# Sons Arise

- Welcome to Sons Arise –  
Deconstruction of the mind and  
expanding our conscious reality
- We have a mountain of authority  
here FAR -Freedom Apostolic  
Resources
- The FAR mandate is to Gather,  
Connect, Impart and Release

# Sons Arise

- For all who have gathered and all who are connecting our desire is to impart revelational experiential truth through encounters and engagements
- We want everyone to find an oasis of time and space to be able to engage our heavenly Father in intimacy as His sons/daughters to allow Him deconstruct and expand our minds

Sons Arise is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

A white crystal singing bowl is centered in the image. It has a wide, flared rim and a smooth, rounded body. Below the bowl, a wooden mallet with a grey felt tip is positioned horizontally. The background is a solid dark blue with faint, diagonal lines.

Tune and engage  
your spirit to the  
frequency of the  
Father's call

Lets the sons of God arise and take  
their places within the realms of  
heaven!

Let the sons of God arise!

Let this sound, this frequency, this call  
to sonship, go forth amongst all of  
creation, sounding and resounding  
with truth!

Let the sons of God arise!

A white crystal singing bowl is centered in the image. It has a wide, flared rim and a rounded body. Below the bowl, a wooden mallet with a grey felt tip is visible. The background is a dark blue gradient with diagonal lines.

Open your mind to  
the frequency of the  
mind of Christ

REST

# Sons Arise

- There will be lots of opportunities for activations during the sessions
- Remember the activations are but soundbites little opportunities to taste and see
- If we continue to pursue the activations they can help us develop lifestyle of rest in our sonship

# Sons Arise

- Activations can become our continual living testimonies if we will pursue them out of desire until the experiences become part of the fabric of our being.
- Pursuit is the evidence of desire.
- Your personal times of reflection are key to the success of this intensive

# Sons Arise

- There will be some Q & A sharing sessions 9am each morning
- We have legislated for this to be a safe place to help you connect with the Father and allow Him to begin to deconstruct your minds by revealing the religious and cultural frameworks and then to begin to expand your consciousness and your reality

# Sons Arise

- I am not asking you to believe what I am saying in fact I am asking you not to
- I am asking that you take everything to the Father for yourself and allow the Truth to be revealed
- Don't fight the Truth allow Him to set you free

# Sons Arise

- This is the last Sons Arise event this year and each event builds upon the previous one
- Engaging the Father was about the intimacy of relationship that reveals our sonship so we can be invested and enthroned seated in the heavenly realms

# Sons Arise

- Engaging the dark cloud the process of separating and reintegrating soul and spirit enables us to live and function in dual and multiple realms
- The purpose is to enable us to arise as sons and bring heaven to earth

# Sons Arise

- This intensive is about deconstructing the mind from religious and cultural programming and expanding our consciousness
- As sons we can choose and frame our reality using our consciousness
- We can learn to engage different states or levels of consciousness

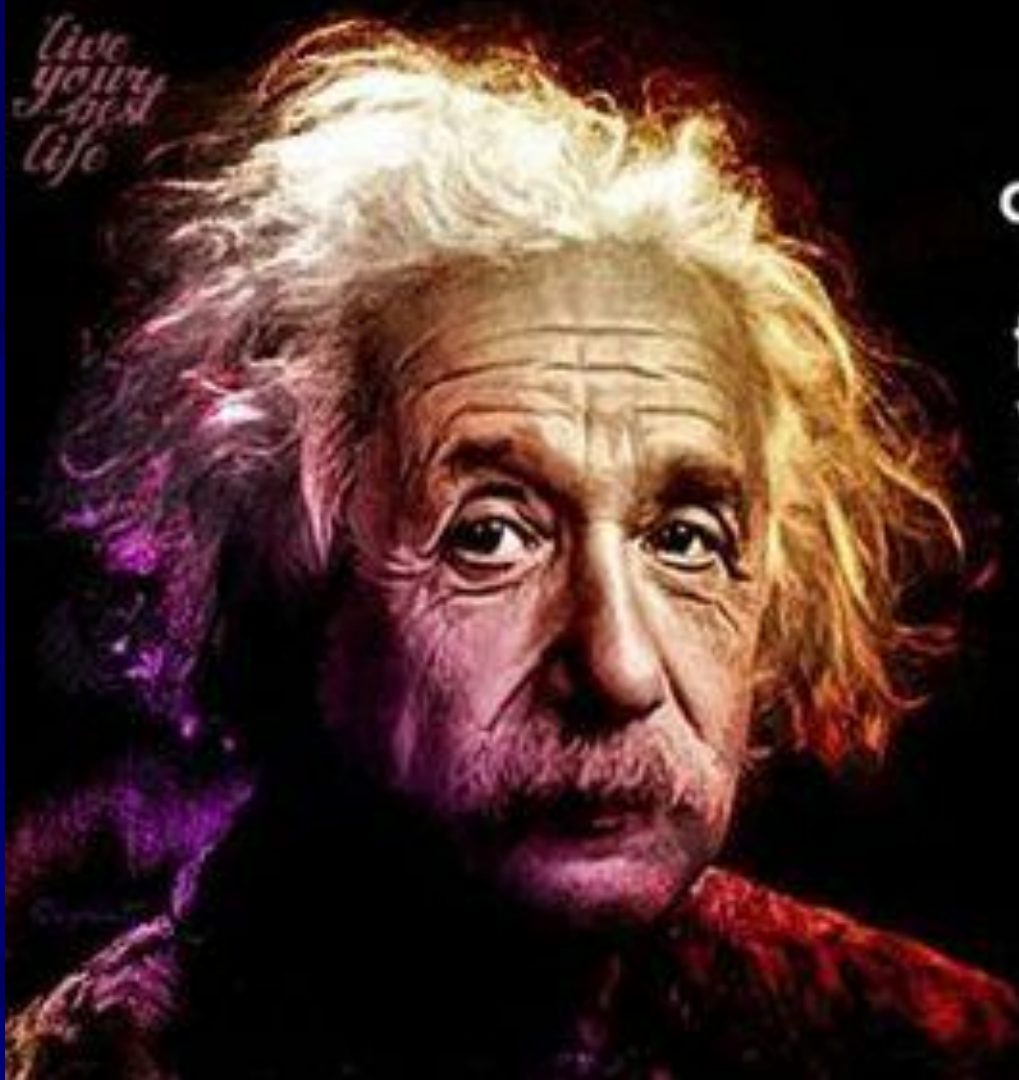

# Sons Arise

- Our consciousness can work by quantum observation
- Frequency and energy can be manipulated and controlled by the power of our minds
- Understanding frequency can help us use the creative power of our consciousness to create reality

