

Restoration of All Things 2

- When our spirits resonate with truth we will discover that there are many wonders beyond those specifically mentioned in the Bible
- We are walking with God on a relational journey to discover more about Him and ourselves and what our role is in restoration

Restoration of All Things 2

- We have the Holy Spirit of Truth in us and with us as our guide
- We have Jesus the way, truth and life in us and with us to disciple us
- We have our loving Father in us and with us to Father us into sonship
- Agape love should be what we use to measure and test everything against

Restoration of All Things 2

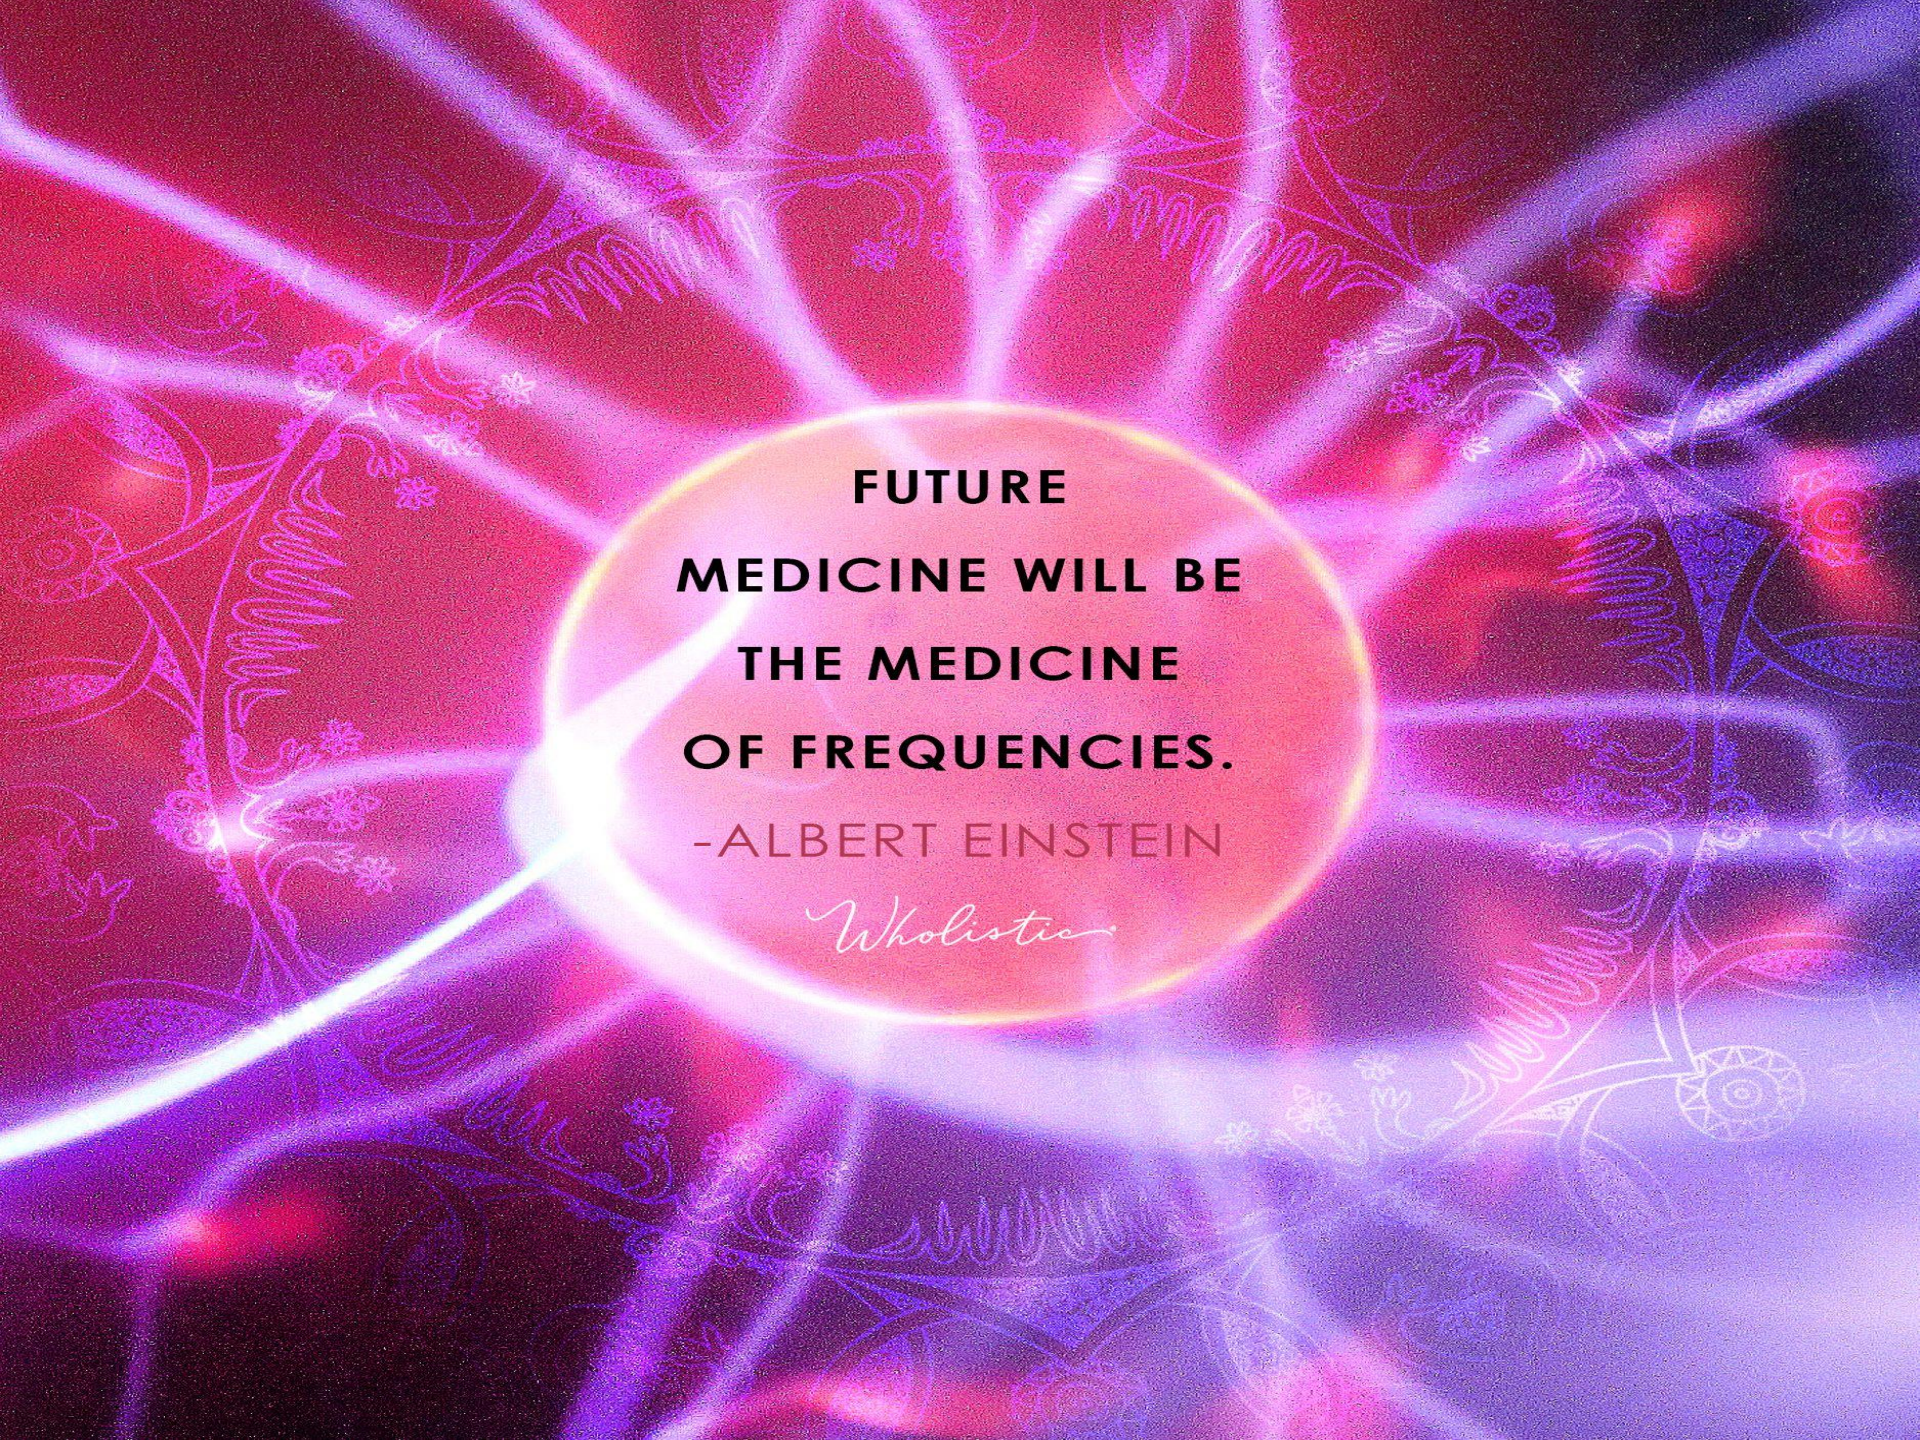

- If you don't resonate with anything on the journey park it and continue to pursue the truth with God directly
- There are many things that I don't yet fully understand cognitively but that does not necessarily make them wrong
- There have been many things that I was convinced were true that I now realise were merely man's opinions and ideas

Restoration of All Things 2

- The 4 streams of thought that are converging into one mighty river are:
- Mystic sonship, Realised Eschatology, Universal reconciliation, Energy frequency healing
- We are going to cover Energy frequency healing in these next sessions

Restoration of All Things 2

- Restoration includes personal wholeness
- Energy frequency healing is being restored in this transition period to help us be made whole
- Energy and frequency are related to many different healing modalities

Restoration of All Things 2

- Future medicine will be based on controlling energy in the body - Professor William Tiller, Stanford University
- Restoration includes restoring sonship abilities to use energy frequencies
- In healing and creating

Restoration of All Things 2

- Our birthright is immortality
- Man was created immortal
- Sin ushered in mortality
- Jesus came to reset the record
- Therefore in His death we have immortality restored
- When we die with Him, we are raised with Him to immortality

Restoration of All Things 2

- 2 Tim 1:9-10 according to the power of God, who has saved us and called us with a holy calling, not according to our works, but according to His own purpose and grace which was given to us in Christ Jesus before time began, but has now been revealed by the appearing of our Saviour Jesus Christ, who has abolished death and brought life and immortality to light through the gospel

- Crystals in healing
- Ezekiel 28:11 The word of the Lord came to me: 12 “Son of man, take up a lament concerning the king of Tyre and say to him: ‘This is what the Sovereign Lord says: You were the seal of perfection, full of wisdom and perfect in beauty.13 You were in Eden, the garden of God; every precious stone adorned you: carnelian, chrysolite and emerald, topaz, onyx and jasper, lapis lazuli, turquoise and beryl.

Restoration of All Things 2

- God is explaining how He created Satan as a guardian Cherub
- He anointed Him, He placed him the covering cherub in the Garden of Eden
- He was the seal of perfection, full of wisdom and perfect in beauty.
- Every precious stone adorned him.

Restoration of All Things 2

- When God created perfection
- He adorned it with every precious stones
