Welcome

Sons Arise

- This session we are going to focus on:
- Remapping the mind with eternal consciousness
- Engaging our eternal memory
- Developing nonlinear thinking
- Connecting with creation as sons

Sons Arise

- Mind - the element of a person that enables them to be aware of the world and their experiences, to think, and to feel; the faculty of consciousness and thought.
- A person's ability to think and reason; the intellect.

Sons Arise

- Consciousness
- The state of being aware of and responsive to one's surroundings.
- A person's awareness or perception of something.
- That awareness is linked to past experience and beliefs it must be expanded

Sons Arise

- To raise one's consciousness, is to increase one's awareness and understanding of what is possible as a son of God beyond the natural limitations of our past
- We need an expanded consciousness to be aware of God and ourselves at new higher level

Sons Arise

- Our consciousness is limited by our previous experiences so it is only having new experiences that is going to expanded our conscious awareness to behold something different – how?
- By engaging God's mind who is omniscient, all knowing to go beyond our present limitations

Sons Arise

- Our mind has the capacity to go way beyond its present conscious awareness
- For that to be realised we must have encounters that expand our consciousness beyond our present reality or beliefs
- You don't need LSD or any drug to counterfeit the reality possible in God

Sons Arise

- Prov 3:5 Trust in the Lord with all your heart and **do not lean or rely on your own understanding.** 6 In all your ways acknowledge Him, and He will make your paths straight. 7 Do not be **wise in your own eyes;**

Sons Arise

- Prov 23:7 For as he thinks within himself or in his heart (subconscious mind, so he is
- How do I think about myself?
- How do I perceive myself?
- What do I believe about myself?
- What are God's thoughts about me?
- Do I know and believe them?

Sons Arise

- If we remain earthbound and tethered to what we think we know we will never ascend to the place of maturity in sonship and be fully seated in the highest places in the heavenlies in Christ

Sons Arise

- We will only be conscious of earth and its limitations unless our consciousness is expanded beyond the veil and beyond the barrier between time and eternity
- We need to be the place of convergence between eternity, heavenly time and earthly time

Sons Arise

- Transformed and renewed mind
- Transformed transfigured is metamorphoó - To change into another completely new form
- Renewing anakainósis
- Complete change for the better, a new development; innovation, fresh, new things

Sons Arise

- We must go beyond being the human beings that Adam descended into because of the DIY tree path
- Man was created an eternal spirit being we can remember that again
- Man was made a living being when spirit, soul and body became one with the breath or Spirit of God

Sons Arise

- Living beings should not have been the end but just the beginning of man ascending into godlike beings the manifest sons of God
- There would have been ascension experiences of God that would have expanded man's consciousness to higher levels

Sons Arise

- Jesus the Truth the second Adam removes the limits placed on us by first Adam to conform us to God's original eternal intention and restore us to our original intended eternal condition.
- Restored bandwidths of energy abilities lost at fall, flood and Babel

Sons Arise

- 1 Cor 2:16 For who has known the mind of the Lord, that he will instruct Him? But we have the mind of Christ.
- Whose mind? Christ anointed one and the divine enabling power of God
- We don't have the exact mind of Jesus but we a restored mind of a son of God

Sons Arise

- Rom 12:1 Live consistent with who you really are, inspired by the loving kindness of God.... He desires to find visible, individual expression in your person. 2 Do not allow current religious tradition to mould you into its pattern of reasoning.

Sons Arise

- Rom 12:2 Like an inspired artist, give attention to the detail of **God's desire** to find expression in you. **Become acquainted with perfection.** To accommodate yourself to the delight and good pleasure of him **will transform your thoughts afresh from within.**

Sons Arise

- Paul does not say, “Renew your minds!” This transformation happens in the spirit of your mind, awakened by truth on a much deeper level than a mere intellectual or academic consent.
- We often thought that we had to get information to drop from the head to the heart; but it is the other way around!
- From inside out through relationship

Sons Arise

- Eph 4:22 that, in reference to your **former manner of life**, you lay aside the **old self**, which is being corrupted in accordance with the lusts of **deceit**,
- Eph 4:24 and put on the **new self**, which in the **likeness of God** has been created in righteousness and holiness of the **truth**.

