Sons Arise

- Deconstructing the mind will involve religious deprogramming that will challenge our theology and doctrines
- Face to face encounters with the true nature of God will inevitably create cognitive dissonance
- Discovering the true reality of who God is by experience will change us

Sons Arise

- Son the greatest scandal of the age is about to be exposed
- Many will not believe it but the truth of who I am and therefore who you are as My sons will be revealed
- The lies of religion will be exposed to the pure light of truth.
- The great I AM is about to reveal Himself as the lover of your souls in what will amount to a whole new reality.

Sons Arise

- When our minds begin to be deconstructed from the frameworks of thinking that has shaped them we will see that many things that we assumed and presumed are not true
- As the religious pillars of our minds begin to be deconstructed this will inevitably change our perception of God Himself

Sons Arise

- As we experience the true reality of who God is Father, Son and Spirit false doctrines and theologies will be exposed as lies, distortions and misrepresentations when they are compared with the Jesus the Truth
- Jesus is the exact representation of the Father, He said “if you have seen Me you have seen the Father”

Sons Arise

- The first doctrine that God challenged in my process was Penal Substitutionary Atonement when that lie was removed all the other associated doctrines started to collapse like a house of cards
- It was a domino rally effect within my mind

Sons Arise

- Appeasement of an angry God, Punishment, Eternal Conscious Torment and “hell” Separation and Exclusion, death being the end of choice
- The inerrancy and infallibility of our English Bible versions all began to be challenged

Sons Arise

- All truth must be seen through the lens of love – the lens of Jesus
- A wrong view of God's nature and character can lead to many fearful misconceptions:
- Bad things are happening this must mean that God is angry with me, He is teaching me a lesson, He is withholding things from me to punish me

Sons Arise

- To be able to know God who is Father, Son and Spirit and know our identity in sonship we need an encounter that produces **metanoia** a radical shift of thinking so we begin to agree with God's mind.
- That agreement enables a deeper relationship with the Truth to reveal true reality and the cycle continues

Sons Arise

- Rom 2:4 Or do you think lightly of the riches of His kindness and tolerance and patience, not knowing that the kindness of God leads you to repentance? -

Metanoia

- Repentance is a change of mind not being sorry for being caught out in sin
- This is another word that has been hijacked by religion and twisted

Sons Arise

- The word “repentance” is a religiously fabricated English word from the Latin word, penance, to give religion more mileage to fleece us
- The English word became re-penance linked to sorrow and self-flagellation which is not what the Greek word means at all!

Sons Arise

- We do not continually have to do penance to be forgiven because Jesus dealt with sin on the cross and made us righteous once and for all
- The word, **metanoia**, comes from **meta** meaning **together with**, and **nous, mind**; thus, together with God's mind. – Agreement and alignment

Sons Arise

- This word suggests a radical mind shift; it is to realise and embrace God's thoughts towards us and about us
- To think like God thinks about us
- Therefore we need to know how God thinks and that can be a major problem if we don't engage Him face to face.
- It cannot be an intellectual exercise

Sons Arise

- If we have a distorted view of God and of how He thinks and acts we will have a distorted view of ourselves
- Religion has created a distorted view of God and therefore we may think of ourselves wrongly as slaves and not sons
- This creates a works mentality that tries to appease or please **GOD** by our actions or behaviour

Sons Arise

- That view of God that has come from the DIY tree path makes us to fear Him and hide from Him
- The DIY path leads us to try to make amends, please, appease God through our own DIY religious self efforts that can never bring righteousness
- We are already righteous because He made us righteous we cannot earn it

Sons Arise

- How can our minds be renewed?
- Memorising bible verses and confessing them trying to believe them?
- No we are renewed from within by relationship not from the outside
- We are renewed as we relate to God who is Father, Son and Spirit in us and in Him

- Relax and focus on your own mind
- Ask the Father to walk with you into the recesses of your consciousness
- Ask the Father to reveal the pillars that frame your consciousness

- Relax and focus on your own mind
- Ask the Father to walk with you into the recesses of your consciousness
- Ask the Father to reveal the pillars that frame your consciousness

Sons Arise

- My journey to the renewal of my mind began with God using the legislation that I had produced to deconstruct my mind of the veils that covered it
- Iconoclastic - attacking cherished beliefs or institutions, long-held traditions, breaking or destroying images, especially those set up for religious veneration, breaking with convention or tradition;

