Sons Arise

- Before we can separate and reintegrate soul and spirit we need to reintegrate the fragmented soul.
- We need to see all walls barriers and partitions come down penetrated by the love of God that casts out all fear.

Sons Arise

- We are a 3 part being Spirit Soul Body
- God is a tri-part being Father, Son, Spirit
- We may have lost the true knowledge of our identity that came from knowing we are in God
- We have become fragmented through **the sin** (lost distorted image)

Sons Arise

- Man was designed for intimate relationship with God
- Originally man was not self-conscious apart from relationship with God our identity, image, esteem, value, worth, security, protection, provision all flowed from the vast sum of God's amazing thoughts about us through heart to heart cardiognosis

Sons Arise

- When Adam chose independence and spiritual separation we all lost our identity through spiritual death
- Mankind has since that point tried to rediscover our identity from the world around
- We became self-conscious and world conscious in independence

Sons Arise

- Our efforts through self knowledge independent of the truth have caused damage to each other and ourselves through selfishness and self-centredness
- Whenever we seek to use our own knowledge as opposed to God's we are falsely trading

Sons Arise

- Whenever we use a substitute instead of God's provision - falsely trading
- Whenever the motives of our heart are selfish - falsely trading
- This creates hurt, pain, damage, fear etc.
- Man was created and mandated to survive to be fruitful, multiply etc.

Sons Arise

- We develop survival mechanisms to enable us to live in the world we were supposed to subdue and rule
- Coping Mechanisms
- Defence Mechanism
- Skins, layers, masks, behaviours
- We try to get back what we lost through our own self effort

Sons Arise

- Self-importance, Self-promotion, Self-control
- Self-respect, Self-esteem, Self-worth, Self-image,
- Self-reliance, Self-sufficiency, Self-belief, Self-expression
- Self-denial, Self-righteousness, Self-help, Self-improvement
- Self-gratification, Self-indulgence

Sons Arise

- How did we get fragments, skins, layers, masks, behaviour patterns?
- **Nature** - DNA genetic and epigenetic programming
- **Nurture** - environmental programming
- **Trauma** - experiential programming

Sons Arise

- Nurture – environmental programming - record of our upbringing
- Parents – Acceptance, Affection, Affirmation, Approval – Security
- Family, School, Friends, Church
- Words – curses, vows, agreements, lies

Sons Arise

- Nature
- Blood line – records of family sin, behaviours, spirits - iniquity
- Seed line – DNA genetic record
- Reptilian seed – Cain
- Nephilim seed – angelic/human hybrid
- Righteous seed - Noah

Sons Arise

- Trauma – record of our experiences
- Layers of protection, coping & defence mechanisms
- Abuse – physical, sexual, emotional, physiological, verbal
- Incidents & Accidents – emotional and physical
- Grief & loss, death, divorce, moving home

Sons Arise

- Heb 4:12 dividing, separating, judging
- 3 layers
- Soul & Spirit - Behaviours
- Thoughts & Intentions - Motives
- Bone & Marrow - Root or source
- Transgression – The Sin - Iniquity

Sons Arise

- There are different levels of transformation.
- Most inner healing and deliverance dealt with the behavioural level.
- Now we look to engage in a deeper level in the realms of the kingdom we also need to go to a deeper level in those things.

Sons Arise

- If you dealt with the surface level – the skins of behaviour (coping and defence mechanism) that will get you as far as the kingdom of God,
- But if you want to engage in kingship you need to go deeper and deal with the thoughts, motives & intentions of the heart, the trading!!.

Sons Arise

- There is a deeper level.
- Order of Melchizedek has no earthly genealogy no longer of Adam's line
- If we want to come into true sonship, we need genetic transformation.
- We use the power of the body and blood of Jesus through communion

Sons Arise

- The wonderful reality is that wholeness is not only possible but is our destiny
- Eph 1:4 just as He chose us in Him before the foundation of the world, that we would be holy and blameless before Him. In love 5 He predestined us to adoption as sons through Jesus Christ to Himself, according to the kind intention of His will,

Sons Arise

- Eph 1:4 He associated us in Christ before the fall of the world! Jesus is God's mind made up about us! He always knew in his love that he would present us again face-to-face before him in blameless innocence. 1:5 He is the architect of our design; his heart dream realized our coming of age in Christ.

Sons Arise

- 1 Thes 5:23 Now may the God of peace Himself sanctify you entirely; and may your spirit and soul and body be preserved complete, without blame at the presence of our Lord Jesus Christ.

Sons Arise

- 1 Thes 5:23 There, away from any effort of your own, discover how the God of perfect peace, who fused you skilfully into oneness - just like a master craftsman would dovetail a carpentry joint - has personally perfected and sanctified the entire harmony of your being without your help! He has restored the detailed default settings. You were re-booted to fully participate in the life of your design, in your spirit, soul and body in blameless innocence in the immediate presence of our Lord Jesus Christ.

