Sons Arise

- Ezek 28:13 “You were in Eden, the garden of God; Every precious stone was your covering: The ruby, the topaz and the diamond; The beryl, the onyx and the jasper; The lapis lazuli, the turquoise and the emerald; 14 “You were the anointed cherub who covers, And I placed you there. You were on the holy mountain of God; You walked in the midst of the stones of fire.

Sons Arise

- Engaging the firestones of destiny have been significant encounters for me on my journey
- My first encounter came back in 2008 and completely involuntary
- I was taken through a portal that appeared into the realm of heaven to the river of fire, firestones and throne

Sons Arise

- The glory, weight, essence, nature, character and government of God revealed through the standing on the firestones
- Our sonship its destiny, glory, essence and nature and government revealed by standing on and ascending the firestones

Sons Arise

- What role did the covering cherubim have in observing and releasing the revelation of the light contained within the 9 stones?
- What role did the covering cherubim have in relation to our maturity as sons of God?
- Whatever it was Jesus as the Son the light is now the focus that reveals the Father and for the revelation of sonship

Sons Arise

- Jesus is the light of the world
- John 1:4 In Him was life, and the life was the Light of men. 5 The Light shines in the darkness, and the darkness did not comprehend it.
- John 1:9 There was the true Light which, coming into the world, enlightens every man.

Sons Arise

- John 8:12 Then Jesus again spoke to them, saying, “I am the Light of the world; he who follows Me will not walk in the darkness, but will have the **Light of life.**”
- Phil 2:15 so that you will prove yourselves to be blameless and innocent, children of God above reproach in the midst of a crooked and perverse generation, among whom you appear as **lights in the world,**

Sons Arise

- Man was created sinless but not yet perfected
- Process of perfecting was to have been relational walking with the Father in the light of revelation released into creation
- The light bearer was responsible for releasing light into creation

Sons Arise

- Heb 12:2 fixing our eyes on Jesus, the author and perfecter of faith
- Jesus is the light bearer and we are all called to engage the light and arise and shine
- The light bearer was removed as covering Cherub and expelled from the garden and with no access to the firestones but the path is open to us

Sons Arise

- The firestones are represented as 9 steps of ascension that we can engage in our maturing as sons
- 9 steps to maturity or ascension
- 9 is 3x3 the fullness of the attributes of I am, Father, Son and Spirit

Sons Arise

- 9 strands DNA that reveal God's nature
- 9 fruit that reveal God's character
- 9 precepts that reveal God's government
- 9 attributes of our sonship

Sons Arise

- The fruit of the Spirit is the representation of God's character
- Love, Joy, Peace - Jesus
- Patience, Kindness, Goodness - Father
- Faithfulness, Gentleness, Self control – Spirit
- We are to be transformed into the same image

Sons Arise

- Righteousness, Peace, Joy - Spirit
- Way, Truth, Life - Jesus
- Justice, Judgement, Holiness -
Father

Sons Arise

- Psa 119:19 I am a stranger in the earth; Do not hide Your commandments from me.
- Dream with this verse as the centre of vital revelation
- I meditated and engaged Psa 119 1-40 and discovered key truth that helped when I engaged the fire stones

Sons Arise

- Ps 119 1-40
- Psalms 119:1 How blessed are those whose way is blameless, Who walk in the law of the Lord
- Psa 119:11 Your word I have treasured in my heart, That I may not sin against You.
- Psa 119:9 How can a young man keep his way pure? By keeping it according to Your word.

Sons Arise

- 9 governmental truth
- 9 responses to truth
- 9 out-workings of truth

Sons Arise

- The firestones led me to engage the place where there are many thrones alongside the throne of God
- Eph 2:6 and raised us up with Him, and seated us with Him in the heavenly places in Christ Jesus,

Sons Arise

- We are seated in various heavenly places this is highest realm I have discovered where I have a throne
- Engage your throne and be seated in sonship on the right hand of Jesus who is on the right hand of the Father the Ancient of Days

Sons Arise

- Joshua Generation operates in the order of Melchizedek as forerunners of this heavenly, royal priesthood to prepare the next united generation to embrace their inheritance
- Heavenly positions of government to rule and legislate out of intimacy and relationship.

Sons Arise

- Ezekiel 10:1 Then I looked, and behold, in the expanse that was over the heads of the cherubim something like a sapphire stone, **in appearance resembling a throne**, appeared above them.
- We all have a mandate to engage the fire that is transformational

Sons Arise

- Fire walk with me into transformation
- Living sacrifices are dead men walking
- Fire for entrance and access
purification, refining, transformation
- Fire is something we will all need to
encounter
- The Father talked to me about Him
being a consuming fire

Sons Arise

- Son I am all consuming there are no half measures about us, Our love is all consuming, our passion is all consuming. I am an all consuming fire and that means the way to intimacy is always the way of fire.

