Sons Arise

- We can become reconnected with who we were as pre-existing spirit beings

Sons Arise

- My scroll enables me to recognise and resonate with all things that are part of my destiny including relationship tasks, quests, trials, mandates, ministry positions and callings.

Sons Arise

- Some of the questions people ask when we start to talk about destiny are:
- ‘Who am I?’
- ‘Where do I come from?’
- ‘What was I designed for?’
- They are good questions that need to be answered

Sons Arise

- I need to understand where I come from so that I can understand why I am here today.
- That will lead onto where I am going tomorrow.
- This is how our destiny gets outworked, one day at a time: yesterday, today, tomorrow.

Sons Arise

- We need to understand the nature of our creator, and our creation.
- ‘Who created me?’, ‘Why and how did He create me?’. All these questions will help us understand our destiny.

Sons Arise

- God is eternal.
- It may seem really obvious to say it, but it is important to grasp this.
- He has always been,
- He is, and He will always be (Rev 1:8).
He is almighty, that is 'all-mighty'.
He is light (1 John 1:5). He is love (1 John 4:16). He is spirit (John 4:24).

Sons Arise

- If we meditate on these scriptures, and others like them, they will open up a doorway that will enable us to engage with who God is.
- If we engage Him and know Him, that intimate relationship with Him will help us know who we are by the face to face beholding experience

Sons Arise

- Here is a key verse about who we are.
- Jer 1:5 “Before I formed you in the womb I **knew you**, and before you were born I consecrated you; I have appointed you a prophet to the nations.”

Sons Arise

- God is speaking here to Jeremiah, but He has also spoken to each of us.
- He knew me, and He knew you, before He formed you in the womb.
- Knowing, again, is a really intimate encounter.
- We can know by hearing Him call our name

Sons Arise

- This was not some vague thought that God had.
- You existed even before you were in the womb, God has always known from His perspective
- Since intimacy is two-way, actually, you knew Him too.

Sons Arise

- He consecrated you which means He set you apart for relationship and purpose
- He had a purpose for your life that He knew, and that you knew, before you were actually formed.
- It is part of your very being. He has appointed each of us to a particular role, task, or position relationally

Sons Arise

- For Jeremiah that was as a prophet to the nations.
- What name has He given you?
- Who has He called you to be?
- What has He appointed you to?

Sons Arise

- What has He called you to do?
- The good news is, you can know.
- God knew, before you were even a physical being, and He wants you to know again
- You can ask Him, and He will reveal it to you.

Sons Arise

- Bear the image of the heavenly
- 1 Cor 15:48-49 As is the earthly, so also are those who are earthly; and as is the heavenly, so also are those who are heavenly. Just as we have borne the image of the earthly, we will also bear the image of the heavenly

Sons Arise

- Just as we were born in an earthly body, we had already been born from above and now we have been reborn from above our spirit is now active and alive to God.
- So we will now bear the image of the heavenly.

Sons Arise

- We need to be bearing the image of the things that are going on in the heavenlies, and outworking them here on the earth.
- God is opening up the door for us to engage with the heavenly realms, so that we can both see and reflect what is going on.

Sons Arise

- We pre-existed not in cold storage within God until he defrosted us and sent us within this earthly body
- We observed creation and participated in it and had a spiritual function before this physical dimension
- When I saw creation I remembered

Sons Arise

- How precious are Your thoughts
- Psalm 139 tells us that God has many thoughts about us, because He knows us intimately.
- We need to get hold of those thoughts, because they will transform how we think about ourselves. It cannot be anything but life-changing for us to know how God thinks about us.

Sons Arise

- I guarantee that not one of us thinks about ourselves 100% the way God does.
- But the more we allow God's thoughts toward us to affect the way we think about ourselves, the more transformation we will see in our lives, and the more we will become like Jesus.
- We will do the things He did, and the greater things we are called to do.

Sons Arise

- The thoughts of God toward us today are totally in tune with what was written on our scroll before the foundation of the world.
- But destiny is not fate.
- We have a choice, to agree with God and pursue it, or not.

- Steps like Jacob's ladder leading up to heaven start thinking about those steps and the open door
- Hear the invitation to come up here
- Let those steps form in your imagination and by faith walk up those steps to the door step through the veil into the kingdom realm

- You look into His presence
- You begin to think of His name
YHVH
- You see His 4 faces rotating
morphing
- You step into His presence into His
name
- You may feel drawn out into
eternity engage the ancient path

- Step back into time before the arc

- 
- A person is shown from the back, with their arms raised in a gesture of praise or awe. They are standing on a grassy field at night, looking up at a dark sky filled with stars and a bright, colorful aurora borealis. The overall mood is one of wonder and spiritual connection.
- You may see yourself as light
 - Feel the conversation of His heart about you
 - You may hear His thoughts about you
 - You may feel who you were always meant to be
 - Sense your eternal identity and destiny

- 
- You may feel cocooned in His heart
 - Let the Father reveal His true essence of love
 - Let the Father reveal His heart of love for you
