Welcome

Sons Arise is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

Sons Arise

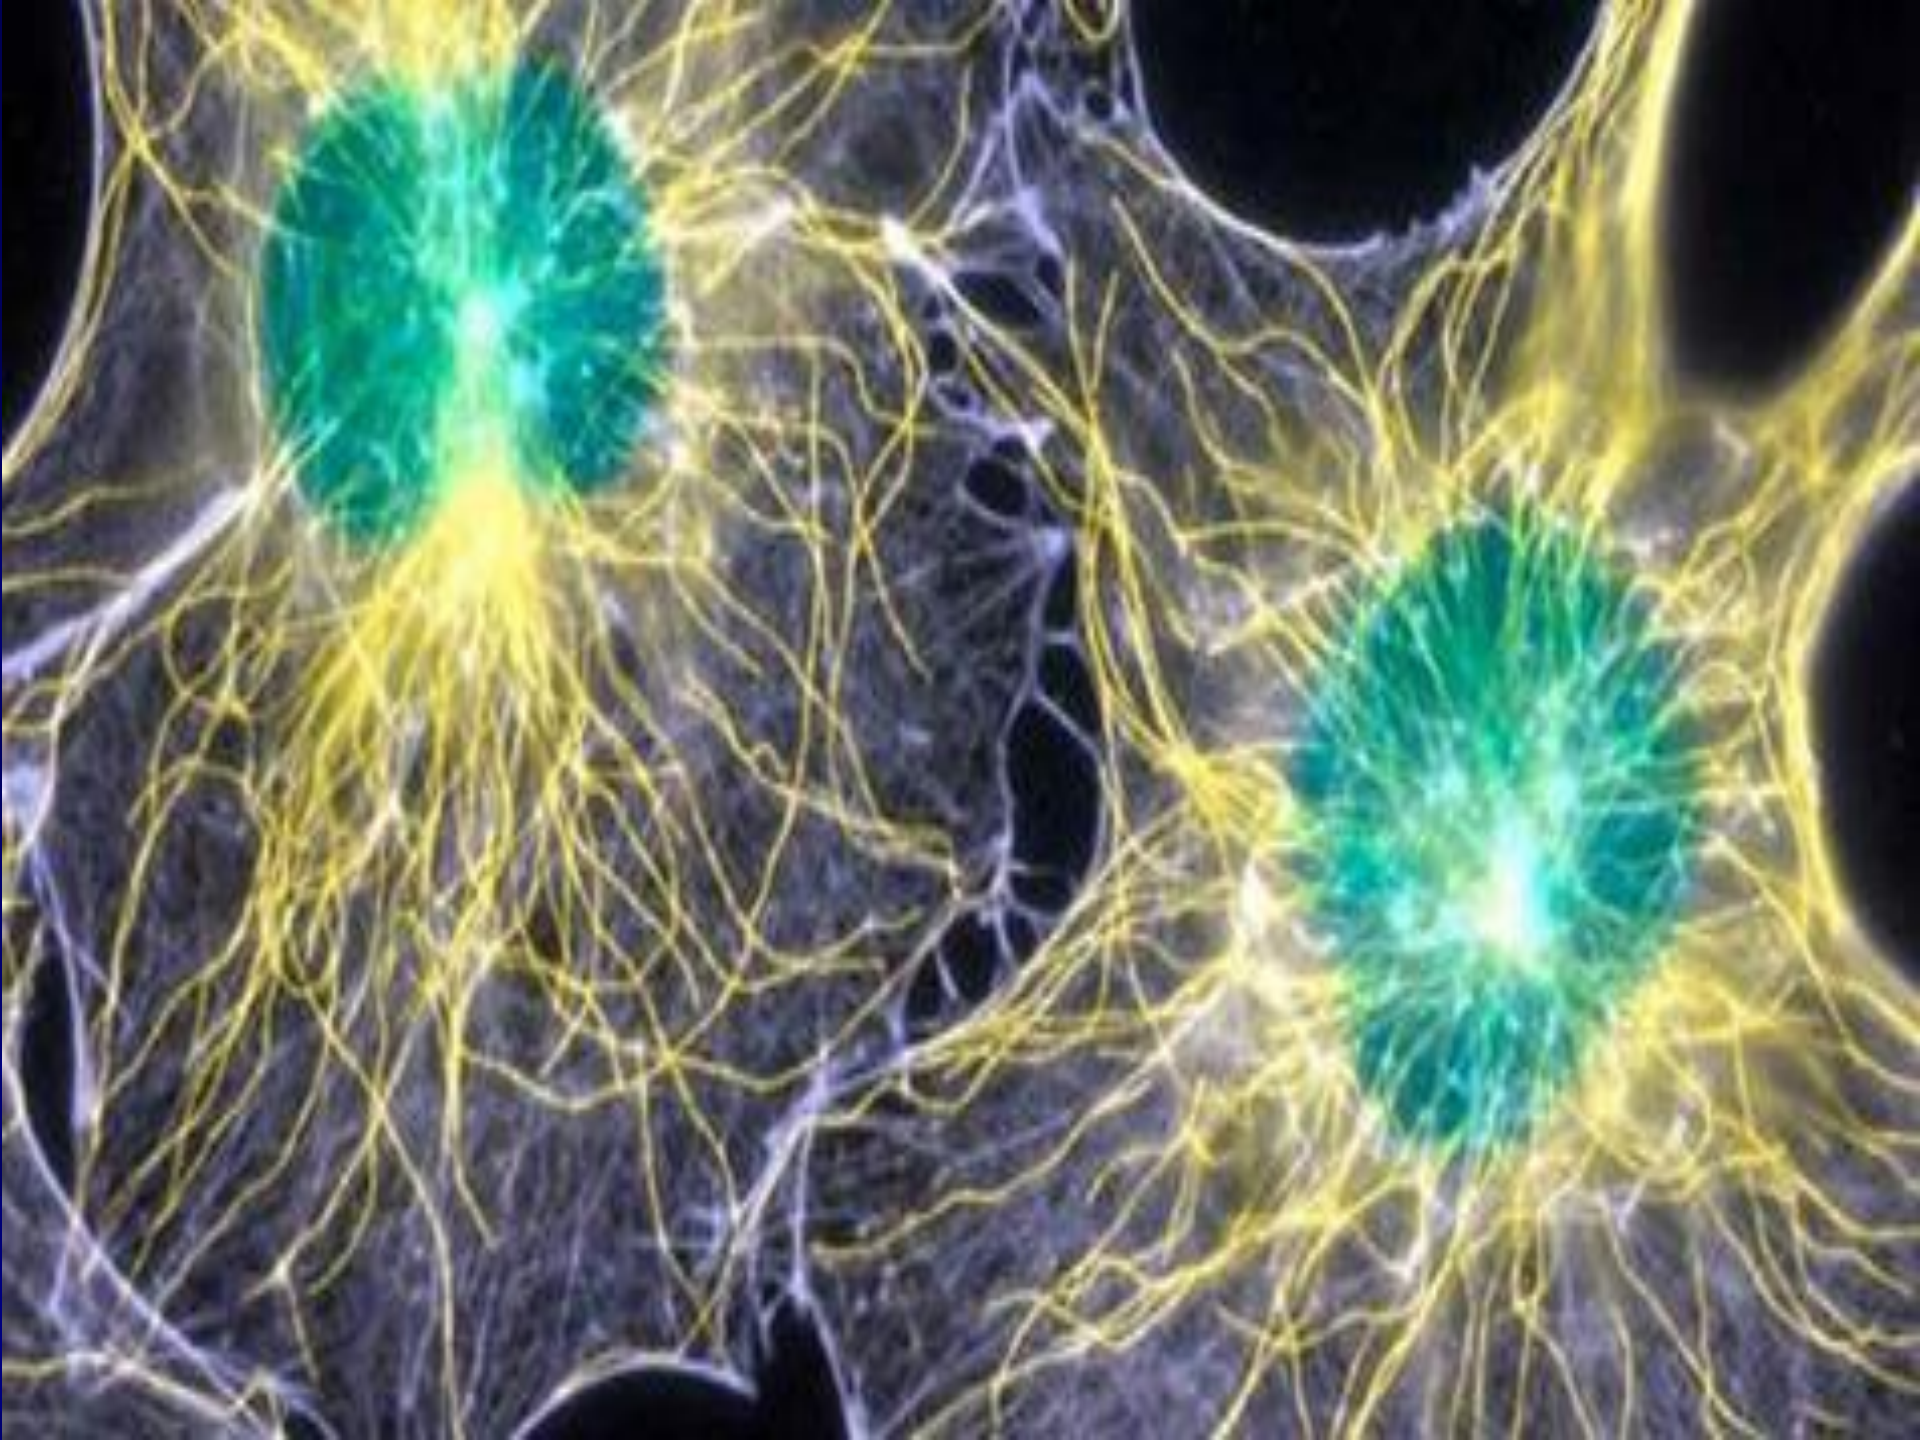

- This session we are looking at rewiring the mind and reconnecting to hidden abilities
- Restoring lost ESP type abilities
- E.g. Telepathy, telekinetic transmutation abilities, precognition etc.
- God is light and our spirits are creative light beings

Sons Arise

- Light electromagnetic energy is a key part of how our consciousness functions
- Neurons in the human brain produce photons, which is capable of being the infrastructure for light-based communication and activity.

