire of our love and be purified and refined is the precursor to engaging the stones and being able to receive the deep revelation of eternal sonship.
- Created and creative light will form an interference pattern and cancel each other out, leaving darkness.

Living Sacrifices

- By engaging the firestones you are bathing in the creative revelation light that will activate the creative light hidden within the fabric of your being and radiate from your innermost being, transforming created light back to creative light so that you can radiate the glory of sonship once again.

Living Sacrifices

- The created order had been separated from the creative realm and is longing to be reconnected and brought back into the harmony of the first estate from which it was removed by the choice of My son Adam to abandon the light of life and walk in darkness of self.

Living Sacrifices

- As My sons choose to walk in the creative light of their sonship, creation will again respond to love's light.
- Creation itself is waiting for you to arise and shine by discovering the true nature of your sonship deep within us.
- Son, true ascension is not entering through the veil into the heavenly realms but is entering into us to ascend into the maturity of your sonship.

Living Sacrifices

- True ascension is becoming mature sons by embracing the 9 stones at the nine levels that will add the last three stones of sonship to reach and live from the eternal now.
- There were always intended to be 12 stones that would take the thrones of sonship from heaven to the place high above all authority, through heaven of heavens and perfection to eternity.

Living Sacrifices

- This is where the speed of light is closest to the purity of eternity's perfection within the circle of love's dance.
- Son, this the highest estate within the created order of the Creator that can be ascended to.

Living Sacrifices

- Son, the stones of destiny will reconnect your past, present and future destiny into wholeness, remove all separation from within your being and bring a clarity to your true identity and calling as My sons.

Living Sacrifices

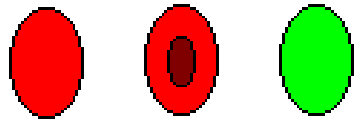

- Heaven is the centre where your thrones of sonship are currently positioned but as My sons ascend so will the thrones ascend to the highest place within the creative order.

Living Sacrifices

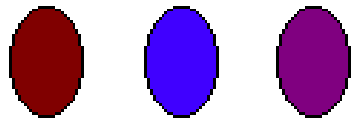

- 12 Stones of the breastplate.
- 12 stones that are foundations of the New Jerusalem.
- Rev 21:14 And the wall of the city had twelve foundation stones, and on them were the twelve names of the twelve apostles of the Lamb.
- 12 laws of Zion.

Living Sacrifices

- My first encounter with the firestones was in 2008 as I previously described in more detail. It was pure emotional connection with the fruit of God's character at a level I had never experienced before.
- It increased my desire to pursue intimacy.

Living Sacrifices

- The second encounter in 2012 was revelatory about God's character relating to kingdom governmental foundations.
- The kingdom foundations of God's throne or rule being righteousness and justice expressed through the attributes of precepts, statutes, laws and ordinances etc.

Living Sacrifices

- The third encounter in 2013 took me literally into the stones to reveal a deeper level of the fruit of God's nature and went deeper in me than just my emotions by touching the very fabric of my being, connecting me to the love God has, the love God *is*, for all His children.

Living Sacrifices

- The fourth encounter in 2014 was different in that I had to access the stones by first walking through the river of fire.
- That encounter revealed a new level of my sonship identity, position and legislative authority and on the fourth stone Wisdom gave me a Chancellor's seal and subsequently a staff.

Living Sacrifices

- The chancellor's seal and staff gave me access to governmental places that I could not access before.
- Wisdom took me to encounter the 12 High Chancellors' Houses.
- She also took me through the fiery sword door to satan's trophy room.
- That eventually opened a totally new path.

Living Sacrifices

- My fifth encounter was in 2015 and was my initial access into the essence of God's nature and government from an eternal perspective.
- This created a deeper desire for the 'eternal now' and opened up access to 'what was was' through the ancient pathway within the 4 faces of God.

Living Sacrifices

- My sixth encounter was in 2016 where the Father took me to the stones and then walked on the stones with me.
- This encounter took me deeper into the Father's heart and mind and was a preparation for the deconstruction of my mind.

Living Sacrifices

- Unveiling of new dimensional realities and unveiling of three further stones of man to make 12 stones and reveal man's further ascension and provide a glimpse into the ages to come.

