

Preparation for Sonship

- How can we be prepared for sonship?
- Preparation with help from tutors
- Preparation through entering rest
- Preparation through soul transformation at different levels
- Deconstruction and renewal of the mind and expanding consciousness

Preparation for Sonship

- Rom 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind, so that you may prove what the will of God is, that which is good and acceptable and perfect.
- 1 Cor 2:16 ... But we have the mind of Christ.

Preparation for Sonship

- If we are going to function as mature sons we need the mind and abilities of a son
- As a man thinks in his heart so is he therefore we need to think like a son of God to be a son of God
- Thinking from our eternal identity using our spiritual abilities

Preparation for Sonship

- Renewal includes the rewiring of our minds to reconnect to hidden abilities
- Restoring lost ESP type abilities
- E.g. Telepathy, telekinetic transmutation abilities, precognition etc.
- God is light and our spirits are creative light beings

Preparation for Sonship

- Light is electromagnetic energy and is a key part of how our consciousness functions
- Neurons in the human brain produce photons, which are capable of being the infrastructure for light-based communication and activity.

Preparation for Sonship

- Scientists found that neurons in mammalian brains were capable of producing photons of light, or “biophotons”
- “Biophotons” in the brain point to our consciousness directly being linked to light!

Preparation for Sonship

- God is creative light and there are various dimensions that operate at different speeds of light
- Energy is frequency vibrating electromagnetic wavelengths
- Our spirits are creative light and our spiritual consciousness operates at different frequencies

Preparation for Sonship

- Living in dual realms enables us to be continually connected or quantumly entangled with a higher level of spiritual consciousness (Theta waves)
- 1 Cor 6:17 But the one who joins himself to the Lord is one spirit with Him.

Preparation for Sonship

- When we are joined and one spirit with the Lord figuratively yoked to Jesus we can learn to be at rest
- Rest is a state of consciousness where our mind functions from Delta waves and has access to alpha, beta and theta waves states of consciousness

Preparation for Sonship

- On my personal journey of deconstruction there were encounters that began to reconnect my eternal and physical consciousness
- Rewiring my mind to function in a non-linearly state of consciousness

Preparation for Sonship

- There were encounters that were about rewiring the mind to access long lost or hidden abilities
- Doorways in our minds that need opening to connect the ancient paths to those ESP type abilities
- Reconnecting with eternal consciousness changes perception

Preparation for Sonship

- Remapping our eternal consciousness over our soul's consciousness unlocks access to abilities and dimensions
- This process helped me reconnect with creation, tree of life, dimensional reality, Metatron's Cube. Who I was and what I was connected to.

Preparation for Sonship

- The mind of Christ is not a physical mind but a spiritual mind, revealing a new consciousness and a new reality
- Cardiognosis = knowledge of the heart
- Communication through states of consciousness – knowing perception
- Knowing truth by impartation through encounters that are not cognitive but heart to heart or subconscious

Preparation for Sonship

- We need to live close to God's heart so we can know the oracles of His heart
- This is the only way we can know what the Father is doing and so cooperate with as Jesus did only desiring to do the will of Him who sent him

Preparation for Sonship

Song from Rush about cardiognosis

Closer to the Heart

And the men who hold high places

Must be the ones who start

To mould a new reality

Closer to the heart

Closer to the heart

Preparation for Sonship

The blacksmith and the artist

Reflect it in their art

They forge their creativity

Closer to the heart

Yes closer to the heart

Preparation for Sonship

Philosophers and ploughmen

Each must know his part

To sow a new mentality

Closer to the heart

Yes closer to the heart, yeah, oh

Whoa whoa

Preparation for Sonship

You can be the captain

And I will draw the chart

Sailing into destiny

Closer to the heart

Closer to the heart

Closer To The Heart Rush

Preparation for Sonship

- Why don't we see ourselves as God sees us?
- Because we don't see God as He truly is. Why?
- Because our minds are veiled by the constructs of our own consciousness
- This is because we lack the intimacy of a heart to heart relationship

Preparation for Sonship

- The veils of our mind consist of old religious or DIY belief systems that have created wrong views of God and ourselves where unbelief blocks, limits and restrict us
- What needs to happen so that the veils can be removed and our minds can be renewed?

Preparation for Sonship

- We need to turn to behold God face to face so we can become like Him through meditative encounters
- To turn is to **metanoia** to have a radical shift of thinking away from the lies, deception and false realities
- We need to know the Truth as a person free from religious images

Preparation for Sonship

- Eph 4:23 and that you be renewed in the spirit of your mind,
- Mind – Greek **nous**
- The mind, comprising the faculties of perceiving and understanding and those of feeling, judging, determining
- The intellective faculty, the understanding and the reason

Preparation for Sonship

- Mind (noús) is the place where we receive God's thoughts and visions
- Ginóskó **to know**, especially through personal experience (first-hand acquaintance).
- To come to know, to recognize, to perceive comes by experience not intellectual theory, theology or doctrine

Preparation for Sonship

- I have covered the renewing of the mind in various teachings at a basic level
- Transformation series dealt with trauma to transformation
- Gateways teaching deals with the subconscious mind, the heart and the negative affects of our memories

Preparation for Sonship

- Opening the gateways of our imagination was about activating the eyes of our heart to see the spiritual realms
- The gateway of reason looked at detoxing our minds from the lies of toxic destructive thinking
- These are all important processes in our transformation

Preparation for Sonship

- Now we are looking at the actual construction of our minds and the rewiring of our mind and consciousness
- The frameworks of our beliefs are are veils that create the limitations that block our true mental abilities as sons of God

Preparation for Sonship

- The mind has amazing abilities and creative potential that can often be seen in savants and indigo children
- Savant syndrome is a condition in which a person with a developmental difference demonstrates profound and prodigious capacities or abilities far in excess of what would be considered normal.

Preparation for Sonship

- Hyperlexia (the exceptional ability to read, spell and write); art; music; mechanical or spatial skill; calendar calculation; mathematical calculation; sensory sensitivity; athletic performance; and computer language skills
- Our minds were created to function with these abilities as normal

Preparation for Sonship

- The savant's mind is wired differently this is not an aberration but a glimpse of what is possible in just one area
- Those abilities often come at the cost of healthy emotional abilities
- Sons are supposed to have all those abilities but in the wholeness and oneness of spirit, soul and body

Preparation for Sonship

- Rom 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind
- These two processes run in parallel if our minds are to be renewed
- We need to let go of the old DIY ways to embrace the reality of our sonship with a new renewed mind

Preparation for Sonship

- Rom 12:1 Live consistent with **who you really are**, inspired by the loving kindness of God.
- Renewing our minds will enable us to know God and know therefore our true selves and live in a new level of reality
- We have not seen anything yet

Preparation for Sonship

- Rom 12:2 Do not allow current religious tradition to mould you into its pattern of reasoning. Like an inspired artist, give attention to the detail of God's desire to find expression in you. Become acquainted with perfection. To accommodate yourself to the delight and good pleasure of him will transform your thoughts afresh from within.

Preparation for Sonship

- The fear of contamination from the so called “new age” has meant that most Christians have been robbed of their supernatural inheritance and birthright
- These abilities and concepts are actually ancient age and we need to reclaim and redeem them

Preparation for Sonship

- Allow your mind and your consciousness to be expanded beyond all that you presently know and have experienced.
- Experience the reality of all that is, all that will be and most importantly all that can be within My heart.
- Son let your monochrome existence become filled with my manifold, multi-coloured and multifaceted reality.

Preparation for Sonship

- Prov 23:7 For as he thinks within himself, so he is
- Prov 23:7 For as he thinks in his heart, so is he.
- How do I think God and about myself
- How do I perceive God and myself
- What do I believe about God and myself?

Preparation for Sonship

- What do I believe is possible ?
- What do I believe is impossible?
- Is it impossible or I'm possible
- You are limited only by what you believe
- This is why we need to think about ourselves as God thinks about us
- Sons with limitless potential

Preparation for Sonship

- To think is to direct one's mind towards someone or something; to use one's mind actively to form connected ideas.
- Ponder, reflect, deliberate, meditate, contemplate, muse, cogitate, ruminare

Preparation for Sonship

- Focusing the mind's abilities is not about using mere intellectual knowledge
- Using our mental abilities is not about how much education we have had
- We need to learn to focus our mind's abilities to function in sonship as Jesus did and to do even greater works

Preparation for Sonship

- What reality do we believe?
- Are you in agreement with the truth of who God is and the truth about who you are as a son?
- Do you believe enough to act on it or just enough to give mental ascent to it?
- When we truly believe we will live it and our reality will be in agreement with God's thoughts

Preparation for Sonship

- Reality comes from aligning or resonating with how God thinks about us in His heart
- We are all creative beings made in the image of God.
- God is omnipotent all powerful
- God is omniscient all knowing
- God is omnipresent everywhere.

Preparation for Sonship

- I am made in His image
- I am predestined to be like Him
- I am in Him so I can be anywhere He is
- I can potentially know anything.
- I can potentially do anything
- Act 17:28 In Him I live, move and exist
- We need an expanded conscious reality

Preparation for Sonship

- Quantum power of conscious thought
- The universe responds to the focus of our consciousness.
- We have the mind of Christ therefore the capacity for the greater works.
- It is time to embrace the potential possibilities of who we are because of who He is.