Sons Arise

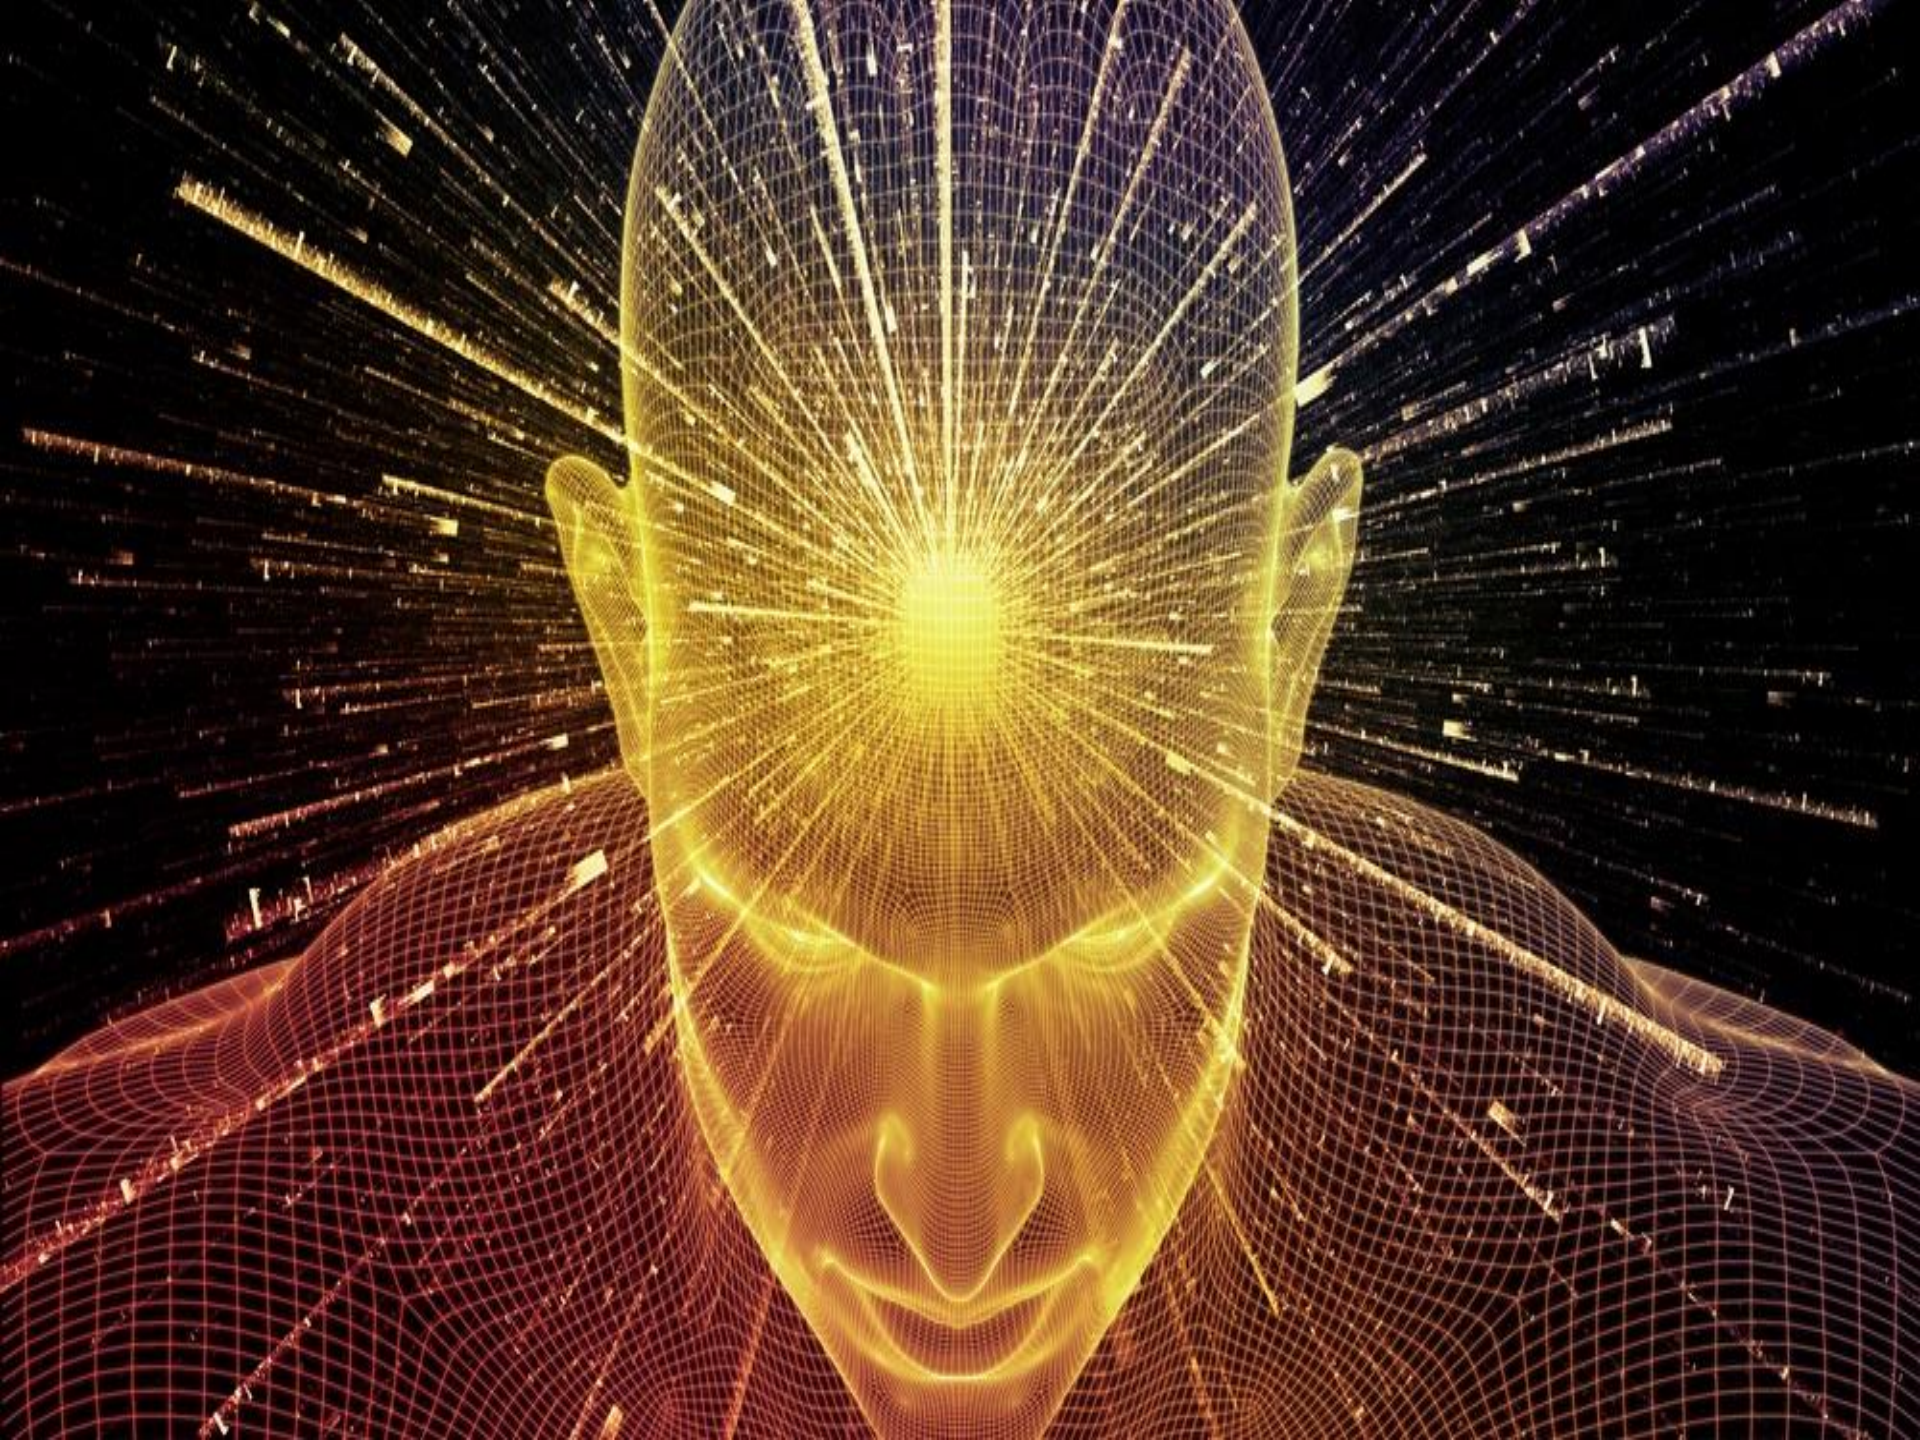

- Col 3:9 Do not **lie to one another**, since you laid aside the **old self** with its **evil practices**, 10 and have put on the new self who is being **renewed to a true knowledge** according to the image of the One who created him
- How we think can keep us operating in old behaviours

Sons Arise

- 1 Cor 2:12 Now we have received, not the spirit of the world, but the Spirit who is from God, so that we may know the things freely given to us by God, 13 which things we also speak, not in words taught by human wisdom, but in those taught by the Spirit, combining spiritual thoughts with spiritual words.

Sons Arise

- I had a number of encounters that created cognitive dissonance within me but they expanded my reality of God and myself
- I had engaged God's heart many times but this time God said let me show you My mind
- I thought of light and firing neurones

Sons Arise

- It felt like being in the middle of a continuous conversation between Father, Son and Spirit
- I heard faint echo's of my name within the conversation
- Then I heard the Father say let Me show you something

Sons Arise

- I got a brief glimpse of God reality
- It was like God was connected to every one that had ever lived is living or will live all at once 108 Billion and counting
- He was connected to every choice and decision every micro second

Sons Arise

