

On Earth as it is in Heaven

- Matt 6:10 Your kingdom come. Your will be done, On earth as it is in heaven.
- Our desire is to help facilitate the children of God as the Joshua Generation to function in their governmental positions as sons of God and establish on earth as it is in heaven

On Earth as it is in Heaven

- To function on earth as it is in heaven we need our identity as sons to come from the Father
- We need a cardiognosis face to face, heart to heart knowing the desires of the Father's heart
- So we can reflect the Father's heart on earth as it is in heaven

On Earth as it is in Heaven

- To function on earth as it is in heaven we need a deconstruction of our past understanding of what “church” is and how it functions
- There are so many assumptions that will have to be challenged and many sacred cows that will need slaying

On Earth as it is in Heaven

- Through what vehicle will the government of heaven be reflected into the earth?
- The Ekklesia not the man made institution known as church but something Jesus promised to build
- What does an Ekklesia look like?
- The heavenly blueprint assigned

On Earth as it is in Heaven

- We all need mandates and blueprints to clarify what the Father is doing
- They help us know the – What, How, Where and When of God's will in heaven so we can establish it on earth
- To enable us to use our mandated governmental position of sonship
- Know God's heart – to know Why

On Earth as it is in Heaven

- Eph 2:20 having been built on the foundation of the apostles and prophets, Christ Jesus Himself being the corner stone, 21 in whom the whole building, being fitted together, is growing into a holy temple in the Lord, 22 in whom you also are being built together into a dwelling of God in the Spirit.

On Earth as it is in Heaven

- Eph 2:22 In him you are co-constructed together as God's permanent spiritual residence. You are God's address!
- We are heaven on earth as ambassadors we need blueprints to build embassies of heaven

On Earth as it is in Heaven

- What is a mandate? A noun and verb
- An official order or commission to do something
- An authoritative command especially : a formal order given by God
- The authority to carry out a policy as given by God

On Earth as it is in Heaven

- A mandate to establish a new order Ekklesia or Embassy
- A mandate needs a blueprint which is the architects drawings or a plan of action
- We need a clear mandate and a blueprint to establish an Ekklesia

On Earth as it is in Heaven

- Heavenly blueprint is God's architects plan to guide what shape to build
- Each blueprint carries with it and expresses the heart of the vision, values and purpose
- It becomes our motivation and plumb line

On Earth as it is in Heaven

- Hab 2:2 Then the Lord answered me and said, “Record the vision and inscribe it on tablets, that the one who reads it may run. 3 “For the vision is yet for the appointed time; It hastens toward the goal and it will not fail. Though it tarries, wait for it; for it will certainly come, it will not delay.
- Patience is vital do not try to get ahead of God’s timing but don’t lag behind either

On Earth as it is in Heaven

- The blueprints for a Project, Ministry, Ekklesia, Embassies of heaven, ARC, Hubs will have mountains which are governmental spheres of authority attached to them
- These reveal specific areas of authority or mandates that the blueprint has that gives direction and boundaries

On Earth as it is in Heaven

- What do we do with a mandate?
- Carry it in our heart to shape our desires and motivations and give us authorised authority
- Engage God for a heavenly governmental perspective
- Be seated in our position on our throne and use it to rule

On Earth as it is in Heaven

- Use the mandated authority to seek for a blueprint or a strategy that clarifies its outworking
- Use it to frame our day by administering it from our mountain throne
- Use it to inform our creative decrees and declarations

On Earth as it is in Heaven

- What do we do with a blueprint?
- Carry it in our heart to shape our desires and motivations
- Seek a strategy to develop it
- Establish foundational government around it
- Let God build using the plan to guide us and motivate us

On Earth as it is in Heaven

- Use it to reveal our sphere of jurisdiction to give ongoing guidance, direction, boundaries, as a plumb line
- Use a blueprint as our plan for directing strategy
- Use it to draw others who resonate and become the living stones to participate in it

On Earth as it is in heaven

- A blueprint must be outworked relationally if it is to become a new wineskin it cannot be established dictatorially
- Relationship involves good communication, openness, honesty and process or journey
- Visionaries can try to accelerate the process in a non-relational way

On Earth as it is in Heaven

- All of the teaching about government is preparation to administer and manifest blueprints and mandates.
- The heavenly aspects are one half of the equation
- Just as we need to do things in heaven to be governmental, we need to do things on earth as well.