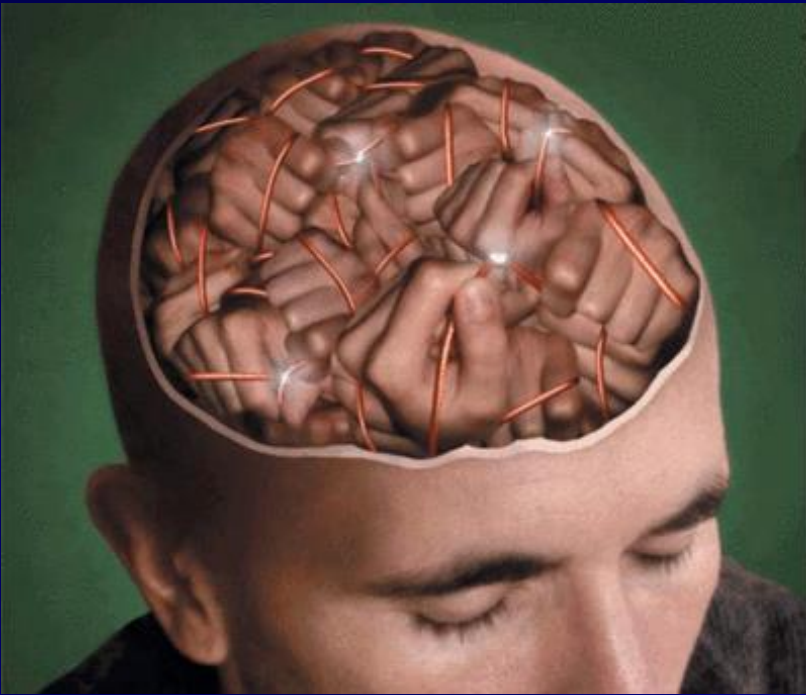

Preparation for Sonship

- What do we believe and why do we believe it?
- What has conditioned our beliefs?
- Where have our beliefs come from?
- Cultural programming?
- Religious theological programming and indoctrination?
- Through direct encounters with God?

Preparation for Sonship

- The thoughts and intentions of our heart are key in framing our desires
- Whose heart are we aligned with?
- Do we know how to use quantum understanding?
- Do we know that the conscious expression of the intentions of our heart frames our reality?

Preparation for Sonship

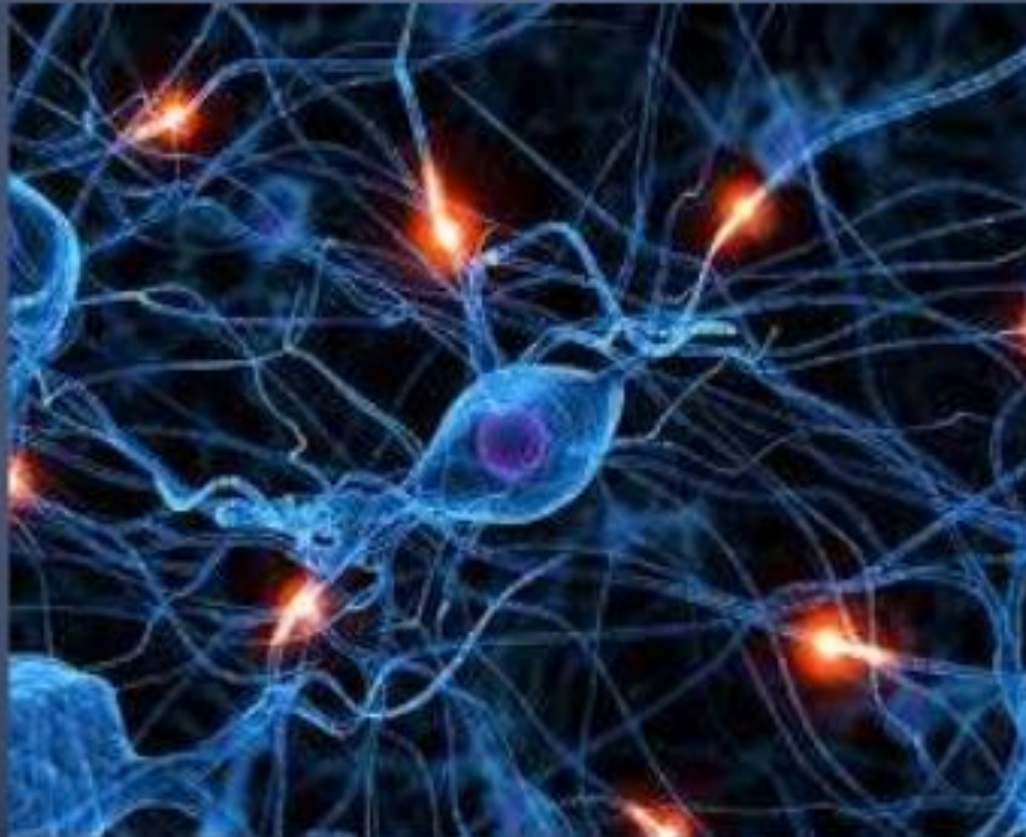

- Our consciousness is a series of electrical impulses in our synapses passing along neural pathways that brain interprets as thoughts
- We have learnt to interpret those signals

Preparation for Sonship

Neural Pathways- growing intelligence

strengthen
connections by
practising, talking
or using think
boards

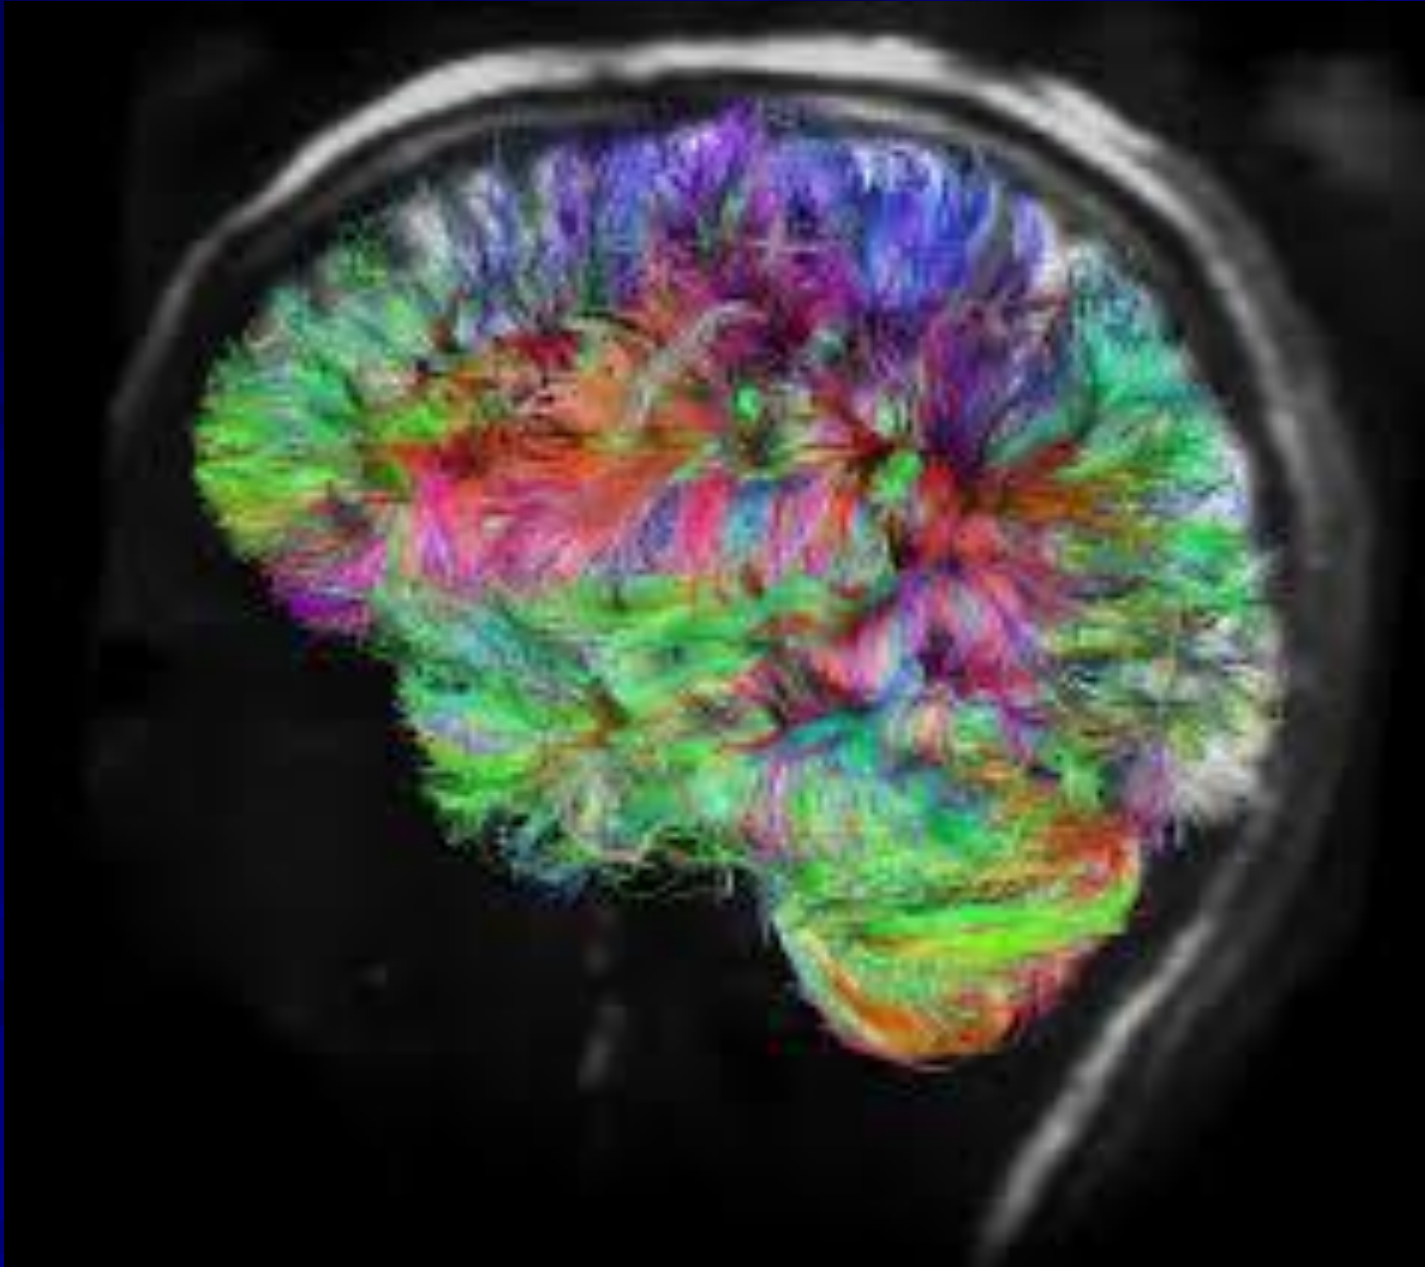

make new
connections by
noticing patterns

make new
connections by
trying something
different

make new
connections by
wondering

Preparation for Sonship

Preparation for Sonship

- If it is not weird it is not quantum!
- Quantum physics reveals that light already knows your intentions and that is what forms reality
- Spin of atoms clockwise or anticlockwise is determined by the intention or thoughts of the viewer by conscious focus before viewing

Preparation for Sonship

- Intentionality is a key concept in learning to create reality
- The fact of being deliberate or purposive.
- The quality of mental states (e.g. thoughts, beliefs, desires, hopes) which consists in their being directed towards some object or state of affairs.