- Exodus 28:15-20 Fashion a breastpiece for making decisions – the work of skilled hands. Make it like the ephod: of gold, and of blue, purple and scarlet yarn, and of finely twisted linen. It is to be square – a span long and a span wide – and folded double.

Restoration of All Things 2

- Then mount four rows of precious stones on it. The first row shall be carnelian, chrysolite and beryl; the second row shall be turquoise, lapis lazuli and emerald; the third row shall be jacinth, agate and amethyst; the fourth row shall be topaz, onyx and jasper.

- Encourages self-awareness, allows self-expression and reveals inner truth, providing qualities of honesty, compassion and morality to the personality.
- Stimulates objectivity, clarity and encourages creativity.

Restoration of All Things 2

- Lapis Lazuli assists to confront and speak one's truth and inspires confidence.
- It bonds relationships, aiding in expression of feelings and emotions.
- Lapis Lazuli boosts the immune system.
- Purifies blood, lowers blood pressure, cooling and soothing areas of inflammation.

Restoration of All Things 2

- It alleviates insomnia and vertigo, and overcomes depression.
- Lapis Lazuli benefits the respiratory and nervous systems and the throat, vocal chords, and thyroid.
- Cleanses organs, bone marrow and thymus
- How do we know and how do we use it?

Restoration of All Things 2

- How through the intentional use of their frequencies
- By revelation God reveals truth that is hidden with His mysteries
- Through practice we can use these crystals as directed and guided by the Holy Spirit and our spirit

Restoration of All Things 2

- Revelation 4:2 At once I was in the Spirit, and there before me was a throne in heaven with someone sitting on it. 3 And the one who sat there had the appearance of **jasper and ruby**. A rainbow that shone like an **emerald** encircled the throne.

Restoration of All Things 2

- Revelation 4:6 Also in front of the throne there was what looked like a sea of glass, clear as crystal.
- In the throne room are all the gemstones and a sea of crystals
- Crystals are associated with the foundations of the New Jerusalem

Restoration of All Things 2

- Revelation 21:9-21 19 The foundations of the city walls were decorated with every kind of precious stone. The first foundation was jasper, the second sapphire, the third agate, the fourth emerald, 20 the fifth onyx, the sixth ruby, the seventh chrysolite, the eighth beryl, the ninth topaz, the tenth turquoise, the eleventh jacinth, and the twelfth amethyst. 21 The twelve gates were twelve pearls, each gate made of a single pearl. The great street of the city was of gold, as pure as transparent glass.

Restoration of All Things 2

- The gem stones are not just mentioned but described as foundations
- All through the bible: Old Testament, New Testament, Throne Room of Heaven and now the New Jerusalem we see the gem stones
- There is significance in the use of crystals for us part of our heritage

Restoration of All Things 2

- Exodus 28:30 mentions mystical objects called "Urim and Thummim" (which mean "lights and perfections") that God instructed the Hebrew people to include in the breastplate: so they may be over Aaron's heart whenever he entered the presence of the Lord.

