MODULE 12:
THE RESTORATION OF ALL THINGS 2

SESSION 13

Restoration of All Things 2

- We have the Holy Spirit of Truth in us and with us as our guide
- We have Jesus, the way, truth and life, in us and with us to disciple us
- We have our loving Father in us and with us to Father us into sonship
- *Agape* love should be what we use to measure and test everything against

Restoration of All Things 2

- If you don't resonate with anything on the journey, park it and continue to pursue the truth with God directly
- There are many things that I don't yet fully understand cognitively but that does not necessarily make them wrong
- There have been many things that I was convinced were true that I now realise were merely man's opinions and ideas

Restoration of All Things 2

- The 4 streams of thought that are converging into one mighty river are:
- Mystic sonship, Realised eschatology, Universal reconciliation, Energy frequency healing
- We are going to cover Energy frequency healing in the next few sessions

Restoration of All Things 2

- Restoration includes personal wholeness
- Energy frequency healing is being restored in this transition period to help us be made whole
- Energy and thought expanded consciousness will use the revelation of frequency and quantum physics

Restoration of All Things 2

- If we are going to function as mature sons we need the mind of a son and to think like a son
- ‘As a man thinks in his heart so is he’, therefore we need to think like a son of God to be a son of God
- Thinking motivated from our eternal identity and destiny

Restoration of All Things 2

- Rom 12:2 Do not allow current religious tradition to mould you into its pattern of reasoning. Like an inspired artist, give attention to the detail of **God's desire** to find expression in you. **Become acquainted with perfection.** To accommodate yourself to the delight and good pleasure of him **will transform your thoughts afresh from within.**

Restoration of All Things 2

- The current religious tradition has diminished the true intimacy of face to face relationship to an intellectual assent to the truth but with no true mystical experience
- Christianity has become reduced to an intellectual, traditional, orthodox prison for the mind

Restoration of All Things 2

- The restoration of all things is not Our ultimate desire but it is the way Our original intention for oneness can be achieved.
- Once all things are restored, then the journey continues into the ages to come; and My sons can become ascended fathers who can be like We are.

Restoration of All Things 2

- Restoration first begins with the truth of who We are unveiled.
- Love, in Perichoresis and Trinitarian truth restored, leads to inclusion being revealed as a consequence of love's passion and zeal for relationship with our children.

Restoration of All Things 2

- In an encounter with 2 friends I saw the power of benches of 3 operating at a high level of authority
- This is the place of ascended sons who carry the oracles of the Father's heart
- The sons are being prepared to engage the oneness of the eternal to carry the Father's heart

