On Earth as it is in Heaven

6. Laws and Legislation

Mike Parsons

On Earth as it is in Heaven

- Matt 6:10 Your kingdom come. Your will be done, On Earth as it is in Heaven.
- To function on Earth as it is in heaven we need our identity as sons to come from the Father
- We must not try to get our identity from what we do, else it will drive us

On Earth as it is in Heaven

- We need a cardiognosis: face to face, heart to heart, knowing the desires of the Father's heart to guide and lead us
- We can then reflect the Father's heart on earth as it is in heaven, free to only do what we see Him doing

On Earth as it is in Heaven

- This governmental function is according to our cherubic nature within the Order of Melchizedek
- We need to take our place in heaven as sons within YHVH to function governmentally as the order of Melchizedek
- We govern within the power of His name, reflecting heaven into the earth as gateways

On Earth as it is in Heaven

- How does the government in heaven function?
- Legislatively; according to the precepts, statutes, laws and ordinances of God, which are relational and based in love
- How does heaven's government relate to the earth?

On Earth as it is in Heaven

- Zech 3:7 “Thus says the Lord of hosts, ‘If you will walk in My ways and if you will perform My service, then you will **also govern My house** and also **have charge of My courts**, and I will grant you free access among these who are standing here.’”
- To govern or rule the house we need laws and legislation; and we have charge of courts and access to councils of heaven

On Earth as it is in Heaven

- What are laws and legislation?
- How do we get laws and legislation?
- Where do we get laws and legislation?
- Where do we legislate from?
- How do you use the laws and legislation in heaven and on earth?
- Who helps us legislate?

On Earth as it is in Heaven

- Legislation is the process of making or enacting laws
- What is it to legislate?
- To use the authority a law provides to provide, create, prepare or rule
- What authority do we have and over what?
- Our authority is always to bless

On Earth as it is in Heaven

- To legislate we need a sphere of authority, an area of jurisdiction
- To have a sphere of authority we need a mandate
- To legislate that mandate we need a blueprint and a strategy
- Laws give us the specific authorisations needed to manifest the blueprint

On Earth as it is in Heaven

- The basis of all laws and legislation is **love**, the precepts of God, His nature and character
- Statutes of God – how God sees things, how they are ordered
- Laws of God – the decrees that bring order
- Ordinances of God – the directions or strategies for manifestation

On Earth as it is in Heaven

- I learned about legislation from Wisdom, who took me to the Court of Kings
- I was sat at a bench with a scroll in front of me – with no clue
- From my spirit, the Law of Fatherhood and Sonship was written on the scroll, much to my surprise!

On Earth as it is in Heaven

- Wisdom then took me to the Court of Chancellors
- I presented the scroll and the 4 Chancellors at the bench sealed the scroll with Lion, Ox, Eagle and Man seals and then gave it back to me

On Earth as it is in Heaven

- Wisdom then took me to the Court of Scribes. I presented the sealed scroll; and they recorded it into the statute book or records and gave it me back
- I was now authorised to use this law
- For corporate use, we agreed the law as a Bench of 3 and ratified it with our then Bench of 12

On Earth as it is in Heaven

- The laws of a nation or the byelaws of a county or city are recorded in their statute book
- A statute is a formal, written enactment of a legislative authority that governs a city, state, or country.
- Typically, statutes command or prohibit something, or declare policy.

On Earth as it is in Heaven

- A statute book is a record of all the laws and legislation that an Ekklesia is mandated to use that are recorded in heaven
- All the court cases that have been carried out and their verdicts can be recorded for future reference and use

On Earth as it is in Heaven

- The laws on the statute books are what can be used to legislate with
- Earthly or religious laws are often seen as prohibitive
- Heavenly laws are mainly permissive – they authorise us to act in alignment with God's kingdom and His will

On Earth as it is in Heaven

- What do you do with a law?
- Put it in your heart and nurture it until it empowers and directs your thoughts and feelings to make decrees and declarations
- Use the authority it gives you to act with confidence

On Earth as it is in Heaven

- A law gives you heavenly recognition
- Take it to the Court of Angels for assignments to help its outworking
- Take it to the Court of Strategy for further heavenly or earthly strategies
- Administrate it from your thrones to decree, declare, create by calling things forth, choosing reality etc.

On Earth as it is in Heaven

- How to shape laws and legislation
- As sons of God we are called to rule and reign in life.
- This then requires us to operate governmentally as Kings and to take charge (responsibility) for the earthly outworking of the Kingdom of God in and through our spheres of authority.

