I CAN'T AFFORD
TO HAVE A THOUGHT
IN MY HEAD
ABOUT ME
THAT GOD DOESN'T
HAVE ABOUT ME

Are we content to remain earthbound, restricted,
living in a carefully constructed illusion
that reduces us to the status of mere mortals?

Restoration of All Things

- Invite God to engage your mind and consciousness
- Invite God to penetrate your mind with Truth
- Invite God to walk with you into your mind and show you the constructs and frameworks of your belief systems

A white, translucent singing bowl is centered in the image. Below it lies a mallet with a light-colored wooden handle and a grey, textured grip. The background is a dark blue gradient with diagonal lines.

Let the frequency of
the Father's voice
within the intention of
the music penetrate
your mind

Restoration of All Things

- We are on a journey to discover the full meaning of the restoration of all things
- You will discover the scope of restoration and the part you have to play in restoration as sons of God if you don't chicken out when this stretches your mind

Restoration of All Things

- Acts 3:19 Therefore **repent** and **return**, so that **the sins** may be wiped away, in order that times of **refreshing** may come from the **presence of the Lord**; 20 and that He may **send Jesus**, the Christ appointed for you, 21 whom heaven must receive until the period of **restoration of all things**

Restoration of All Things

- The deeper I have gone in relationship with the Father the more I have come to know the Father's heart of love
- Father's heart has two key priorities
- Restoration of our sonship and the restoration of all other things
- My journals are filled with conversations relating to sonship and restoration

Restoration of All Things

- Son it is important that My children know the difference between knowing about Me and being fathered by Me.
- Restoring contact is only the beginning. Being fathered is a much deeper relationship
- My desire is to share My heart, My thoughts and to show My children My ways not just My works.

Restoration of All Things

- I will include My children in the councils and assemblies of My heavenly abode not just reveal My domain when they reach the levels of maturity necessary
- My deepest desire is for My children to return to the place of their conception within the recesses of My heart

Restoration of All Things

- So all My children can truly know Me and have a deeper revelation of who they are as My sons, heirs and inheritors of all that I have created **for them** and all that I have created **them for**.
- He has created everything for us and has created us for everything

Restoration of All Things

- My sons were conceived to be co-creators not just coheirs as they are all made in our image endowed with the abilities of sonship.
- I desire to restore everything including your identity, position, authority, abilities, knowledge, wisdom, relationship and connection to the created order.

Restoration of All Things

- Son I desire to remove the limitations of the finite and the mortal nature of your minds and restore the limitlessness of your transcendent and infinite origins.
- The restoration of all things is but the beginning not the end.

Restoration of All Things

- The restoration of all things includes your consciousness so that you can continue to expand and not be contained to the restoration of what was but be free to be all that you are capable of becoming.

Restoration of All Things

- Son My mind is limitless and infinite and We designed Our children in our image to be like us, relational beings of limitless creative potential.

Restoration of All Things

- Son the limited, restricted, finite mortal existence experienced by all My children was never Our intention but was the choice of mankind once it left the tree of life for the DIY tree existence of self limitations and restrictions

Restoration of All Things

- Son the possibilities are limitless for the restored mind, when body, soul and spirit are in harmony with each other and with the circle of our loving dance.
- Restoration is not just for the external that can be seen but also for all that cannot be seen and all that is within.

Restoration of All Things

- The full scope of restoration cannot be grasped by an unrenewed mind but nevertheless the reality still exists beyond beyond beyond the wildest dreams of even the most creative human minds.

Restoration of All Things

- From the relative to the quantum, the visible, temporal and tangible to the invisible, eternal and intangible from the macro to micro, physical and spiritual, dimensional and trans-dimensional all will be restored to the original intention of My desires but that is only the return to what was intended to be the beginning not the end.

Restoration of All Things

- The body and the mind restored
- Eyes capable of seeing all wavelengths of light, ears capable of hearing all wavelengths of sound, bodies capable of multidimensional travel and existence, minds capable of creative expression, bodies capable of instantaneous reparation.