Sons Arise

- Scientists found that neurons in mammalian brains were capable of producing photons of light, or “biophotons”
- “Biophotons” in the brain point to our consciousness directly being linked to light!

Sons Arise

- God is creative light and there are various dimensions that operate at different speeds of light
- Energy is frequency vibrating electromagnetic wavelengths
- Our spirits are creative light and our spiritual consciousness operates at different frequencies

Sons Arise

- Living in dual realms enables us to be continually connected or quantumly entangled with higher level of consciousness (Theta waves)
- 1 Cor 6:17 But the one who joins himself to the Lord is one spirit with Him.

Sons Arise

- When we are joined and one spirit with the Lord figuratively yoked to Jesus we can learn to be at rest
- Rest is a state of consciousness where our mind functions from Delta waves and has access to alpha, beta and theta waves states of consciousness

Sons Arise

- On my personal journey of deconstruction there were encounters that began to reconnect my eternal and physical consciousness
- Rewiring my mind to function in a non-linearly state of consciousness
- Tongues is part of that process

Sons Arise

- There were encounters that were about rewiring the mind to access long lost or hidden abilities
- Doorways in our mind that need opening to connect to those ESP type abilities
- Reconnecting with eternal consciousness changes perception

Sons Arise

- Remapping our eternal consciousness over soul's consciousness
- This process helped me reconnect with creation, tree of life, dimensional reality, Metatron's Cube. Who I was and what I was connected to.

Sons Arise

- Cardiognosis = knowledge of the heart
- Communication through states of consciousness – knowing perception
- Know truth by impartation through encounters that are not cognitive but heart to heart or subconscious
- The mind of Christ is not a physical mind but a spiritual mind, a new consciousness, a new reality

Sons Arise

Closer to the Heart

And the men who hold high places

Must be the ones who start

To mould a new reality

Closer to the heart

Closer to the heart

Sons Arise

The blacksmith and the artist

Reflect it in their art

They forge their creativity

Closer to the heart

Yes closer to the heart

Sons Arise

Philosophers and ploughmen

Each must know his part

To sow a new mentality

Closer to the heart

Yes closer to the heart, yeah, oh

Whoa whoa

Sons Arise

You can be the captain

And I will draw the chart

Sailing into destiny

Closer to the heart

Closer to the heart

Closer To The Heart Rush

Sons Arise

- Why don't we see ourselves as God sees us? because we don't see God as He truly is.
- Why? because our minds are veiled by the constructs of our own consciousness
- This is because we lack the intimacy of a heart to heart relationship

Sons Arise

- The veils of our mind consist of old religious or DIY belief systems that have created wrong views of God and ourselves where unbelief blocks, limits and restrict us
- What needs to happen so that the veils can be removed and our minds can be renewed?

Sons Arise

- We need to turn to behold God face to face so we can become like Him through meditative encounters
- To turn is to **metanoia** to have a radical shift of thinking away from the lies, deception and false realities
- We need to know the Truth as a person free from religious images

Sons Arise

- Eph 4:23 and that you be renewed in the spirit of your mind,
- Mind – Greek **nous**
- The mind, comprising the faculties of perceiving and understanding and those of feeling, judging, determining
- The intellective faculty, the understanding and the reason

Sons Arise

- Mind (noús) is the organ of receiving God's thoughts and visions
- Ginóskó **to know**, especially through personal experience (first-hand acquaintance).
- To come to know, to recognize, to perceive comes by experience not intellectual theory, theology or doctrine

Sons Arise

- I have covered the renewing of the mind in various teachings at the basic level
- Transformation series dealt with trauma to transformation
- Gateways teaching deals with the subconscious mind, the heart and the negative affects of our memories

Sons Arise

- Opening the gateways of our imagination was about activating the eyes of our heart to see the spiritual realms
- The gateway of reason looked at detoxing our minds from the lies of toxic destructive thinking
- These are all important processes in our transformation

Sons Arise

- Now we are looking at the actual construction of our minds and the rewiring of our mind and consciousness
- The frameworks of our beliefs are are veils that create the limitations that block our true mental abilities as sons of God

Sons Arise

- The mind has amazing abilities and creative potential that can often be seen in savants and indigo children
- Savant syndrome is a condition in which a person with a developmental difference demonstrates profound and prodigious capacities or abilities far in excess of what would be considered normal.

Sons Arise

- Hyperlexia (the exceptional ability to read, spell and write); art; music; mechanical or spatial skill; calendar calculation; mathematical calculation; sensory sensitivity; athletic performance; and computer language skills
- Our minds were created to function with these abilities as normal

Sons Arise

- The savant's mind is wired differently this is not an aberration but a glimpse of what is possible in just one area
- Those abilities often come at the cost of healthy emotional abilities
- Sons are supposed to have all those abilities but in the wholeness and oneness of spirit, soul and body

Sons Arise

- Rom 12:2 And do not be conformed to this world, but be transformed by the renewing of your mind
- These two processes run in parallel if our minds are to be renewed
- We need to let go of the old DIY ways to embrace the reality of our sonship with a new mind

Sons Arise

- Rom 12:1 Live consistent with **who you really are**, inspired by the loving kindness of God.
- Renewing our minds will enable us to know God and know therefore our true selves and live in a new level of reality
- We have not seen anything yet

Sons Arise

- Rom 12:2 Do not allow **current religious tradition to mould you** into its **pattern of reasoning**. Like an inspired artist, give attention to the detail of **God's desire** to find expression in you. **Become acquainted with perfection**. To accommodate yourself to the delight and good pleasure of him **will transform your thoughts afresh from within**.

Sons Arise

- The fear of contamination from the so called “new age” has meant that most Christians have been robbed of their supernatural inheritance and birthright
- These abilities and concepts are actually ancient age and we need to reclaim and redeem them

Sons Arise

- Allow your mind and your consciousness to be expanded beyond all that you presently know and have experienced.
- Experience the reality of all that is, all that will be and most importantly all that can be within My heart.
- Son let your monochrome existence become filled with my multi-coloured, multifaceted reality.

Sons Arise

- Prov 23:7 For as he thinks within himself, so he is
- Prov 23:7 For as he thinks in his heart, so is he.
- How do I think about myself
- How do I perceive myself
- What do I believe about myself?
- What do I believe is possible?

Sons Arise

- To think
- Direct one's mind towards someone or something; use one's mind actively to form connected ideas.
- Ponder, reflect, deliberate, meditate, contemplate, muse, cogitate, ruminare

Sons Arise

- Focusing the mind's abilities is not about using mere intellectual knowledge
- Using our mental abilities is not about how much education we have had
- We need to learn to focus our mind's abilities to function in sonship as Jesus did and to do even greater works

Sons Arise

- What reality do we believe?
- Are you in agreement with the truth of who God is and the truth about who you are as a son?
- Do you believe enough to act on it or just give mental ascent to it?
- When we truly believe we will live it and our reality will be in agreement with God's thoughts

Sons Arise

- Reality comes from aligning or resonating with how God thinks about us in His heart
- We are all creative beings made in the image of God.
- God is omnipotent all powerful
- God is omniscient all knowing
- God is omnipresent everywhere.

Sons Arise

- I am made in His image
- I am predestined to be like Him
- I am in Him so I can be anywhere He is
- I can potentially know anything.
- I can potentially do anything
- Act 17:28 In Him I live, move and exist
- We need an expanded conscious reality

Sons Arise

- Quantum power of conscious thought
- The universe responds to the focus of our consciousness.
- We have the mind of Christ therefore the capacity for the greater works.
- It is time to embrace the potential possibilities of who we are because of who He is.

Sons Arise

- What do we believe and why do we believe it?
- What has conditioned our beliefs?
- Where have our beliefs come from?
- Cultural programming?
- Religious theological programming and indoctrination?
- Through direct encounters with God?

Sons Arise

- Mind-sets from belief that someone has taught us. What we now see is established from those teachings
- Revelation from old theology truth for their day
- New revelation of truth for our day
- We can be a resting place of God's words that frame our belief systems

Sons Arise

- Filters that sifts out everything to line up with what we believe and reaffirm our position – tippec out new thought
- We don't retain or experience the reality that is around us
- Hippocampus shreds billions of things that are glimpses fleeting glances
- Learn to take captive the thoughts

Sons Arise

- The thoughts and intentions of our heart are key in framing our desires
- Whose heart are we aligned with
- Do we know how to use quantum understanding?
- Do we know that the conscious expression of the intentions of our heart frames our reality?

Sons Arise

- If it is not weird it is not quantum!
- Quantum physics reveals that light already knows your intentions and that is what forms reality
- Spin of atoms clockwise or anticlockwise is determined by the intention or thoughts of the viewer by conscious focus before viewing

Sons Arise

- Intentionality is a key concept in learning to create reality
- The fact of being deliberate or purposive.
- The quality of mental states (e.g. thoughts, beliefs, desires, hopes) which consists in their being directed towards some object or state of affairs.

Sons Arise

- The Truth that I am conscious of and know by experience will set me free from being tethered to limitations of the earth and the physical realm being subject to its rule and bondage
- The Truth will release us into the glorious freedom of sonship.
- Sonship is expanded consciousness

Sons Arise

- John 8:36 Who the son the Truth sets free will be free indeed
- Free from the chains of time and space and the dimensional restrictions of the matrix of our belief systems and mind-sets
- Free to be and fly untethered and unrestricted

Sons Arise

- When we come to know the Truth we will begin to experience true reality
- True reality is not what we have come to know through our earthly experiences
- What we have been living is an illusion veiled as reality and we have been conditioned and limited by it

Sons Arise

- There can be many realities, but there is One Truth.
- The Truth, once perceived may not always be to our taste.
- The Truth may not always be convenient or pleasant.
- The Truth may require sacrifice and discipline.