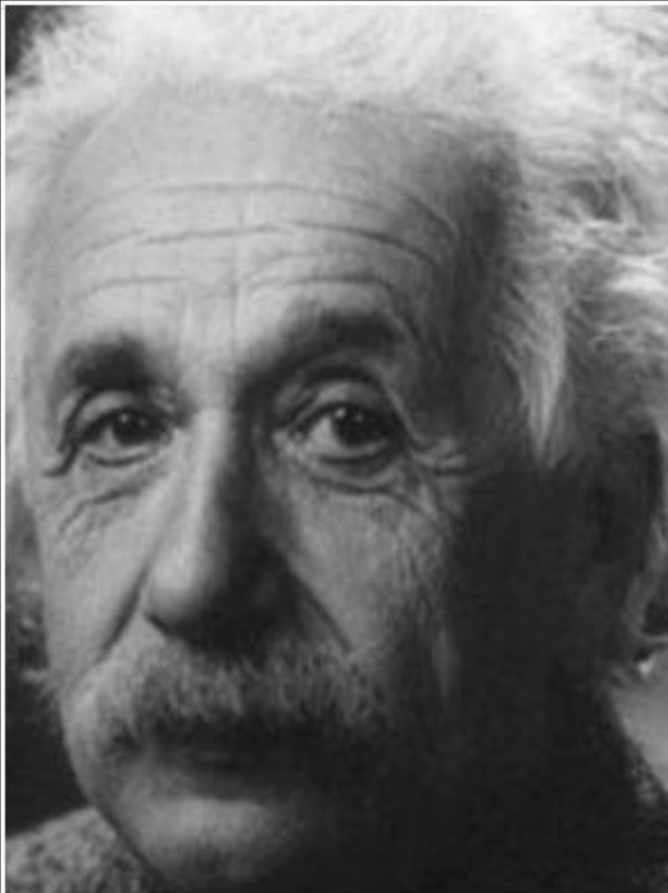

"If you wish to understand the  
Universe, think of energy,  
frequency and vibration."  
~ Nikola Tesla

"Everything is energy and that's all there is to it. Match the frequency of the reality you want and you cannot help but get that reality. It can be no other way. This is **not** philosophy. This is **physics**"

- Albert Einstein

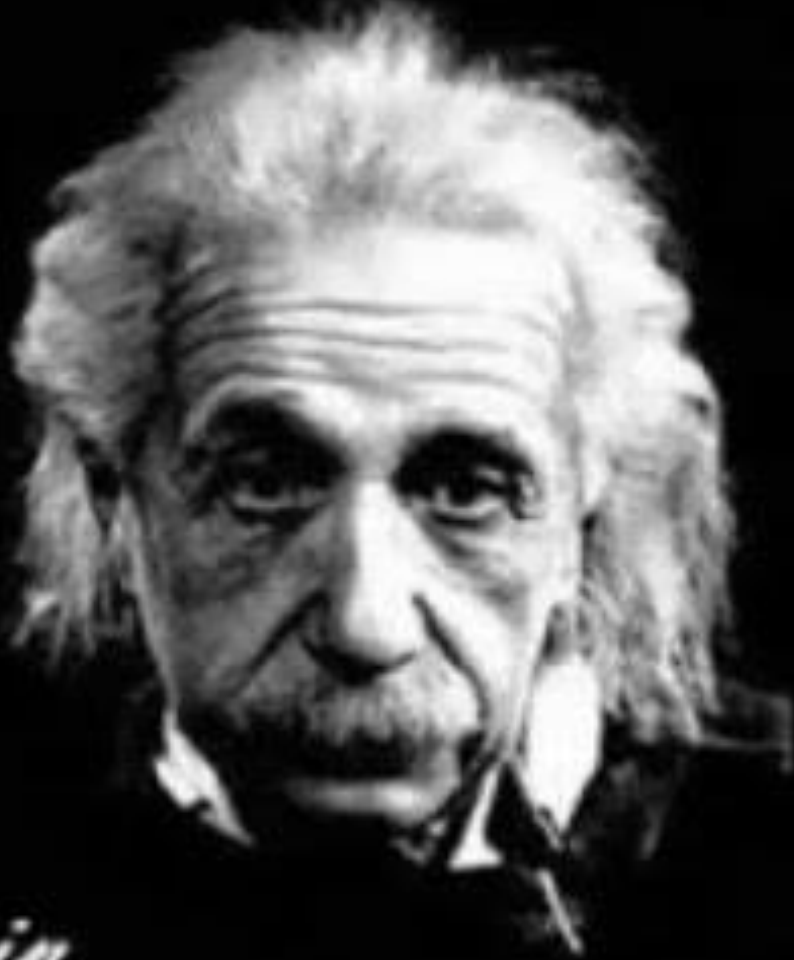

We are slowed down sound and light waves, a walking bundle of frequencies tuned into the cosmos. We are souls dressed up in sacred biochemical garments and our bodies are the instruments through which our souls play their music.

— *Albert Einstein* —

**AZ QUOTES**

we cannot solve  
our problems with  
the same thinking  
we used when  
we created them

*~ Albert Einstein*

The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honors the servant and has forgotten the gift.