Sons Arise

- God began to challenge the assumptions and presumptions I did not know I had through the voting process prompted by Brexit
- God asked me which way I was going to vote in Brexit referendum
- I told Him and He asked me why?
- I replied because you want me to

Sons Arise

- When did I say that?
- Well I thought you would want me to
- Why did you think that?
- It began to dawn on me that I voted because I assumed that He would want me to vote that way
- I voted presumptively without ever asking

Sons Arise

- I asked Him which way the vote was going to go
- Which way are going to vote?
- The way vote will go
- Who told you to do that?
- You did?
- You never asked Me you presumed again

Sons Arise

- Sorry which way do you want me to vote?
- The opposite way – Why?
- That is My business
- I am confused Father

Sons Arise

- Don't allow what you think you know to influence your decisions I just want you to trust Me
- I am trying to teach you to trust Me even when you don't understand which will be often

Sons Arise

- God asked then me why I voted in general the way I did?
- Because you want me to – when did I say that?
- Well I vote because it represents your heart – Who said? You did – when?

Sons Arise

- It's your character to represent the disadvantaged isn't it?
- Why did you assume that meant voting a particular way?
- Why do you vote the way you?
- He showed me how much I was assuming I knew

Sons Arise

- I vote out of principle not self-interest
- Whose principle?
- Yours
- Who said?
- Did you ever ask Me which way to vote?

Sons Arise

- Son always seek Me first because I always have a bigger agenda than your assumptions
- I always have a bigger picture so I am asking you to vote against what will be the outcome because I want to teach you how to respond afterwards

Sons Arise

- I am not partisan. I don't support any political party above another
- My desire for the outcome does not mean that I validate any political agenda.
- I always have a higher agenda and purpose than you can imagine

Sons Arise

- I connected with a lot of people in the USA in regards to the presidential election
- There are many of those who were on the wrong side of the vote that are now behaving in an ungodly way towards others and not seeing the bigger picture

Sons Arise

- There are many of those who were on the right side of the vote thinking that God has validated their politics and they are now not behaving in a godly way to others or seeing the bigger picture

Sons Arise

- This series of conversations over a few weeks opened the door to the possibility, actually the reality, that I had many more assumptions and presumptions about God, the Bible, theology and doctrine than I thought and they were all veils and filters for my mind

Sons Arise

- C S Lewis writes, "God must continually work as the iconoclast. Every idea of Him we form He must in mercy shatter. The most blessed result of prayer would be to rise thinking, 'But I never knew before. I never dreamed ...'"
- So the process of my deconstruction and renewal began in earnest

Sons Arise

- It is impossible to see God as He is when our minds are confused with our own distorted ideas about Him.
- Every breaking of mental strongholds makes way for a resurrection of fresh revelation.
- This is not an easy process as there is a lot of eating humble pie to do

Sons Arise

- I had a number of encounters with God that created cognitive dissonance
- Cognitive dissonance is the mental stress (discomfort) experienced by a person who simultaneously holds two or more contradictory beliefs, ideas, or values, when performing an action that contradicts those beliefs, ideas, and values; or when confronted with new information that contradicts existing ...

Sons Arise

- The encounters I had walking with God actually challenged what I believed about Him
- What I thought I knew about God was challenged by my own experiences with Him
- This put a stress on my brain that felt like a restrictive band

Sons Arise

- James Torrance puts it this way, “More important than our experience of Christ is the Christ of our experience.” In your highest modes of enjoying Him, He is still more real than the experience itself. Language is insufficient to communicate His incommunicable nature.
- It must be experienced by encounters

Sons Arise

- Andre Rabe writes Jesus comes to make you an atheist to the god of your own making. He comes to bring an end to your way of subjecting God to your own understanding
- I have concluded that I actually agree with Dawkins and other well know new atheists in that I do not believe in that religious GOD either

Sons Arise

- John Crowder said
- It is only at the place where our ideas and our faith are completely devastated that we have an opportunity to meet the God who transcends all our ideas about Him.

Sons Arise

- This is why so many church fathers and mystics have said something similar to this:
- To experience God is to experience the complete and utter failure of your own intellect

Sons Arise

- Jesus was Himself a deconstructionist. He constantly challenged the prevailing religious paradigms of His day.
- Jesus often said “You have heard it said (rabbinical tradition) but I say to you”
- He completely challenge their thinking
- He turned religion on its head and everything became about love not DIY dead works, duty and obligation

Sons Arise

- In the *The Great Divorce*, C.S. Lewis wrote, “There are three images in my mind which I must continually forsake and replace by better ones: the false image of God, the false image of my neighbours, and the false image of myself.”
- Are we ready to let God renew and transform our thinking?