On Earth as it is in heaven

- Just because you get a blueprint and mandate in heaven does not mean it will automatically happen on earth
- You are the key to it manifesting on earth
- You need to administer it relationally and you need to be governmental to manifest the kingdom

On Earth as it is in heaven

- To manifest - Verb: To show something clearly, through signs or actions
- When something manifests it becomes clear and obvious
- It needs to be clear and obvious to everyone with no assumptions
- Clarity with patience and process

On Earth as it is in heaven

- To administer – verb:
someone administers something such as a country, the law, or a test, they take responsibility for organising and supervising it.
- Those receiving the mandate are responsible for the organising and supervising

On Earth as it is in heaven

- That is known as ruling
- We rule from our heavenly thrones of authority
- We have our mountains where we use our mantles, robes, sceptres, orbs, swords, etc.
- But what about on earth how do we rule?

On Earth as it is in heaven

- Ruling relationally in love by empowering and encouraging others
- Supporting and elevating from below not lording it over from above
- All leadership needs to be servant hearted
- Dominion is not domination

On Earth as it is in heaven

- What does Kingdom living look like in the context of the Joshua Generation, Ekklesia, Cities of Refuge, Embassies of Heaven, etc.
- What would it be like to live in His kingdom on earth, not just as a citizen, but as a King, ambassador, administrator, etc.?

On Earth as it is in heaven

- What if the DIY systems of the world which are man's best or worst efforts to outwork the dominion mandate collapse and fall?
- How would we do it?
- What would God's kingdom look like?

On Earth as it is in heaven

- Isa 2:2 the mountain of the house of the Lord raised up in a position of authority in the heavenly realms
- We will need to take our place as Sons and Kings understand our authority and our responsibility so we can function from our identity

On Earth as it is in heaven

- When looking at establishing Kingdom on earth, Cities of Refuge, Embassies of Heaven, the Joshua Generation we are faced with the question – how
- Why and what are keys but how is just as important
- What is the heavenly strategy for earthly manifestation?

On Earth as it is in heaven

- Joshua had a mandate – directly from God.
- He had authority – took over from Moses – he received a mantle
- But with an estimated 2 million people - He had challenges!

On Earth as it is in heaven

- In order to operate in a kingdom way we have to see and choose that reality
- Joshua had a blueprint: to establish a nation in the promised land.
- Day to day lifestyle of living and ruling a nation

On Earth as it is in heaven

- A priesthood and tabernacle – with all of the religious requirements
- An army to equip, train and feed
- A judicial system – public order, criminal and civil actions, justice to administer
- Families - Children to educate, elderly to care for

On Earth as it is in heaven

- Business and commerce – traders, artists, herdsmen, etc.
- Millions of people and animals making a mess – latrines!
- Administrators and officials – tribal leaders, decisions to make, politics to navigate

On Earth as it is in heaven

- All those things were part of his blueprint
- All the authority needed was included in his mandate
- He had to keep God in the centre of everything or he could not succeed
- Relationship and intimacy with God's heart is the foundation

On Earth as it is in heaven

- Joshua 1:6 Be strong and courageous
- Joshua 1:7 “Be strong and very courageous. Be careful to following the blueprint
- Joshua 1:8 Keep this Book of the Law always on your lips; meditate on it day and night, so that you may be careful to do everything written in it. Then you will be prosperous and successful.