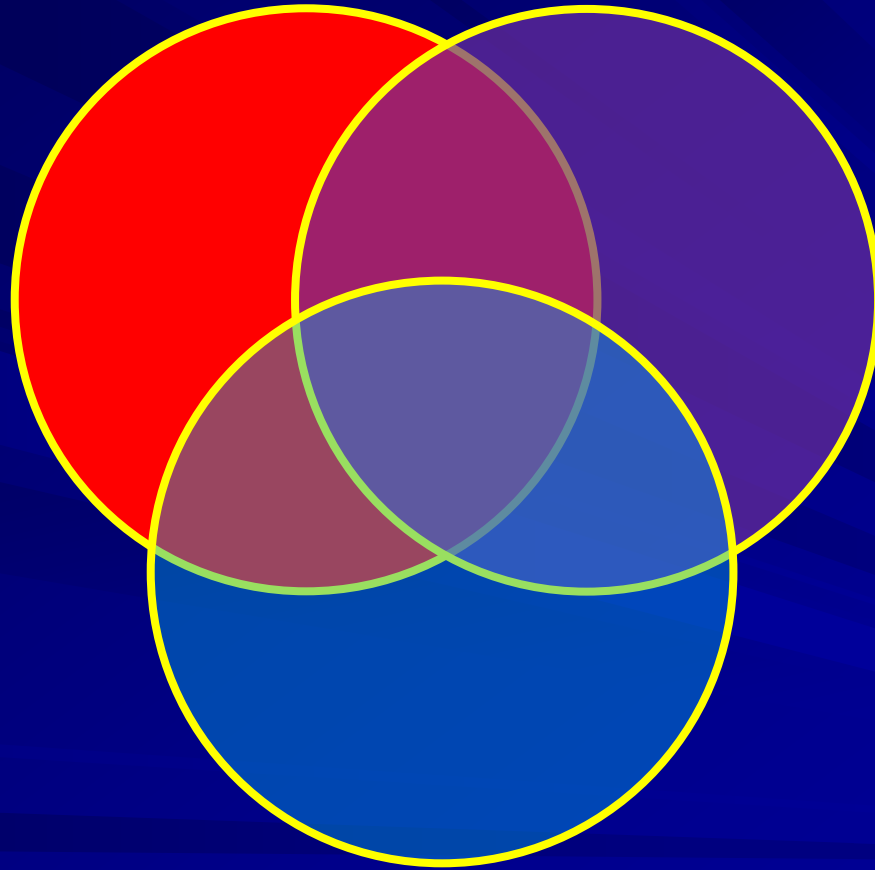

Restoration of All Things 2

- I saw many threes standing in the middle of the council of the 12 ambassadors of the ages who were on their thrones, dressed in golden garments.
- Each three were represented by a golden ring of brilliant, radiant light and on each ring were smaller rings.