Albert Einstein

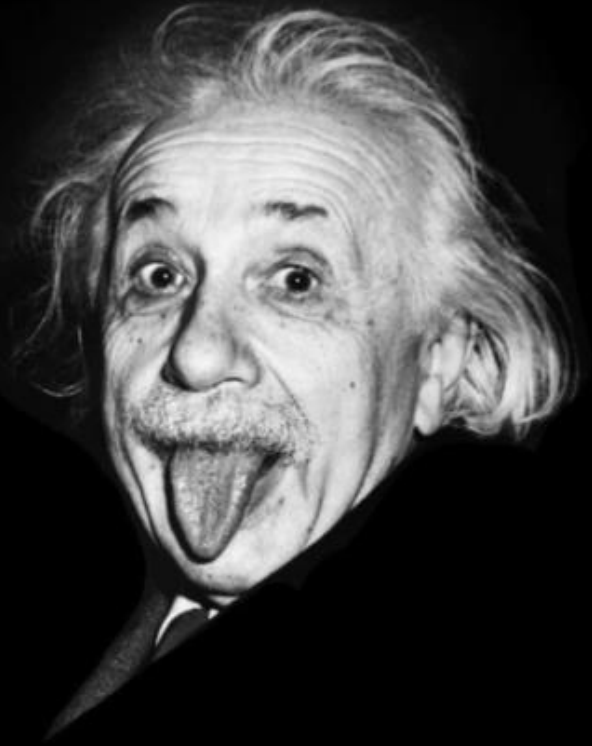

**Logic will get you from A to B.  
Imagination will take  
you everywhere.**

**~ Albert Einstein**

"Insanity is doing the same thing over and over again and expecting different results"

*Albert Einstein*

- heavenly perspectives

# Sons Arise

- Session 11 Using the power our consciousness for the creating, choosing and framing a new reality

# Sons Arise

- Session 12 Engaging the spiritual realms
- Translation in time and space
- Seeing from eternal and heavenly perspectives
- Creating reality from an eternal perspective

# Sons Arise

- These are all starter sessions for ongoing development
- All the different areas will need desire and perseverance to bring about transformation, transfiguration and metamorphosis
- It is our destiny as sons to be fruitful, increase, expand, subdue and rule

# Sons Arise

- If we are to fulfil our destinies we need our minds deconstructed from some of the belief systems that we use to create our reality
- The beliefs from the DIY tree path that have framed our lives are lies that rob us of the truth of who we are as sons of God

# Sons Arise

- God called me to legislate in 2016
- To make laws, legislative decrees etc.
- I did not realise that He was going to use those decrees to iconoclastically deconstruct my mind and expand my consciousness
- God spoke to me to inspire that legislation

# Sons Arise

- The mists around closed and clouded minds must be dissipated.
- The hindrances and entanglements must be removed so the limitations of minds that are stuck in what has been can become free to embrace what can be so it can become what will be.

# Sons Arise

- The veils must be removed and restrictions lifted to embrace the limitless potential of My reality.
- The way, truth and life are to be experienced not conceptualised and contained.
- The limits of what is possible must be removed for My purpose to be achieved.

# Sons Arise

- You must begin to entertain limitless grace and mercy to be able to grasp what is true reality beyond all your limited expectations.
- New dimensions of everything can be yours if you are willing to let go of the old and embrace the challenge of the new.

# Sons Arise

- The veils must be removed and restrictions lifted to embrace the limitless potential of My reality.
- The way, truth and life are to be experienced not conceptualised and contained.
- The limits of the possible must be removed for My purpose to be achieved.

# Sons Arise

- God was challenging the restrictions that limit our sonship
- It is time to clear away the obstacles to remove the shadows and step into the light.
- It is time for our minds to be deconstructed and for our reality and consciousness to be expanded

# Sons Arise

- My legislative response
- I call for the removal of the limits to unveil the beyond, the limitless potential possibilities of eternal reality.
- I call for freedom from the religious restrictions that are creating limitations.

# Sons Arise

- I call for justice against all the fear based entanglements that are hindering the renewal of minds
- I call for hearts, minds and wills to be filled with compassion, zeal and passion.
- I call for all confusion to be removed from the hearts and minds.

# Sons Arise

- Law of Religious Freedom
- I hereby authorise the law of religious freedom.
- This law approves the right of the Joshua generation to set God's people free from religious restrictions and limitations

# Sons Arise

- You are authorised to bring freedom to the oppressed to release light into the shrouded darkness of the old order mindsets
- You are authorised to administer Emmaus road like encounters to those whose minds have been veiled by the coverings of men.

# Sons Arise

- You are authorised to call for and administrate justice for God's children.
- In love you are empowered to challenge the old wineskins and their associated mind-sets.
- You are to call the Joshua Generation to action to call into the valley of decision and release heaven's sound and light.

# Sons Arise

- You have been assigned the ordinances of the angelic hosts to engage in visitations, dreams and visions
- The old order mountains can be shaken with the Winds of Change.
- Use this legislation wisely and with precision and many will be set free to receive their inheritance.

# Sons Arise

- The Law of Deconstruction
- The context is the renewal of the mind.
- Rom 12:2 and do not be conformed to this world, but be transformed by the renewing of your mind
- Eph 2:23 and that you be renewed in the spirit of your mind.
- The deconstruction of the mind's pillars by challenging and shaking old mindsets with love bombs of truth.

# Sons Arise

- You are authorised to accelerate the process of cognitive dissonance
- You are authorised to release traumatic encounters that will fracture the illusions of minds
- You are authorised to expose the old systems to new levels of revelation

# Sons Arise

- You are authorised to release the messenger angels to facilitate mind-quakes
- You are authorised to increase the intensity and pressure for transformation through facilitating deeper dimensional encounters with the Truth

# Sons Arise

- It is our destiny to rule in God's kingdom by being enthroned so we can administrate heaven on the earth
- We need to be free from the tethering of our soul to this physical realm so we will not need to continually step in and out of heaven.

