Restoration of All Things

- My focus is on the restoration of our sonship
- Personal restoration back to God's original intention
- Body, Soul and Spirit restored
- Restoration of identity, position and authority to be coheirs and co-creators in the restoration of creation itself

Restoration of All Things

- Son focus on the restoration of sonship and your encounters with Me that expand your consciousness with love.
- The deconstructing and rewiring of the mind is key to My children having their abilities of sonship restored.
- As My children's identity, position, authority and power are restored creation will respond to their freedom.

Restoration of All Things

- Freedom of the glory of sonship must be restored for creation to be restored to its original intention and purpose.
- The restoration of all things begins with the restoration of My children through reconciliation to a love relationship
- The journey continues with the renewal of the mind and the expansion of consciousness to the place of ascension as mature sons.

Restoration of All Things

- Son the modern day parables of Hollywood can be used to open the mind of My children to potential possibilities that are available in sonship e.g. The Matrix, Lucy, Dr Strange to name a few.

Restoration of All Things

- The restoration of the powers of the mind to choose and create reality as sons must be aligned with a restored cardiognosis of a heart to heart, mind to mind, face to face relationship with Me your Father.

Restoration of All Things

- Love encounters are the only thing powerful enough to restore both the relationship and facilitate the deconstruction and renewal of the mind to expand the consciousness to the new levels that will enable the responsibility of sonship to be correctly motivated.

Restoration of All Things

- Encountering the oracles of the Father's heart will create the desire for true restoration in relationship and responsibility.
- I had many of what I call restoration love encounters that were so cognitively dissonant that they exploded my old belief systems and revealed God as pure love

Restoration of All Things

- I was standing in the 4 faces of God about to legislate concerning the unveiling of the Joshua Generation where I was looking through the eyes of the Ox
- Wisdom stood in front of me and said “Let me show you the Oracles of the Father’s heart towards all His children and all His creation”

Restoration of All Things

- What are oracles
- Oracles Greek logion oracles, divine response or utterances
- A divine declaration; a statement originating from God.
- The revelation of the heart of God expressed with meaning, feeling and weight

Restoration of All Things

- **Passion** of the Father's heart for all His children and all creation
- **Burning desire** of the Father's heart for all His children and all creation
- **Intense joy** of the Father's heart for all His children and all creation
- **Deep compassion** of the Father's heart for all His children and all creation,
- **Overwhelming love** of the Father's heart for all His children and all creation

- **Passion** of the Father's heart for all His children and all creation
- **Burning desire** of the Father's heart for all His children and all creation
- **Intense joy** of the Father's heart for all His children and all creation
- **Deep compassion** of the Father's heart for all His children and all creation,
- **Overwhelming love** of the Father's heart for all His children and all creation

Restoration of All Things

- My restoration encounters radically transformed my experience of God as love and therefore the depth and power of love itself
- Those encounters deconstructed my mind and expanded my consciousness to experience the true scope of restoration

Restoration of All Things

- I encountered the mind of God that gave me a glimpse of how in the eternal now.
- God is connected to everyone and everything and always wants to bring good out of every choice we make
- He will even weave our brokenness into the grand narrative of restoration

Restoration of All Things

- I encountered love under a waterfall where deep called me to deep and revealed the depth of the Father's heart for all His children
- Challenged my sense of justice
- The power of the Father's love transformed the way I saw people and made judgments about them

Restoration of All Things

- I encountered love in so many different ways as the Father used those encounters to deconstruct the religious and cultural beliefs that framed my thinking and controlled my life
- Those encounters in my mind revealed the frameworks of thinking that shaped my reality

Restoration of All Things

- Intimacy with the Father is the best preparation for sonship as you can't be a son without a father
- Any mindsets, doctrines, theology or beliefs that distort the nature of God as Father and the relationship we have with Him as sons must be deconstructed and renewed

Restoration of All Things

- The first doctrine that was demolished was by experiencing the love that Father, Son and Spirit have for each other and for us within the Perichoresis circle of the dance was penal substitutionary atonement
- All the other false doctrines fell like in a domino rally

Restoration of All Things

- In relationship the Father gives us identity, position and authority a mandate so we can be fruitful, multiply, fill, subdue and rule
- Any mindsets, doctrines, theology or beliefs that limit our sonship and the scope of restoration must be deconstructed and renewed

Restoration of All Things

- Mindsets, doctrines, theology or beliefs that are based in old covenant thinking create fear, duty, obligation through the law
- Law based mindsets often create barriers to intimacy because they work through the wrong sort of fear of God