Preparation for Sonship

- The truth that I am conscious of and know by experience will set me free from being tethered to limitations of the earth and the physical realm being subject to its rule and bondage
- The Truth will release us into the freedom of the glory of our sonship.
- Sonship is expanded consciousness

Preparation for Sonship

- John 8:36 Who the son the Truth sets free will be free indeed
- Free from the chains of time and space and the dimensional restrictions of the matrix of our belief systems and mind-sets
- Free to be and fly untethered and unrestricted

Preparation for Sonship

- When we come to know the Truth we will begin to experience true reality
- True reality is not what we have come to know through our earthly experiences
- What we have been living is an illusion veiled as reality and we have been conditioned and limited by it

Preparation for Sonship

- There can be many realities, but there is One Truth.
- The Truth, once perceived may not always be to our taste.
- The Truth may not always be convenient or pleasant.
- The Truth may require sacrifice and discipline.

Preparation for Sonship

- When we turn from the Truth and return to pseudo-realities, it is either because we fear the hardships and responsibilities that freedom brings, or we lose sight of the higher purpose
- We serve the Truth as one "unplugged", or we will just find the truth unpalatable

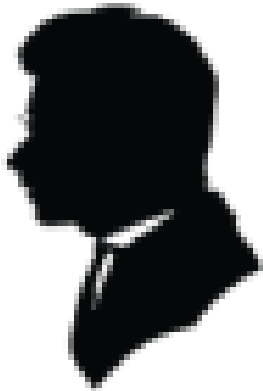

Preparation for Sonship

- David Van Koevering - Elsewhen is your consciousness out of time here and into God's upper bandwidth of cosmic consciousness.
- It is to disconnect from things of this realm and become connected to ideas, visions, and input that comes directly from your Saviour, Designer, and Creator.

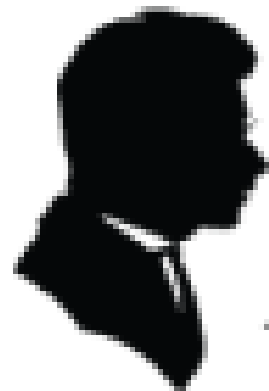

Preparation for Sonship

- You can now understand that there is a non-physical reality from which this universe and everything in it flows.
- Jesus Himself is causing your body, your spirit, and everything you have to blink into your reality.
- Intentional observation – our choice creates our reality

Preparation for Sonship

Before Observation - Wave - spread out over space and time

At the time of observation - Particle- localised space time event

Preparation for Sonship

- John 14:12 Truly, truly, I say to you, he who believes in Me, **the works that I do, he will do also**; and greater works than these he will do; because I go to the Father.
- How many of things did Jesus do with an anointed or empowered mind?
- Telepathy, transmutation, pre and post cognition, telekinesis, invisibility, quantum tunnelling, creating reality etc.

Preparation for Sonship

- Jesus knew people's motives and thoughts
- Mark 2:8 Immediately Jesus, aware in His spirit that they were reasoning that way within themselves, said to them, "Why are you reasoning about these things in your hearts?"
- Luke 11:17 But He knew their thoughts

Preparation for Sonship

- John 1:47 Jesus saw Nathanael coming to Him, and said of him, “Behold, an Israelite indeed, in whom there is no deceit!” 48 Nathanael said to Him, “**How do You know me?**” Jesus answered and said to him, “**Before** Philip called you, when you were under the fig tree, **I saw you.**”
- Jesus knew Nathanael's past and his character

Preparation for Sonship

- Jesus also knew the Samaritan woman's past at the well
- Jesus knew Peter's possible future
- Jesus turned water into wine and multiplied food
- Jesus created the reality of money in a fish's mouth

Preparation for Sonship

- Jesus predicted where to cast nets for a catch of fish
- Jesus disappeared before people
- Jesus walked through people as they tried to throw Him off a cliff
- Jesus walked on water
- We have the mind of Christ to do the same things!
- Do we believe it? How do we do it?

Preparation for Sonship

- Do we know how to develop and use those abilities?
- Is our mind wired up correctly and connected to those abilities
- We actually use most of our brains despite the popular myth that we only use 10% but we only understand how 10% of the brain functions

Preparation for Sonship

- Only 10% of the brain are neurons; the other 90 percent are glial cells, which encapsulate and support neurons, but whose function remains largely unknown.
- What is not understood is how clusters of neurons from the diverse regions of the brain collaborate to form our consciousness.

Preparation for Sonship

- Neural pathways are like superhighways of nerve cells that transmit messages.
- You travel over the superhighway many times, and the pathway becomes more and more solid. – habits and beliefs form
- There are some areas that are disconnected and some abilities are not yet reactivated

Preparation for Sonship

**WHEN PEOPLE ASK WHAT
I DO FOR A LIVING**

**I CREATE RIPPLES IN THE
SPACE TIME CONTINUUM THAT
ALTER FUTURE REALITIES IN
THE 3RD DIMENSION.**

Preparation for Sonship

- An object is a specific vibration, every thing, or subject, is an expression of a variant frequency. 'Things' are mere externalized manifestations of internal, cosmic vibrations.

Preparation for Sonship

- Creation begins with a subtle, (spiritual) vibration and movement within the Infinite Creator, which then gives rise to a physical vibration of energy, which is eventually solidified into matter.

Preparation for Sonship

- At every moment, every physical time/space expression is an externalized manifestation of a spiritual vibration.
- Our words and how we language our thoughts is a process of continually creating the world around us.