Sons Arise

- When we turn from the Truth and return to pseudo-realities, it is either because we fear the hardships and responsibilities that freedom brings, or we lose sight of the higher purpose
- We serve the Truth as one "unplugged", or we will just find the truth unpalatable

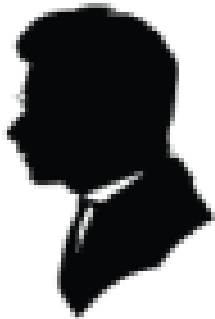

Sons Arise

- David Van Koevering - Elsewhen is your consciousness out of time here and into God's upper bandwidth of cosmic consciousness.
- It is to disconnect from things of this realm and become connected to ideas, visions, and input that comes directly from your Saviour, Designer, and Creator.

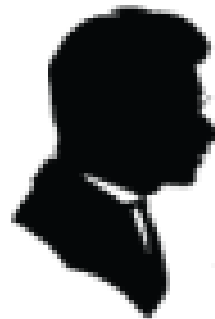

Sons Arise

- You can now understand that there is a non-physical reality from which this universe and everything in it flows. Jesus Himself is causing your body, your spirit, and everything you have to blink into your reality.
- Intentional observation – our choice creates our reality

Sons Arise

Before Observation - Wave - spread out over space and time

At the time of observation - Particle- localised space time event

Sons Arise

- 1 Cor 2:16 For who has known the mind of the Lord, that he will instruct Him? But **we have the mind of Christ.**
- Whose mind? Christ the anointed one and the anointing or and the divine enabling power of God - empowering
- We don't have the actual mind of Jesus but we can have the restored equipped mind of a son of God

Sons Arise

- John 14:12 Truly, truly, I say to you, he who believes in Me, **the works that I do, he will do also**; and greater works than these he will do; because I go to the Father.
- How many of things did Jesus do with an anointed or empowered mind?
- Telepathy, transmutation, pre and post cognition, telekinesis, invisibility, quantum tunnelling, creating reality etc.

Sons Arise

- Jesus knew people's motives and thoughts
- Mark 2:8 Immediately Jesus, aware in His spirit that they were reasoning that way within themselves, said to them, "Why are you reasoning about these things in your hearts?"
- Luke 11:17 But He knew their thoughts

Sons Arise

- John 1:47 Jesus saw Nathanael coming to Him, and said of him, “Behold, an Israelite indeed, in whom there is no deceit!” 48 Nathanael said to Him, “**How do You know me?**” Jesus answered and said to him, “**Before** Philip called you, when you were under the fig tree, **I saw you.**”
- Jesus knew Nathanael's past and his character

Sons Arise

- Jesus also knew the Samaritan woman's past at the well
- Jesus knew Peter's possible future
- Jesus turned water into wine and multiplied food
- Jesus predicted money in a fish's mouth

Sons Arise

- Jesus predicted where to cast nets for a catch of fish
- Jesus disappeared before people
- Jesus walked through people as they tried to throw Him off a cliff
- Jesus walked on water
- We have the mind of Christ to do the same things!
- Do we believe it? How do we do it?

Sons Arise

- Do we know how to use those abilities?
- Is our mind wired up correctly and connected to those abilities
- We actually use most of our brains despite the popular myth that we only use 10% but we only understand how 10% of the brain functions

Sons Arise

- Only 10% of the brain are neurons; the other 90 percent are glial cells, which encapsulate and support neurons, but whose function remains largely unknown.
- What is not understood is how clusters of neurons from the diverse regions of the brain collaborate to form our consciousness.

Sons Arise

- Neural pathways are like superhighways of nerve cells that transmit messages.
- You travel over the superhighway many times, and the pathway becomes more and more solid. – habits and beliefs form
- There are some areas that are disconnected and some abilities are not yet reactivated

Sons Arise

**WHEN PEOPLE ASK WHAT
I DO FOR A LIVING**

**I CREATE RIPPLES IN THE
SPACE TIME CONTINUUM THAT
ALTER FUTURE REALITIES IN
THE 3RD DIMENSION.**

Sons Arise

- An object is a specific vibration, every thing, or subject, is an expression of a variant frequency. 'Things' are mere externalized manifestations of internal, cosmic vibrations.

Sons Arise

- Creation begins with a subtle, (spiritual) vibration and movement within the Infinite Creator, which then gives rise to a physical vibration of energy, which is eventually solidified into matter.

Sons Arise

- At every moment, every physical time/space expression is an externalized manifestation of a spiritual vibration.
- Man below is a reflection of the Above. The power of human speech below mimics the creative power of Divine speech. Divine speech creates reality and human speech qualifies reality, calling it good or bad.

