

How can we be prepared for sonship?  
What types of preparation do we need?  
Who provides that preparation?  
Where does that preparation take place?

Son, the preparation for sonship must include identity, character, core soul issues, mandated position, wisdom, knowledge and understanding, court protocols and legislative processes. All of these areas contribute to overall maturity levels of sonship.

We all need help when it comes to our sonship  
From the Father  
From Jesus, our brother and coheir  
From the Spirit of Truth  
Tutoring and training from the 7 Spirits of God, Wisdom, cloud of witnesses, angelic realm and life

Gal 4:1 Now I say, as long as the heir is a child, he does not differ at all from a servant although he is owner of everything, 2 but he is under guardians and trustees

Guardians :Greek *Epitropos* a steward, a guardian or tutor appointed for an infant by the father or by a magistrate

A guardian is someone who oversees and looks out for you  
A tutor is someone who trains you

*Oikonomos* literally, "household-manager"

A governor or trustee means someone who rules over you until you can rule and will teach you how to rule

Sonship is our inheritance, so what does it mean to be heirs?

Gal 3:29 we are heirs of the promise

The promise was made to Abraham that through his heirs all the families of the earth would be blessed

Based on the sonship mandate given to Adam who God blessed to be fruitful, multiply, fill, subdue and rule

To be an heir to a promise does not mean you know about or understand what the promises is

There is a training process to go through to inherit the promise

As heirs we have huge potential to come to maturity, but we need to be trained and equipped

Rom 8:16 heirs of God and joint heirs with Christ - that is part of our inheritance as sons

If we are heirs to that promise then we need to be trained to function as a joint heir with Christ.

Our sonship has responsibility that goes with the relationship

Other than God, who are the tutors assigned to us by God to mature us in our position of sonship?

Wisdom

7 spirits of God

Other angelic beings

Cloud of witnesses

Where is our sonship identity primarily going to come from?

Intimacy with the Father is the best preparation for our sonship, by revealing our true identity in contrast to what we may believe through nature, nurture or trauma

There are different kinds of equipping needed from different sources

Identity best comes from face to face intimacy with our Father

There are encounters with the Father that mature us in our identity

There are encounters and life experiences that help mature us in our character

Being yoked to Jesus, our brother and coheir, and learning from Him to be gentle and humble in heart is vital

Jesus knows best how to be a son who is living in heaven and functioning on the earth simultaneously. He is the perfect model

What did Jesus reveal?

Matt 11:28 "Come to Me, all who are weary and heavy-laden, and I will give you rest. 29 Take My yoke upon you and learn from Me, for I am gentle and humble in heart, and you will find rest for your souls. 30 For My yoke is easy and My burden is light."

John 5:19 "Truly, truly, I say to you, the Son can do nothing of Himself, unless it is something He sees the Father doing; for whatever the Father does, these things the Son also does in like manner. 20 For the Father loves the Son, and shows Him all things that He Himself is doing"

John 5:30 "I can do nothing on My own initiative. As I hear, I judge; and My judgment is just, because I do not seek My own will, but the will of Him who sent Me."

John 6:38 "For I have come down from heaven, not to do My own will, but the will of Him who sent Me."

John 14:10 "Do you not believe that I am in the Father, and the Father is in Me? The words that I say to you I do not speak on My own initiative, but the Father abiding in Me does His works."

John 10:30 "I and the Father are one."

John 17:21 "...that they may all be one; even as You, Father, are in Me and I in You, that they also may be in Us, so that the world may believe that You sent Me."

Jesus' attitude to and relationship with the Father is the best example of a son of God living on earth from heaven's perspective

Engaging with Jesus helps us to live as sons. We can ask Him for insight, wisdom and guidance

Francois Du Toit – So simple! Agree with God about you. Here's what fires up faith and fellowship - simply acknowledge and appreciate that every divine attribute on display in Jesus Christ - is equally present in another!

How do you know for certain that it is in you?

1 John 2:7,8 "everything that is true of him is equally true of you!"

Jesus isn't just an example for you but of you

Do we see ourselves that way?

The preparation of character development is of equal if not more importance than discovering our positions, roles or abilities

The level of our authority is proportional to the level of our holiness in character

There is on the job training as we learn to be faithful which means being diligent and vigilant in our roles and taking our responsibility seriously

Wisdom helped me with the training in the use of the protocols of the heavenly courts

Prov 8:15 "By me kings reign, and rulers decree justice. 16 By me princes rule, and nobles, all who judge rightly."

Kings who reign

Rulers who decree justice

Princes who rule

Nobles who judge rightly

The training and tutoring works best when we are surrendered to the process as living sacrifices

It is best not to try and run before we are confident in walking

If we are faithful with little then our Father will entrust us with more

The Joshua Generation operates as the order of Melchizedek and are forerunners of functioning as a heavenly royal priesthood

Heavenly positions of government to rule and legislate out of intimacy and relationship.

Priests and Kings bring agreement in heaven

Oracles and Legislators bring agreement on earth

Aligning heaven and earth together so heaven can manifest on earth through our sonship

We will need help in regards to what we do and how we do it when we are in our position seated on our thrones

We have our assigned heavenly angel associated with our throne who has been helping us to come into our inheritance in sonship

It is vital that we know our heavenly identity in relationship with the Father

It is vital that we know the heavenly positions mandated to us

It is vital that we know how to use our heavenly authority rightly

God has provided tutors to help us mature in sonship

Some of this training is done cognitively by directly engaging with those tutors but some of it happens through overseeing our lives and using life itself

Some of the training seems to happen osmotically by being in a heavenly atmosphere

Tutors release subconscious heart knowledge to help motivate, direct and influence us to think and act like sons

Our desire and positive attitude creates a frequency that draws the 7 Spirits, angelic beings, Wisdom or the cloud of witnesses to us.