- Crystal Bowls

Restoration of All Things 2

- Hand held Crystal Bowls

Restoration of All Things 2

- Mineral infused Crystal Bowls

Restoration of All Things 2

- Crystal singing bowls are made from silica sand which is pure quartz in nature.
- The sand is dropped into a centrifugal force spinning mould, and at the proper instant, in the centre of that mould, there is an electric arc torch that is ignited to several thousand degrees centigrade.

Restoration of All Things 2

- Crystal singing bowls can be infused with different minerals or crystals for specific purposes
- Gold, silver, peridot, platinum, amethyst, coral, emerald, sapphire, titanium etc. etc.
- Each has different properties and purposes

Restoration of All Things 2

- Singing Bowls have been used for centuries for healing and meditation purposes.
- They create a range of sounds to restore the normal vibratory frequencies of diseased and out-of-harmony parts of the body, soul, emotions and mind

Restoration of All Things 2

- Healing with sound is believed to be one of the oldest forms of healing known to man and dates back to ancient Greece when Pythagoras was the first known person to prescribe music as medicine.

Restoration of All Things 2

- Our entire body, down to our very DNA is crystalline in structure and we each vibrate at our own unique frequency.
- We are made up of over 70% water, our cells are filled with fluid so sound frequency is an amazing tool for healing at a cellular level.

Restoration of All Things 2

- When we are out of rhythm, disease and disharmony in the body can manifest.
- Crystal bowls can work with these imbalances and blockages of our energy channels and help restore balance within the body once more.

Restoration of All Things 2

- Singing Bowls can be used to form sound baths to surround and immerse people in the intention carried on the sound frequencies
- The bowls can be placed on specific parts of the bodies
- There are hand held bowls that can alternatively be used to focus sound

Restoration of All Things 2

- Singing Bowls can be used to form sound baths to surround and immerse people in the intention of the sound frequencies
- The bowls can be placed on specific paths of the bodies
- There are hand held bowls that can alternatively be used.

- Sound and colour are both forms of energy, which vibrate.
- As the vibration of sound becomes higher and lighter, the sound is transmuted into colour.
- A normal piano spans a bit more than seven octaves.

Restoration of All Things 2

- If, hypothetically, we could extend the piano keyboard another 35 to 50 octaves higher, the keys at the higher end would produce colours, rather than audible sounds, when played.
- Creation is groaning in B-flat 57 octaves below the lowest b-flat on piano that sound even comes from black holes

Light, Sound & Alpha Brain Wave Correspondences

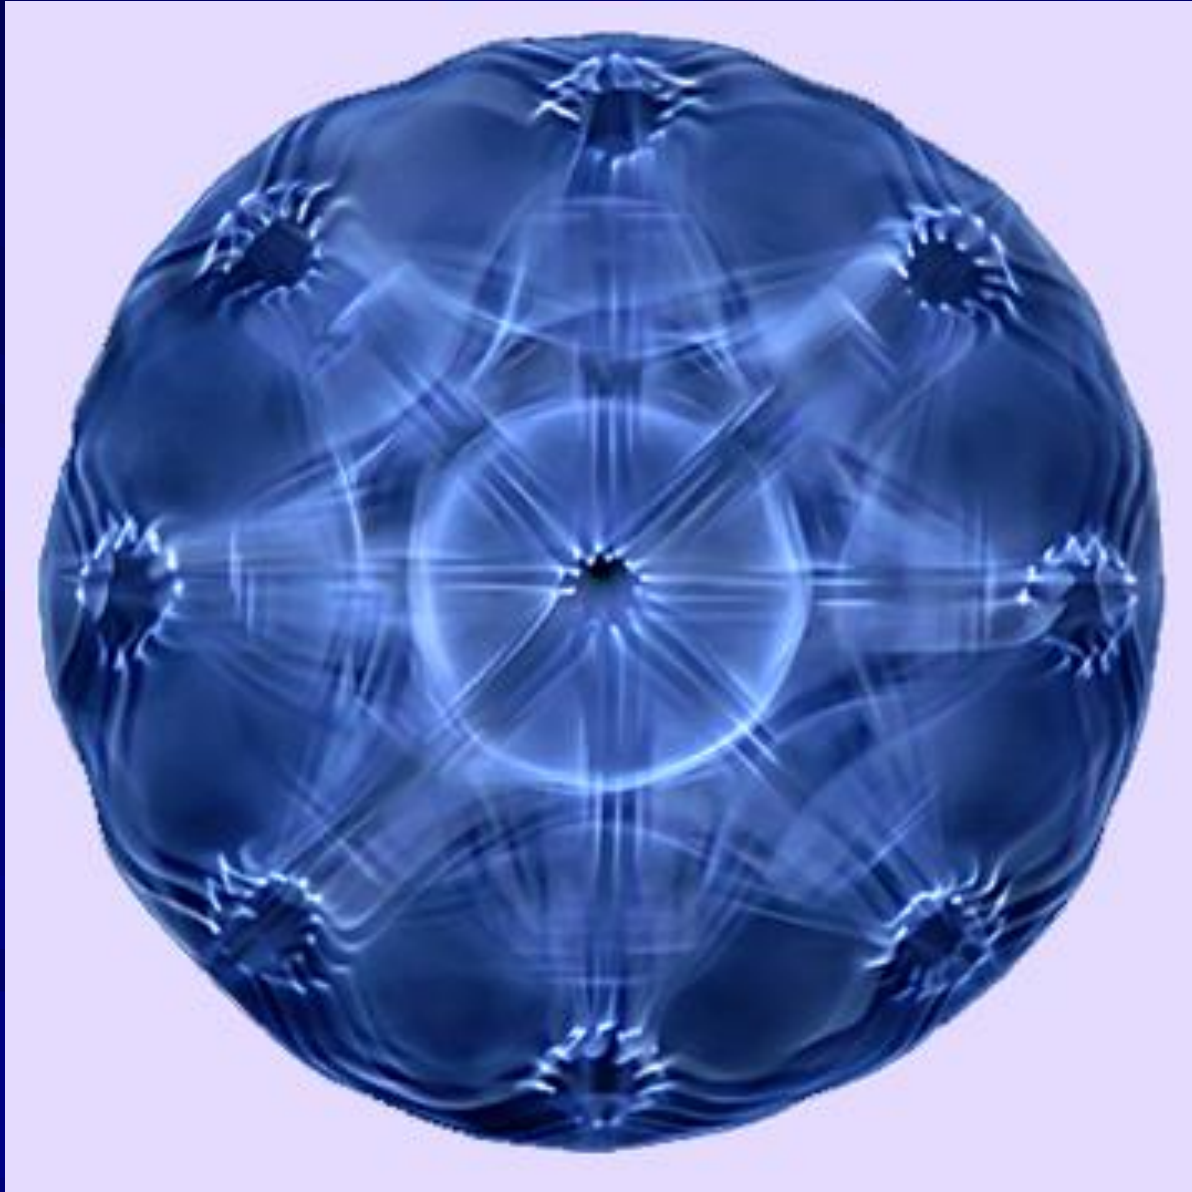

Audio frequencies are 40 octaves down from the visible light spectrum. Alpha brain wave frequencies are 46 octaves down from the visible light spectrum. Light (color) is measured by its wavelength (in Angstroms) and must be converted to frequency before finding a color's corresponding lower harmonic frequency.