Sons Arise

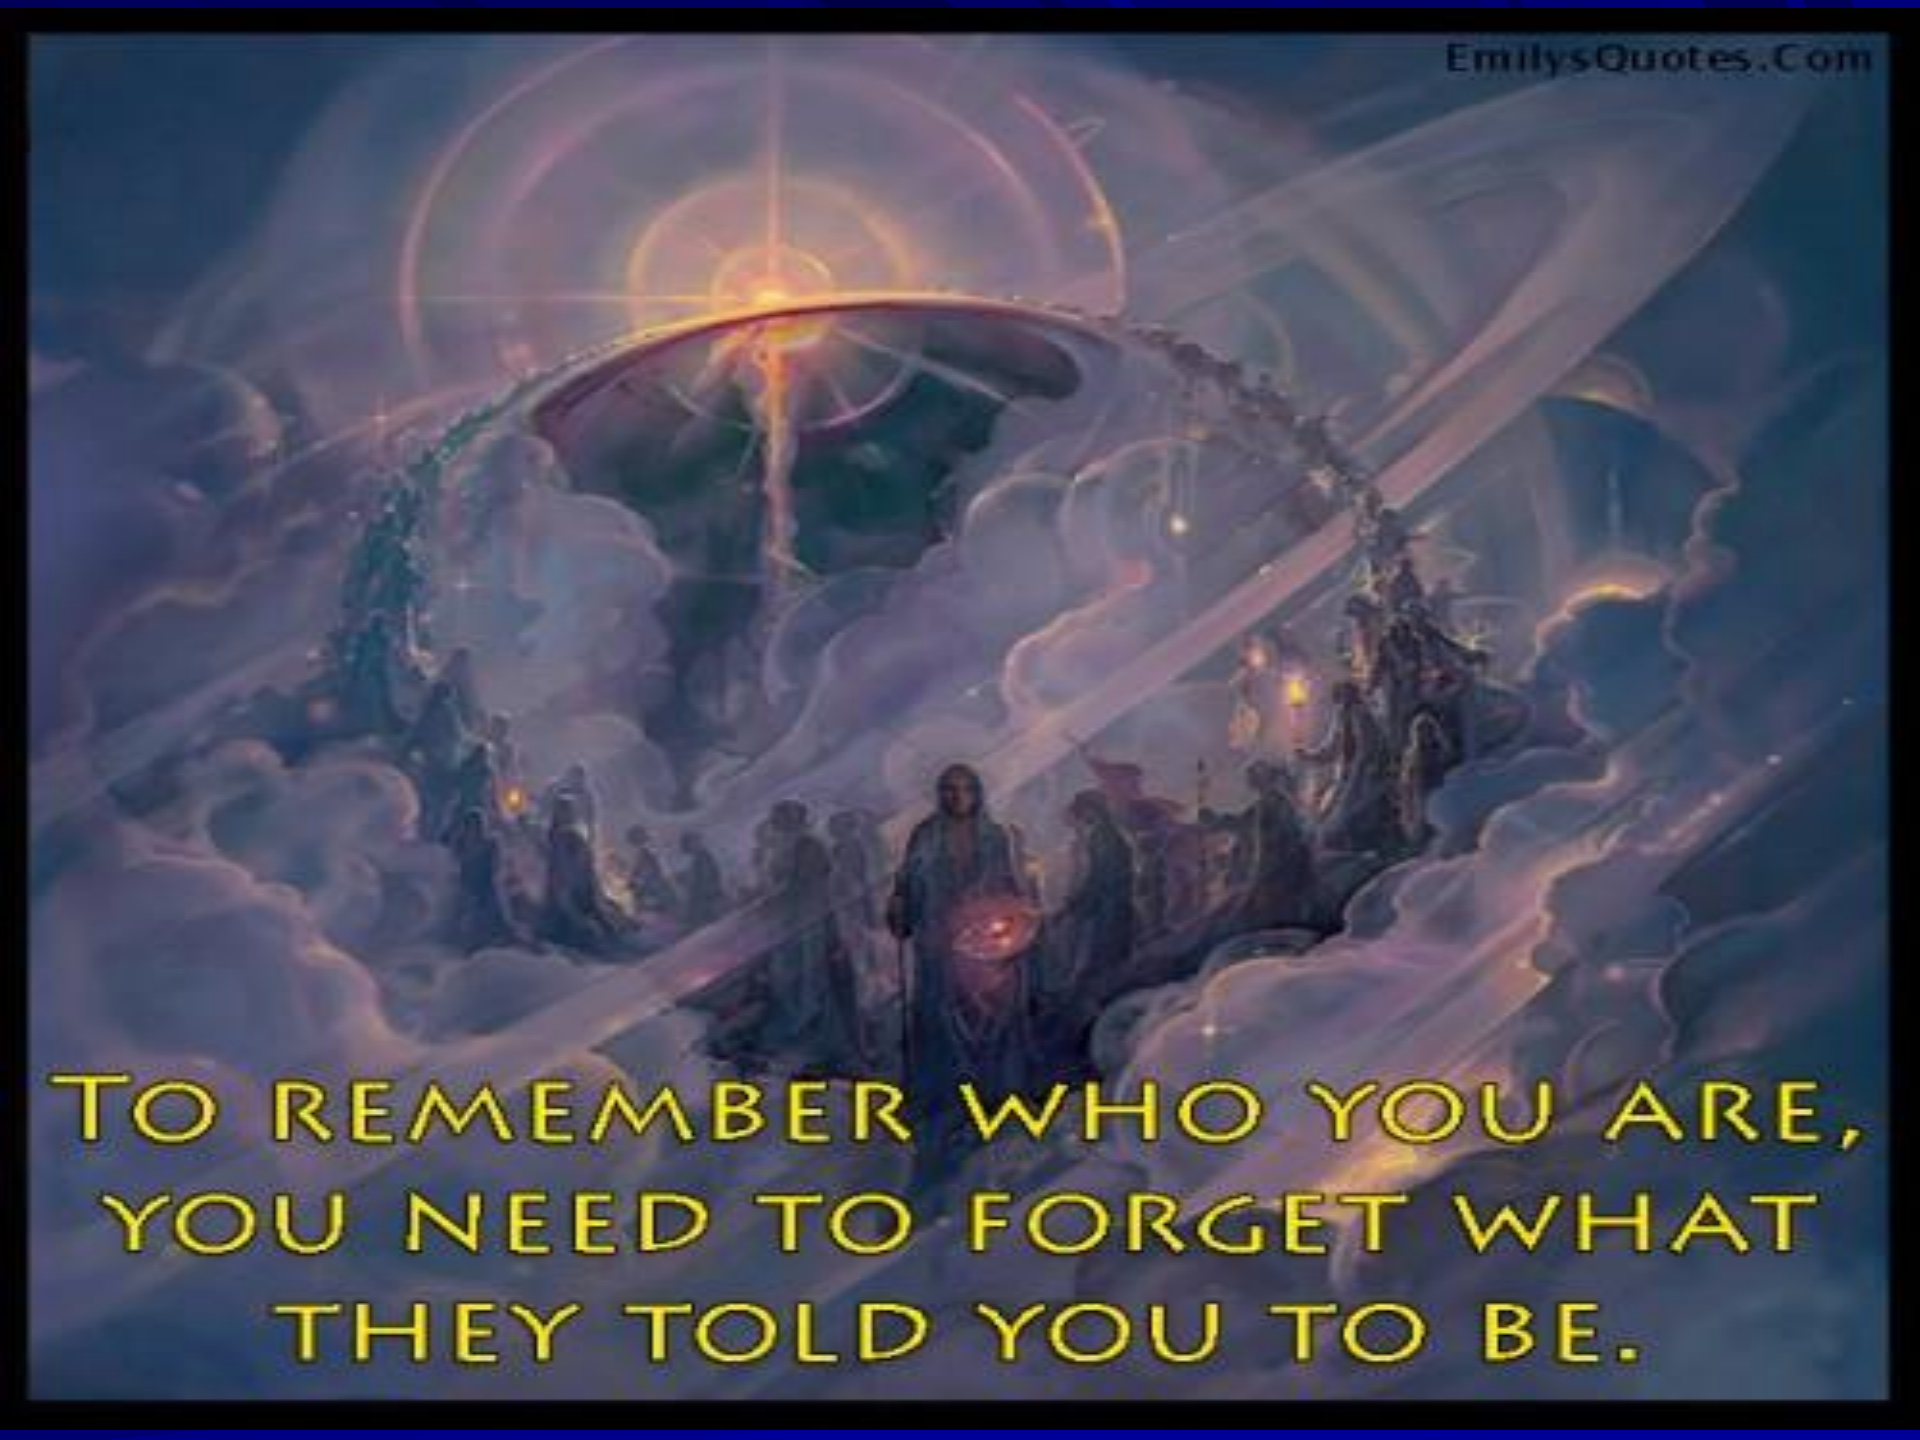

- On a deeper level, our words and how we language our thoughts is a process of continually creating the world around us. In other words, things are to us what we say they are...
- Just as we have the power to create with speech, we have the equivalent ability to destroy through speech.