# Sons Arise

- The process must be relational so the focus is on engaging God as love so we can live loved, love living and live loving
- We can begin to fulfil our destiny by answering creations groan to bring about the restoration of all things

# Sons Arise

- Therefore there are 2 main goals for this intensive
- Deconstructed our minds from the beliefs that restrict and limit who we are
- The expanding of our consciousness to accept the true reality of our creative sonship

# Sons Arise

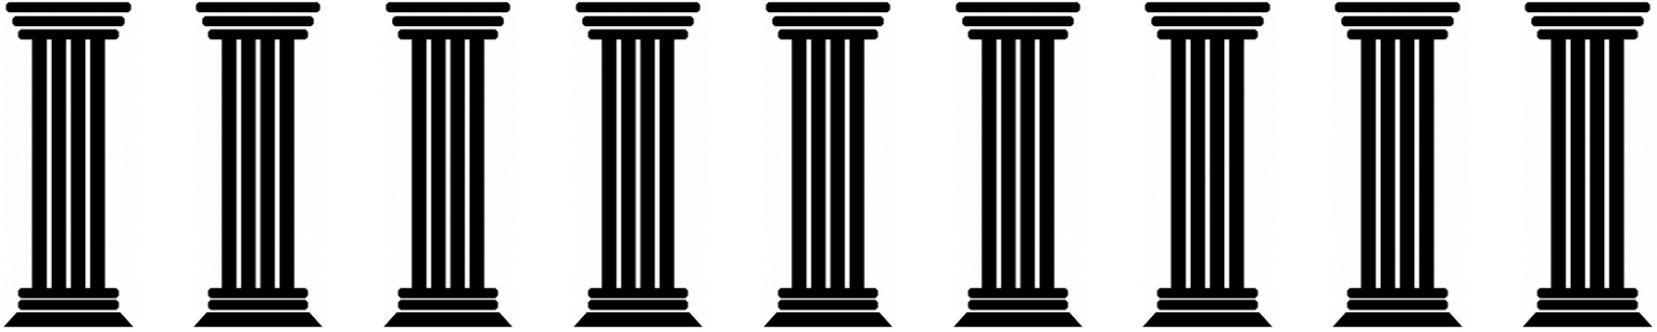

- Deconstruction of our minds
- The act of breaking something down into its separate parts in order to understand its meaning, especially when this is different from how it was previously understood:
- Removing the framework of beliefs that frames and limits our reality

# Sons Arise

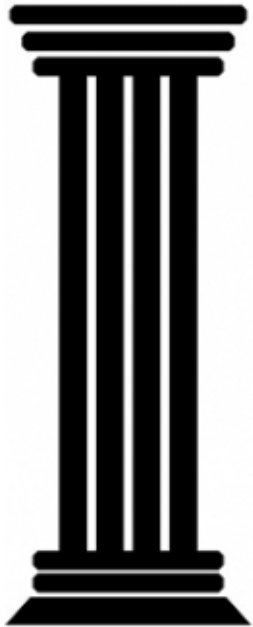

- 9 Pillars of DIY belief that mimic the 9 firestones of ascension
- Deconstructing how our mind and consciousness operates from fixed rigid beliefs systems
- Not just the physical brain although there may be some physical rewiring and reconnecting to abilities lost or hidden

# Sons Arise

- How do our beliefs, paradigms, world views affect our understanding and our choices?
- Confirmation Bias – tendency for our present beliefs to cause us to reaffirm what we already believe
- What shapes our thinking and therefore our reality?

# Sons Arise

- You don't have to believe what I believe. In fact, you would have needed to follow my exact path to be where I am. But what I do want to do is challenge you to think. Because if you can think differently you might believe differently. -  
Chuck Crisco

# Sons Arise

- Son the mind is a battleground for many people but it is designed to be the place of dimensional convergence from a place of rest.
- Rest is the state of abiding in love, joy and peace which is fully abiding in **I AM**.

# Sons Arise

- To be at rest (love, joy, peace) is to live loved, love living and live loving within the perichoretic circle of the dance that can be experienced only with a renewed mind and expanded consciousness
- The limitations placed on the mind by the religious and cultural systems restricts My children to a life of being slaves to the system.

# Sons Arise

- A mind free from past restrictions has the capacity to shape reality creatively through the living connection to My grace within all things.
- Know My heart the precepts, know My mind the statutes and use My voice the laws to shape reality so the beginning and end converge in time from eternity.

# Sons Arise

- Religion is a veil of darkness masquerading as light but it is only a DIY system of beliefs that conform My children to slavery.
- The religiously conformed mind is an illusion of having freedom and enlightenment when in reality the mind is chained and darkened.

# Sons Arise

- Son let Me show you something
- I stood in the midst of the limitlessness of creative thought as a conversation between Father, Son and Spirit.
- I was able to hear a passing thought concerning love's light that is so simple yet so profound that it is more true than all men's philosophy combined.