Living Sacrifices

- My seventh encounter was in 2018 during an activation in the first *Sons Arise!* conference.
- This encounter began to unveil the shifts that I am to go through over the next few years.

Living Sacrifices

- I look back and can now see how significant these encounters were in my relationship with the Father – and therefore in my sonship – both relationally and in legislative governmental responsibility.
- It takes time for the encounters to outwork cognitively.

Living Sacrifices

- The firestone encounters were both personally revelatory but also opened up access for me to engage different places and dimensions during my 'journey beyond beyond', as the Father eventually put it.

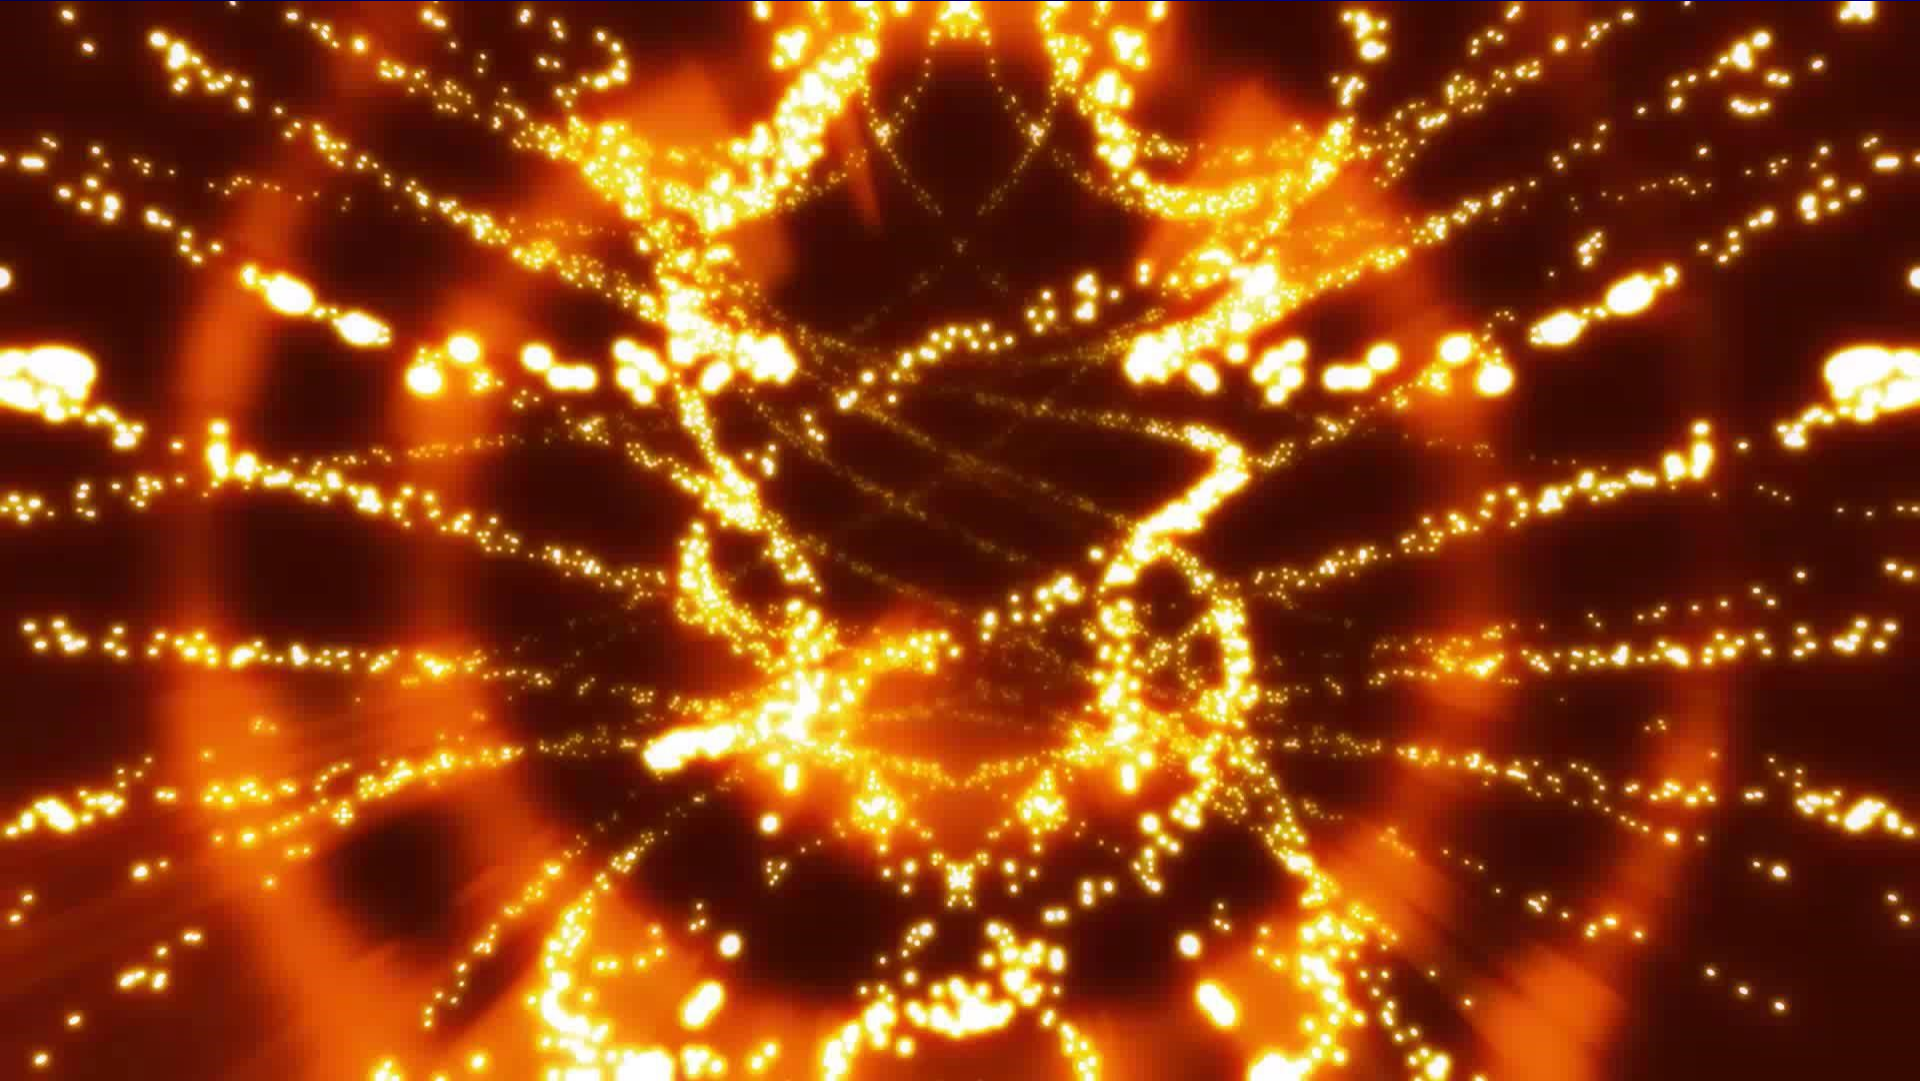

Living Sacrifices

- My journey to discover my true identity and eternal destiny was accelerated by engaging the firestones in Eden, the garden of God, on His holy mountain.

Living Sacrifices

- Firestone encounters are available to all God's children at some point on their journey, to enable all of us to ascend beyond an earthbound existence, to find our true heavenly identity as sons of God.