Restoration of All Things 2

- The crystal bowls emit a sound which is a powerful, pure resonance.
- The larger bowls are much more reverberant, with the tone lingering longer, simply because of the size and amount of crystal.

Restoration of All Things 2

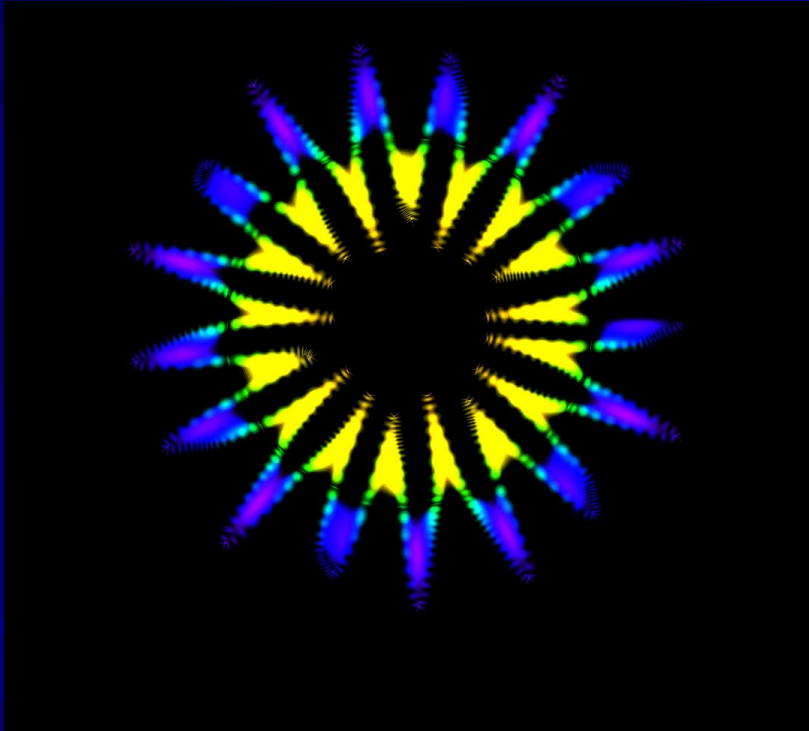

Restoration of All Things 2

- The bowls can be played with intent in different ways using different implements and techniques by flowing through the spirit
- Flow of intent for healing or peace etc. is released in the same way as we speak words

Restoration of All Things 2

- Essential oils are another form of frequency and energy used in healing and health
- Quote from Gary Young
- “For a number of years during my clinical practice, I researched the use of electrical energy for the purpose of reversing the disease process.

Restoration of All Things 2

- I kept feeling that there had to be a more natural way of increasing a person's electrical frequency, which led to the discovery of the electrical frequency of oils.” - Dr Gary Young – Founder of Young Living Oils

Restoration of All Things 2

- Essential oils have the highest frequencies of any measured natural substance.
- Pure grade essential oils range in frequency from 52 to 580 MHz (latest finding with Idaho Blue Spruce).
- A healthy body, from head to foot, typically has a frequency ranging from 62 to 78 MHz, while disease begins at below 60

Electromagnetic frequencies of chosen substances

All Essential Oils are charged with healthy and stimulating electricity on a nano volt range with a MHz frequency. (range of radio waves, millions of cycles per second).

0 Hz	convenience food
5 – 10 Hz	fresh vegetables
12 – 22 Hz	dried herbs/ tea
20 – 27 Hz	fresh herbs
52 – 320 Hz	Essential Oils

Pollutants/toxins decrease the frequency of natural substances.

(according to Tainio Technology Institute, Eastern State University, Cheney, Washington)

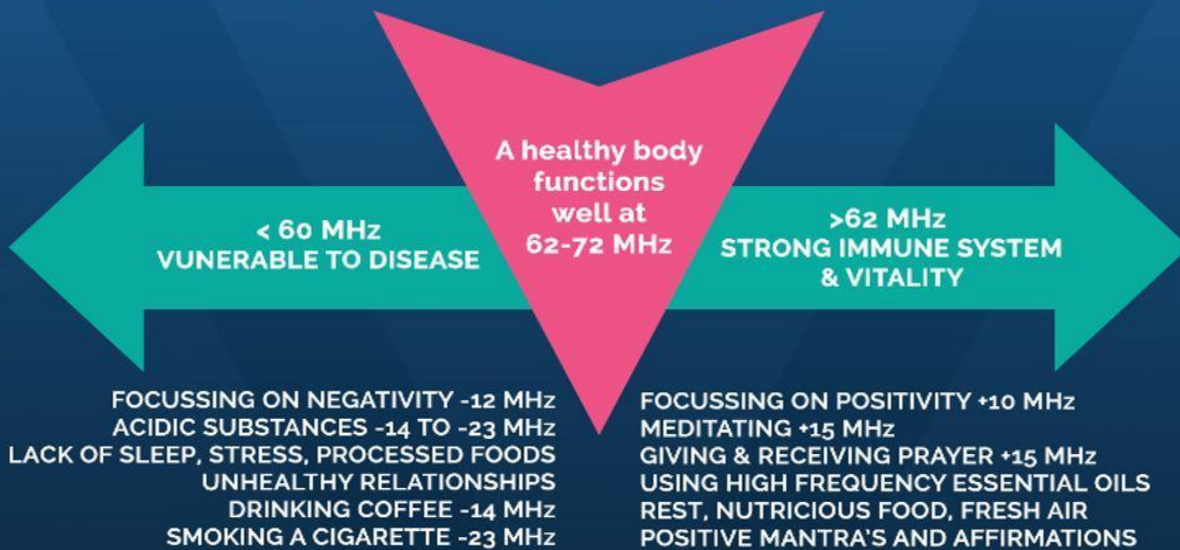

“Essential oils all emit a spectrum of frequencies that come from the bonds between elements comprising the molecules of their compounds. Each molecule is like a tiny stringed instrument where the bonds between the atoms of carbon, hydrogen, and oxygen act as strings of different pitches, just as a guitar or a harp has several strings of different pitches each with harmonics and overtones of their own.”

Restoration of All Things 2

- “Is anyone among you sick? Let them call the elders of the church to pray over them and anoint them with oil....” (James 5:14)
- They were anointed for spiritual purposes
- They were anointed for physical healing

Restoration of All Things 2

- What is the Real Meaning of Anointing?
- The Hebrew word for anointing means to rub or massage a person with oil.
- This meant using healing oils of the Bible, not vegetable oil

Restoration of All Things 2

- To bless that person on a physical and spiritual basis.
- True anointing is another lost art and science. Jesus' feet were anointed with oil several times in the Bible with Spikenard (see Luke 7:36-50 and John 12:1-8).

Restoration of All Things 2

- Essential oils can support wellness this was know in biblical times
- The Levite priests were in charge of diagnosing and healing disease through prayer and anointing with oils
- Essential oils were used by the apostles

Restoration of All Things 2

- Ezekiel 47:12 Revelation 22 Along the bank of the river, on this side and that, will grow all kinds of trees used for food; their leaves will not wither, and their fruit will not fail. They will bear fruit every month, because their water flows from the sanctuary. Their fruit will be for food, and their leaves for medicine.