# Sons Arise

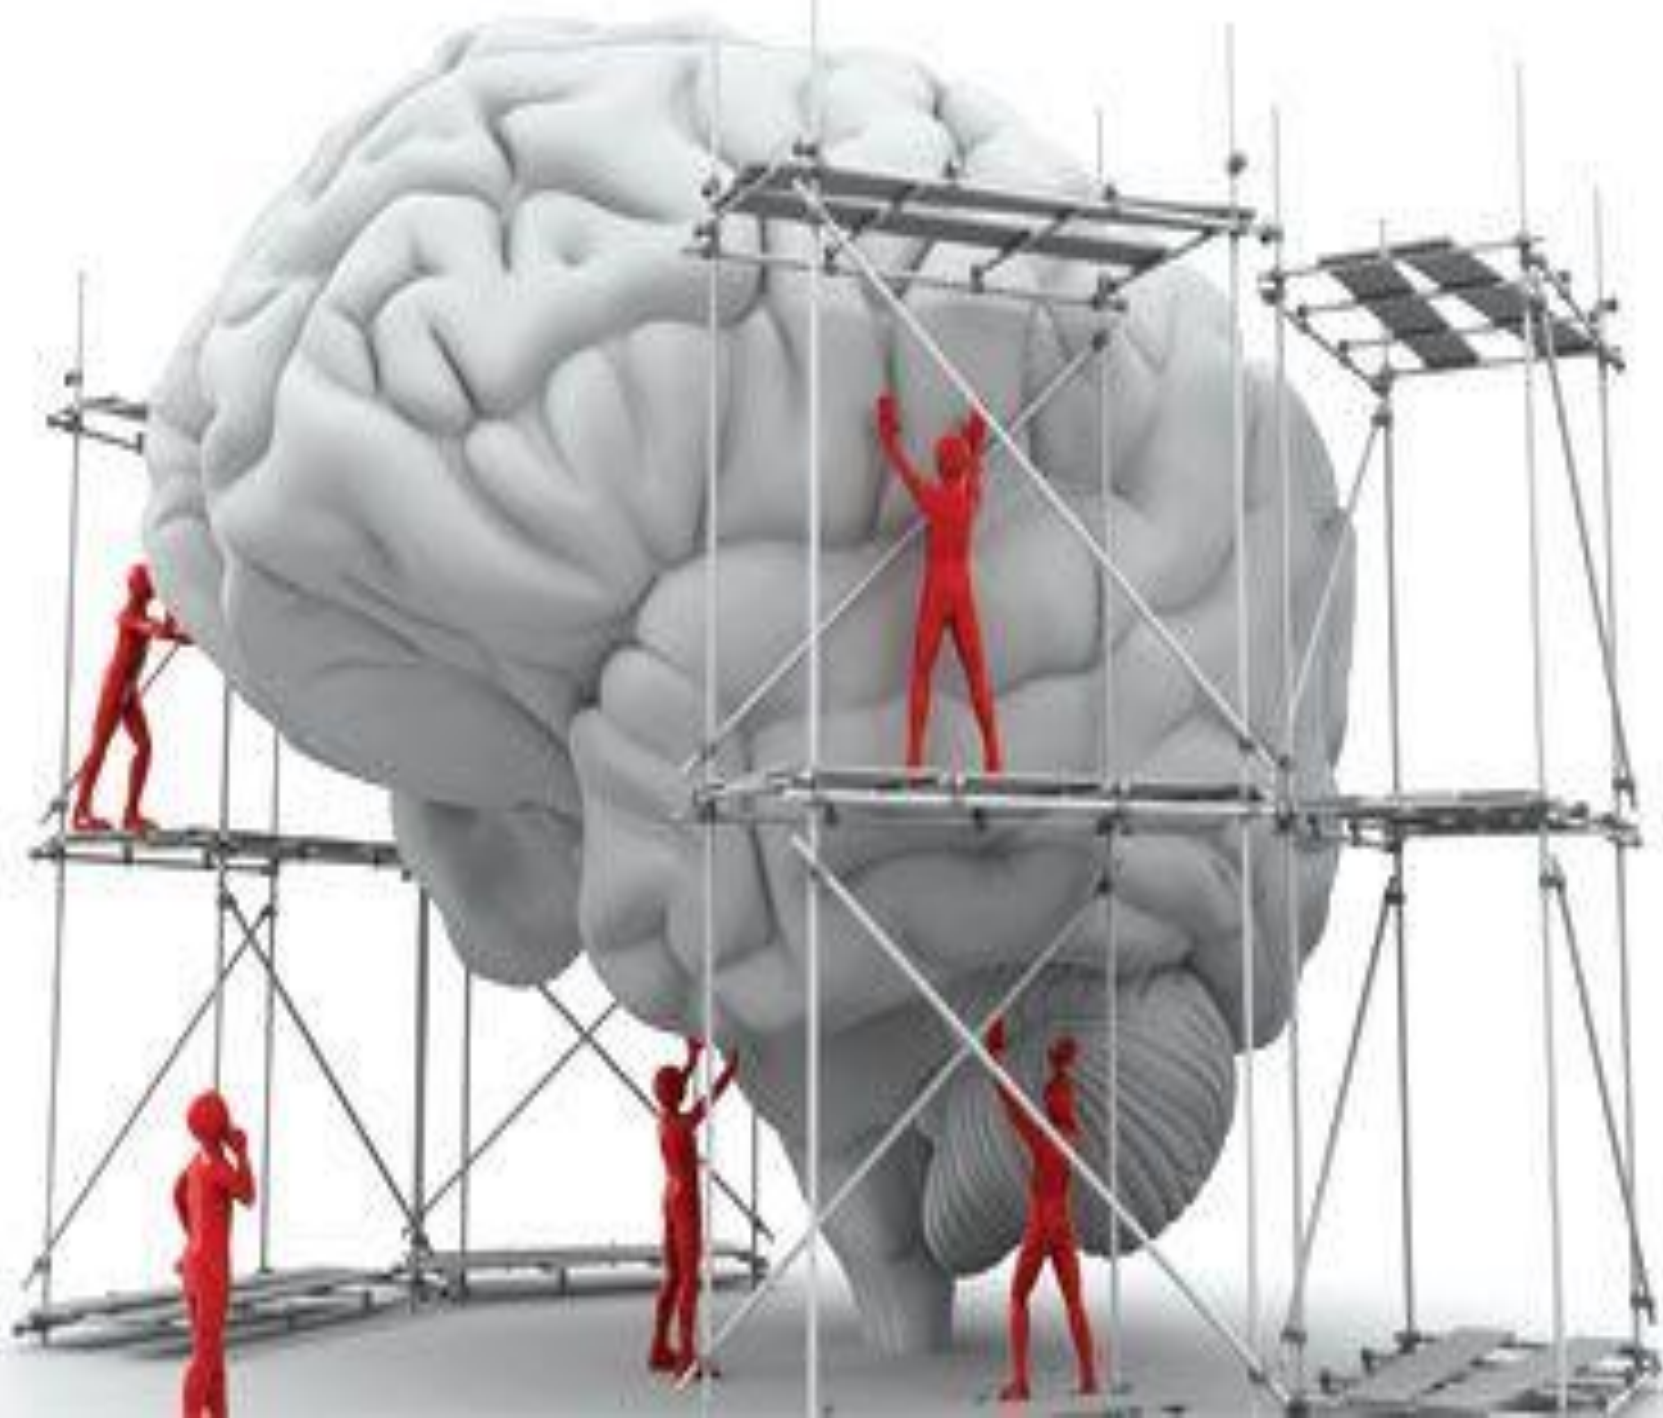

- That one thought was like a vast neural net of interactivity with many access points.
- One of God's thoughts is beyond the sum total of humanities knowledge but we have been made in God's image with our minds capable of understanding complexities beyond our present reality