Restoration of All Things

- Restored to go beyond the works of Jesus to the greater works
- Jesus walked on water, walked through things, became invisible, created and manipulated matter, knew the thoughts and intentions of hearts, controlling weather
- We need restoration of the abilities that our minds are capable of using

Restoration of All Things

- Telepathic communication and telekinetic power, creative thought, translation, bilocation, pre & post cognition, time travel
- Son your sonship is the only priority you need to focus on everything else will flow from Our relationship

Restoration of All Things

- Meditation being at rest being mindful will enable you to connect your consciousness to a deeper and higher level of reality
- Raise our awareness and our consciousness in sonship
- What levels and how?

Restoration of All Things

- Light is electromagnetic energy and is a key part of how our consciousness functions
- Neurons in the human brain produce photons, which is capable of being the infrastructure for light-based communication and activity.

Restoration of All Things

- Scientists found that neurons in mammalian brains were capable of producing photons of light, or “biophotons”
- “Biophotons” in the brain point to our consciousness directly being linked to light!

Restoration of All Things

- God is creative light and there are various dimensions that operate at different speeds of light
- Energy is frequency vibrating electromagnetic wavelengths
- Our spirits are creative light and our spiritual consciousness operates at different frequencies

Restoration of All Things

- One of the core principles of Quantum Physics is the idea that reality (the photons that produce the light-illusion we all occupy) exists in infinite possible states (ie: the many-worlds scenario) until we observe it and thus collapse all potential versions of reality into the one single option we've chosen to live inside.

Restoration of All Things

- Living in dual realms enables us to be continually connected or quantumly entangled with higher level of consciousness (Theta waves)
- 1 Cor 6:17 But the one who joins himself to the Lord is one spirit with Him.

Restoration of All Things

- Love – compassion - YHVH
- Joy – thankfulness gratitude
- Peace – Forgiveness and blessing
- Destiny – Vision mandates
- Rule and government legislation
- Provision and support - intimacy
- Love – compassion - YHVH

Restoration of All Things

- We can engage our consciousness at different levels
- Beta waves – normal awake state
problem solving
- Alpha waves – slower accessing
intuition and creativity within
- Theta waves – spiritual access beyond
the soul

Restoration of All Things

- Delta waves – deep sleep state with rest and peace
- We mostly live with monostatic access of only one state at a time
- We need to learn to tune into each state concurrently and flow in life

Restoration of All Things

- Our brain is vibrating at different frequencies with different wavelengths Alpha, Beta, Theta and Delta waves
- We can learn to focus our brain waves to be more effective through meditation and mindfulness techniques

Alpha brainwaves move towards deep relaxation, imagination and intuitive thinking

Beta brainwaves are engaged when the brain is aroused or processing activities

Theta brainwaves can indicate drowsiness, daydreaming, the first stage of sleep or 'indirect' imagination/thinking

Delta brainwaves can reveal deep sleep or slow-wave 'background' thinking.

Restoration of All Things

- The brain has the capacity to operate on more than one frequency range at any given time.
- All four rates occur at once, yet at varying amplitudes. A good analogy would be to relate each brainwave state to a string on a violin. All four strings make notes, yet one or more strings can dominate the overall sound at a greater volume.

Restoration of All Things

- If My children begin to take their heavenly places as sons then they will be able to discern My heart's deepest desire which is the purity of a relationship that is being restored within the restoration of all things.

Restoration of All Things

- Son this is the love agenda where all things of the created order will be returned to relational connectedness within My unity.
- Son no one who becomes intimately acquainted with the thoughts and intentions of love revealed through knowing Me could fail to see their destiny within the desires of My heart.