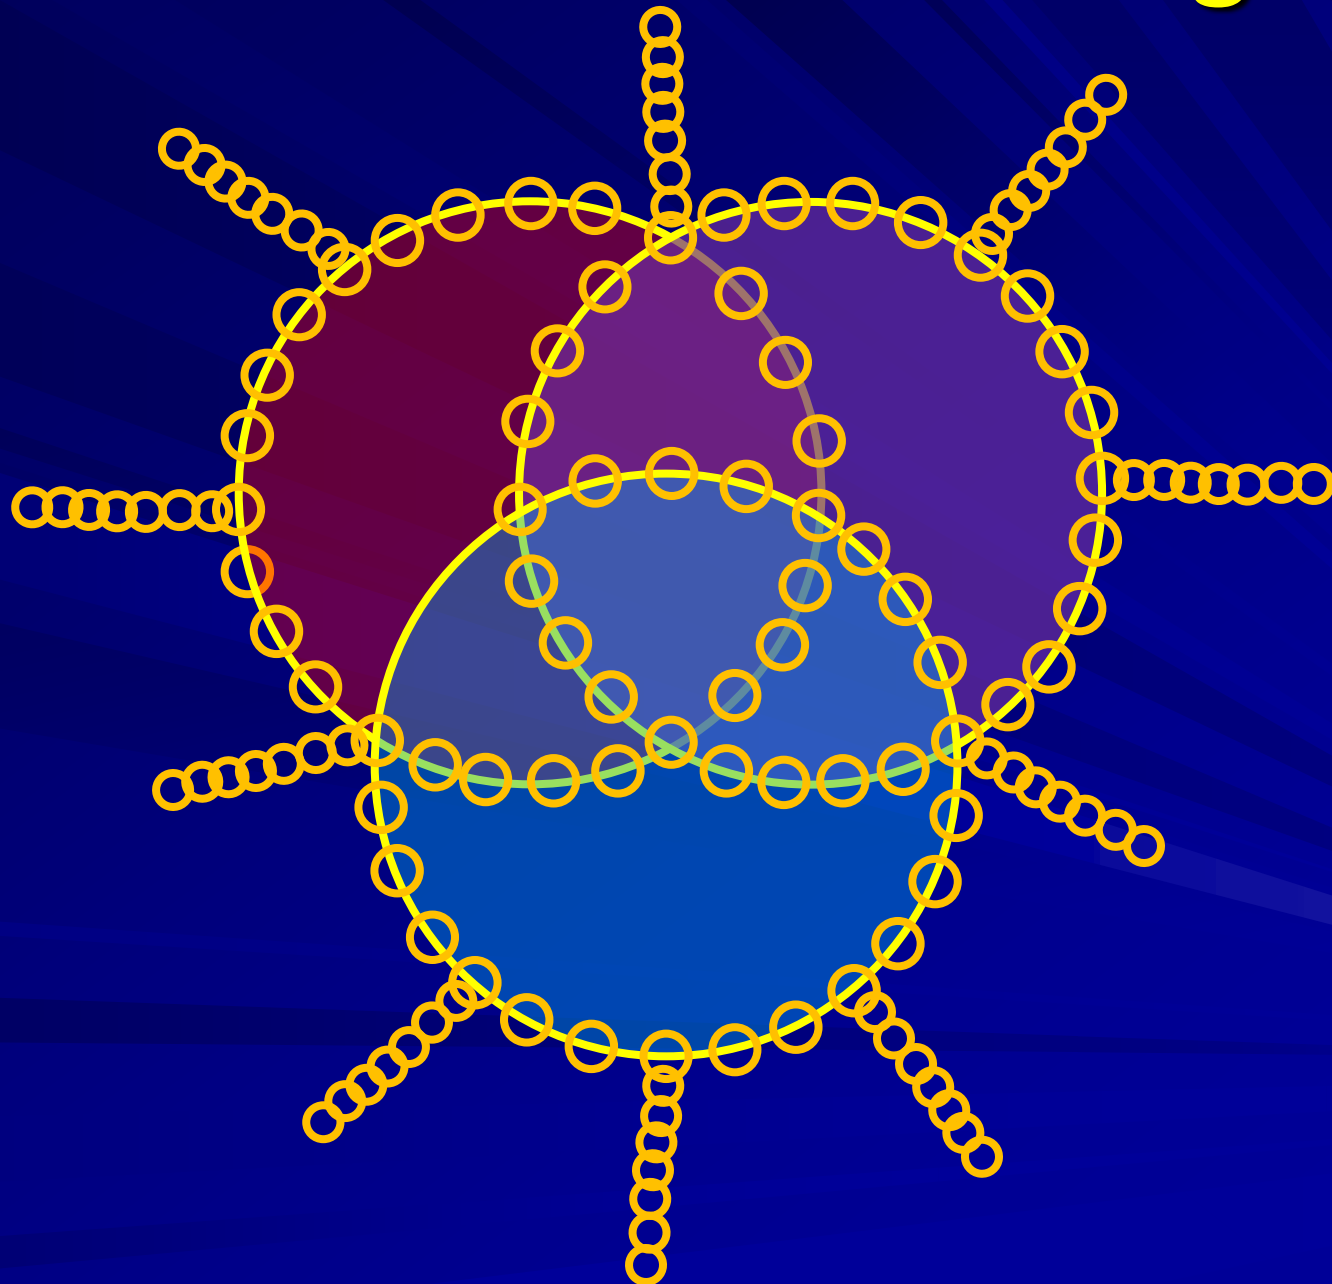

Restoration of All Things 2

- The three rings interlinked and became joined and united but there were areas where 2 overlapped and 3 overlapped and where there was overlapping, some of the smaller rings were included.
- I saw other rings join each of the smaller rings until they were cascading down like long strings, like energy conduits.

Restoration of All Things 2

Restoration of All Things 2

Restoration of All Things 2

- During that encounter I saw a counterfeit cosmic bench of 3 fallen ones
- They were powerful; and I was apprehensive but not fearful
- I quickly sought the Father for a mandate to engage them, which He gave

Restoration of All Things 2

- I engaged them on a fact finding mission to ascertain what they were responsible for
- I was surprised that they were fearful of us discovering our identity and authority concerning life and immortality

Restoration of All Things 2

- I engaged them with love and respect
- I was not intimidated by them and I was not hostile towards them as I felt compassion
- I communicated through the frequency of love and withdrew

Restoration of All Things 2

- Son, the cosmic benches are key to the next season as they will provide the government for the dimensions that need to be restored.
- Engage the fallen ones with honour and reveal My love for all My creation through your love.

Restoration of All Things 2

- The 3 high level fallen angels are opposing the knowledge of immortality
- Son, fear of death partners with fear of knowledge to keep My children in bondage and stops them taking their responsibilities for creation

Restoration of All Things 2

- Fear keeps creation groaning in isolation where fear of intimacy and oneness completes the viscous circle of fear's authority over My children.
- Only face to face intimacy can break the power of fear from My children; but fear of the God that religion has created keeps them at a distance.