On Earth as it is in Heaven

- As sons, we are now learning how to form and shape the laws that will provide structure and authority to our realms of dominion, enabling us to establish heavenly government.
- God is revealing laws to us and teaching us how to legislate from heaven to earth

On Earth as it is in Heaven

- However, often when we begin to get “laws” from God corporately, we do not always get a nice and tidy, neatly arranged, download.
- Rather we get statements, declarations, scriptures and impressions etc.
- These need to be shaped into something that is legislative, understandable and usable

On Earth as it is in Heaven

- Often, different people will get different facets of the same law but will not recognise that they are related until everything is collated and structured.
- So, to help with this process, the following framework is a method that is helpful in bringing shape to the legislative process.

On Earth as it is in Heaven

- Framework strategy worked out in practice to help formulate laws
- Context of the law
- Authority, rights and powers the law gives
- Jurisdiction of the law
- Consequences and results

On Earth as it is in Heaven

- Context of the law
- This should form a clear explanation of what the law is for.
- This is the background to the law being written and can contain all of the supporting information relevant to the law being drawn up.

On Earth as it is in Heaven

- The following are examples of what could be included:
- Scriptural references
- Information from a blueprint
- Other reasons the law is needed that God has revealed or you have seen in the heavenly realms

On Earth as it is in Heaven

- Authority, rights and powers
- In essence, this is what the law enables you to do.
- Often with statements like:
 - You are authorised to
 - You are empowered to
 - You have the right to

On Earth as it is in Heaven

- Authority – this is where God gives specific explanation of what you are being authorised to do.
- It is the express permission to use the law.
- There may be many different and varied things authorised or situations for its use revealed

On Earth as it is in Heaven

- Rights – these are the privileges and entitlements that God has given to operate the law.
- Rights come from your identity and position of authority
- Individual rights; or corporate rights when part of a Bench, for example

On Earth as it is in Heaven

- This could include:
- The right to make declarations or proclamations and decrees
- The right to be acknowledged in Heaven and on Earth as having this authority
- The right to enforce the law and hold others accountable

On Earth as it is in Heaven

- What is the difference between a decree and a declaration?
- A decree is an official order that has the force of law.
- It is a statement of what will come about as a result using the authority of a law

On Earth as it is in Heaven

- Decrees create and make changes in the spiritual and physical realm.
- What is written as a law is a powerful force that creates change in both the physical and spiritual world when spoken into being
- We decree something from the heart of the Father into being

On Earth as it is in Heaven

- As you decree God's heart and will, the power of the Spirit is released to bring it to pass
- The fabric of creation begins to respond to the vibrational energy present in a decree, to resonate with it for manifestation

On Earth as it is in Heaven

- Declaration says something in a solemn and emphatic manner.
- To declare is to proclaim or state the truth by the faith of God
- To make known or state clearly, especially in explicit or formal terms

On Earth as it is in Heaven

- Declare one's position in a situation or circumstance
- To announce officially; proclaim the truth of the situation
- To declare the outcome of a situation boldly and with the confidence of the backing of God

On Earth as it is in Heaven

- Calling things forth or into being
- Rom 4:17 even God, who gives life to the dead and calls into being that which does not exist.
- Choosing and creating a reality that does not yet exist in the physical realm

On Earth as it is in Heaven

- Powers – these will be governmental in nature.
- You may have authority; but you also need the power to use it
- You may have a court order or a verdict; but you have to have the ability to use those things

On Earth as it is in Heaven

- These powers may include:
- Supernatural abilities, (healing, manipulation of matter, etc.)
- Functions, (judicial, priestly, kingly etc.)
- Skills and competences (aptitudes, know-how, expertise, etc.)
- Faculties (senses, gifts, capabilities, etc.)

On Earth as it is in Heaven

- Jurisdiction
- This equates to who and what the law applies to.
- All law applies to something. It has specific government over territories, realms, dimensions, people, places or things.

On Earth as it is in Heaven

- The laws that God gives us are governmental; and therefore give authority for dominion and the right to rule over a specific area of responsibility.
- This is not to control, but to release blessing, freedom, harmony, health etc. e.g. to help find and fulfil destiny.

On Earth as it is in Heaven

- Just because you have a heart for something or compassion for someone does not mean you automatically have jurisdiction
- It is important we don't step outside our spheres of influence or specific mandates

On Earth as it is in Heaven

- This could be for:
- A people group – Christians in general, Joshua Generation, Ekklesia, mountain sphere, vulnerable group, etc.
- An earthly place or territory – Barnstaple, Devon, England, a nation, UK, Europe, USA, the World, (Universe!)

On Earth as it is in Heaven

- Spiritual places – a dimension of heaven, your mountains, Ekklesia mountains, the enemy's trophy room, courtrooms
- Spiritual beings – angels, angelic beings
- Resources – money, crops, water, power sources, etc.