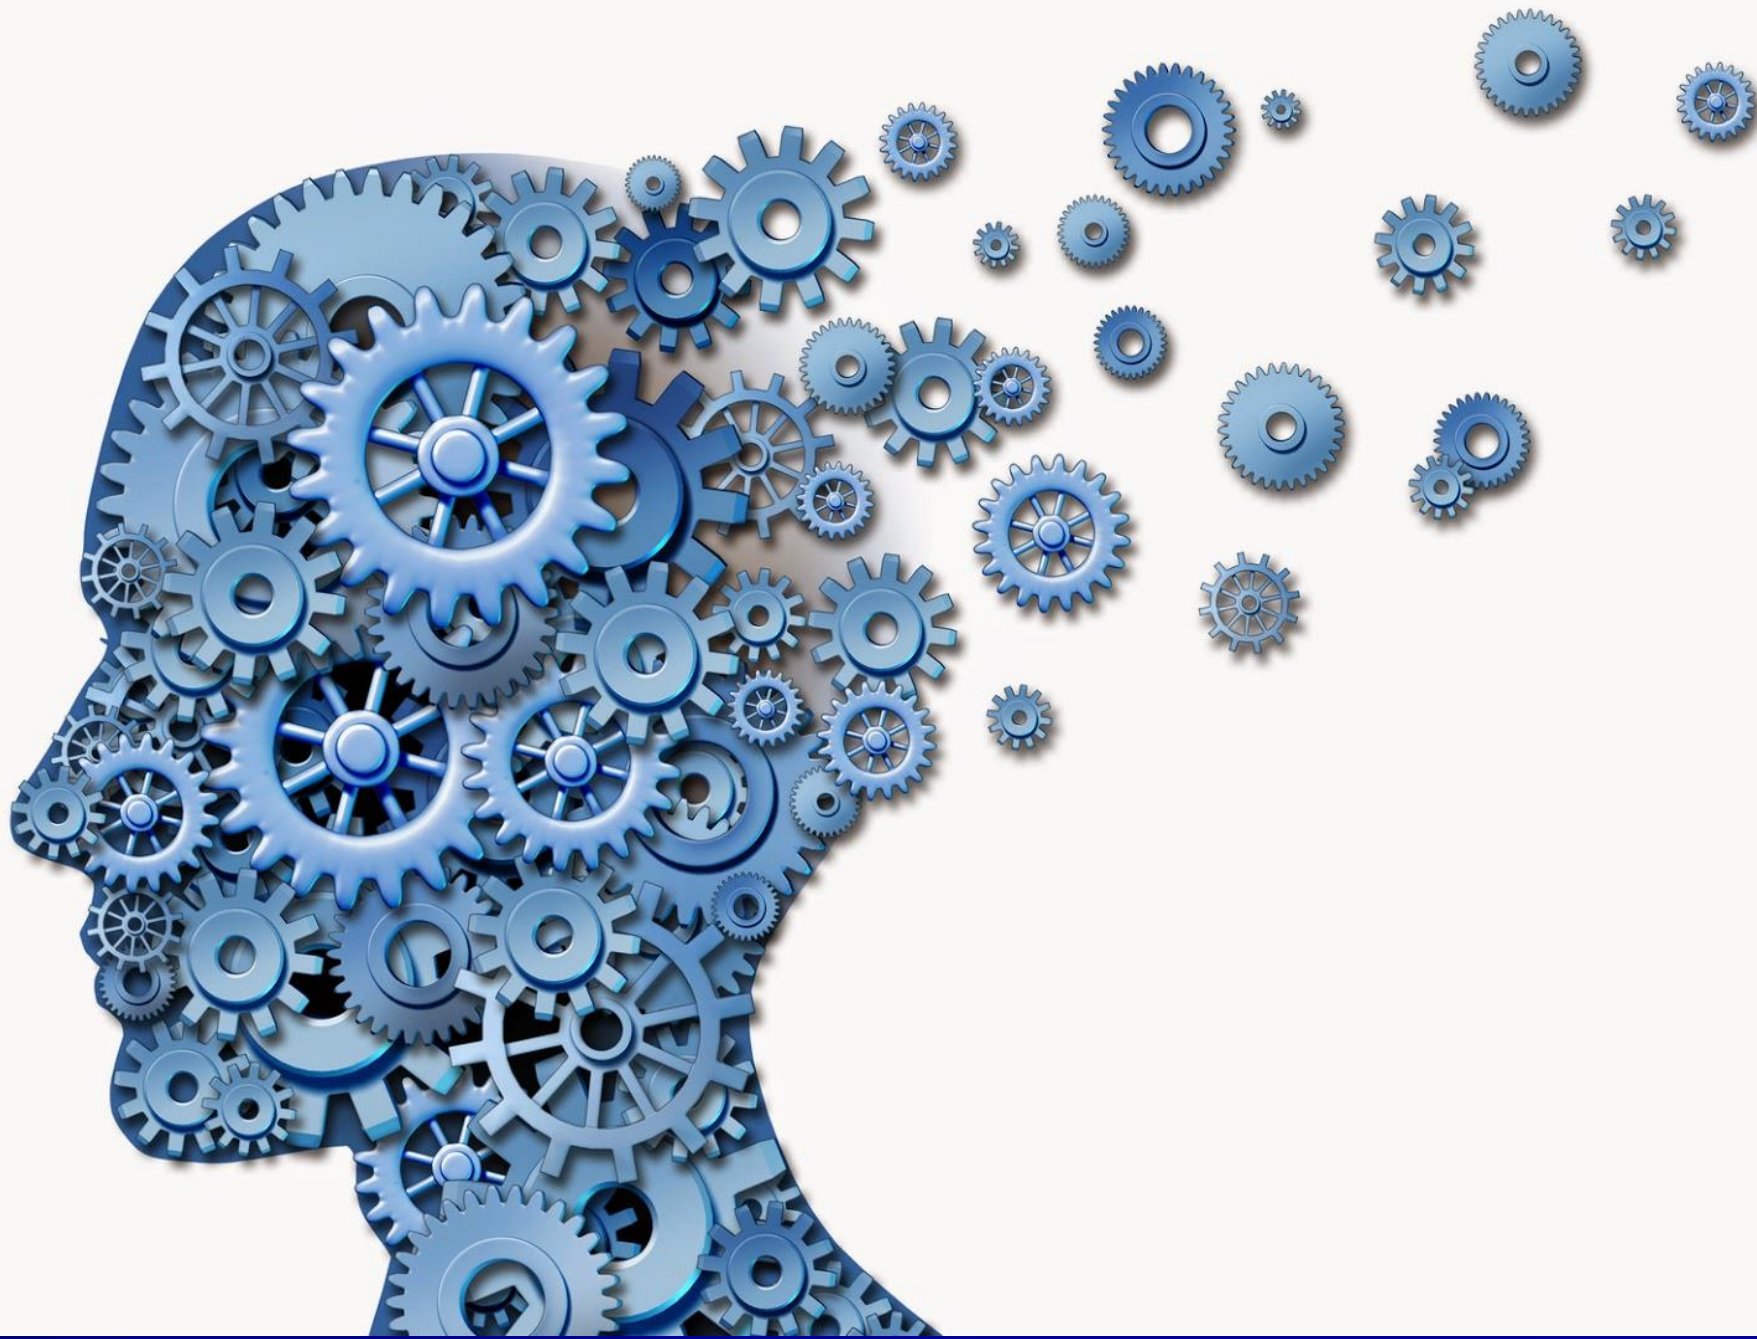

# Sons Arise

- Expanding our consciousness which is the state of being aware of and responsive to one's surroundings
- A person's awareness or perception of something
- Awareness of, knowledge of the existence of, alertness to, sensitivity to, realization of, cognizance of, mindfulness of,

# Sons Arise

- Religious deconstruction will challenge our views of God
- Challenge our views of man's theology and doctrines
- Challenge our views of ourselves
- Challenge our views of creation and dimensional reality

# Sons Arise

- After deconstruction there must be a renewing of the mind
- True Metanoia the agreement with God's mind
- Once the limitations and restrictions are removed there can be an expanding of our consciousness that awakens us to true reality

# Sons Arise

- Son you have the legislation now use it to open the hearts and minds of My children.
- When My sons arise they will be able to live in the continual now with nonlinear thinking and the ability to create alternate realities.

# Sons Arise

- The ability to choose the end from the beginning and continually realign reality to enable love to bring good in all things.
- Sonship is inextricably intertwined with creation and its freedom from corruption and its restoration back to God's original intent