Restoration of All Things

- All the walls, barriers and partitions created through the law will come down when they are penetrated by the God of love who casts out all fear
- Encounters with love will deconstruct and demolish those barriers of wrong thinking

Restoration of All Things

- True love encounters are key to developing intimacy with God
- Deepening intimacy through face to face relationship will result in a continual process of transformation by deconstructing and renewing our minds during those encounters with God

Restoration of All Things

- The Joshua Generation are forerunners of a restoration that will revolutionise our experience of the true nature of God as love
- Iconoclastically destroying the false images of God created by the religious systems we have been programmed by

Restoration of All Things

- Son a new vista that has a new landscape for the Ekklesia and the Joshua Generation is being established
- Although many of the old order will die in the wilderness even more will cross over into their inheritance.

Restoration of All Things

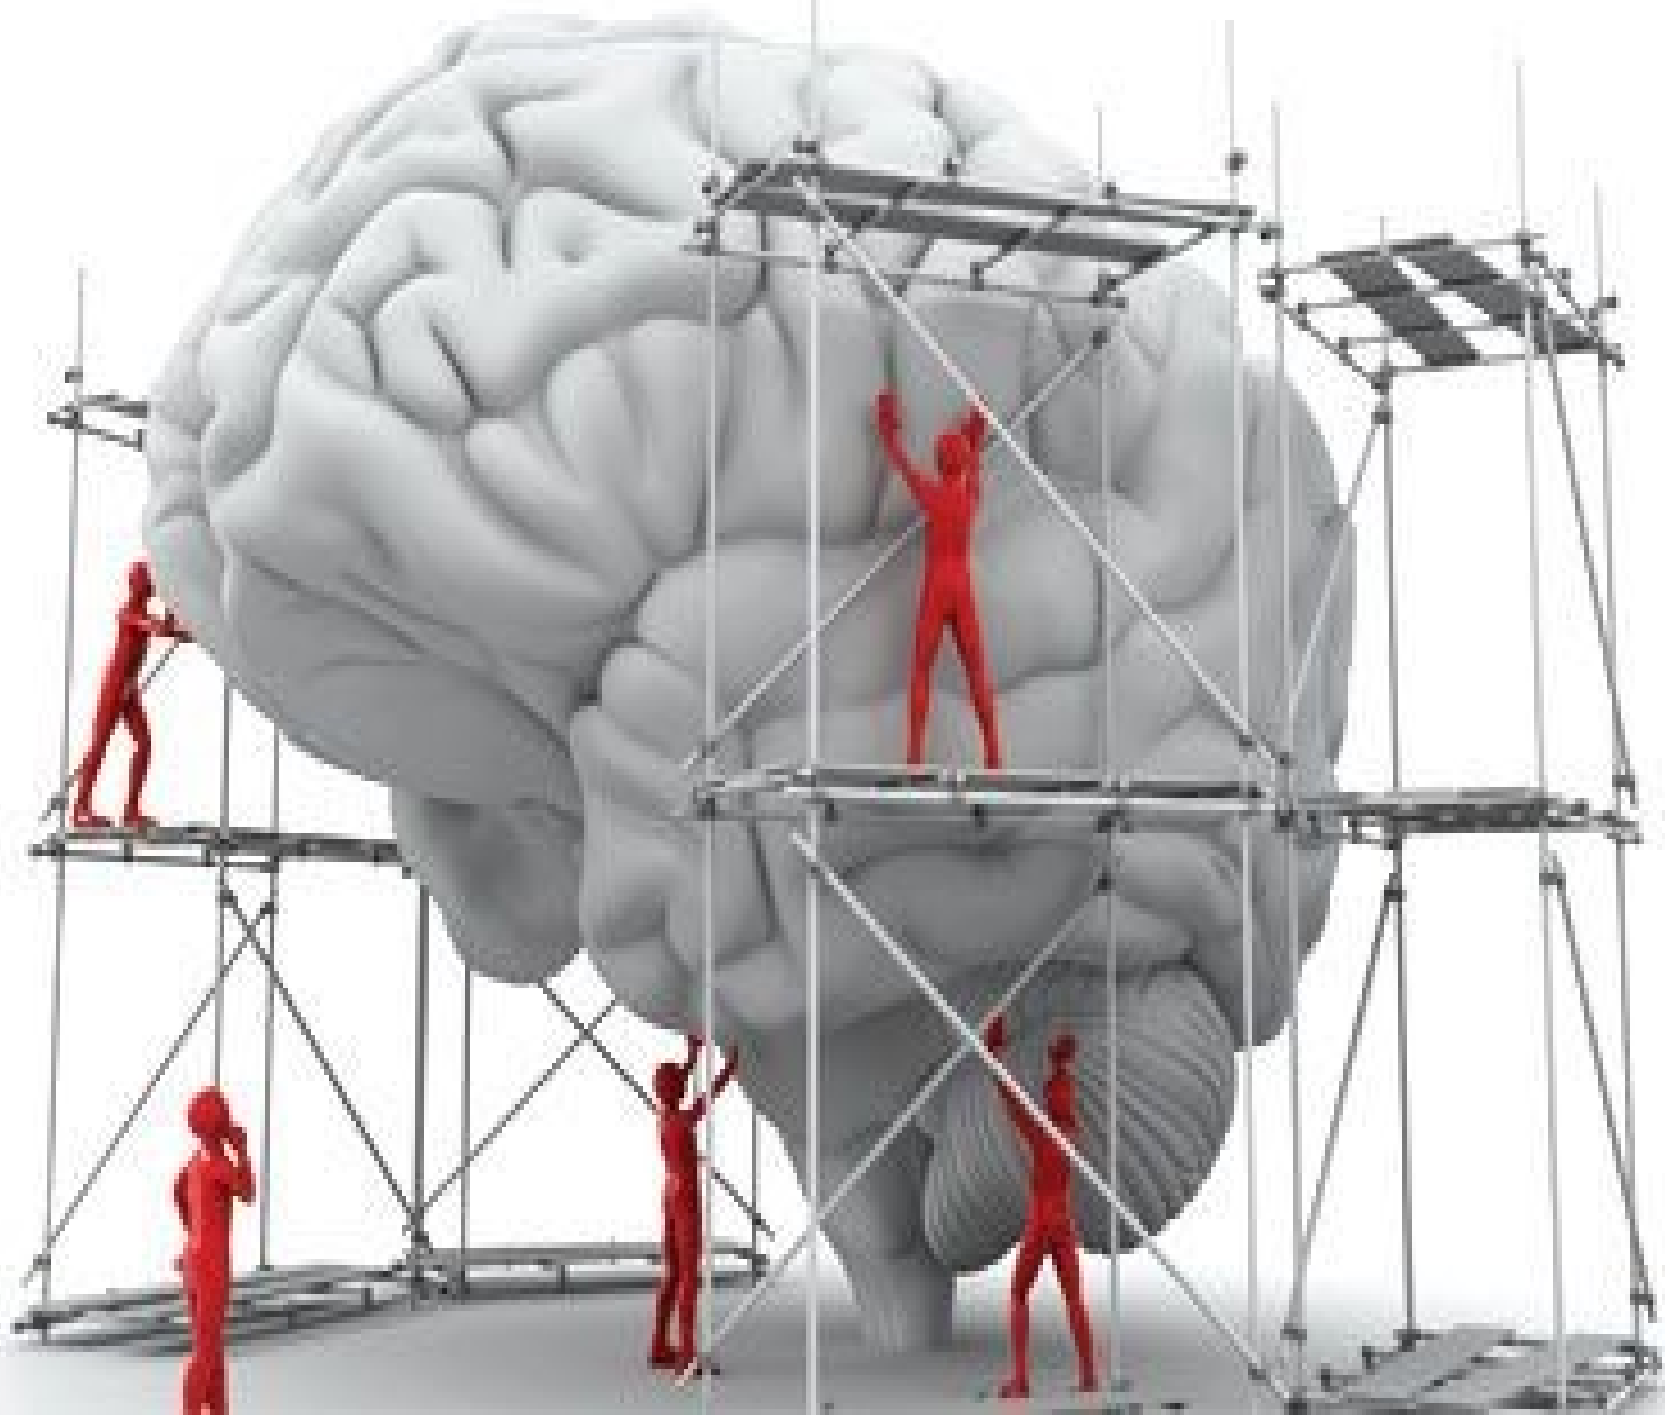

- This cannot take place without major shifts in your consciousness through deconstruction and renewal of your mind.
- The religious constructs must be challenged through powerful encounters with the truth of the living word of God - Jesus

