Sons Arise is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

Sons Arise

- Seeing from eternal and heavenly perspectives
- Expanding consciousness to unveil extra sensory abilities
- Controlling and manipulating frequency
- Creating, choosing and framing reality
- Translation in time and space

Sons Arise

- What reality are you living?
- From whose perspective are you viewing reality? – yours or God's
- You choose and change your reality
- All reality or truth if not seen through the perspective of The Truth Jesus himself, will eventually become a nightmare

Sons Arise

- All of our minds are constructed from pillars of beliefs and value systems that have been built through the experiences of our lives
- Those pillars form our worldviews and frame how we interpret the world around us – they are our conscious reality

Sons Arise

- We see the world through a lens that filters life's experiences and gives us a conformational biased view that perpetuates the status quo
- Those pillars in our minds may be lies or false representations of reality when viewed in comparison with The Truth Jesus who is the only true reality

Sons Arise

- When your mind is stretched by a big idea it will never return to its original shape. Thomas Carlyle
- Once the first pillar was removed from my mind which was evangelicalism the theological belief systems began to crumble

Sons Arise

- Doctrines and theological positions not reflecting God's love began to be exposed as lies they began to be exposed by the light of truth
- I began to see things I never saw before, connected with people who were invisible to me before

Sons Arise

- Long held beliefs were challenged by the experiences of God's love I experienced engaging with Him
- My whole relationship with God began to change as my filters were removed and I started to see everything through the lens of love