Preparation for Sonship

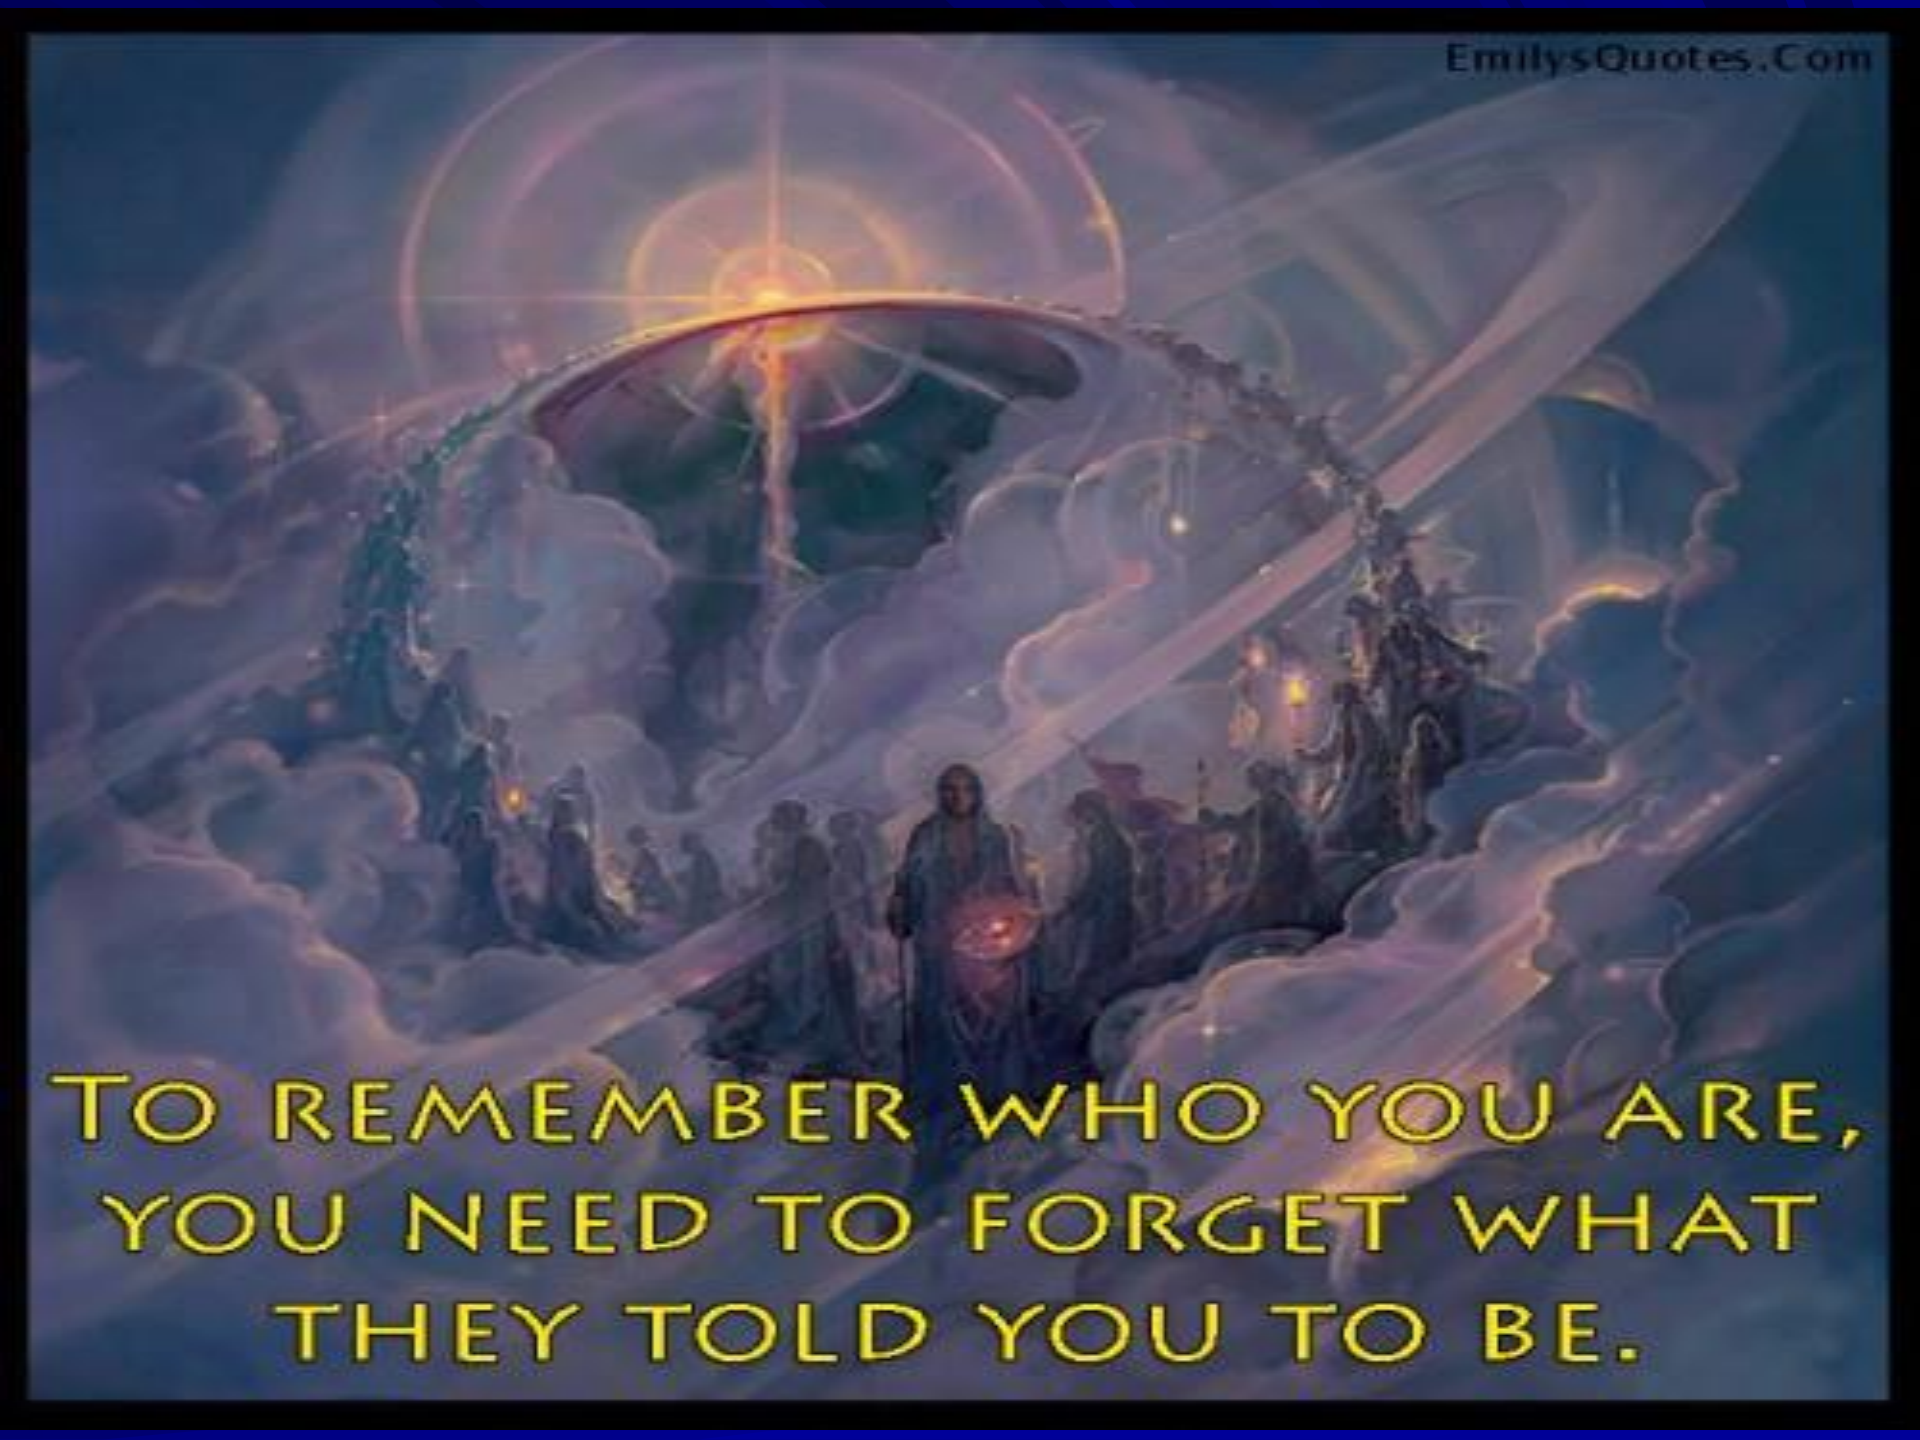

- In other words, things are to us what we say they are...
- Just as we have the power to create with speech, we have the equivalent ability to destroy through speech.