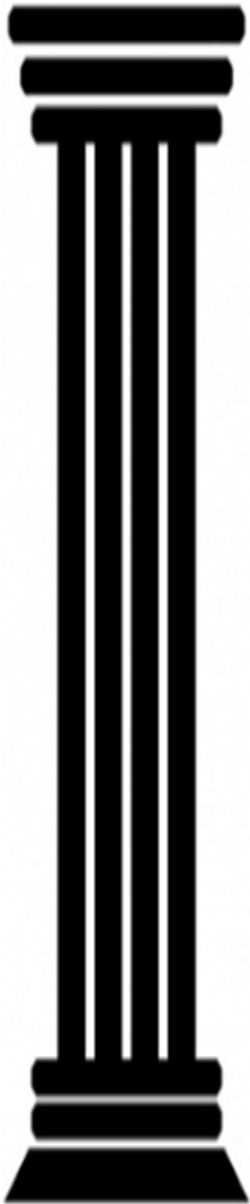

Restoration of All Things

- These encounters will expose, challenge and deconstruct false doctrines and theology concerning My nature that have been created through man's own understanding of the Bible created by following the DIY tree path of independence

Restoration of All Things

- I had encounters with true reality in my mind that revealed the pillars that framed my consciousness
- I was shown the frameworks that formed my mind-sets and belief systems
- The Father asked me if I wanted Him to deconstruct them

Restoration of All Things

- Evangelicalism
- Sola Scriptura
- Greek thought
- Hebrew thought
- Augustinianism
- Protestantism
- Scientific rationalism
- Cultural relativism
- Humanism

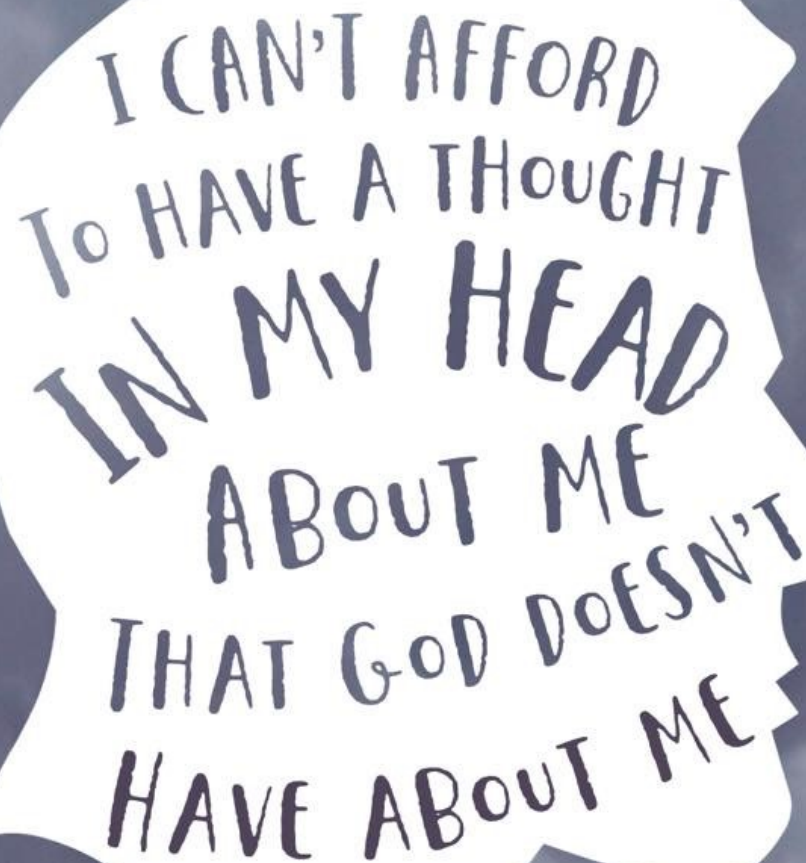

Restoration of All Things

- If we are going to function as mature sons we need to have the mind of a son of God
- As a man thinks in his heart so is he therefore we need to think like a son of God to act as a son of God
- Thinking from our eternal identity as sons using our spiritual abilities

Restoration of All Things

- Prov 23:7 For as a man thinks within himself or in his heart (subconscious mind) so he is
- What do I think about God?
- How do I perceive God?
- What do I believe about God?
- How does what I think and know about God effect how I think about myself?

I CAN'T AFFORD
TO HAVE A THOUGHT
IN MY HEAD
ABOUT ME
THAT GOD DOESN'T
HAVE ABOUT ME

Bill Johnson

Restoration of All Things

- What do I think about myself?
- How do I perceive myself?
- What do I believe about myself?
- What are God's thoughts about me?
- Do I know them, believe them and live out of them?