Restoration of All Things 2

- God spoke and the plants came into existence. His breath and life are in the plants
- We eat plants for our sustenance and well being.
- The leaves are for our medicine.

Restoration of All Things 2

- The leaves carry natural frequencies that were created to resonate with and restore our frequency.
- Either through oils or natural supplements the plants are His gift to us

Restoration of All Things 2

- There are connections in our feet to other organs of the body.
- Raindrop treatment uses this knowledge to engage the body by putting the oil on specific feet parts

Restoration of All Things 2

- John 12:3 Mary then took a pound of very costly perfume of pure nard, and anointed the feet of Jesus and wiped His feet with her hair; and the house was filled with the fragrance of the perfume.

Restoration of All Things 2

- Jesus washed His disciples feet what was He actually doing?
- The feet are significant as Jesus revealed when washed them and allowed His feet to be anointed with oil.
- Is it also a confirmation that the feet impact the entire body?

Restoration of All Things 2

- The limbic system
- There is one part of our brain which has not evolved since the days of the cavemen
- In fact, it sounds as though it may in fact have “devolved” it is the limbic system.

Restoration of All Things 2

- Our ancestors relied very heavily on the sense of smell so the limbic system was well developed
- They were very instinctive and could actually smell the change of the weather days ahead of time.

Restoration of All Things 2

- The limbic system is referred to as the “old brain” as the structure and composition has not changed from primitive times.
- This is probably due to the fact that we now chose to use other mechanisms to replace the functioning of the limbic system.

Restoration of All Things 2

- Using the sense of smell as a healing tool is extremely powerful as it bypasses the intellect.
- Smell can trigger memories that our subconscious cannot hide.
- One tool that can be used to trigger smell memories is essential oils another flower essences

Restoration of All Things 2

- Our sense of smell is directly connected to the brain.
- When we inhale, scent molecules travel along the same route (the limbic system) as our behaviours, emotions, mood, and memories.
- Our eyes, ears, tongue, and sense of touch are all wired so that their messages pass to the brain via the reasoning cortex first.

Restoration of All Things 2

- The nose, however, is wired differently. It connects directly with the limbic brain such that one's response to an aroma is going to be emotional before it can be cognitive
- So inhaled oils go directly into our emotional brain and bypass our reasoning.

Essential Oils and the Olfactory System

Scent travels until it reaches the olfactory bulb.