Being positive and being fun to be around and not being too intense or heavy

The tutoring involves many different perspectives of our lives

Identity

Character

Perseverance  
Protocol for positions  
Knowledge, wisdom and understanding of the kingdom

There are Wisdom's handmaidens and other angelic beings associated with Wisdom who are at times actively involved in helping us  
Heb 1:14 Are they not all ministering spirits, sent out to render service for the sake of those who will inherit salvation?

There are Wisdom's pillars where there is on the job training in the development of our blueprints, mandates and court cases  
Many tutors function within Wisdom's Pillars to help us grow to maturity in our sonship

There are different roles and positions of authority as we mature  
Lordship has access to specific courts and realms  
Kingship gives us access to other higher courts and realms  
Mature sonship gives further access and greater levels of influence

We have been given a mandated position. What is a position?  
Our position is where we outwork our identity  
Our position has functions associated with it  
There are many heavenly roles that we may be called to that require training or tutoring

'Position' - definition  
A strategic area occupied by members of a force  
An advantageous place or location  
Social standing or status; rank  
A post of employment; a job  
The right or appropriate place

The area for which a particular player in a team is responsible. Position in the team GK RB MF CF  
Position in government e.g. Prime Minister, Chancellor of the Exchequer, defence, education ministers  
Positions in heavenly or earthly dimensions e.g. benches or roles within Ekklesia or ministries

Zech 3:6-7 reveals positions of being in charge of the house and in charge of courts. Those are positions of heavenly governmental kingdom authority  
We are dwellings, we are mountains and we are gateways – they are all positions

We all have positions  
An appointed position e.g. Jeremiah  
A mandated position that carries spheres of authority  
A governmental position to legislate from into those spheres of authority  
Mountain position directed towards various other mountain spheres

A position of sonship and influence has unique light, sound, fragrance – frequencies that connect us to creation  
Our destiny has different positions attached to it in different seasons  
We need to know our eternal identity and our position and use the authority wisely

Soul preparation for sonship

Covered in Transformation teaching, Gateways, Living Sacrifices modules

Separation and reintegration of soul and spirit is a key milestone

Untethering to live in dual realms

Moving from bride to wife by engaging the bridal chamber

Mind preparation for sonship – enabling us to think with the mind of Christ

Deconstruction of the natural mind

Deconstruction of religious frameworks and mindsets

Deconstruction of wrongly believed religious or cultural images of God

Deconstruction of the Bible and its use

Renewing of minds - *Metanoia*

The rewiring of our minds

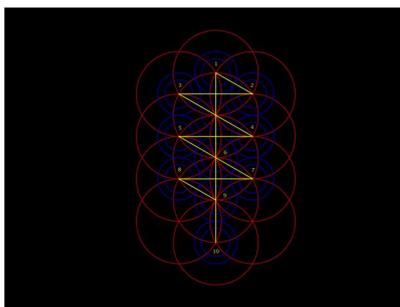

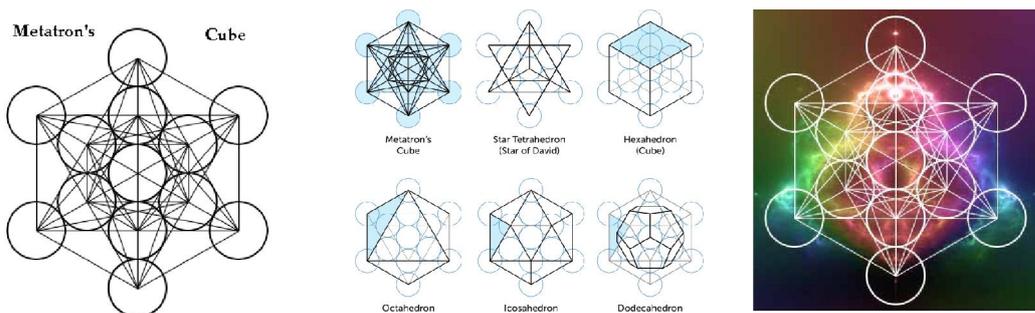

The revealing of the supernatural mental abilities of sonship

The expansion of our consciousness to create and frame reality

There are positions that engage the fabric of creation through our being sons

These positions are light and sound frequencies within sacred geometry

Tree of life and Metatron's cube have many levels of truth, understanding and positions within them

We need to be trained to have insight into the ways of the kingdom, its judicial protocols and the functions of government

What, how, where, when and why

We must become authorised and accountable in our mandated positions

During this module we will be covering specific sessions that will include Wisdom, 7 spirits of God, cloud of witnesses, angelic beings, preparing the soul, deconstructing and renewing the mind, expanding consciousness

Identity through relationship with the Father is the foundation of everything within our sonship:  
spend daily, face to face time  
We are going to engage with the Father for a heart to heart, mind to mind and face to face  
encounter

Steps like Jacob's ladder leading up to heaven  
There is a door standing open in heaven  
Hear the invitation to come up here  
Walk up those steps to the door  
Now step through the veil into the kingdom realm  
Shift our conscious focus

Jesus is standing in the doorway  
Present yourself to Jesus your High Priest as a living sacrifice  
Turn the desire of your heart towards your position of intimacy with  
Father  
Ask Jesus take you by the hand and lead you to engage the Father's heart

Engage the Father's heart  
Cardiognosis - heart to heart revelation of your sonship  
Face to face revelation of your identity  
"You are My beloved child in whom My souls delights"  
Feel the pleasure of the Father's heart towards you