Preparation for Sonship

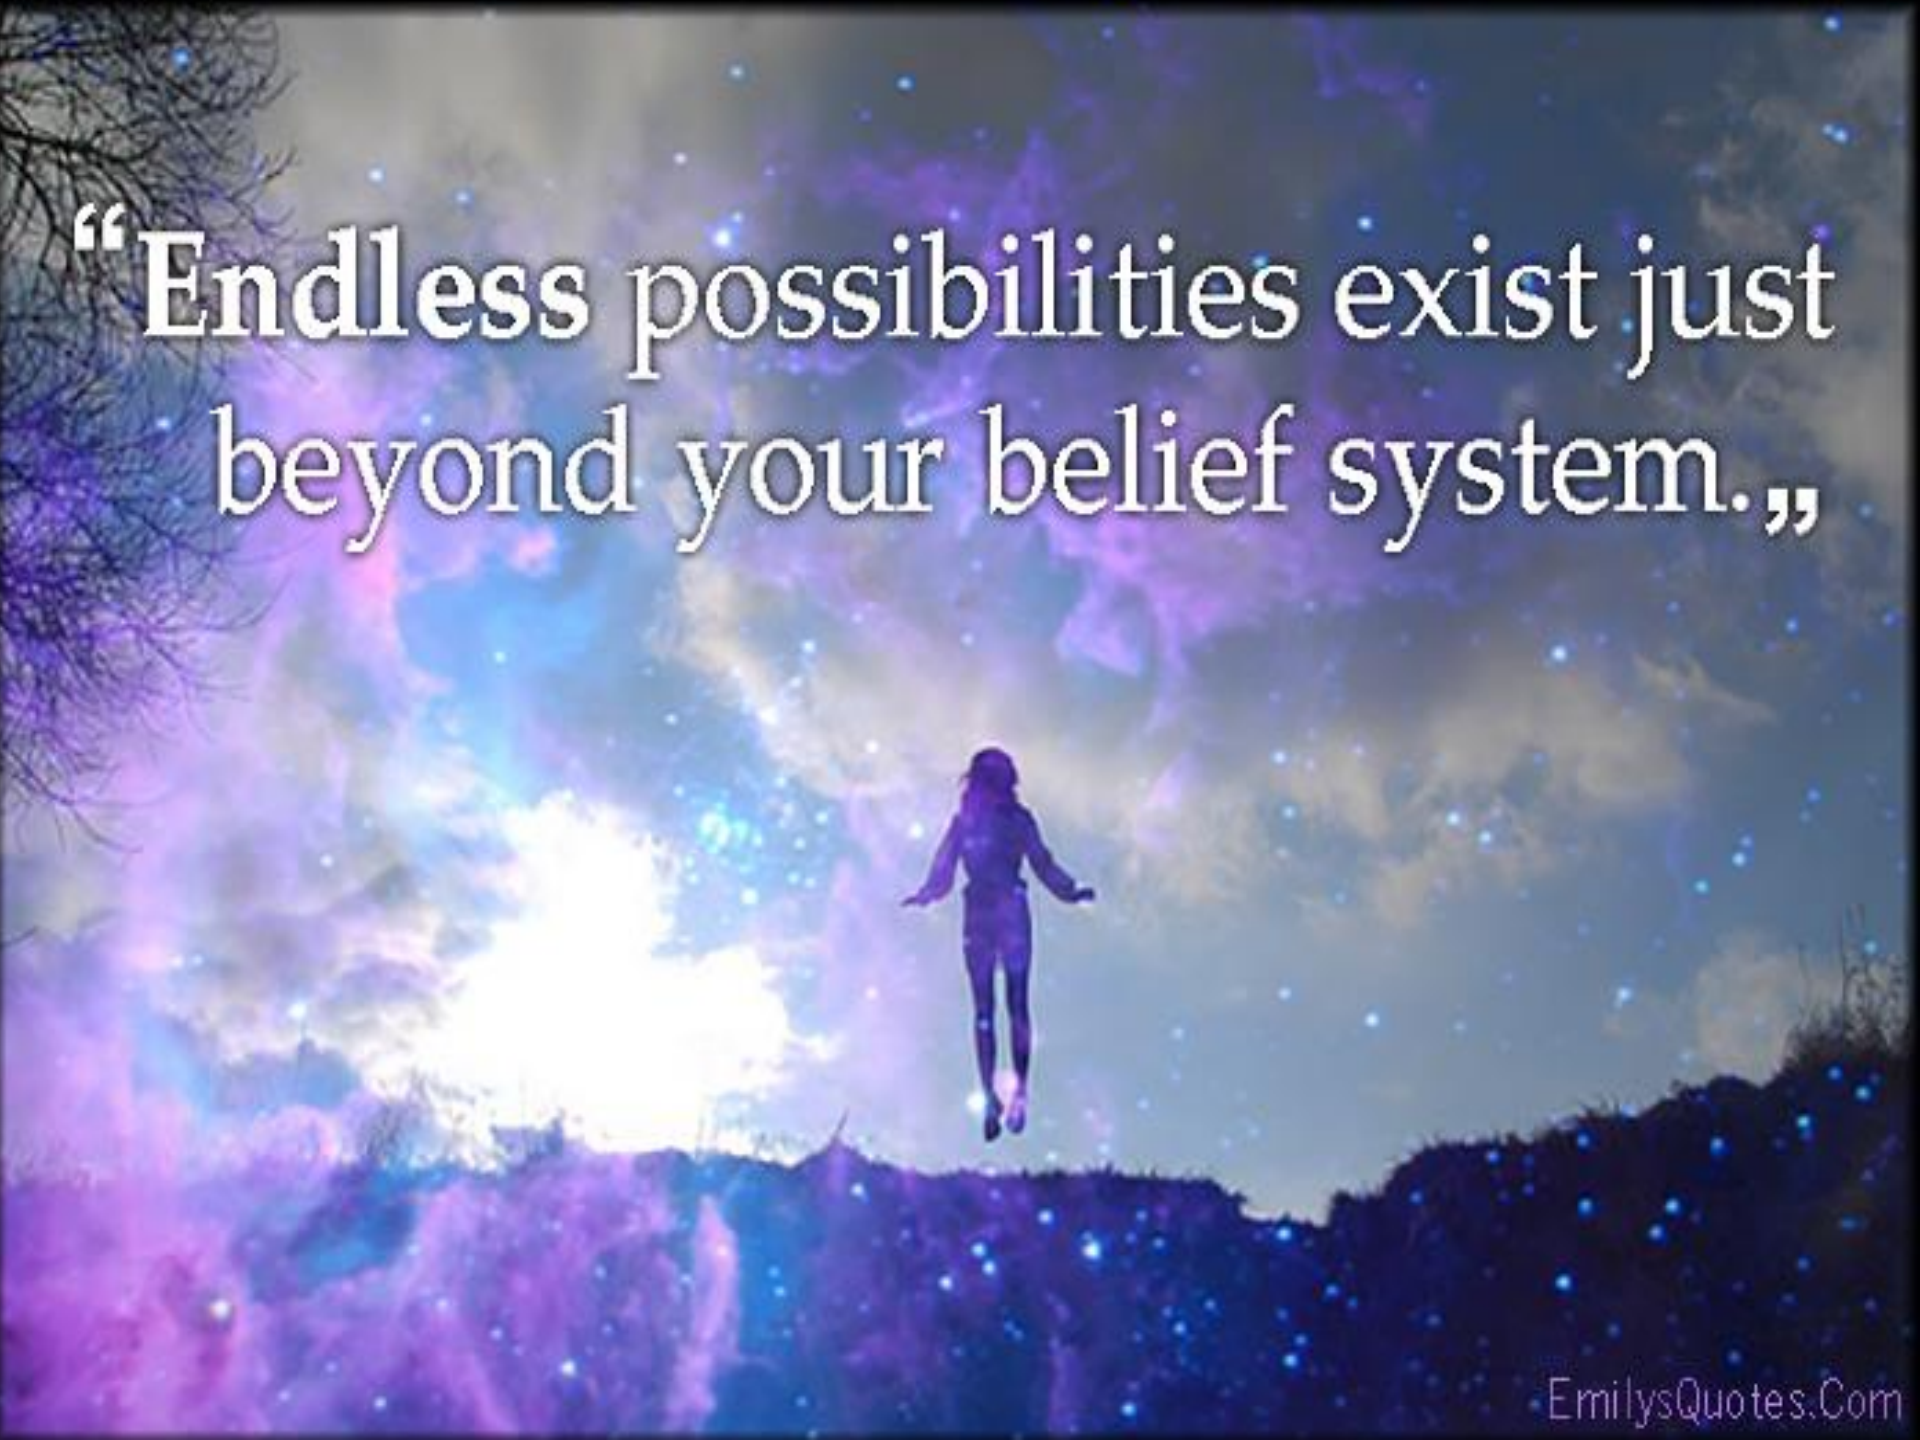

- Our words, which are our projections and vibrations, alter the inner frequency of the universe, for good and for the opposite. - Rav Pinson
- It is our legislative governmental words that create ripples in space time to create reality

A vibrant cosmic scene featuring a glowing green planet in the foreground, a yellow planet in the upper right, and a blue nebula in the background. The scene is filled with stars and swirling patterns of light.

We are all beautiful, unique,
multi-faceted reflections radiating from
the **Diamond Light of eternal consciousness.**

A surreal, ethereal landscape with a glowing orb and figures. The scene is dominated by a large, glowing, multi-layered orb in the upper center, emitting a bright orange and yellow light. Below the orb, a path of light leads through a misty, blue-toned environment. Several figures, some appearing to be in robes or traditional attire, are walking along this path. The overall atmosphere is dreamlike and spiritual, with soft, glowing light rays and a sense of depth and mystery. The text is overlaid at the bottom in a bold, yellow, sans-serif font.