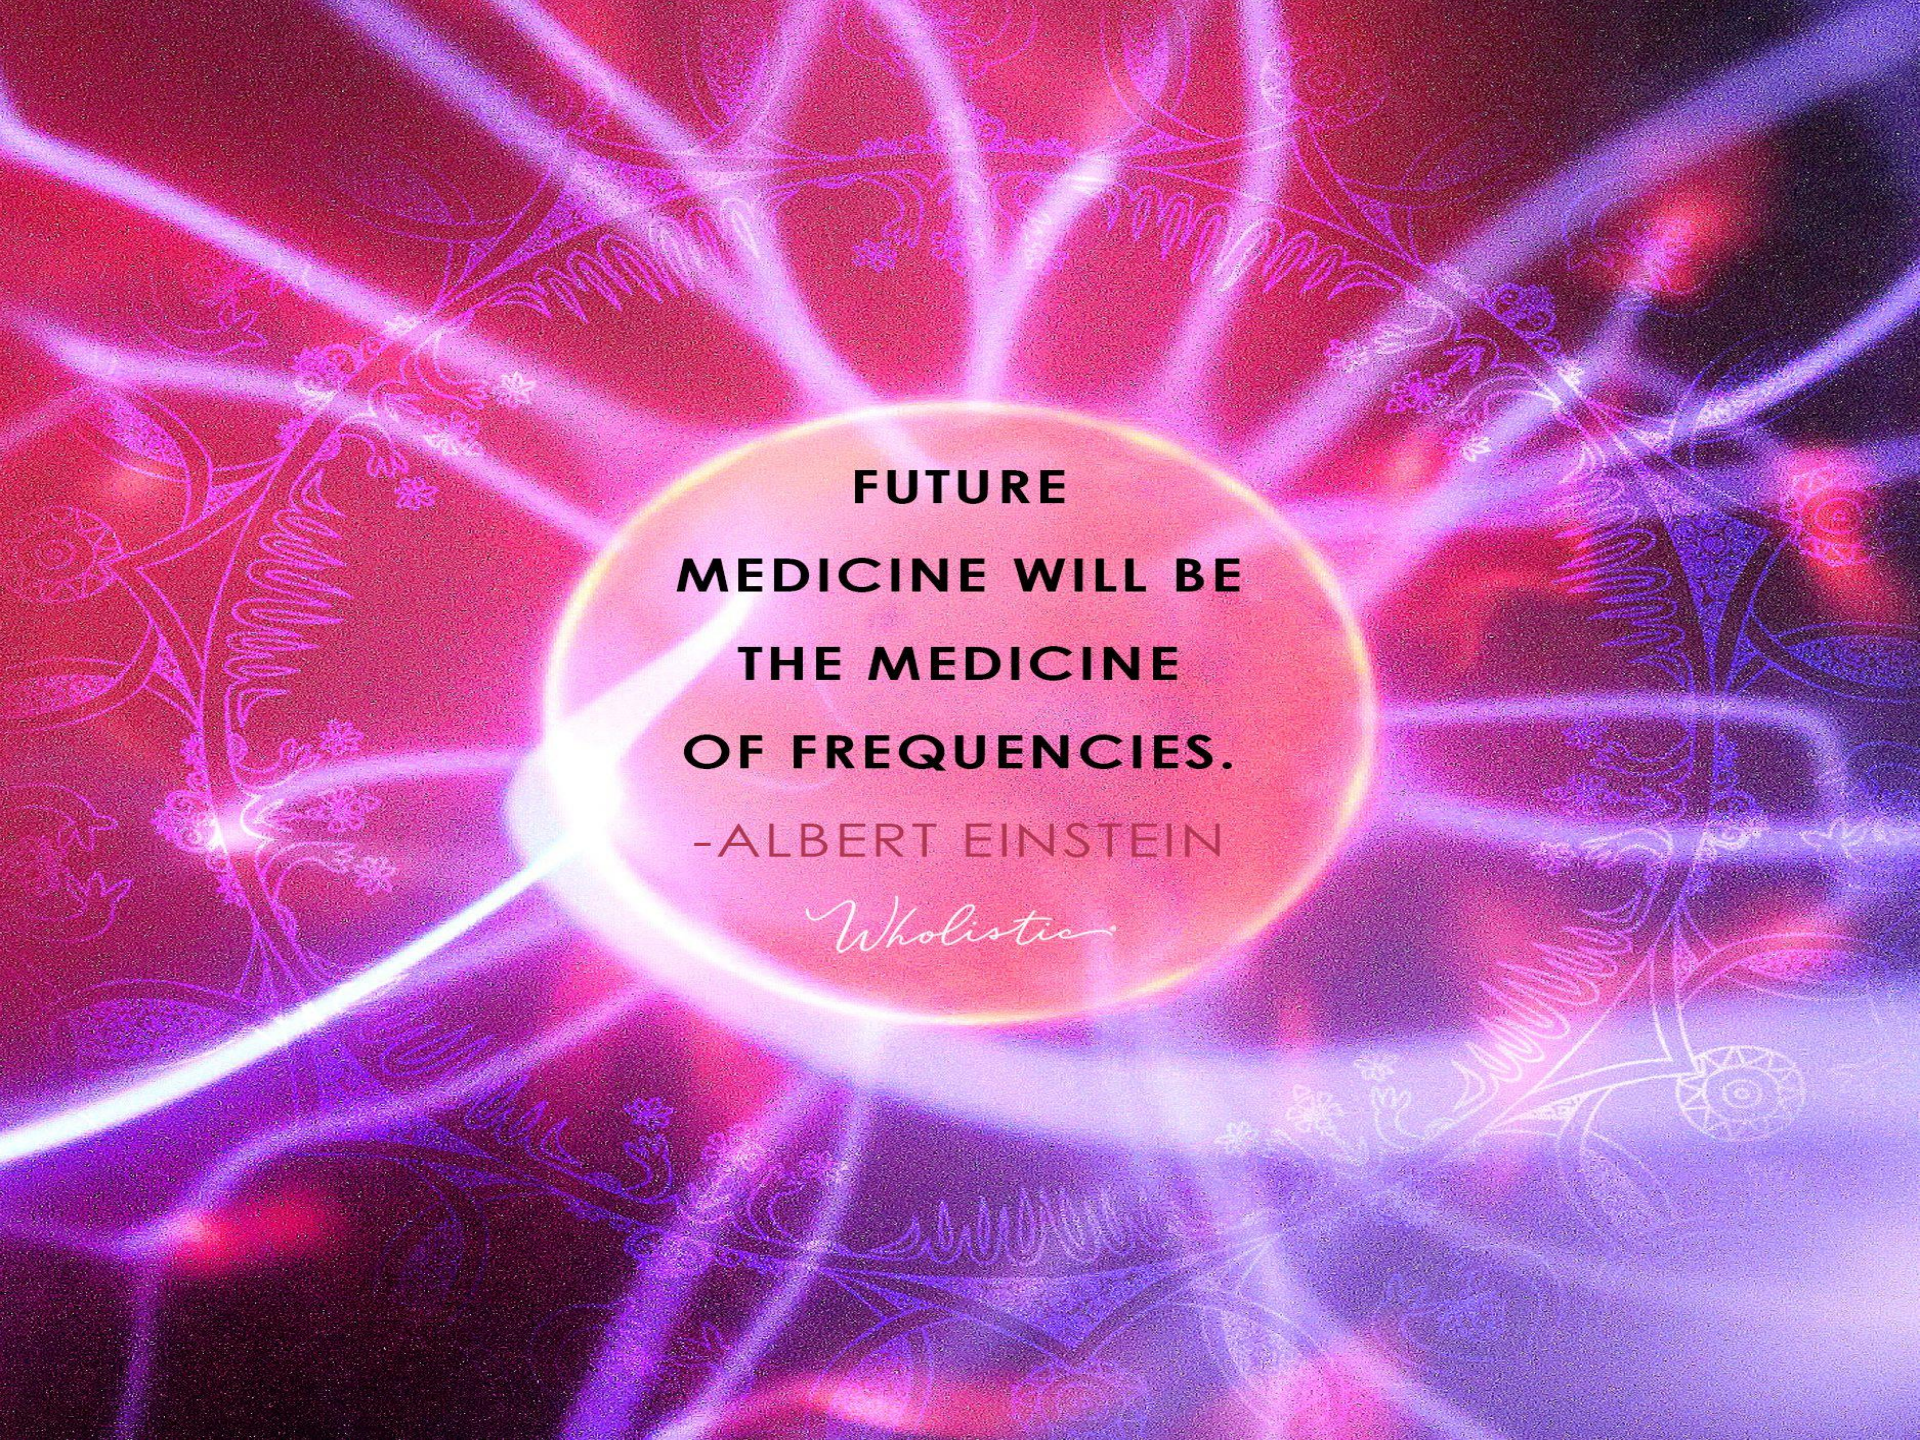

Via the olfactory bulb, the aroma is sent directly to the center of the brain, to the limbic system, where it is processed and releases neurochemicals that can be relaxing, stimulating, sedative, etc. depending on the essential oil being used.

Restoration of All Things 2

- Therefore, because oils inhaled directly affect the emotional seat in our brains where traumatic memories are often stored and because oils can release cellular memories stored anywhere in the body, they can be of great value in helping us clear ourselves from the unconscious, hidden emotional patterns.

Restoration of All Things 2

- These patterns can control our lives and hold us back from the full manifestation of our potential and the ability to walk in our destiny.
- Consequently, essential oils are fantastic at triggering and releasing emotions when we learn how to work with them, and make them work for us.

Restoration of All Things 2

- How do you use Essential Oils
- You can use Memory Release Oil to help facilitate the revelation that unveils issues that may hidden or buried
- Place a drop of oil in your hand and rub in a clockwise direction

Restoration of All Things 2

- The reason a clockwise motion is used is because the strands of DNA that form our cellular intelligence turn in a clockwise manner.
- So when we use a clockwise motion to apply the oils, the tiny molecules in each drop will enter our bodies spinning in the same direction as our DNA and can more effectively deliver their amazing benefits.

Restoration of All Things 2

- Drop the oils, rub and inhale.
- As you inhale ask Holy Spirit to show you words that have created obstacles and hindrances in your life
- Recognise the energy you have released through those words
- Break the power of those words and destroy the negative energy
- Make a choice for a different outcome in future