- I created all things to relate together unique and individual yet only fully complete when in the harmonious union of the whole.
- The removal of all fragmentation, fracturedness and brokenness to restore wholeness is the ultimate goal of restoration

Restoration of All Things

- I am continually working all things together for good to facilitate restored wholeness.
- It was My desire it is My desire and will continue to be My desire to restore wholeness
- Therefore there will never be an end to increasing peace throughout My expanding kingdom.

Restoration of All Things

- The scope of restoration is only limited by what your minds believe
- There is no end to the increase of My government and of peace and therefore restoration is but a season within seasons that are endless and unlimited.

Restoration of All Things

- Sonship is both your inheritance and your birthright and the reconciliation of relationship must lead to the restoration of responsibility for creation
- Son your destiny and that of all My children has always been to be seated with Me in authority within My kingdom.
- I desire to restore your identity and positions of authority as sons

Restoration of All Things

- We have made you in Our image to be co-creators not just coheirs
- All my children have been given imagination and the ability to create reality but because of the loss of their identity they have created mainly chaos.

Restoration of All Things

- Restoration of relationship will lead to the restored identity as mature sons with increasing capacities as co-creators.
- As you become whole so will your sonship capabilities increase
- You are but seeing through a glass dimly but the full light of sonship will shine through the brightness of your rising.

- Out of the ashes of the old the sons of God will emerge with renewed vigour strength energy refreshed with the very breath of God.

Restoration of All Things

- Times of **refreshing** may come from the **presence of the Lord**;
- **Refreshing** anápsyksis – properly, breathe easily (again); hence, refreshing; " 'cooling,' or 'reviving with fresh air' " A recovery of breath, a refreshing

Restoration of All Things

- Gen 2:7 Then the Lord God formed man of dust from the ground, and **breathed into his nostrils the breath of life**; and man became a living being
- John 20:22 He **breathed on them** and said to them, “**Receive the Holy Spirit.**”

Restoration of All Things

- Close your eyes and picture Jesus breathing into you the breath of life
- Breathe slowly and deeply and exhale **yod** breath in **Hei** breathe out **Vav** and breathe in **Hei**
- Repeat Yod Hei Vav Hei the rhythm of life

Restoration of All Things

- The restoration of the sons of God will be like Joseph rising up from the hidden and obscure places coming out of the dungeon prisons to take their places invested, enthroned seated in the heavenly places ruling and reigning as the mountain of the house of the Lord.

Restoration of All Things

- A new day is dawning arise and shine the light has come and the glory of the Lord is risen upon you.
- A new way for a new day and new order of sonship, the reality makers, history changers the restorers of the breach.

Restoration of All Things

- Son time and the eternal now are converging in those of My children who are beginning to see the truth and are willing to pursue it no matter where it takes them.

Restoration of All Things

- The truth is out there beyond the boundaries of your present knowledge but within in the depths of who you are made to be.
- Son rest is trust in Me and My reality that has no limitations and restrictions other than pure love.

Restoration of All Things

- Son focus on the restoration of sonship through the deconstruction and expansion of consciousness in both relationship and responsibility.
- Restoration of I am as love through the deconstruction of the wrong image of the angry GOD of religion.

Restoration of All Things

- Restoration of all things can only be framed in My love relationship with creation through My love for all My children.
- Live loved, love living and live loving resting in love, joy and peace

Restoration of All Things

- Restoration of all things must be framed by the oracles of My heart which is limitless in grace and abundantly overflowing with mercy which are expressions of My precepts the pure essence of love that is who I am.

Restoration of All Things

- Resurrecting, restoring, reconciling, redeeming, renewing, refreshing love bringing creation back to My original intention with the Perichoresis of I am so you can be all that I intended.