Sons Arise

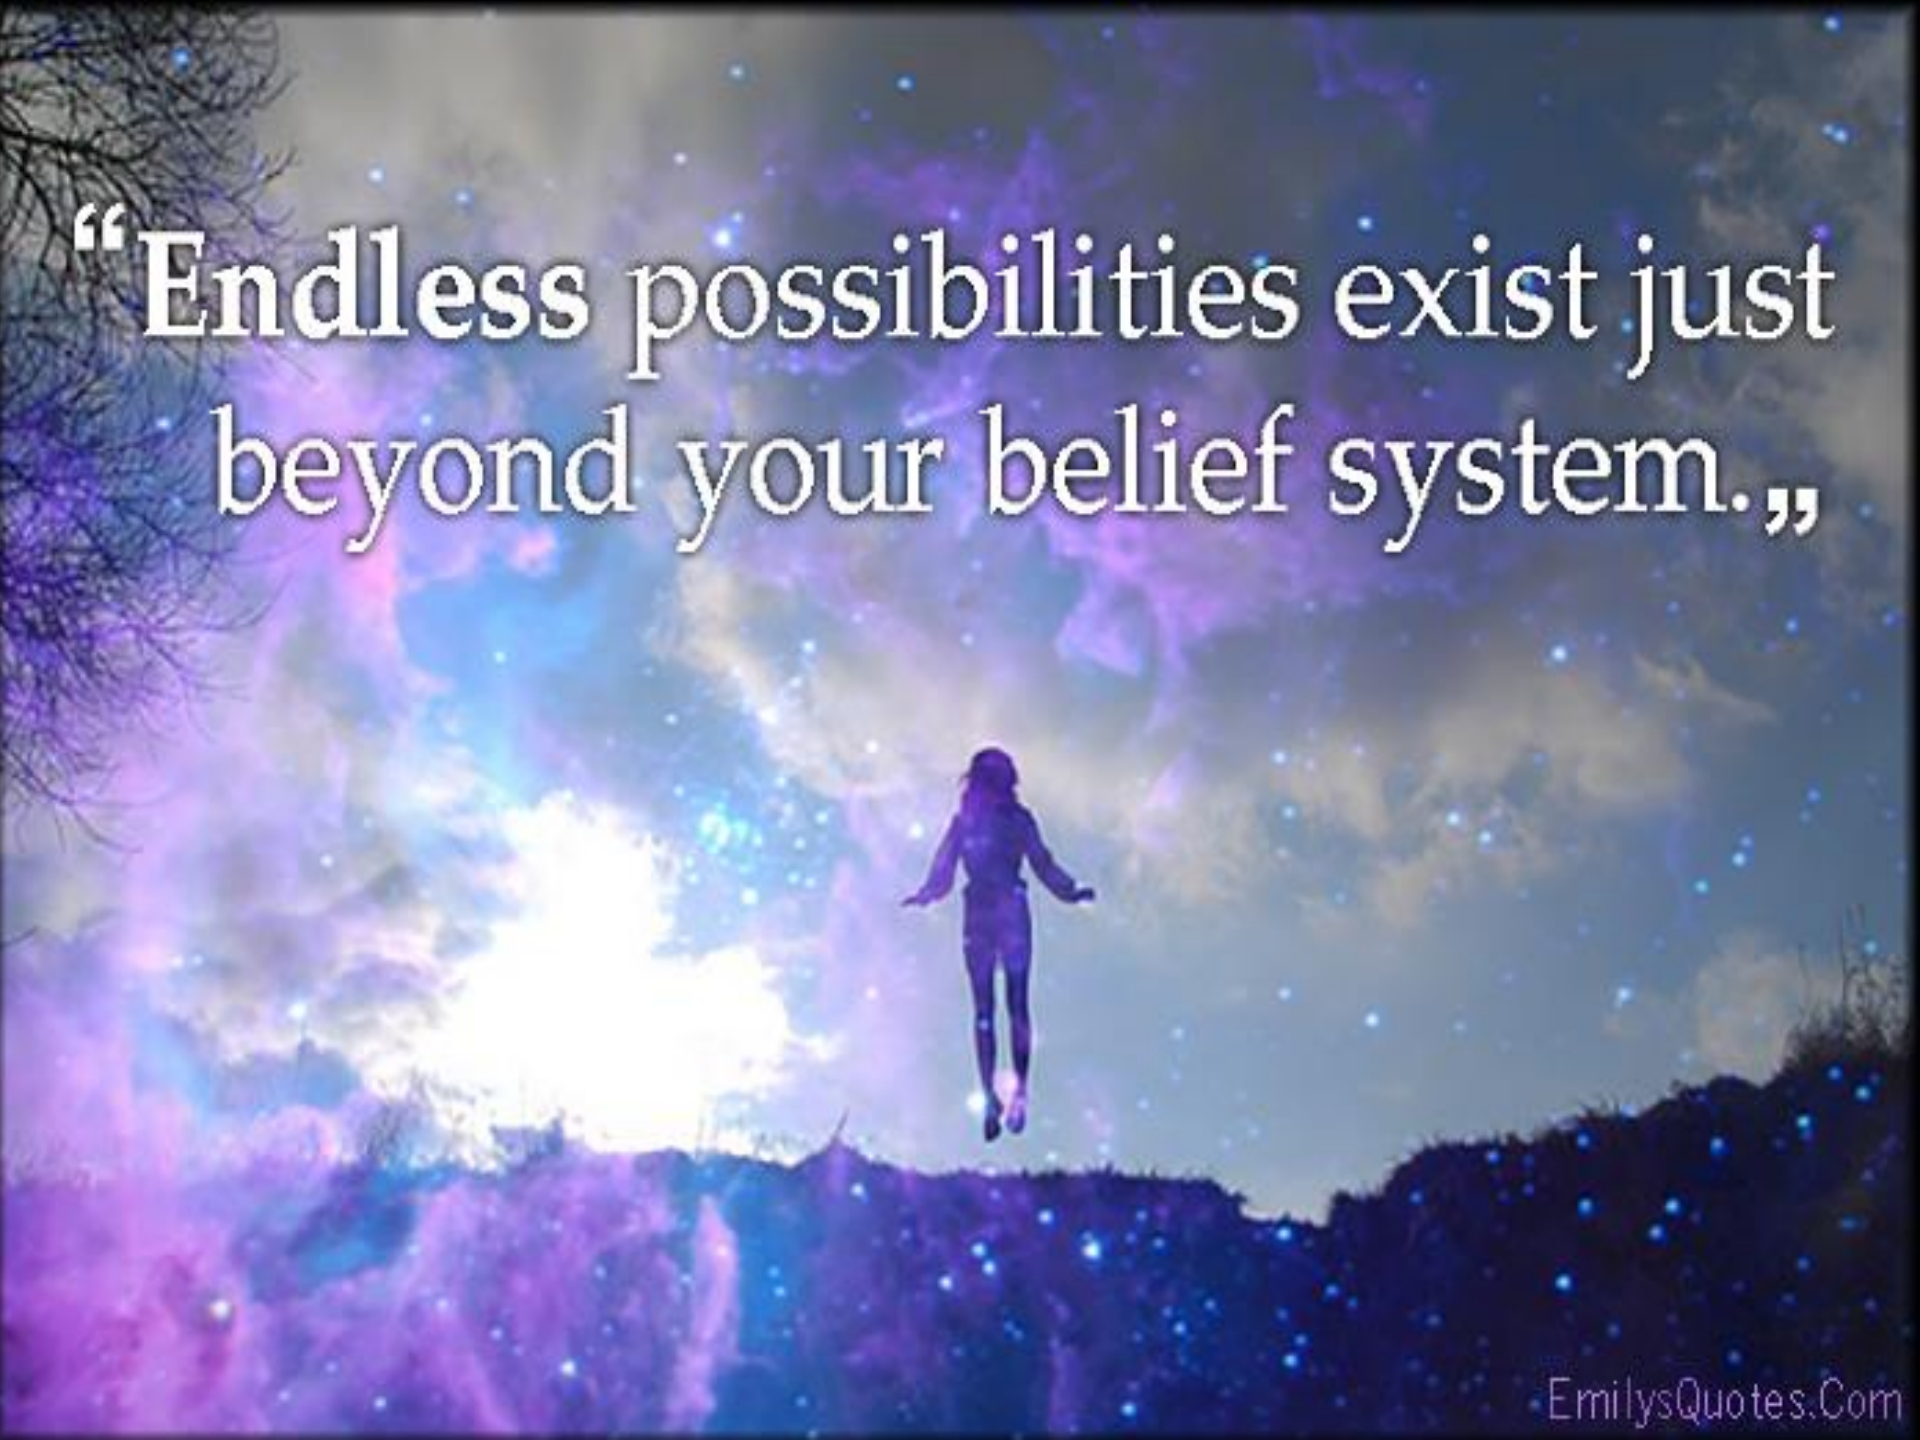

- Our words, which are our projections and vibrations, alter the inner frequency of the universe, for good and for the opposite. - Rav Pinson
- It is our legislative governmental words that create ripples in space time to create reality

We are all beautiful, unique,
multi-faceted reflections radiating from
the **Diamond Light of eternal consciousness.**

A surreal, ethereal landscape with a glowing orb, a path of light, and figures in a dreamlike setting. The scene is dominated by soft, glowing light in shades of purple, blue, and gold. A large, glowing orb with a cross-like pattern is positioned at the top center, emitting a bright light. Below it, a path of light leads through a misty, cloud-like environment. Several figures, some appearing to be in robes or traditional attire, are walking along this path. The overall atmosphere is dreamlike and spiritual.

TO REMEMBER WHO YOU ARE,
YOU NEED TO FORGET WHAT
THEY TOLD YOU TO BE.