Restoration of All Things

- Son the mind is a battleground for many people but it is designed to be the place of dimensional convergence from a place of rest.
- Rest is the state of abiding in love, joy and peace which is fully abiding in **I AM**.

Restoration of All Things

- To be at rest (love, joy, peace) is to live loved, love living and live loving within Perichoresis, the circle of the dance that can be fully experienced only with a renewed mind and expanded consciousness
- The limitations placed on the mind by the religious and cultural systems restricts My children to a life of being slaves to the system.

Restoration of All Things

- A mind free from past restrictions has the capacity to shape reality creatively through the living connection to My grace within all things.
- Know My heart the precepts, know My mind the statutes and use My voice the laws to shape reality so the beginning and end converge in time from eternity.

Restoration of All Things

- Religion is a veil of darkness masquerading as light but it is only a DIY system of beliefs that conform My children to slavery.
- The religiously conformed mind is an illusion of having freedom and enlightenment when in reality the mind is chained and darkened.

Restoration of All Things

- Son let Me show you something
- I stood in the midst of the limitlessness of creative thought as a conversation between Father, Son and Spirit.
- I was able to hear a passing thought concerning love's light that is so simple yet so profound that it is more true than all men's philosophy combined.

Restoration of All Things

- That one thought was like a vast neural net of interactivity with many access points.
- One of God's thoughts is beyond the sum total of humanities knowledge but we have been made in God's image with our minds capable of understanding complexities beyond our present reality

Restoration of All Things

- Expanding our consciousness which is the state of being aware of and responsive to one's surroundings
- A person's awareness or perception of something
- Awareness of, knowledge of the existence of, alertness to, sensitivity to, realization of, cognizance of, mindfulness of,

Restoration of All Things

- Religious deconstruction will challenge our views of God
- Challenge our views of man's theology and doctrines
- Challenge our views of ourselves
- Challenge our views of creation and dimensional reality
- Challenge our views of restoration

Restoration of All Things

- When My sons arise and take their heavenly places in heart to heart relationship they will be able to live in the continual now
- Able to think nonlinearly and use the abilities of sonship to create alternate restored realities.

Restoration of All Things

- The ability to choose the end from the beginning and continually realign reality to enable love to bring good in all things.
- Sonship is inextricably intertwined with creation and its freedom from corruption and its restoration back to God's original intent

Restoration of All Things

- Restoration is but the beginning what follows is the release of the creative abilities of My sons who will fulfil the mandate to be fruitful, multiply, fill, subdue and rule by expanding peace throughout all the dimensions.

Restoration of All Things

- Love's light will shine with a radiant frequency that will bring an end to darkness and everything will become illuminated by love.
- Sons arise and shine your light has come and the glory of the Lord has risen upon you.
- Radiate the frequency of love's light

Restoration of All Things

- Now is the time for creation to respond to the light of your glory to be liberated into the freedom of your sonship.
- Will you let God have unlimited access to your mind with no “no go” areas?
- Will you let God slay your sacred religious cows?

Restoration of All Things

- During 2005 – 2010 I encountered the both the darkness and the fire of what I could at that point only describe as “hell” intensely powerful encounters that were preparation for the unveiling of the truth of that reality
- The concept of “hell” as eternal conscious torment was theologically demolished

Restoration of All Things

- I needed to experience this for myself to give me a personal testimony that I could be confident to share with others
- Jesus took me to encounter what I now know as the consuming fire of God's love

Restoration of All Things

- I realised that physical death is not the end of choice to enter into relationship with the father through Jesus the door
- Death does not change the kindness, tolerance and patience of God because they are His nature and the very essence of love

Restoration of All Things

- I said to Jesus “what have you done to me?”
- He said to me “Have I not told you to do the things that I did and greater things and I did those things”
- “Why did not more respond?” “Because the authority you have to preach the good news to your generational lines is proportional to the fire that has transformed your life generationally

Restoration of All Things

- As sons of God we have relationship that leads to responsibility
- We need to take our heavenly positions, seated and enthroned to legislate the kingdom in heaven to manifest heaven on earth
- Restoration should be the primary purpose of all the legislation that we do

Restoration of All Things

- The context of our legislation should be the restoration of all things back to God's original intent
- We are all on a journey to discover the full meaning of the restoration of all things and participate in it
- We need to look at the scope of restoration and the part we all have to play in restoration as sons of God