Restoration of All Things

- Synonyms for restoration:
reinstatement, reinstitution,
re-establishment, reinstallation,
rehabilitation, returning,
refurbishment, reconditioning,
rehabilitation, reconstruction,
remodelling, revamping, putting
back, overhauling, fixing

Restoration of All Things

- We use many biblical words that begin with “**re**” because we need a lot of “**re-ing**” in our lives
- Re is **apo** – from or away from
- The place anything originates, comes from, falls from, is taken from
- We need to reconnect to the original place of our conception – God’s heart

Restoration of All Things

- Rom 8:30 Jesus reveals that **we pre-existed in God**; he defines us. He justified us and also glorified us. He redeemed our innocence and **restored the glory we lost in Adam.** 31 All these things point to one conclusion, God is for us! Who can prevail against us?

Restoration of All Things

- Psa 8:5 “You made him (man) a little lower than God and crowned him (or clothed him) with **glory and honour.**”
- The original Hebrew word for “crowned” means “to encircle”, “to surround”. In other words, Adam and Eve were surrounded by **glory** and honour.

Restoration of All Things

- The gospel is the good news of the Father sending Jesus to restore our glory and begin creation's restoration
- God proved His love for **all things** by Jesus choosing to die for us, as us and in our place to reconcile our relationship and restore it to what it was like in the eternal now not just the garden and therefore go beyond beyond beyond

Restoration of All Things

- 2 Cor 5:18 Now all these things are from God, who **reconciled us** to Himself through Christ and gave us the **ministry of reconciliation**, 19 namely, that God was in Christ **reconciling the world (cosmos) to Himself**, not counting their trespasses against them, and He has committed to us **the word of reconciliation**. 20 Therefore, we are **ambassadors for Christ**, as though God were making an appeal through us; we beg you on behalf of Christ, be reconciled to God

Restoration of All Things

- 2 Cor 3:16 but whenever a person turns to the Lord, **the veil is taken away**. 17
Now the Lord is the Spirit, and where the Spirit of the Lord is, there is liberty. 18
But we all, with unveiled face, **beholding** as in a mirror the **glory of the Lord**, are being **transformed into the same image** from **glory to glory**, just as from the Lord, the Spirit.

Restoration of All Things

- 2 Cor 4:6 For God, who said, “Light shall shine out of darkness,” is the One who has shone in our hearts to give the **Light of the knowledge of the glory of God** in the face of Christ.
- When anyone turns to God, a veil is lifted from their hearts and they are enabled to behold the Glory of God in the very face of Jesus Christ

Restoration of All Things

- As we continue to look into that Glory a transformation takes place, whereby we are being changed restored into the same image (God's original intent) from glory to glory by the Spirit of the Lord
- The process of transformation, transfiguration or metamorphosis

Restoration of All Things

- Hebrew tradition and rabbinical writings talk about the loss of innocence and glory as light being removed
- Other writings like the Book of Moses
- Mystical Encounters - Blessed Anne Catherine Emmerich, Luisa Piccarreta, Ian Clayton and others
- My own encounters with light and talking to Adam revealed this truth also

Restoration of All Things

- Anne Catherine Emmerich in 1820 had an extensive and very vivid personal revelation in which she described Adam and Eve as clothed in light.
- “They were like two unspeakably noble and beautiful children, perfectly luminous and clothed with beams of light as with a veil.

Restoration of All Things

- From Adam's mouth I saw issuing a broad stream of glittering light, and upon his forehead was an expression of great majesty.
- Around his mouth played a sunbeam, but there was none around Eve's.

Restoration of All Things

- I saw Adam's heart very much the same as in men of the present day, but his breast was surrounded by rays of light.
- In the middle of his heart, I saw a sparkling halo of glory”

Restoration of All Things

- Luisa Piccarreta in 1882 encountered Jesus who explained that in creating man, He placed him in the sun of the Divine Will.
- This was a garment of shining light, whose rays covered his body in a way that honoured him and rendered him beautiful

Restoration of All Things

- Jesus explained that in Eden, Adam divided and gambled away his garments of innocence, the clothing of the Divine Will.
- Withdrew from the Divine Will, the light from his body and soul withdrew, and he lost his vesture of divine radiance.