Sons Arise

- C S Lewis called God the Great Iconoclast.
- God will not be confined to our limited, static perceptions of Him.
- We cannot keep an infinite God in box made by the finite capacities of our understanding all it will do is limit ourselves
- God does not dwell in manmade temples, theological constructs or ideologies.
- God dwells in our spirits and in our hearts

Sons Arise

- Prov 3:5 Trust in the Lord with all your heart and **do not lean or rely on your own understanding.** 6 In all your ways acknowledge Him, and He will make your paths straight. 7 Do not be wise in your own eyes;
- We need a transformation a revolutionary change of mind
- We need the veils of our understanding exploded and stripped away

Sons Arise

- It is only our relationship with the living word, the ultimate source of revelation Jesus the Truth and the Spirit of Truth who searches the deep things of God and makes them know to us
- Don't let your current understanding keep you in bondage to the imitations of your past experience

Sons Arise

- Everything we receive must come through personal encounters with God
- Our encounters will never contradict the Bible but will definitely challenge our own interpretations of what we think it says that might seem like a contradiction

Sons Arise

- Our encounters may not be directly found in the Bible and will definitely challenge the religious belief systems that limit what the Bible actually says by reducing it to a set of manmade rules or doctrines

Sons Arise

- Insanity is where we keep doing the same things but expect different results it is to live trapped in our own limitations
- Slaves follow the crowd sons forge a new path
- Slaves settle for what they have got but sons pioneer taking new ground

Sons Arise

- Our old mind-sets, thinking patterns, religious world views will keep us in old trusted ways of behaviour and will limit our abilities to engage in the heavenly spiritual realities that are being unveiled in our day
- Are we prepared to embrace and spread the revolution?

Sons Arise

A herd of sheep is leaving the stall. There is no fence, only the gate ...

"The Trap of thinking"

Sons Arise

- Doctrines and beliefs that were once deemed so foundational are often really just the skewed projections of our own fearful, fallen assumptions about God.
- God is about to explode the DIY myths that we have made that actually obscure who He really is from our view

Sons Arise

- What is God like?
- Where do we get our views about God from?
- Is anything other than a personal encounter with Him reliable?
- All the Bible stories about encounters with God that were subjective but are now taken as objective!

Sons Arise

- Doubt raises a question and when doubt appears it can be because we have outgrown our incomplete idea and imperfect knowledge about God
- God says you learned all this and now look at Me I'm bigger than all that you think

Sons Arise

- You cannot be satisfied by the picture you have painted for yourself of Me because it is as small and limited as your own intelligence and education compared to the infinite limitlessness of I AM

Sons Arise

- Be open and pose the questions that your doubts raise; do not be afraid I will not be insulted by your questions because they are just about your notions about Me. There are so many answers to be discovered that will stretch and expand your reality

Sons Arise

- Some people's views about God may just be the indoctrination of their childhood that means their beliefs are just an accident of birth
- Life experiences can also create an image of God. People project their anger and make a hard hearted or angry God

Sons Arise

- For some God is just a projection of their own image. God is then just like us but a bigger and nicer version of us
- Toxic and false images of God are poisonous to the soul
- Distorted images of God cause us to become like the God we worship
- We become agents of that image like ISIS, inquisitors or the crusaders etc.

Sons Arise

- God becomes a harsh tyrant king, a punishing judge, a abusive step-parent
- God becomes the mighty smiter
- God's holiness opposing His love
- God is love is now almost heretical because of a warped theological image of the angry God

Sons Arise

- For some God is like a dead beat dad who doesn't care for His family
- For others like an absent father who is unsupportive and uncaring
- Some feel like God abandoned them because He wasn't there when they needed him or when they were abused or beaten

Sons Arise

- For some people God is a legalist that you if don't please or appease then you had better watch out
- For some God is harsh angry to be feared. The demanding God who wants them to trust Him with blind faith
- For some God is a sovereign who controls everything fatalistically

Sons Arise

- For some people their God is like a Fairy Godmother in the sky or a Genie in a lamp that if you rub it the right way you get your 3 wishes
- Some people only call on God when they want something from Him or need help

Sons Arise

- God is actually revealed and manifested and incarnated in Jesus as love
- God is love therefore love is God's very essence
- If you could boil everything about God down to just one thing that one thing is love