Sons Arise

- The fiery sword, the fire on the mountain tops, the fiery altar, the river of fire, The fire stones, the judgment seat, the place of fire, are all expressions of My passion for you.

Sons Arise

- Son My fire is never to be feared but embraced as powerful reminder and expression of the commitment of My love and the revealing of just how far I am will go to secure relationship.

Sons Arise

- I am's fire offering was in place before the foundation of the earth and before the fall from the identity of sonship to ensure redeemed and restored face to face innocence.

Sons Arise

- Son the so called lake of fire was another expression of My love to end death and restore those who have fallen from their first estate.
- Son follow the river of fire where does it go?
- It makes the lake of fire and is continually flowing into it

Sons Arise

- Son My throne is an expression of My authority as a king and the river of fire flows from My presence as an expression of love's government which also expresses My love to make the place where all can be restored redeemed and reconciled who have not yet come through the fire of the cross.

Sons Arise

- Only those of My children who refuse the invitation to come through Jesus the door, choose to go there and they can still be saved by fire
- All get that choice before they die physically no one will be able to have an excuse because I speak to the hearts of all My children in many ways to offer them the choice.

Sons Arise

- Son you know that I am is love and We love our children with a consuming passionate fiery love that cannot be escaped and will never give up or fail.
- The first fire stone of love is both a reminder of My very essence as well as My total commitment to My children's identity and destiny within I am.

Sons Arise

- There are presently 9 stones to engage with like steps ascending to the throne of the Ancient of Days and Jesus at His right hand
- Our thrones of sonship are there
- I believe there are 9 levels of engagement with each stone
- The Father spoke about the stones

Sons Arise

- Son the first level of sonship reveals the emotional truth of the fruit of knowing Us intimately and each level takes that foundation and builds upon it until My nature is revealed which enables the fullness of My desire for Our sons to be like I am.
- Each level of experience and revelation builds upon love's essence to the full measure and statute of the son of God.

Sons Arise

- Eph 4:13 until we all attain to the unity of the faith, and of the knowledge of the Son of God, to a mature man, to the measure of the stature which belongs to the fullness of Christ.

Sons Arise

- Eph 4:15 but speaking the truth in love, we are to grow up in all aspects into Him who is the head, even Christ, from whom the whole body, being fitted and held together by what every joint supplies, according to the proper working of each individual part, causes the growth of the body for the building up of itself in love.

Sons Arise

- Eph 4:12 Each expression of his gift is to fully equip and enable the saints for the work of the ministry so that they may mutually contribute in their specific function to give definition to the visible body of Christ.

Sons Arise

- Eph 4:13 The purpose of these ministry gifts is to present everyone on par and in oneness of faith; believing exactly what the Son of God believes and knowing accurately what he knows concerning us. Standing face-to-face in equal stature to the measure of the completeness of Christ

Sons Arise

- Eph 4:15 Love gives truth its voice. The conversation that truth inspires creates the atmosphere wherein growth is both spontaneous and inevitable. The whole person is addressed in Christ who is the head of the body; he is the conclusion of God's communication with mankind.

Sons Arise

- Eph 4:16 From him flows the original composition and detail of our design like words entwined in poetry, they connect layer upon layer to complete the harmony, following the rhythm of his thoughts like footprints. Meanwhile the body thrives and pulsates with the energy of love. Each individual expression finds its complete measure there.

Sons Arise

- Engaging the consuming fire of God's presence and love
- Heb 12:28 Therefore, since we receive a kingdom which cannot be shaken, let us show gratitude, by which we may offer to God an acceptable service with reverence and awe; 29 for our God is a consuming fire

Sons Arise

- Throne of fire and the River of fire
- Dan 7:9 “I kept looking Until thrones were set up, And the Ancient of Days took His seat; His vesture was like white snow And the hair of His head like pure wool. His throne was ablaze with flames, Its wheels were a burning fire. “A river of fire was flowing And coming out from before Him;

Sons Arise

- Son the fire stones are the stones of destiny where the fire of our DNA is encoded within the stones.
- The stones were created to release the light of our character and nature as the precepts that were to be reflected out into all creation to enable all to be connected to the source.

Sons Arise

- The waves of light that revealed the essence of pure love could be absorbed by all spirit and form the particles of love's manifestation within creation as the building blocks of all things.

Sons Arise

- The light bearer refused to reflect the light choosing to create darkness by reflecting an absence of our presence. All those who followed him became darkness and introduced darkness into creation.

Sons Arise

- My sons are called to be sons of light to arise and shine to restore light to creation by absorbing into themselves our image across all spectrums and all frequencies and releasing and radiating love's light.