- His loving desire was to bring good out of every choice to redeem even the most stupid decisions of every person
- Rom 8:28 And we know that **God causes** all things to work together for good **to those who love God, to those who are called** according to His purpose.

Sons Arise

- Rom 8:28 Meanwhile we know that the love of God causes everything to mutually contribute to our advantage.
- Wow what amazing love that is
- That love is not limited to a select group of people who love God but is extended to everyone

Sons Arise

- Love is the circle of conversation, communion and fellowship of God the oneness between the one as three and the three as one.
- Son you can be one as we are one body, soul and spirit at oneness unified and restored to godlikeness to be the light of love to the world.

Sons Arise

- Son there is no ego or self within love.
- Love that is God is otherly relational and conversational love and the essence of I am is love.
- Love is light expressed as thoughts and desires concerning others.

Sons Arise

- Son sink deeper and deeper into Me let the conversation of love surround you and immerse you and fill you.
- Son let the truth that love reveals define you let it unveil your true image in Me.

Sons Arise

- You are along with the whole of mankind included in Me so open the eyes of all your faculties to truly know who you are by reconnecting with who you have been

Sons Arise

- In Me see your true image framed in love's conversation revealed in love's true expression.
- Son drink from love's deepest well and let the spring in you become a fountain overflowing with love's energising power.

Sons Arise

- Then one day Father said come walk with Me. We began walking in His garden.
- He said I want to show you something
- I saw this amazing area that was the most beautiful living vibrant place I had ever seen or smelt or engaged with

Sons Arise

- Then it changed before my eyes into something so different in colour form and fragrance and then again it totally changed – confused
- Look through My eyes for just a glimpse I could see all the infinite possibilities all at once and I felt His pleasure and enjoyment

Sons Arise

- It was like a mind expanding trip that was to prepare me for what was to come
- The thought that I have the mind of Christ (1 Cor 2:16) spun across my mind for a fleeting second
- Nonlinear multi-dimensional living

Sons Arise

- Son walk with Me beyond beyond to where you are destined to be.
- We walked through a doorway onto the timeline of my life.
- I saw multiple paths created by my mind and engaged by my choices.
- I saw where making no choices had taken me and would lead me.

Sons Arise

- I saw where making wrong choices had and would take me.
- My first reaction was that I needed to know the right path - wrong
- The feelings of loss regret sadness of seeing the results of my choices started to overwhelm my emotions.