Restoration of All Things 2

- Son, only Our perfect love can cast out the fear that is keeping My children from their destinies.
- Fear of death has kept My children from enjoying life and limited them from knowing the truth of immortality which is their inheritance

Restoration of All Things 2

- Son, there is no greater goal in this season than carrying the oracles of Our heart for restoration.
- I engaged the cosmic trio with respect that surprised them and I felt that they were off guard and confused.
- I shared my desire for their restoration and asked how our last encounter had affected them.

Restoration of All Things 2

- They were disarmed and had lost their intimidating atmosphere; they said that it had confused them.
- I expressed the Father's love and used the crystalline sceptre to reveal the truth of mercy that triumphs over judgment.

Restoration of All Things 2

- I asked them to remember what it was like in the beginning but they had darkness over their minds.
- I decreed that the light of truth and love would penetrate the darkness over their minds.

Restoration of All Things 2

- I expressed again that I desired their restoration and that I have forgiven them.
- These three are a different level of authority than those I have engaged before and it will take some time to break down their resistance

Restoration of All Things 2

- Son, you have a mandate for frequency ministry using the bowls and the Rife-generated frequencies but you must be prepared to go deeper into sonship frequencies and to see how they affect the dimensions.

Restoration of All Things 2

- Sonship generates a love, joy and peace frequency from rest that has the capacity to cross the dimensional matrixes
- The hope that is produced by love's light can begin to bring balance to creation and answer its groaning for freedom.

Restoration of All Things 2

- Son, learn to generate freedom frequencies from your rest that has been produced at the higher levels of consciousness.
- Son, I am continuing the deconstruction process to expand your consciousness in regards to frequency and the quantum fields.

Restoration of All Things 2

- You will need to connect with the elementals that are connected to the unified quantum fields of the physical realm; and then go further, to engage with the elementals of other dimensions to manage frequency restoration.

Restoration of All Things 2

- The elementals were designed to balance the force; grace energy that exists as strings within the fabric of all things.
- They are connected to sonship's frequency of love's light and their function has been diminished by mankind's fall from Kingdom governmental position.

Restoration of All Things 2

- Son, you can produce Rife frequencies that balance creation in preparation for restoration of the fallen ones and dimensional beings by bringing the elementals into resonance with sonship.
- I legislated to release these frequencies

Restoration of All Things 2

- I release the frequency of sonship to the dimensions: the hope of freedom.
- I release the frequency of the Oracles of the Father's heart to the angelic realm and to all who are in the consuming fire.
- I call forth restoration to creation.

Restoration of All Things 2

- I call to the elementals with the frequency of sonship to respond to align with restoration.
- I call for harmony between the sons of God and the world.
- I call for harmony between the world and the dimensions.

Restoration of All Things 2

- I call for harmony between the sons of God and the spiritual realm.
- I call for the restoration of all created things and the freedom of creation from its bondage to corruption.

Restoration of All Things 2

- Son, the hope of restoration is the frequency of sonship that resonates with the Oracles of Our heart.
- The children of God must become mature in their sonship and take responsibility for creation in all its forms.

Restoration of All Things 2

- That means all created things, across all of the dimensions, and reconnecting with creation through the elementals.
- Only by resonating with the oracles of Our heart will love be the motivating force strong enough to free creation from its slavery.

Restoration of All Things 2

- Son, engage the creation stone and from that position, converged with the eternal now, release the sound all creation is longing for.
- Son, release the frequency of love's passion, burning desire, intense joy, deep compassion and overwhelming love as the oracles that are the glory of your sonship.

Restoration of All Things 2

- Son, the freedom of the glory of your sonship is the frequency that creation is longing to hear.
- The groaning of creation can be entrained to the frequency of hope heard within love's oracles.

Restoration of All Things 2

- Son, the dimensions are calling; those fallen sons are calling; the spirits of Our children are calling; for their souls in the consuming fire.
- Raise up those willing to hear and answer the cries of creation as sons to know their true identity and take their places of heavenly authority.

Restoration of All Things 2

- The circle of the deep and the Ambassadors of the ages need to be aligned.
- Teach the sons to administrate the times and seasons to facilitate change.
- Creation itself is beginning to respond to sons arising; now the elementals will need to be engaged if this momentum is to continue.

Restoration of All Things 2

- Son, you need to listen to creation's groaning and connect with the elementals associated with the sound frequency you hear.
- There are some of Our children who are more sensitive than the sons and more connected to creation; listen to them but do not accept their conclusions.