Sons Arise

- It is not in my “I-used-to-be-ness” or “I’m-trying-to-become-ness”, but in my “I-am-ness!”
- All this comes from His immediate presence in me and around me as I am in Him and He is in me

Sons Arise

- Jesus who knows what it is like to be fully human as the son of man and fully identified with our brokenness when He cried My God why have you forsaken me
- Jesus came to represent fallen Adam not sinless Adam

Sons Arise

- Hebrews 2:14-15 Therefore, since the children share in flesh and blood, He Himself likewise also partook of the same, that through death He might render powerless him who had the power of death, that is, the devil, and might free those who through fear of death were subject to slavery all their lives.

Sons Arise

- Hebrews 4:15-16 For we do not have a high priest who cannot sympathize with our weaknesses, but One who has been tempted in all things as we are, yet without sin. Therefore let us draw near with confidence to the throne of grace, so that we may receive mercy and find grace to help in time of need.

Sons Arise

- Hebrews 2:14 Being one with the children of God presupposes the fact that he lived and died in a body exactly like theirs; being as fully human as we are, he is qualified to remove the dominion of death that was introduced as a result of Adam's fall. 15 As a fellow human, he re-defined death and delivered them from the lifelong dread of death.

Sons Arise

- Hebrews 4:15 As High Priest he fully identifies with us in the context of our frail human lives. Having subjected it to close scrutiny, he proved that the human frame was master over sin. His sympathy with us is not to be seen as excusing weaknesses which are the result of a faulty design, but rather as a trophy to humanity. (He is not an example for us but of us.)

Sons Arise

- Son the goal is wholeness restoration of all that has been lost, broken, fragmented, fractured and all that had been used to protect can be removed.
- The coping mechanisms and defence mechanisms that have been employed by the subconscious mind can be safely removed in My presence.

Sons Arise

- In My presence there is no fear, in My presence there is fullness of joy and a peace beyond all earthly understanding.
- 1 John 4:18 There is no fear in love; but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love.

Sons Arise

- John 14:27 Peace I leave with you; My peace I give to you; not as the world gives do I give to you. Do not let your heart be troubled, nor let it be fearful.

Sons Arise

- John 14:27 Peace be with you! I give you my own peace - this is not the kind the world gives - this is peace in the midst of troubled times; therefore you have nothing to fear! Let not your hearts be timid.

Sons Arise

- John 14:21 Whoever resonates and treasures the completeness of my prophetic purpose cannot but fall in love with me and also find themselves to be fully participating in my Father's love and I will love this one and make myself distinctly known and real to each one individually. In this embrace of inseparable union love rules!

Sons Arise

- This spells inseparable, intimate oneness! Note that it is not our knowing that positions Jesus in the Father or us in them! Our knowing simply awakens us to the reality of our redeemed union! Gold does not become gold when it is discovered but it certainly becomes currency!

Sons Arise

- 1 John 4:18 There is no fear in love; but perfect love casts out fear, because fear involves punishment, and the one who fears is not perfected in love.
- The barriers, walls and separation of our souls through fear including parts can only be reintegrated through the presence of love joy and peace

Sons Arise

- 1 John 4:18 Fear cannot co-exist in this love realm. The perfect love union that we are talking about expels fear. Fear holds on to an expectation of crisis and judgment [which brings separation] and interprets it as due punishment [a form of karma!] It echoes torment and only registers in someone who does not realize the completeness of their love union [with the Father, Son and Spirit and with one another.]

Sons Arise

- Will we choose to allow the presence of the Lord to remove the barriers the defence and coping mechanisms
- We are in Him and He is in us this is a safe place for all brokenness and fragmentation to be healed and restored
- Soul to be reintegrated and whole