Consuming fire

Fire of transformation

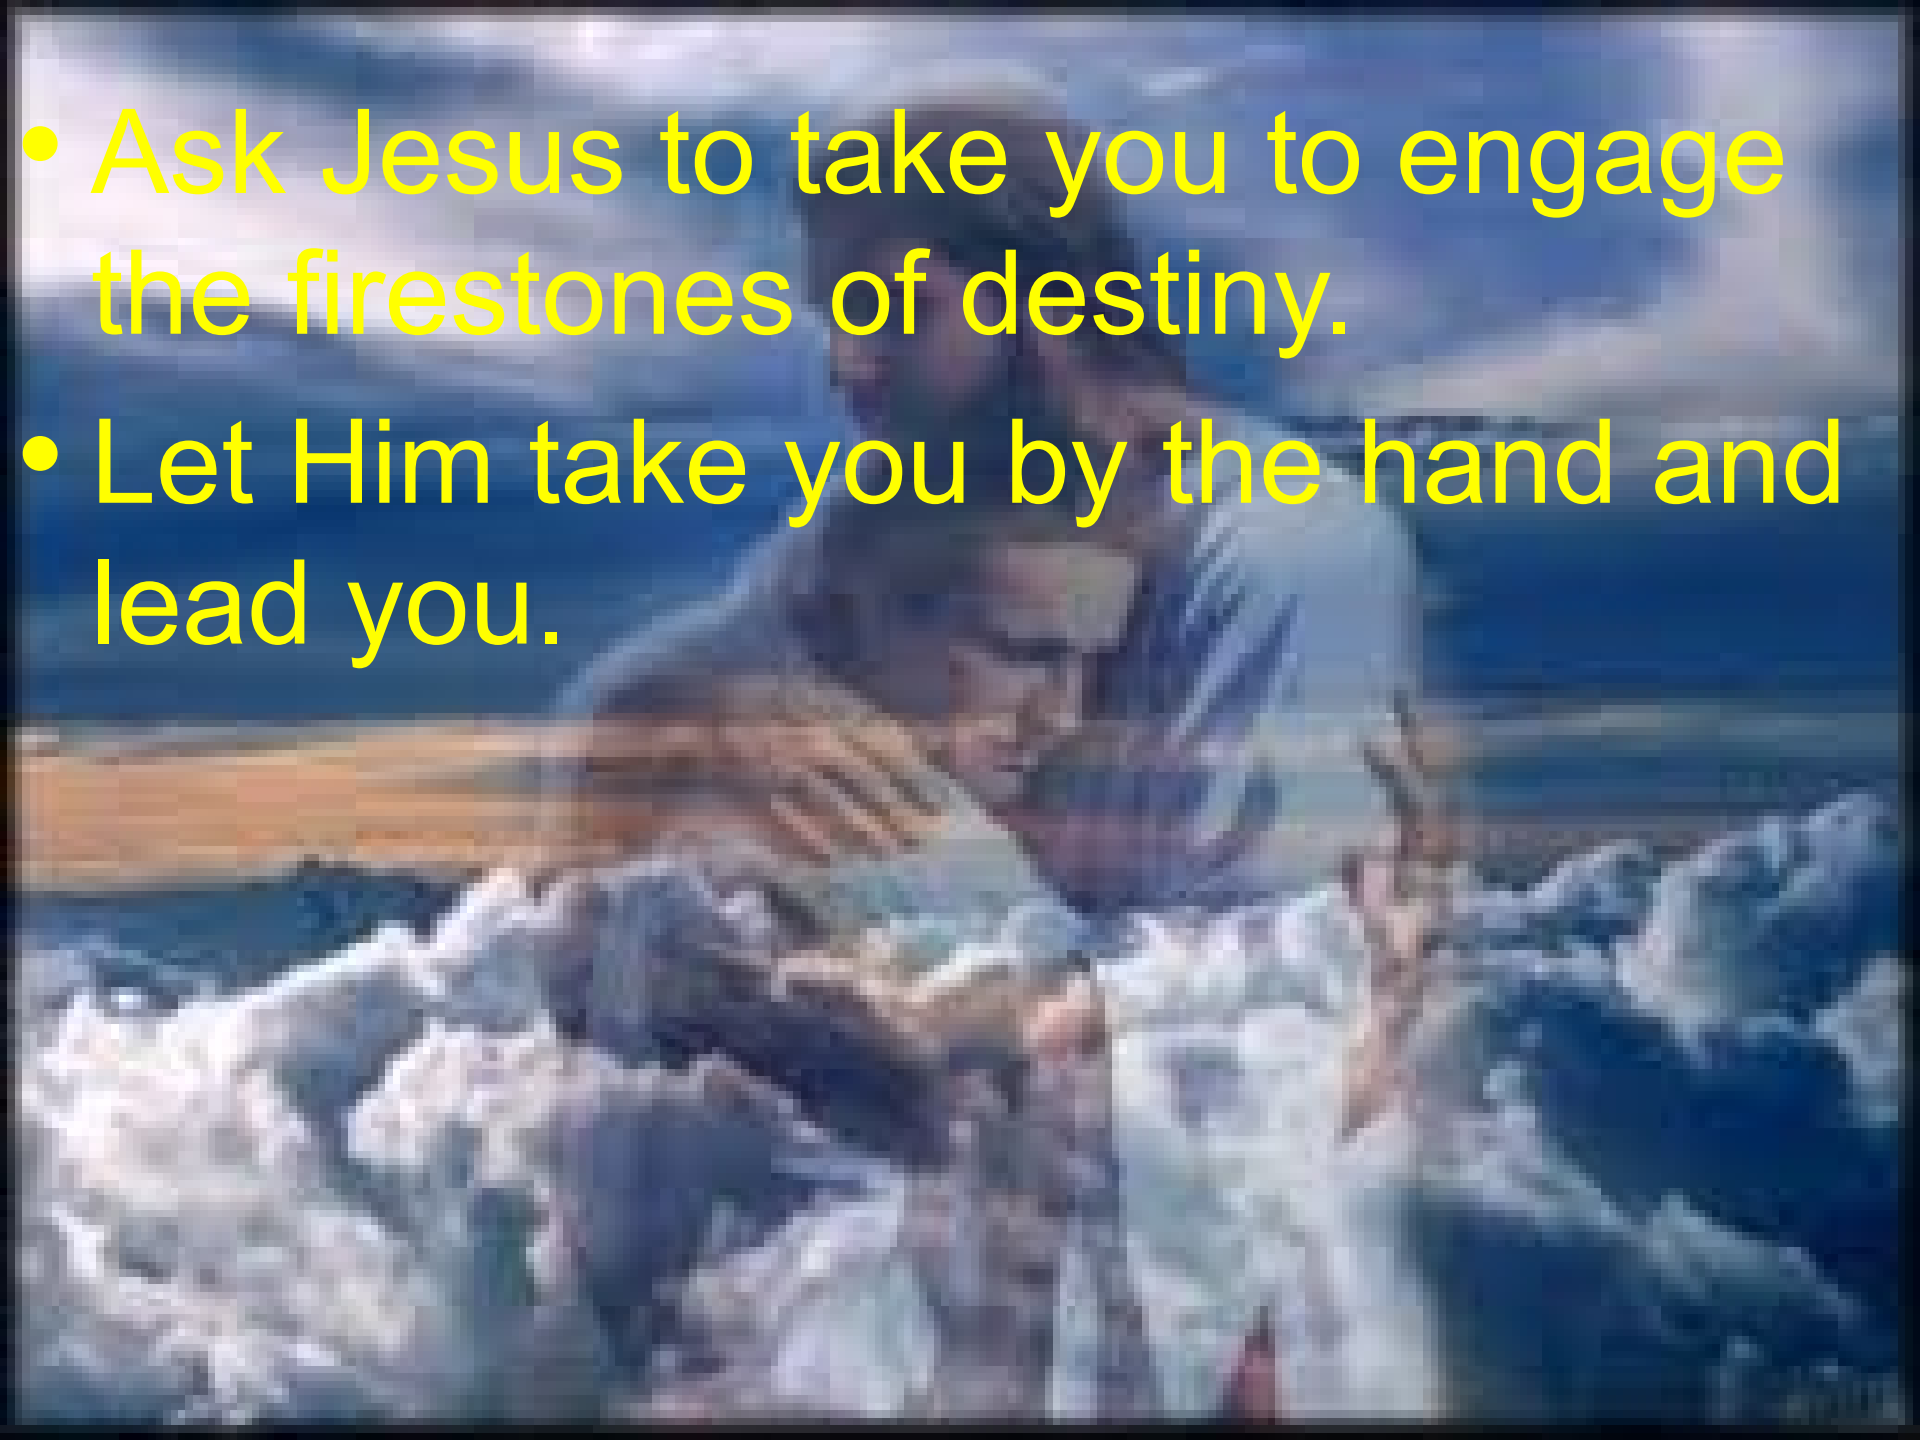

- Steps like Jacob's ladder leading up to heaven. Start thinking about those steps and the open door.
- Shift your conscious focus to engage your spirit.

- Jesus is standing in the doorway.
- Present yourself to Jesus, your High Priest, as a living sacrifice.

- Ask Jesus to take you to engage the firestones of destiny.
- Let Him take you by the hand and lead you.