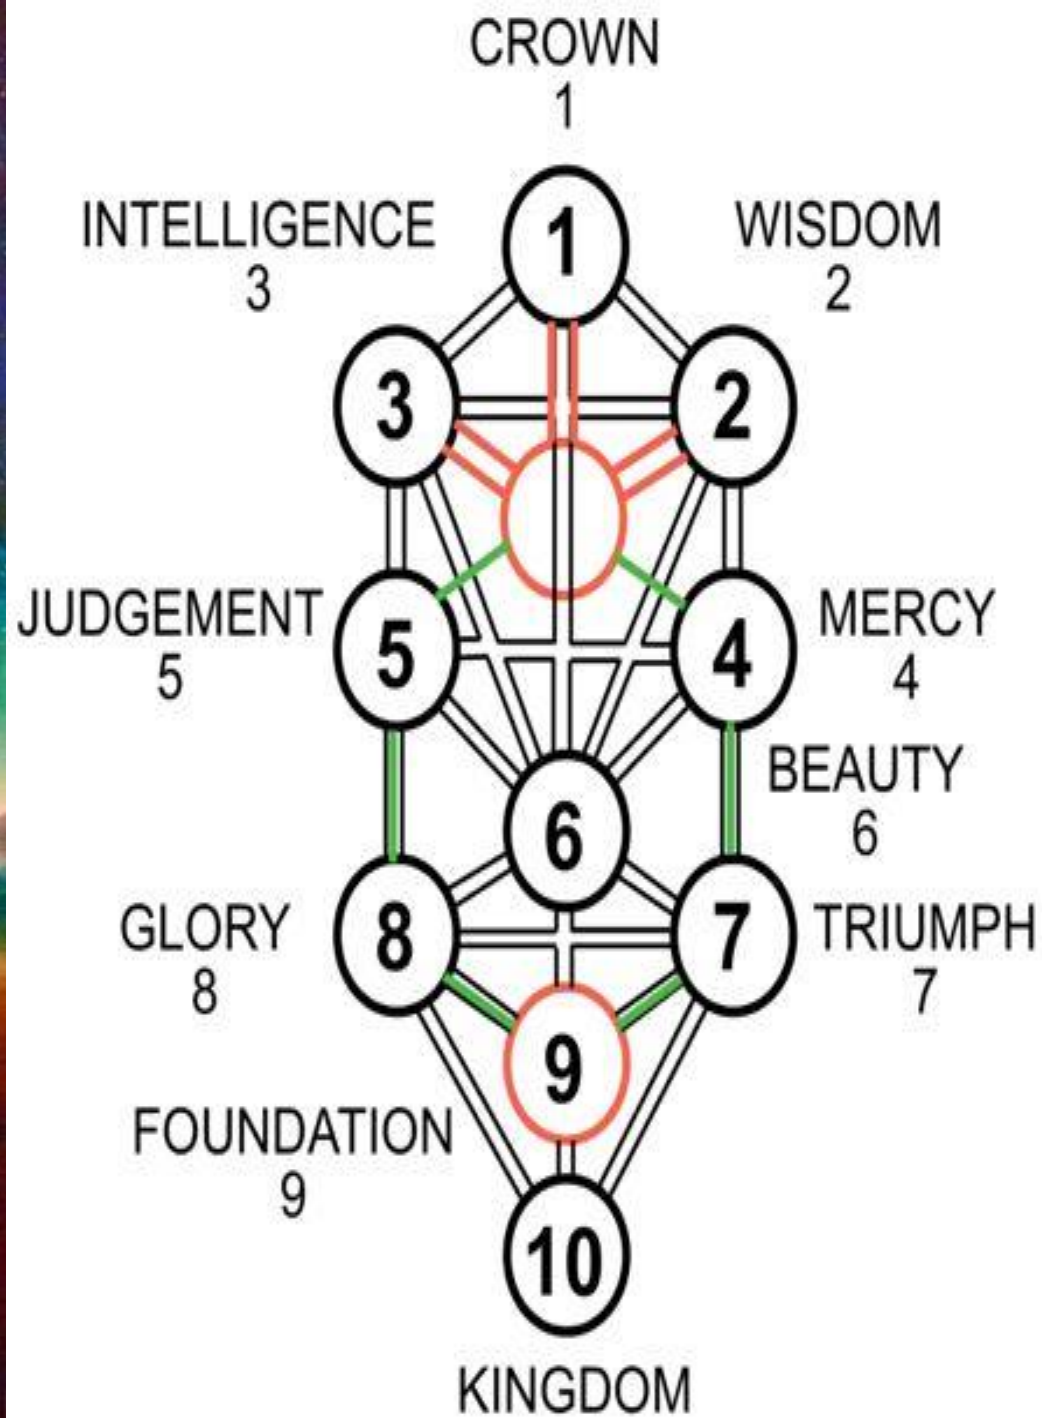

Sons Arise

- I asked God what is going to replace those constructs in my mind
- Son let Me form the pathways of the tree of life within the construct of your mind.
- Let Me reform and connect the ancient paths within your brain so that your consciousness will become unrestricted and your creative potential will not be limited.

Sons Arise

- There were 9 main roots that began to grow like an organic system of connections within my consciousness
- They started to bore into my unconscious and subconscious it felt like an intrusion into my very being but I welcomed it.

Sons Arise

- Why is this deconstruction and renewal so important?
- Act 3:20 and that He may send Jesus, the Christ appointed for you, 21 whom heaven must receive until the **period of restoration of all things** about which God spoke by the mouth of His holy prophets from ancient time.
- We are tasked with the restoration of all things that is impossible with limitations

Sons Arise

- We are not going to fix the problem with the same DIY methods that created it
- We are not going to build embassies of heaven like they did at Babel to make a name for themselves
- We will have the ability to construct organically using quantum reality

Sons Arise

- God loves the whole cosmos but it is waiting for us to mature as sons
- Sons who know the truth and full reality about their Father and themselves
- We need to see God as He truly is and see ourselves as created in His image
- The illusions and delusions must be exposed so that we can be unplugged from this false reality

Sons Arise

- Only the Truth that I am conscious of and know by experience will set me free from being tethered to the earth the physical realm and being subject to its rule and bondage
- The Truth desires to release us into the glorious freedom of our sonship as co-heirs of His kingdom

Sons Arise

- Freedom from bondage can you see that reality?
- Freedom from sickness, disease and pain can you see that reality?
- Freedom from rejection, fear, insecurity, poverty and every bondage and limitation can you see those realities?
- If we can't see them as truth they can't manifest in our lives

Sons Arise

- John 8:32 you will **know the truth** and the truth will **set you free!**” 36 Who the son (The Truth) sets free will be free indeed
- Free from the chains of time and space and the dimensional restrictions of the matrix of our belief systems and mind-sets
- Free to fly untethered and unrestricted

Sons Arise

- If we can't perceive the eternal realm of which we are citizens we will remain confined and tethered to this earthly DIY version of reality
- Earthbound restricted and living in a carefully constructed illusion that limits us to being mere mortals unable to change anything or fulfil our destiny

Sons Arise

- 2 Cor 2:4 in whose case the god of this world has **blinded the minds** of the **unbelieving** so that they might not see the light of the gospel of the glory of Christ, who is the image of God.
- In what way are we blinded by the world's DIY system?
- Whose reality are we living in?

Sons Arise

- Much supernatural truth has been veiled and perverted by the New Age movement and is put off limits by the religious spirits operating within the old order religious systems
- We must recover that hijacked truth
- All truth is from God because Jesus is the truth but some things have been veiled in deception and counterfeited

Sons Arise

- The Matrix is a modern parable that reveals that the truth can free our minds
- You are here today rather than somewhere else because you know something has to change
- You know you can't keep walking the same path and expect it to take you somewhere else

Sons Arise

- Wake up, Neo! The Matrix has you
- Let me tell you why you're here. You're here because you know something. What you know, you can't explain. But you feel it. You felt it your entire life. That there's something wrong with the world. You don't know what it is, but it's there. Like a splinter in your mind - driving you mad.

Sons Arise

- Neo = new
- Neo is an anagram of One we are all **the one** each of us uniquely designed and chosen as a son of God
- Knowing this truth will set us free
- It is time to wake up from the nightmare that has kept us locked in unreality.

Sons Arise

- This is your last chance. After this, there is no turning back. You take the blue pill - the story ends, you wake up in your bed and believe whatever you want to believe.
- You take the red pill - you stay in Wonderland and I show you how deep the rabbit-hole goes.

Sons Arise

- Neo, sooner or later you're going to realize just as I did that there's a difference between knowing the path and walking the path
- You have to let it all go, Neo. Fear, doubt, and disbelief. Free your mind.