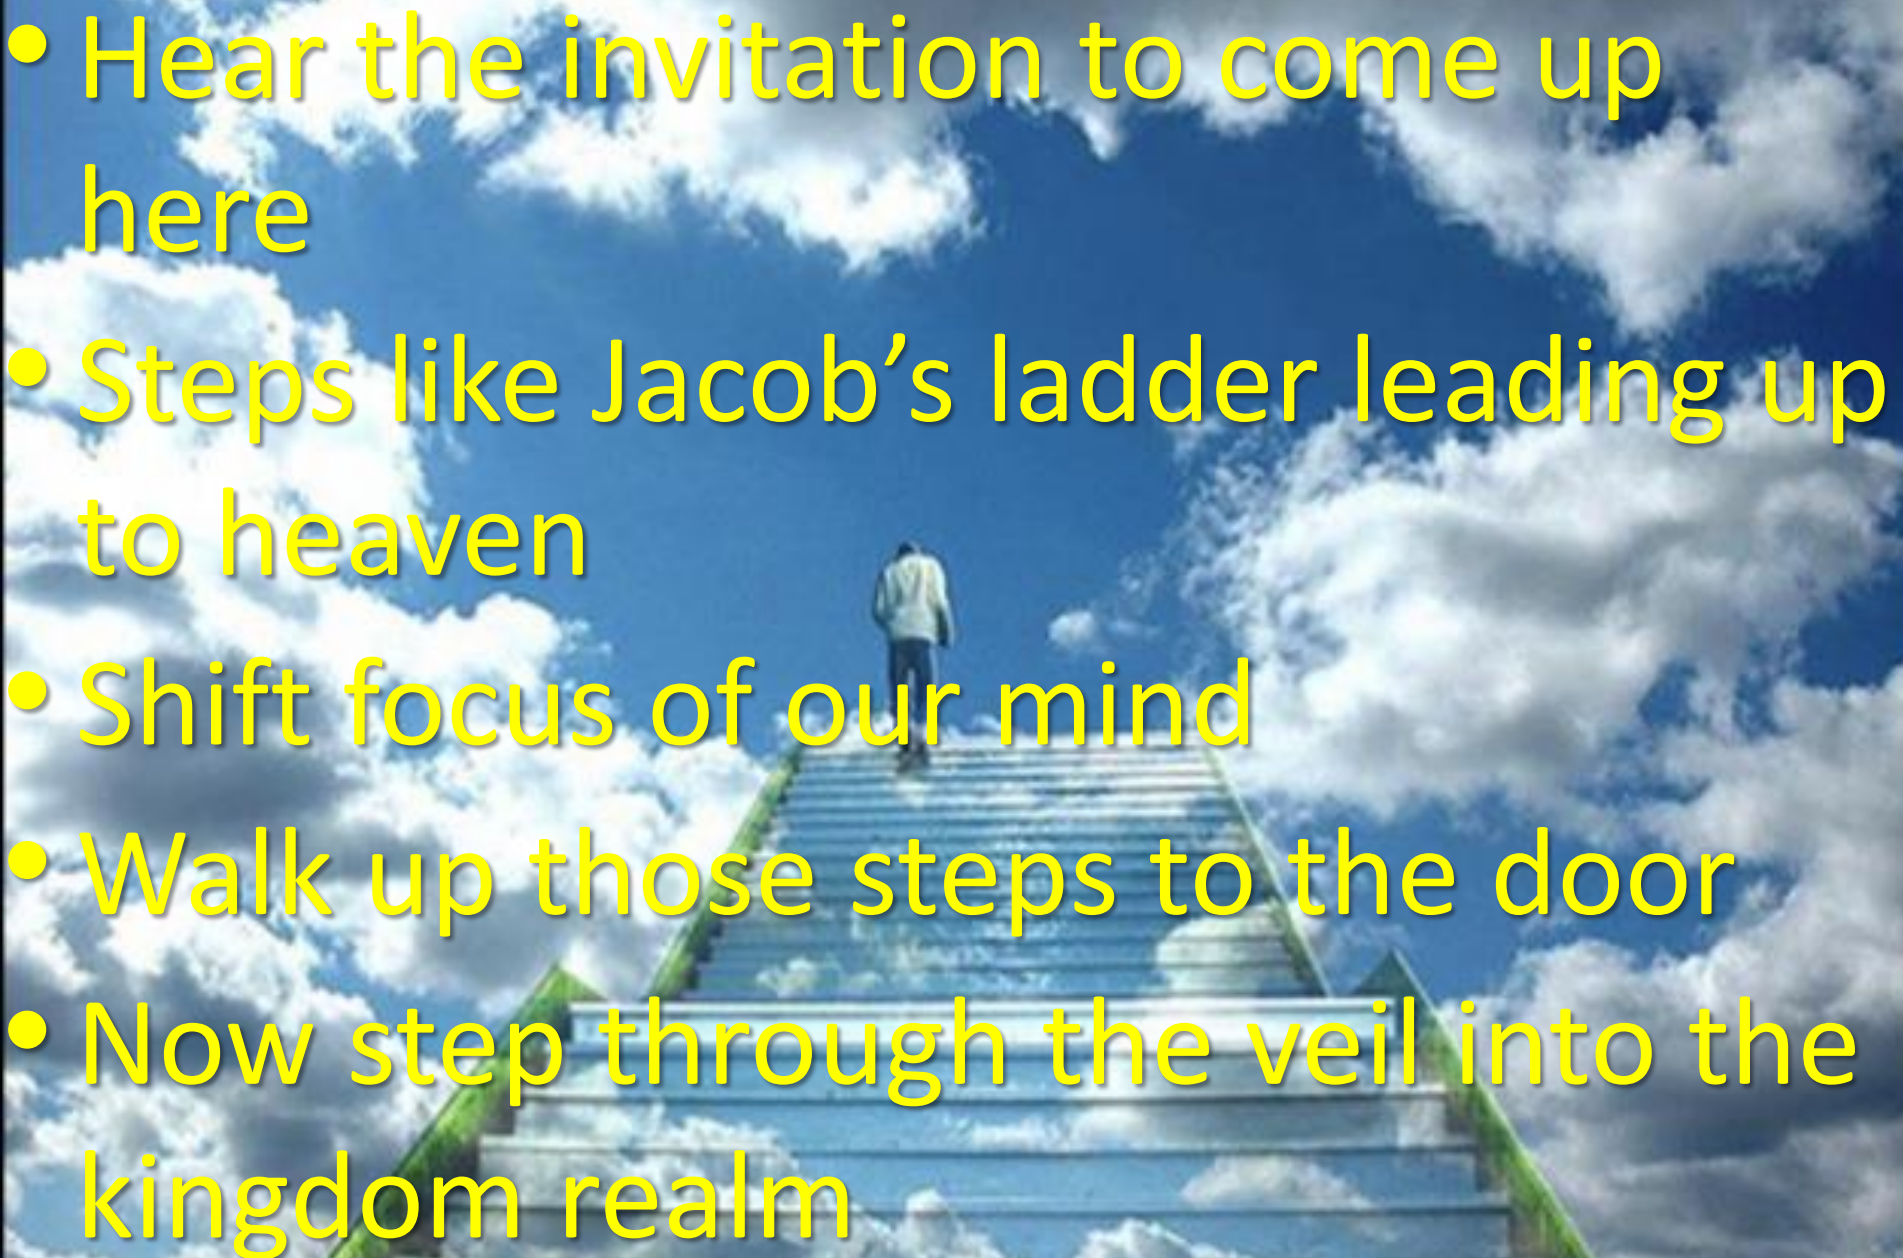

Restoration of All Things 2

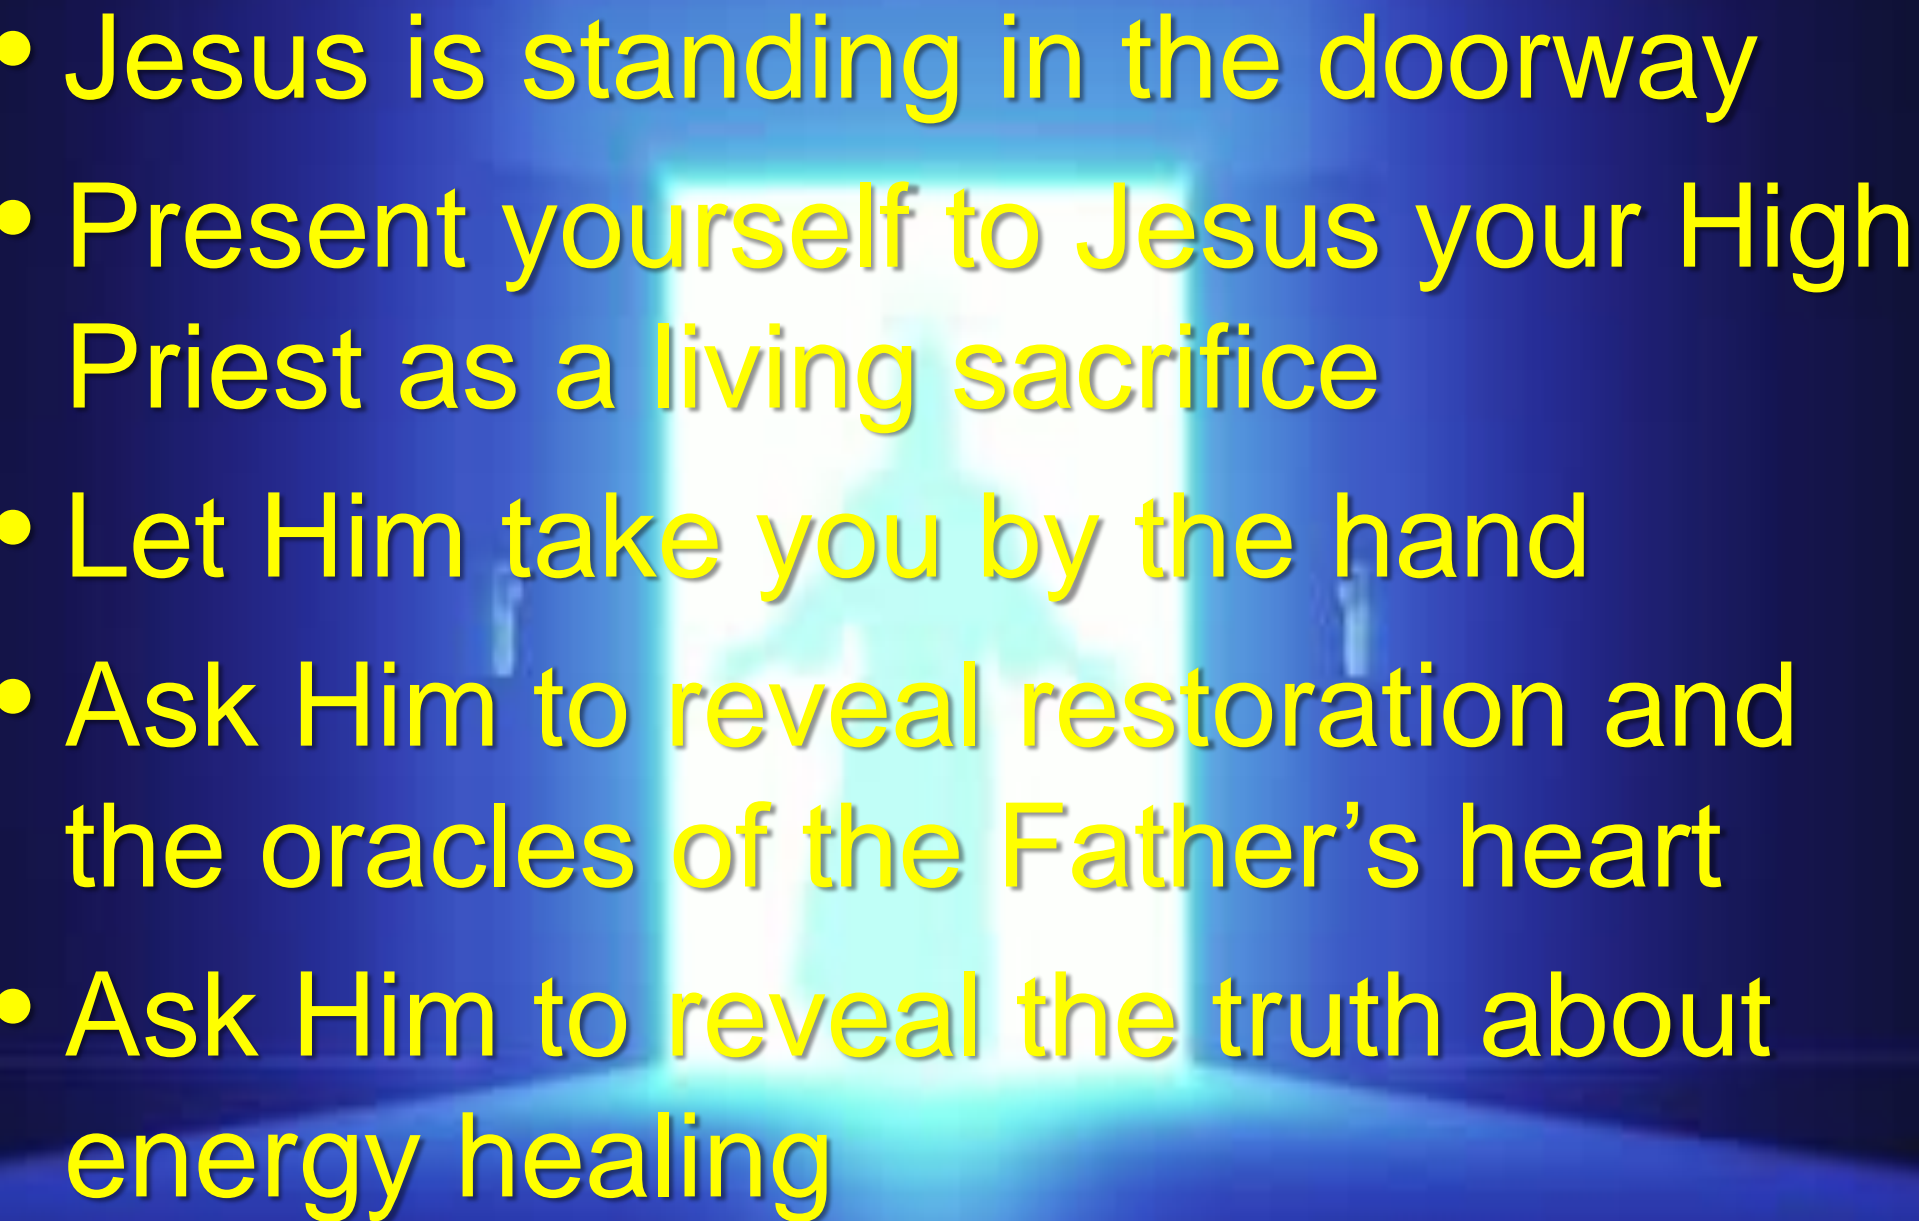

- Rest is the key to restoration and revelation
- Start to focus on your breathing slowing it down and start thinking of the name of God YHVH
- Breathe in deeply and exhale slowly

- Breathe in Hei and out Vav

Restoration of All Things 2

- Repeat in Hei out Yod in Hei and out Vav
- Invite love, joy and peace flow in you and through you to create an atmosphere of rest around you
- You are in a safe place
- Start to think of an open heaven and set your desire upon it

- 
- Hear the invitation to come up here
 - Steps like Jacob's ladder leading up to heaven
 - Shift focus of our mind
 - Walk up those steps to the door
 - Now step through the veil into the kingdom realm

- 
- A glowing doorway in a dark blue space. In the center of the doorway, a faint, glowing figure of Jesus is visible, standing with arms slightly out. The light from the doorway illuminates the surrounding space, creating a gradient from dark blue to bright white at the entrance.
- Jesus is standing in the doorway
 - Present yourself to Jesus your High Priest as a living sacrifice
 - Let Him take you by the hand
 - Ask Him to reveal restoration and the oracles of the Father's heart
 - Ask Him to reveal the truth about energy healing

- Jesus please take each person and show them what they need to receive the revelation about restoration
- Go wherever He takes you