Restoration of All Things 2

- The issues that are indicators of creation's groans are: climate change, sea pollution, protesting movements, fires and forests, seismic activity, and others that you will resonate with.

Restoration of All Things 2

- Son, you will generate a higher frequency of love's light when you engage the dimensions with the oracles of Our heart.
- I will give you revelation of which frequencies represent the oracles.

Restoration of All Things 2

- Each of the five key precepts of the oracles has a specific frequency range that can be generated by the hearts of the sons of God coming to places of maturity.

Restoration of All Things 2

- Those five key frequencies are arranged on a pentatonic scale and can be directed specifically through music and Rife frequencies that resonate in and through expanded consciousness states of being.

Restoration of All Things 2

- There are different creative ways of generating the frequencies that represent the oracles: the bowls, Rife machines, tuning your bodies' and minds' energy fields in rest.

Restoration of All Things 2

- Son, start by using meditation for rest to create altered states of reality that connect dimensionally for restoration through the oracles' frequencies.

Restoration of All Things 2

- Then you can produce Rife frequencies that can be focused dimensionally through quantum entanglement through Our sons' presence dimensionally.

Restoration of All Things 2

- Sonship becomes the conduit for the oracles of the Father's heart as the five frequencies are activated within their hearts.
- Son, your being drawn to the Rife frequencies is Our desire being realised in oneness, and your willingness pleases Us greatly.

Restoration of All Things 2

- Now pursue the shift to align the oracles of restoration with the energy creative streams to form a unified approach.
- All these things were out of my comfort zones as I am not a musician.

Restoration of All Things 2

- Son, look at the fives in Bible and in creation to gain more insight into the pentatonic form, as this will be a key to being able to focus energy into specific targets that you have mandates for.
- We have 5 senses, 5 toes and also 5 fingers we engage with

Restoration of All Things 2

- In the Bible, five is mentioned 318 times
- According to the Bible, there are 5 big mysteries in this world, which are represented as the Father, the Son, the Holy Spirit, the Creation and the Restoration.
- This is grace in action through the hand of God

Restoration of All Things 2

- Number 5 is usually considered to be a symbol of goodness and grace of God.
- When we multiply this number with itself, we get 25 as a result, which is considered to symbolize the grace upon the grace.

Restoration of All Things 2

- John 1:16 For of His fullness we have all received, and grace upon grace.
- 1 Peter 4:10 As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God.

Restoration of All Things 2

- James 4:10 But He gives a greater grace. Therefore it says, “God is opposed to the proud, but gives grace to the humble.”
- Grace is God’s blessing, His enabling power to equip us in our sonship mandate

Restoration of All Things 2

- James 4:10 But He gives a greater grace. Therefore it says, “God is opposed to the proud, but gives grace to the humble.”
- We should never confuse God’s grace with merit, because merit is only for worthy people.

Restoration of All Things 2

- There are phrases in the Bible that are repeated 5 times, emphasising the grace of God.
- Jesus had 5 wounds while he was on the cross.
- The number 5 symbolises the number of the universe and also the number of the divine's will.

Restoration of All Things 2

- The number 5 is not only the number of the divine grace, but it is also a number of balance and harmony that should exist in your life.
- The biblical meaning of number 5 is sometimes related to the weakness and impotence of a human as opposed to the limitless grace of God

Restoration of All Things 2

- David picked up 5 stones
- The Number 5 in Hebrew symbolizes the idea of saving, to be saved, or to be rescued.
- Starting with the middle letter Mem which represents the world.
- It is God who saves or rescues us from the world

Restoration of All Things 2

- The tabernacle, whose design was given directly by God, contained five curtains (Exodus 26:3), five bars (Exodus 26:26 - 27), five pillars and five sockets (Exodus 26:37) and an altar made of wood that was five cubits long and five cubits wide (Exodus 27:1).
- The height of the court within the tabernacle was five cubits (Exodus 27:18).