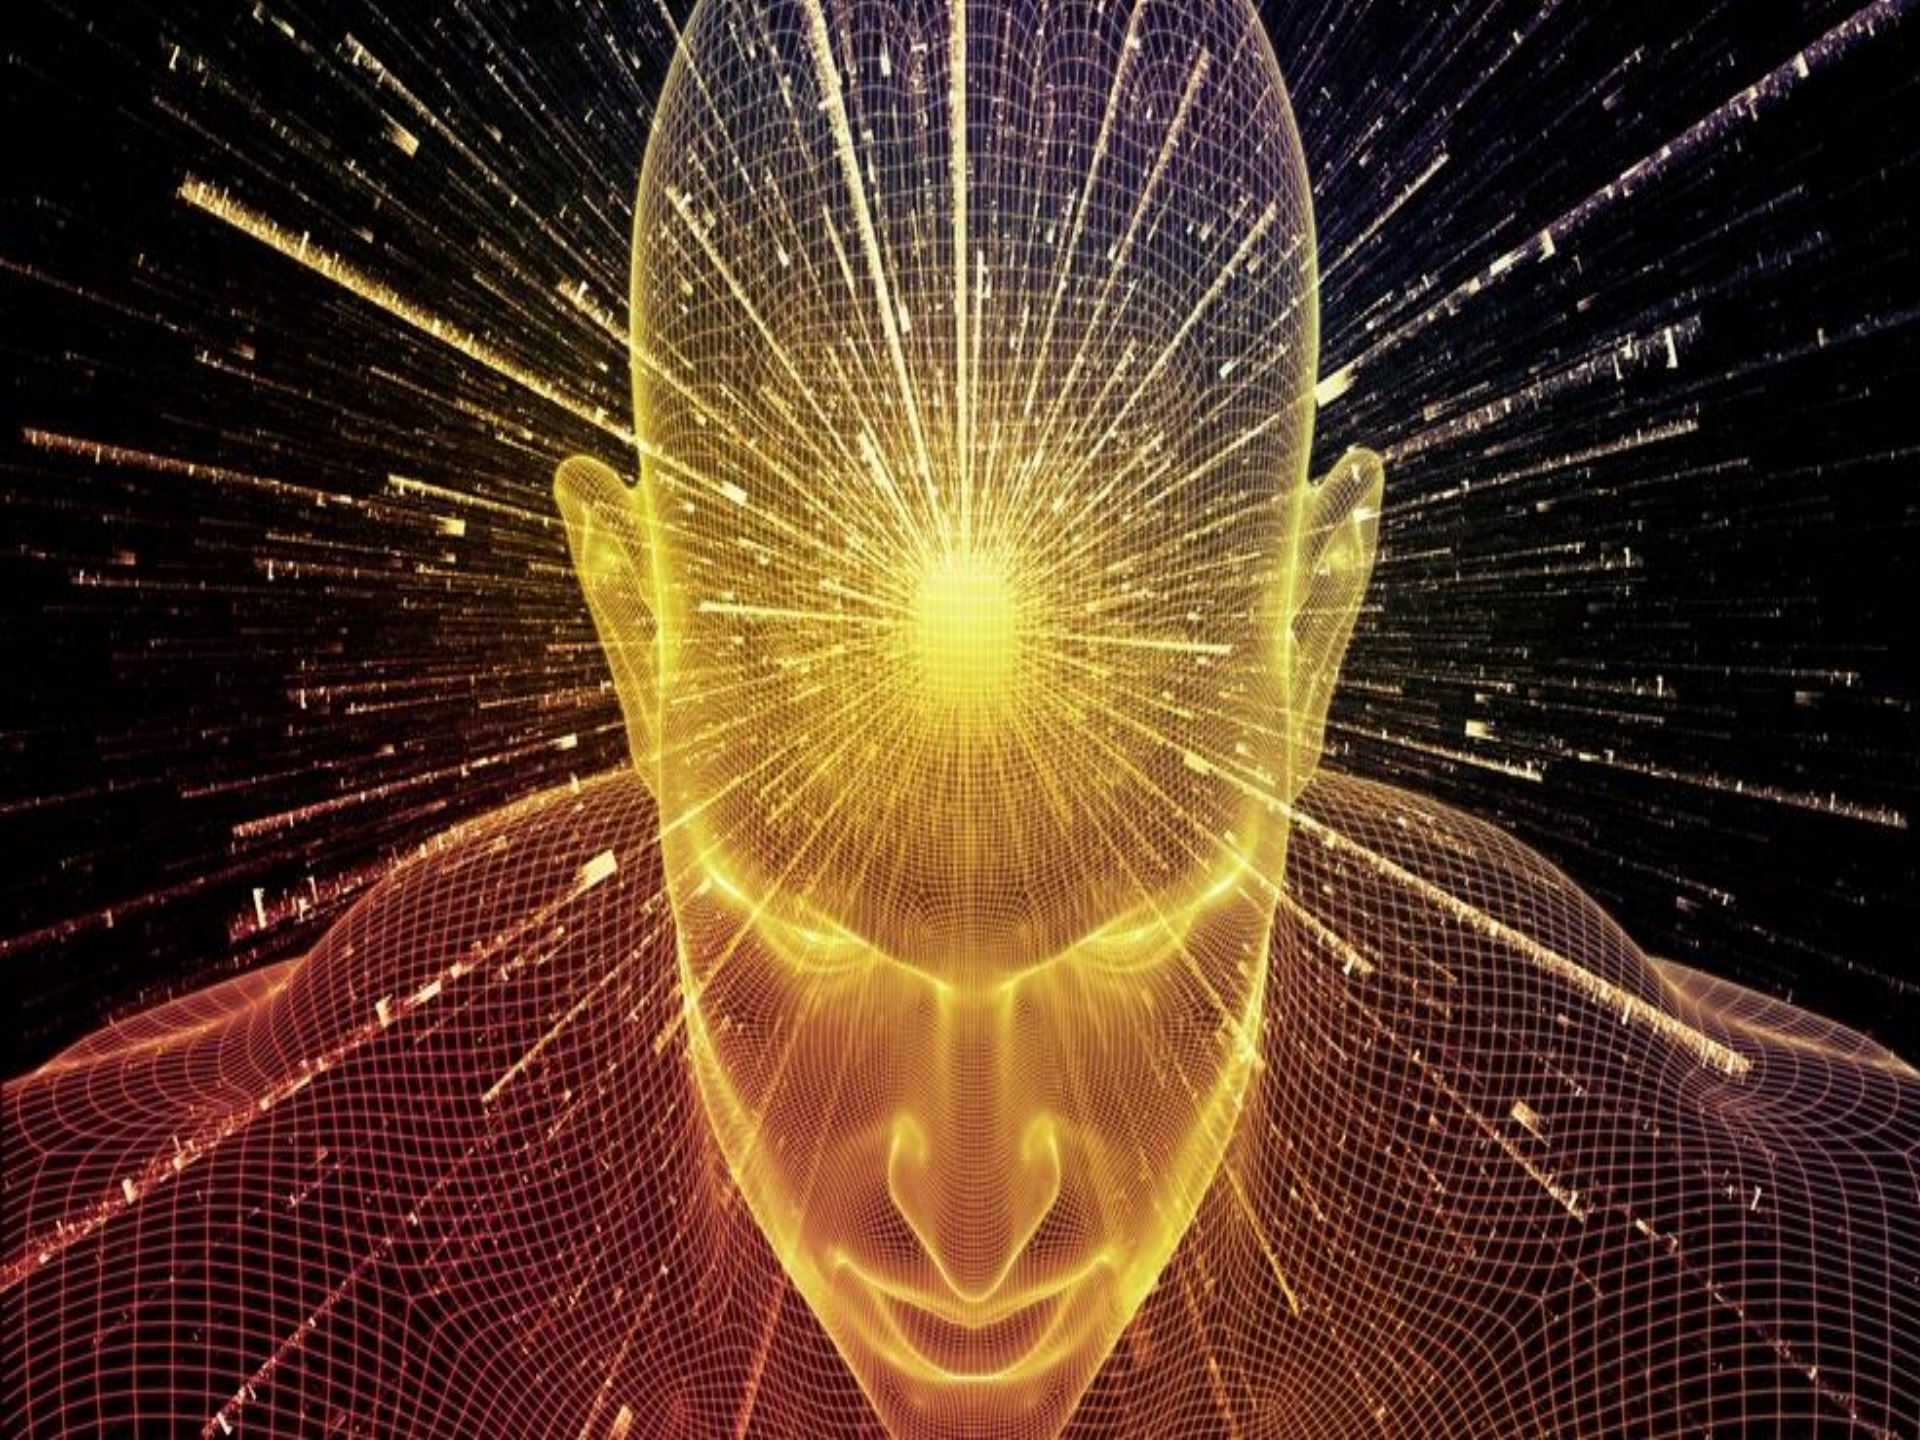

A person is shown floating in a dreamlike, colorful sky filled with soft, ethereal clouds in shades of purple, blue, and pink. The person is positioned in the center, with their arms slightly out to the sides. The overall atmosphere is magical and inspirational. The quote is overlaid in a white, serif font at the top of the image.