# Sons Arise

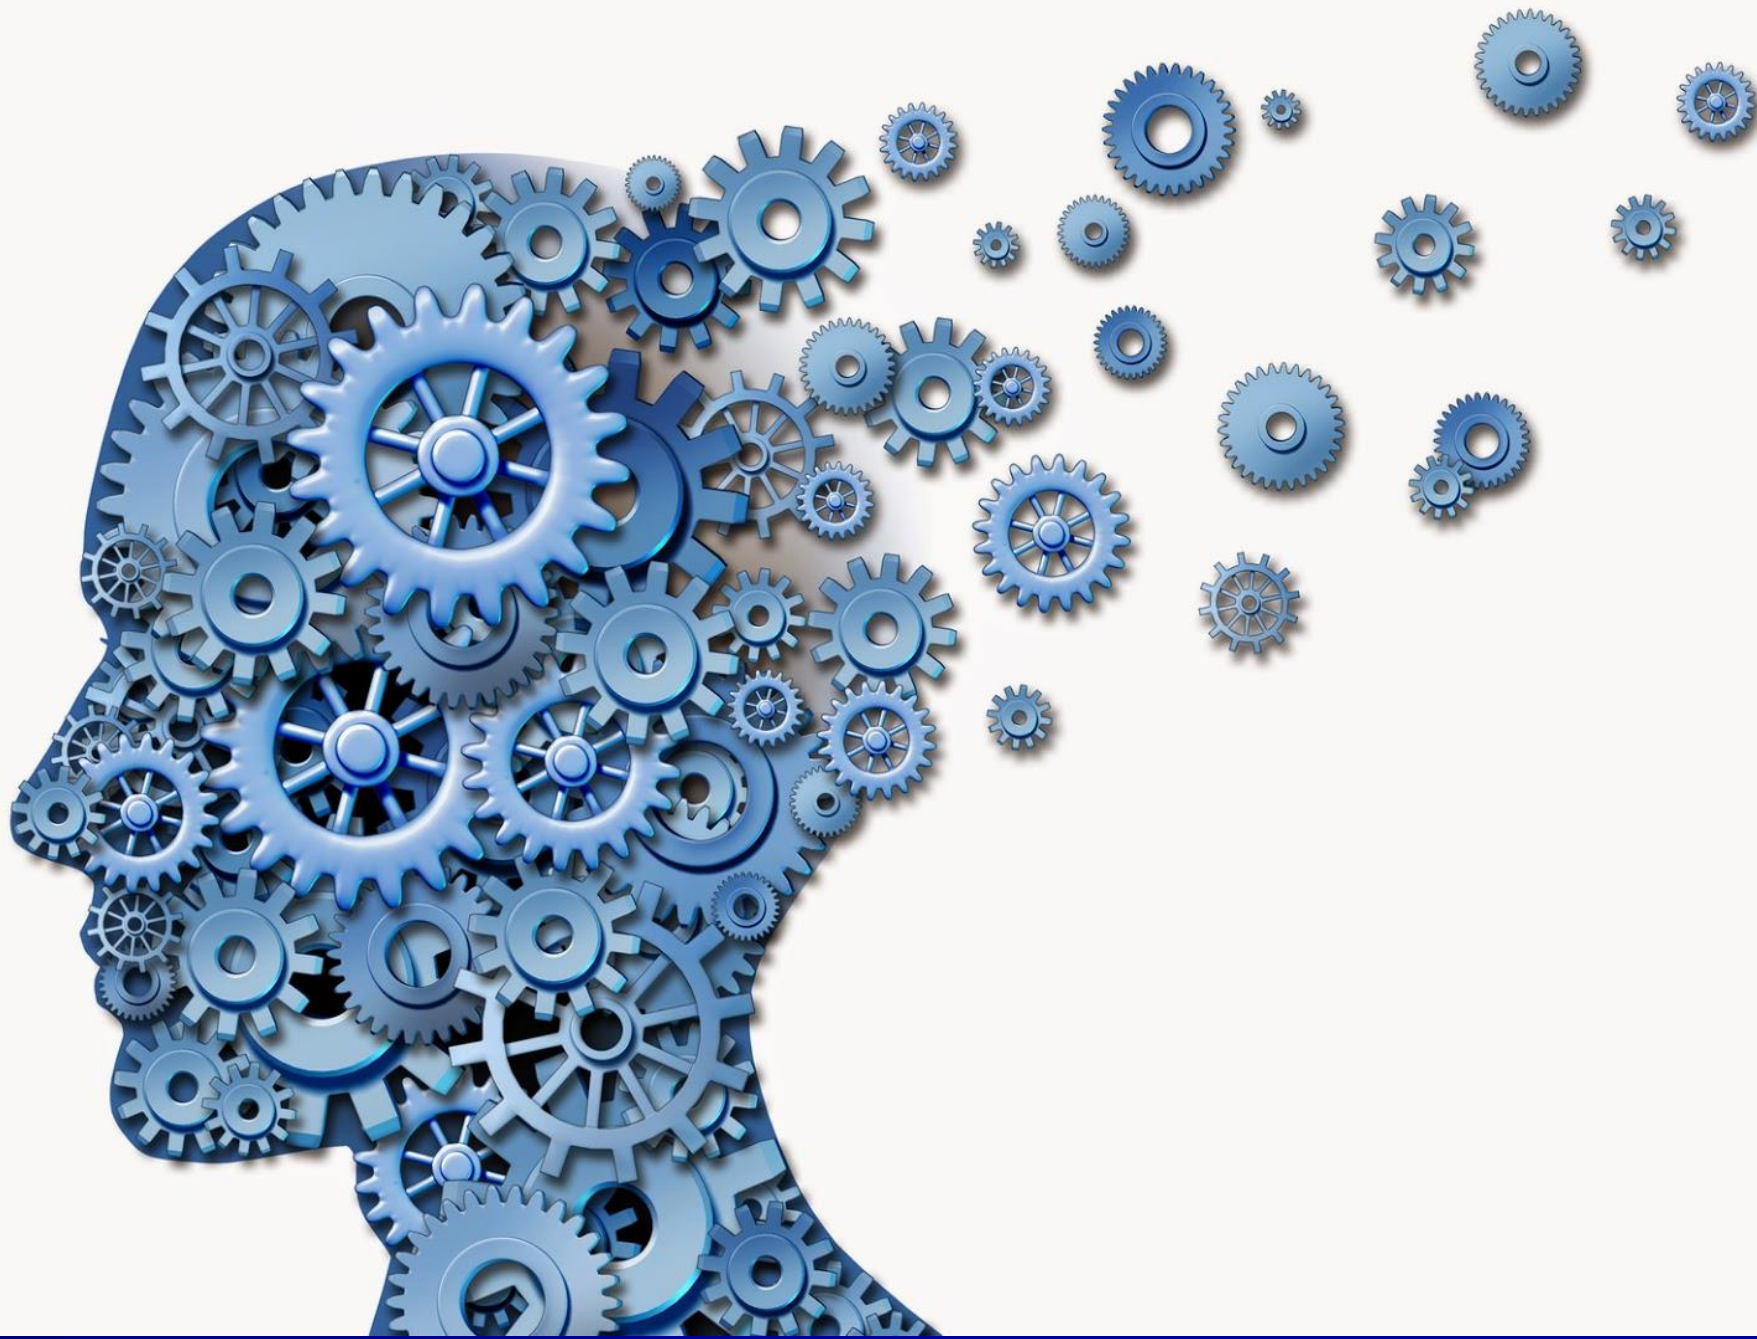

- Restoration is but the beginning what follows is the release of the creative abilities of My sons who will fulfil the mandate to be fruitful, multiply, fill, subdue and rule by expanding throughout the dimensions.

# Sons Arise

- Love's light will shine with a radiant frequency that will bring an end to darkness and everything will be illuminated.
- Sons arise and shine your light has come and the glory of the Lord has risen upon you.

# Sons Arise

- Now is the time for creation to respond to the light of your glory to be liberated into the freedom of your sonship.
- Will you let God have unlimited access to your mind with no “no go” areas?
- Will you let God slay your sacred religious cows?

# Sons Arise

- Sam SML Music has composed some music to help in the activations
- Let that sound penetrate your minds as deep is calling to deep to awaken your sonship.
- Relax and rest in that sound be immersed with the presence and intent of God within that sound

# Sons Arise

- Invite God to engage your mind and consciousness
- Invite God to penetrate your mind with Truth
- Invite God to walk with you into your mind and show you the constructs and frameworks of your belief systems

Let the frequency of  
the Father's voice  
within the intention of  
the music penetrate  
your mind

Let the frequency of  
the Father's voice  
within the intention of  
the music penetrate  
your mind

- Last year, neuroscientists used a classic branch of maths in a totally new way to peer into the structure of our brains.
- What they discovered is that the brain is full of multi-dimensional geometrical structures operating in as many as 11 dimensions.