Restoration of All Things 2

- The anointing oil (Exodus 30:23 - 25) used to consecrate the furniture of the tabernacle has 5 ingredients given directly by God
- The proportion of spices used in making the oil were a multiple of five

Restoration of All Things 2

- 5 kingdoms in Daniel's interpretation of Nebuchadnezzar's dream
- The present fifth kingdom of God was established in those days of the fourth kingdom
- 5 Greek and Hebrew Words for Love

Restoration of All Things 2

- I meditated on the pentatonic scale as it related to the 5 oracles of the Father's heart
- Passion, Burning Desire, Intense Joy, Deep Compassion and Overwhelming Love
- These are directed towards all God's children and all creation

Restoration of All Things 2

- Pentatonic scale 1, 2, 3, 5, 6
- 444Hz is higher, uplifting and good for releasing tension.
- 432Hz is lower, calming, and good for grounding and peace.
- A C D E G

Restoration of All Things 2

- A pentatonic scale is a musical scale or mode with 5 notes per octave. In most pentatonic scales, all the notes harmonise – making it very easy for you to play because there are no ‘wrong’ notes.
- You literally can’t make it sound bad!

Restoration of All Things 2

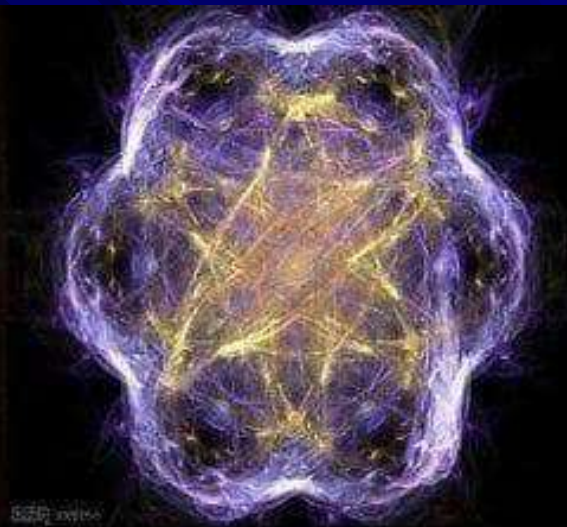

- The pentatonic scale is the most intuitive scale, it is the foundation of improvisation, and examples are found in almost every culture.
- Major: 2-2-3-2-3
- Minor: 3-2-2-3-2

