Sons Arise is the cry from the Father's heart to unveil, reveal and release His children into their full and glorious identity and inheritance as mature sons of God, the Elohim god-like ones

Sons Arise

- Many of us have had mystical encounters and experiences but most were of an involuntary nature
- If we are going to be involved with the “as it is in heaven” we need voluntary encounters continually

Sons Arise

- I have been on a long journey to discover how to engage the spiritual realms
- It began for me by engaging the gifts of the Spirit where Holy Spirit reveals information to us
- Prophecy – words, pictures and visions
- Discernment to distinguish spiritual knowledge and wisdom

Sons Arise

- God took me on a journey to train my spiritual senses to hear, see, perceive and know
- The Hebrew understanding of seeing encompasses all the senses
- Natural eyes, the eyes of our heart and the eyes of our spirit

Sons Arise

- Spiritual perception comes through the various senses
- With our eyes closed the brain starts to see on the screen of our imagination as our brain waves go from faster beta waves to slower alpha waves we become more spiritually sensitive
- All sensory information is actual discerned in our minds or consciousness

Sons Arise

- 2 Cor 4:18 So we **fix our eyes** not on what is seen, but **on what is unseen**, since what is seen is temporary, but what is unseen is eternal.
- We look at the unseen with the eyes of our heart and spirit which is played on the screen of our imagination

Sons Arise

- “Imagination is more important than knowledge. For knowledge is limited to all we now know and understand, while imagination embraces the entire world, and all there ever will be to know and understand.” - Albert Einstein

Sons Arise

- “The intuitive mind is a sacred gift and the rational mind is a faithful servant. We have created a society that honours the servant and has forgotten the gift.” - Albert Einstein

**Logic will get you from A to B.
Imagination will take
you everywhere.**

~ Albert Einstein

Sons Arise

- God communicates through a flow of thoughts, words, pictures, impressions that creates perception
- This is received and interpreted in our minds on the screen of our imagination
- We can learn to access the spiritual realms using those same senses

Sons Arise

- Heb 5:14 But solid food is for the mature, who because of **practice have their senses trained** to discern good and evil
- Voluntary encounters require practice
- Desire takes discipline or perseverance to become a delight and a lifestyle

Sons Arise

- My journey progressed from visions to visitations to multi-realm living
- Involuntary experiences 1995, 2008 and 2010 took me beyond the veil
- When I learned to access the spiritual realms by desire I had to be trained and tutored to be a son who can exercise government in those realms

Sons Arise

- My journey to explore, discover and function as a son in the spiritual realms has taken me to places beyond my wildest imagination to do things beyond my wildest dreams
- Hence the title for my testimony for My Journey Beyond Beyond

MY
JOURNEY
BEYOND
BEYOND

Sons Arise

- Engaging spiritual realms is both an exploration and an adventure an amazing journey of discovery
- Engaging these realms brings both relationship and responsibility
- Face to face intimacy with God leads us to our positions of heavenly governmental authority

Sons Arise

- What are the spiritual realms?
- Where are the spiritual realms?
- There are spiritual realms in this dimension all around us right now
- The spiritual atmosphere around us now is where our personal angels are, other angelic beings and the cloud of witnesses etc.

Sons Arise

- There are angelic portals into our realm and from our realm and some we can open
- I practiced until I could see into those spiritual realms by tuning my senses to become discerning like spiritual sonar
- Sound frequencies can help us tune up our senses to become more sensitive

Tune and engage your
spirit to the frequency
of the angels or the
witnesses in this room

Sons Arise

- I found I could travel in and out of the spiritual realms around us
- Trans-relocation physically sometimes involuntarily and sometimes by desire
- Being translated spiritually, soul and spirit, in time and space are some of my favourite engagements
- Here am I send me. I am available

Sons Arise

- There are other spiritual dimensions connected to this physical creation
- The atmosphere around the earth is more than just air there are 3 spiritual dimensions each with governmental positions attached to them
- Principalities, Powers and Rulers

Sons Arise

- There are dimensional places described figuratively as under the earth
- Tartarus a prison for watcher angels and other spiritual beings
- Satan's trophy room there are lost mantles and mandates, the destinies of those still blinded and our lost heritage

Sons Arise

- The river of fire flows from the throne of God into a dimensional place – once commonly referred to as “hell”
- I prefer the name the consuming refining fire of God’s love
- I have been there many times to preach the good news to my generational lines and others

Sons Arise

- There is another dimension where all the children who were miscarriages, abortions or still births are being tutored and trained
- There are other dimensions where other races exist
- There are portals between dimensions that can be opened

Sons Arise

- There is a dimension outside of time and space
- The eternal now we can access this dimension by following the ancient paths
- We can engage the heart and mind of God there in the Perichoresis the circle of the dance of relationship

**Eternal
NOW**

YHVH

**What
IS**

**What
will be**

Sons Arise

- We can access the womb of His creative thoughts where we can learn to see from His eternal perspective – seeing from the now or continual beginning
- We can learn to perceive from the eternal now and create reality

Sons Arise

- By engaging there we can begin to reconnect with our eternal identity – light beings constructed from the desires of His heart framed in His thoughts and spoken into existence
- We discover our eternal destiny and can become aligned to what we see and feel
- We can daily choose to act from this revelation to frame our lives

Sons Arise

- The eternal now's perspective is non-linear that enables us to call things that be not as if they are
- We can decree declare and decree from the **Now** within the name of YHVH the **what is** to change **what will be** to reflect what is always now

Sons Arise

- We become aligned with our eternal identity within His will and purpose and discover our position in the heavenly realms as a son of God
- Our identity and position reveals our destiny which is to manifest our sonship on earth as it is in heaven

Sons Arise

- We can live and move and have our being in God, in light and in love
- As we access God's heart and mind within the Perichoresis of the dance we connect with the essence of God
- Precepts – God's heart, nature and character of love
- Statutes – God's mind perspective vision

Sons Arise

- Laws – God’s creative voice how things are ordered as desire and thoughts to be spoken into reality
- Engaging these 3 the precepts, statutes and laws opens the doorway for the ordinances of heaven to be assigned and released to manifest heaven’s kingdom government on the earth

**WHEN PEOPLE ASK WHAT
I DO FOR A LIVING**

**I CREATE RIPPLES IN THE
SPACE TIME CONTINUUM THAT
ALTER FUTURE REALITIES IN
THE 3RD DIMENSION.**