Sons Arise

- I'm trying to free your mind, Neo. But I can only show you the door. You're the one that has to walk through it.
- Unfortunately, no one can be told what the Matrix is. You have to see it for yourself.
- The question is are you willing to look?

Sons Arise

- “The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. **It is the world that has been pulled over your eyes to blind you from the truth.**

Sons Arise

- What is real?
- How do you define 'real'?
- If you're talking about what you can feel, what you can smell, what you can taste and see, then 'real' is simply electrical signals interpreted by your brain.

- 
- A young boy with a shaved head, looking thoughtful, with text overlaid on the image. The text consists of three bullet points.
- Do not try and bend the spoon. That's impossible. Instead... only try to realize the truth.
 - What truth? There is no spoon!
 - Then you'll see, that it is not the spoon that bends, it is only yourself.

Sons Arise

- Don't think you are, know you are.
- What are you trying to tell me?
That I can dodge bullets?
- Morpheus: No, Neo. I'm trying to tell you that when you're ready, you won't have to.

Sons Arise

- Neo: What truth?
- Morpheus: That you are a slave, Neo. Like everyone else you were born into bondage. Into a prison that you cannot taste or see or touch. A prison for your mind.”
- On the DIY path we all died in Adam but we are all made alive in Christ

Sons Arise

- The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save.

Sons Arise

- You have to understand, most of these people are not ready to be unplugged. And many of them are so injured, so hopelessly dependent on the system, that they will fight to protect it.

Sons Arise

- Remember... all I'm offering is the truth. Nothing more.
- Free your mind and be welcomed to the real world
- Nosce te ipsum - know thy self
- Tu ipse esto - be yourself your truth self as a son of God

Sons Arise

- The veil that has limited our potential and kept us earthbound
- Knowing yourself is impossible apart from knowing Jesus
- We must know the Truth if we are to be free indeed.

Sons Arise

- The veil is the construct of deception that has robbed us of true reality.
- When we come to know the Truth we can experience that true reality
- True reality is not what we have come to know through our earthly experiences therefore we have been living in an illusion veiled as reality

Sons Arise

- What is your reality?
- Is your reality shaped by what you have experienced and what you have seen?
- Can you trust what you see?
- Some scientists believe that this reality behaves like a holographic projection
- Where are you looking for your reality?
- Is your truth relative or absolute?

Sons Arise

- Our consciousness is a series of electrical impulses in our synapses passing along neural pathways that our brain interprets as thoughts
- We have learnt to interpret those signals
- We can also use those signals
- The world of matter and energy responds to us when learn to focus those signals

Sons Arise

- Everything depends on which perspective you are looking at it from
- Your consciousness has the ability to affect energy and matter from a quantum perspective
- Light is an energy wave that carries the potential to become a matter particle depending on the thought of the viewer

Sons Arise

- This Truth may be beyond what I can presently imagine or think.
- Renewing our minds is the expanding of our consciousness to know our true potential.
- He chose the foolish things to confound the wise so we would know it is only through Jesus the truth

Sons Arise

- Our minds must be enlightened or illuminated by the light of Truth.
- The vast sum of Gods thoughts about me that reveal that I am a son of God created in His image with a destiny to rule the universe with Him
- That truth will unlock the true potential of our sonship the creative image we are made in.

Sons Arise

- Eph 5:14 For this reason it says, “Awake, sleeper, And arise from the dead, And Christ will shine on you.”
- Waking up to knowing the Truth as a person will set us free to be who God intended
- It will challenge your present perception of yourself

Sons Arise

- We can know the truth from God's perspective and align ourselves with His thoughts about us
- We can see ourselves – free from religion, pain, insecurity, fear, addiction
- We can see ourselves healed,
- We can see ourselves loved, accepted, affirmed significant

Sons Arise

- Our conscious thought has quantum power
- The universe responds to the focus of our consciousness.
- We have the mind of Christ therefore the capacity for the greater works.
- It is time to embrace the potential possibilities of who we are because of who He is.

Sons Arise

- Our consciousness has the ability to frame our reality
- We must not frame our reality out of being subject to times and seasons or we will be subject to time
- God set the sun moon and stars to frame time and seasons so they would be subject to us not that we would be subject to them

Sons Arise

- Quantum observation
- Quantum entanglement
- Quantum tunnelling
- Quantum faith
- Let's be creative sons of God not limited by our DIY pasts to create a better future

Sons Arise

- All of creation has its eyes fixed looking for true sons to be revealed.
- Will you be one of those sons?
- Will you accept the call?
- Will you embrace your destiny?
- Will you accept His yoke and learn from Him the Truth?
- He is calling for the sons of God to arise.

- Jesus is here waiting to engage you will you choose that possibility?
- Ask Him to unplug you from the limited constructs of your mind
- Ask Him to expand your reality
- Ask Him to expand your conscious awareness of who you are
- Let the Truth free you To know true reality

- Ask Him begin to renew your mind by revealing the truth of His love for you
- Ask Jesus to take you beyond your present limitations

- 
- Ask Him take you flying beyond your present expectations
 - Ask Him take you outside your present boundaries
 - Ask Him to show you eternal reality
