

Preparation for Sonship

- How can we be prepared for sonship?
- Preparation with help from tutors
- Preparation through entering rest
- Preparation through soul transformation at different levels

Preparation for Sonship

- Intimacy with the Father is the best preparation for sonship as you can't be a son without a father
- The Father is calling His children to arise as sons and take our places where we are seated in the heavenly realms

Preparation for Sonship

- In relationship the Father gives us identity, position and authority a mandate so we can be fruitful, multiply, fill, subdue and rule
- To fulfil our sonship mandate we need to be at rest therefore not striving by our own DIY self-effort according to the wrong path

Preparation for Sonship

- We need to see all walls barriers and partitions come down penetrated by the God of love who casts out all fear
- This process of deepening intimacy in a face to face relationship results in a continuing process of transformation

Preparation for Sonship

- Having our spirit and soul tethered together wrongly limits our ability as sons to live in the dual realms of heaven and earth simultaneously
- The separating or untethering of our spirit from our soul is a key moment in our maturing in sonship
- We then become reintegrated and quantum entangled

Preparation for Sonship

- Hebrews 4:12 For the word of God is living and active and sharper than any two-edged sword, and piercing as far as the **division of soul and spirit**, of both **joints and marrow**, and able to judge the thoughts and intentions of the heart.
- 3 levels of transformation through many different engagements

Preparation for Sonship

- Soul transformation
- Gateway cleansing
- Motive cleansing
- Separation and reintegration
- Dual realms living
- Mind deconstruction
- Consciousness expansion
- Multidimensional living