Restoration of All Things

- Realizing he was no longer surrounded by light, he felt nude and ashamed, and made use of material things to cover himself.
- Jesus seeing from the Cross His own garment divided and lots being cast for His tunic, that which Adam did at Eden was repeated before His eyes.

Restoration of All Things

- His pain, upon seeing this, brought forth a lament. How many creatures, doing their own will, make a game of the Divine Will, and how many times do they divide the garment of innocence with their passions?

Restoration of All Things

- Subsequent to His immense sorrow at seeing His own garments divided and cast for lots, He did not take on other garments upon His Resurrection.
- Instead His Humanity was dressed with the shining garment of the sun of the Supreme Will.

Restoration of All Things

- Then, clothed in these regal garments, He presented Himself to His Celestial Father, and opened heaven to all the redeemed. The Divine Will, while it is life, is also man's true garment of Creation

Restoration of All Things

- Upon hearing this, Luisa asked Jesus why He, who also possessed the Divine Will, did not appear clothed in its light while on earth?
- The Lord explained that His Humanity was to represent fallen Adam, and not innocent Adam. Besides, if He was dressed in the light of the Divine who would have dared to even go near Him?

Restoration of All Things

- Moses 3:25 Though figuratively “naked,” because their knowledge of their premortal state had been taken away by a “veil of forgetfulness,” Adam and Eve had come to Eden nonetheless “trailing clouds of glory.”

Restoration of All Things

- While the couple, as yet, were free from transgression, they could stand “naked” in God’s presence without shame, being “clothed with purity” in what early commentators called “garments of light” or “garments of contentment.”

Restoration of All Things

- In one source, Eve describes her appearance by saying: “I was decked out like a bride, and I reclined in a wedding-chamber of light.”
- God has revealed mystic glimpses to people of what it was like before the original state was lost

Restoration of All Things

- These glimpses and testimonies are designed to motivate us to pursue our restoration in light
- To motivate us not to settle for normalcy and a fallen state
- To reconnect with the eternity that has been placed in our hearts

Restoration of All Things

- Matt 17:2 And He was transfigured before them; and His face shone like the sun, and His garments became as white as light. 3 And behold, Moses and Elijah appeared to them, talking with Him

Restoration of All Things

- Matt 17:5 While he was still speaking, a bright cloud overshadowed them, and behold, a voice out of the cloud said, “This is My beloved Son, with whom I am well-pleased; listen to Him!”
- This is still the Father’s desire for His sons today to restore our identity and glory

Restoration of All Things

- Restoration is of all physical and spiritual things that have been lost distorted, damaged, destroyed, broken or disconnected
- Creation and everything in it
- Everyone, everything everywhere for all time and all history
- All relative dimensions of time and space

Restoration of All Things

- Restoration of our eternal memory, wisdom, knowledge, understanding and position as light beings
- Restoration of all our abilities and powers
- Restoration of God's intention and desire for everyone and all things

Restoration of All Things

- Restoration of all dark and light matter and dark and light energy including the restoration of the speed of light
- Restoration of access to all places and all realms everywhere at any time inside and outside of time and space and history

Restoration of All Things

- Restoration of original condition and functionality for all things that were lost when the light of glory was removed
- Restoration of All Things - Restoring our inheritance, identity position and authority as sons

Restoration of All Things

- Engage Jesus the truth and true reality and ask the questions:
- What is missing from your life?
- What is broken in your life?
- What has been lost in your life?
- What has been robbed from your life?
- What abilities does He want to restore

- 
- Look into the eyes of the Prince of Peace those the deep pools of the way truth and life

- 
- Close your eyes and begin to think of Jesus and continue to look into those eyes
 - Ask Jesus What is missing from your life?
 - Ask Jesus What is broken in your life?
 - Ask Jesus What has been lost in your life?
 - Ask Jesus What has been robbed from your life?

- 
- Ask Jesus to restore you
 - Ask Jesus take you beyond where you have been before
 - Let Jesus take you back to your origin within the heart of God