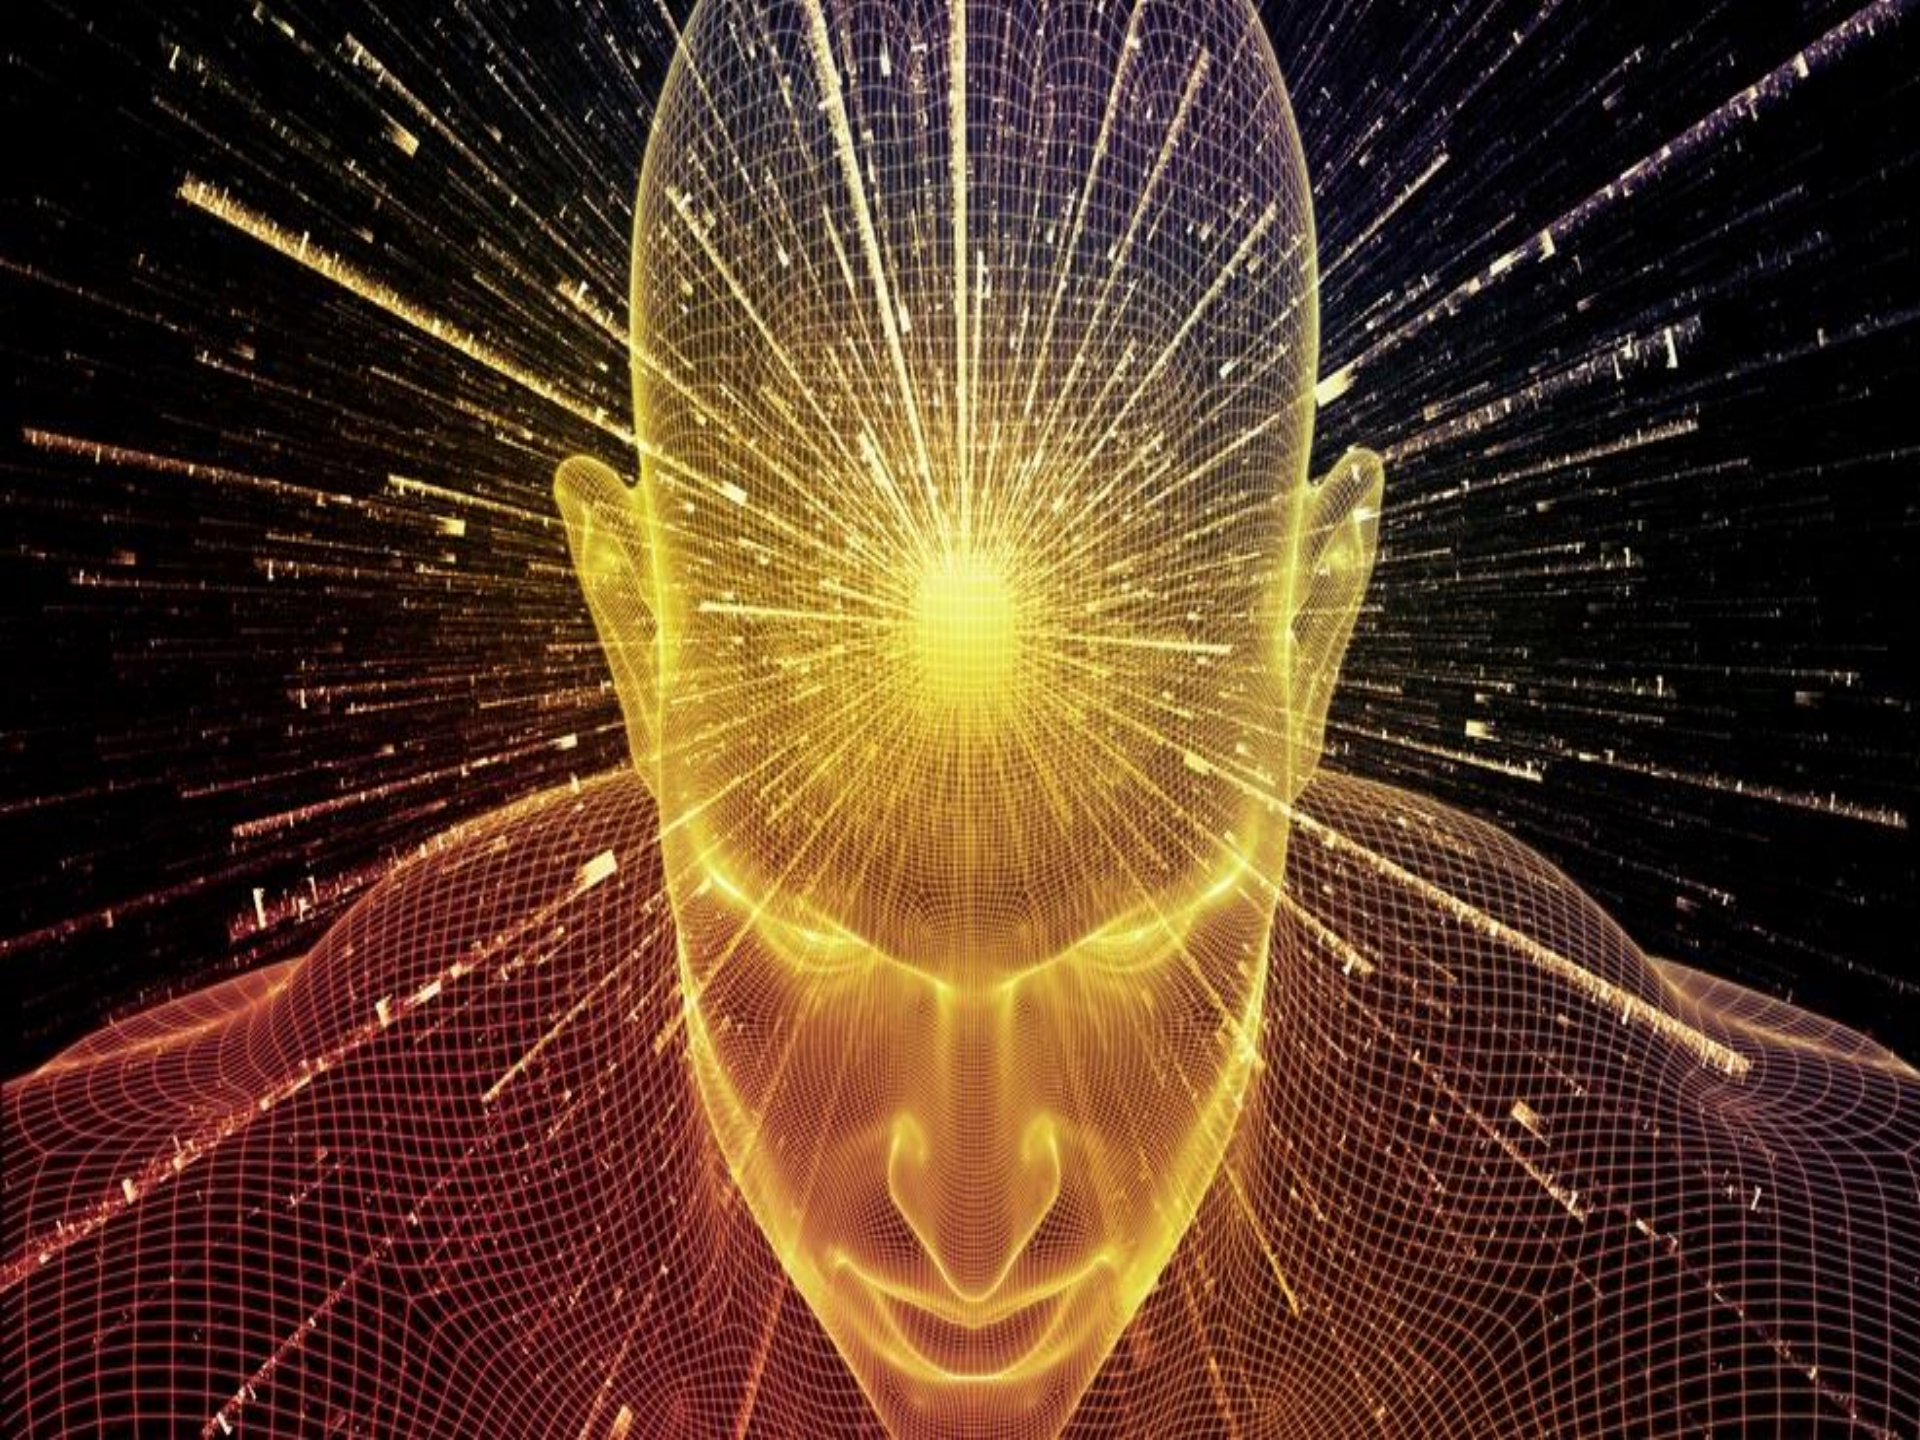

TO REMEMBER WHO YOU ARE,
YOU NEED TO FORGET WHAT
THEY TOLD YOU TO BE.