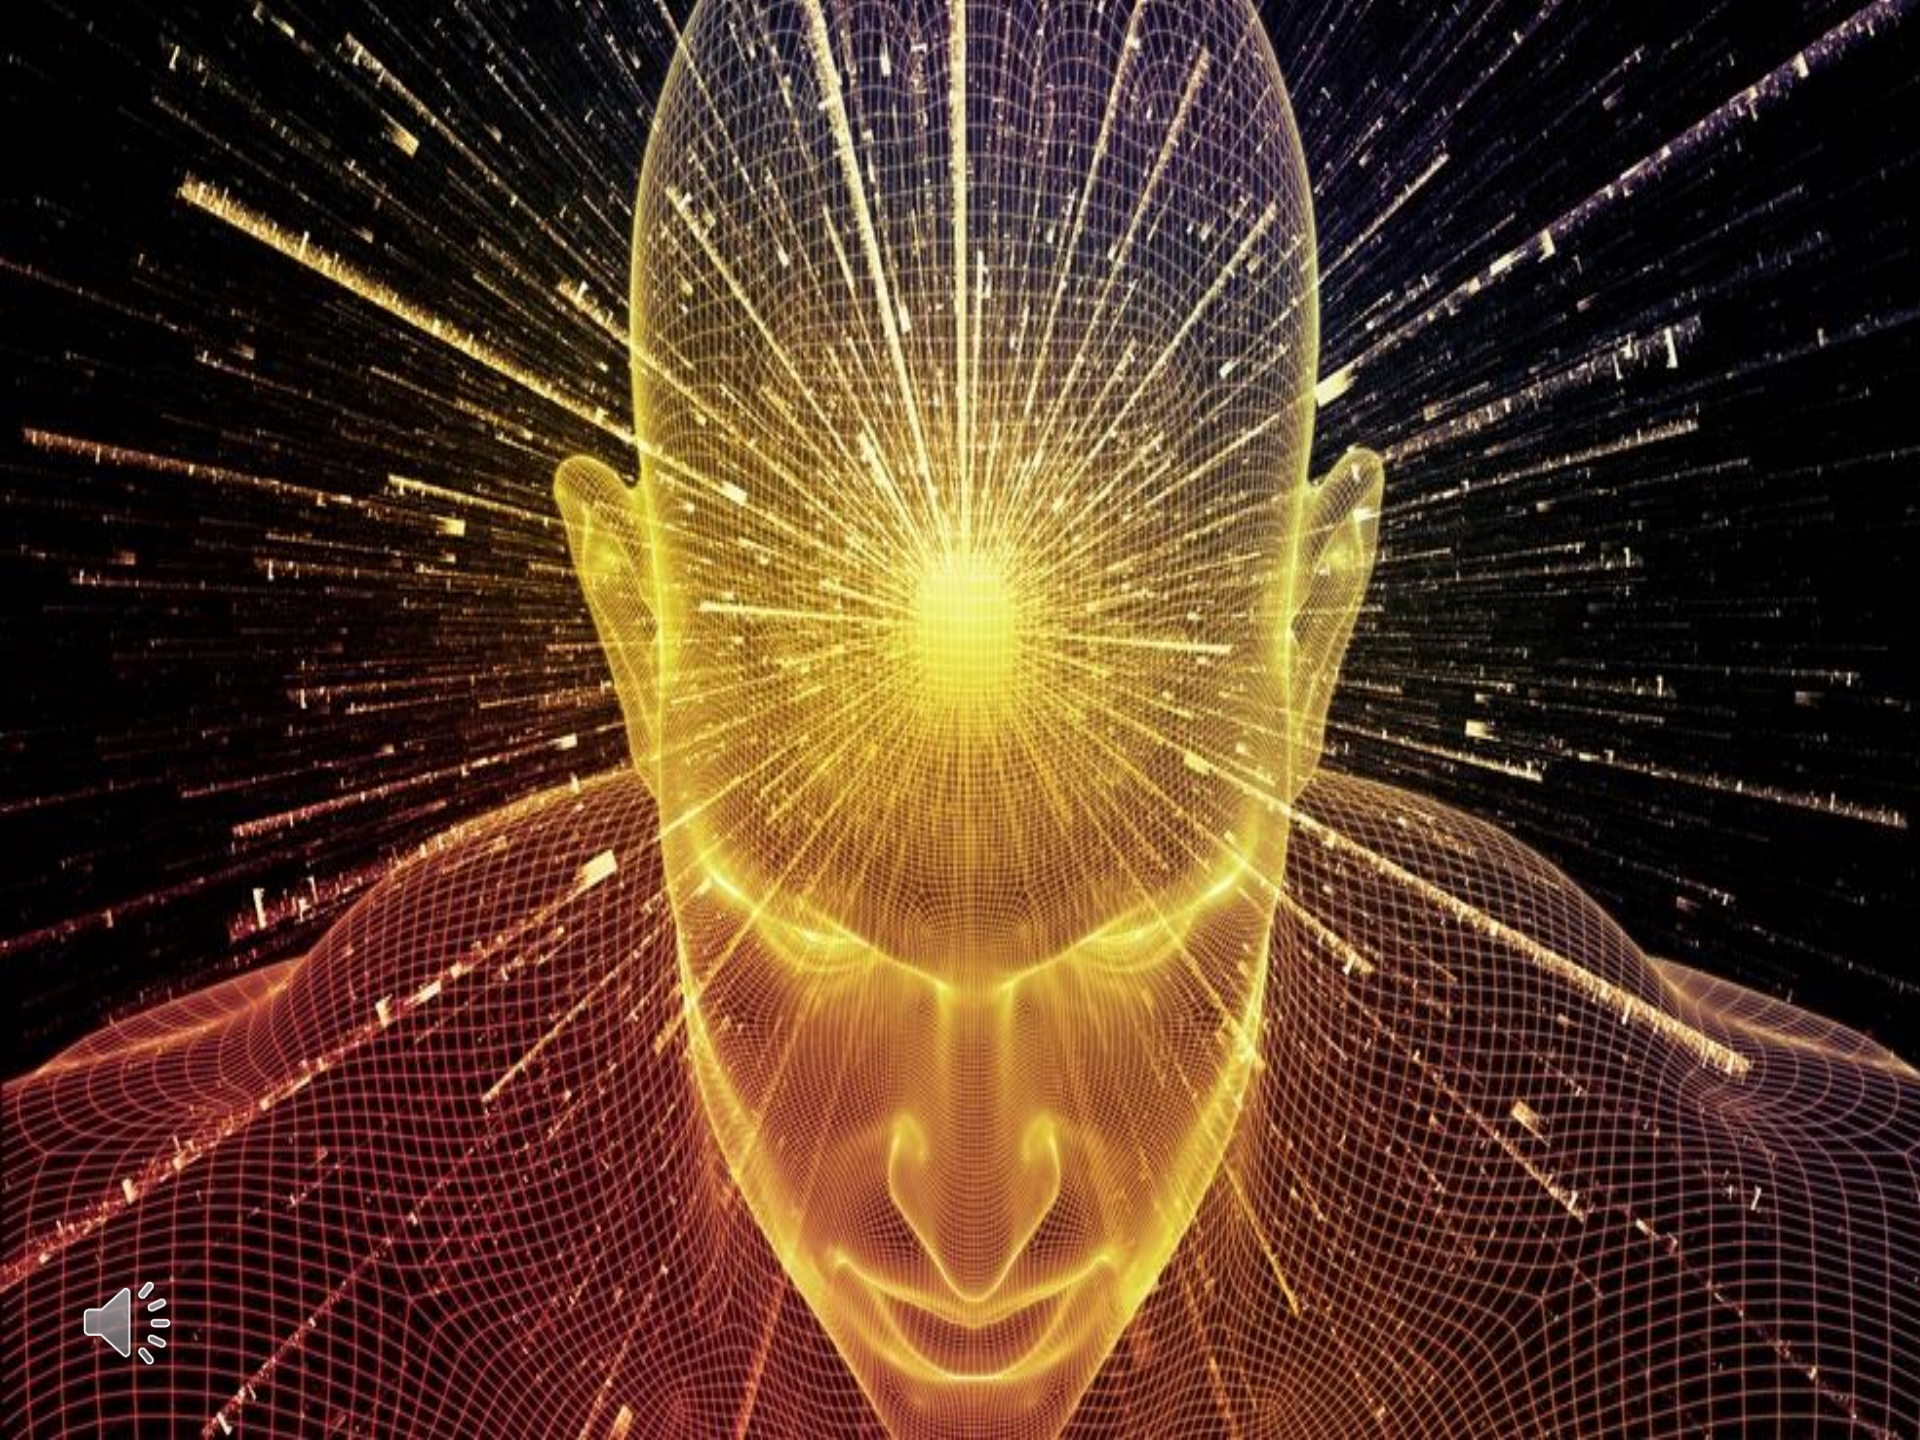

“Endless possibilities exist just beyond your belief system.”