On Earth as it is in Heaven

- Just because you live somewhere does not necessarily authorise you
- Just because you care does not necessarily authorise you
- You have to carry something in your heart and be given the specific mandate to do something

On Earth as it is in Heaven

- Consequences or results
- This is what happens when the law is used and what happens when the law is opposed or broken.
- Expectations that manifest blessing
- Contempt of court
- Ongoing use to maintain authority

On Earth as it is in Heaven

- This will include the expected results, effects or outcomes such as:
 - What we do as a result
 - Making declarations, decrees, creative statements
 - Assigning angels, releasing sounds

On Earth as it is in Heaven

- Discernment and judgments
- Justice, blessings, freedoms
- Favour, peace
- Multiplications, salvations
- Restorations, miracles
- Much more... fill in the blanks!

.....

On Earth as it is in Heaven

- Also, it will detail any consequences of non-compliance such as:
- 7 fold return for everything stolen
- Return of curses spoken
- Removal of rights from those in opposition
- Loss of favour and blessing
- Authority to use the courts of heaven to enforce the law

On Earth as it is in Heaven

- Law of unintended consequences
- Be as prepared as possible for things that the law releases or causes
- Cause and effect
- Prepare resources to be ready
- Communicate with those it might affect

On Earth as it is in Heaven

- God spoke to me about giving Him time to legislate (to make or enact laws)
- I had been using existing legislation to administer the kingdom
- Making new legislation using the authority it releases to see the rule of God's kingdom bring restoration

On Earth as it is in Heaven

- Son, legislate the area, region and nations for justice and call for freedom.
- I call you to administrate My heart for My people's freedom from religious oppression.
- That was my mandate

On Earth as it is in Heaven

- What laws was I supposed to make?
- What areas of legislation?
- I engaged with Wisdom and sought revelation
- Wisdom took me to the Court of the Councils of the fathers – 24 Elders around Father, Son and Spirit

On Earth as it is in Heaven

- They gave me some specific assignments and general advice
- What was on my heart from engaging with the Father was key
- One specific mandate was to make the Law of religious freedom
- I went to the court of kings, sat at the bench and called for a scroll

On Earth as it is in Heaven

- Law of Religious Freedom came from God directly through me
- I hereby authorise the law of religious freedom.
- This law approves the right of the Joshua generation to set My people free

On Earth as it is in Heaven

- You are authorised to bring freedom to the oppressed, to release light into the shrouded darkness of the old Moses order
- You are authorised to administer Emmaus-road-like encounters to those whose minds have been veiled by the coverings of men.

On Earth as it is in Heaven

- You are authorised to call for and administrate justice for God's people.
- In love you are empowered to challenge the old wineskins and their associated mind-sets.
- The old Moses order mountains can be shaken with the winds of change.

On Earth as it is in Heaven

- You are authorised to call the Joshua Generation to action, to cry into the valley of decision and release heaven's sound and light.
- You have been assigned the ordinances of the angelic hosts to engage in visitations, dreams and visions

On Earth as it is in Heaven

- I took the scroll to the Chancellor's court. It was agreed, authorised and sealed
- I took the sealed scroll to the Court of Scribes and it was written into the statutes
- I am empowered to use it to legislate, so I made decrees and declarations

On Earth as it is in Heaven

- On the basis of the law of religious freedom:
- I call for the veils to be removed from those covered by resistors and rejecters of the new heavenly order.
- I call for justice on the basis of God's judgment, the exposing of those refusing to take the people into the promised inheritance.

On Earth as it is in Heaven

- I call for a stirring and quickening of the hearts of those who have been covered and limited.
- I call for a new generation to arise.
- I call for mercy and the light of truth to shine brighter and with more intensity into the darkness of the coverings of men.

On Earth as it is in Heaven

- I call for justice and freedom from the religious evangelical spirit that is plaguing God's people.
- I call for a holy dissatisfaction to grow in the hearts of God's people and the cry to go out from deep within “there must be more than this”

On Earth as it is in Heaven

- I call for the sound of heaven to resonate in the hearts of those who will become hungry for more as they become dissatisfied with junk food and baby food.
- I call for more angelic encounters, visitations dreams, visions and supernatural engagements.

On Earth as it is in Heaven

- I call for new desires to rise in the hearts of those who have been misled and covered by religious veils of doctrine and theology that deny the supernatural as normal to our lives.
- I call for an open heaven environment

On Earth as it is in Heaven

- I call for the revelation and releasing of heavenly mandates and blueprints
- I call for God's will and kingdom to be revealed and released
- I call for the government of heaven to be established on earth as it is in heaven

On Earth as it is in Heaven

- I call for the facilitation of heavenly perspectives
- I call for the release of heavenly, national, regional, area, local and personal mandates
- I call for all to be seated in their heavenly places of rest and authority.
- I call for God's kingdom to be manifested on earth as it is in heaven

On Earth as it is in Heaven

- Legislation for Rest
- I stand in the rest of I am; within the name of YHVH; as a son of the order of Melchizedek; administrating as a royal priest out of the righteousness of God in Christ.