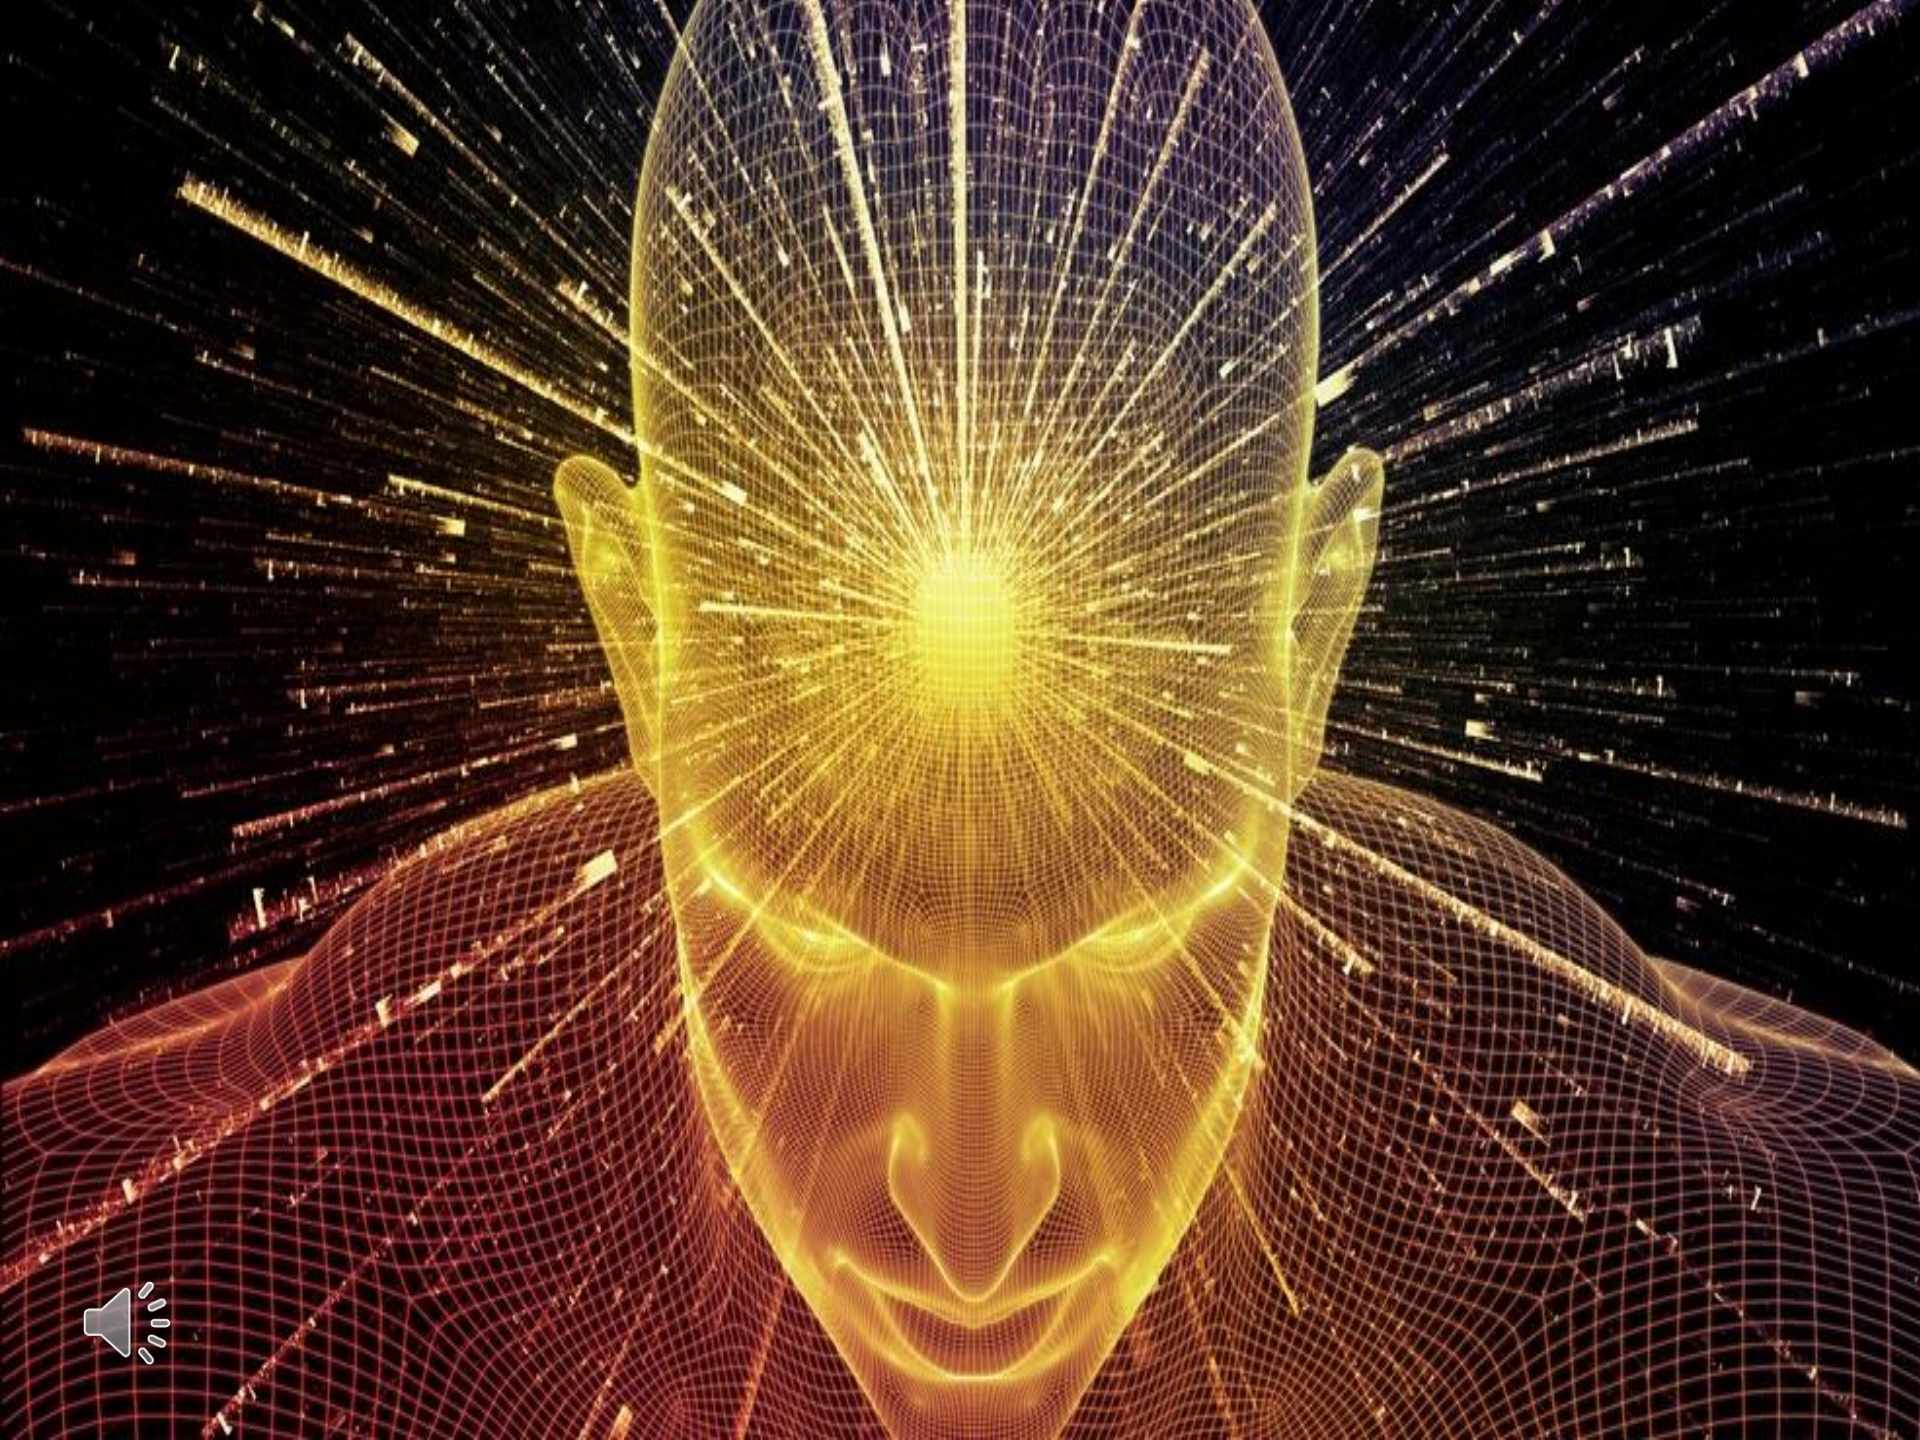

A person is shown floating in a dreamlike, colorful sky. The sky is filled with soft, ethereal clouds in shades of purple, blue, and white, with numerous small, glowing blue and white stars scattered throughout. The person is positioned in the center of the frame, floating above a dark, silhouetted horizon line. The overall atmosphere is one of wonder and possibility.