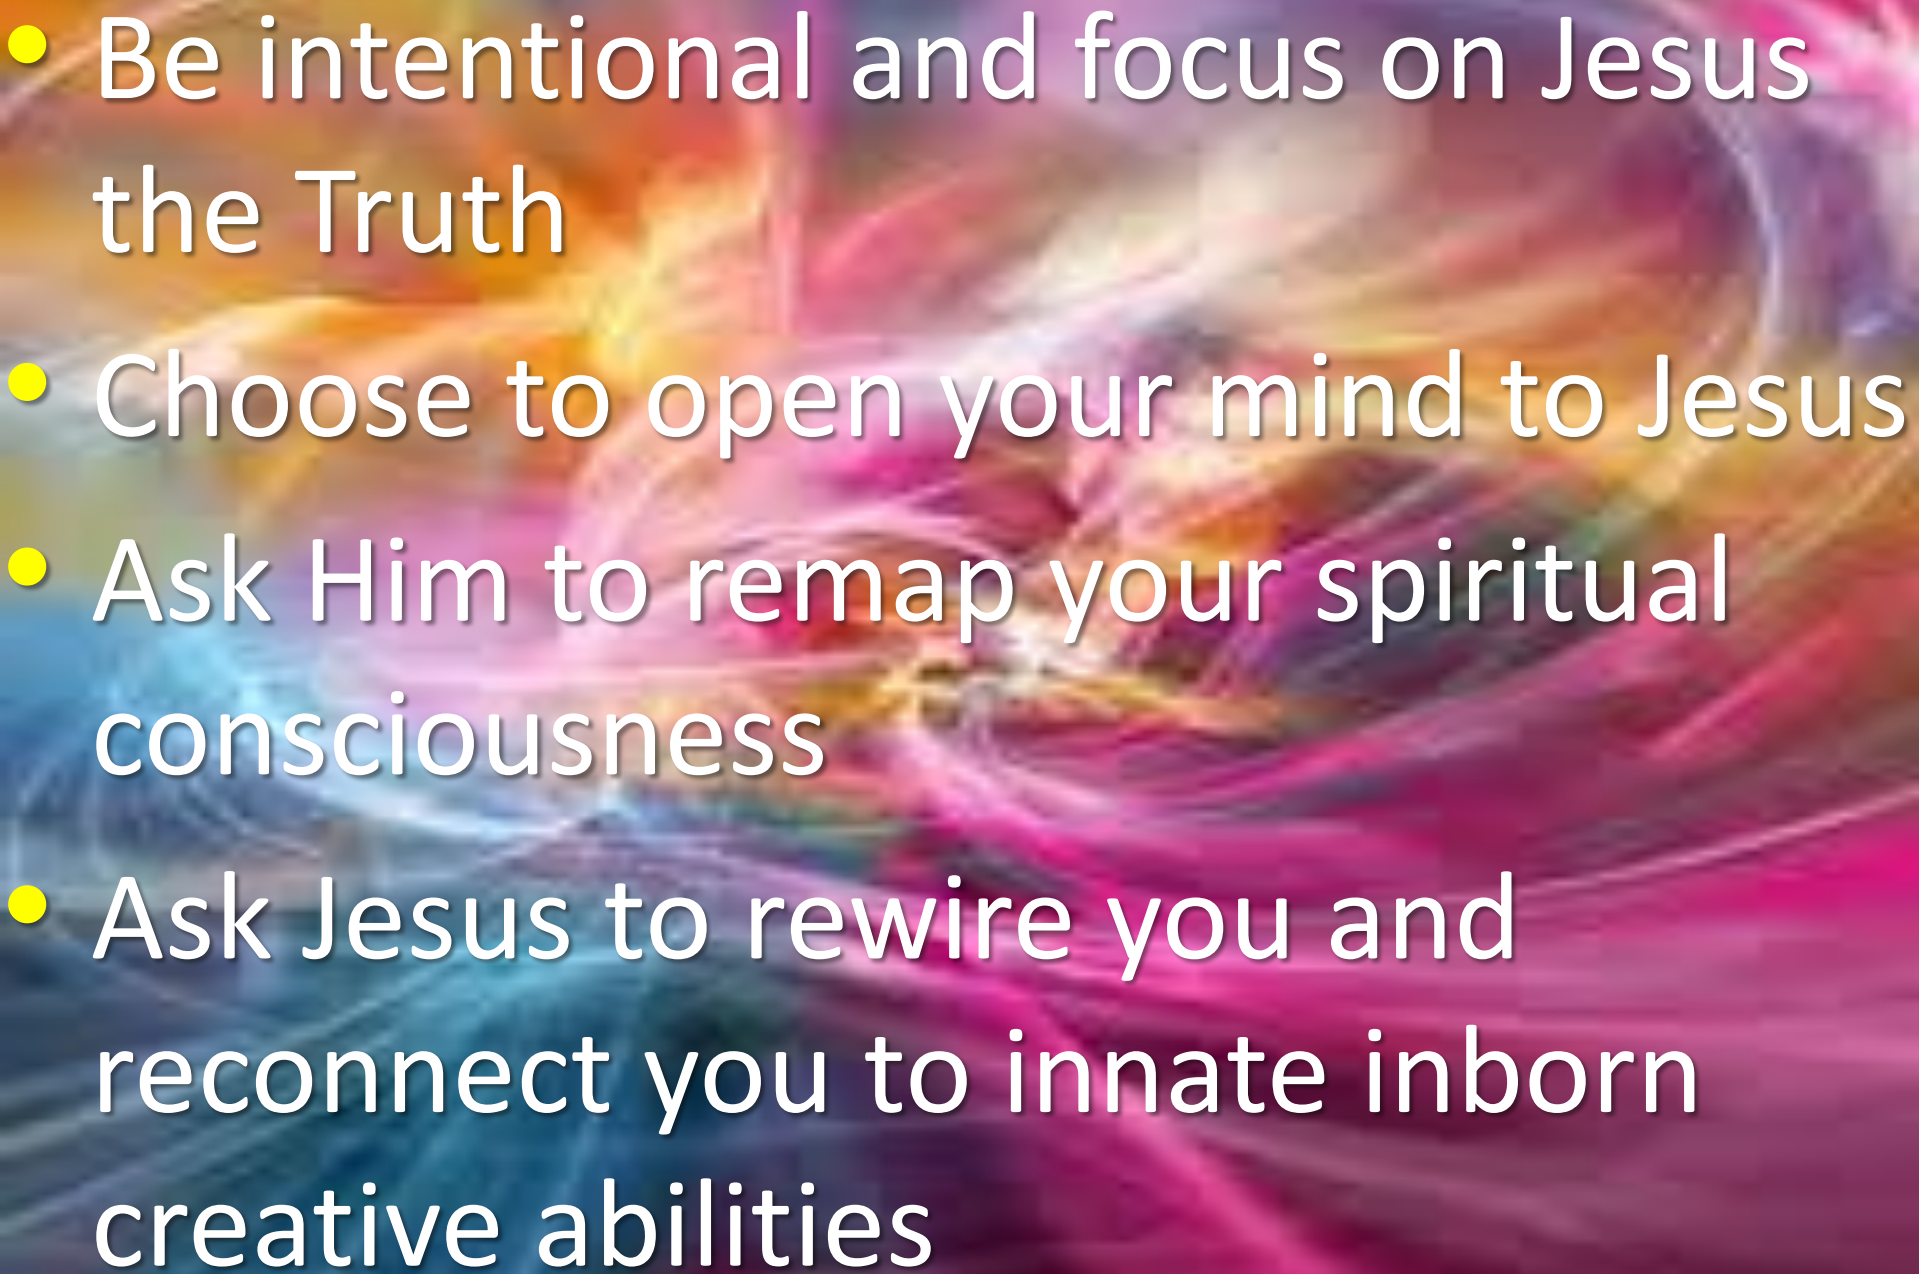

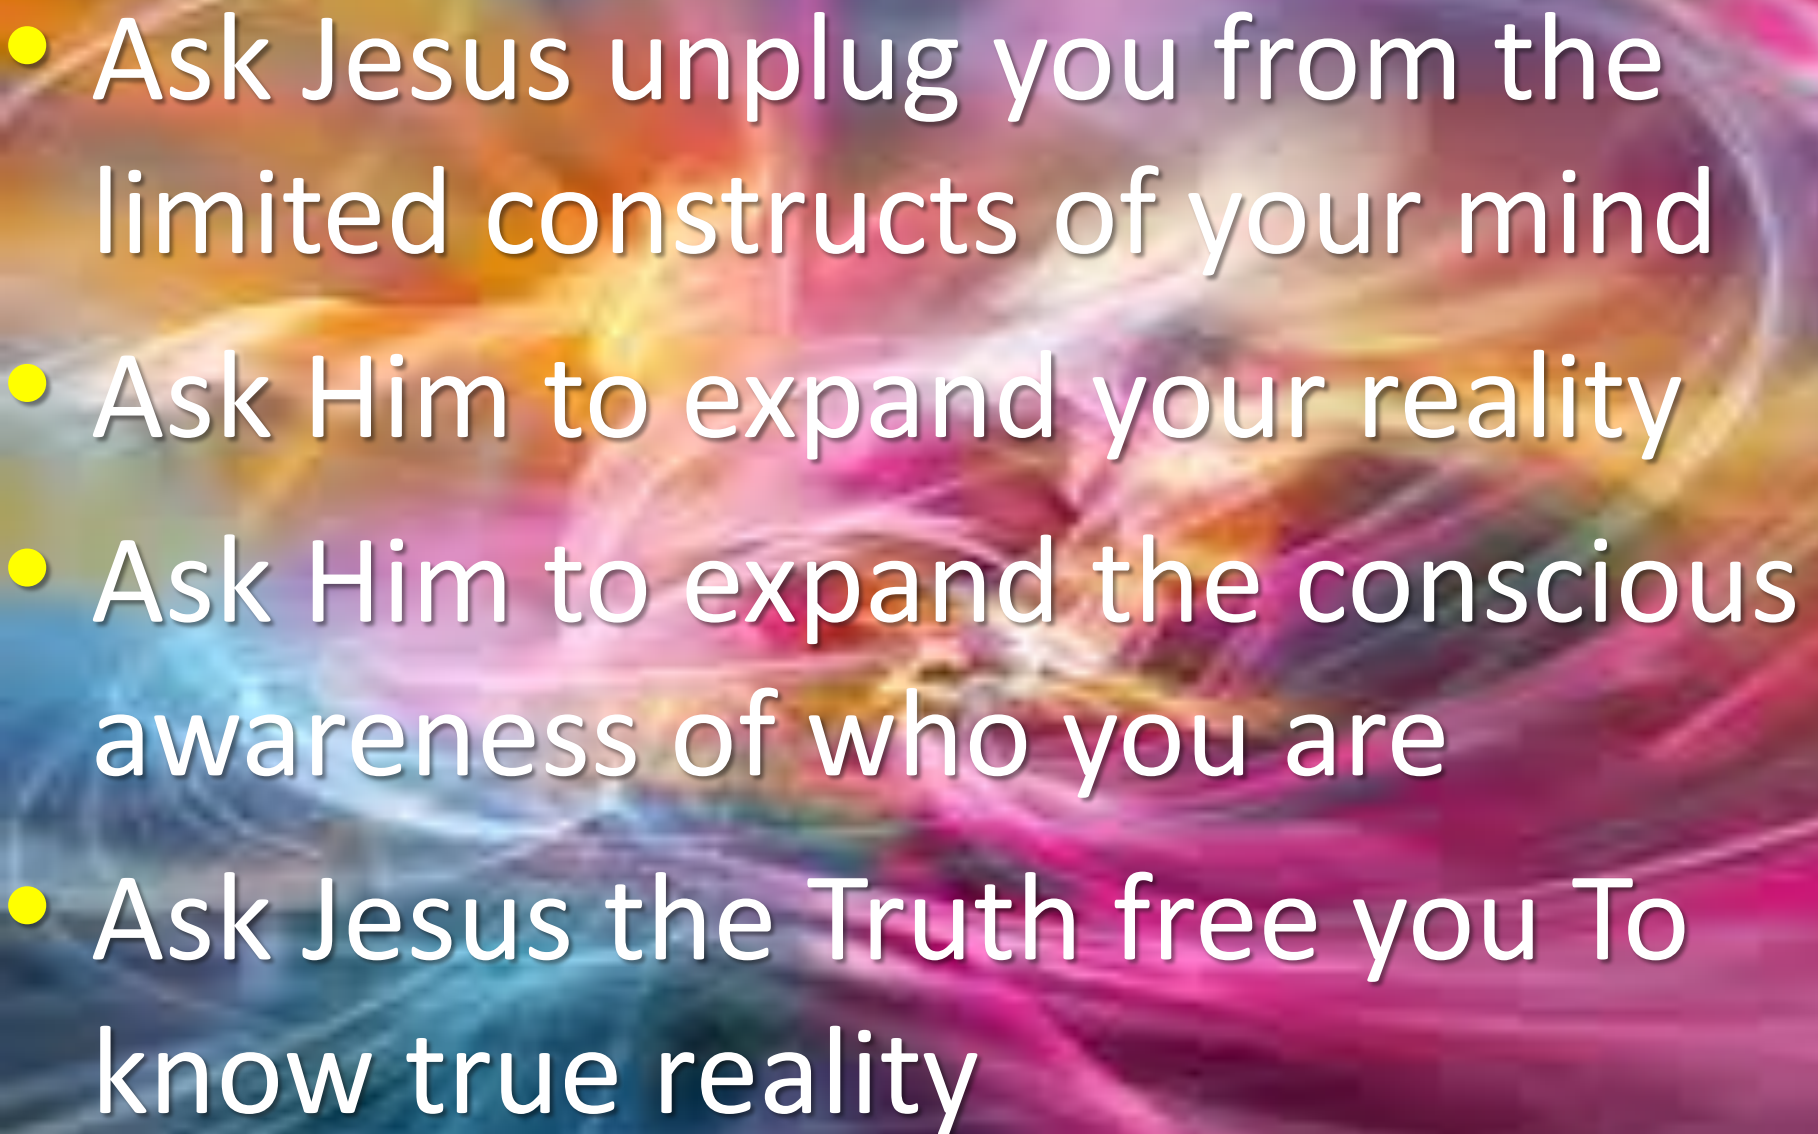

WE ARE ETERNAL
BEINGS...
ENDINGS ARE NOT
IN OUR *destiny.*

~Dieter F. Uchtdorf