Sons Arise

- As My sons embrace the light of each stone at each level deep will truly reveal the depths and manifoldness of who we really are and so will be able to be a true reflection of fire transcendence converging as the immanence.
- The destiny of all My sons is encoded within us and can be experienced by engaging the stones of the fire of our precepts.

Sons Arise

- The willingness to embrace the consuming fire of our love and be purified and refined is the precursor to engaging the stones and being able to receive the deep revelation of eternal sonship.
- Created and creative light will form an interference pattern and cancel each other out leaving darkness.

Sons Arise

- By engaging the fire stones you are bathing in the creative revelation light that will activate the creative light hidden within the fabric of your being and radiate from your innermost being transforming created light back to creative light so you can radiate the glory of sonship once again.

Sons Arise

- The created order had been separated from the creative realm and is longing to be reconnected and brought back into the harmony of the first estate from which it was removed by the choice of My son Adam to abandon the light of life and walk in darkness of self.

Sons Arise

- As My sons choose to walk in the creative light of their sonship creation will again respond to love's light.
- Creation itself is waiting for you to arise and shine by discovering the true nature of your sonship deep within us.
- Son true ascension is not entering through the veil into the heavenly realms but is entering into us to ascend into the maturity of your sonship.

Sons Arise

- True ascension is becoming mature sons by embracing the 9 stones at the nine levels that will add the last three stones of sonship to reach and live from the eternal now.
- There were always intended to be 12 stones that would take the thrones of sonship from heaven to the place high above all authority through heaven of heavens, perfection to eternity.

Sons Arise

- This is where the speed of light is closest to the purity of eternities perfection within the circle of love's dance.
- Son this the highest estate within the created order of the creator that can be ascended to.

Sons Arise

- Son the stones of destiny will reconnect your past, present and future destiny into wholeness and remove all separation from within your being and bring a clarity to your true identity and calling as My sons.

Sons Arise

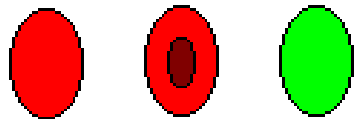

- Heaven is the centre where your thrones of sonship are currently positioned but as My sons ascend so will the thrones ascend to the highest place within the creative order.

Sons Arise

- 12 Stones of the breastplate
- 12 stones that are foundations of New Jerusalem
- Rev 21:14 And the wall of the city had twelve foundation stones, and on them were the twelve names of the twelve apostles of the Lamb.
- 12 laws of Zion

Sons Arise

- My first encounter with the firestones was in 2008 as I previously described in more detail it was pure emotional connection with the fruit of God's character at a level I had never experienced before.
- Increased my desire to pursue intimacy

Sons Arise

- The second encounter in 2012 was revelatory about the God's character relating to kingdom governmental foundations
- The kingdom foundations of God's throne or rule being righteousness and justice expressed through the attributes of precepts, statutes, laws and ordinances etc.

Sons Arise

- The third encounter in 2013 took me literally into the stones to reveal a deeper level of the fruit of God's nature and went deeper in me than just my emotions by touching the very fabric of my being connecting me to the love in God's for all His children.

Sons Arise

- The fourth 2014 encounter was different in that I had to access the stones by first walking through the river of fire.
- That encounter revealed a new level of My sonship identity, position and legislative authority and on the fourth stone Wisdom gave me a Chancellor's seal and subsequently a staff.

Sons Arise

- The chancellor's seal and staff gave me access to governmental places that I could not access before
- Wisdom took me to encounter the 12 High Chancellor's House
- She also took me through the fiery sword door to satan's trophy room
- That eventually opened a totally new path

Sons Arise

- My fifth encounter was 2015 and was my initial access into the essence of God's nature and government from an eternal perspective
- This created a deeper desire for the eternal now and opened up access to what was through the ancient pathway within the 4 faces of God.

Sons Arise

- My sixth encounter was in 2016 where the Father took me to the stones and then walked on the stones with me.
- This encounter took me deeper into the Father's heart and mind and was preparation for the deconstruction of my mind

Sons Arise

- Unveiling of new dimensional realities and unveiled three further stones of man to make 12 stones and reveal men's further ascension and provide a glimpse into the ages to come.

Sons Arise

- I look back and can now see how significant these encounters were in my relationship with the Father and therefore my sonship both relationally and in legislative governmental responsibility.

Sons Arise

- The firestone encounters were both personally revelatory but also opened up access for to enage different places and dimensions during my journey beyond beyond as the Father eventually put it.

Sons Arise

- My journey to discover my true identity and eternal destiny was accelerated by engaging the firestones in Eden the garden of God on His holy mountain.

Sons Arise

- Firestone encounters are available to all God's children at some point on their journey to enable all of us to ascend beyond an earth bound existence to the find our true heavenly identity as sons of God.
