# Sons Arise

- People live by the old saying "seeing is believing" but we don't have to see something to believe it.
- It's the other way around - believing will make you see. Most people only rely on their five senses.
- They frame their world that way

# Sons Arise

Most people are only looking inside the so-called "established truth".

It's like a

based on  
proven

by the majority

"frame of  
knowledge"  
what's been  
and accepted

# Sons Arise

- In other words, if something is established as a general truth most people stick to it whether it is actually true at all
- Very few people dare to challenge "the established frame of knowledge"

# Sons Arise

- Our "frame of knowledge" is constantly changing since science is showing us "new" truths - new paradigms.
- God is also changing our frame of knowledge directly through encounters
- Our consciousness is expanding

# Sons Arise

- As we mature as sons God and science will reveal even more new truths that are just in fact ancient creation realities.
- The truths about frequency and vibration that most people would label crazy right now are just real as the law of gravity.

# Sons Arise

- With an open mind and the ability to engage the heavenly and eternal realms we can start to believe that something can be a reality even though science can't yet prove it or even though we can't verify it with our five natural senses.

# Sons Arise

- A new "truth frame" is emerging an expanded consciousness revealing that we are vibrational beings living in a universe of frequency and vibration
- As sons we can use the knowledge frequency to be fruitful, subdue and rule

# Sons Arise

- Your desires, emotions and feelings must also be aligned with God's heart and with the reality you desire.
- It is not enough to merely want something if you do not truly have emotions and feelings that are in harmony with that reality.

# Sons Arise

- You need to "fall in love" with what you want in order to be in the correct vibrational state.
- Your subconscious mind has a different belief system than what you are desiring for. Hence your inner feelings and emotions are not aligned with your desire. These beliefs are thousands of times stronger than desires and wishes.

# Sons Arise

- We all have built a blueprint in our mind (subconscious) of what we regard as true and what we believe in.
- This blueprint has been sculpted for years through your childhood by your father and mother, by what you read in the newspapers, by what you see on TV, by what you learn in school church and so on.

# Sons Arise

- When our minds are expanded to begin to see from a nonlinear perspective we are no longer limited to living in dual realms
- We can begin function in multidimensional realms simultaneously
- Multidimensional nonlinear living

- My spirit is continually within the omnipresence of God and is simultaneously in many dimensions

# Sons Arise

- There is an increased capacity to function in sonship
- My soul is resonating with heavenly reality and able to shift to engage wherever I am in the heavenly realms
- My soul is learning to live nonlinearly by being at rest

# Sons Arise

- I am learning how to shift focus to connect with other realms consciously whilst still cognisant here
- E.g. I can describe where I am in the heavenly realms while still engaging you here in this realm
- Tongues is a communication both ways in this process

# Sons Arise

- Living and functioning with the mind of Christ accessing unlimited possibilities and choosing to create reality from the eternal and heavenly perspectives.
- Framing time and space because you always have all that you need to do all that you are mandated to do.

# Sons Arise

- Time serves us as sons and we are able to contract and expand time more effectively and efficiently
- We are never too busy and never anxious or worried but always ruling at rest.
- God kept asking me to more so I had to rule time to enable me to do so

# Sons Arise

- Time travel and heavenly missions being translated in time and space in the spirit or with spirit and soul as cognitive experiences
- I became more active in making myself available for adventures to answer people's prayer etc.

# Sons Arise

- With expanded levels of consciousness we can continually be at rest in a delta wave state of consciousness accessing theta wave and alpha wave states of creativity.
- Choosing a reality that aligns with our destiny

# Sons Arise

- Framing our lives out of heaven is not limited to decreeing or declaring to just change and align things
- Framing our lives in time and space by choosing to use the power of our consciousness with intent to create the reality around us by choosing a reality that aligns with God's heart and our sonship

# Sons Arise

- The fabric of the creation is yours as sons. This is where you have had your being but you will no longer be limited by the constructs of your passage to maturity.
- As My sons you have the creative capacity of your Father. You have all within you within Me. Look within not without.

# Sons Arise

- I am the fulfilment of the law and prophets I am the express image and full representation of the Father.
- I am the first born of many brothers. sons who are joint heirs and therefore jointly responsible that the kingdoms of this world become in reality the kingdoms of the Lord.

# Sons Arise

- I call you gods because that is who you are My sons.
- Can you handle that truth?

# Sons Arise

- You are the light of the world
- You are an overcomer
- You are blessed to be a blessing
- You are the answer to creations bondage
- You are accepted, loved and affirmed
- You destined to rest in love, joy and peace

# Sons Arise

- This truth has been perverted and corrupted by man aided by the enemy to create pathways that are framed apart from God
- It becomes fixed in a impersonal God that is but a cosmic force or fixed on ourselves as God
- Pantheistic self absorbed perspective

# Sons Arise

- The knowledge, wisdom and understanding that relationship with God gives us means our present reality can be realigned from an eternal Godly perspective
- Our reality or truth is effectively controlled by what we already think we know and is limited by self

- Mark 9:23 And Jesus said to him, "If You can?' All things are possible to him who believes."

# Sons Arise

- Are we can do or can't do people?
- Are we half empty or half full people?
- Are we believers or not?
- What is the source of what we speak?
- Do we speak from fear or faith?

# Sons Arise

- Mark 11:22 And Jesus answered saying to them, “Have the faith of God. 23 Truly I say to you, whoever says to this mountain, ‘Be taken up and cast into the sea,’ and does not doubt in his heart, but believes that what he says is going to happen, it will be granted him. 24 Therefore I say to you, all things for which you pray and ask, believe that you have received them, and they will be granted you.

- "God used faith substance and word energy to create the universe. He spoke and the vibration (sound) of His words released (caused) the substance that became the stars and planets."
- Those strings of energy are the voice of Jesus power and His grace (divine enabling power)

# Sons Arise

- Those strings of energy are waiting to form the reality we speak into existence if we are speaking with the living word of God
- Rom 4:17 .. even God, who gives life to the dead and calls into being that which does not exist.
- Rom 4:17 and is calling the things that be not as being. YLT
