Sons Arise

- Francois Du Toit
- Jesus did not do what He did to reconcile God with us; this is Father Son and Spirit clothed in human skin, lovingly and willingly going to the gruesome extreme of a ridiculously unfair trial by a human court, and the scandalous execution of innocent life,

Sons Arise

- in order to persuade us most convincingly of their priceless esteem of us and their relentless love for us, and to forever rescue our minds from every definition of unworthiness and condemnation, and every sense of separation.

Sons Arise

- In the broken, bleeding body of Jesus, the incarnate Engineer of the universe, willingly dies humanity's death at the hands of his own creation in order to redeem our minds from the plague of a sin-consciousness that left us distanced and indifferent for ages and generations, stuck in the wilderness of our self-help religious and survival programs. -

Sons Arise

- From the beginning everything was about engaging God in relationship. God and Adam walked together in fellowship
- Notice when Adam sinned, God did not say what did you do.? but where are you?

Sons Arise

- Adam fell from the realm where he could walk with God in Eden, God's heavenly garden, by choice as He could have accessed the fiery way to the tree of life