**This existence is not about
learning to "accept" reality;
but rather- remembering *your* power
to **CREATE** it.**

Restoration of All Things 2

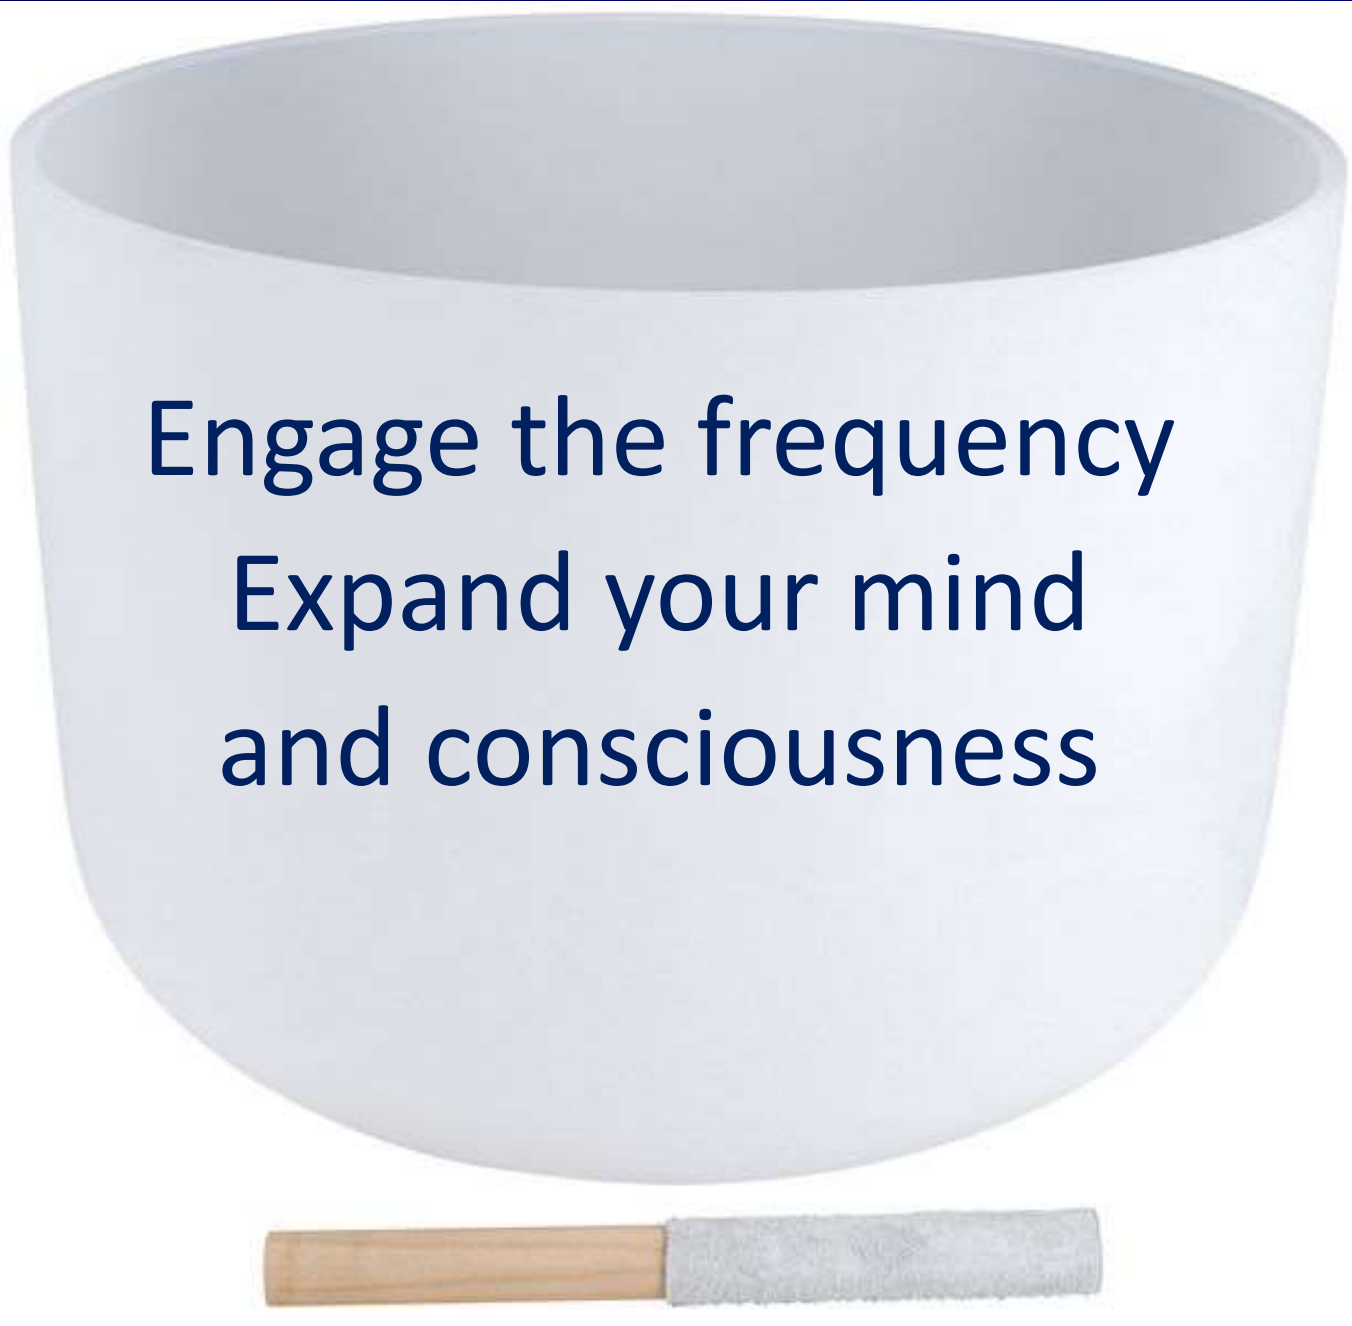

- There are many words of truth that the Father or Jesus would speak over you
- As I speak and release those words through the sound frequency of the bowls, the words will go beyond your mind and penetrate your soul and spirit

Restoration of All Things 2

- I am going to use the frequencies and the vibrations the bowls make to release the intentions of God's words spoken over us
- Embrace and resonate with the truth that is released
- The 5 oracles of the Father's heart
