# Welcome

# Sons Arise

- To make a Ketubah we need to understand God's promises and purpose
- The new covenant becomes the basis of our Ketubah
- Ketubah needs to be made in light of our destiny scroll that was formed in God's heart and agreed with our spirit in eternity

# Sons Arise

- Psa 139:16 Your eyes have seen my unformed substance; And in Your book were all written The days that were ordained for me, When as yet there was not one of them.
- Psa 139:17 How precious also are Your thoughts to me, O God! How vast is the sum of them!

# Sons Arise

- The more we engage God in intimacy the more of the vast sum of His thoughts about us get revealed
- We find our true identity and progressive revelation of our blueprint scroll for our lives
- We can also produce our Ketubah from that context

# Sons Arise

- Ketubah is about our expectations of our relationship revealed by God in light of our destiny and purpose within that relationship.
- In relationship we seek first His kingdom in righteousness, which means out of our first love for Him, and then all God's promises become available to us.
- We are in Him and in His name

# Sons Arise

- Gen 1:28 God **blessed them**; and God said to them, “Be **fruitful and multiply**, and **fill** the earth, and **subdue** it; and **rule**
- This mandate forms the basis of our expectations
- We are blessed by God so we can expect Him to empower us to succeed and prosper to the highest level

# Sons Arise

- The Ketubah becomes the basis of our covenant exchange or trading.
- We trust Him by surrendering to our destiny and He provides, protects, empowers and us blesses us to prosper and succeed to the highest level.

# Sons Arise

- What do we put in our Ketubah?
- Everything that will bring the fulfilment of our eternal destiny based on God's character and nature - love
- The expectation of the availability of all the resources necessary to enable us to fulfil God's purpose
- It then becomes the foundational truth and reality from which we live
- We can frame our lives in accordance with it

# Sons Arise

- Our Ketubah will enable us to rule in life and not be subject to the circumstances around us
- So it is really important to spend time engaging with God about our Ketubah
- Begin to formulate it so you can be joined to Him in new covenant marriage relationship

# Sons Arise

- Ketubah is based on our surrendering to our destiny and the revelation God gives us of all His blessings and promises that enable us to succeed and prosper
- It is not our personal wish list developed in independence

# Sons Arise

- Psa 139:16 Your eyes have seen my unformed substance; And in Your book were all written The days that were ordained for me, When as yet there was not one of them.