On Earth as it is in heaven

- There are principles for success
- Be strong and courageous (3x)
- Be careful to do everything in accordance with the law both spiritual and legal
- Do not turn from it to the right or the left
- Meditate day and night

On Earth as it is in heaven

- Every blueprint will address something God wants to bring under our dominion
- We need to comprehend the practical nature of manifesting spiritual government into earthly government
- But life gets in the way sometimes

On Earth as it is in heaven

- Maintaining focus is not always easy
- God told Joshua 3 times to be courageous – which means it required some perseverance in the face of opposition
- He had to know his destiny, identity and authority and maintain relationship with God – or he would not have succeeded

On Earth as it is in heaven

- Distractions – family, work, children, pets, shopping, holidays, etc.
- People issues – Complaints, Criticisms, Obligations and Expectations
- The key is to prioritise by seeking first the kingdom and righteousness therefore operating in love

On Earth as it is in heaven

- There will be opposition whenever God does something new
- It inevitably challenges what already exists and that can create potential conflict with the old
- We must persevere in the face of opposition and not be intimidated by numbers (10 spies to 2)

On Earth as it is in heaven

- You must see yourself doing, living and being part of your blueprint
- You must carry it in your heart, nurture it in your soul and be fired up in your spirit.
- Being governmental will require legislating, assigning, administering – every day!
- Your paradigm must be that this is normal

On Earth as it is in heaven

- We get to participate, not just observe therefore we need to practically administer
- We have to establish in heaven and outwork that to manifest on earth
- We need to operate in dual realms – and be proficient and function in both

On Earth as it is in heaven

- Developing Blueprints and “Earthing” them out
- What practical steps do we need to take?
- Make an outline in a written blueprint
- Make it clear and plain so others can resonate with it in their spirit and become enthusiastic in their soul

On Earth as it is in heaven

- What does a blueprint look like?
- A blueprint can be depicted as diagram, an architect's plan, a schematic, a map, or a journey
- It reveals the what of an Ekklesia or embassy
- Its mountains or sphere of authority

On Earth as it is in heaven

- It can be a way of linking the activities/inputs of an Ekklesia, ministry or programme, to the outputs
- If it has a plan of action or strategic element it can be linked to the where and the when to intermediate and long-term outcomes

On Earth as it is in heaven

- Illustrates links between the activities you deliver and the changes you anticipate creating for beneficiaries.
- It requires you to explore your assumptions and ensure that relationship and communication are built into the process
- This is not a corporate business model but a family business model

On Earth as it is in heaven

- Blueprint development is a process
- Spiritually the work in heaven should be done at this stage and there should be clarity
- The earthly can include a practical and structured thinking process that allows groups to turn theories about what needs to be done into a pathway of how they are going to do it

On Earth as it is in heaven

- It can also be a document that illustrates the results of the overall blueprint process.
- Making good decisions by understanding the links between the things that God wants us to do and how we do them to create change

On Earth as it is in heaven

- It helps us create a clear strategy
- Acts as a check for what you do and don't do as a group of people – keeping you “on mission”
- Gets people involved to work together in the process to shape and evaluate progress.

On Earth as it is in heaven

- Provides clarity so everyone has a shared vision about what God is wanting us to achieve, how and for whom.
- Representing God' name – reflecting His values as ambassadors

On Earth as it is in heaven

- A good blueprint will illustrate and explain God's plan and be capable of communicating clearly God's vision to others
- A visual representation of the plan and how you expect it to come about – spiritually and earthly

On Earth as it is in heaven

- The Blueprint is likely to include a map, or series of maps, of your aims, outcomes and the activities and outputs that you believe will lead to your long-term aim.
- It can be powerful communication aid to guide the process

On Earth as it is in heaven

- This may be accompanied by a list of assumptions and a narrative demonstrating the link between different elements and people's roles
- People can resonate with and find an expression of their destiny

- Habakkuk 2:2-3 Then the Lord answered me and said: “Write the vision and make it plain on tablets, That he may run who reads it. 3 For the vision is yet for an appointed time; But at the end it will speak, and it will not lie. Though it tarries, wait for it; Because it will surely come, It will not tarry.