Sons Arise

- I then saw the Truth the reality that once was, begin to come into view as my consciousness entertained this new vista of eternal recollection.
- I saw my position within the mind of God pre-eternal sonship I am as I have always been known.

Sons Arise

- I saw the light the energy and the atmosphere change.
- I saw myself as light and no longer a vestigial image of earthly self
- I saw new paths reconnecting my mind to areas of my consciousness that were the eternal memories of who I was.

Sons Arise

- I saw bridges begin to span the gulf between what was and what is and what will be.
- I began to see that which was shrouded in the mists of the long forgotten and now unknown mysteries begin to become clear.

Sons Arise

- It was like my eternal consciousness was overshadowing and remapping my soul's mind
- I was reconnecting to the memory of who I was and to the abilities hidden deep in my consciousness were being unveiled

Sons Arise

- Father said come and walk with me
- We began to walk it was dimly lit and it took time for my eyes to adjust
- There were pathways crossing and connecting
- Son you cannot see in the darkness because you are looking with the wrong eyes.

Sons Arise

- Don't try, just rest be enveloped with that which is the mystery of love hidden for you to discover.
- I asked where are we? We are walking in your mind
- We continued to walk along amazing light paths until we came to a gulf
- There were doors beyond the gulf that I knew were closed but not locked

Sons Arise

- The Father said do you want me to bridge this gulf for you this once -Yes
- I saw a path extend across the gulf
- Then I knew the future possibilities of new pathways developing in my mind
- I knew the possibility of new doors to discover new dimensions of reality.

Sons Arise

- I felt and sensed the potential possibilities of the eternal reality who I was always intended to be as a son
- The capacities that had been locked and hidden could now begin to be reconnected
- We can become free from the limitations of the Adamic DIY tree

Sons Arise

- We walked across the light bridge and I looked for the Father to open the door.
- He looked at me and I knew I had to open it so I reached out with my mind in my mind and the door opened
- I just gazed with amazement at the now outside of time and space to see all the possible creative choices I could make

Sons Arise

- My first reaction was which one do I choose?
- I immediately felt that fear just melt away as I realised that these were all good and acceptable choices because I was walking with the Father as a son

Sons Arise

- I saw creative possibilities springing from my mind that were all good and all lead to positive outcomes.
- Then I saw it the golden thread that could be traced intersecting my time streams.
- It was fixed at both ends but flexible and movable by my choices

Sons Arise

- My desire was to choose only God's path so I yielded and surrendered all that I can be to become that I am in Him
- I fixed my eyes, my consciousness upon that thread and I realise that my desire to choose only the right path when not linked to fear released me to create any path all the potential possibilities of creative expression are good and acceptable to God

Sons Arise

- I saw beyond the boundaries and limitations of my consciousness that had been disconnected from true reality.
- I saw a possibility and chose it
- I could pop a qwiff and collapse the mystery and possibility into reality.

Sons Arise

- I came out of this encounter looked at my watch and saw it was 7.45am and I had to be in the office to see Jeremy at 8am
- I saw that reality and I chose to realise it and I felt at peace
- So I went to get ready

Sons Arise

- I came down and looked at the kitchen clock it said 7.55am but I looked at my watch it showed 7.45am
- I decided to test this reality and went into the garden to water the greenhouse and feed the fish
- My watch still showed 7.45am

Sons Arise

- I went to leave and Deb reminded me that she was going to have the car that day
- No problem so I walked normally it takes 12-15 minutes
- I walked half of the way and it was still 7.45am then time started to move and I got to the office at 7.55am