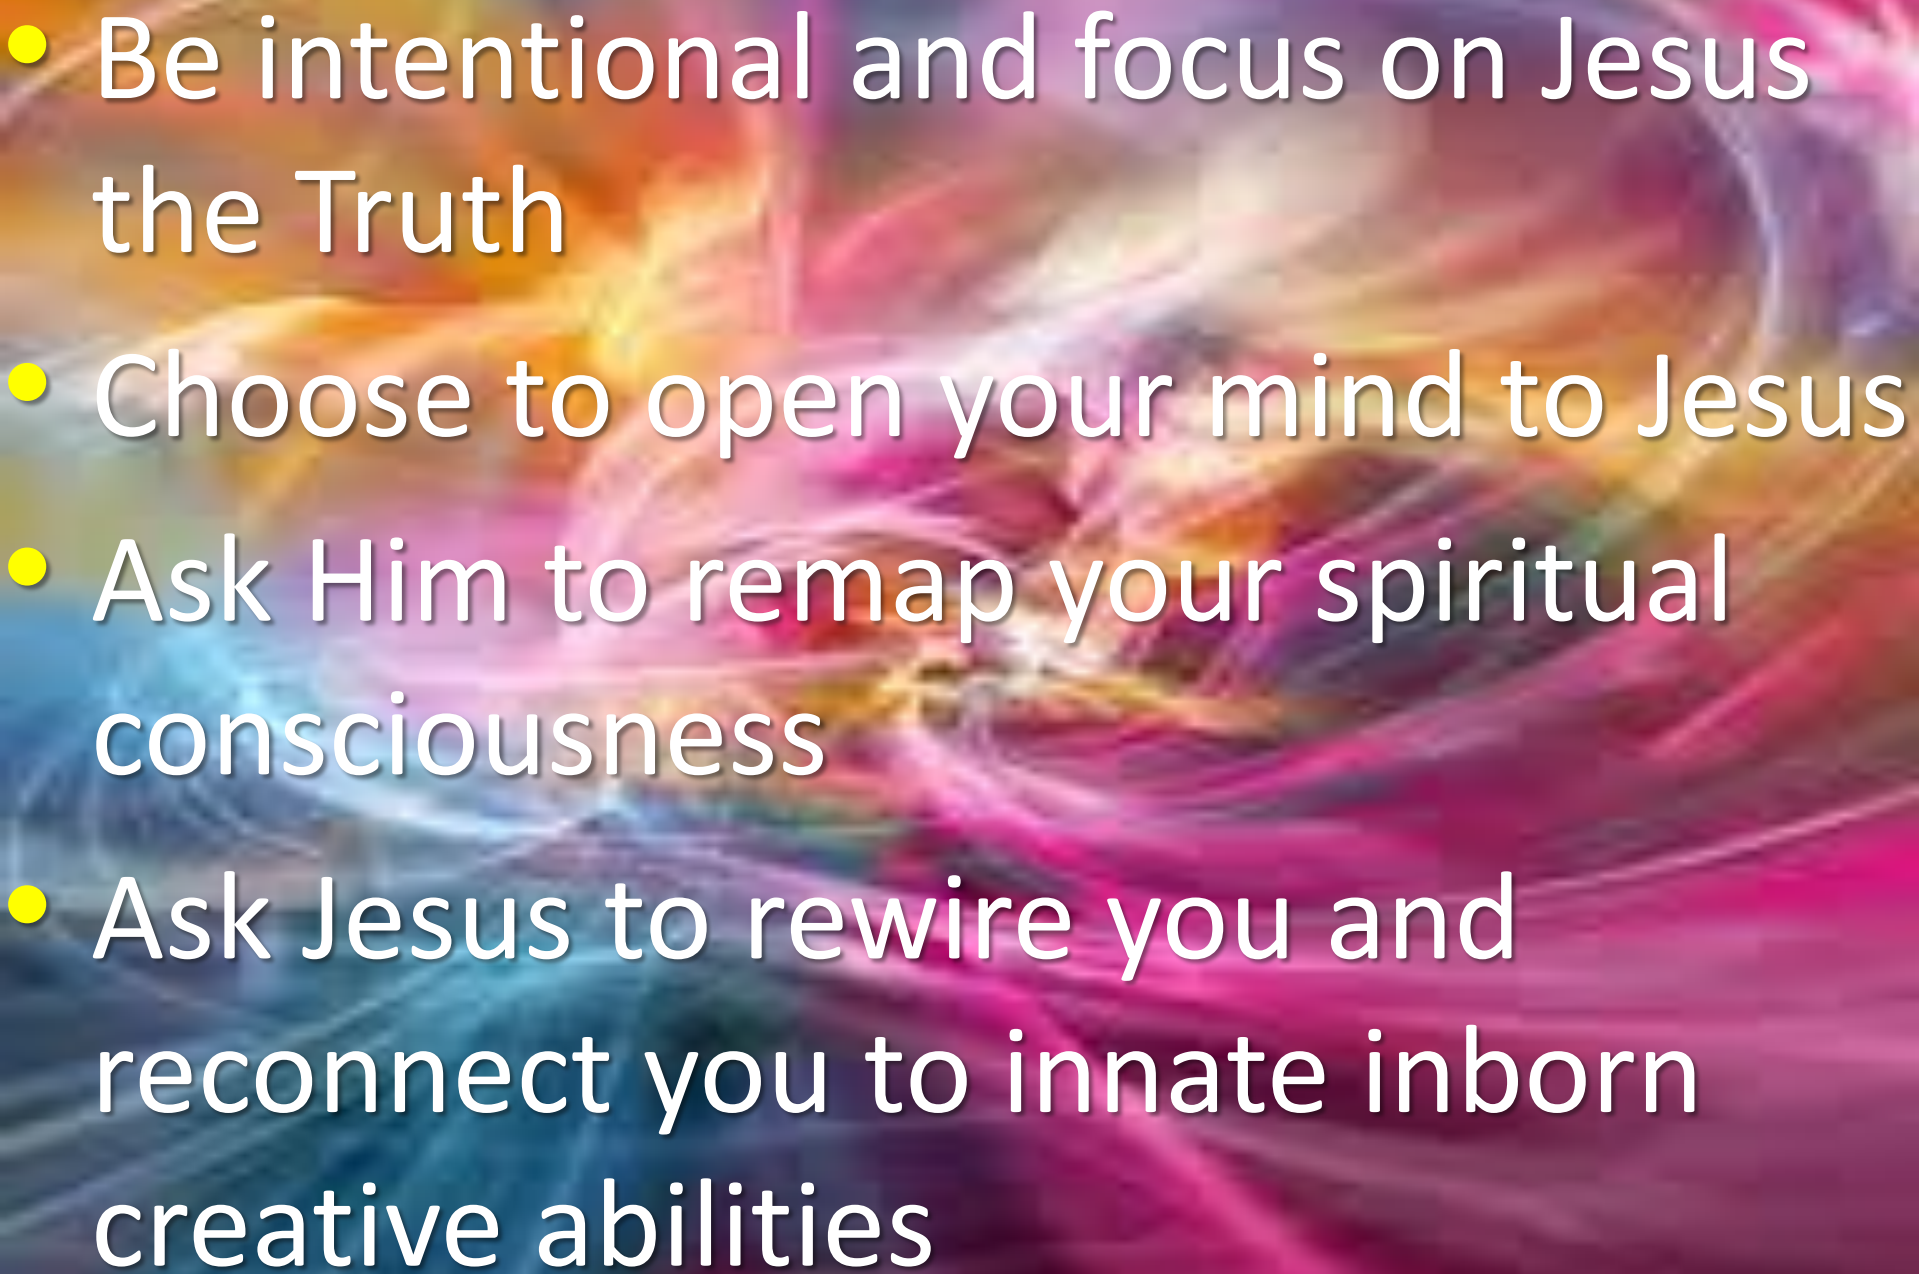

“Endless possibilities exist just beyond your belief system.”

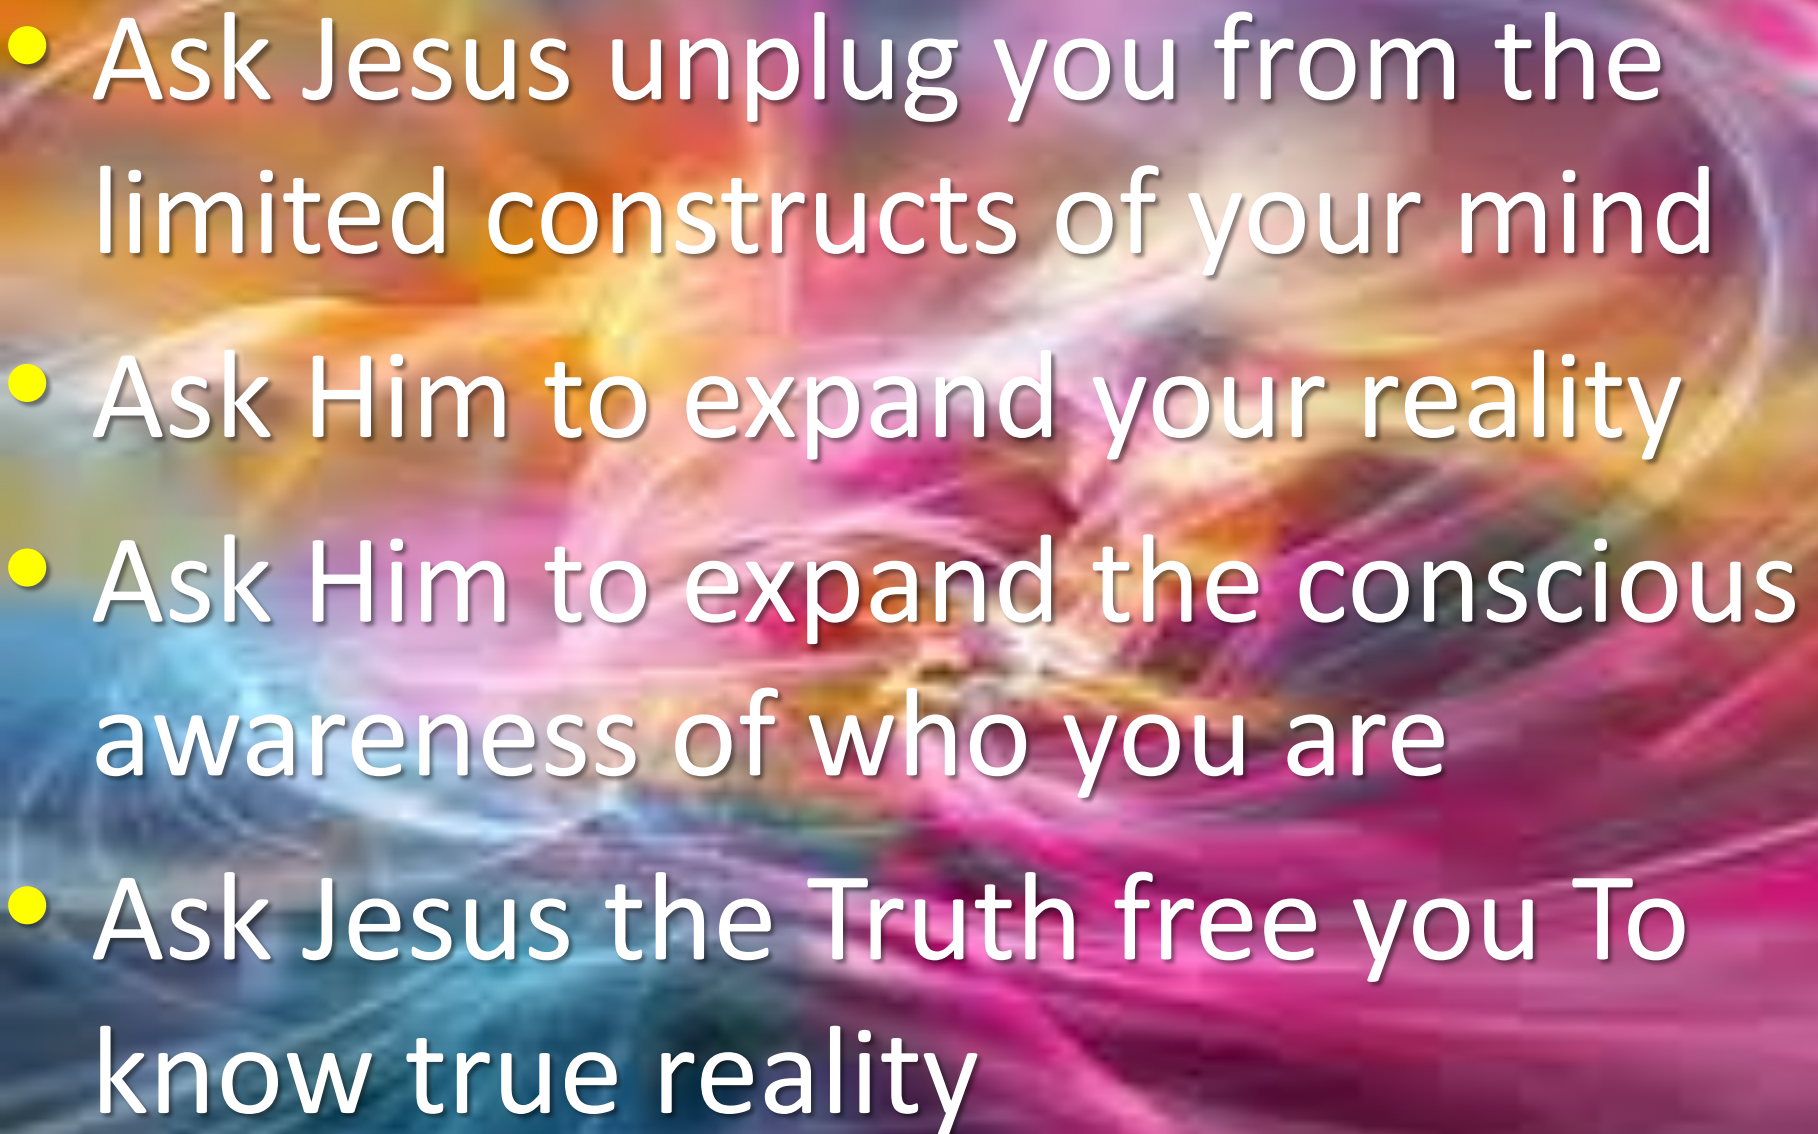

WE ARE ETERNAL
BEINGS...
ENDINGS ARE NOT
IN OUR *destiny.*

~Dieter F. Uchtdorf