On Earth as it is in Heaven

- I call forth the oracles of God's heart towards all things in rest for rest, through the function of the Ox, carrying the burden of the weight of glory as a legislator of rest into the creation.

On Earth as it is in Heaven

- I stand in the “is” of heaven's kingdom government; to represent the 4 faces of God as a son and coheir; to call for the *all things* of creation to come into rest.
- I call for rest in the affairs of the nations
- I call for rest between all the families of the earth

On Earth as it is in Heaven

- I call for rest between the dimensions
- I call for the rest of heaven to manifest on earth
- I call for rest between soul and spirit within the heart of man

On Earth as it is in Heaven

- I call for rest to be the frequency that generates the hope that there must be more than this, within the religious wilderness of works.

On Earth as it is in Heaven

- I call for the hope of rest to be the pillar of fire that leads the Joshua Generation out of the darkness of the wilderness into the light of the promised land beyond the veil

On Earth as it is in Heaven

- I call for the hope of rest to end the futility of living in the DIY system of evil that creates the hardships, toil and heavy labour of self-effort

On Earth as it is in Heaven

- I call for the children of God to exodus out of the DIY wilderness systems of the old Moses generation order into the rest of the love, joy and peace within I am

On Earth as it is in Heaven

- I call for rest from rest; for all things to experience the precepts of God's heart of love that works all things for the good of those He loves
- I call for creation to enter the rest of the creator so it will be set free from its bondage to corruption into the glorious freedom of our sonship rest

On Earth as it is in Heaven

- Let the resonance of the call to enter rest reverberate throughout the *all things* of creation, into every dimension of time and space

On Earth as it is in Heaven

- The Law of Ambassadorship
- Ambassadors with the word and ministry of reconciliation
- 2 Corinthians 5:18-20 Now all these things are from God, who reconciled us to Himself through Christ and gave us the ministry of reconciliation, namely, that God was in Christ reconciling the world to Himself, not counting their trespasses against them...

On Earth as it is in Heaven

- ...and He has committed to us the word of reconciliation. Therefore, we are ambassadors for Christ, as though God were making an appeal through us; we beg you on behalf of Christ, be reconciled to God.

On Earth as it is in Heaven

- 2 Cor 5:18-20 (Mirror Bible) The idea of mankind's co-inclusion in the death and resurrection of Jesus Christ is entirely God's doing! To now realize that God has indeed brought final closure to the old and for us to see everything and everyone in this new light is to simply see what God has always known to be true about us in Christ...

On Earth as it is in Heaven

- ...we are not debating human experience, opinion, or their contribution; this is exactly what God believes. In Jesus Christ, God exchanged equivalent value to redeem us to himself. He went to the highest extreme in this act of reconciliation to persuade us of our original worth! ...

On Earth as it is in Heaven

- ... This God has given us as the mandate of our ministry. Our ministry declares that Jesus did not act independently of his Father. God was present in Christ when he reconciled the total *kosmos* to himself. Deity and humanity embraced in him; the fallen state of mankind was deleted; their trespasses would no longer count against them! He now announces his friendship with every individual from within us!

- I call for creation to enter into the rest of the relationship with restored identity, position and purpose

On Earth as it is in Heaven

- I call for the increase of the government of the oracles of the Father's heart to increase and expand to fill the whole of the created order with love's light

On Earth as it is in Heaven

- We are going to engage with Jesus for a mandate to make a law or legislation
- Follow the process through
- Also, you can then seek for Wisdom to guide through the process
- I believe the Father is releasing Wisdom to release new mantles and scrolls for heavenly and earthly positions of authority

On Earth as it is in Heaven

- You can use your mandate to engage Wisdom and ask that she open the Houses of Mantles and Scrolls
- Different positions of governmental authority are going to be released
- Different mandates and blueprints released
- Be open to receive them

- Steps like Jacob's ladder, leading up to heaven
- There is a door standing open in heaven
- Shift the focus of your consciousness and join your spirit
- Walk up those steps to the door
- Now step through the veil into the kingdom realm

- 
- Jesus is standing in the doorway
 - Present yourself to Jesus, your High Priest, as a living sacrifice
 - Ask Jesus for a mandate to make or receive a law for your situation
 - He may take you to Wisdom or take you Himself to the Court of Kings etc.