Sons Arise

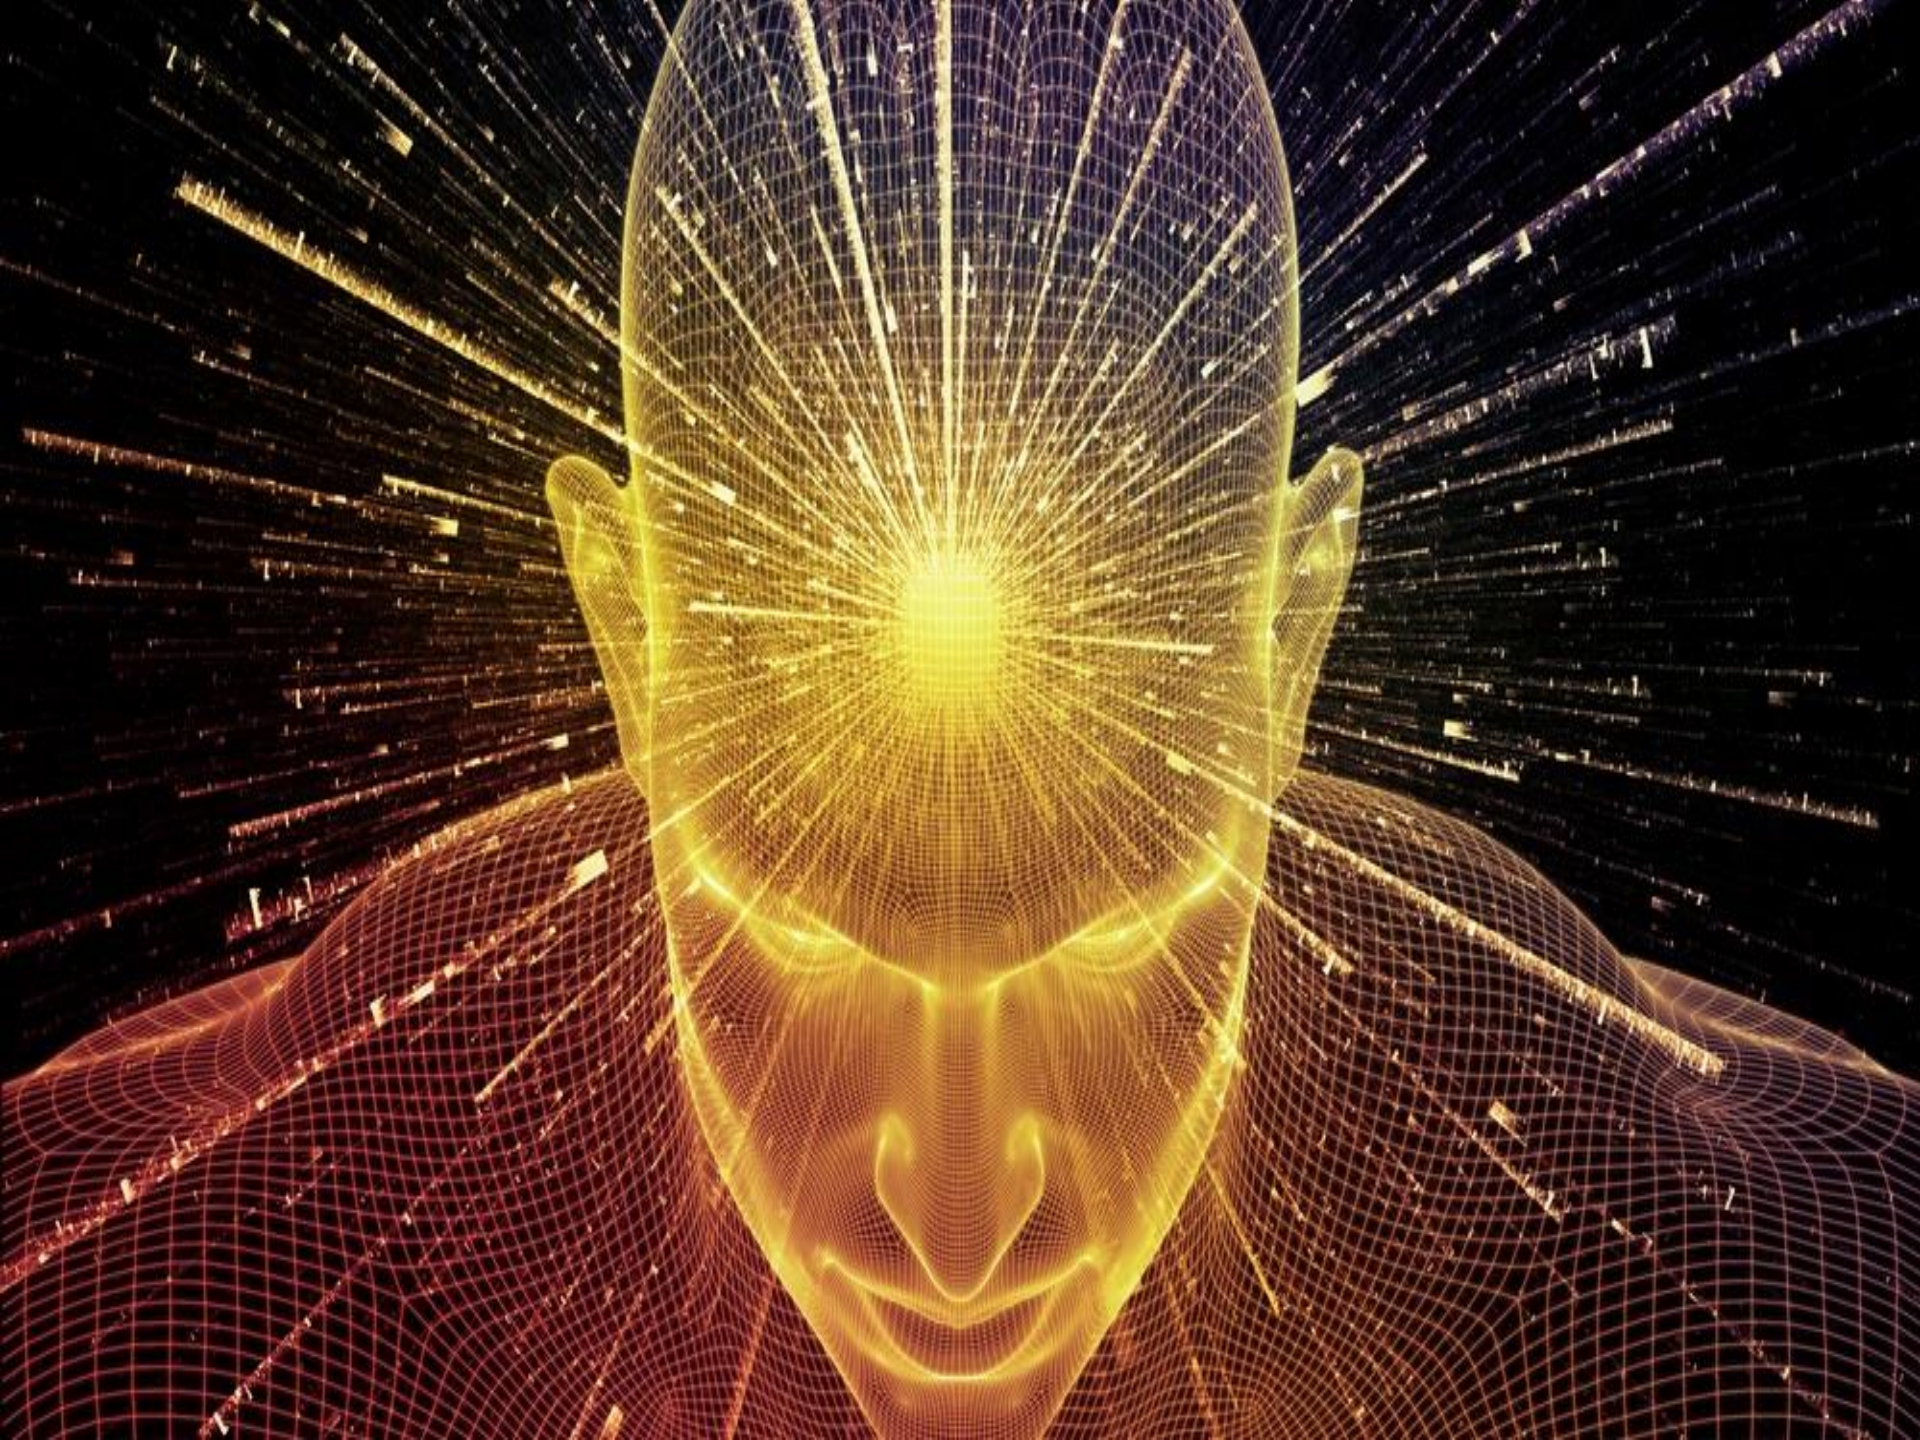

- There are daily opportunities to choose reality
- Limitless possibilities to subdue and rule
- Aligning our life with the desires of God's heart for us creatively as sons