Restoration of All Things

- I believe we are going to see Love overcome the greatest darkness and a new era of Light birthed across the Earth.
- The end result there will be no war, no sickness and a restored world. How can we know this? The future is already agreed and when it comes it will change quickly. "I, the Lord, will hasten it in its time." Isaiah 60.22 - Justin Abraham

Restoration of All Things

- Acts 3:19 Therefore **repent** and **return**, so that **the sins** may be wiped away, in order that times of **refreshing** may come from the **presence of the Lord**; 20 and that He may **send Jesus**, the Christ appointed for you, 21 whom heaven must receive until the period of **restoration of all things**

Restoration of All Things

- The context for restoration is discovered in our sonship
- If we are not restored then creation will not be restored
- The restoration of all things begins with Jesus working in us now not in a future event of His coming one day in the future

Restoration of All Things

- Rom 8:14 For all who are being led by the Spirit of God, these are sons of God. 16 The Spirit Himself testifies with our spirit that we are children of God, 17 and if children, heirs also, heirs of God and fellow heirs with Christ ..

Restoration of All Things

- Rom 8:14-17 The original life of the Father revealed in his son is the life the Spirit now conducts within us. Slavery is such a poor substitute for sonship! They are opposites; the one leads forcefully through fear while sonship responds fondly to Abba Father.

Restoration of All Things

- Rom 8:14-17 His Spirit resonates within our spirit to confirm the fact that **we originate in God**. Because we are his offspring, **we qualify to be heirs**; God himself is our portion, **we co-inherit with Christ**. Since we were represented and included in his suffering we equally **participate in the glory of his resurrection**.

Restoration of All Things

- As God's sons we need to know what we are coheirs of so we can be involved the government of the kingdom of God
- What is the extent of our responsibility and over what do we have authority
- Gen 1:28 God blessed them; and God said to them, "Be fruitful and multiply, and fill the earth, and subdue it; and rule over – is this the end or the beginning?"

Restoration of All Things

- Rom 8:19 For the anxious longing of the **creation** waits eagerly for the **revealing of the sons of God**. 21 that the **creation** itself also will be set free from its slavery to corruption **into the freedom of the glory of the children of God**.
- Restoration goes beyond just the earth to include all creation

Restoration of All Things

- I engaged with Esther one of the cloud of witnesses she reminded me of need to know our identity as sons
- Esther 4:14 And who knows whether you have not **attained royalty** for such a time as this?”
- Esther 4:14 Yet who knows whether you have **come to the kingdom** for such a time as this?”

Restoration of All Things

- Esther went through a process of purification to prepare her to engage the king
- Jesus has already made us righteous therefore worthy to access the King now
- Do we believe we are already worthy or do we believe the lies that make us less than ready?

Restoration of All Things

- Do we believe the vast sum of God's thoughts about us as His sons or are we believing the lies of an orphan spirit?
- We do need transformation by the renewing of our minds to enable us to agree with and believe what God already believes about us and what He has already done for us

Are we content to remain earthbound, restricted,
living in a carefully constructed illusion
that reduces us to the status of mere mortals?

Restoration of All Things

- Jesus, the Truth, the last Adam, desires to remove the limits placed on us by the first Adam, to restore us and conform us to our original eternal blueprint, and to release us into the glorious freedom of our sonship.
- Every one of us, without exception are to be involved in restoration personally and towards creation

Restoration of All Things

- No-one is left out, because Jesus reconciled the whole world to Himself on the cross.
- The Father has made it possible for every person who has ever lived and who ever will live to come into relationship with Him if they will embrace Jesus and enter in through that door.

Restoration of All Things

- He desires to restore all things. That includes our capacity to engage bandwidths of electromagnetic energy and abilities which were lost at the fall, the flood and Babel. Restoring abilities with sound, light and frequency
- When we come back into relationship, it opens the way for Him to restore those abilities for us to use as sons and co-heirs in the kingdom.

Restoration of All Things

- We must live beyond the veil. If we cannot perceive (or if we choose to ignore) the eternal realm of which we are citizens, then we will remain confined and tethered to this earthly, DIY version of a limited and restricted reality unable to change our circumstances and situations or fulfil our eternal destiny

Restoration of All Things

- Invite God to engage your mind and consciousness
- Invite God to penetrate your mind with Truth
- Invite God to walk with you into your mind and show you the constructs and frameworks of your belief systems

A white, translucent singing bowl is centered in the image. Below it lies a wooden mallet with a grey felt tip. The background is a dark blue gradient with diagonal lines.

Let the frequency of
the Father's voice
within the intention of
the music penetrate
your mind