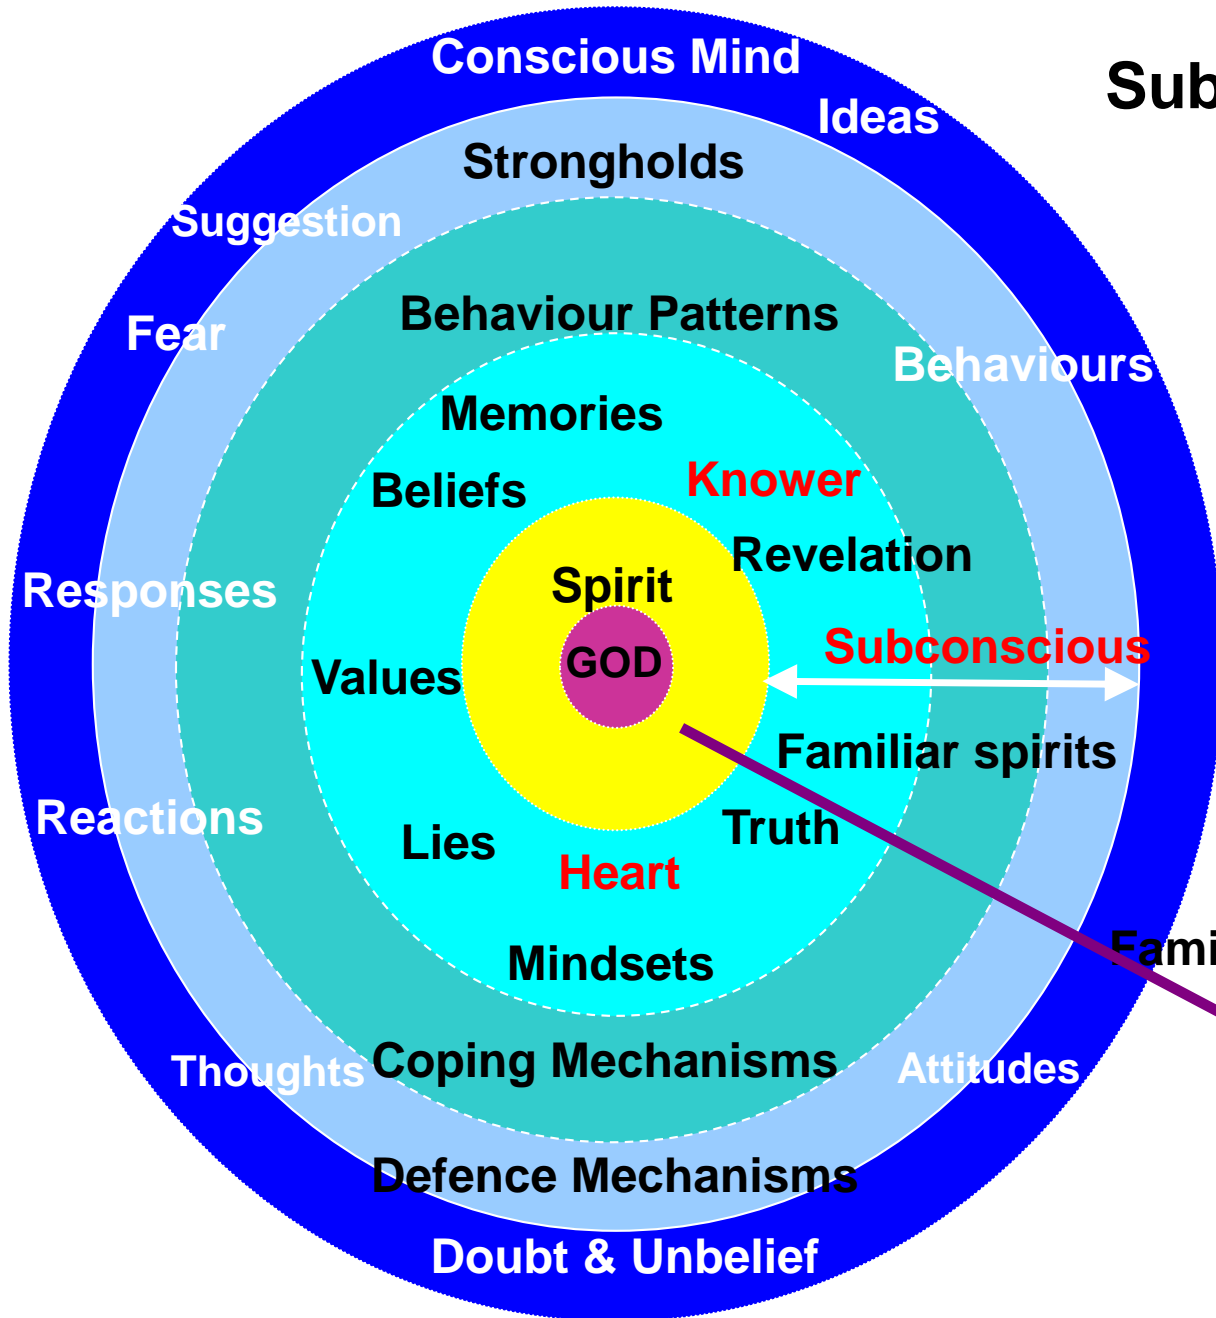

Sons Arise

- Psalm 139: Search me oh God and know my Heart, try me (put me on trial) and show me my anxious thoughts (the way of thinking that the enemy uses). Show me if there is any wicked (idolatrous) iniquitous way in me.

Sons Arise

- We really need to know who we are, who God created us to be. So we can be realigned and conformed to that.
- Trauma is a major problem. It can set up instant neural-pathways to memories that continue to influence us.
- Or dissociated pathways around them

Sons Arise

- Sometimes that can cause dissociation or stuck parts where we are emotionally undeveloped or immature in an area.
- Even our cells can contain the record of trauma. They need a trauma release. Trauma usually creates fear and the enemy comes in and occupies that.
